(j) "Grade" shall mean the finished ground level adjoining the building at all exterior walls.

2. Any municipality may, by local law, provide for the exemption of real property from taxation as provided in this section. Upon the adoption of such a local law, the county in which such municipality is located may, by local law, and any school district, all or part of which is located in such municipality, may, by resolution, exempt such property from its taxation in the same manner and to the same extent as such municipality has done.

3. Upon the adoption of such a local law, non-residential real property, upon conversion to mixed-use property, shall be exempt from taxation and special ad valorem levies as provided for in subdivision four of this section. Land which was vacant prior to the residential or commercial construction work for which a tax exemption is sought, shall not be eligible to receive benefits pursuant to this section.

4. (a) (i) For a period of twelve years from the approval of an application, the increase in assessed value of such property attributable to such conversion shall be exempt as provided in subparagraph (ii) of this paragraph. Such exemption shall be computed with respect to the "exemption base". The exemption base shall be determined for each year in which there is an increase in assessed value so attributable from that of the previous year's assessed value.

(ii) The following table shall illustrate the computation of the tax exemption:

Year of exemption	Percentage of exemption
1 through 8	100% of exemption base
9	80% of exemption base
10	60% of exemption base
11	40% of exemption base
12	20% of exemption base

(b) No such exemption shall be granted unless

(i) such conversion was commenced subsequent to the date on which the municipality's local law took effect; ~~and~~

(ii) the cost of such conversion exceeds the sum of ten thousand dollars or such greater amount as may be specified by local law~~;~~ ;

1 (iii) at least seventy-five percent of the floor area of the mixed-use
2 property consists of the pre-existing building or structure;

3 (iv) the portion of the building used for commercial purposes is
4 currently, as demonstrated by documentation submitted by the applicant,
5 used as such or is in good faith contemplated.

6 (c) For purposes of this section the term conversion shall not include
7 ordinary maintenance and repairs.

8 (d) No such exemption shall be granted concurrent with or subsequent
9 to any other real property tax exemption granted to the same improve-
10 ments to real property, except, where during the period of such previous
11 exemption, payments in lieu of taxes or other payments were made to the
12 local government in an amount that would have been equal to or greater
13 than the amount of real property taxes that would have been paid on such
14 improvements had such property been granted an exemption pursuant to
15 this section. In such case, an exemption shall be granted for a number
16 of years equal to the twelve year exemption granted pursuant to this
17 section less the number of years the property would have been previously
18 exempt from real property taxes.

19 5. Such exemption shall be granted only upon application by the owner
20 of such real property on a form prescribed by the commissioner. Such
21 application shall be filed with the assessor of the municipality or
22 county having the power to assess property for taxation on or before the
23 appropriate taxable status date of such municipality or county.

24 6. If the assessor is satisfied that the applicant is entitled to an
25 exemption pursuant to this section, he or she shall approve the applica-
26 tion and such real property shall ~~[thereafter]~~ be exempt from taxation
27 and special ad valorem levies as in this section provided ~~[commencing~~
28 ~~with the assessment roll prepared after the taxable status date referred~~
29 ~~to in subdivision five of this section]~~. The assessed value of any
30 exemption granted pursuant to this section shall be entered by the
31 assessor on the assessment roll with the taxable property, with the
32 amount of the exemption shown in a separate column.

33 7. (a) During the period of exemption pursuant to this section, the
34 owner shall submit an annual certification to the assessor attesting
35 that the property complies with the provisions or requirements of this
36 section and any additional provisions or requirements as may be provided
37 by local law. Failure to submit such certification shall result in revo-
38 cation of benefits. Such certification shall include at a minimum the
39 following:

40 (i) the types of residential use and the total above-grade square
41 footage of such use;

42 (ii) the types of commercial use and the total above-grade square
43 footage of such use;

44 (iii) attestation that the portion of the building used for commercial
45 purposes is currently, as demonstrated by documentation submitted by the
46 applicant, used as such or is in good faith contemplated; and

47 (iv) all such other information required by the municipality.

48 (b) If the assessor is satisfied that the applicant continues to be
49 entitled to the exemption pursuant to this section, the assessor shall
50 approve the certification and the real property shall remain exempt from
51 taxation and special ad valorem levies for another year as provided in
52 this section.

53 8. (a) The benefits of this section shall be revoked upon a finding by
54 the assessor that:

1 (i) the application for benefits hereunder or the annual certification
2 required hereunder contains a false statement or false information as to
3 a material matter or omits a material matter; or

4 (ii) the eligible real property fails to comply with one or more of
5 the provisions or requirements of this section or any provisions or
6 requirements provided by local law.

7 (b) Such revocation shall require the repayment of any benefits previ-
8 ously granted pursuant to this section.

9 9. If the assessor determines that there was a material misstatement
10 in an application filed by or on behalf of the owners for an exemption
11 pursuant to this section and that such misstatement provided the basis
12 for the granting of such exemption, the municipality shall proceed to
13 impose a penalty on the applicant of one thousand dollars in addition to
14 recovering the amount of any prior exemption granted.

15 § 2. This act shall take effect on the thirtieth day after it shall
16 have become a law and shall apply to properties for which the initial
17 application for exemption are received on and after such date.
