49 to the child at eighteen years of age or the legal parent or parents.

50 (e) In the event the certification required by paragraph two of subdi-  
51 vision (c) of this section cannot be made because of a technical or  
52 non-material deviation from the requirements of this article; the court  
53 may nevertheless enforce the agreement and issue a judgment of parentage  
54 if the court determines the agreement is in substantial compliance with  
55 the requirements of this article. In the event that any other require-

1 ments of subdivision (c) of this section are not met, the court shall  
2 determine parentage according to part four of this article.

3 § 581-204. Judgment of parentage for intended parents who are spouses.  
4 Notwithstanding or without limitation on presumptions of parentage that  
5 apply, a judgment of parentage may be obtained under this part by  
6 intended parents who are each other's spouse. Nothing in this section  
7 requires intended parents to be married to each other in order to be  
8 jointly declared the parents of the child.

9 § 581-205. Inspection of records. Court records relating to  
10 proceedings under this article shall be sealed, provided, however, that

### 29 PART 3

#### 30 CHILD OF ASSISTED REPRODUCTION

31 Section 581-301. Scope of article.

32 581-302. Status of donor.

33 581-303. Parentage of child of assisted reproduction.

34 581-304. Consent to assisted reproduction.

35 581-305. Limitation on spouses' dispute of parentage of child of  
36 assisted reproduction.

37 581-306. Effect of embryo disposition agreement between intended  
38 parents which transfers legal rights and disposi-  
39 tional control to one intended parent.

40 581-307. Effect of death of intended parent.

41 § 581-301. Scope of article. This article does not apply to the birth  
42 of a child conceived by means of sexual intercourse.

43 § 581-302. Status of donor. A donor is not a parent of a child  
44 conceived by means of assisted reproduction where there is proof of  
45 donative intent under subdivision (d) of section 581-202 of this arti-  
46 cle.

47 § 581-303. Parentage of child of assisted reproduction. (a) An indi-  
48 vidual who provides gametes for, or who consents to, assisted reprod-  
49 uction with the intent to be a parent of the child with the consent of  
50 the gestating parent as provided in section 581-304 of this part, is a  
51 parent of the resulting child for all legal purposes.

52 (b) The court shall issue a judgment of parentage pursuant to this  
53 article upon application by any participant.

54 § 581-304. Consent to assisted reproduction. (a) Where the intended  
55 parent who gives birth to a child by means of assisted reproduction is a

1 spouse, the consent of both spouses to the assisted reproduction is  
2 presumed and neither spouse may challenge the parentage of the child,  
3 except as provided in section 581-305 of this part.

4 (b) Where the intended parent who gives birth to a child by means of  
5 assisted reproduction is not a spouse, the consent to the assisted  
6 reproduction must be in a record in such a manner as to indicate the  
7 mutual agreement of the intended parents to conceive and parent a child  
8 together.

9 (c) The absence of a record described in subdivision (b) of this  
10 section shall not preclude a finding that such consent existed if the  
11 court finds by clear and convincing evidence that at the time of the  
12 assisted reproduction the intended parents agreed to conceive and parent  
13 the child together.

14 § 581-305. Limitation on spouses' dispute of parentage of child of  
15 assisted reproduction. (a) Neither spouse may challenge the marital  
16 presumption of parentage of a child created by assisted reproduction  
17 during the marriage unless the court finds by clear and convincing  
18 evidence that one spouse used assisted reproduction without the know-  
19 ledge and consent of the other spouse.

20 (b) Notwithstanding the foregoing, a married individual may use  
21 assisted reproduction and the marital presumption shall not apply if the  
22 spouses:

23 (1) are living separate and apart pursuant to a decree or judgment of  
24 separation or pursuant to a written agreement of separation subscribed  
25 by the parties thereto and acknowledged or proved in the form required  
26 to entitle a deed to be recorded; or

27 (2) have been living separate and apart for at least three years prior  
28 to the use of assisted reproduction.

29 (c) The limitation provided in this section applies to a spousal  
30 relationship that has been declared invalid after assisted reproduction  
31 or artificial insemination.

32 § 581-306. Effect of embryo disposition agreement between intended  
33 parents which transfers legal rights and dispositional control to one  
34 intended parent. (a) An embryo disposition agreement between intended  
35 parents with joint dispositional control of an embryo shall be binding  
36 under the following circumstances:

37 (1) it is in writing;

38 (2) each intended parent had the advice of independent legal counsel  
39 prior to its execution, which may be paid for by either intended parent;  
40 and

41 (3) where the intended parents are married, transfer of legal rights  
42 and dispositional control occurs only upon divorce.

43 (b) The intended parent who transfers legal rights and dispositional  
44 control of the embryo is not a parent of any child conceived from the  
45 embryo unless the agreement states that he or she consents to be a  
46 parent and that consent is not withdrawn consistent with subdivision (c)  
47 of this section.

48 (c) If the intended parent transferring legal rights and dispositional  
49 control consents to be a parent, he or she may withdraw his or her  
50 consent to be a parent upon written notice to the embryo storage facili-  
51 ty and to the other intended parent prior to transfer of the embryo. If  
52 he or she timely withdraws consent to be a parent he or she is not a  
53 parent for any purpose including support obligations but the embryo  
54 transfer may still proceed.

55 (d) An embryo disposition agreement or advance directive that is not  
56 in compliance with subdivision (a) of this section may still be found to

1 be enforceable by the court after balancing the respective interests of  
2 the parties except that the intended parent who divested him or herself  
3 of legal rights and dispositional control may not be declared to be a  
4 parent for any purpose without his or her consent. The parent awarded  
5 legal rights and dispositional control of the embryos shall, in this  
6 instance, be declared to be the only parent of the child.

7 § 581-307. Effect of death of intended parent. If an individual who  
8 consented in a record to be a parent by assisted reproduction dies  
9 before the transfer of eggs, sperm, or embryos, the deceased individual  
10 is not a parent of the resulting child unless the deceased individual  
11 consented in a signed record that if assisted reproduction were to occur  
12 after death, the deceased individual would be a parent of the child,  
13 provided that the record complies with the estates, powers and trusts  
14 law. Any rights of the child born after the death of an intended parent  
15 may be enforced by a government agency authorized by law, including but  
16 not limited to a department of social services.

16 acting as surrogate to terminate or continue the pregnancy or reduce or  
17 retain the number of fetuses or embryos the person is carrying;

18 (viii) the surrogacy agreement shall provide for the right of the  
19 person acting as surrogate, upon request, to obtain counseling to  
20 address issues resulting from the person's participation in the surroga-  
21 cy agreement, including, but not limited to, counseling following deliv-  
22 ery. The cost of that counseling shall be paid by the intended parent or  
23 parents;

24 (ix) the surrogacy agreement must include a notice that any compen-  
25 sation received pursuant to the agreement may affect the person acting  
26 as surrogate's ability for public benefits or the amount of such bene-  
27 fits; and

28 (x) the surrogacy agreement shall provide that, upon the person acting  
29 as surrogate's request, the intended parent or parents have or will  
30 procure and pay for a disability insurance policy for the person acting  
31 as surrogate; the person acting as surrogate may designate the benefici-  
32 ary of the person's choosing.

33 (2) As to the intended parent or parents:

34 (i) the intended parent or parents agree to accept custody of all  
35 resulting children immediately upon birth regardless of number, gender,  
36 or mental or physical condition and regardless of whether the intended  
37 embryos were transferred due to a laboratory error without diminishing  
38 the rights, if any, of anyone claiming to have a superior parental  
39 interest in the child; and

40 (ii) the intended parent or parents agree to assume responsibility for  
41 the support of all resulting children immediately upon birth; and

42 (iii) the surrogacy agreement shall include the name of the attorney  
43 representing the intended parent or parents; and

44 (iv) the surrogacy agreement shall provide that the rights and obli-  
45 gations of the intended parent or parents under the surrogacy agreement  
46 are not assignable; and

47 (v) the intended parent or parents agree to execute a will, prior to  
48 the embryo transfer, designating a guardian for all resulting children  
49 and authorizing their executor to perform the intended parent's or  
50 parents' obligations pursuant to the surrogacy agreement.

51 § 581-404. Surrogacy agreement: effect of subsequent spousal relation-  
52 ship. (a) After the execution of a surrogacy agreement under this arti-  
53 cle, the subsequent spousal relationship of the person acting as surro-  
54 gate does not affect the validity of a surrogacy agreement, the consent  
55 of the spouse of the person acting as surrogate to the agreement shall

1 not be required, and the spouse of the person acting as surrogate shall  
2 not be the presumed parent of any resulting children.

3 (b) The subsequent separation or divorce of the intended parents does  
4 not affect the rights, duties and responsibilities of the intended  
5 parents as outlined in the surrogacy agreement. After the execution of  
6 a surrogacy agreement under this article, the subsequent spousal  
7 relationship of the intended parent does not affect the validity of a  
8 surrogacy agreement, and the consent of the spouse of the intended  
9 parent to the agreement shall not be required.

