§ 2. The vehicle and traffic law amended by adding a new section 1111-f to read as follows:

§ 1111-f. Owner liability for failure of operator to comply with traffic-control indications. (a) 1. Notwithstanding any other provision of law, the county of Westchester is hereby authorized and empowered to adopt and amend a local law or ordinance establishing a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with traffic-control indications in such county in accordance with the provisions of this section. Such demonstration program shall empower such county to install and operate traffic-control signal photo violation-monitoring devices at no more than fifty intersections within and under the jurisdiction of such county at any one time.

2. Such demonstration program shall utilize necessary technologies to ensure, to the extent practicable, that photographs produced by such traffic-control signal photo violation-monitoring systems shall not include images that identify the driver, the passengers, or the contents of the vehicle. Provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because a photograph or photographs allow for the identification of the contents of a vehicle, provided that such county has made a reasonable effort to comply with the provisions of this paragraph.

(b) In any such county which has adopted a local law or ordinance pursuant to subdivision (a) of this section, the owner of a vehicle shall be liable for a penalty imposed pursuant to this section if such vehicle was used or operated with the permission of the owner, express or implied, in violation of subdivision (d) of section eleven hundred eleven of this article, and such violation is evidenced by information obtained from a traffic-control signal photo violation-monitoring system; provided however that no owner of a vehicle shall be liable for a penalty imposed pursuant to this section where the operator of such vehicle has been convicted of the underlying violation of subdivision (d) of section eleven hundred eleven of this article.

(c) For purposes of this section, "owner" shall have the meaning provided in article two-B of this chapter. For purposes of this section, "traffic-control signal photo violation-monitoring system" shall mean a vehicle sensor installed to work in conjunction with a traffic-control signal which automatically produces two or more photographs, two or more microphotographs, a videotape or other recorded images of each vehicle at the time it is used or operated in violation of subdivision (d) of section eleven hundred eleven of this article.

(d) A certificate, sworn to or affirmed by a technician employed by Westchester county in which the charged violation occurred, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotape or other recorded images produced by a traffic-control signal photo violation-monitoring system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape or other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation pursuant to a local law or ordinance adopted pursuant to this section.

(e) An owner liable for a violation of subdivision (d) of section eleven hundred eleven of this article pursuant to a local law or ordinance adopted pursuant to this section shall be liable for monetary

1 penalties in accordance with a schedule of fines and penalties to be set
2 forth in such local law or ordinance. The liability of the owner pursu-
3 ant to this section shall not exceed fifty dollars for each violation;
4 provided, however, that such local law or ordinance may provide for an
5 additional penalty not in excess of twenty-five dollars for each
6 violation for the failure to respond to a notice of liability within the
7 prescribed time period.

8 (f) An imposition of liability under a local law or ordinance adopted
9 pursuant to this section shall not be deemed a conviction as an operator
10 and shall not be made part of the operating record of the person upon
11 whom such liability is imposed nor shall it be used for insurance
12 purposes in the provision of motor vehicle insurance coverage.

13 (g) 1. A notice of liability shall be sent by first class mail to each
14 person alleged to be liable as an owner for a violation of subdivision
15 (d) of section eleven hundred eleven of this article pursuant to this
16 section. Personal delivery on the owner shall not be required. A manual
17 or automatic record of mailing prepared in the ordinary course of busi-
18 ness shall be prima facie evidence of the facts contained therein.

19 2. A notice of liability shall contain the name and address of the
20 person alleged to be liable as an owner for a violation of subdivision
21 (d) of section eleven hundred eleven of this article pursuant to this
22 section, the registration number of the vehicle involved in such
23 violation, the location where such violation took place, the date and
24 time of such violation and the identification number of the camera which
25 recorded the violation or other document locator number.

26 3. The notice of liability shall contain information advising the
27 person charged of the manner and the time in which he or she may contest
28 the liability alleged in the notice. Such notice of liability shall also
29 contain a warning to advise the persons charged that failure to contest
30 in the manner and time provided shall be deemed an admission of liabil-
31 ity and that a default judgment may be entered thereon.

32 4. The notice of liability shall be prepared and mailed by Westchester
33 county or by any other entity authorized by such county to prepare and
34 mail such notification of violation.

35 (h) Adjudication of the liability imposed upon owners by this section
36 shall be by a traffic violations bureau established pursuant to section
37 three hundred seventy of the general municipal law where the violation
38 occurred or, if there be none, by the court having jurisdiction over
39 traffic infractions.

