б 7 elect to become a participant in the twenty-five year improved benefit 8 retirement program by filing, within one hundred eighty days after such 9 starting date, a duly executed application for such participation with 10 the retirement system, provided he or she is such a fire protection 11 inspector member on the date such application is filed.

2. Subject to the provision of paragraphs five and six of the this 12 13 subdivision, any person who becomes a fire protection inspector member 14 after the starting date of the twenty-five year improved benefit retirement program may elect to become a participant in the twenty-five year 15 16 improved benefit retirement program by filing, within one hundred eighty 17 days after becoming such a fire protection inspector member, a duly executed application for such participation with the retirement system, 18 19 provided he or she is such a fire protection inspector member on the 20 date such application is filed.

21 3. Any election to be a participant in the twenty-five year improved 22 benefit retirement program shall be irrevocable.

4. Where any participant in the twenty-five year improved benefit 23 24 retirement program shall cease to hold a position as a fire protection inspector member, he or she shall cease to be such a participant and, 25 26 during any period in which such a person does not hold such a fire 27 protection inspector position, he or she shall not be a participant in the twenty-five year improved benefit retirement program and shall not 28 29 be eligible for the benefits of subdivision c of this section.

5. Where any participant in the twenty-five year improved benefit 30 31 retirement program terminates service as a fire protection inspector 32 member and returns to such service as a fire protection inspector member 33 at a later date, he or she shall again become such a participant on that 34 date.

35 6. Notwithstanding any other provision of law to the contrary, any person who is eligible to become a participant in the twenty-five year 36 improved benefit retirement program pursuant to paragraph one or two of 37 this subdivision for the full one hundred eighty day period provided for 38 in such applicable paragraph and who fails to timely file a duly 39 executed application for such participation with the retirement system, 40 shall not thereafter be eliqible to become a participant in such 41 42 program.

43 c. Service retirement benefits. Notwithstanding any other provision of law to the contrary, where a participant in the twenty-five year 44 45 improved benefit retirement program, who is otherwise qualified for a 46 retirement allowance pursuant to the optional retirement provision set forth in subdivision a of this section, has made and/or paid, while he 47 or she is a fire protection inspector member, all additional member 48 contributions and interest (if any) required by subdivision d of this 49 50 section, then:

51	1.	that	par	ctici	ipant,	whil	e he	e or	she	rema	air	ns a	particip	bant,	shall	not

54 if that participant, while such a participant, retires from 2. service, he or she shall not be subject to the provisions of section 55 four hundred forty-four of this article; and 56

1 his or her retirement allowance shall be an amount, on account of 3. 2 the required minimum period of service, equal to the sum of (i) an annu-3 ity which shall be the actuarial equivalent of the accumulated 4 deductions from his or her pay during such period, (ii) a pension for 5 increased-take-home-pay which shall be the actuarial equivalent of the б reserve for increased-take-home-pay to which he or she may be entitled, 7 for such period, and (iii) a pension which, when added to such annuity 8 and such pension for increased-take-home-pay, produces a retirement 9 allowance equal to fifty percent of his or her final average salary, plus an amount for each additional year of allowable service as a fire 10 11 protection inspector member, or fraction thereof, beyond such required minimum period of service equal to two percent of his or her final aver-12 13 age salary for such allowable service as a fire protection inspector 14 member during the period from completion of twenty-five years of allowable service as a fire protection inspector member to the date of 15 16 retirement but not to exceed more than five years of additional service 17 as a fire protection inspector member. d. Additional member contributions. 1. In addition to the member 18 contributions required pursuant to section 13-125 or 13-162 of the 19 administrative code, each participant in the twenty-five year improved 20 21 benefit retirement program shall contribute, subject to the applicable provisions of section 13-125.2 of the administrative code, an additional 22 six and twenty-five one-hundredths percent of his or her compensation 23 earned from all allowable service as a fire protection inspector member, 24 as a participant in the twenty-five year improved benefit retirement 25 26 program, rendered on and after the starting date of the improved benefit 27 retirement program, and all allowable service as a fire protection inspector member after such person ceases to be a participant, but 28 29 before he or she again becomes a participant pursuant to paragraph five 30 of subdivision b of this section. A participant in the twenty-five year 31 improved benefit retirement program shall contribute additional member 32 contributions until the later of the date as of which he or she is 33 eligible to retire with thirty years of allowable service as a fire protection inspector member under such retirement program, or the first 34 anniversary of the starting date of the twenty-five year improved bene-35 fit retirement program. The additional contributions required by this 36 37 section shall be in lieu of additional member contributions required by 38 subdivision d of section four hundred forty-five-d of this chapter, as 39 added by chapter ninety-six of the laws of nineteen hundred ninety-five, and no member paying additional contributions pursuant to this section 40 shall be required to pay additional contributions pursuant to such 41 42 subdivision d of section four hundred forty-five-d of this article. 43 2. Commencing with the first full payroll period after each person 44 becomes a participant in the twenty-five year improved benefit retire-45 ment program, additional member contributions at the rate specified in 46 paragraph one of this subdivision shall be deducted, subject to the applicable provisions of section 13-125.2 of the administrative code, 47 from the compensation of such participant on each and every payroll of 48 49 such participant for each and every payroll period for which he or she 50 is such a participant. 51 3. (i) Subject to the provisions of subparagraph (ii) of this para-52 graph, where any additional member contributions required by paragraph 53 one of this subdivision are not paid by deductions from a participant's

