5 § 5. Section 163 of the state finance law is amended by adding a new
6 subdivision 16 to read as follows:

7 16. Alternative procurement methods for the acquisition of non-con-
8 struction related commodities, services and information technology. a.
9 When the commissioner or a state agency determines that it is in the
10 best interest of the state to develop a procurement method not author-
11 ized by this section for non-construction related commodities, services
12 and information technology, the commissioner or state agency is hereby
13 authorized to develop and use such method for a specific contract award.
14 Such determination shall be made in writing and shall include documenta-
15 tion for the procurement record that such alternative procurement meth-
16 od: (i) would serve the interest of the state better than other methods
17 currently available under this section; (ii) can be applied on a compet-
18 itive, fair and equitable basis; and (iii) contains an appropriate eval-
19 uation methodology that considers both cost and qualitative evaluation
20 factors. Such alternative procurement method shall be subject to all
21 other applicable provisions of this section. The commissioner or a state
22 agency may not undertake an alternative procurement method until the
23 comptroller has determined that the proposed alternative procurement
24 method is in the best interest of the state; can be applied on a compet-
25 itive, fair and equitable basis; and utilizes an appropriate evaluation
26 methodology that considers both cost and qualitative evaluation factors.

27 b. When using an alternative procurement method authorized by this
28 subdivision, the commissioner or agency shall include in its solicita-
29 tion a detailed description of the proposed method of award. In advance
30 of the initial receipt of offers or bids, the commissioner or state
31 agency shall determine and document in the procurement record the evalu-
32 ation criteria and process to be used in the determination of the
33 specific contract award and the process by which the evaluation and
34 selection shall be conducted. In addition to the requirements set forth
35 in paragraph g of subdivision nine of this section, the procurement
36 record shall document the basis upon which the agency has determined
37 that potential vendors will be able to respond with viable bids to such
38 alternative procurement.

39 c. Notwithstanding the provisions of subdivision five of section three
40 hundred fifty-five of the education law to the contrary or section
41 sixty-two hundred eighteen of the education law, before any contract
42 awarded under this section which exceeds fifty thousand dollars in
43 amount becomes effective it must be approved by the comptroller and
44 filed in his or her office.

45 d. For each procurement awarded pursuant to this section, the commis-
46 sioner or state agency shall submit to the governor, the comptroller and
47 the heads of the fiscal committees of each house of the state legisla-
48 ture no later than the mid-point of the initial term of the resultant
49 contract a report assessing the validity of the procurement method and
50 comparing its results to procurement methods for commodities and
51 services or information technology.

52 § 6. Section 163 of the state finance law is amended by adding a new
53 subdivision 17 to read as follows:

54 17. Competitive negotiation. a. Where the basis of award is best value
55 and after completing an initial evaluation and scoring, a state agency
56 may choose to either make an award to the best value offerer pursuant to

subdivision four of this section or undertake competitive negotiations with all offerers of proposals susceptible of being selected for contract award, so long as the agency reserves the right to conduct such competitive negotiations in the solicitation. The negotiations shall be conducted as provided in paragraph d of this subdivision.

b. Competitive negotiation may only be used where:

(i) at least two offerers are deemed susceptible of being selected for contract award;

(ii) in the event that the solicitation includes optional components, the solicitation shall require all offerers to provide a proposal for all options or otherwise be deemed nonresponsive; and

(iii) the agency has determined that use of competitive negotiation will maximize the agency's ability to obtain best value, based on the agency's need and the specifications set forth in the solicitation.

c. The agency must document in the procurement record and in advance of the initial receipt of offers:

(i) the methodology, which shall be quantifiable and based on a comparison of the proposals' price and technical merit, that will be employed to arrive at a competitive range that will determine which proposals are to be considered susceptible to award; and

(ii) a fair and impartial negotiation procedure, formulated with the goal of ensuring sustained competition until an award is rendered and obtaining the best value for the state.

d. The agency shall conduct written or oral negotiations with all responsible offerers who submit proposals in the competitive range. In the course of such negotiations, the agency shall:

(i) advise the offerer of ways in which its proposal may be improved so that the offerer is given an opportunity to better meet the agency's needs;

(ii) clarify any uncertainties, ambiguities or non-material deviations in the proposal;

(iii) advise the offerer of any technical components in its proposal that may not be necessary to satisfy the agency's requirements and request modifications as appropriate;

(iv) provide the offerer a reasonable opportunity to submit any cost, technical or other revisions to its proposal in response to issues identified during negotiations; and

(v) document any oral negotiations for the procurement record.

e. Negotiations may be tailored to each offerer's proposal provided, however, such negotiations shall be conducted with each offerer within the competitive range without disclosing information concerning any other offerers' proposals or the evaluation process. Negotiations shall culminate in a technical solution from each offerer remaining within the competitive range that is deemed acceptable to meet the agency's need as set forth in the solicitation. After discussion of these technical solutions is completed, the agency shall solicit a best and final price proposal from all offerers within the competitive range. The best and final price solicitation shall ensure that all offerers are afforded an equal opportunity to respond within a specified period of time.

f. Where an agency chooses to undertake competitive negotiations instead of making a best value award after an initial evaluation and scoring, the final award shall be made to the lowest responsible offerer after receiving a best and final price on a revised acceptable proposal.

