б	transportation law shall be required to purchase only zero-emission
7	buses and related equipment and facilities as part of the normal
8	replacement of its fleet.
9	2. For purposes of this section "zero-emission bus" shall mean a motor
10	vehicle that has a seating capacity of fifteen or more passengers in
11	addition to the driver and used for the transportation of persons; is
12	propelled by an electric motor and associated power electronics which
13	provide acceleration torque to the drive wheels during normal vehicle
14	operation and draws electricity from a hydrogen fuel cell or from a
15	battery which is capable of being recharged from an external source of
16	electricity; or otherwise operates without direct emission of atmospher-
17	<u>ic pollutants.</u>
18	§ 2. The transportation law is amended by adding a new section 18-c to
19	read as follows:
20	<u>§ 18-c. Capital plan requirements. In formulating the five-year</u>
21	department of transportation capital plans, the department shall: (a)
22	consider the requirement of section seventeen-c of this article in its
23	disbursement of payment for the costs of mass transportation capital
24	projects and facilities and give preference in the form of payments to
25	public transportation systems eligible to receive operating assistance
26	under the provisions of section eighteen-b of this article that are able
27	to demonstrate commitments made towards purchasing zero-emission buses
28	and related equipment and facilities; and (b) facilitate for purposes of
