IN ASSEMBLY

June 7, 2019

Introduced by M. of A. SANTABARBARA -- read once and referred to the
Committee on Transportation

AN ACT to amend the transportation law, in relation to requiring the
commissioner of transportation to establish methods of reporting safety
issues with limousines

The People of the State of New York, represented in Senate and Assembly,
do enact as follows:

1 Section 1. Section 138 of the transportation law is amended by adding
2 a new subdivision 10 to read as follows:

3 10. (a) To establish a smartphone application, website and toll-free
4 hotline for reporting customer service or safety issues with altered
5 motor vehicles commonly referred to as stretch limousines which are
6 designed or modified for purposes of having a seating capacity of nine
7 or more passengers.

8 (b) Notwithstanding any law or regulation to the contrary, such
9 reports shall be considered by the commissioner for the purposes of
10 withdrawing a motor carrier's operating authority or denying applica-
11 tions for new or revised operating authority, including emergency or
12 temporary operating authority.

13 (c) The commissioner shall require motor carriers to affix signage
14 within each motor vehicle used to transport passengers for compensation
15 in a prominent location in the passenger compartment providing the
16 website address and toll-free hotline number. The form and location of
17 the signage shall be designed or approved by the commissioner.

18 (d) The commissioner shall design the reporting system to enable
19 customers to assess the service provided by their motor carrier by
20 numerical or letter scoring. The commissioner shall also design a
21 reporting system for reporting substantiated claims of safety issues or
22 failure to comply with this article or article nineteen-A of the vehicle
23 and traffic law by customers or other individuals with knowledge of such
24 issues or compliance failures. Such reporting system shall include with-

1 out limitation questions regarding motor vehicle safety equipment avail-
2 ability and condition, motor vehicle operator performance and compliance
3 with traffic laws, and such other questions as the commissioner deter-
4 mines relevant.

5 § 2. This act shall take effect on the one hundred eightieth day after
6 it shall have become a law. Effective immediately, the addition, amend-
7 ment and/or repeal of any rule or regulation necessary for the implemen-
8 tation of this act on its effective date are authorized to be made and
9 completed on or before such effective date.
