(a) For each of the years 2019 and 2020, there shall be available an amount equal to one-half of 1 percent (0.5%) of the total of the basic annual salaries on June 30 of each such year of incumbents to whom the provisions of this subdivision apply, for distribution to such incumbents on the payroll on June 30 of each such year and at the time of payment by the state university trustees in their discretion, and subject to the approval of the chancellor and the director of the budget. Additionally, for each of the years 2019 and 2020 there shall be available an amount equal to one-half of 1 percent (0.5%) of the total of the basic annual salaries on June 30 of each such year of incumbents to whom the provisions of this subdivision apply, for distribution to such incumbents on the payroll on June 30 of each such year and at the time of payment by the state university trustees in their discretion, and subject to the approval of the chancellor and the Director of the Budget, to address equity, compression and inversion issues. Such distributions as described in this paragraph shall occur not later than December 31 of each year, and shall be retroactive to July 1 of such year.

2. The compensation increases in subdivision one of this section may also be provided by Cornell and Alfred universities, within available appropriations, at their discretion, and with the requisite approval of the state university trustees and the director of the budget, to incumbents of positions in the institutions under the management of Cornell and Alfred universities as representative of the board of trustees of the state university of New York that, in the opinion of the director of employee relations, would be designated managerial or confidential were they subject to article 14 of the civil service law.

§ 18. This act shall take effect immediately; provided that the director of employee relations certifies that there is in effect with respect to the negotiating unit designated as the state university graduate student in the state university of New York a collective bargaining agreement which provides for the compensation and benefit modifications in this act, and shall be deemed to have been in full force and effect on and after July 2, 2019; provided that the secretary of the state shall notify the legislative bill drafting commission upon the occurrence of the certification by the director of employee relations that such collective bargaining agreement is in effect in order that the commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law. Appropriations made by this act shall remain in full force and effect for liabilities incurred through July 1, 2020.

§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section or part contained in any part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part contained in any part thereof directly involved in the controversy which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.