54 compensation pursuant to paragraph two of this subdivision:

б

1 (A) that participant shall be charged with a contribution deficiency consisting of such unpaid amounts, together with interest thereon, 2 3 compounded annually; and 4 (B) such interest on each amount of undeducted contributions shall 5 accrue from the end of the payroll period for which such amount would б have been deducted from compensation if he or she had been a participant at the beginning of that payroll period and such deductions had been 7 8 required for such payroll period until such amount is paid to the 9 retirement system; and 10 (C) (1) interest on each such amount included in such participant's 11 contribution deficiency pursuant to this subparagraph shall be calculated as if such additional member contributions never had been paid by 12 13 such participant, and such interest shall accrue from the end of the 14 payroll period to which an amount of such additional member contribution is attributable, compounded annually, until such amount is paid to the 15 16 retirement system; 17 (2) the rate of interest to be applied to each such amount during the period for which interest accrues on that amount shall be equal to the 18 19 rate or rates of interest required by law to be used during that same 20 period to credit interest on the accumulated deductions of retirement 21 system members; 22 (iii) Except as provided in subparagraph (iii) of this paragraph, no interest shall be due on any unpaid additional contributions which are 23 not attributable to the period prior to the first full payroll period 24 referred to in paragraph two of this subdivision; 25 26 (iii) Should any person who, pursuant to paragraph seven of this 27 subdivision has withdrawn any additional member contributions (and any interest paid thereon) again become a participant in the twenty-five 28 29 year improved benefit retirement program pursuant to paragraph five of 30 subdivision b of this section, an appropriate amount shall be included 31 in such participant's contribution deficiency (including interest there-32 on as calculated pursuant to this paragraph) for any credited service 33 with respect to which such person received a refund of additional member 34 contributions (including any amount of an unpaid loan balance deemed to 35 have been returned to such person pursuant to paragraph seven of this 36 subdivision), as if such additional member contributions never had been 37 paid. 38 4. The board of trustees of the retirement system may, consistent with the provisions of this subdivision, promulgate regulations for the 39 payment of the additional member contributions required by this subdivi-40 sion, and any interest thereon, by a participant in the twenty-five year 41 42 improved benefit retirement program (including the deduction of such 43 contributions, and any interest thereon, from his or her compensation). 44 5. Where a participant who is otherwise eligible for service retire-45 ment pursuant to subdivision c of this section did not, prior to the 46 effective date of retirement, pay the entire amount of a contribution deficiency chargeable to him or her pursuant to paragraph three of this 47 48 subdivision, or repay the entire amount of a loan of his or her addi-49 tional member contributions pursuant to paragraph eight of this subdivision (including accrued interest on such loan), that participant, never-50 51 theless, shall be eliqible to retire pursuant to subdivision c of this 52 section, provided, however, that where such participant is not entitled 53 to a refund of additional member contributions pursuant to paragraph 54 seven of this subdivision, such participant's service retirement benefit calculated pursuant to the applicable provisions of subdivision c of 55 56 this section shall be reduced by a life annuity (calculated in accord-

8

ance with the method set forth in subdivision i of section six hundred 1 2 thirteen-b of this chapter) which is actuarially equivalent to (i) the 3 amount of any unpaid contribution deficiency chargeable to such member 4 pursuant to paragraph three of this subdivision; plus (ii) the amount of 5 any unpaid balance of a loan of his or her additional member contribб utions pursuant to paragraph eight of this subdivision (including 7 accrued interest on such loan). 8 6. Subject to the provisions of paragraph five of this subdivision, 9 where a participant has not paid in full any contribution deficiency 10 chargeable to him or her pursuant to paragraph three of this subdivi-11 sion, and a benefit, other than a refund of a member's accumulated deductions or a refund of additional member contributions pursuant to 12 paragraph seven of this subdivision, becomes payable by the retirement 13 14 system to the participant or to his or her designated beneficiary or estate, the actuarial equivalent of any such unpaid amount shall be 15 16 deducted from the benefit otherwise payable. 17 7. (i) All additional member contributions required by this subdivision (and any interest thereon) which are received by the retirement 18 19 system shall be paid into its contingent reserve fund and shall be the 20 property of the retirement system. Such additional member contributions 21 (and any interest thereon) shall not for any purpose be deemed to be member contributions or accumulated deductions of a member of the 22 retirement system under section 13-125 or 13-162 of the administrative 23 code while he or she is a participant in the twenty-five year improved 24 25 benefit retirement program or otherwise. 26 (ii) Should a participant in the twenty-five year improved benefit 27 retirement program, who has rendered less than fifteen years of credited service cease to hold a position as a fire protection inspector member 28 29 for any reason whatsoever, his or her accumulated additional member 30 contributions made pursuant to this subdivision (together with any 31 interest thereon paid to the retirement system) which remain credited to 32 such participant's account may be withdrawn by him or her pursuant to 33 procedures promulgated in regulations of the board of trustees of the 34 retirement system, together with interest thereon at the rate of inter-35 est required by law to be used to credit interest on the accumulated 36 deductions of retirement system members compounded annually. 37 (iii) Notwithstanding any other provision of law to the contrary, (A) 38 no person shall be permitted to withdraw from the retirement system any additional member contributions paid pursuant to this subdivision or any 39 interest paid thereon, except pursuant to and in accordance with the 40 preceding subparagraphs of this paragraph; and 41 42 (B) no person, while he or she is a participant in the twenty-five 43 year improved benefit retirement program, shall be permitted to withdraw any such additional member contributions or any interest paid thereon 44 pursuant to any of the preceding subparagraphs of this paragraph or 45 46 otherwise. 8. A participant in the twenty-five year improved benefit retirement 47 program shall be permitted to borrow from his or her additional member 48 contributions, including any interest paid thereon, which are credited 49 to the additional contributions account established for such participant 50 51 in the contingent reserve fund of the retirement system. The borrowing from such additional member contributions pursuant to this paragraph 52 53 shall be governed by the same rights, privileges, obligations and proce-54 dures set forth in section six hundred thirteen-b of this chapter which govern the borrowing by members subject to article fifteen of this chap-55 56 ter of member contributions made pursuant to section six hundred thir-

