Paragraphs a, f, g and h of subdivision 5 of section 1950 of the education law, paragraph a as amended by section 4 and paragraph g as amended by section 5 of part C of chapter 57 of the laws of 2004, paragraph f as amended by chapter 53 of the laws of 1981, and paragraph h as added by section 1 of part L of chapter 57 of the laws of 2005, are amended to read as follows:

a. Upon application by a board of cooperative educational services, in the two thousand nineteen--two thousand twenty school year and prior, there shall be apportioned and paid from state funds to each board of cooperative educational services an amount which shall be the product of the approved cost of services actually incurred during the base year multiplied by the sharing ratio for cooperative educational services aid which shall equal the greater of: (i) an amount equal to one minus the quotient expressed as a decimal to three places without rounding of eight mills divided by the tax rate of the local district computed upon the actual valuation of taxable property, as determined pursuant to subdivision one of section thirty-six hundred two of this chapter and notwithstanding section three thousand six hundred three, expressed in mills to the nearest tenth as determined by the commissioner, provided, however, that where services are provided to a school district which is included within a central high school district or to a central high school district, such amount shall equal one minus the quotient expressed as a decimal to three places without rounding of three mills divided by the tax rates, expressed in mills to the nearest tenth, of such districts, as determined by the commissioner or (ii) the aid ratio of each school district for the current year, which shall be such component school district's board of cooperative educational services aid ratio and which shall be not less than thirty-six percent converted to decimals and shall be not more than ninety percent converted to decimals. For the purposes of this paragraph, the tax rate of the local district computed upon the actual valuation of taxable property shall be the sum of the amount of tax raised by the school district plus any payments in lieu of taxes received by the school district pursuant to section four hundred eighty-five of the real property tax law, divided

1 by the actual valuation of the school district, provided, however that
2 the tax rate for a central high school district shall be the sum of the
3 amount of tax raised by the common and union free school districts
4 included within the central high school district for the support of the
5 central high school district plus any payments in lieu of taxes received
6 for the support of the central high school district pursuant to section
7 four hundred eighty-five of the real property tax law, divided by the
8 actual valuation of the central high school district. The tax rate for
9 each common or union free school district which is included within a
10 central high school district shall be the sum of the amount raised for
11 the support of such common or union free school district plus any
12 payments in lieu of taxes received for the support of the school
13 district pursuant to section four hundred eighty-five of the real prop-
14 erty tax law, exclusive of the amount raised for the central high school
15 district, divided by the actual valuation of such common or union free
16 school district.

17 f. The sum of the amounts determined for each component school
18 district as the apportionment to the board of cooperative educational
19 services pursuant to the provisions of this section shall not be less
20 than the amount which would have been apportioned during the nineteen
21 hundred sixty-seven--sixty-eight school year under the provisions of
22 this subdivision as in effect on December thirty-first, nineteen hundred
23 sixty-six to the board of cooperative educational services of which the
24 district was a component member for which such apportionment was made,
25 except that such minimum apportionment shall be reduced in any year in
26 which the expenditures of the component district for board of cooper-
27 ative educational purposes fall below the expenditure on which the nine-
28 teen hundred sixty-seven--sixty-eight apportionment to the board of
29 cooperative educational services was based, such reduction to be made on
30 a proportionate basis, provided, however, that such limitation shall no
31 longer apply commencing with the two thousand twenty--two thousand twen-
32 ty-one school year.

33 g. Any payment required by a board of cooperative educational services
34 to the dormitory authority or any payment required by a board of cooper-
35 ative educational services to acquire or construct a school facility of
36 the board of cooperative educational services, and any payments for
37 rental of facilities by a board of cooperative educational services
38 shall, for the purposes of apportionment of public moneys to the board
39 of cooperative educational services by the state of New York, be deemed
40 to be an administrative or capital expense, as designated by the commis-
41 sioner, but the entire amount of such payment shall be utilized in
42 making such apportionment and the limitation of ten percent of the total
43 expenses contained in this subdivision shall not be applicable. Any
44 expense designated by the commissioner as a capital expense shall be
45 included in the capital budget of the board of cooperative educational
46 services and, except as otherwise provided in this paragraph, shall be
47 aided in the same manner as an administrative expense, provided, howev-
48 er, that such aid shall not be provided commencing with the two thousand
49 twenty--two thousand twenty-one school year. Any such payment shall not
50 be considered part of the total expenses of the board for purposes of
51 determining the administrative and clerical expenses not to exceed ten
52 percent otherwise eligible for aid under this subdivision, and such
53 payments shall be considered for the purpose of apportionment during the
54 current school year such payment is made. The apportionment for such
55 payments shall be determined by multiplying the amount of such payment
56 allocated to each component school district in the board of cooperative

educational services by the aid ratio, and shall be not more than ninety percent converted to decimals, of each such component computed pursuant to subdivision three of section thirty-six hundred two and used to apportion aid to that district in that current school year; provided, however, the apportionment for the construction, acquisition, reconstruction, rehabilitation, or improvement of board of cooperative educational services facilities, including payments to the dormitory authority and payments under any lease agreement, shall be based upon the cost of the board of cooperative educational services school facilities but not to exceed the cost allowance set forth in subdivision six of section thirty-six hundred two of the education law and payments for rental facilities shall be subject to the approval of the commissioner.

h. Each board of cooperative educational services receiving a payment pursuant to paragraph a of this subdivision and section thirty-six hundred nine-d of this chapter, in the two thousand nineteen--two thousand twenty school year and prior, shall be required to set aside from such payment an amount not less than the amount of state aid received pursuant to paragraph a of this subdivision in the base year that was attributable to cooperative services agreements (CO-SERs) for career education, as determined by the commissioner, and shall be required to use such amount to support career education programs in the current year.

§ 9. Subparagraph (ii) of paragraph j of subdivision 1 of section 3602 of the education law, as amended by section 11 of part B of chapter 57 of the laws of 2007, is amended and a new paragraph (iii) is added to read as follows:

(ii) For aid payable in the two thousand eight--two thousand nine school year through two thousand nineteen--two thousand twenty school year, and in the two thousand twenty-one--two thousand twenty-two school year and thereafter, the total foundation aid base shall equal the total amount a district was eligible to receive in the base year pursuant to subdivision four of this section.

(iii) For aid payable in the two thousand twenty--two thousand twenty-one school year, the total foundation aid base shall equal the sum of

(1) the total amount a district was eligible to receive in the base year pursuant to subdivision four of this section, plus

(2) the total amounts set forth for such school district as "2019-20 CLAIMED BOCES AID", "2019-20 ACADEMIC IMPRVMT AID", "2019-20 CAREER EDUCATION AID", "2019-20 COMPUTER ADMIN AID", "2019-20 HARDWARE & TECHNOLOGY AID", "2019-20 SOFTWARE AID", "2019-20 LIBRARY MATERIALS AID", "2019-20 TEXTBOOK AID", "2019-20 CHRTR SCH TRANSTNL AID", "ACADEMIC ENHANCEMENT", "HIGH TAX AID", and "SUPP PUB EXCESS COST", in the data file produced by the commissioner in support of the executive budget request for the two thousand twenty--two thousand twenty-one school year and entitled "BT202-1".

47 support, counseling, legal and/or other services to students and their
48 families, including but not limited to providing a community school site
49 coordinator and programs for English language learners, or to support
50 other costs incurred to maximize students' academic achievement. Each
51 school district shall use such "20-21 COMMUNITY SCHOOLS INCR" to support
52 the transformation of school buildings into community hubs to deliver
53 co-located or school linked academic, health, mental health services and
54 personnel, after-school programming, dual language programs, nutrition,

9 tion aid as defined in subparagraph (vi) of this paragraph plus (2) the
10 greater of tiers A through E plus (3) the community schools setaside
11 increase.

12 For the purposes of this paragraph, "foundation aid remaining" shall
13 mean the positive difference, if any, of (1) total foundation aid
14 computed pursuant to this subdivision less (2) the total foundation aid
15 base computed pursuant to subparagraph (iii) of paragraph j of subdivi-
16 sion one of this section.

17 For the purposes of this paragraph:

18 (i) "Tier A" shall equal the product of the foundation aid remaining
19 multiplied by (A) for a city school district in a city with a population
20 of one million or more, twenty-six thousand three hundred sixty-seven
21 one hundred-thousandths (0.26367), (B) for city school districts in
22 cities with populations greater than one hundred and twenty-five thou-

24 for all other districts, four one-hundredths (0.04).

25 (ii) "Tier B" shall equal the product of the foundation aid remaining
26 multiplied by the Tier B phase-in factor, where the "Tier B phase-in
27 factor" shall equal the product of nine one-hundredths (0.09) multiplied
28 by the Tier B scaled factor, and where the "Tier B scaled factor" shall
29 equal the difference of one less the squared product of the pupil wealth
30 ratio computed pursuant to paragraph a of subdivision three of this
31 section multiplied by sixty-four one-hundredths (0.64), provided that
32 such difference shall be no greater than nine tenths (0.9) nor less than

38 plied by the Tier C per pupil amount, where "Tier C per pupil amount"
39 shall equal the product of (A) one hundred forty-eight dollars and eigh-
40 teen cents (\$148.18) multiplied by (B) the regional cost index computed
41 pursuant to subparagraph two of paragraph a of this subdivision for such
42 school district multiplied by (C) the modified free and reduced-price
43 lunch index multiplied by (D) the difference of two less the product of
44 one and one-half (1.5) multiplied by the combined wealth ratio for total
45 foundation aid computed pursuant to subparagraph two of paragraph c of
46 subdivision three of this section, provided that such difference shall
47 be no greater than nine tenths (0.9) nor less than zero, and where the
48 "modified free and reduced-price lunch index" shall equal the quotient
49 arrived at when dividing the three year average free and reduced-price
50 lunch percent for the current year computed pursuant to paragraph p of
51 subdivision one of this section of the school district by the statewide
52 average of such percent excluding any city school district in a city
53 with a population of one million or more.

54 (iv) "Tier D" shall equal the product of the extraordinary needs count
55 computed pursuant to paragraph s of subdivision one of this section
56 multiplied by the Tier D per pupil amount, where "Tier D per pupil

1 amount" shall equal the product of (A) two hundred five dollars (\$205)
2 multiplied by (B) the sum of one plus the sparsity factor computed
3 pursuant to paragraph r of subdivision one of this section multiplied by
4 (C) the extraordinary needs index multiplied by (D) the tier D scaled
5 factor, where the "extraordinary needs index" shall equal the quotient
6 of the extraordinary needs percent for the district computed pursuant to
7 paragraph w of subdivision one of this section divided by the statewide
8 average of such percent, and where the "tier D scaled factor" shall
9 equal the difference of one and thirty-seven one-hundredths (1.37) less
10 the squared product of the pupil wealth ratio computed pursuant to para-
11 graph a of subdivision three of this section multiplied by one and twen-
12 ty-four one-hundredths (1.24), provided that such tier D scaled factor
13 shall not be less than zero nor more than one.