10 § 581-405. Termination of surrogacy agreement. After the execution of  
11 a surrogacy agreement but before the person acting as surrogate becomes  
12 pregnant by means of assisted reproduction, the person acting as surro-  
13 gate, the spouse of the person acting as surrogate, if applicable, or  
14 any intended parent may terminate the surrogacy agreement by giving  
15 notice of termination in a record to all other parties. Upon proper  
16 termination of the surrogacy agreement the parties are released from all  
17 obligations recited in the surrogacy agreement except that the intended  
18 parent or parents remains responsible for all expenses that are reim-  
19 bursable under the agreement which have been incurred by the person  
20 acting as surrogate through the date of termination. If the intended  
21 parent or parents terminate the surrogacy agreement pursuant to this  
22 section after the person acting as surrogate has taken any medication or  
23 commenced treatment to further embryo transfer, such intended parent or  
24 parents shall be responsible for paying for or reimbursing the person  
25 acting as surrogate for all co-payments, deductibles, any other out-of-  
26 pocket medical costs, and any other economic losses incurred within  
27 twelve months of the termination of the agreement and associated with  
28 taking such medication or undertaking such treatment. Unless the agree-  
29 ment provides otherwise, the person acting as surrogate is entitled to  
30 keep all payments received and obtain all payments to which the person  
31 is entitled up until the date of termination of the agreement. Neither  
32 a person acting as surrogate nor the spouse of the person acting as  
33 surrogate, if any, is liable to the intended parent or parents for  
34 terminating a surrogacy agreement as provided in this section.

35 § 581-406. Parentage under compliant surrogacy agreement. Upon the  
36 birth of a child conceived by assisted reproduction under a surrogacy  
37 agreement that complies with this part, each intended parent is, by  
38 operation of law, a parent of the child and neither the person acting as  
39 a surrogate nor the person's spouse, if any, is a parent of the child.

40 § 581-407. Insufficient surrogacy agreement. If a surrogacy agreement  
41 does not meet the material requirements of this article, the agreement  
42 is not enforceable and the court shall determine parentage based on the  
43 intent of the parties, taking into account the best interests of the  
44 child. An intended parent's absence of genetic connection to the child  
45 is not a sufficient basis to deny that individual a judgment of legal  
46 parentage.

47 § 581-408. Absence of surrogacy agreement. Where there is no surrogacy  
48 agreement, the parentage of the child will be determined based on other  
49 laws of this state.

50 § 581-409. Dispute as to surrogacy agreement. (a) Any dispute which  
51 is related to a surrogacy agreement other than disputes as to parentage  
52 shall be resolved by the supreme court, which shall determine the  
53 respective rights and obligations of the parties, in any proceeding  
54 initiated pursuant to this section, the court may, at its discretion,  
55 authorize the use of conferencing or mediation at any point in the  
56 proceedings.

1 (b) Except as expressly provided in the surrogacy agreement, the  
2 intended parent or parents and the person acting as surrogate shall be  
3 entitled to all remedies available at law or equity in any dispute  
4 related to the surrogacy agreement.

5 (c) There shall be no specific performance remedy available for a  
6 breach.

## 7 PART 5

### 8 PAYMENT TO DONORS AND PERSONS ACTING AS SURROGATES

#### 9 Section 581-501. Reimbursement.

#### 10 581-502. Compensation.

11 § 581-501. Reimbursement. A donor who has entered into a valid agree-  
12 ment to be a donor may receive reimbursement from an intended parent or  
13 parents for economic losses incurred in connection with the donation  
14 which result from the retrieval or storage of gametes or embryos.

15 § 581-502. Compensation. (a) Compensation may be paid to a donor or  
16 person acting as surrogate based on medical risks, physical discomfort,  
17 inconvenience and the responsibilities they are undertaking in  
18 connection with their participation in the assisted reproduction. Under  
19 no circumstances may compensation be paid to purchase gametes or embryos  
20 or for the release of a parental interest in a child.

21 (b) The compensation, if any, paid to a donor or person acting as  
22 surrogate must be reasonable and negotiated in good faith between the  
23 parties, and said payments to a person acting as surrogate shall not  
24 exceed the duration of the pregnancy and recuperative period of up to  
25 eight weeks after the birth of any resulting children.

26 (c) Compensation may not be conditioned upon the purported quality or  
27 genome-related traits of the gametes or embryos.

28 (d) Compensation may not be conditioned on actual genotypic or pheno-  
29 typic characteristics of the donor or of any resulting children.

30 (e) Compensation to an embryo donor shall be limited to storage fees,  
31 transportation costs and attorneys' fees.

13 after the birth of the child, a stillbirth, a miscarriage resulting in  
14 termination of pregnancy, or termination of the pregnancy, to be paid  
15 for by the intended parent or parents. The intended parent or parents  
16 shall also pay for or reimburse the person acting as surrogate for all  
17 co-payments, deductibles and any other out-of-pocket medical costs asso-  
18 ciated with pregnancy, childbirth, or postnatal care that accrue through  
19 twelve months after the birth of the child, a stillbirth, a miscarriage,  
20 or the termination of the pregnancy. A person acting as a surrogate who  
21 is receiving no compensation may waive the right to have the intended  
22 parent or parents make such payments or reimbursements.

23 § 581-605. Counseling. A person acting as surrogate has the right to  
24 obtain a comprehensive health insurance policy that covers behavioral

35 after the birth of the child, a stillbirth, a miscarriage resulting in  
36 termination of pregnancy, or termination of the pregnancy, with a bene-  
37 ficiary or beneficiaries of their choosing, to be paid for by the  
38 intended parent or parents.

39 § 581-607. Termination of surrogacy agreement. A person acting as  
40 surrogate has the right to terminate a surrogacy agreement prior to

27 [~~paternity~~] parentage witnessed by two persons not related to the signa-  
28 tory. Such acknowledgment, if signed by both parties, at any time  
29 following the birth of a child, shall be filed with the registrar at the  
30 same time at which the certificate of live birth is filed, if possible,  
31 or anytime thereafter. Nothing herein shall be deemed to require the  
32 person in charge of such hospital or his or her designee to seek out or  
33 otherwise locate [~~a putative father~~] an alleged genetic parent or  
34 intended parent of a child conceived through assisted reproduction who

43 (c) An acknowledgment of parentage shall be in a record signed by the  
44 person who gave birth to the child and by either the genetic parent  
45 other than the person who gave birth to the child or a person who is a  
46 parent under section 581-303 of the family court act of the child  
47 conceived through assisted reproduction.

48 (d) An acknowledgment of parentage is void if, at the time of signing,  
49 any of the following are true:

50 (i) A person other than the signatories is a presumed parent of the  
51 child under section twenty-four of the domestic relations law;

52 (ii) A court has entered a judgment of parentage of the child;

53 (iii) Another person has signed a valid acknowledgment of parentage  
54 with regard to the child;

55 (iv) The child has a parent under section 581-303 of the family court  
56 act other than the signatories;

3 (vi) The acknowledgment is signed by a person who asserts that they  
4 are a parent under section 581-303 of the family court act of a child  
5 conceived through assisted reproduction, but the child was not conceived  
6 through assisted reproduction.

7 (e) The acknowledgment shall be executed on a form provided by the  
8 commissioner developed in consultation with the [appropriate] commis-

12 provide in plain language [(i)] (A) a statement by the [mother] person  
13 who gave birth to the child consenting to the acknowledgment of [pater-  
14 nity] parentage and a statement that the [putative father] other signa-  
15 tory is the only possible [father] other genetic parent or that the  
16 other signatory is an intended parent and the child was conceived  
17 through assisted reproduction, [(ii)] (B) a statement by the [putative  
18 father], alleged genetic parent, if any, that he or she is the [biolog-  
19 ical father] genetic parent of the child, and [(iii)] (C) a statement  
20 that the signing of the acknowledgment of [paternity] parentage by both  
21 parties shall have the same force and effect as an order of parentage or  
22 filiation entered after a court hearing by a court of competent juris-  
23 isdiction, including an obligation to provide support for the child except  
24 that, only if filed with the registrar of the district in which the  
25 birth certificate has been filed, will the acknowledgment have such  
26 force and effect with respect to inheritance rights; and (iii) include  
27 the name and address, if known, of any gamete donors.