teen of this chapter. The board of trustees of the retirement system 1 may, consistent with the provisions of this subdivision and the 2 3 provisions of section six hundred thirteen-b of this chapter as made 4 applicable to this subdivision, promulgate regulations governing the 5 borrowing of such additional member contributions. б 9. Wherever a person has an unpaid balance of a loan of his or her additional member contributions pursuant to paragraph eight of this 7 8 subdivision at the time he or she becomes entitled to a refund of his or 9 her additional member contributions pursuant to subparagraph (ii) of 10 paragraph seven of this subdivision, the amount of such unpaid loan balance (including accrued interest) shall be deemed to have been 11 returned to such member, and the refund of such additional contributions 12 13 shall be the net amount of such contributions, together with interest 14 thereon in accordance with the provisions of such subparagraph. 15 10. Notwithstanding any other provision of law to the contrary, the 16 provisions of section one hundred thirty-eight-b of this chapter shall not be applicable to the additional member contributions which are 17 required by this subdivision. 18 19 11. Notwithstanding any other provision of law to the contrary, the 20 additional member contributions which are required by this subdivision 21 shall not be reduced under any program for increased-take-home-pay. The provisions of this section shall not be construed to provide 22 e. benefits to any participant in the twenty-five year improved benefit 23 24 retirement program which are greater than those which would be received 25 by a similarly situated member who is entitled to benefits under the 26 provisions of section 13-157.2 of the administrative code, but who is 27 not governed by the provisions of this article. § 4. The retirement and social security law is amended by adding a new 28 29 section 604-j to read as follows: 30 <u>§ 604-j. Twenty-five year retirement program for fire protection</u> 31 inspector members. a. Definitions. The following words and phrases as 32 used in this section shall have the following meanings unless a differ-33 ent meaning is plainly required by the context. 1. "Fire protection inspector member" shall mean a member who is 34 35 employed by the city of New York or by the New York city fire department in a title whose duties are those of a fire protection inspector or 36 associate fire protection inspector; or in a title whose duties require 37 the supervision of employees whose duties are those of a fire protection 38 inspector or associate fire protection inspector. 39 2. "Twenty-five year retirement program" shall mean all the terms and 40 41 conditions of this section. 42 3. "Starting date of the twenty-five year retirement program" shall 43 mean the effective date of this section. 44 4. "Participant in the twenty-five year retirement program" shall mean 45 any fire protection inspector member who, under the applicable 46 provisions of subdivision b of this section, is entitled to the rights, 47 benefits and privileges and is subject to the obligations of the twen-48 ty-five year retirement program, as applicable to him or her. 5. "Discontinued member" shall mean a participant in the twenty-five 49 year retirement program who, while he or she was a fire protection 50 51 inspector member, discontinued service as such a member and has a right to a deferred vested benefit under subdivision d of this section. 52 53 6. "Administrative code" shall mean the administrative code of the 54 city of New York. "Allowable service as a fire protection inspector member" shall 55 7. 56 mean all service as a fire protection inspector member.

