AN ACT to amend the retirement and social security law, in relation to certain medical presumptions applicable to members of the New York state and local employees' retirement system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 2 of section 363-a of the retirement and social
2 security law, as amended by chapter 437 of the laws of 2016, is amended
3 to read as follows:

4 2. Notwithstanding any provision of this chapter or of any general,
5 special, or local law to the contrary, any condition of impairment of
6 health caused by diseases of the heart, resulting in disability or death
7 to a police officer, presently employed, and who shall have sustained
8 such disability while so employed, shall be presumptive evidence that it
9 was incurred in the performance and discharge of duty and the natural
10 and proximate result of an accident, unless the contrary be proved by
11 competent evidence.

12 § 2. The retirement and social security law is amended by adding a new
13 section 809 to read as follows:

16 cations for disability retirement allowances made by or on behalf of a

18 the New York state and local police and fire retirement system. It
19 shall apply only to applications that are subject under this chapter to
20 a provision that any condition of impairment of health caused by a
21 disease of the heart, resulting in disability, shall be presumptive
22 evidence that such disability was incurred in the performance and
23 discharge of duty and the natural and proximate result of an accident.

1 b. Notwithstanding any other provision of law to the contrary an
 2 application for an accidental disability retirement allowance that is
 3 based on a permanent incapacity caused by a disease of the heart, shall
 4 not be required to allege or establish:

5 (1) that the member sustained an accident or other incident related to
 6 the performance and discharge of duty; or

7 (2) that notice was provided thereof.

8 c. Notwithstanding any other provision of law to the contrary, the
 9 presumptions referred to in subdivision a of this section may be
 10 rebutted only by competent evidence that the disability is not the
 11 natural and proximate result of the performance and discharge of duty.

12 § 3. The amendment made to subdivision 2 of section 363-a of the
 13 retirement and social security law by section one of this act shall not
 14 affect, impair or invalidate any temporary right, privilege or benefit
 15 conferred pursuant to the provisions of a general, special or local law
 16 (other than pursuant to articles 14 and 15 of the retirement and social
 17 security law) for any member of a public retirement system or pension
 18 plan funded by the state or one of its political subdivisions, nor shall
 19 any amendment thereto affect the application of such provisions as
 20 extended by the provisions of section 480 of the retirement and social
 21 security law.

22 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend the Retirement and Social Security Law in
 relation to heart disease related disabilities for members in the New
 York State and Local Employees' Retirement System (ERS) and the New York
 State and Local Police and Fire Retirement System (PFRS) who currently
 have heart presumptions that reference an accident. It would grant acci-
 dental disability benefits for heart cases by deeming such disabilities
 to have been sustained in the performance of duty, and the natural and
 proximate result of an accident. Such presumptions may be rebutted only
 by competent evidence that the disability is not the result of the
 performance and discharge of duty. Further, this bill would provide that
 the same criteria that exist for determining accidental death benefits
 for firefighters would be extended to police officers.

If this bill is enacted, more accidental disability benefits would be
 granted. The estimated increase in the annual contributions to the State
 of New York would be approximately \$660,000 for its PFRS members and
 approximately \$1.1 million for its Unified Court Officers. The increases
 in annual contributions for the participating employers in the PFRS
 would be approximately \$2.6 million.