28 [(b)] (f) Prior to the execution of an acknowledgment of [paternity]  
29 parentage, the [mother] person who gave birth to the child and the  
30 [putative father] other signatory shall be provided orally, which may be  
31 through the use of audio or video equipment, and in writing with such  
32 information as is required pursuant to this section with respect to  
33 their rights and the consequences of signing a voluntary acknowledgment  
34 of [paternity] parentage including, but not limited to:

35 (i) that the signing of the acknowledgment of [paternity] parentage  
36 shall establish the [paternity] parentage of the child and shall have  
37 the same force and effect as an order of [paternity] parentage or filia-  
38 tion issued by a court of competent jurisdiction establishing the duty  
39 of both parties to provide support for the child;

40 (ii) that if such an acknowledgment is not made, the [putative father]  
41 signatory other than the person who gave birth to the child can be held  
42 liable for support only if the family court, after a hearing, makes an  
43 order declaring that the [putative father] person is the [father] parent  
44 of the child whereupon the court may make an order of support which may  
45 be retroactive to the birth of the child;

46 (iii) that if made a respondent in a proceeding to establish [paterni-  
47 ty] parentage the [putative father] signatory other than the person who  
48 gave birth to the child has a right to free legal representation if  
49 indigent;

50 (iv) that [the putative father] an alleged genetic parent has a right  
51 to a genetic marker test or to a DNA test when available;

52 (v) that by executing the acknowledgment, the [putative father]  
53 alleged genetic parent waives [his] their right to a hearing, to which  
54 [he] they would otherwise be entitled, on the issue of [paternity]

(vi) that a copy of the acknowledgment of [~~paternity~~] parentage shall be filed with the [~~putative father~~] registry [~~pursuant to~~] created by section three hundred seventy-two-c of the social services law, and that such filing may establish the child's right to inheritance from the [~~putative father~~] alleged genetic parent or the other intended parent of a child conceived through assisted reproduction pursuant to clause (B) of subparagraph two of paragraph (a) of section 4-1.2 of the estates, powers and trusts law;

(vii) that, if such acknowledgment is filed with the registrar of the district in which the birth certificate has been filed, such acknowledgment will establish inheritance rights from the [~~putative father~~] alleged genetic parent or the other intended parent of a child conceived through assisted reproduction pursuant to clause (A) of subparagraph two of paragraph (a) of section 4-1.2 of the estates, powers and trusts law;

(viii) that no further judicial or administrative proceedings are required to ratify an unchallenged acknowledgment of [~~paternity~~] parentage provided, however, that:

(ix) that after the expiration of the time limits set forth in clauses (A) and (B) of subparagraph (viii) of this paragraph, any of the signatories may challenge the acknowledgment of [~~paternity~~] parentage in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof on the party challenging the voluntary acknowledgment;

(x) that the [~~putative father and mother~~] person who gave birth to the child and the other signatory may wish to consult with attorneys before executing the acknowledgment; and that they have the right to seek legal representation and supportive services including counseling regarding such acknowledgment;

(xi) that the acknowledgment of [~~paternity~~] parentage may be the basis for the [~~putative father~~] signatory other than the person who gave birth to the child establishing custody and visitation rights to the child and for requiring the [~~putative father's~~] consent of the signatory other than the person who gave birth to the child prior to an adoption proceeding;

(xii) that the [~~mother's~~] refusal of the person who gave birth to the child to sign the acknowledgment shall not be deemed a failure to cooperate in establishing [~~paternity for~~] parentage of the child; and

53 § 14. Paragraph (a) of subdivision 1 of section 440 of the family  
54 court act, as amended by chapter 398 of the laws of 1997, is amended to  
55 read as follows:

1 (a) Any support order made by the court in any proceeding under the  
2 provisions of article five-B of this act, pursuant to a reference from

6 child and spousal support collected on behalf of persons in receipt of  
7 services pursuant to section one hundred eleven-g of the social services  
8 law, or on behalf of persons in receipt of public assistance be made to  
9 the support collection unit designated by the appropriate social  
10 services district, which shall receive and disburse funds so paid; or  
11 (ii) shall be enforced pursuant to subdivision (c) of section five thou-  
12 sand two hundred forty-two of the civil practice law and rules at the  
13 same time that the court issues an order of support; and (iii) shall in  
14 either case, except as provided for herein, be effective as of the  
15 earlier of the date of the filing of the petition therefor, or, if the  
16 children for whom support is sought are in receipt of public assistance,  
17 the date for which their eligibility for public assistance was effec-  
18 tive. Any retroactive amount of support due shall be support  
19 arrears/past due support and shall be paid in one sum or periodic sums,  
20 as the court directs, and any amount of temporary support which has been  
21 paid to be taken into account in calculating any amount of such retroac-  
22 tive support due. In addition, such retroactive child support shall be  
23 enforceable in any manner provided by law including, but not limited to,  
24 an execution for support enforcement pursuant to subdivision (b) of  
25 section fifty-two hundred forty-one of the civil practice law and rules.  
26 When a child receiving support is a public assistance recipient, or the  
27 order of support is being enforced or is to be enforced pursuant to  
28 section one hundred eleven-g of the social services law, the court shall  
29 establish the amount of retroactive child support and notify the parties  
30 that such amount shall be enforced by the support collection unit pursu-  
31 ant to an execution for support enforcement as provided for in subdivi-  
32 sion (b) of section fifty-two hundred forty-one of the civil practice  
33 law and rules, or in such periodic payments as would have been author-  
34 ized had such an execution been issued. In such case, the court shall  
35 not direct the schedule of repayment of retroactive support. Where such  
36 direction is for child support and ~~paternity~~ parentage has been estab-  
37 lished by a voluntary acknowledgment of ~~paternity~~ parentage as defined  
38 in section forty-one hundred thirty-five-b of the public health law, the  
39 court shall inquire of the parties whether the acknowledgment has been  
40 duly filed, and unless satisfied that it has been so filed shall require  
41 the clerk of the court to file such acknowledgment with the appropriate  
42 registrar within five business days. The court shall not direct that  
43 support payments be made to the support collection unit unless the  
44 child, who is the subject of the order, is in receipt of public assist-  
45 ance or child support services pursuant to section one hundred eleven-g  
46 of the social services law. Any such order shall be enforceable pursu-  
47 ant to section fifty-two hundred forty-one or fifty-two hundred forty-  
48 two of the civil practice law and rules, or in any other manner provided  
49 by law. Such orders or judgments for child support and maintenance  
50 shall also be enforceable pursuant to article fifty-two of the civil  
51 practice law and rules upon a debtor's default as such term is defined  
52 in paragraph seven of subdivision (a) of section fifty-two hundred  
53 forty-one of the civil practice law and rules. The establishment of a  
54 default shall be subject to the procedures established for the determi-  
55 nation of a mistake of fact for income executions pursuant to subdivi-  
56 sion (e) of section fifty-two hundred forty-one of the civil practice

1 law and rules. For the purposes of enforcement of child support orders  
2 or combined spousal and child support orders pursuant to section five  
3 thousand two hundred forty-one of the civil practice law and rules, a  
4 "default" shall be deemed to include amounts arising from retroactive  
5 support. Where permitted under federal law and where the record of the  
6 proceedings contains such information, such order shall include on its  
7 face the social security number and the name and address of the employ-  
8 er, if any, of the person chargeable with support provided, however,  
9 that failure to comply with this requirement shall not invalidate such  
10 order.

11 § 15. Section 516-a of the family court act, as amended by chapter 398  
12 of the laws of 1997, subdivisions (b) and (c) as amended by chapter 402

18 thirty-five-b of the public health law shall establish the [~~paternity~~]  
19 parentage of and liability for the support of a child pursuant to this  
20 act. Such acknowledgment must be reduced to writing and filed pursuant  
21 to section four thousand one hundred thirty-five-b of the public health  
22 law with the registrar of the district in which the birth occurred and  
23 in which the birth certificate has been filed. No further judicial or  
24 administrative proceedings are required to ratify an unchallenged  
25 acknowledgment of [~~paternity~~] parentage.

26 (b) (i) Where a signatory to an acknowledgment of [~~paternity~~] parent-  
27 age executed pursuant to section one hundred eleven-k of the social  
28 services law or section four thousand one hundred thirty-five-b of the  
29 public health law had attained the age of eighteen at the time of  
30 execution of the acknowledgment, the signatory may seek to rescind the  
31 acknowledgment by filing a petition with the court to vacate the  
32 acknowledgment within the earlier of sixty days of the date of signing  
33 the acknowledgment or the date of an administrative or a judicial  
34 proceeding (including, but not limited to, a proceeding to establish a  
35 support order) relating to the child in which the signatory is a party.  
36 For purposes of this section, the "date of an administrative or a judi-

38 to answer the petition.

39 (ii) Where a signatory to an acknowledgment of [~~paternity~~] parentage  
40 executed pursuant to section one hundred eleven-k of the social services  
41 law or section four thousand one hundred thirty-five-b of the public  
42 health law had not attained the age of eighteen at the time of execution  
43 of the acknowledgment, the signatory may seek to rescind the acknowlegd-  
44 ment by filing a petition with the court to vacate the acknowledgment  
45 anytime up to sixty days after the signatory's attaining the age of  
46 eighteen years or sixty days after the date on which the respondent is  
47 required to answer a petition (including, but not limited to, a petition  
48 to establish a support order) relating to the child in which the signa-  
49 tory is a party, whichever is earlier; provided, however, that the  
50 signatory must have been advised at such proceeding of his or her right  
51 to file a petition to vacate the acknowledgment within sixty days of the  
52 date of such proceeding.

53 (iii) Where a petition to vacate an acknowledgment of [~~paternity~~]  
54 parentage has been filed in accordance with paragraph (i) or (ii) of  
55 this subdivision, the court shall order genetic marker tests or DNA  
56 tests for the determination of the child's [~~paternity~~] parentage. No

1 such test shall be ordered, however, where the acknowledgment was signed  
2 by the intended parent of a child born through assisted reproduction  
3 pursuant to subparagraph (ii) of paragraph (b) of subdivision one of  
4 section four thousand one hundred thirty-five-b of the public health  
5 law, or upon a written finding by the court that it is not in the best  
6 interests of the child on the basis of res judicata, equitable estoppel,  
7 or the presumption of legitimacy of a child born to a married [~~woman~~]  
8 person. If the court determines, following the test, that the person who  
9 signed the acknowledgment is the [~~father~~] parent of the child, the court  
10 shall make a finding of [~~paternity~~] parentage and enter an order of  
11 [~~filiation~~] parentage. If the court determines that the person who  
12 signed the acknowledgment is not the [~~father~~] parent of the child, the  
13 acknowledgment shall be vacated.