9

b. Participation in the twenty-five year retirement program. 1. 1 Subject to the provisions of paragraphs six and seven of this subdivi-2 3 sion, any person who is a fire protection inspector member on the start-4 ing date of the twenty-five year retirement program and who, as such a 5 fire protection inspector member or otherwise, last became subject to б the provisions of this article prior to such starting date, may elect to 7 become a participant in the twenty-five year retirement program by 8 filing, within one hundred eighty days after the starting date of the 9 twenty-five year retirement program, a duly executed application for 10 such participation with the retirement system of which such person is a 11 member, provided he or she is such a fire protection inspector member on the date such application is filed. 12 2. Subject to the provisions of paragraphs six and seven of this 13 14 subdivision, any person who becomes a fire protection inspector member after the starting date of the twenty-five year retirement program and 15 16 who, as such a fire protection inspector member or otherwise, last became subject to the provisions of this article prior to such starting 17 date, may elect to become a participant in the twenty-five year retire-18 19 ment program by filing, within one hundred eighty days after becoming such a fire protection inspector member, a duly executed application for 20 21 such participation with the retirement system for which such person is a member, provided he or she is such a fire protection inspector member on 22 the date such application is filed. 23 3. Each fire protection inspector member, other than a fire protection 24 25 inspector member subject to paragraph one or two of this subdivision, 26 who becomes subject to the provisions of this article on or after the 27 starting date of the twenty-five year retirement program shall become a participant in the twenty-five year retirement program on the date he or 28 29 she becomes such a fire protection inspector member. Provided, however, 30 a person subject to this paragraph, and who has exceeded age twenty-five 31 upon employment as a fire protection inspector member, shall be exempt 32 from participation in the improved twenty-five year retirement program 33 if such person elects not to participate by filing a duly executed form 34 with the retirement system within one hundred eighty days of becoming a 35 fire protection inspector member. 36 4. Any election to be a participant in the twenty-five year retirement 37 program shall be irrevocable. 38 5. Where any participant in the twenty-five year retirement program 39 shall cease to be employed as a fire protection inspector member, he or she shall cease to be such a participant and, during any period in which 40 41 such person is not so employed, he or she shall not be a participant in 42 the twenty-five year retirement program and shall not be eligible for 43 the benefits of subdivision c of this section. 44 6. Where any participant in the twenty-five year retirement program 45 terminates service as a fire protection inspector member and returns to 46 such service as a fire protection inspector member at a later date, he 47 or she shall again become such a participant on that date. 48 7. Notwithstanding any other provision of the law to the contrary, any 49 person who is eligible to elect to become a participant in the twentyfive year retirement program pursuant to paragraph one or two of this 50 51 subdivision for the full one hundred eighty day period provided for in 52 such applicable paragraph and who fails to timely file a duly executed 53 application for such participation with the retirement system, shall not 54 thereafter be eligible to become a participant in such program. c. Service retirement benefits. 1. A participant in the twenty-five 55 56 year retirement program:

1	(i) who has completed twenty-five or more years of allowable service
2	as a fire protection inspector member; and
3	(ii) who has paid, before the effective date of retirement, all addi-
4	tional member contributions and interest (if any) required by subdivi-
5	sion e of this section; and
6	(iii) who files with the retirement system of which he or she is a
7	member an application for service retirement setting forth at what time,
8	not less than thirty days subsequent to the execution and filing there-
9	of, he or she desires to be retired; and
10	(iv) who shall be a participant in the twenty-five year retirement
11	program at the time so specified for his or her retirement; shall be
12	retired pursuant to the provisions of this section affording early
13	service retirement.
14^{13}	2. Notwithstanding the provisions of subdivision a-1 of section six
	hundred three of this article, or any other provision of law to the
15	
16	contrary, and subject to the provisions of paragraph six of subdivision
17	e of this section, the early service retirement benefit for participants
18	in the twenty-five year retirement program who retire pursuant to para-
19	graph one of this subdivision shall be a retirement allowance consisting
20	of:
21	(i) an amount, on account of the required minimum period of service,
22	equal to fifty percent of his or her final average salary; plus
23	(ii) an amount on account of allowable service as a fire protection
24	inspector member, or fraction thereof, beyond such required minimum
25	period of service equal to two percent of his or her final salary for
26	such allowable service as a fire protection inspector member during the
27	period from completion of twenty-five years of allowable service as a
28	fire protection inspector member to the date of retirement but not to
29	exceed more than five years of additional service as a fire protection
30	inspector member.
31	d. Vesting. 1. A participant in the twenty-five year retirement
32	program:
33	(i) who discontinues service as such a participant, other than by
34 25	death or retirement; and
35	(ii) in the case of a participant who is not a New York city revised
36	plan member, who prior to such discontinuance, completed five but less
37	than twenty-five years of allowable service as a fire protection inspec-
38	tor member or, in the case of a participant who is a New York city
39	revised plan member, who prior to such discontinuance, completed ten but
40	less than twenty-five years of allowable service as a fire protection
41	inspector member; and
42	(iii) who, subject to the provisions of paragraph seven of subdivision
43	e of this section, has paid, prior to such discontinuance, all addi-
44	tional member contributions and interest (if any) required by subdivi-
45	sion e of this section; and
46	(iv) who does not withdraw in whole or in part his or her accumulated
47	member contributions pursuant to section six hundred thirteen of this
48	article unless such participant thereafter returns to public service and
49	repays the amounts so withdrawn, together with interest, pursuant to
50	such section six hundred thirteen; shall be entitled to receive a
51	deferred vested benefit as provided in this subdivision.
52	2. (i) Upon such discontinuance under the conditions and in compliance
53	with the provisions of paragraph one of this subdivision, such deferred
54	vested benefit shall vest automatically.
55	(ii) In the case of a participant who is not a New York city revised
56	plan member, such vested benefit shall become payable on the earliest

date on which such discontinued member could have retired for service if 1 such discontinuance had not occurred or, in the case of a participant 2 3 who is a New York city revised plan member, such vested benefit shall 4 become payable at age sixty-three. Subject to the provisions of para-5 graph seven of subdivision e of this section, such deferred vested beneб fit shall be a retirement allowance consisting of an amount equal to two 7 percent of such discontinued member's final average salary, multiplied 8 by the number of years of credited service.