14 (v) "Tier E" shall equal the greater of the due minimum or the differ-
15 ence of the due minimum less the hold harmless, where "due minimum"
16 shall equal the product of the total foundation aid base computed pursu-
17 ant to subparagraph (iii) of paragraph j of subdivision one of this
18 section multiplied by twenty-five ten-thousandths (0.0025), and where
19 the "hold harmless" shall equal adjusted foundation aid less the total
20 foundation aid base computed pursuant to subparagraph (iii) of paragraph
21 j of subdivision one of this section.

22 (vi) For the two thousand twenty--two thousand twenty-one school year,
23 "adjusted foundation aid" shall equal the sum of the total amounts set

32 school year and entitled "BT202-1".

33 (vii) "Community schools setaside increase" shall equal the sum of the
34 community schools tier 1 increase and the community schools tier 2
35 increase, where (A) the community schools tier 1 increase shall equal,
36 for eligible school districts, the greater of thirty thousand dollars
37 (\$30,000) or the product of (1) sixty-six dollars and five cents
38 (\$66.05) multiplied by (2) the public school district enrollment as
39 computed pursuant to paragraph n of subdivision one of this section
40 multiplied by (3) the community schools setaside ratio and (B) the
41 community schools tier 2 increase shall equal, for eligible school
42 districts, the greater of twenty-five thousand dollars (\$25,000) or the
43 product of (1) forty-three dollars and ninety-four cents (\$43.94) multi-

45 to paragraph n of subdivision one of this section multiplied by (3) the
46 community schools setaside ratio. Provided further, the "community
47 schools setaside ratio" shall equal the difference of one less the prod-
48 uct of the combined wealth ratio for total foundation aid computed
49 pursuant to subparagraph two of paragraph c of subdivision three of this
50 section multiplied by sixty-four one-hundredths (0.64), provided that
51 such difference shall not be greater than nine tenths (0.9) nor less
52 than zero.

53 For purposes of this subparagraph, districts eligible for the communi-

3 subdivision one of this section for the base year divided by public
4 school district enrollment for the base year less such quotient for the
5 school year five years prior to the base year is greater than or equal
6 to the statewide average of the difference of such quotients, and (2)
7 where the quotient arrived at when dividing the English language learner
8 count for the base year by public school district enrollment for the
9 base year is greater than or equal to the statewide average of such
10 quotient, and (3) where the combined wealth ratio for total foundation
11 aid computed pursuant to subparagraph two of paragraph c of subdivision
12 three of this section is less than or equal to one (1.0).

13 For purposes of this subparagraph, districts eligible for the communi-
14 ty schools tier 2 increase shall be those that did not receive funds
15 under the community schools setaside for the two thousand nineteen--two
16 thousand twenty school year, are not eligible for the community schools

11 provisions of this subdivision using the difference of the highest of
12 the aid ratios so computed for the reorganized district or the highest
13 of the aid ratios so computed for any of the individual school districts
14 which existed prior to the date of the reorganized school district less
15 one-tenth.

53 x. (1) "Enrollment index" shall be computed by dividing the public
54 school enrollment for the current year by public school enrollment for
55 the base year, both as defined in paragraph n of this subdivision, with
56 the result carried to three places without rounding.

(2) "Five-year resident public-nonpublic enrollment index" shall be computed by dividing by five the result obtained by subtracting one from the quotient arrived at when dividing the sum of the resident public school district enrollment plus the resident nonpublic school district enrollment, both as defined in paragraph n of this subdivision, for the school year two years prior to the base year, by the sum of such enrollments for the school year seven years prior to the base year, with the result carried to three places without rounding.

§ 20. Subdivision 3 of section 3602 of the education law is amended by adding a new paragraph h to read as follows:

h. Inflation-enrollment index. For the two thousand twenty-one--two thousand twenty-two school year and thereafter, the inflation-enrollment index shall equal the greater of (1) the consumer price index computed pursuant to paragraph hh of subdivision one of this section, (2) the sum of the consumer price index plus the five-year resident public-nonpublic enrollment index computed pursuant to paragraph x of this subdivision, or (3) zero.

§ 21. Paragraphs a and b of subdivision 7 of section 3602 of the education law, as amended by section 17 of part B of chapter 57 of the laws of 2007, are amended to read as follows:

a. In addition to the foregoing apportionment, there shall be apportioned to any school district for pupil transportation, the lesser of ninety per centum or the state share of its approved transportation expense for the base year. The state share shall equal the sum of the transportation sparsity adjustment and the transportation aid ratio, but not less than six and one-half percent. The transportation aid ratio shall equal the greater of (i) the product of one and two hundred sixty-three thousandths multiplied by the state sharing ratio, (ii) an aid ratio computed by subtracting from one and one hundredth the product computed to three decimals without rounding obtained by multiplying the resident weighted average daily attendance wealth ratio by forty-six percent, where such aid ratio shall be expressed as a decimal carried to three places without rounding, provided that commencing with the two thousand twenty-one--two thousand twenty-two school year and thereafter, such aid ratio shall be zero, or (iii) excluding cities with a population of more than one million, an aid ratio computed by subtracting from one and one hundredth the product computed to three decimal places without rounding obtained by multiplying the number computed to three decimals without rounding obtained when the quotient of actual valuation of a school district, as defined in paragraph c of subdivision one of this section, divided by the sum of the resident public school district enrollment, the resident nonpublic school district enrollment and the additional public school enrollment of the school district for the year prior to the base year is divided by the statewide average actual valuation per the sum of such total resident public school district enrollment, nonpublic school district enrollment and additional public school enrollment of all school districts eligible for an apportionment pursuant to this section except central high school districts as computed by the commissioner using the latest single year actual valuation computed under paragraph c of subdivision one of this section, by forty-six percent, where such ratio shall be expressed as a decimal carried to three decimal places without rounding. The computation of such statewide average shall include the actual valuation of all school districts eligible for an apportionment pursuant to this section except central high school districts. The transportation sparsity adjustment shall equal the quotient of: the positive remainder of twenty-one minus the

1 district's public school enrollment for the year prior to the base year
2 per square mile, divided by three hundred seventeen and eighty-eight
3 hundredths. Approved transportation expense shall be the sum of the
4 approved transportation operating expense and the approved transporta-

12 thirty-six hundred twenty-three-a of this article for regular aidable
13 transportation of pupils as such terms are defined in sections thirty-
14 six hundred twenty-one and thirty-six hundred twenty-two-a of this arti-
15 cle, and (ii) for those items of transportation operating expense allow-

17 of this article for the transportation required or authorized pursuant
18 to article eighty-nine of this chapter, and (iii) for providing monitors
19 on school buses for students with disabilities, and (iv) for transporta-

26 with apportionments for the two thousand twenty-one--two thousand twen-
27 ty-two school year and thereafter, approved transportation operating
28 expense for a school district shall not exceed the lesser of (i) total
29 approved transportation operating expense for the base year or (ii) the
30 product of the total approved transportation operating expense in the
31 year prior to the base year multiplied by the sum of one plus the infla-
32 tion-enrollment index computed pursuant to paragraph h of subdivision
33 three of this section.

34 (2) Notwithstanding any inconsistent provisions of this article, in
35 computing the apportionment payable to a school district in a city with
36 a population in excess of one million inhabitants pursuant to this
37 subdivision, approved transportation expense for public service trans-

39 politan Transportation Authority for public service transportation nor
40 shall such expense be included in approved operating expense.

50 as follows:

51 a. State aid adjustments. All errors or omissions in the apportionment
52 shall be corrected by the commissioner. Whenever a school district has
53 been apportioned less money than that to which it is entitled, the
54 commissioner may allot to such district the balance to which it is enti-
55 tled. Whenever a school district has been apportioned more money than
56 that to which it is entitled, the commissioner may, by an order, direct

1 such moneys to be paid back to the state to be credited to the general
2 fund local assistance account for state aid to the schools, or may
3 deduct such amount from the next apportionment to be made to said
4 district, provided, however, that, upon notification of excess payments
5 of aid for which a recovery must be made by the state through deduction
6 of future aid payments, a school district may request that such excess
7 payments be recovered by deducting such excess payments from the
8 payments due to such school district and payable in the month of June in

14 that the total amount to be recovered is in excess of one percent of the
15 district's total general fund expenditures for the preceding school
16 year. The amount to be deducted in the first year shall be the greater
17 of (i) the sum of the amount of such excess payments that is recognized
18 as a liability due to other governments by the district for the preced-

24 lesser of the remaining amount of such excess payments to be recovered
25 or one-third of such excess payments, and the remaining amount of such
26 excess payments shall be recovered in the third year. Provided further
27 that, notwithstanding any other provisions of this subdivision, any
28 pending payment of moneys due to such district as a prior year adjust-

30 that had been previously paid as current year aid payments in excess of
31 the amount to which the district is entitled and for which recovery of
32 excess payments is to be made pursuant to this paragraph, shall be
33 reduced at the time of actual payment by any remaining unrecovered

49 thousand twenty school year and thereafter, the commissioner shall
50 certify no payment to a school district based on a claim submitted later
51 than the first of November of such school year. Provided, however, no
52 payments shall be barred or reduced where such payment is required as a
53 result of a final audit of the state. ~~[It is further provided that,~~
54 ~~until June thirtieth, nineteen hundred ninety six, the commissioner may~~
55 ~~grant a waiver from the provisions of this section for any school~~
56 ~~district if it is in the best educational interests of the district~~

~~pursuant to guidelines developed by the commissioner and approved by the director of the budget.~~ Further provided that for any apportionments provided pursuant to sections seven hundred one, seven hundred eleven, seven hundred fifty-one, seven hundred fifty-three, nineteen hundred fifty, thirty-six hundred two, thirty-six hundred two-b, thirty-six hundred two-c, thirty-six hundred two-e and forty-four hundred five of this chapter for the two thousand nineteen--two thousand twenty and two thousand twenty--two thousand twenty-one school years, the commissioner shall certify no payment to a school district, other than payments pursuant to subdivisions six-a, eleven, thirteen and fifteen of section thirty-six hundred two of this part, in excess of the payment computed based on an electronic data file used to produce the school aid computer listing produced by the commissioner in support of the executive budget request submitted for the two thousand twenty--two thousand twenty-one state fiscal year and entitled "BT202-1", and further provided that for any apportionments provided pursuant to sections thirty-six hundred two, thirty-six hundred two-b, thirty-six hundred two-c, thirty-six hundred two-e and forty-four hundred five of this chapter for the two thousand twenty-one--two thousand twenty-two school year and thereafter, the commissioner shall certify no payment to a school district, other than payments pursuant to subdivisions six-a, eleven, thirteen and fifteen of section thirty-six hundred two of this part, in excess of the payment computed based on an electronic data file used to produce the school aid computer listing produced by the commissioner in support of the executive budget request submitted for the state fiscal year in which the school year commences.