14 (iv) After the expiration of the time limits set forth in paragraphs  
15 (i) and (ii) of this subdivision, any of the signatories to an acknowl-  
16 edgment of [~~paternity~~] parentage may challenge the acknowledgment in  
17 court by alleging and proving fraud, duress, or material mistake of  
18 fact. If the petitioner proves to the court that the acknowledgment of  
19 [~~paternity~~] parentage was signed under fraud, duress, or due to a mate-  
20 rial mistake of fact, the court shall then order genetic marker tests or  
21 DNA tests for the determination of the child's [~~paternity~~] parentage.  
22 No such test shall be ordered, however, where the acknowledgment was  
23 signed by the intended parent of a child born through assisted reprod-  
24 uction pursuant to subparagraph (ii) of paragraph (b) of subdivision one  
25 of section four thousand one hundred thirty-five-b of the public health  
26 law, or upon a written finding by the court that it is not in the best  
27 interests of the child on the basis of res judicata, equitable estoppel,  
28 or the presumption of legitimacy of a child born to a married [~~woman~~]  
29 person. If the court determines, following the test, that the person who  
30 signed the acknowledgment is the [~~father~~] parent of the child, the court  
31 shall make a finding of [~~paternity~~] parentage and enter an order of  
32 [~~filiation~~] parentage. If the court determines that the person who  
33 signed the acknowledgment is not the [~~father~~] parent of the child, the  
34 acknowledgment shall be vacated.

35 (v) If, at any time before or after a signatory has filed a petition  
36 to vacate an acknowledgment of [~~paternity~~] parentage pursuant to this  
37 subdivision, the signatory dies or becomes mentally ill or cannot be  
38 found within the state, neither the proceeding nor the right to commence  
39 the proceeding shall abate but may be commenced or continued by any of  
40 the persons authorized by this article to commence a [~~paternity~~] parent-  
41 age proceeding.

42 (c) An acknowledgment of parentage is void if, at the time of signing,  
43 any of the following are true:

44 (i) a person other than the signatories is a presumed parent of the  
45 child pursuant to section twenty-four of the domestic relations law;

46 (ii) a court has entered a judgment of parentage of the child;

47 (iii) another person has signed a valid acknowledgment of parentage  
48 with regard to the child;

49 (iv) the child has a parent pursuant to section 581-303 of the family  
50 court act other than the signatories;

51 (v) a signatory is a gamete donor under section 581-302 of the family  
52 court act; or

53 (vi) the acknowledgment is signed by a person who asserts that they  
54 are a parent under section 581-303 of the family court act of a child  
55 conceived through assisted reproduction, but the child was not conceived  
56 through assisted reproduction.

(d) Neither signatory's legal obligations, including the obligation for child support arising from the acknowledgment, may be suspended during the challenge to the acknowledgment except for good cause as the court may find. If the court vacates the acknowledgment of ~~[paternity]~~ parentage, the court shall immediately provide a copy of the order to the registrar of the district in which the child's birth certificate is filed and also to the putative father registry operated by the department of social services pursuant to section three hundred seventy-two-c of the social services law. In addition, if the ~~[mother]~~ parent of the child who is the subject of the acknowledgment is in receipt of child support services pursuant to title six-A of article three of the social services law, the court shall immediately provide a copy of the order to the child support enforcement unit of the social services district that provides the ~~[mother]~~ parent with such services.

~~[(d)]~~ (e) A determination of ~~[paternity]~~ parentage made by any other state, whether established through an administrative or judicial process or through an acknowledgment of ~~[paternity]~~ parentage signed in accordance with that state's laws, must be accorded full faith and credit pursuant to section 466(a)(11) of title IV-D of the social security act (42 U.S.C. § 666(a)(11)).

(f) Any reference to an acknowledgment of paternity in any law of this state, or any similar instrument signed in another state consistent with the law of that state shall be interpreted to mean an acknowledgment of parentage executed pursuant to section one hundred eleven-k of the social services law, section four thousand one hundred thirty-five-b of the public health law, or signed in another state consistent with the law of that state.

§ 16. Paragraph (b) of subdivision 1 of section 1017 of the family court act, as added by chapter 567 of the laws of 2015, is amended to read as follows:

(b) The court shall also direct the local commissioner of social services to conduct an investigation to locate any person who is not recognized to be the child's legal parent and does not have the rights of a legal parent under the laws of the state of New York but who (i) has filed with a putative father registry an instrument acknowledging ~~[paternity]~~ parentage of the child, pursuant to section 4-1.2 of the estates, powers and trusts law, or (ii) has a pending ~~[paternity]~~ parentage petition, or (iii) has been identified as a parent of the child by the child's other parent in a written sworn statement. The local commissioner of social services shall report the results of such investigation to the court and parties, including the attorney for the child.

§ 17. Section 4-1.2 of the estates, powers and trusts law, as amended by chapter 67 of the laws of 1981, the section heading, the opening paragraph of subparagraph 1 of paragraph (a), the opening paragraph of subparagraph 2 of paragraph (a) and the opening paragraph of subparagraph 3 of paragraph (a) as amended by chapter 595 of the laws of 1992, subparagraph 2 of paragraph (a) as amended by chapter 434 of the laws of 1987, clause (A) of subparagraph 2 of paragraph (a) as amended by chapter 170 of the laws of 1994, and clause (C) of subparagraph 2 of paragraph (a) and paragraph (b) as amended by chapter 64 of the laws of 2010, is amended to read as follows:

§ 4-1.2 Inheritance by non-marital children

(a) For the purposes of this article:

(1) A non-marital child is the legitimate child of his mother so that he and his issue inherit from his mother and from his maternal kindred.

(2) A non-marital child is the legitimate child of his father or non-gestating intended parent so that he and his issue inherit from ~~[his father and his paternal]~~ such parent and such parent's kindred if:

(A) a court of competent jurisdiction has, during the lifetime of the father, made an order of filiation or parentage declaring ~~[paternity]~~ parentage or the ~~[mother and father]~~ parentage of the child ~~[have executed]~~ has been established through the execution of an acknowledgment of ~~[paternity]~~ parentage pursuant to section four thousand one hundred thirty-five-b of the public health law, which has been filed with the registrar of the district in which the birth certificate has been filed or;

(B) the father of the child has signed an instrument acknowledging ~~[paternity]~~ parentage, provided that

(i) such instrument is acknowledged or executed or proved in the form required to entitle a deed to be recorded in the presence of one or more witnesses and acknowledged by such witness or witnesses, in either case, before a notary public or other officer authorized to take proof of deeds and

(ii) such instrument is filed within sixty days from the making thereof with the putative father registry established by the state department of social services pursuant to section three hundred seventy-two-c of the social services law, as added by chapter six hundred sixty-five of the laws of nineteen hundred seventy-six and

(iii) the department of social services shall, within seven days of the filing of the instrument, send written notice by registered mail to the mother and other legal guardian of such child, notifying them that an acknowledgment of ~~[paternity]~~ parentage instrument acknowledged or executed by such ~~[father]~~ parent has been duly filed or;

(C) ~~[paternity]~~ parentage has been established by clear and convincing evidence, which may include, but is not limited to: (i) evidence derived from a genetic marker test, or (ii) evidence that the ~~[father]~~ parent openly and notoriously acknowledged the child as his or her own, however nothing in this section regarding genetic marker tests shall be construed to expand or limit the current application of subdivision four of section forty-two hundred ten of the public health law.

(3) The existence of an agreement obligating the father to support the non-marital child does not qualify such child or his issue to inherit from the father in the absence of an order of filiation made or acknowledgement of ~~[paternity]~~ parentage as prescribed by subparagraph (2).

(4) A motion for relief from an order of filiation may be made only by the father and a motion for relief from an acknowledgement of ~~[paternity]~~ parentage may be made by ~~[the father, mother]~~ a parent or other legal guardian of such child, or the child, provided however, such motion must be made within one year from the entry of such order or from the date of written notice as provided for in subparagraph (2).

(b) If a non-marital child dies, his or her surviving spouse, issue, mother, maternal kindred, father and paternal kindred inherit and are entitled to letters of administration as if the decedent was a marital child, provided that the father and paternal kindred may inherit or obtain such letters only if the ~~[paternity]~~ parentage of the non-marital child has been established pursuant to any of the provisions of subparagraph (2) of paragraph (a).

7 accordance with the regulations of the department.

8 g. obtain from respondent, when appropriate and in accordance with the  
9 procedures established by section one hundred eleven-k of this chapter,  
10 an acknowledgement of [~~paternity~~] parentage or an agreement to make  
11 support payments, or both;

12 3. Notwithstanding the foregoing, the social services official shall  
13 not be required to establish the [~~paternity~~] parentage of any child born  
14 out-of-wedlock, or to secure support for any child, with respect to whom  
15 such official has determined that such actions would be detrimental to  
16 the best interests of the child, in accordance with procedures and  
17 criteria established by regulations of the department consistent with  
18 federal law.