9 e. Additional member contributions. 1. In addition to the member 10 contributions required by section six hundred thirteen of this article, 11 each participant in the twenty-five year retirement program shall contribute to the retirement system of which he or she is a member 12 13 (subject to the applicable provisions of subdivision d of section six 14 hundred thirteen of this article and subject to the limitation provided for in paragraph two of this subdivision) an additional six and twenty-15 16 five one-hundredths percent of his or her compensation earned from (i) all allowable service, as a participant in the twenty-five year retire-17 ment program, rendered on or after the starting date of the twenty-five 18 19 year retirement program, and (ii) all allowable service after such 20 person ceases to be a participant, but before he or she again becomes a 21 participant pursuant to paragraph six of subdivision b of this section. The additional contributions required by this section shall be in lieu 22 of additional member contributions required by subdivision d of section 23 six hundred four-c of this article, as added by chapter ninety-six of 24 25 the laws of nineteen hundred ninety-five, and no member making addi-26 tional contributions pursuant to this section shall be required to make 27 contributions pursuant to such subdivision d of section six hundred four-c of this article. Notwithstanding the foregoing provisions of this 28 29 paragraph, the additional member contribution required to be paid by 30 each participant pursuant to this paragraph shall not exceed the percentage of his or her compensation that, when added to the contrib-31 32 ution made pursuant to subdivision d of section six hundred thirteen of 33 this article, equals nine and twenty-five one-hundredths percent of that 34 compensation.

35 2. A participant in the twenty-five year retirement program shall 36 contribute additional member contributions until the later of (i) the 37 first anniversary of the starting date of the twenty-five year retire-38 ment program, or (ii) the date on which he or she completes thirty years 39 of allowable service as a fire protection inspector member.

3. Commencing with the first full payroll period after each person 40 41 becomes a participant in the twenty-five year retirement program, addi-42 tional member contributions at the rate specified in paragraph one of 43 this subdivision shall be deducted (subject to the applicable provisions 44 of subdivision d of section six hundred thirteen of this article) from 45 the compensation of such participant on each and every payroll of such 46 participant for each and every payroll period for which he or she is 47 such a participant.

4. (i) Each participant in the twenty-five year retirement program 48 shall be charged with a contribution deficiency consisting of the total 49 amounts of additional member contributions such person is required to 50 51 make pursuant to paragraphs one and two of this subdivision which are 52 not deducted from his or her compensation pursuant to paragraph three of 53 this subdivision, if any, together with interest thereon, compounded 54 annually, and computed in accordance with the provisions of subpara-55 graphs (ii) and (iii) of this paragraph.

12

1 (ii) (A) The interest required to be paid on each such amount speci-2 fied in subparagraph (i) of this paragraph shall accrue from the end of 3 the payroll period for which such amount would have been deducted from 4 compensation if he or she had been a participant at the beginning of 5 that payroll period and such deduction had been required for such б payroll period, until such amount is paid to the retirement system. 7 (B) The rate of interest to be applied to each such amount during the 8 period for which interest accrues on that amount shall be equal to the 9 rate or rates of interest required by law to be used during that same 10 period to credit interest on the accumulated deductions of retirement 11 system members. (iii) Except as otherwise provided in paragraph five of this subdivi-12 13 sion, no interest shall be due on any unpaid additional member contrib-14 utions which are not attributable to a period prior to the first full payroll period referred to in paragraph three of this subdivision. 15 16 5. (i) Should any person who, pursuant to subparagraph (ii) of para-17 graph ten of this subdivision, has received a refund of his or her additional member contribution including any interest paid on such contrib-18 utions, again become a participant in the twenty-five year retirement 19 20 program pursuant to paragraph six of subdivision b of this section, an 21 appropriate amount shall be included in such participant's contribution deficiency (including interest thereon as calculated pursuant to subpar-22 agraph (ii) of this paragraph) for any credited service for which such 23 person received a refund of such additional member contributions 24 25 (including any amount of an unpaid loan balance deemed to have been 26 returned to such person pursuant to paragraph twelve of this subdivi-27 sion), as if such additional member contributions never had been paid. 28 (ii)(A) Interest on a participant's additional member contributions included in such participant's contribution deficiency pursuant to 29 30 subparagraph (i) of this paragraph shall be calculated as if such addi-31 tional member contributions had never been paid by such participant, and 32 such interest shall accrue from the end of the payroll period to which 33 an amount of such additional member contributions is attributable, until 34 such amount is paid to the retirement system. 35 (B) The rate of interest to be applied to each such amount during the 36 period for which interest accrues on that amount shall be five percent 37 per annum, compounded annually. 38 6. Where a participant who is otherwise eligible for service retirement pursuant to subdivision c of this section did not, prior to the 39 effective date of retirement, pay the entire amount of a contribution 40 deficiency chargeable to him or her pursuant to paragraphs four and five 41 42 this subdivision, or repay the entire amount of a loan of his or her 43 additional member contributions pursuant to paragraph eleven of this subdivision (including accrued interest on such loan), that participant, 44 45 nevertheless, shall be eligible to retire pursuant to subdivision c of 46 this section, provided, however, that such participant's service retire-47 ment benefit calculated pursuant to paragraph two of such subdivision c of this section shall be reduced by a life annuity (calculated in 48 accordance with the method set forth in subdivision i of section six 49 50 hundred thirteen-b of this article) which is actuarially equivalent to: 51 (i) the amount of any unpaid contribution deficiency chargeable to 52 such member pursuant to paragraphs four and five of this subdivision; 53 plus 54 (ii) the amount of any unpaid balance of a loan of his or her addi-55 tional member contributions pursuant to paragraph eleven of this subdi-56 vision (including accrued interest on such loan).