48 district, school or board of cooperative educational services pursuant
49 to section forty-four hundred two or section forty-four hundred three of

14 a local school district, approved private school or board of cooperative

20 requirements, and will enhance student achievement and/or opportunities
21 for placement in regular classes and programs. In making such determi-

15 exceed the tuition rate charged to students who are enrolled in like
16 degree programs or degree-granting undergraduate programs leading to a
17 baccalaureate degree at other state-operated institutions of the state
18 university of New York. Notwithstanding any other provision of this

37 tuition credit for each eligible student, as determined and calculated
38 by the New York state higher education services corporation pursuant to
39 section six hundred eighty-nine-a of this title, shall be applied toward
40 the tuition charged for each semester, quarter or term of study. Tuition
41 for each semester, quarter or term of study shall not be due for any

6 from an increase in the rate of tuition shall be allocated to each
7 campus pursuant to a plan approved by the board of trustees to support
8 investments in new classroom faculty, instruction, initiatives to
9 improve student success and on-time completion and a tuition credit for

14 board of trustees shall be empowered to increase the resident undergrad-
15 uate rate of tuition by no more than two hundred dollars over the resi-
16 dent undergraduate rate of tuition adopted by the board of trustees in
17 the prior academic year, provided, however that if the annual resident
18 undergraduate rate of tuition would exceed five thousand dollars, then a
19 tuition credit for each eligible student, as determined and calculated
20 by the New York state higher education services corporation pursuant to
21 section six hundred eighty-nine-a of this title, shall be applied toward
22 the tuition charged for each semester, quarter or term of study. Tuition
23 for each semester, quarter or term of study shall not be due for any
24 student eligible to receive such tuition credit until the tuition credit
25 is calculated and applied against the tuition charged for the corre-

27 resulting from an increase in the rate of tuition shall be allocated to
28 each campus pursuant to a plan approved by the board of trustees to
29 support investments in new classroom faculty, instruction, initiatives
30 to improve student success and on-time completion and a tuition credit
31 for each eligible student.

32 (iv) On or before November thirtieth, two thousand [~~seventeen~~] twen-

54 available in the prior state fiscal year; provided, however, that if the
55 governor declares a fiscal emergency, and communicates such emergency to
56 the temporary president of the senate and speaker of the assembly, state

1 support for operating expenses at the state university and city univer-

11 the temporary president of the senate and speaker of the assembly, state
12 support for operating expenses at the state university and city univer-
13 sity may be reduced in a manner proportionate to one another, and the
14 aforementioned provisions shall not apply; provided further, the state
15 shall appropriate and make available general fund support to fully fund
16 the tuition credit pursuant to subdivision two of section six hundred
17 sixty-nine-h of this title.

18 (vii) Beginning in state fiscal year two thousand twenty-one--two

20 ty-four--two thousand twenty-five, the state shall appropriate and make
21 available general fund operating support, including fringe benefits, for
22 the state university in an amount not less than the amount appropriated
23 and made available in the prior state fiscal year; provided, however,
24 that if the governor declares a fiscal emergency, and communicates such
25 emergency to the temporary president of the senate and speaker of the
26 assembly, state support for operating expenses at the state university
27 and city university may be reduced in a manner proportionate to one
28 another, and the aforementioned provisions shall not apply; provided
29 further, the state shall appropriate and make available general fund

1 under article one hundred forty-nine of the education law shall be
2 required to show (1) that a simple majority of the ownership of the

6 sional service corporation whose principal place of business is in this
7 state, and who are engaged in the practice of public accountancy in this
8 state, hold a valid license issued under section seventy-four hundred
9 four of the education law. For purposes of this paragraph, "financial
10 interest" means capital stock, capital accounts, capital contributions,
11 capital interest, or interest in undistributed earnings of a business
12 entity. Although firms may include non-licensee owners, the firm and
13 its owners must comply with rules promulgated by the state board of
14 regents. Notwithstanding the foregoing, a firm incorporated under this
15 section may not have non-licensee owners if the firm's name includes the
16 words "certified public accountant," or "certified public accountants,"
17 or the abbreviations "CPA" or "CPAs". Each non-licensee owner of a firm
18 that is incorporated under this section shall be a natural person who
19 actively participates in the business of the firm or its affiliated
20 entities. For purposes of this subdivision, "actively participate" means
21 to provide services to clients or to otherwise individually take part in
22 the day-to-day business or management of the firm. Such a firm shall
23 have attached to its certificate of incorporation a certificate or
24 certificates demonstrating the firm's compliance with this paragraph, in
25 lieu of the certificate or certificates required by subparagraph (ii) of
26 paragraph (b) of this section.

27 § 2. Section 1507 of the business corporation law is amended by adding
28 a new paragraph (c) to read as follows:

29 (c) Any firm established for the business purpose of incorporating as
30 a professional service corporation pursuant to paragraph (h) of section
31 fifteen hundred three of this article may issue shares to individuals
32 who are authorized by law to practice in this state the profession which
33 such corporation is authorized to practice and who are or have been
34 engaged in the practice of such profession in such corporation or a
35 predecessor entity, or who will engage in the practice of such profes-
36 sion in such corporation within thirty days of the date such shares are
37 issued and may also issue shares to employees of the corporation not
38 licensed as certified public accountants, provided that:

39 (i) at least fifty-one percent of the outstanding shares of stock of
40 the corporation are owned by certified public accountants,

41 (ii) at least fifty-one percent of the directors are certified public
42 accountants,

43 (iii) at least fifty-one percent of the officers are certified public
44 accountants,

45 (iv) the president, the chairperson of the board of directors and the
46 chief executive officer or officers are certified public accountants.

47 No shareholder of a firm established for the business purpose of incor-
48 porating as a professional service corporation pursuant to paragraph (h)
49 of section fifteen hundred three of this article shall enter into a
50 voting trust agreement, proxy or any other type of agreement vesting in
51 another person, other than another shareholder of the same corporation,
52 the authority to exercise voting power of any or all of his or her
53 shares. All shares issued, agreements made or proxies granted in
54 violation of this section shall be void.

55 § 3. Section 1508 of the business corporation law is amended by adding
56 a new paragraph (c) to read as follows:

(c) The directors and officers of any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article may include individuals who are not licensed to practice public accountancy, provided however that at least fifty-one percent of the directors, at least fifty-one percent of the officers and the president, the chairperson of the board of directors and the chief executive officer or officers are authorized by law to practice in any state the profession which such corporation is authorized to practice, and are either shareholders of such corporation or engaged in the practice of their professions in such corporation.

§ 4. Section 1509 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended to read as follows:

§ 1509. Disqualification of shareholders, directors, officers and employees.

If any shareholder, director, officer or employee of a professional service corporation, including a design professional service corporation, who has been rendering professional service to the public becomes legally disqualified to practice his or her profession within this state, he or she shall sever all employment with, and financial interests (other than interests as a creditor) in, such corporation forthwith or as otherwise provided in section 1510 of this article. All provisions of law regulating the rendering of professional services by a person elected or appointed to a public office shall be applicable to a shareholder, director, officer and employee of such corporation in the same manner and to the same extent as if fully set forth herein. Such legal disqualification to practice his or her profession within this state shall be deemed to constitute an irrevocable offer by the disqualified shareholder to sell his or her shares to the corporation, pursuant to the provisions of section 1510 of this article or of the certificate of incorporation, by-laws or agreement among the corporation and all shareholders, whichever is applicable. Compliance with the terms of such offer shall be specifically enforceable in the courts of this state. A professional service corporation's failure to enforce compliance with this provision shall constitute a ground for forfeiture of its certificate of incorporation and its dissolution.

11 the professional service corporation and the shareholders by private
12 agreement, may provide, in lieu of or in addition to the foregoing
13 provisions, for the alienation of shares and may require the redemption

10 a donor and notice is not required.

11 (e) In cases not covered by subdivision (c) of this section, the court
12 shall adjudicate the parentage of the child consistent with part three
13 of this article.

14 (f) Where the requirements of subdivision (c) of this section are met
15 or where the court finds the intended parent to be a parent under subdi-
16 vision (e) of this section, the court shall issue a judgment of parent-
17 age:

18 (1) declaring, that upon the birth of the child, the intended parent
19 is the legal parent of the child; and

20 (2) ordering the intended parent to assume responsibility for the
21 maintenance and support of the child immediately upon the birth of the
22 child; and

23 (3) if there is a donor, ordering that the donor is not a parent of
24 the child; and

25 (4) ordering that:

26 (i) Pursuant to section two hundred fifty-four of the judiciary law,
27 the clerk of the court shall transmit to the state commissioner of
28 health, or for a person born in New York city, to the commissioner of
29 health of the city of New York, on a form prescribed by the commission-
30 er, a written notification of such entry together with such other facts
31 as may assist in identifying the birth record of the person whose
32 parentage was in issue and, if such person whose parentage has been
33 determined is under eighteen years of age, the clerk shall also transmit
34 forthwith to the registry operated by the department of social services
35 pursuant to section three hundred seventy-two-c of the social services
36 law a notification of such determination; and

37 (ii) Pursuant to section forty-one hundred thirty-eight of the public
38 health law and NYC Public Health Code section 207.05 that upon receipt
39 of a judgment of parentage the local registrar where a child is born
40 will report the parentage of the child to the appropriate department of
41 health in conformity with the court order. If an original birth certif-
42 icate has already been issued, the appropriate department of health will
43 amend the birth certificate in an expedited manner and seal the previ-
44 ously issued birth certificate.

45 § 581-203. Proceeding for judgment of parentage of a child conceived
46 pursuant to a surrogacy agreement. (a) The proceeding may be commenced
47 (1) in any county where an intended parent resided any time after the
48 surrogacy agreement was executed; (2) in the county where the child was
49 born or resides; or (3) in the county where the surrogate resided any
50 time after the surrogacy agreement was executed.