§ 7. Subdivision 9 of section 163 of the state finance law is amended by adding a new paragraph c-1 to read as follows:

1 c-1. Where a state agency determines that non-material changes to the
2 specifications as set forth in the solicitation would be in the best
3 interest of the state and, when provided for in the solicitation, state
4 agencies may request best and final offers, which shall be in writing
5 and solicited in the same manner from all offerers determined to be
6 susceptible of being selected for contract award, with the intent of
7 allowing an offerer to revise its cost; provided, however, that a state
8 agency may not make a modification to the solicitation if such modifica-
9 tion would prejudice any bidder or potential bidder and, provided
10 further, that no best and final offer may be accepted or considered by a
11 state agency unless such best and final offer is submitted in response
12 to a request by the state agency.

13 § 8. Paragraph e of subdivision 10 of section 163 of the state finance
14 law, as amended by chapter 137 of the laws of 2008, is amended to read
15 as follows:

16 e. The commissioner may authorize purchases required by state agencies
17 or other authorized purchasers by letting a contract pursuant to a writ-
18 ten agreement, or by approving the use of a contract let by any depart-
19 ment, agency or instrumentality of the United States government and/or
20 any department, agency, office, political subdivision or instrumentality
21 of any state or states. A state agency purchaser shall document in the
22 procurement record its rationale for the use of a contract let by any
23 department, agency or instrumentality of the United States government or
24 any department, agency, office, political subdivision or instrumentality
25 of any other state or states. Such rationale shall include, but need not
26 be limited to, a determination of need, a consideration of the procure-
27 ment method by which the contract was awarded, an analysis of alterna-
28 tive procurement sources including an explanation why a competitive
29 procurement or the use of a centralized contract let by the commissioner
30 is not in the best interest of the state, and the reasonableness of
31 cost. The authority to use a contract let by another governmental entity
32 pursuant to this paragraph is intended to benefit the state by using
33 contracts in place that provide for the same service or commodity sought
34 by a state agency at a price determined to be reasonable by the state
35 agency. Such contracts are not intended to be used primarily to avoid
36 competitive bidding. Use of multiple award contracts pursuant to this
37 paragraph shall follow the same basis of selection among the multiple
38 awardees as was prescribed by the original contracting governmental
39 entity.

40 § 9. Subdivision 3 of section 112 of the state finance law, as amended
41 by section 2-c of part F of chapter 57 of the laws of 2016, is amended
42 to read as follows:

43 3. A contract or other instrument wherein the state or any of its
44 officers, agencies, boards or commissions agrees to give a consideration
45 other than the payment of money, when the value or reasonably estimated
46 value of such consideration exceeds twenty-five thousand dollars, shall
47 not become a valid enforceable contract unless such contract or other
48 instrument shall first be approved by the comptroller and filed in his
49 office. For purposes of this subdivision, where consideration cannot be
50 determined in terms of monetary value, it shall be valued in terms of
51 intrinsic value.

52 § 10. Subdivision (m) of section 1-c of the legislative law, as added
53 by chapter 1 of the laws of 2005, is amended to read as follows:

54 (m) The term "restricted period" shall mean the period of time
55 commencing with the earliest posting, on a governmental entity's
56 website, in a newspaper of general circulation, or in the procurement

1 opportunities newsletter in accordance with article four-C of the
2 economic development law of written notice, advertisement or solici-
3 tion of a request for proposal, invitation for bids, or solicitation of
4 proposals, or any other method provided for by law or regulation for
5 soliciting a response from offerers intending to result in a procurement
6 contract with a [~~state agency, either house of the state legislature,~~
7 ~~the unified court system, or a municipal agency, as that term is defined~~
8 ~~by paragraph (ii) of subdivision (s) of this section, and ending with~~
9 ~~the final contract award and approval by the state agency, either house~~
10 ~~of the state legislature, the unified court system, or a municipal agen-~~
11 ~~cy, as that term is defined by paragraph (ii) of subdivision (s) of this~~
12 ~~section,~~] governmental entity and ending with the final contract award
13 and approval by the governmental entity and, where applicable, the state
14 comptroller. For the purposes of this subdivision, "governmental entity"
15 shall have the same meaning as paragraph a of subdivision one of section
16 one hundred thirty-nine-j of the state finance law.

17 § 11. This act shall take effect immediately; provided, however,
18 section one of this act shall take effect on the one hundred eightieth
19 day after it shall have become a law; provided, further, however, that
20 the provisions of sections four, five, six, seven, eight and nine of
21 this act shall apply to any procurement initiated on or after such date;
22 provided, further however, that the amendments to section 163 of the
23 state finance law made by sections four, five, six, seven and eight of
24 this act shall not affect the repeal of such section as provided in
25 subdivision 5 of section 362 of chapter 83 of the laws of 1995, as
26 amended, and shall be deemed repealed therewith.