7. Where a participant who is otherwise eligible for a vested right to 1 deferred benefit pursuant to subdivision d of this section did not, 2 а 3 prior to the date of discontinuance of service, pay the entire amount of 4 a contribution deficiency chargeable to him or her pursuant to para-5 graphs four and five of this subdivision, or repay the entire amount of б a loan of his or her additional member contributions pursuant to para-7 graph eleven of this subdivision (including accrued interest on such 8 loan), that participant, nevertheless, shall have a vested right to a 9 deferred benefit pursuant to subdivision d of this section provided, 10 however, that the deferred vested benefit calculated pursuant to para-11 graph two of subdivision d of this section shall be reduced by a life annuity (calculated in accordance with the method set forth in subdivi-12 13 sion i of section six hundred thirteen-b of this article) which is actu-14 arially equivalent to: 15 (i) the amount of any unpaid contribution chargeable to such member 16 pursuant to paragraphs four and five of this subdivision; plus 17 (ii) the amount of any unpaid balance of a loan of his or her additional member contributions pursuant to paragraph eleven of this subdi-18 19 vision (including accrued interest on such a loan). 20 8. The head of a retirement system which includes participants in the 21 twenty-five year retirement program in its membership may, consistent with the provisions of this subdivision, promulgate regulations for the 22 payment of such additional member contributions, and any interest there-23 on, by such participants (including the deduction of such contributions, 24 25 and any interest thereon, from the participant's compensation). 26 9. Subject to the provisions of paragraphs six and seven of this 27 subdivision, where a participant has not paid in full any contribution deficiency chargeable to him or her pursuant to paragraphs four and five 28 29 of this subdivision, and a benefit, other than a refund of member 30 contributions pursuant to section six hundred thirteen of this article 31 or a refund of additional member contributions pursuant to subparagraph 32 (ii) of paragraph ten of this subdivision, becomes payable under this 33 article to the participant or to his or her designated beneficiary or estate, the actuarial equivalent of any such unpaid amount shall be 34 35 deducted from the benefit otherwise payable. 36 10. (i) Such additional member contributions (and any interest there-37 on) shall be paid into the contingent reserve fund of the retirement 38 system of which the participant is a member and shall not for any 39 purpose be deemed to be member contributions or accumulated contributions of a member under section six hundred thirteen of this article or 40 otherwise while he or she is a participant in the twenty-five year 41 42 retirement program or otherwise. (ii) Should a participant in the twenty-five year retirement program 43 who has rendered less than fifteen years of credited service cease to 44 45 hold a position as a fire protection inspector member for any reason 46 whatsoever, his or her accumulated additional member contributions made pursuant to this subdivision (together with any interest thereon paid to 47 48 the retirement system) may be withdrawn by him or her pursuant to procedures promulgated in regulations of the board of trustees of the retire-49 ment system, together with interest thereon at the rate of five percent 50 51 per annum, compounded annually. 52 (iii) Notwithstanding any other provision of law to the contrary, (A) 53 no person shall be permitted to withdraw from the retirement system any 54 additional member contributions paid pursuant to this subdivision or any interest paid thereon, except pursuant to and in accordance with the 55 56 preceding subparagraphs of this paragraph; and (B) no person, while he

she is a participant in the twenty-five year retirement program, 1 or 2 shall be permitted to withdraw any such additional member contributions 3 or any interest paid thereon pursuant to any of the preceding subpara-4 graphs of this paragraph or otherwise. 5 11. A participant in the twenty-five year retirement program shall be б permitted to borrow from his or her additional member contributions 7 (including any interest paid thereon) which are credited to the addi-8 tional contributions account established for such participant in the 9 contingent reserve fund of the retirement system. The borrowing from 10 such additional member contributions pursuant to this paragraph shall be 11 governed by the rights, privileges, obligations and procedures set forth in section six hundred thirteen-b of this article which govern the 12 13 borrowing of member contributions made pursuant to section six hundred 14 thirteen of this article. The board of trustees of the retirement system may, consistent with the provisions of this subdivision and the 15 16 provisions of section six hundred thirteen-b of this article as made 17 applicable to this subdivision, promulgate regulations governing the borrowing of such additional member contributions. 18 19 12. Whenever a person has an unpaid balance of a loan or his or her 20 additional member contributions pursuant to paragraph eleven of this 21 subdivision at the time he or she becomes entitled to a refund of his or her additional member contributions pursuant to subparagraph (ii) of 22 paragraph ten of this subdivision, the amount of such unpaid loan 23 balance (including accrued interest) shall be deemed to have been 24 25 returned to such member, and the refund of such additional contributions 26 shall be the net amount of such contribution, together with interest 27 thereon in accordance with the provisions of such subparagraph (ii). 28 § 5. Subdivision d of section 613 of the retirement and social securi-29 ty law is amended by adding a new paragraph 12 to read as follows: 30 12. (i) The city of New York shall, in the case of a fire protection 31 inspector member (as defined in paragraph one of subdivision a of 32 section six hundred four-j of this article) who is a participant in the 33 twenty-five year retirement program (as defined in paragraph four of subdivision a of such section six hundred four-j), pick up and pay to 34 the retirement system of which such participant is a member all addi-35 tional member contributions which otherwise would be required to be 36 37 deducted from such member's compensation pursuant to paragraphs one and 38 two of subdivision e of such section six hundred four-j of this article (not including any additional member contributions due for any period 39 prior to the first full payroll period referred to in such paragraph 40 41 three of such subdivision e), and shall effect such pick up in each and 42 every payroll of such participant for each and every payroll period with 43 respect to which such paragraph three would otherwise require such 44 <u>deductions.</u> 45 (ii) An amount equal to the amount of additional contributions picked 46 up pursuant to this paragraph shall be deducted by such employer from the compensation of such member (as such compensation would be in the