19 4. a. A social services district represents the interests of the  
20 district in performing its functions and duties as provided in this  
21 title and not the interests of any party. The interests of a district  
22 shall include, but are not limited to, establishing [~~paternity~~] parent-  
23 age, and establishing, modifying and enforcing child support orders.

24 b. Notwithstanding any other provision of law, the provision of child  
25 support services pursuant to this title does not constitute nor create  
26 an attorney-client relationship between the individual receiving  
27 services and any attorney representing or appearing for the district. A  
28 social services district shall provide notice to any individual request-  
29 ing or receiving services that the attorney representing or appearing  
30 for the district does not represent the individual and that the individ-  
31 ual has a right to retain his or her own legal counsel.

32 c. A social services district may appear in any action to establish  
33 [~~paternity~~] parentage, or to establish, modify, or enforce an order of

35 § 19. Section 111-k of the social services law, as amended by chapter

42 with a potential respondent or respondent, hereinafter referred to in  
43 this section as the "respondent", the mother of a child born out of  
44 wedlock and any other interested persons, pursuant to section one  
45 hundred eleven-c of this title, may obtain:

46 (a) an acknowledgment of [~~paternity~~] parentage of a child, as provided  
47 for in article five-B or section five hundred sixteen-a of the family  
48 court act, by a written statement, witnessed by two people not related

50 thirty-five-b of the public health law. Prior to the execution of such  
51 acknowledgment by the child's mother and the respondent, they shall be  
52 advised, orally, which may be through the use of audio or video equip-  
53 ment, and in writing, of the consequences of making such an acknowledg-  
54 ment. Upon the signing of an acknowledgment of [~~paternity~~] parentage  
55 pursuant to this section, the social services official or his or her

1 representative shall file the original acknowledgment with the regist-  
2 rar.

3 (b) an agreement to make support payments as provided in section four  
4 hundred twenty-five of the family court act. Prior to the execution of  
5 such agreement, the respondent shall be advised, orally, which may be  
6 through the use of audio or video equipment, and in writing, of the  
7 consequences of such agreement, that the respondent can be held liable  
8 for support only if the family court, after a hearing, makes an order of  
9 support; that respondent has a right to consult with an attorney and  
10 that the agreement will be submitted to the family court for approval  
11 pursuant to section four hundred twenty-five of the family court act;  
12 and that by executing the agreement, the respondent waives any right to  
13 a hearing regarding any matter contained in such agreement.

14 2. (a) When the paternity of a child is contested, a social services  
15 official or designated representative may order the mother, the child,  
16 and the alleged father to submit to one or more genetic marker or DNA  
17 tests of a type generally acknowledged as reliable by an accreditation  
18 body designated by the secretary of the federal department of health and  
19 human services and performed by a laboratory approved by such an accred-  
20 itation body and by the commissioner of health or by a duly qualified  
21 physician to aid in the determination of whether or not the alleged  
22 father is the father of the child. The order may be issued prior or  
23 subsequent to the filing of a petition with the court to establish  
24 paternity, shall be served on the parties by certified mail, and shall  
25 include a sworn statement which either (i) alleges [~~paternity~~] parentage  
26 and sets forth facts establishing a reasonable possibility of the requi-  
27 site sexual contact between the parties, or (ii) denies [~~paternity~~]  
28 parentage and sets forth facts establishing a reasonable possibility  
29 that the party is not the father. The parties shall not be required to  
30 submit to the administration and analysis of such tests if they sign a  
31 voluntary acknowledgment of [~~paternity~~] parentage in accordance with  
32 paragraph (a) of subdivision one of this section, or if there has been a  
33 written finding by the court that it is not in the best interests of the  
34 child on the basis of res judicata, equitable estoppel, the child was  
35 conceived through assisted reproduction or the presumption of legitimacy  
36 of a child born to a married [~~woman~~] person.

37 (b) The record or report of the results of any such genetic marker or  
38 DNA test may be submitted to the family court as evidence pursuant to  
39 subdivision (e) of rule forty-five hundred eighteen of the civil prac-  
40 tice law and rules where no timely objection in writing has been made  
41 thereto.

42 (c) The cost of any test ordered pursuant to this section shall be  
43 paid by the social services district provided however, that the alleged  
44 father shall reimburse the district for the cost of such test at such  
45 time as the alleged father's [~~paternity~~] parentage is established by a  
46 voluntary acknowledgment of [~~paternity~~] parentage or an order of filia-  
47 tion. If either party contests the results of genetic marker or DNA  
48 tests, an additional test may be ordered upon written request to the  
49 social services district and advance payment by the requesting party.

50 (d) The parties shall be required to submit to such tests and appear  
51 at any conference scheduled by the social services official or designee  
52 to discuss the notice of the allegation of paternity or to discuss the  
53 results of such tests. If the alleged [~~father~~] genetic parent fails to  
54 appear at any such conference or fails to submit to such genetic marker  
55 or DNA tests, the social services official or designee shall petition  
56 the court to establish [~~paternity~~] parentage, provide the court with a

1 copy of the records or reports of such tests if any, and request the  
2 court to issue an order for temporary support pursuant to section five  
3 hundred forty-two of the family court act.

4 3. Any reference to an acknowledgment of paternity in any law of this  
5 state or any similar instrument signed in another state consistent with  
6 the law of that state shall be interpreted to mean an acknowledgment of  
7 parentage executed pursuant to this section, section four thousand one  
8 hundred thirty-five-b of the public health law or signed in another  
9 state consistent with the law of that state.

10 § 20. Subdivisions 1 and 2 of section 372-c of the social services  
11 law, as amended by chapter 139 of the laws of 1979, are amended to read  
12 as follows:

13 1. The department shall establish a putative father registry which  
14 shall record the names and addresses of: (a) any person adjudicated by  
15 a court of this state to be the [~~father~~] parent of a child born [~~out-of-~~  
16 ~~wedlock~~] out of wedlock; (b) any person who has filed with the registry  
17 before or after the birth of a child [~~out-of-wedlock~~] out of wedlock, a  
18 notice of intent to claim [~~paternity~~] parentage of the child; (c) any  
19 person adjudicated by a court of another state or territory of the

22 registry by such person or any other person; (d) any person who has  
23 filed with the registry an instrument acknowledging paternity pursuant  
24 to section 4-1.2 of the estates, powers and trusts law.

26 of a child or an acknowledgement of paternity shall include therein his

17 evidence in the record to find that the subject committed an act or acts  
18 of child abuse or maltreatment, the [~~department~~] office of children and  
19 family services shall amend the record to indicate that the report is  
20 "unfounded" and notify the subject forthwith.

21 (iv) If it is determined at the review held pursuant to this paragraph  
22 [~~(a)~~] that there is [~~some-credible~~] a fair preponderance of the evidence  
23 in the record to find that the subject committed such act or acts but  
24 that such act or acts could not be relevant and reasonably related to  
25 the employment of the subject by a provider agency or to the subject  
26 being allowed to have regular and substantial contact with children who  
27 are cared for by a provider agency or the approval or disapproval of an  
28 application which could be submitted by the subject to a licensing agen-  
29 cy, the [~~department~~] office of children and family services shall be  
30 precluded from informing a provider or licensing agency which makes an  
31 inquiry to [~~the-department~~] such office pursuant to the provisions of  
32 section four hundred twenty-four-a of this title concerning the subject  
33 that the person about whom the inquiry is made is the subject of an  
34 indicated report of child abuse or maltreatment. The [~~department~~] office  
35 of children and family services shall notify forthwith the subject of  
36 the report of such determinations and that a fair hearing has been sche-  
37 duled pursuant to paragraph (b) of this subdivision. The sole issue at  
38 such hearing shall be whether the subject has been shown by [~~some-credi-~~  
39 ~~ble~~] a fair preponderance of the evidence to have committed the act or  
40 acts of child abuse or maltreatment giving rise to the indicated report.

41 (v) If it is determined at the review held pursuant to this paragraph  
42 [~~(a)~~] that there is [~~some-credible~~] a fair preponderance of the evidence  
43 in the record to prove that the subject committed an act or acts of  
44 child abuse or maltreatment and that such act or acts could be relevant  
45 and reasonably related to the employment of the subject by a provider  
46 agency or to the subject being allowed to have regular and substantial  
47 contact with children cared for by a provider agency or the approval or  
48 disapproval of an application which could be submitted by the subject to  
49 a licensing agency, the [~~department~~] office of children and family  
50 services shall notify forthwith the subject of the report of such deter-  
51 minations and that a fair hearing has been scheduled pursuant to para-  
52 graph (b) of this subdivision.