51 (b) The proceeding may be commenced at any time after the surrogacy
52 agreement has been executed and shall be jointly filed by all intended
53 parents and the person acting as surrogate.

54 (c) The petition for a judgment of parentage must be verified and
55 include the following:

1 (1) a statement that the person acting as surrogate or at least one of
2 the intended parents has been a resident of the state for at least nine-
3 ty days at the time the surrogacy agreement was executed; and

4 (2) a certification from the attorney representing the intended parent
5 or parents and the attorney representing the person acting as surrogate
6 that the requirements of part four of this article have been met; and

7 (3) a statement from all parties to the surrogacy agreement that they
8 knowingly and voluntarily entered into the surrogacy agreement and that
9 the parties are jointly requesting the judgment of parentage.

10 (d) Where a petition satisfies subdivision (c) of this section the
11 court shall issue a judgment of parentage, without additional
12 proceedings or documentation:

13 (1) declaring, that upon the birth of the child born during the term
14 of the surrogacy agreement, the intended parent or parents are the only
15 legal parent or parents of the child;

16 (2) declaring, that upon the birth of the child born during the term
17 of the surrogacy agreement, the person acting as surrogate, and the
18 spouse of the person acting as surrogate, if any, is not the legal
19 parent of the child;

20 (3) declaring that upon the birth of the child born during the term of
21 the surrogacy agreement, the donors, if any, are not the parents of the
22 child;

23 (4) ordering the person acting as surrogate and the spouse of the
24 person acting as surrogate, if any, to transfer the child to the
25 intended parent or parents if this has not already occurred;

26 (5) ordering the intended parent or parents to assume responsibility
27 for the maintenance and support of the child immediately upon the birth
28 of the child; and

29 (6) ordering that:

30 (i) Pursuant to section two hundred fifty-four of the judiciary law,
31 the clerk of the court shall transmit to the state commissioner of
32 health, or for a person born in New York city, to the commissioner of
33 health of the city of New York, on a form prescribed by the commission-
34 er, a written notification of such entry together with such other facts
35 as may assist in identifying the birth record of the person whose
36 parentage was in issue and, if the person whose parentage has been
37 determined is under eighteen years of age, the clerk shall also transmit
38 to the registry operated by the department of social services pursuant
39 to section three hundred seventy-two-c of the social services law a
40 notification of the determination; and

41 (ii) Pursuant to section forty-one hundred thirty-eight of the public
42 health law and NYC Public Health Code section 207.05 that upon receipt
43 of a judgement of parentage the local registrar where a child is born
44 will report the parentage of the child to the appropriate department of
45 health in conformity with the court order. If an original birth certif-
46 icate has already been issued, the appropriate department of health will
47 amend the birth certificate in an expedited manner and seal the previ-
48 ously issued birth certificate.

49 (d) In the event the certification required by paragraph two of subdi-
50 vision (c) of this section cannot be made because of a technical or
51 non-material deviation from the requirements of this article; the court
52 may nevertheless enforce the agreement and issue a judgment of parentage
53 if the court determines the agreement is in substantial compliance with
54 the requirements of this article.

55 § 581-204. Judgment of parentage for intended parents who are spouses.
56 Notwithstanding or without limitation on presumptions of parentage that

1 apply, a judgment of parentage may be obtained under this part by
2 intended parents who are each other's spouse. Nothing in this section
3 requires intended parents to be married to each other in order to be
4 jointly declared the parents of the child.

5 § 581-205. Inspection of records. Court records relating to
6 proceedings under this article shall be sealed, provided, however, that
7 the office of temporary and disability assistance, a child support unit
8 of a social services district or a child support agency of another state
9 providing child support services pursuant to title IV-d of the federal
10 social security act, to the extent necessary to provide child support
11 services or for the administration of the program pursuant to title IV-d
12 of the federal social security act, may obtain a copy of a judgment of
13 parentage. The parties to the proceeding and the child shall have the
14 right to inspect the entire court record, including, but not limit-
15 ed to, the name of the person acting as surrogate and any known donors.

16 § 581-206. Jurisdiction, and exclusive continuing jurisdiction. (a)
17 Proceedings pursuant to this article may be instituted in the supreme or
18 family court or surrogates court.

19 (b) Subject to the jurisdictional standards of section seventy-six of
20 the domestic relations law, the court conducting a proceeding under this
21 article has exclusive, continuing jurisdiction of all matters relating
22 to the determination of parentage until the child attains the age of one
23 hundred eighty days.

24 PART 3

25 CHILD OF ASSISTED REPRODUCTION

26 Section 581-301. Scope of article.

27 581-302. Status of donor.

28 581-303. Parentage of child of assisted reproduction.

29 581-304. Consent to assisted reproduction.

30 581-305. Limitation on spouses' dispute of parentage of child of
31 assisted reproduction.

32 581-306. Effect of embryo disposition agreement between intended
33 parents which transfers legal rights and disposi-
34 tional control to one intended parent.

35 581-307. Effect of death of intended parent.

36 § 581-301. Scope of article. This article does not apply to the birth
37 of a child conceived by means of sexual intercourse.

38 § 581-302. Status of donor. A donor is not a parent of a child
39 conceived by means of assisted reproduction.

40 § 581-303. Parentage of child of assisted reproduction. (a) An indi-
41 vidual who provides gametes for, or who consents to, assisted reprod-
42 uction with the intent to be a parent of the child with the consent of
43 the gestating parent as provided in section 581-304 of this part, is a
44 parent of the resulting child for all legal purposes.

45 (b) The court shall issue a judgment of parentage pursuant to this
46 article upon application by any participant.

47 § 581-304. Consent to assisted reproduction. (a) Where the intended
48 parent who gives birth to a child by means of assisted reproduction is a
49 spouse, the consent of both spouses to the assisted reproduction is
50 presumed and neither spouse may challenge the parentage of the child,
51 except as provided in section 581-305 of this part.

52 (b) Where the intended parent who gives birth to a child by means of
53 assisted reproduction is not a spouse, the consent to the assisted
54 reproduction must be in a record in such a manner as to indicate the

1 mutual agreement of the intended parents to conceive and parent a child
2 together.

3 (c) The absence of a record described in subdivision (b) of this
4 section shall not preclude a finding that such consent existed if the
5 court finds by clear and convincing evidence that at the time of the
6 assisted reproduction the intended parents agreed to conceive and parent
7 the child together.

8 § 581-305. Limitation on spouses' dispute of parentage of child of
9 assisted reproduction. (a) Neither spouse may challenge the marital
10 presumption of parentage of a child created by assisted reproduction
11 during the marriage unless one spouse used assisted reproduction without
12 the knowledge and consent of the other spouse.

13 (b) Notwithstanding the foregoing, a married individual may use
14 assisted reproduction and the marital presumption shall not apply if the
15 spouses:

16 (1) are living separate and apart pursuant to a decree or judgment of
17 separation or pursuant to a written agreement of separation subscribed
18 by the parties thereto and acknowledged or proved in the form required
19 to entitle a deed to be recorded; or

20 (2) have been living separate and apart for at least three years prior
21 to the use of assisted reproduction.

22 (c) The limitation provided in this section applies to a spousal
23 relationship that has been declared invalid after assisted reproduction
24 or artificial insemination.

25 § 581-306. Effect of embryo disposition agreement between intended
26 parents which transfers legal rights and dispositional control to one
27 intended parent. (a) An embryo disposition agreement between intended
28 parents with joint dispositional control of an embryo shall be binding
29 under the following circumstances:

30 (1) it is in writing;

31 (2) each intended parent had the advice of independent legal counsel
32 prior to its execution; and

33 (3) where the intended parents are married, transfer of legal rights
34 and dispositional control occurs only upon divorce.

35 (b) The intended parent who transfers legal rights and dispositional
36 control of the embryo is not a parent of any child conceived from the
37 embryo unless the agreement states that he or she consents to be a
38 parent and that consent is not withdrawn consistent with subdivision (c)
39 of this section.

40 (c) If the intended parent transferring legal rights and dispositional
41 control consents to be a parent, he or she may withdraw his or her
42 consent to be a parent upon written notice to the embryo storage facili-
43 ty and to the other intended parent prior to transfer of the embryo. If
44 he or she timely withdraws consent to be a parent he or she is not a
45 parent for any purpose including support obligations but the embryo
46 transfer may still proceed.

47 (d) An embryo disposition agreement or advance directive that is not
48 in compliance with subdivision (a) of this section may still be found to
49 be enforceable by the court after balancing the respective interests of
50 the parties except that the intended parent who divested him or herself
51 of legal rights and dispositional control may not be declared to be a
52 parent for any purpose without his or her consent. The parent awarded
53 legal rights and dispositional control of the embryos shall, in this
54 instance, be declared to be the only parent of the child.

55 § 581-307. Effect of death of intended parent. If an individual who
56 consented in a record to be a parent by assisted reproduction dies

1 before the transfer of eggs, sperm, or embryos, the deceased individual
2 is not a parent of the resulting child unless the deceased individual
3 consented in a signed record that if assisted reproduction were to occur
4 after death, the deceased individual would be a parent of the child,
5 provided that the record complies with the estates, powers and trusts
6 law.

7 PART 4

8 SURROGACY AGREEMENT

9 Section 581-401. Surrogacy agreement authorized.

10 581-402. Eligibility to enter surrogacy agreement.

11 581-403. Requirements of surrogacy agreement.

12 581-404. Surrogacy agreement: effect of subsequent spousal
13 relationship.

14 581-405. Termination of surrogacy agreement.

15 581-406. Parentage under compliant surrogacy agreement.

16 581-407. Insufficient surrogacy agreement.

17 581-408. Absence of surrogacy agreement.

18 581-409. Dispute as to surrogacy agreement.

19 § 581-401. Surrogacy agreement authorized. (a) If eligible under this
20 article to enter into a surrogacy agreement, a person acting as surro-
21 gate, the spouse of the person acting as surrogate, if applicable, and
22 the intended parent or parents may enter into a surrogacy agreement
23 which will be enforceable provided the surrogacy agreement meets the
24 requirements of this article.

25 (b) A surrogacy agreement shall not apply to the birth of a child
26 conceived by means of sexual intercourse.

27 (c) A surrogacy agreement may provide for payment of compensation
28 under part five of this article.

