Jamestown, Newburgh, Niagara Falls, Oneonta, Oswego, Rochester,
Syracuse, Troy, Utica and Watertown. Provided that, except in munici-

ative already exists and is receiving or has received State funding
for such purpose, the mayor of each municipality, or in the case of
the Bronx, the borough president, will select a not-for-profit
organization that provides services in the municipality, or in the
case of the Bronx, the borough, to serve as the local coordinator of
each such local task force. Provided further that, except in munici-
palities where a state-funded antipoverty task force or initiative
already exists and is receiving or has received funding, each such
taskforce shall make efforts to be comprised of, but not limited to,
the following members: representatives from municipal, county,
and/or state government; individuals who have lived in or currently
live in households in poverty; individuals and advocates represent-

the mayor of the municipality, or in the case of the Bronx, the
borough president, will select a not-for-profit organization that
has demonstrated successful performance working with community
stakeholders and achieving objectives specified herein, to coordi-
nate the local antipoverty task force. The not-for-profit organiza-

using the criteria outlined above. Provided further that, with
guidance and oversight of the commissioner of the office of tempo-

the municipality, or in the case of the Bronx, the borough; identify
problems that are common in neighborhoods throughout the munici-
pality, or in the case of the Bronx, the borough; receive input from
local residents; use data and resident input to select one or more
focus areas related to either one or more issues or one or more
neighborhoods; and develop a plan for how funding will be targeted
toward the identified issues or neighborhoods. Such focus areas may
include, but are not limited to childhood poverty and homelessness.
Activities included in such plan may include, but are not limited

to each anti-poverty task force, the lesser of $300,000 or 20
percent of the total award may be used to carry out planning and
administration, provided however, that the amount used for planning
and administration may exceed such limitation if such amount is