53 § 6. Subparagraph (ii) of paragraph (b) of subdivision 8 of section  
54 422 of the social services law, as amended by chapter 12 of the laws of  
55 1996, is amended to read as follows:

(ii) The burden of proof in such a hearing shall be on the child protective service [~~or the state agency~~] which investigated the report[~~, as the case may be~~]. In such a hearing, [~~the fact that there is~~] where a family court [~~finding of~~] proceeding pursuant to article ten of the family court act has occurred and where the petition for such proceeding alleges that a respondent in that proceeding committed abuse or neglect against the subject child in regard to an allegation contained in [~~the~~] a report indicated pursuant to this section: (A) where the court finds that such respondent did commit abuse or neglect there shall [~~create~~] be an irrebuttable presumption in a fair hearing held pursuant to this subdivision that said allegation is substantiated by [~~some credible~~] a fair preponderance of the evidence as to that respondent on that allegation; and (B) where such child protective service withdraws such petition with prejudice, where the family court dismisses such petition, or where the family court finds on the merits in favor of the respondent, there shall be an irrebuttable presumption in a fair hearing held pursuant to this subdivision that said allegation as to that respondent has not been proven by a fair preponderance of the evidence.

§ 7. Subparagraphs (i) and (ii) of paragraph (c) of subdivision 8 of section 422 of the social services law, as amended by chapter 12 of the laws of 1996, and the opening paragraph of subparagraph (ii) as amended by chapter 323 of the laws of 2008, are amended to read as follows:

(i) If it is determined at the fair hearing that there is [~~no credible~~] not a fair preponderance of the evidence in the record to find that the subject committed an act or acts of child abuse or maltreatment, the [~~department~~] office of children and family services shall amend the record to reflect that such a finding was made at the administrative hearing, order any child protective service [~~or state agency~~] which investigated the report to similarly amend its records of the report, and shall notify the subject forthwith of the determination.

(ii) Upon a determination made at a fair hearing [~~held on or after January first, nineteen hundred eighty-six~~] scheduled pursuant to the provisions of subparagraph (v) of paragraph (a) of this subdivision that the subject has been shown by a fair preponderance of the evidence to have committed the act or acts of child abuse or maltreatment giving rise to the indicated report, the hearing officer shall determine, based on guidelines developed by the office of children and family services pursuant to subdivision five of section four hundred twenty-four-a of this title, whether such act or acts are relevant and reasonably related to employment of the subject by a provider agency, as defined by subdivision three of section four hundred twenty-four-a of this title, or relevant and reasonably related to the subject being allowed to have regular and substantial contact with children who are cared for by a provider agency or relevant and reasonably related to the approval or disapproval of an application submitted by the subject to a licensing agency, as defined by subdivision four of section four hundred twenty-four-a of this title.

Upon a determination made at a fair hearing that the act or acts of abuse or maltreatment are relevant and reasonably related to employment of the subject by a provider agency or the subject being allowed to have regular and substantial contact with children who are cared for by a provider agency or the approval or denial of an application submitted by the subject to a licensing agency, the [~~department~~] office of children and family services shall notify the subject forthwith. The [~~department~~] office of children and family services shall inform a provider or licensing agency which makes an inquiry to [~~the department~~] such office

1 pursuant to the provisions of section four hundred twenty-four-a of this  
2 title concerning the subject that the person about whom the inquiry is  
3 made is the subject of an indicated child abuse or maltreatment report.

4 The failure to determine at the fair hearing that the act or acts of  
5 abuse and maltreatment are relevant and reasonably related to the  
6 employment of the subject by a provider agency or to the subject being  
7 allowed to have regular and substantial contact with children who are  
8 cared for by a provider agency or the approval or denial of an applica-  
9 tion submitted by the subject to a licensing agency shall preclude the  
10 [~~department~~] office of children and family services from informing a  
11 provider or licensing agency which makes an inquiry to [~~the department~~]  
12 such office pursuant to the provisions of section four hundred twenty-  
13 four-a of this title concerning the subject that the person about whom  
14 the inquiry is made is the subject of an indicated child abuse or  
15 maltreatment report.

16 § 8. Paragraph (e) of subdivision 8 of section 422 of the social  
17 services law, as added by chapter 12 of the laws of 1996, is amended to  
18 read as follows:

19 (e) Should the [~~department~~] office of children and family services  
20 grant the request of the subject of the report pursuant to this subdivi-  
21 sion either through an administrative review or fair hearing to amend an  
22 indicated report to an unfounded report[~~such~~], such report shall be  
23 legally sealed and shall be released and expunged in accordance with the  
24 standards set forth in subdivision five of this section.

25 § 9. Paragraph (e) of subdivision 1 of section 424-a of the social  
26 services law, as amended by chapter 634 of the laws of 1988, subpara-  
27 graphs (i), (ii) and (iii) as amended by chapter 12 of the laws of 1996,  
28 and subparagraph (iv) as amended by section 8-a of part D of chapter 501  
29 of the laws of 2012, is amended to read as follows:

30 (e) (i) Subject to the provisions of subparagraph (ii) of this para-  
31 graph, the [~~department~~] office of children and family services shall  
32 inform the provider or licensing agency, or child care resource and  
33 referral programs pursuant to subdivision six of this section whether or  
34 not the person is the subject of an indicated child abuse and maltreat-  
35 ment report only if:

36 [~~(a)~~] (A) (I) the time for the subject of the report to request an  
37 amendment of the record of the report pursuant to subdivision eight of  
38 section four hundred twenty-two has expired without any such request  
39 having been made; or

40 [~~(b)~~] (II) such request was made within such time and a fair hearing  
41 regarding the request has been finally determined by the commissioner  
42 and the record of the report has not been amended to unfound the report  
43 or delete the person as a subject of the report; and

44 (B) (I) the person is the subject of an indicated report of child  
45 abuse; or

46 (II) the person is not the subject of an indicated report of child  
47 abuse and is the subject of a report of child maltreatment where the  
48 indication for child maltreatment occurred within less than eight years  
49 from the date of the inquiry.

50 (ii) If the subject of an indicated report of child abuse or maltreat-  
51 ment has not requested an amendment of the record of the report [~~within~~  
52 ~~the time specified in subdivision eight of section four hundred twenty-~~  
53 ~~two of this title or if the subject had a fair hearing pursuant to such~~  
54 ~~section prior to January first, nineteen hundred eighty-six]~~ and an  
55 inquiry is made to the [~~department~~] office of children and family  
56 services pursuant to this subdivision concerning the subject of the

1 report, ~~[the department]~~ such office shall, as expeditiously as possible  
2 but within no more than ten working days of receipt of the inquiry,  
3 determine whether, in fact, the person about whom an inquiry is made is  
4 the subject of an indicated report. Upon making a determination that the  
5 person about whom the inquiry is made is the subject of an indicated  
6 report of child abuse and maltreatment, the ~~[department]~~ office of chil-  
7 dren and family services shall immediately send a written request to the  
8 child protective service or state agency which was responsible for  
9 investigating the allegations of abuse or maltreatment for all records,  
10 reports and other information maintained by the service or state agency  
11 on the subject. The service or state agency shall, as expeditiously as  
12 possible but within no more than twenty working days of receiving such  
13 request, forward all records, reports and other information it maintains  
14 on the indicated report to the ~~[department]~~ office of children and fami-  
15 ly services, including a copy of any petition or court order based on  
16 the allegations that were indicated. ~~[The department]~~ Where a proceed-  
17 ing pursuant to article ten of the family court act is pending based on  
18 the same allegations that were indicated, the office of children and  
19 family services shall stay determination of whether there is a fair  
20 preponderance of the evidence to support the indication until the dispo-  
21 sition of such family court proceeding. Unless such determination has  
22 been stayed, the office of children and family services shall, within  
23 fifteen working days of receiving such records, reports and other infor-  
24 mation from the child protective service or state agency, review all  
25 records, reports and other information in its possession concerning the  
26 subject and determine whether there is ~~[some credible]~~ a fair preponder-  
27 ance of the evidence to find that the subject had committed the act or  
28 acts of child abuse or maltreatment giving rise to the indicated report.

29 (iii) If it is determined, after affording such service or state agen-  
30 cy a reasonable opportunity to present its views, that there is ~~[no~~  
31 ~~credible]~~ not a fair preponderance of the evidence in the record to find  
32 that the subject committed such act or acts, the ~~[department]~~ office of  
33 children and family services shall amend the record to indicate that the  
34 report was unfounded and notify the inquiring party that the person  
35 about whom the inquiry is made is not the subject of an indicated  
36 report. ~~[If the subject of the report had a fair hearing pursuant to~~  
37 ~~subdivision eight of section four hundred twenty two of this title prior~~  
38 ~~to January first, nineteen hundred eighty-six and the fair hearing had~~  
39 ~~been finally determined by the commissioner and the record of the report~~  
40 ~~had not been amended to unfound the report or delete the person as a~~  
41 ~~subject of the report, then the department shall determine that there is~~  
42 ~~some credible evidence to find that the subject had committed the act or~~  
43 ~~acts of child abuse or maltreatment giving rise to the indicated~~  
44 ~~report.]~~

45 (iv) (A) If it is determined after a review by the office of all  
46 records, reports and information in its possession concerning the  
47 subject of the report that there is a preponderance of the evidence to  
48 find that the subject committed the act or acts of child abuse or  
49 maltreatment giving rise to the indicated report, the office shall also  
50 determine whether such act or acts are relevant and reasonably related  
51 to issues concerning the employment of the subject by a provider agency  
52 or the subject being allowed to have regular and substantial contact  
53 with individuals cared for by a provider agency or the approval or  
54 disapproval of an application which has been submitted by the subject to  
55 a licensing agency, based on guidelines developed pursuant to subdivi-  
56 sion five of this section. If it is determined that such act or acts are

1 not relevant and related to such issues, the office shall be precluded  
2 from informing the provider or licensing agency which made the inquiry  
3 to the office pursuant to this section that the person about whom the  
4 inquiry is made is the subject of an indicated report of child abuse or  
5 maltreatment.