29 § 581-402. Eligibility to enter surrogacy agreement. (a) A person
30 acting as surrogate shall be eligible to enter into an enforceable
31 surrogacy agreement under this article if the person acting as surrogate
32 has met the following requirements at the time the surrogacy agreement
33 is executed:

34 (1) the person acting as surrogate is at least twenty-one years of
35 age; and

36 (2) the person acting as surrogate is a United States citizen or a
37 lawful permanent resident or other habitual resident;

38 (3) the person acting as surrogate has not provided the egg used to
39 conceive the resulting child; and

40 (4) the person acting as surrogate has completed a medical evaluation
41 with a health care practitioner relating to the anticipated pregnancy;
42 and

43 (5) the person acting as surrogate, and the spouse of the person
44 acting as surrogate, if applicable, have been represented throughout the
45 contractual process and the duration of the contract and its execution
46 by independent legal counsel of their own choosing who is licensed to
47 practice law in the state of New York which shall be paid for by the
48 intended parent or parents except that a person acting as surrogate who
49 is receiving no compensation may waive the right to have the intended
50 parent or parents pay the fee for such legal counsel. Where the intended
51 parent or parents are paying for the independent legal counsel of the
52 person acting as surrogate, and the spouse of the person acting as
53 surrogate, if applicable, a separate retainer agreement shall be
54 prepared clearly stating that such legal counsel will only represent the
55 person acting as surrogate and the spouse of the person acting as surro-
56 gate, if applicable, in all matters pertaining to the surrogacy agree-

1 ment, that such legal counsel will not offer legal advice to any other
2 parties to the surrogacy agreement, and that the attorney-client
3 relationship lies with the person acting as surrogate and the spouse of
4 the person acting as surrogate, if applicable; and

5 (6) the person acting as surrogate has, or the surrogacy agreement
6 stipulates that prior to the embryo transfer, the person acting as
7 surrogate will obtain a health insurance policy that covers major
8 medical treatments and hospitalization as well as a surrogate pregnancy;
9 the policy shall be paid for, whether directly or through reimbursement
10 or other means, by the intended parent or parents on behalf of the
11 person acting as surrogate pursuant to the surrogacy agreement, if such
12 policy comes at an additional cost to the person acting as a surrogate,
13 except that a person acting as surrogate who is receiving no compen-
14 sation may waive the right to have the intended parent or parents pay
15 for the health insurance policy. The intended parent or parents shall
16 also pay for or reimburse the person acting as surrogate for all co-pay-
17 ments, deductibles and any other out-of-pocket medical costs associated
18 with the medical evaluation, psychological screening, embryo transfers,
19 pregnancy and post-natal care, that accrue through twelve weeks after
20 the birth of the child or termination of the pregnancy, except that such
21 responsibility shall be extended for up to six months after the birth of
22 the child or termination of the pregnancy in the event a medical compli-
23 cation related to the pregnancy is diagnosed within twelve weeks after
24 the birth of the child or termination of the pregnancy. A person acting
25 as surrogate who is receiving no compensation may waive the right to
26 have the intended parent or parents make such payments or reimburse-
27 ments.

28 (b) The intended parent or parents shall be eligible to enter into an
29 enforceable surrogacy agreement under this article if he, she or they
30 have met the following requirements at the time the surrogacy agreement
31 was executed:

32 (1) at least one intended parent is a United States citizen or a
33 lawful permanent resident or habitual lawful resident;

34 (2) the intended parent or parents has been represented throughout the
35 contractual process and the duration of the contract and its execution
36 by independent legal counsel of his, her or their own choosing who is
37 licensed to practice law in the state of New York; and

38 (3) he or she is an adult person who is not in a spousal relationship,
39 or adult spouses together, or any two adults who are intimate partners
40 together, except an adult in a spousal relationship is eligible to enter
41 into an enforceable surrogacy agreement without his or her spouse if:

42 (i) they are living separate and apart pursuant to a decree or judg-
43 ment of separation or pursuant to a written agreement of separation
44 subscribed by the parties thereto and acknowledged or proved in the form
45 required to entitle a deed to be recorded; or

46 (ii) they have been living separate and apart for at least three years
47 prior to execution of the surrogacy agreement.

48 (4) where the spouse of an intended parent is not a required party to
49 the agreement, the spouse is not an intended parent and shall not have
50 rights or obligations to the child.

51 § 581-403. Requirements of surrogacy agreement. A surrogacy agreement
52 shall be deemed to have satisfied the requirements of this article and
53 be enforceable if it meets the following requirements:

54 (a) it shall be in a signed record verified or executed before two
55 non-party witnesses by:

56 (1) each intended parent, and

1 (2) the person acting as surrogate, and the spouse of the person
2 acting as surrogate, if any, unless:

3 (i) the person acting as surrogate and the spouse of the person acting
4 as surrogate are living separate and apart pursuant to a decree or judg-
5 ment of separation or pursuant to a written agreement of separation
6 subscribed by the parties thereto and acknowledged or proved in the form
7 required to entitle a deed to be recorded; or

8 (ii) have been living separate and apart for at least three years
9 prior to execution of the surrogacy agreement; and

10 (b) it shall be executed prior to the embryo transfer; and

11 (c) it shall be executed by a person acting as surrogate meeting the
12 eligibility requirements of subdivision (a) of section 581-402 of this
13 part and by the spouse of the person acting as surrogate, unless the
14 signature of the spouse of the person acting as surrogate is not
15 required as set forth in this section; and

16 (d) it shall be executed by intended parent or parents who met the
17 eligibility requirements of subdivision (b) of section 581-402 of this
18 part; and

19 (e) the person acting as surrogate and the spouse of the person acting
20 as surrogate, if applicable, and the intended parent or parents shall
21 have been represented throughout the contractual process and the dura-
22 tion of the contract and its execution by separate, independent legal
23 counsel of their own choosing; and

24 (f) if the surrogacy agreement provides for the payment of compen-
25 sation to the person acting as surrogate, the funds for base compen-
26 sation and reasonable anticipated additional expenses shall have been
27 placed in escrow with an independent escrow agent prior to the person
28 acting as surrogate commencing with any medical procedure other than
29 medical evaluations necessary to determine the person acting as surro-
30 gate's eligibility; and

31 (g) the surrogacy agreement must include information disclosing how
32 the intended parent or parents will cover the medical expenses of the
33 person acting as surrogate and the child. If health care coverage is
34 used to cover the medical expenses, the disclosure shall include a
35 review of the health care policy provisions related to coverage for the
36 person acting as surrogate's pregnancy, including any possible liability
37 of the person acting as surrogate's third-party liability liens or other
38 insurance coverage, and any notice requirements that could affect cover-
39 age or liability of the person acting as surrogate.

40 (h) the surrogacy agreement must comply with all of the following
41 terms:

42 (1) As to the person acting as surrogate and the spouse of the person
43 acting as surrogate, if applicable:

44 (i) the person acting as surrogate agrees to undergo embryo transfer
45 and attempt to carry and give birth to the child; and

46 (ii) the person acting as surrogate and the spouse of the person
47 acting as surrogate, if applicable, agree to surrender custody of all
48 resulting children to the intended parent or parents immediately upon
49 birth; and

50 (iii) the surrogacy agreement shall include the name of the attorney
51 representing the person acting as surrogate and, if applicable, the
52 spouse of the person acting as surrogate; and

53 (iv) the surrogacy agreement must permit the person acting as surro-
54 gate to make all health and welfare decisions regarding themselves and
55 their pregnancy including but not limited to, whether to consent to a
56 cesarean section or multiple embryo transfer, and notwithstanding any

1 other provisions in this chapter, provisions in the agreement to the
2 contrary are void and unenforceable. This article does not diminish the
3 right of the person acting as surrogate to terminate a pregnancy; and

4 (v) the surrogacy agreement shall permit the person acting as a surro-
5 gate to utilize the services of a health care practitioner of the
6 person's choosing; and

7 (vi) the surrogacy agreement shall not limit the right of the person
8 acting as surrogate to terminate or continue the pregnancy or reduce or
9 retain the number of fetuses or embryos the person is carrying; and

10 (vii) the surrogacy agreement shall provide that, upon request, the
11 intended parent or parents have or will procure and pay for a life
12 insurance policy or contractual performance indemnity or accidental
13 death insurance policy for the person acting as surrogate for the dura-
14 tion of the pregnancy and eight weeks post-birth or termination; the
15 person acting as surrogate may designate the beneficiary of the person's
16 choosing; and

17 (viii) the surrogacy agreement shall provide for the right of the
18 person acting as surrogate, upon request, to obtain counseling to
19 address issues resulting from the person's participation in the surroga-
20 cy agreement. The cost of that counseling shall be paid by the intended
21 parent or parents.

22 (2) As to the intended parent or parents:

23 (i) the intended parent or parents agree to accept custody of all
24 resulting children immediately upon birth regardless of number, gender,
25 or mental or physical condition and regardless of whether the intended
26 embryos were transferred due to a laboratory error without diminishing
27 the rights, if any, of anyone claiming to have a superior parental
28 interest in the child; and

29 (ii) the intended parent or parents agree to assume responsibility for
30 the support of all resulting children immediately upon birth; and

31 (iii) the surrogacy agreement shall include the name of the attorney
32 representing the intended parent or parents; and

33 (iv) the surrogacy agreement shall provide that the rights and obli-
34 gations of the intended parent or parents under the surrogacy agreement
35 are not assignable; and

36 (v) the intended parent or parents agree to execute a will, prior to
37 the embryo transfer, designating a guardian for all resulting children
38 and authorizing their executor to perform the intended parent's or
39 parents' obligations pursuant to the surrogacy agreement.

40 § 581-404. Surrogacy agreement: effect of subsequent spousal relation-
41 ship. (a) After the execution of a surrogacy agreement under this arti-
42 cle, the subsequent spousal relationship of the person acting as surro-
43 gate does not affect the validity of a surrogacy agreement, the consent
44 of the spouse of the person acting as surrogate to the agreement shall
45 not be required, and the spouse of the person acting as surrogate shall
46 not be the presumed parent of any resulting children.

47 (b) The subsequent separation or divorce of the intended parents does
48 not affect the rights, duties and responsibilities of the intended
49 parents as outlined in the surrogacy agreement.

50 § 581-405. Termination of surrogacy agreement. After the execution of
51 a surrogacy agreement but before the person acting as surrogate becomes
52 pregnant by means of assisted reproduction, the person acting as surro-
53 gate, the spouse of the person acting as surrogate, if applicable, or
54 any intended parent may terminate the surrogacy agreement by giving
55 notice of termination in a record to all other parties. Upon proper
56 termination of the surrogacy agreement the parties are released from all

1 obligations recited in the surrogacy agreement except that the intended
2 parent or parents remains responsible for all expenses that are reim-
3 bursable under the agreement which have been incurred by the person
4 acting as surrogate through the date of termination. Unless the agree-
5 ment provides otherwise, the person acting as surrogate is entitled to
6 keep all payments received and obtain all payments to which the person
7 is entitled up until the date of termination. Neither a person acting as
8 surrogate nor the spouse of the person acting as surrogate, if any, is
9 liable to the intended parent or parents for terminating a surrogacy
10 agreement as provided in this section.

