Introduced by M. of A. STERN -- read once and referred to the Committee on Ways and Means

AN ACT to amend the tax law, in relation to establishing small business savings accounts

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "savings accounts for a variable economy (SAVE) for small businesses  
3 act".

4 § 2. The tax law is amended by adding a new section 44 to read as  
5 follows:

6 § 44. Small business savings accounts. (a) General. (1) The commis-  
7 sioner shall establish a program to administer small business savings  
8 accounts under this section.

9 (2) The commissioner shall establish minimum standards for small busi-  
10 ness savings accounts and shall establish accounts, or enter into agree-  
11 ments that meet these standards to administer such accounts. In estab-  
12 lishing such standards and making such agreements the commissioner  
13 shall, to the extent practicable, seek to minimize fees, minimize risk  
14 of loss of principal, and ensure a range of investment risk options  
15 available to account beneficiaries. Any eligible small business may  
16 establish a small business savings account with respect to such business  
17 under terms which meet the requirements of this section.

18 (b) Definition. For the purposes of this section, the term "small  
19 business savings account" means a tax preferred savings account which is  
20 designated at the time of establishment of the plan as a small business  
21 savings account. Such designation shall be made in such manner as the  
22 commissioner may by regulation prescribe.

23 (c) Contributions. (1) There shall be allowed as a deduction an amount  
24 equal to the contributions to a small business savings account for the  
25 taxable year.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

(2) The aggregate amount of contributions for any taxable year to all small business savings accounts maintained for the benefit of an eligible small business shall not exceed an amount equal to ten percent of the gross profits of the business for the preceding taxable year.

(d) Distributions. (1) Any qualified distribution from a small business savings account shall not be includible in gross income.

(2) Any amounts distributed out of a small business savings account that are not qualified distributions shall be included in gross income for the taxable year of the distribution.

(3) For purposes of this section:

(A) The term "qualified distribution" means any amount:

(i) distributed from a small business savings account during a specified period of economic hardship; and

(ii) the distribution of which is certified by the taxpayer as part of a plan which provides for the reinvestment of such distribution for the funding of worker hiring or financial stabilization for the purposes of job retention or creation.

(B) The term "specified period of economic hardship" means:

(i) any one-year period beginning immediately after the end of any two consecutive quarters during which the annual rate of real gross domestic product (as determined by the Bureau of Economic Analysis of the Department of Commerce) decreases, or

(ii) any period, in no event shorter than one year, specified by the commissioner for purposes of this section.

(C) The commissioner may specify a period under clause (ii) of subparagraph (B) of this paragraph with respect to a specified area in the case of an area determined by the governor to warrant assistance from the Federal Government under the Robert T. Stafford Disaster Relief and Emergency Assistance Act.

(D) The commissioner shall, for each specified period of economic hardship establish a distribution limitation for qualified distributions from eligible small business accounts with respect to such period. The aggregate qualified distributions for any such period from all accounts with respect to an eligible small business shall not exceed such limitation.

(E) Any distribution not used in the manner certified under subparagraph (A) of this paragraph shall be treated as a distribution other than a qualified distribution in the taxable year of such distribution.

(F) Any amount contributed to a small business savings account (and any earnings attributable thereto), once distributed, shall not be treated as a qualified distribution unless such distribution is made not later than eight years after the date of such contribution. For purposes of this subparagraph, amounts (and the earnings attributable thereto) shall be treated as distributed on a first-in first-out basis.

(e) Eligible small business. For purposes of this section:

(1) The term "eligible small business" means, with respect to any calendar year, any person if the annual average number of full-time employees employed by such person during the preceding calendar year was fifty or fewer. For purposes of this paragraph, a preceding calendar year may be taken into account only if the person was in existence throughout the year.

(2)(A) The term "full-time employee" means, with respect to any year, an employee who is employed on average at least forty hours of service per week.

(B) The commissioner shall prescribe such regulations, rules, and guidance as may be necessary to determine the hours of service of an

1 employee, including rules for the application of this subdivision to  
2 employees who are not compensated on an hourly basis.

3 (f) Effect of pledging account as security. If, during any taxable  
4 year of the eligible small business for whose benefit an account is  
5 established, the account or any portion thereof is pledged as security  
6 for a loan, the portion so pledged shall be treated as distributed in a  
7 distribution other than a qualified distribution.

8 § 3. Section 209 of the tax law is amended by adding a new subdivision  
9 13 to read as follows:

10 13. For any taxable year beginning on or after January first, two  
11 thousand nineteen, any eligible small business, as such term is defined  
12 pursuant to section forty-four of this chapter, shall be exempt from all  
13 taxes imposed pursuant to this article for any contribution to and qual-  
14 ified distribution from a small business savings account established  
15 pursuant to section forty-four of this chapter, subject to the limits  
16 set forth in such section. If a taxpayer files for and receives an  
17 exemption from the tax imposed under this section pursuant to the  
18 provisions of this subdivision and the funds withdrawn, or any portion  
19 thereof, are not expended for a qualifying purpose as set forth in  
20 section forty-four of this chapter, then the amount of such exemption  
21 claimed by the taxpayer shall be added back to tax in the next succeed-  
22 ing taxable year or in the year in which the exemption is disallowed.

23 § 4. Subsection (c) of section 612 of the tax law is amended by adding  
24 a new paragraph 44 to read as follows:

25 (44) Any qualified contribution to and any qualified distribution from  
26 a small business savings account established pursuant to section forty-  
27 four of this chapter. If a taxpayer files for and receives an exemption  
28 from the tax imposed under this section pursuant to the provisions of  
29 this paragraph and are not a qualifying contribution or distribution as  
30 set forth in section forty-four of this chapter, then the amount of any  
31 such exemption claimed by the taxpayer shall be added back to tax in the  
32 next succeeding taxable year.

33 § 5. This act shall take effect immediately and shall apply to taxable  
34 years beginning after such date.