6 (B) Where the subject of the report is not the subject of any indi-  
7 cated report of child abuse and is the subject of a report of child  
8 maltreatment where the indication for child maltreatment occurred more  
9 than eight years prior to the date of the inquiry, any such indication  
10 of child maltreatment shall be deemed to be not relevant and reasonably  
11 related to employment.

12 (v) If it is determined after a review by the [~~department~~] office of  
13 children and family services of all records, reports and information in  
14 its possession concerning the subject of the report that there is [~~some~~  
15 ~~credible~~] a fair preponderance of the evidence to prove that the subject  
16 committed the act or acts of abuse or maltreatment giving rise to the  
17 indicated report [~~and that such act or acts are relevant and reasonably~~  
18 ~~related to issues concerning the employment of the subject by a provider~~  
19 ~~agency or to the subject being allowed to have regular and substantial~~  
20 ~~contact with children cared for by a provider agency or the approval or~~  
21 ~~disapproval of an application which has been submitted by the subject to~~  
22 ~~a licensing agency, the department shall inform the inquiring party that~~  
23 ~~the person about whom the inquiry is made is the subject of an indicated~~  
24 ~~report of child abuse and maltreatment; the department shall also notify~~  
25 ~~the subject of the inquiry of his or her fair hearing rights granted~~  
26 ~~pursuant to paragraph (c) of subdivision two of this section] the office  
27 of children and family services shall notify the subject of the determi-  
28 nation of such report and of the subject's right to request a fair hear-  
29 ing. If the subject shall request a hearing, the office of children and  
30 family services shall schedule a fair hearing and shall provide notice  
31 of the scheduled hearing date to the subject, the statewide central  
32 register and, as appropriate, to the child protective service which  
33 investigated such report.~~

34 (vi) The burden of proof in such a hearing shall be on the child  
35 protective service which investigated the report. In such a hearing,  
36 where a family court proceeding pursuant to article ten of the family  
37 court act has occurred and where the petition for such proceeding  
38 alleges that a respondent in that proceeding committed abuse or  
39 maltreatment against the subject child in regard to an allegation  
40 contained in a report indicated pursuant to this section: (A) where the  
41 court finds that such respondent did commit abuse or maltreatment there  
42 shall be an irrebuttable presumption in a fair hearing held pursuant to  
43 this subdivision that said allegation is substantiated by a fair prepon-  
44 derance of the evidence as to that respondent on that allegation; and  
45 (B) where such child protective service withdraws such petition with  
46 prejudice, where the family court dismisses such petition, or where the  
47 family court finds on the merits in favor of the respondent, there shall  
48 be an irrebuttable presumption in a fair hearing held pursuant to this  
49 subdivision that said allegation as to that respondent has not been  
50 proven by a fair preponderance of the evidence.

51 (vii) If it shall be determined at the fair hearing that there is no  
52 fair preponderance of the evidence in the record to find that the  
53 subject committed an act or acts of child abuse or maltreatment, the  
54 office of children and family services shall amend the record as to that  
55 respondent on that allegation to reflect that such a finding was made at  
56 the administrative hearing, order any child protective service which

1 investigated the report as to that respondent to similarly amend its  
2 records of such report, notify the subject of the determination, and  
3 notify the inquiring party that the person about whom such inquiry was  
4 made is not the subject of an indicated report on that allegation.

5 (viii) Upon a determination at the fair hearing that the subject has  
6 been shown, by a fair preponderance of the evidence to have committed  
7 the act or acts of child abuse or maltreatment giving rise to the indi-  
8 cated report, the hearing officer shall determine, based on guidelines  
9 developed by the office of children and family services pursuant to  
10 subdivision five of this section, whether such act or acts are relevant  
11 and reasonably related to the subject being allowed to have regular and  
12 substantial contact with children who are cared for by a provider agency  
13 as defined in subdivision three of this section, or relevant and reason-  
14 ably related to the approval or disapproval of an application submitted  
15 by the subject to a licensing agency as defined in subdivision four of  
16 this section.

17 (ix) Upon a determination made at a fair hearing that the act or acts  
18 of abuse or maltreatment are relevant and reasonably related to the  
19 employment of the subject by a provider agency as defined in subdivision  
20 three of this section, the subject being allowed to have regular and  
21 substantial contact with children who are cared for by a provider agency  
22 as defined in subdivision three of this section, or relevant and reason-  
23 ably related to the approval or disapproval of an application submitted  
24 by the subject to a licensing agency as defined in subdivision four of  
25 this section, the office of children and family services shall notify  
26 the subject and shall inform the inquiring party that the person about  
27 whom such inquiry was made is the subject of an indicated report of  
28 child abuse or maltreatment.

29 (x) The failure to determine at the fair hearing that the act or acts  
30 of abuse or maltreatment are relevant and reasonably related to the  
31 employment of the subject by a provider agency as defined in subdivision  
32 three of this section, the subject being allowed to have regular and  
33 substantial contact with children who are cared for by a provider agency  
34 as defined in subdivision three of this section, or relevant and reason-  
35 ably related to the approval or disapproval of an application submitted  
36 by the subject to a licensing agency as defined in subdivision four of  
37 this section, shall preclude the office of children and family services  
38 from informing a provider agency as defined in subdivision three of this  
39 section or licensing agency as defined in subdivision four of this  
40 section that such person is the subject of an indicated report of child  
41 abuse or maltreatment on that allegation.

42 § 10. Section 651-a of the family court act, as amended by chapter 12  
43 of the laws of 1996, is amended to read as follows:

44 § 651-a. Reports of child abuse and maltreatment; admissibility. In  
45 any proceeding brought pursuant to this section to determine the custody  
46 or visitation of minors, a report made to the statewide central register  
47 of child abuse and maltreatment, pursuant to title six of article six of  
48 the social services law, or a portion thereof, which is otherwise admis-  
49 sible as a business record pursuant to rule forty-five hundred eighteen  
50 of the civil practice law and rules shall not be admissible in evidence,  
51 notwithstanding such rule, unless an investigation of such report  
52 conducted pursuant to title six of article six of the social services  
53 law commenced on or before December thirty-first, two thousand twenty-  
54 one has determined that there is some credible evidence of the alleged  
55 abuse or maltreatment, or unless an investigation of such report  
56 conducted pursuant to title six of article six of the social services

law commenced on or after January first, two thousand twenty-two determines that there is a fair preponderance of the evidence of the alleged abuse or maltreatment, that the subject of the report has been notified that the report is indicated. In addition, if such report has been reviewed by the state commissioner of social services or his designee and has been determined to be unfounded, it shall not be admissible in evidence. If such report has been so reviewed and has been amended to delete any finding, each such deleted finding shall not be admissible. If the state commissioner of social services or his designee has amended the report to add any new finding, each such new finding, together with any portion of the original report not deleted by the commissioner or his designee, shall be admissible if it meets the other requirements of this section and is otherwise admissible as a business record. If such a report, or portion thereof, is admissible in evidence but is uncorroborated, it shall not be sufficient to make a fact finding of abuse or maltreatment in such proceeding. Any other evidence tending to support the reliability of such report shall be sufficient corroboration.

§ 11. This act shall take effect immediately; provided, however that sections one, three, four, five, six, seven, eight, nine and ten of this act shall take effect January 1, 2022. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed by the office of children and family services on or before such effective date.

2 ing the governor's agreement with such resolution to the chairperson of

14 § 3. This act shall take effect on the one hundred eightieth day after  
15 it shall have become a law; provided, however, that section one of this  
16 act shall take effect July 1, 2020.

17 PART W

18 Section 1. The tax law is amended by adding a new section 171-w to  
19 read as follows:

20 § 171-w. State support for the local enforcement of past-due property  
21 taxes. 1. Legislative findings. The legislature finds that local govern-  
22 ments have limited means to enforce the collection of past-due property  
23 taxes. The legislature further finds that it is appropriate for the  
24 state to support the local enforcement of past-due property taxes by  
25 authorizing the commissioner to administer a program to disallow STAR  
26 credits and exemptions to delinquent property owners based on informa-  
27 tion reported to him or her by municipal officials.

28 2. Definitions. For the purposes of this section:

29 (a) "Delinquent property owner" means a STAR recipient whose primary  
30 residence is subject to past-due property taxes.

31 (b) "Past-due property taxes" means property taxes that have been  
32 levied upon a property owner's primary residence that remain unpaid one  
33 year after the last date on which they could have been paid without  
34 interest, or where such taxes are payable in installments, those taxes  
35 that remain unpaid one year after the last date on which the final  
36 installment could have been paid without interest.

37 (c) "STAR credit" means the basic STAR personal income tax credit  
38 authorized by subsection (eee) of section six hundred six of this chap-  
39 ter.