47 the compensation of such member (as such compensation would be in the 48 absence of a pick up program applicable to him or her hereunder) and 49 shall not be paid to such member.

(iii) The additional member contributions picked up pursuant to this paragraph for any such member shall be paid by such employer in lieu of an equal amount of additional member contributions otherwise required to be paid by such member under the applicable provisions of subdivision e of section six hundred four-j of this article, and shall be deemed to be and treated as employer contributions pursuant to section 414(h) of the Internal Revenue Code.

15

1	(iv) For the purpose of determining the retirement system rights,
2	benefits and privileges of any member whose additional member contrib-
3	utions are picked up pursuant to this paragraph, such picked up addi-
4	tional member contributions shall be deemed to be and treated as part of
5	such member's additional member contributions under the applicable
6	provisions of subdivision e of section six hundred four-j of this arti-
7	cle.
8	(v) With the exception of federal income tax treatment, the additional
9	member contributions picked up pursuant to subparagraph (i) of this
10	paragraph shall for all other purposes, including computation of retire-
11	ment benefits and contributions by employers and employees, be deemed
12	employee salary. Nothing contained in this subdivision shall be
13	construed as superseding the provisions of section four hundred thirty-
14	one of this chapter, or any similar provision of law which limits the
15	salary base for computing retirement benefits payable by a public
16	retirement system.
17	§ 6. Section 13-125.2 of the administrative code of the city of New
18	York is amended by adding a new subdivision a-9 to read as follows:
19	a-9. Notwithstanding any other provision of law to the contrary, on or
20	after the starting date for pick up, the employer responsible for pick
21	up shall, in the case of a fire protection inspector member (as defined
22	in paragraph two of subdivision a of section four hundred forty-five-j
23	of the retirement and social security law) who is a participant in the
24	twenty-five year improved benefit retirement program (as defined in
25	paragraph three of such subdivision a), pick up and pay to the retire-
26	ment system all additional member contributions which otherwise would be
27	required to be deducted from such member's compensation pursuant to
28	subdivision d of such section four hundred forty-five-j, and shall
29	effect such pick up on each and every payroll of such participant for
30	each and every payroll period with respect to which such subdivision d
31	
	would otherwise require such deductions.

FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

SUMMARY OF BILL: This proposed legislation would amend Administrative Code of the City of New York (ACCNY) Section 13-125.2 and Retirement and Social Security Law (RSSL) Sections 444, 445, 603, and 613, and add ACCNY Section 13-157.5 and RSSL Sections 445-j and 604-j to establish a 25-Year Retirement Program for Fire Protection Inspectors (FPI 25-Year Plan) for each tier.

Effective Date: Upon enactment.

MEMBERS ELIGIBLE TO JOIN: Members whose duties are one of the following are eligible to participate in the FPI 25-Year Plan:

* Fire Protection Inspector,

* Associate Fire Protection Inspector,

* Supervisor of employees whose duties are those of a fire protection inspector, and

* Supervisor of employes whose duties are those of an associate fire protection inspector.

For purposes of this Fiscal Note, these members are collectively referred to as "Fire Inspectors."

Participation in an applicable FPI 25-Year Plan is optional for anyone who is eligible to participate in such Plan on the date of enactment by filing an election form within 180 days of enactment. Anyone who is an existing member of the New York City Employees' Retirement System (NYCERS) on the date of enactment and subsequently becomes employed as a Fire Inspector also has 180 days to elect to join the applicable FPI 25-Year Plan.

Any Fire Inspector who becomes a NYCERS member after the date of enactment is mandated into the Tier 6 FPI 25-Year Plan. However, if the member exceeds age 25 upon being mandated into the FPI 25-Year Plan, the member has the option, within 180 days of becoming a Fire Inspector, to elect not to participate.

IMPACT ON BENEFITS: Currently, Fire Inspectors generally participate in one of the NYCERS general plans (i.e. basic Tier 4 62/5 Plan, Tier 6 63/10 Plan or Improved Tier 4 57/5, 55/25 Plans). Note that since there is only one Tier 2 Fire Inspector remaining, the following summary of the FPI 25-Year Plan is for Tier 4 and Tier 6 members only.

The proposed legislation, if enacted, would provide the following benefits to Fire Inspectors under the FPI 25-Year Plan:

* Service retirement benefit:

* 50% of Final Average Salary (FAS) for the first 25 years of Allowable Service, plus

* 2% of FAS for each additional year of Allowable Service, or fraction thereof, exceeding 25 years up to a maximum of 30 years of such service.