11 § 581-406. Parentage under compliant surrogacy agreement. Upon the
12 birth of a child conceived by assisted reproduction under a surrogacy
13 agreement that complies with this part, each intended parent is, by
14 operation of law, a parent of the child and neither the person acting as
15 a surrogate nor the person's spouse, if any, is a parent of the child.

16 § 581-407. Insufficient surrogacy agreement. If a surrogacy agreement
17 does not meet the material requirements of this article, the agreement
18 is not enforceable and the court shall determine parentage based on the
19 intent of the parties, taking into account the best interests of the
20 child. An intended parent's absence of genetic connection to the child
21 is not a sufficient basis to deny that individual a judgment of legal
22 parentage.

23 § 581-408. Absence of surrogacy agreement. Where there is no surrogacy
24 agreement, the parentage of the child will be determined based on other
25 laws of this state.

26 § 581-409. Dispute as to surrogacy agreement. (a) Unless the surroga-
27 cy agreement provides for mandatory mediation or arbitration, any
28 dispute which is related to a surrogacy agreement other than disputes as
29 to parentage shall be resolved by the supreme court, which shall deter-
30 mine the respective rights and obligations of the parties. Any
31 provision that purports to require mandatory mediation or arbitration of
32 disputes as to parentage shall be void and unenforceable.

33 (b) Except as expressly provided in the surrogacy agreement, the
34 intended parent or parents and the person acting as surrogate shall be
35 entitled to all remedies available at law or equity in any dispute
36 related to the surrogacy agreement.

37 (c) There shall be no specific performance remedy available for a

13 (i) that the signing of the acknowledgment of ~~[paternity]~~ parentage
14 shall establish the ~~[paternity]~~ parentage of the child and shall have

33 parentage;

34 (vi) that a copy of the acknowledgment of ~~[paternity]~~ parentage shall
35 be filed with the ~~[putative-father]~~ registry ~~[pursuant-to]~~ created by

37 such filing may establish the child's right to inheritance from the
38 ~~[putative]~~ alleged father or the other intended parent of a child
39 conceived through assisted reproduction pursuant to clause (B) of
40 subparagraph two of paragraph (a) of section 4-1.2 of the estates,
41 powers and trusts law;

42 (vii) that, if such acknowledgment is filed with the registrar of the

46 assisted reproduction pursuant to clause (A) of subparagraph two of
47 paragraph (a) of section 4-1.2 of the estates, powers and trusts law;

28 for requiring the [~~putative father's~~] consent of the signatory other
29 than the person who gave birth to the child prior to an adoption
30 proceeding;

31 (xii) that the [~~mother's~~] refusal of the person who gave birth to the

(c) A signatory to an acknowledgment of ~~[paternity]~~ parentage, who has attained the age of eighteen at the time of execution of the acknowledgment shall have the right to rescind the acknowledgment within the earlier of sixty days from the date of signing the acknowledgment or the date of an administrative or a judicial proceeding (including, but not limited to, a proceeding to establish a support order) relating to the child in which either signatory is a party; provided that for purposes of this section, the "date of an administrative or a judicial proceeding" shall be the date by which the respondent is required to answer the petition.

(d) A signatory to an acknowledgment of ~~[paternity]~~ parentage, who has not attained the age of eighteen at the time of execution of the acknowledgment, shall have the right to rescind the acknowledgment anytime up to sixty days after the signatory's attaining the age of eighteen years or sixty days after the date on which the respondent is required to answer a petition (including, but not limited to, a petition to establish a support order) relating to the child in which the signatory is a party, whichever is earlier; provided, however, that the signatory must have been advised at such proceeding of his or her right to file a petition to vacate the acknowledgment within sixty days of the date of such proceeding.

(e) After the expiration of the time limits set forth in paragraphs (c) and (d) of this subdivision, any of the signatories may challenge the acknowledgment of ~~[paternity]~~ parentage in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof on the party challenging the voluntary acknowledgment. The acknowledgment shall have full force and effect once so signed. The original or a copy of the acknowledgment shall be filed with the registrar of the district in which the birth certificate has been filed.

3. (a) An acknowledgment of ~~[paternity]~~ parentage executed by ~~[the mother and father of a child born out of wedlock]~~ any two people eligible to sign such an acknowledgment under paragraph (b) of subdivision one of this section, married or unmarried, shall establish the ~~[paternity]~~ parentage of a child and shall have the same force and effect as an order of ~~[paternity]~~ parentage or filiation issued by a court of competent jurisdiction. Such acknowledgement shall thereafter be filed with the registrar pursuant to subdivision one or two of this section.

(b) A registrar with whom an acknowledgment of ~~[paternity]~~ parentage has been filed pursuant to subdivision one or two of this section shall file the acknowledgment with the state department of health ~~[and the putative father registry]~~, New York city department of mental health and hygiene and the registry operated by the department of social services pursuant to section three hundred seventy-two-c of the social services law. If the acknowledgment includes the name and address of any known gamete donors of a child conceived through assisted reproduction, the

1 state department of health or the New York city department of mental
2 health and hygiene shall mail a copy to the known donors listed on the
3 form.

4 4. The court shall give full faith and credit to an acknowledgment of
5 parentage effective in another state if the acknowledgment was in a
6 signed record and otherwise complies with the law of the other state.

7 5. A new certificate of birth shall be issued if the certificate of
8 birth of [~~a~~] the child [~~born out of wedlock~~] as defined in paragraph (b)
9 of subdivision one of section four thousand one hundred thirty-five of
10 this article has been filed without entry of the name of the [~~father~~]
11 signatory other than the person who gave birth, and the commissioner
12 thereafter receives a notarized acknowledgment of [~~paternity~~] parentage
13 accompanied by the written consent of the [~~putative father and mother~~]
14 person who gave birth to the child and other signatory to the entry of
15 the name of such [~~father~~] person, which consent may also be to a change
16 in the surname of the child.

17 6. Any reference to an acknowledgment of paternity in any law of this
18 state shall be interpreted to mean an acknowledgment of parentage signed
19 pursuant to this section or signed in another state consistent with the
20 law of that state.

21 § 9. Paragraph (e) of subdivision 1 of section 4138 of the public
22 health law, as amended by chapter 214 of the laws of 1998, is amended to
23 read as follows:

24 (e) the certificate of birth of a child born out of wedlock as defined
25 in paragraph (b) of subdivision one of section four thousand one hundred
26 thirty-five of this article has been filed without entry of the name of
27 the [~~father~~] signatory other than the person who gave birth and the
28 commissioner thereafter receives the acknowledgment of [~~paternity~~]
29 parentage pursuant to section one hundred eleven-k of the social
30 services law or section four thousand one hundred thirty-five-b of this
31 article executed by the [~~putative~~] alleged father and [~~mother~~] the
32 person who gave birth which authorizes the entry of the name of such
33 father or other signatory, and which may also authorize a conforming
34 change in the surname of the child.

35 § 10. The article heading of article 8 of the domestic relations law,
36 as added by chapter 308 of the laws of 1992, is amended to read as

(c) the establishment of a voluntary central tracking registry of persons acting as surrogates, as reported by surrogacy programs licensed by the department pursuant to article forty-four of the general business law upon the affirmative consent of a person acting as surrogate. (iii) other information deemed appropriate by the commissioner.

2. All such regulations shall maintain the anonymity of the person acting as surrogate and any resulting offspring and govern access to information maintained by the registry.

(ii) health information of the donor at the time of the donation; and

(iii) other information deemed appropriate by the commissioner.

In addition, all such regulations shall maintain the anonymity of the donor and any resulting offspring and govern access to information maintained by the registry.

§ 14. Paragraph (a) of subdivision 1 of section 440 of the family court act, as amended by chapter 398 of the laws of 1997, is amended to read as follows:

(a) Any support order made by the court in any proceeding under the provisions of article five-B of this act, pursuant to a reference from the supreme court under section two hundred fifty-one of the domestic relations law or under the provisions of article four, five or five-A of this act (i) shall direct that payments of child support or combined child and spousal support collected on behalf of persons in receipt of services pursuant to section one hundred eleven-g of the social services law, or on behalf of persons in receipt of public assistance be made to the support collection unit designated by the appropriate social services district, which shall receive and disburse funds so paid; or

1 (ii) shall be enforced pursuant to subdivision (c) of section five thou-
2 sand two hundred forty-two of the civil practice law and rules at the
3 same time that the court issues an order of support; and (iii) shall in
4 either case, except as provided for herein, be effective as of the
5 earlier of the date of the filing of the petition therefor, or, if the
6 children for whom support is sought are in receipt of public assistance,
7 the date for which their eligibility for public assistance was effec-
8 tive. Any retroactive amount of support due shall be support
9 arrears/past due support and shall be paid in one sum or periodic sums,
10 as the court directs, and any amount of temporary support which has been
11 paid to be taken into account in calculating any amount of such retroac-
12 tive support due. In addition, such retroactive child support shall be
13 enforceable in any manner provided by law including, but not limited to,
14 an execution for support enforcement pursuant to subdivision (b) of
15 section fifty-two hundred forty-one of the civil practice law and rules.
16 When a child receiving support is a public assistance recipient, or the
17 order of support is being enforced or is to be enforced pursuant to
18 section one hundred eleven-g of the social services law, the court shall
19 establish the amount of retroactive child support and notify the parties
20 that such amount shall be enforced by the support collection unit pursu-
21 ant to an execution for support enforcement as provided for in subdivi-
22 sion (b) of section fifty-two hundred forty-one of the civil practice
23 law and rules, or in such periodic payments as would have been author-
24 ized had such an execution been issued. In such case, the court shall
25 not direct the schedule of repayment of retroactive support. Where such
26 direction is for child support and ~~[paternity]~~ parentage has been estab-
27 lished by a voluntary acknowledgment of ~~[paternity]~~ parentage as defined
28 in section forty-one hundred thirty-five-b of the public health law, the
29 court shall inquire of the parties whether the acknowledgment has been
30 duly filed, and unless satisfied that it has been so filed shall require
31 the clerk of the court to file such acknowledgment with the appropriate
32 registrar within five business days. The court shall not direct that
33 support payments be made to the support collection unit unless the
34 child, who is the subject of the order, is in receipt of public assist-
35 ance or child support services pursuant to section one hundred eleven-g
36 of the social services law. Any such order shall be enforceable pursu-
37 ant to section fifty-two hundred forty-one or fifty-two hundred forty-
38 two of the civil practice law and rules, or in any other manner provided
39 by law. Such orders or judgments for child support and maintenance
40 shall also be enforceable pursuant to article fifty-two of the civil
41 practice law and rules upon a debtor's default as such term is defined
42 in paragraph seven of subdivision (a) of section fifty-two hundred
43 forty-one of the civil practice law and rules. The establishment of a
44 default shall be subject to the procedures established for the determi-
45 nation of a mistake of fact for income executions pursuant to subdivi-
46 sion (e) of section fifty-two hundred forty-one of the civil practice
47 law and rules. For the purposes of enforcement of child support orders
48 or combined spousal and child support orders pursuant to section five
49 thousand two hundred forty-one of the civil practice law and rules, a
50 "default" shall be deemed to include amounts arising from retroactive
51 support. Where permitted under federal law and where the record of the
52 proceedings contains such information, such order shall include on its
53 face the social security number and the name and address of the employ-
54 er, if any, of the person chargeable with support provided, however,
55 that failure to comply with this requirement shall not invalidate such
56 order.

