## IN ASSEMBLY

May 20, 2019

Introduced by M. of $A$. GLICK -- (at request of the Metropolitan Transportation Authority) -- read once and referred to the Committee on Cities -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to authorize the city of New York to discontinue the use as park land of a portion of real property in the county of New York and to grant easements

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subject to the provisions of this act, but notwithstanding any provision of law to the contrary, the city of New York is hereby authorized to discontinue permanently the use as park land certain subsurface portions of the lands described in section three of this act and to discontinue temporarily the use as park land the lands described in section four of this act and to grant easements to such lands to the metropolitan transportation authority, upon such terms and conditions as the city shall determine, to enable the New York city transit authority, an affiliate of the metropolitan transportation authority, to use such lands for the construction of a new subsurface electrical substation adjacent to the existing tunnel of the $A, C, E$ subway lines to provide power to enable additional subway trains to be operated.
§ 2. The authorizations provided in section one of this act shall be effective only upon the condition that the city of New York dedicates an amount equal to or greater than the fair market value of the park lands being discontinued towards the acquisition of new park lands and/or capital improvements to existing park land and recreational facilities within the borough of Manhattan.
§ 3. The lands hereby authorized by section one of this act to be discontinued as park land and granted as a subsurface easement to the metropolitan transportation authority are located in the city, county
