24 4. The superintendent of the division of state police shall establish
25 and maintain within the division a criminal gun clearinghouse as a
26 central repository of information regarding all guns seized, forfeited,

39 recovers a gun that was unlawfully possessed, recovered from a crime
40 scene, or is reasonably believed to have been used in or associated with
41 the commission of a crime, or is otherwise recovered as an abandoned or
42 discarded gun, the agency shall report such seized or recovered gun to
43 the criminal gun clearinghouse as soon as practicable, but in no case
44 more than twenty-four hours after the agency has taken possession of
45 such gun. Every report made to the criminal gun clearinghouse will
46 result in the prompt submission of a request to the national tracing
47 center of the bureau of alcohol, tobacco, firearms and explosives to
48 trace the movement of the subject gun and such federal agency will be
49 requested to provide the results of such a trace to the superintendent
50 of the division of state police and to the law enforcement agency that
51 submitted the clearinghouse report.

This subdivision shall not apply where the source of a gun is already known to a local law enforcement agency.]~~ All state and local law enforcement agencies shall participate in the bureau of alcohol, tobacco, firearms and explosives collective data sharing program for the purpose of sharing gun trace reports among all law enforcement agencies in the state on a reciprocal basis.

6. (a) Whenever a state or local law enforcement agency seizes or recovers a gun that was unlawfully possessed, recovered from the scene of a crime, or is reasonably believed to have been used or associated with the commission of a crime, or is recovered by the agency as an abandoned or discarded gun, the agency shall arrange for every such gun that is determined to be suitable for test-firing and of a type that is eligible for national integrated ballistic information network data entry and correlation to be test-fired as soon as practicable, and the results of that test-firing shall be submitted forthwith to the national integrated ballistic information network to determine whether the gun is associated or related to a crime, criminal event, or any individual associated or related to a crime or criminal event or reasonably believed to be associated or related to a crime or criminal event.

(b) Whenever a state or local law enforcement agency recovers any ammunition cartridge case that is of a type that is eligible for national integrated ballistic information network data entry and correlation at a crime scene, or has reason to believe that such recovered ammunition cartridge case is related to or associated with the commission of a crime or the unlawful discharge of a gun, the agency shall, as soon as practicable, arrange for the ballistics information to be submitted to the national integrated ballistic information network.

7. Whenever a state or local law enforcement agency seizes or recovers any gun, the agency shall promptly enter the make, model, caliber, and serial number of the gun into the national crime information center (NCIC) system to determine whether the gun was reported stolen.

8. The superintendent may adopt rules and regulations to effectuate the provisions of this section.

44 person committing the offense shares a child in common, a person who is
45 cohabiting with or has cohabited with the person committing the offense
46 as a spouse, parent, or guardian, or a person similarly situated to a
47 spouse, parent, or guardian of the person committing the offense.

48 Domestic violence is a class A misdemeanor.

9 fifth degree; or attempt to commit any of the above-listed offenses.

10 § 3. This act shall take effect on the first of November next succeed-
11 ing the date on which it shall have become a law.

12 PART R

13 Section 1. Short title. This act shall be known and may be cited as
14 the "New York Hate Crime Anti-Terrorism Act".

15 § 2. The opening paragraph of section 485.00 of the penal law, as
16 amended by chapter 8 of the laws of 2019, is amended to read as follows:

17 The legislature finds and determines as follows: criminal acts involv-
18 ing violence, intimidation and destruction of property based upon bias
19 and prejudice have become more prevalent in New York state in recent
20 years. The intolerable truth is that in these crimes, commonly and
21 justly referred to as "hate crimes", victims are intentionally selected,
22 in whole or in part, because of their race, color, national origin,
23 ancestry, gender, gender identity or expression, religion, religious
24 practice, age, disability or sexual orientation. Hate crimes do more
25 than threaten the safety and welfare of all citizens. They inflict on
26 victims incalculable physical and emotional damage and tear at the very
27 fabric of free society. Crimes motivated by invidious hatred toward
28 particular groups not only harm individual victims but send a powerful
29 message of intolerance and discrimination to all members of the group to
30 which the victim belongs. Hate crimes can and do intimidate and disrupt
31 entire communities and vitiate the civility that is essential to healthy
32 democratic processes. In a democratic society, citizens cannot be
33 required to approve of the beliefs and practices of others, but must
34 never commit criminal acts on account of them. [~~Current law~~] However,
35 these criminal acts do occur and are occurring more and more frequently.
36 Quite often, these crimes of hate are also acts of terror. The recent
37 attacks in Monsey, New York as well as the shootings in El Paso, Texas;
38 Pittsburgh, Pennsylvania; Sutherland Springs, Texas; Orlando, Florida;
39 and Charleston, South Carolina illustrate that mass killings are often
40 apolitical, motivated by the hatred of a specific group coupled with a
41 desire to inflict mass casualties. The current law emphasizes the poli-
42 tical motivation of an act over its catastrophic effect and does not
43 adequately recognize the harm to public order and individual safety that
44 hate crimes cause. Therefore, our laws must be strengthened to provide
45 clear recognition of the gravity of hate crimes and the compelling
46 importance of preventing their recurrence.

47 § 3. Subdivision 3 of section 485.05 of the penal law, as amended by
48 section 9 of part NN of chapter 55 of the laws of 2018, is amended to
49 read as follows:

50 3. A "specified offense" is an offense defined by any of the following
51 provisions of this chapter: section 120.00 (assault in the third
52 degree); section 120.05 (assault in the second degree); section 120.10

37 the second degree); section 160.15 (robbery in the first degree);
38 section 240.25 (harassment in the first degree); subdivision one, two or
39 four of section 240.30 (aggravated harassment in the second degree);
40 section 490.10 (soliciting or providing support for an act of terrorism
41 in the second degree); section 490.15 (soliciting or providing support
42 for an act of terrorism in the first degree); section 490.20 (making a
43 terroristic threat); section 490.25 (crime of terrorism); section 490.30

17 the service of public authorities in the state of New York, to stimulate
18 higher efficiency among the personnel, to provide skilled leadership in
19 administration, to reward merit and to insure the highest return in
20 services for the necessary costs of administration, it is hereby
21 declared that public authorities shall, consistent with the federal
22 Equal Pay Act of 1963 (29 U.S.C. § 206), the federal Civil Rights Act
23 (42 U.S.C. § 2000e-2), article fifteen of the executive law, and section
24 forty-c of the civil rights law, ensure a fair, non-biased compensation
25 structure for all employees in which status within one or more protected
26 class or classes is not considered either directly or indirectly in
27 determining the proper compensation for a title or in determining the
28 pay for any individual or group of employees, ensure that no employee
29 with status within one or more protected class or classes shall be paid
30 a wage at a rate less than the rate at which an employee without status
31 within the same protected class or classes in the same establishment is
32 paid for similar work or substantially similar work and provide regular
33 increases in pay in proper proportion to increase of ability, increase
34 of output and increase of quality of work demonstrated in service.

47 biweekly or per diem basis; reimbursement for expenses; health, welfare
48 and retirement benefits; and vacation pay, sick pay, separation or holi-
49 day pay, or any other form of remuneration.

22 that would serve the same purpose and not produce such differential, and
23 (iii) that the employer has refused to adopt such alternative practice;

22 (c) Subject to the provisions of chapter fifty-nine of the laws of two