§ 15. Section 516-a of the family court act, as amended by chapter 398 of the laws of 1997, subdivisions (b) and (c) as amended by chapter 402 of the laws of 2013, and subdivision (d) as amended by chapter 343 of the laws of 2009, is amended to read as follows:

§ 516-a. Acknowledgment of ~~[paternity]~~ parentage. (a) An acknowledgment of ~~[paternity]~~ parentage executed pursuant to section one hundred eleven-k of the social services law or section four thousand one hundred thirty-five-b of the public health law shall establish the ~~[paternity]~~ parentage of and liability for the support of a child pursuant to this act. Such acknowledgment must be reduced to writing and filed pursuant to section four thousand one hundred thirty-five-b of the public health law with the registrar of the district in which the birth occurred and in which the birth certificate has been filed. No further judicial or administrative proceedings are required to ratify an unchallenged acknowledgment of ~~[paternity]~~ parentage.

(b) (i) Where a signatory to an acknowledgment of ~~[paternity]~~ parentage executed pursuant to section one hundred eleven-k of the social services law or section four thousand one hundred thirty-five-b of the public health law had attained the age of eighteen at the time of execution of the acknowledgment, the signatory may seek to rescind the acknowledgment by filing a petition with the court to vacate the acknowledgment within the earlier of sixty days of the date of signing the acknowledgment or the date of an administrative or a judicial proceeding (including, but not limited to, a proceeding to establish a support order) relating to the child in which the signatory is a party. For purposes of this section, the "date of an administrative or a judicial proceeding" shall be the date by which the respondent is required to answer the petition.

(ii) Where a signatory to an acknowledgment of ~~[paternity]~~ parentage executed pursuant to section one hundred eleven-k of the social services law or section four thousand one hundred thirty-five-b of the public health law had not attained the age of eighteen at the time of execution of the acknowledgment, the signatory may seek to rescind the acknowledgment by filing a petition with the court to vacate the acknowledgment anytime up to sixty days after the signatory's attaining the age of eighteen years or sixty days after the date on which the respondent is required to answer a petition (including, but not limited to, a petition to establish a support order) relating to the child in which the signatory is a party, whichever is earlier; provided, however, that the signatory must have been advised at such proceeding of his or her right to file a petition to vacate the acknowledgment within sixty days of the date of such proceeding.

(iii) Where a petition to vacate an acknowledgment of ~~[paternity]~~ parentage has been filed in accordance with paragraph (i) or (ii) of this subdivision, the court shall order genetic marker tests or DNA tests for the determination of the child's ~~[paternity]~~ parentage. No such test shall be ordered, however, where the acknowledgment was signed by the intended parent of a child born through assisted reproduction pursuant to subparagraph (ii) of paragraph (b) of subdivision one of section four thousand one hundred thirty-five-b of the public health law, or upon a written finding by the court that it is not in the best interests of the child on the basis of res judicata, equitable estoppel, or the presumption of legitimacy of a child born to a married ~~[woman]~~ person. If the court determines, following the test, that the person who signed the acknowledgment is the ~~[father]~~ parent of the child, the court shall make a finding of ~~[paternity]~~ parentage and enter an order of

1 [~~filiation~~] parentage. If the court determines that the person who
2 signed the acknowledgment is not the [~~father~~] parent of the child, the
3 acknowledgment shall be vacated.

4 (iv) After the expiration of the time limits set forth in paragraphs
5 (i) and (ii) of this subdivision, any of the signatories to an acknowl-
6 edgment of [~~paternity~~] parentage may challenge the acknowledgment in
7 court by alleging and proving fraud, duress, or material mistake of
8 fact. If the petitioner proves to the court that the acknowledgment of
9 [~~paternity~~] parentage was signed under fraud, duress, or due to a mate-
10 rial mistake of fact, the court shall then order genetic marker tests or
11 DNA tests for the determination of the child's [~~paternity~~] parentage.
12 No such test shall be ordered, however, where the acknowledgment was
13 signed by the intended parent of a child born through assisted reprod-
14 uction pursuant to subparagraph (ii) of paragraph (b) of subdivision one
15 of section four thousand one hundred thirty-five-b of the public health
16 law, or upon a written finding by the court that it is not in the best
17 interests of the child on the basis of res judicata, equitable estoppel,
18 or the presumption of legitimacy of a child born to a married [~~woman~~]
19 person. If the court determines, following the test, that the person who
20 signed the acknowledgment is the [~~father~~] parent of the child, the court
21 shall make a finding of [~~paternity~~] parentage and enter an order of
22 [~~filiation~~] parentage. If the court determines that the person who
23 signed the acknowledgment is not the [~~father~~] parent of the child, the
24 acknowledgment shall be vacated.

25 (v) If, at any time before or after a signatory has filed a petition
26 to vacate an acknowledgment of [~~paternity~~] parentage pursuant to this
27 subdivision, the signatory dies or becomes mentally ill or cannot be
28 found within the state, neither the proceeding nor the right to commence
29 the proceeding shall abate but may be commenced or continued by any of
30 the persons authorized by this article to commence a [~~paternity~~] parent-
31 age proceeding.

32 (c) An acknowledgment of parentage is void if, at the time of signing,
33 any of the following are true:

34 (i) a person other than the signatories is a presumed parent of the
35 child pursuant to section twenty-four of the domestic relations law;

36 (ii) a court has entered a judgment of parentage of the child;

37 (iii) another person has signed a valid acknowledgment of parentage
38 with regard to the child;

39 (iv) the child has a parent pursuant to section 581-303 of the family
40 court act other than the signatories;

41 (v) a signatory is a gamete donor under section 581-302 of the family
42 court act; or

43 (vi) the acknowledgment is signed by a person who asserts that they
44 are a parent under section 581-303 of the family court act of a child
45 conceived through assisted reproduction, but the signatory is not a
46 parent under section 581-303 of the family court act.

47 (d) Neither signatory's legal obligations, including the obligation
48 for child support arising from the acknowledgment, may be suspended
49 during the challenge to the acknowledgment except for good cause as the
50 court may find. If the court vacates the acknowledgment of [~~paternity~~]
51 parentage, the court shall immediately provide a copy of the order to
52 the registrar of the district in which the child's birth certificate is
53 filed and also to the [~~putative-father~~] registry operated by the depart-
54 ment of social services pursuant to section three hundred seventy-two-c
55 of the social services law. In addition, if the [~~mother~~] parent of the
56 child who is the subject of the acknowledgment is in receipt of child

1 support services pursuant to title six-A of article three of the social
2 services law, the court shall immediately provide a copy of the order to
3 the child support enforcement unit of the social services district that
4 provides the ~~[mother]~~ parent with such services.

5 ~~[(d)]~~ (e) A determination of ~~[paternity]~~ parentage made by any other
6 state, whether established through an administrative or judicial process
7 or through an acknowledgment of ~~[paternity]~~ parentage signed in accord-
8 ance with that state's laws, must be accorded full faith and credit
9 pursuant to section 466(a)(11) of title IV-D of the social security act
10 (42 U.S.C. § 666(a)(11)).

11 (f) Any reference to an acknowledgment of paternity in any law of this
12 state, or any similar instrument signed in another state consistent with
13 the law of that state shall be interpreted to mean an acknowledgment of
14 parentage executed pursuant to section one hundred eleven-k of the
15 social services law, section four thousand one hundred thirty-five-b of
16 the public health law, or signed in another state consistent with the
17 law of that state.

18 § 16. Paragraph (b) of subdivision 1 of section 1017 of the family
19 court act, as added by chapter 567 of the laws of 2015, is amended to
20 read as follows:

21 (b) The court shall also direct the local commissioner of social
22 services to conduct an investigation to locate any person who is not
23 recognized to be the child's legal parent and does not have the rights
24 of a legal parent under the laws of the state of New York but who (i)
25 has filed with a putative father registry an instrument acknowledging
26 ~~[paternity]~~ parentage of the child, pursuant to section 4-1.2 of the
27 estates, powers and trusts law, or (ii) has a pending ~~[paternity]~~
28 parentage petition, or (iii) has been identified as a parent of the
29 child by the child's other parent in a written sworn statement. The
30 local commissioner of social services shall report the results of such
31 investigation to the court and parties, including the attorney for the
32 child.

33 § 17. Section 4-1.2 of the estates, powers and trusts law, as amended
34 by chapter 67 of the laws of 1981, the section heading, the opening
35 paragraph of subparagraph 1 of paragraph (a), the opening paragraph of
36 subparagraph 2 of paragraph (a) and the opening paragraph of subpara-
37 graph 3 of paragraph (a) as amended by chapter 595 of the laws of 1992,
38 subparagraph 2 of paragraph (a) as amended by chapter 434 of the laws of
39 1987, clause (A) of subparagraph 2 of paragraph (a) as amended by chap-
40 ter 170 of the laws of 1994, and clause (C) of subparagraph 2 of para-
41 graph (a) and paragraph (b) as amended by chapter 64 of the laws of
42 2010, is amended to read as follows:

43 § 4-1.2 Inheritance by non-marital children

44 (a) For the purposes of this article:

45 (1) A non-marital child is the legitimate child of his mother so that
46 he and his issue inherit from his mother and from his maternal kindred.