* Final Average Salary:

* Tier 4 - Three Year Average (FAS3).

* Tier 6 - Five Year Average (FAS5).

* Vested benefit:

* Eligibility:

* Tier 4 - At least five, but less than 25, years of allowable service.

* Tier 6 - At least 10, but less than 25, years of allowable service.

* Payable at:

* Tier 4 - The date the member would have completed 25 years of allowable service.

* Tier 6 - Age 63.

* Amount:

* 2% of FAS for each year of allowable service.

* Other benefits: Members of the proposed FPI 25-Year Plans are entitled to the same disability and death benefits as other Tier 4 and Tier 6 members under the respective basic plans.

ADDITIONAL MEMBER CONTRIBUTIONS: Members of an FPI 25-Year Plan are required to make, in addition to the Tier 4 Basic Member Contributions (BMC) of 3% and the Tier 6 BMC ranging from 3% to 6% depending on defined salary scales, Additional Member Contributions (AMC) equal to 6.25% of compensation for all service as a Plan participant on and after the starting date of the Plan until the later of the one-year anniversary of the effective date of the Plans or 30 years of credited service. In no event shall BMCs plus AMCs exceed 9.25% of salary.

FINANCIAL IMPACT - PRESENT VALUES: Based on the anticipated group of members joining the FPI 25-Year Plans and the actuarial assumptions and methods described herein, the enactment of this proposed legislation would increase the Present Value of Future Benefits (PVFB) by approximately \$2.7 million, and increase the Present Value of member contributions of approximately \$1.2 million. The net result is an increase in the Present Value of future employer contributions of approximately \$1.5 million.

Under the Entry Age Normal cost method used to determine the employer contributions to NYCERS, there would be an increase in the Unfunded Accrued Liability (UAL) of approximately \$2.0 million offset by a decrease in the Present Value of future employer Normal Cost of \$0.5 million.

FINANCIAL IMPACT - ANNUAL EMPLOYER CONTRIBUTIONS: In accordance with Administrative Code of the City of New York (ACCNY) Section 13-638.2(k-2), new UAL attributable to benefit changes are to be amortized as determined by the Actuary but generally over the remaining working lifetime of those impacted by the benefit changes. As of June 30, 2018, the remaining working lifetime of the Fire Inspectors assumed to join the FPI 25-Year Plans is approximately 8 years.

For the purposes of this Fiscal Note, the increase in UAL was amortized over an 8-year period (7 payments under the One-Year Lag Methodology) using level dollar payments. This payment plus the increase in the Normal Cost results in an increase in annual employer contributions of approximately \$454,000 each year.

OTHER COSTS: Not measured in this Fiscal Note are the following:

* The impact of this proposed legislation on Other Postemployment Benefit (OPEB) costs.

CONTRIBUTION TIMING: For the purposes of this Fiscal Note, it is assumed that the changes in the Present Value of future employer contributions and annual employer contributions would be reflected for the first time in the June 30, 2019 actuarial valuation of NYCERS. In accordance with the One-Year Lag Methodology (OYLM) used to determine employer contributions, the increase in employer contributions would first be reflected in Fiscal Year 2021.

CENSUS DATA: The estimates presented herein are based on the census data used in the Preliminary June 30, 2018 (Lag) actuarial valuation of NYCERS to determine the Preliminary Fiscal Year 2020 employer contributions.

The 69 Fire Inspectors as of June 30, 2018 assumed to join the FPI 25-Year Plans had an average age of approximately 50.3 years, average service of approximately 20.0 years, and an average salary of approximately \$77,400.

ACTUARIAL ASSUMPTIONS AND METHODS: The changes in the Present Value of future employer contributions and annual employer contributions presented herein have been calculated based on the actuarial assumptions and methods in effect for the June 30, 2018 (Lag) actuarial valuations used to determine the Preliminary Fiscal Year 2020 employer contributions of NYCERS.

To determine the impact of the elective nature of the proposed legislation, a subgroup of NYCERS Fire Inspectors was developed based on who could potentially benefit actuarially. The net Present Value of future employer costs (i.e. the PVFB less the Present Value of future member contributions) of each member's benefit was determined under their current plan and under the FPI 25-Year Plan. If the net Present Value of future employer cost under the FPI 25-Year Plan was greater than or equal to the Present Value of future employer cost under the member's current plan, the member was deemed to benefit actuarially.

Based on this analysis, it was determined that those members who are mandated into the FPI 25-Year Plan in the future will generally not benefit under the Plan (i.e. they will have a decrease in Present Value of future employer costs as compared to the Tier 6 63/10 Plan they would otherwise participate in, absent this proposed legislation), and therefore the costs presented in this Fiscal Note are borne only from current NYCERS members who are assumed to benefit from, and thus opt to join, the FPI-25 Year Plan.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the actuarial assumptions and methods used and are subject to change based on the realization of potential investment, demographic, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

STATEMENT OF ACTUARIAL OPINION: I, Sherry S. Chan, am the Chief Actuary for, and independent of, the New York City Retirement Systems and Pension Funds. I am a Fellow of the Society of Actuaries, an Enrolled Actuary under the Employee Retirement Income and Security Act of 1974, a Member of the American Academy of Actuaries, and a Fellow of the Conference of Consulting Actuaries. I meet the Qualification Standards of the