40 (i) If an owner receives a notice of liability pursuant to this
41 section for any time period during which the vehicle was reported to the
42 police department as having been stolen, it shall be a valid defense to
43 an allegation of liability for a violation of subdivision (d) of section
44 eleven hundred eleven of this article pursuant to this section that the
45 vehicle had been reported to the police as stolen prior to the time the
46 violation occurred and had not been recovered by such time. For purposes
47 of asserting the defense provided by this subdivision it shall be suffi-
48 cient that a certified copy of the police report on the stolen vehicle
49 be sent by first class mail to the court having jurisdiction.

50 (j) An owner who is a lessor of a vehicle to which a notice of liabil-
51 ity was issued pursuant to subdivision (g) of this section shall not be
52 liable for the violation of subdivision (d) of section eleven hundred
53 eleven of this article, provided that he or she sends to the court
54 having jurisdiction a copy of the rental, lease or other such contract
55 document covering such vehicle on the date of the violation, with the
56 name and address of the lessee clearly legible, within thirty-seven days

1 after receiving notice from the court of the date and time of such
2 violation, together with the other information contained in the original
3 notice of liability. Failure to send such information within such thir-
4 ty-seven day time period shall render the owner liable for the penalty
5 prescribed by this section. Where the lessor complies with the
6 provisions of this subdivision, the lessee of such vehicle on the date
7 of such violation shall be deemed to be the owner of such vehicle for
8 purposes of this section, shall be subject to liability for the
9 violation of subdivision (d) of section eleven hundred eleven of this
10 article pursuant to this section and shall be sent a notice of liability
11 pursuant to subdivision (g) of this section.

12 (k) 1. If the owner liable for a violation of subdivision (d) of
13 section eleven hundred eleven of this article pursuant to this section
14 was not the operator of the vehicle at the time of the violation, the
15 owner may maintain an action for indemnification against the operator.

16 2. Notwithstanding any other provision of this section, no owner of a
17 vehicle shall be subject to a monetary fine imposed pursuant to this
18 section if the operator of such vehicle was operating such vehicle with-
19 out the consent of the owner at the time such operator failed to obey a
20 traffic-control indication. For purposes of this subdivision there shall
21 be a presumption that the operator of such vehicle was operating such
22 vehicle with the consent of the owner at the time such operator failed
23 to obey a traffic-control indication.

24 (l) Nothing in this section shall be construed to limit the liability
25 of an operator of a vehicle for any violation of subdivision (d) of
26 section eleven hundred eleven of this article.

27 (m) When a county has established a demonstration program pursuant to
28 this section, all fines and penalties collected under such program shall
29 be distributed in accordance with subdivision ten of section eighteen
30 hundred three of this chapter.

31 (n) Any county that adopts a demonstration program pursuant to subdi-
32 vision (a) of this section shall submit an annual report detailing the
33 results of the use of such traffic-control signal photo violation-monit-
34 oring system to the governor, the temporary president of the senate and
35 the speaker of the assembly on or before June first, two thousand twenty
36 and on the same date in each succeeding year in which the demonstration
37 program is operable. Such report shall include, but not be limited to:

38 1. a description of the locations where traffic-control signal photo
39 violation-monitoring systems were used;

40 2. the aggregate number, type and severity of accidents reported at
41 intersections where a traffic-control signal photo violation-monitoring
42 system is used for the three years preceding the installation of such
43 system, to the extent the information is maintained by the department;

44 3. the aggregate number, type and severity of accidents reported at
45 intersections where a traffic-control signal photo violation-monitoring
46 system is used for the reporting year, as well as for each year that the
47 traffic-control signal photo violation-monitoring system has been opera-
48 tional, to the extent the information is maintained by the department;

49 4. the number of events and number of violations recorded at each
50 intersection where a traffic-control signal photo violation-monitoring
51 system is used and in the aggregate on a daily, weekly and monthly
52 basis;

53 5. the number of notices of liability issued for violations recorded
54 by such system at each intersection where a traffic-control signal photo
55 violation-monitoring system is used;

1 6. the number of fines imposed and total amount of fines paid after
2 first notice of liability;

3 7. the number and percentage of violations adjudicated and results of
4 such adjudications including breakdowns of disposition made for
5 violations recorded by such systems which shall be provided at least
6 annually to such county by the respective courts and bureaus conducting
7 such adjudications;

8 8. the total amount of revenue realized by such county from such adju-
9 dications including a breakdown of revenue realized by such county for
10 each year since deployment of its traffic-control signal photo viola-
11 tion-monitoring system;

12 9. expenses incurred by such county in connection with the program;
13 and

14 10. quality of the adjudication process and its results which shall be
15 provided at least annually to such county by the respective courts and
16 bureaus conducting such adjudications.

17 (o) It shall be a defense to any prosecution for a violation of subdi-
18 vision (d) of section eleven hundred eleven of this article pursuant to