47 (2) A non-marital child is the legitimate child of his father or non-
48 gestating intended parent so that he and his issue inherit from ~~[his~~
49 ~~father and his paternal]~~ such parent and such parent's kindred if:

50 (A) a court of competent jurisdiction has, during the lifetime of the
51 father, made an order of filiation or parentage declaring ~~[paternity]~~
52 parentage or the ~~[mother and father]~~ parentage of the child ~~[have~~
53 ~~executed]~~ has been established through the execution of an acknowledg-
54 ment of ~~[paternity]~~ parentage pursuant to section four thousand one
55 hundred thirty-five-b of the public health law, which has been filed

1 with the registrar of the district in which the birth certificate has
2 been filed or;

3 (B) the father of the child has signed an instrument acknowledging
4 [~~paternity~~] parentage, provided that

5 (i) such instrument is acknowledged or executed or proved in the form
6 required to entitle a deed to be recorded in the presence of one or more
7 witnesses and acknowledged by such witness or witnesses, in either case,
8 before a notary public or other officer authorized to take proof of
9 deeds and

10 (ii) such instrument is filed within sixty days from the making there-
11 of with the [~~putative father~~] registry established by the state depart-
12 ment of social services pursuant to section three hundred seventy-two-c
13 of the social services law, as added by chapter six hundred sixty-five
14 of the laws of nineteen hundred seventy-six and

15 (iii) the department of social services shall, within seven days of
16 the filing of the instrument, send written notice by registered mail to
17 the mother and other legal guardian of such child, notifying them that
18 an acknowledgment of [~~paternity~~] parentage instrument acknowledged or
19 executed by such [~~father~~] parent has been duly filed or;

20 (C) [~~paternity~~] parentage has been established by clear and convincing
21 evidence, which may include, but is not limited to: (i) evidence derived
22 from a genetic marker test, or (ii) evidence that the [~~father~~] parent
23 openly and notoriously acknowledged the child as his or her own, however
24 nothing in this section regarding genetic marker tests shall be
25 construed to expand or limit the current application of subdivision four
26 of section forty-two hundred ten of the public health law.

27 (3) The existence of an agreement obligating the father to support the
28 non-marital child does not qualify such child or his issue to inherit
29 from the father in the absence of an order of filiation made or acknowl-
30 edgement of [~~paternity~~] parentage as prescribed by subparagraph (2).

31 (4) A motion for relief from an order of filiation may be made only by
32 the father and a motion for relief from an acknowledgement of [~~paterni-~~
33 ~~ty~~] parentage may be made by [~~the father, mother~~] a parent or other
34 legal guardian of such child, or the child, provided however, such
35 motion must be made within one year from the entry of such order or from
36 the date of written notice as provided for in subparagraph (2).

37 (b) If a non-marital child dies, his or her surviving spouse, issue,
38 mother, maternal kindred, father and paternal kindred inherit and are
39 entitled to letters of administration as if the decedent was a marital
40 child, provided that the [~~father and paternal~~] kindred may inherit or
41 obtain such letters only if the [~~paternity~~] parentage of the non-marital
42 child has been established pursuant to any of the provisions of subpara-
43 graph (2) of paragraph (a).

4 not be required to establish the [~~paternity~~] parentage of any child born
5 out-of-wedlock, or to secure support for any child, with respect to whom
6 such official has determined that such actions would be detrimental to
7 the best interests of the child, in accordance with procedures and
8 criteria established by regulations of the department consistent with
9 federal law.

10 4. a. A social services district represents the interests of the
11 district in performing its functions and duties as provided in this

13 shall include, but are not limited to, establishing [~~paternity~~] parent-
14 age, and establishing, modifying and enforcing child support orders.

15 b. Notwithstanding any other provision of law, the provision of child

18 services and any attorney representing or appearing for the district. A
19 social services district shall provide notice to any individual request-
20 ing or receiving services that the attorney representing or appearing
21 for the district does not represent the individual and that the individ-

33 with a potential respondent or respondent, hereinafter referred to in
34 this section as the "respondent", the mother of a child born out of
35 wedlock and any other interested persons, pursuant to section one
36 hundred eleven-c of this title, may obtain:

37 (a) an acknowledgment of [~~paternity~~] parentage of a child, as provided
38 for in article five-B or section five hundred sixteen-a of the family
39 court act, by a written statement, witnessed by two people not related
40 to the signator or as provided for in section four thousand one hundred
41 thirty-five-b of the public health law. Prior to the execution of such
42 acknowledgment by the child's mother and the respondent, they shall be
43 advised, orally, which may be through the use of audio or video equip-
44 ment, and in writing, of the consequences of making such an acknowledg-
45 ment. Upon the signing of an acknowledgment of [~~paternity~~] parentage
46 pursuant to this section, the social services official or his or her
47 representative shall file the original acknowledgment with the regist-
48 rar.

49 (b) an agreement to make support payments as provided in section four
50 hundred twenty-five of the family court act. Prior to the execution of
51 such agreement, the respondent shall be advised, orally, which may be
52 through the use of audio or video equipment, and in writing, of the
53 consequences of such agreement, that the respondent can be held liable
54 for support only if the family court, after a hearing, makes an order of
55 support; that respondent has a right to consult with an attorney and
56 that the agreement will be submitted to the family court for approval

1 pursuant to section four hundred twenty-five of the family court act;
2 and that by executing the agreement, the respondent waives any right to
3 a hearing regarding any matter contained in such agreement.

4 2. (a) When the paternity of a child is contested, a social services
5 official or designated representative may order the mother, the child,
6 and the alleged father to submit to one or more genetic marker or DNA
7 tests of a type generally acknowledged as reliable by an accreditation
8 body designated by the secretary of the federal department of health and
9 human services and performed by a laboratory approved by such an accred-
10 itation body and by the commissioner of health or by a duly qualified
11 physician to aid in the determination of whether or not the alleged
12 father is the father of the child. The order may be issued prior or
13 subsequent to the filing of a petition with the court to establish
14 paternity, shall be served on the parties by certified mail, and shall
15 include a sworn statement which either (i) alleges [~~paternity~~] parentage
16 and sets forth facts establishing a reasonable possibility of the requi-
17 site sexual contact between the parties, or (ii) denies [~~paternity~~]
18 parentage and sets forth facts establishing a reasonable possibility
19 that the party is not the father. The parties shall not be required to
20 submit to the administration and analysis of such tests if they sign a
21 voluntary acknowledgment of [~~paternity~~] parentage in accordance with
22 paragraph (a) of subdivision one of this section, or if there has been a
23 written finding by the court that it is not in the best interests of the
24 child on the basis of res judicata, equitable estoppel, the child was
25 conceived through assisted reproduction or the presumption of legitimacy
26 of a child born to a married [~~woman~~] person.

27 (b) The record or report of the results of any such genetic marker or
28 DNA test may be submitted to the family court as evidence pursuant to
29 subdivision (e) of rule forty-five hundred eighteen of the civil prac-
30 tice law and rules where no timely objection in writing has been made
31 thereto.

32 (c) The cost of any test ordered pursuant to this section shall be
33 paid by the social services district provided however, that the alleged
34 father shall reimburse the district for the cost of such test at such
35 time as the alleged father's [~~paternity~~] parentage is established by a
36 voluntary acknowledgment of [~~paternity~~] parentage or an order of filia-
37 tion. If either party contests the results of genetic marker or DNA
38 tests, an additional test may be ordered upon written request to the
39 social services district and advance payment by the requesting party.

40 (d) The parties shall be required to submit to such tests and appear
41 at any conference scheduled by the social services official or designee
42 to discuss the notice of the allegation of paternity or to discuss the
43 results of such tests. If the alleged [~~father~~] parent fails to appear
44 at any such conference or fails to submit to such genetic marker or DNA
45 tests, the social services official or designee shall petition the court
46 to establish [~~paternity~~] parentage, provide the court with a copy of the
47 records or reports of such tests if any, and request the court to issue
48 an order for temporary support pursuant to section five hundred forty-
49 two of the family court act.

50 3. Any reference to an acknowledgment of paternity in any law of this
51 state or any similar instrument signed in another state consistent with
52 the law of that state shall be interpreted to mean an acknowledgment of
53 parentage executed pursuant to this section, section four thousand one
54 hundred thirty-five-b of the public health law or signed in another
55 state consistent with the law of that state.

§ 20. Subdivisions 1 and 2 of section 372-c of the social services law, as amended by chapter 139 of the laws of 1979, are amended to read as follows:

1. The department shall establish a ~~[putative father]~~ registry which shall record the names and addresses of: (a) any person adjudicated by a court of this state to be the ~~[father]~~ parent of a child born ~~[out-of-wedlock]~~ out of wedlock; (b) any person who has filed with the registry before or after the birth of a child ~~[out-of-wedlock]~~ out of wedlock, a notice of intent to claim ~~[paternity]~~ parentage of the child; (c) any person adjudicated by a court of another state or territory of the United States to be the father of an ~~[out-of-wedlock]~~ out of wedlock child, where a certified copy of the court order has been filed with the registry by such person or any other person; (d) any person who has filed with the registry an instrument acknowledging paternity pursuant to section 4-1.2 of the estates, powers and trusts law.

2. A person filing a notice of intent to claim ~~[paternity]~~ parentage of a child or an acknowledgement of paternity shall include therein his current address and shall notify the registry of any change of address pursuant to procedures prescribed by regulations of the department.

Where an order of filiation is issued by a judge in a paternity proceeding and child support is in issue, the judge, or support magistrate upon referral from the judge, shall be authorized to immediately make a temporary or final order of support, as applicable. A support magistrate shall have the authority to hear and decide motions and issue summonses and subpoenas to produce persons pursuant to section one hundred fifty-three of this act, hear and decide proceedings and issue any order authorized by subdivision (g) of section five thousand two hundred forty-one of the civil practice law and rules, issue subpoenas to produce prisoners pursuant to section two thousand three hundred two of the civil practice law and rules and make a determination that any person before the support magistrate is in violation of an order of the court as authorized by section one hundred fifty-six of this act subject to confirmation by a judge of the court who shall impose any punishment for such violation as provided by law. A determination by a support magistrate that a person is in willful violation of an order under subdivision three of section four hundred fifty-four of this article and that recommends commitment shall be transmitted to the parties, accompanied by findings of fact, but the deter-

mination shall have no force and effect until confirmed by a judge of the court.

§ 22. This act shall take effect on January 1, 2021, provided, however, that the amendments to subdivision (a) of section 439 of the family court act made by section twenty-one of this act shall not affect the expiration of such subdivision and shall be deemed to expire therewith. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
