(c) Notwithstanding the requirements of paragraphs (a) and (b) of this subdivision, sums appropriated to carry out the requirements of this section shall be used to supplement and not supplant any state, local, or private funding that is, or is anticipated to be, expended for the provision of legal services to covered individuals, and the state shall not be required to appropriate any funds for legal services to the extent that obligations associated with the provision of legal services are otherwise fully satisfied by funds received from state, local, or private sources, or by the United States government in satisfaction of any legal obligation.

5. Advisory committee. (a) There shall be an advisory committee which shall work, as necessary and in collaboration with the administrator, to develop programs, policies, training, and procedures necessary to effectuate the requirements of this section. The governor shall designate one member to serve as chair of the advisory committee.

(c) Each member, other than the member serving in an ex officio capacity, shall serve for a term of two years, with initial terms for each committee seat commencing on January first, two thousand twenty-one and expiring on December thirty-first, two thousand twenty-two. Initial appointments under this subdivision must be made within twenty days of the effective date of a chapter of the laws of two thousand twenty that added this section. 18 of subdivision three of this section.

19 6. No private right of action. Nothing in this section or the adminis-
20 tration or application thereof shall be construed to create a private
21 right of action on the part of any person or entity against the state or
22 any agency, instrumentality, official, or employee thereof.

23 7. Miscellaneous provisions. (a) Any legal services performed by a
24 legal services provider pursuant to this section shall not supplant,

27 (b) The provisions of this section shall supersede conflicting state
28 or local laws, rules, policies, procedures, and practices, except to the
29 extent that the provisions of any such state or local law, rule, policy,
30 procedure, or practice may provide any additional or greater right or
31 protection. Nothing in this section shall be interpreted or applied so
32 as to create any power, duty, or obligation prohibited by federal law.

33 (c) If any provision of this section or any application thereof to any
34 person or circumstance is held invalid, such invalidity shall not affect
35 any provision or application of this section that can be given effect
36 without the invalid provision or application. To this end, the
37 provisions of this section are severable.

38 § 3. This act shall take effect on the ninetieth day after it shall
39 have become a law. Effective immediately the addition, amendment and/or
40 repeal of any rule or regulation necessary for the implementation of
41 this act on its effective date are authorized to be made and completed
42 on or before such date.