40 (d) "STAR exemption" means the basic STAR exemption from real property  
41 taxation authorized by section four hundred twenty-five of the real  
42 property tax law.

43 (e) "STAR recipient" means a property owner who is registered to  
44 receive the STAR credit in relation to his or her primary residence, or  
45 whose primary residence is receiving the STAR exemption.

46 3. STAR tax payment requirement; generally. Notwithstanding any  
47 provision of law to the contrary, a property owner whose primary resi-  
48 dence is subject to past-due property taxes shall not be allowed to  
49 receive a STAR credit or STAR exemption unless the past-due property  
50 taxes are paid in full on or before a date specified by the commission-  
51 er.

52 4. Commissioner's authority. The commissioner is hereby authorized to  
53 develop a program to support the local enforcement of past-due property  
54 taxes by disallowing STAR credits and STAR exemptions to delinquent

1 property owners. The commissioner shall establish procedures for the  
2 administration of this program, which shall include the following  
3 provisions:

4 (a) The procedures by which municipal officials shall report past-due  
5 property taxes and property tax payments to the department.

6 (b) The procedures by which the department shall notify delinquent  
7 property owners of the impending disallowance of their STAR credits or  
8 exemptions due to past-due property taxes.

9 (c) The date by which delinquent property owners must pay their past-  
10 due property taxes in full in order to avoid disallowance of their STAR  
11 credits or exemptions.

12 (d) The procedures by which the commissioner shall disallow STAR cred-  
13 its and notify assessors of the disallowance of STAR exemptions if past-  
14 due property taxes are not paid in full by the specified date.

15 (e) Such other procedures as the commissioner shall deem necessary to  
16 carry out the provisions of this section.

17 5. Municipal reports. The commissioner's procedures regarding munici-  
18 pal reporting shall be subject to the following provisions:

19 (a) The commissioner may request and shall be entitled to receive from  
20 any municipal corporation of the state, or any agency or official there-  
21 of, such data as the commissioner deems necessary to effectuate the  
22 purposes of this section. Such information shall be submitted to the  
23 department at such time and in such manner as the commissioner may  
24 direct.

25 (b) In lieu of requiring municipal officials to submit their reports  
26 directly to the department, the commissioner may, in his or her  
27 discretion, require that such reports be submitted to the county direc-  
28 tor of real property tax services, who shall integrate the reports into  
29 a single file and submit it to the department at such time and in such  
30 manner as the commissioner may direct. Provided, that where the commis-  
31 sioner institutes such a procedure, he or she may exclude cities with  
32 one hundred twenty-five thousand inhabitants or more, so that informa-  
33 tion about past-due property taxes and property tax payments in such a  
34 city shall be reported directly to the department by a designated city  
35 official at such time and in such manner as the commissioner may direct.

36 (c) Reports and other records prepared pursuant to this section shall  
37 not be subject to the provisions of article six of the public officers  
38 law.

39 6. Notification of delinquent property owners. The commissioner's  
40 procedures regarding the notification of delinquent property owners  
41 shall be subject to the following provisions:

42 (a) The department shall notify a delinquent property owner by regular  
43 mail at least thirty days prior to the date by which his or her past-due  
44 property taxes must be paid in full in order to avoid disallowance of  
45 his or her STAR credit or exemption.

46 (b) Such notice shall include a statement that the property owner's  
47 STAR credit or exemption will be disallowed unless his or her past-due  
48 property taxes are paid in full by the date specified in the notice.

49 (c) To the extent practicable, such notice shall provide contact  
50 information for the local official or officials to whom the past-due  
51 property taxes may be paid.

52 (d) Such notice shall further state that the property owner's right to  
53 protest the disallowance of the STAR credit or exemption is limited to  
54 raising issues that constitute a "mistake of fact" as defined in subdi-  
55 vision nine of this section.

1 (e) Such notice may include such other information as the commissioner  
2 may deem necessary.

3 7. Timely payment of past-due property taxes. If a delinquent property  
4 owner pays his or her past-due property taxes in full on or before the  
5 date specified in such notice, the official receiving such payment shall  
6 so notify the department at such time and in such manner as prescribed  
7 by the commissioner. The property owner shall then be permitted to  
8 receive the STAR credit or exemption that would have been disallowed if  
9 timely payment had not been made. However, if the department does not  
10 learn of the payment until after it has already directed an assessor to  
11 deny a STAR exemption to a delinquent property owner, then in lieu of  
12 directing the exemption to be restored, the department may remit to the  
13 property owner payment in an amount that will reimburse the property  
14 owner for the increase in his or her school tax bill that is directly  
15 attributable to the lost STAR exemption.

16 8. Failure to make timely payment. (a) If the past-due taxes are not  
17 paid on or before the date specified in the notice that had been sent to  
18 the delinquent property owner, his or her STAR credit or STAR exemption  
19 shall be disallowed in accordance with the procedures established by the  
20 commissioner.

21 (b) The property owner shall not be eligible to participate in the  
22 STAR program again as long as the property is subject to past-due prop-  
23 erty taxes.

24 (c) Upon payment of the past-due property taxes in full, the official  
25 receiving such payment shall notify the department at such time and in  
26 such manner as may be prescribed by the commissioner. The commissioner  
27 shall then proceed as follows:

28 (i) If the property owner had previously been receiving the STAR cred-  
29 it, the commissioner shall allow the property owner to resume his or her  
30 participation in the STAR credit program on a prospective basis, if  
31 otherwise eligible, effective with the first taxable year commencing  
32 after such payment.

33 (ii) If the property owner had previously been receiving the STAR  
34 exemption, the commissioner shall allow the property owner to partic-  
35 ipate in the STAR credit program on a prospective basis, if otherwise  
36 eligible, effective with the first taxable year commencing after such  
37 payment. The property owner shall not be allowed back into the STAR  
38 exemption program.

39 (iii) The commissioner shall, when making the first advanced payment  
40 of a STAR credit to the property taxpayer after payment of the past-due  
41 property taxes in full, also pay to such property taxpayer the value of  
42 the STAR exemptions or STAR credits that were disallowed pursuant to  
43 paragraph a of this subdivision.

44 9. Mistake of fact. Notwithstanding any other provision of law, a  
45 disallowance of a STAR credit or STAR exemption pursuant to this section  
46 may only be challenged before the department on the grounds of a mistake  
47 of fact as defined in this subdivision. The taxpayer will have no right  
48 to commence a court action, administrative proceeding or any other form  
49 of legal recourse against an assessor, county director of real property  
50 tax services or other local official regarding such disallowance. For  
51 the purposes of this subdivision, "mistake of fact" is limited to claims  
52 that: (i) the individual notified is not the taxpayer at issue; or (ii)  
53 the past-due property taxes were satisfied before the date specified in  
54 the notice described in subdivision six of this section. However, noth-  
55 ing in this subdivision is intended to limit a taxpayer from seeking  
56 relief from joint and several liability pursuant to section six hundred

fifty-four of this chapter to the extent that he or she is eligible pursuant to that subdivision or establishing to the department that the enforcement of the underlying property taxes has been stayed by the filing of a petition pursuant to the Bankruptcy Code of 1978 (Title Eleven of the United States Code).

10. Assessors. (a) Notwithstanding any provision of law to the contrary, the department may disclose to assessors such information as the commissioner deems necessary to ensure that the STAR exemptions of delinquent property owners are disallowed as required by this section.

(b) Notwithstanding any provision of law to the contrary, an assessor shall be authorized and directed to deny a STAR exemption to a delinquent property owner upon being directed by the department to do so. If an assessor should receive such a directive after the applicable assessment roll has been filed, the assessor or other official having custody and control of that roll shall be authorized and directed to remove such exemption from such roll prior to the levy of school taxes, without regard to the provisions of title three of article five of the real property tax law or any comparable laws governing the correction of administrative errors on assessment rolls and tax rolls.

11. Recovery of STAR benefits in certain cases. The commissioner may establish procedures to be followed in cases where a STAR credit or exemption was inadvertently or erroneously provided to a delinquent property owner who was sent the notice required by subdivision six of this section, and whose past-due property taxes were not paid in full by the date specified in the notice. Such procedures shall include, but not be limited to, (a) applying the improperly received STAR credit or exemption as an offset against future STAR credits or against other personal income tax credits or personal income tax refunds to which the delinquent property owner would otherwise be entitled, and (b) pursuing any of the other remedies that are available to enforce a personal income tax debt under article twenty-two of this chapter.

§ 2. This act shall take effect immediately.

#### PART X

Section 1. Section 851 of the tax law is amended by adding a new subsection (d) to read as follows:

(d) If an employer determines that the election made pursuant to subsection (b) of this section was in error and such employer does not wish to participate in the program for the calendar year and has taken no action to comply with the requirements of this article, the employer may revoke the election to participate in the program. For the calendar year two thousand twenty, such revocation of the employer election may be made on or before April fifteenth, two thousand twenty. 6 Distributions shall first be made to consortia and teaching general

42 within the appropriation, the funding for each clinical research posi-  
43 tion in that region shall be reduced proportionally in one thousand  
44 dollar increments until the total dollar amount for the total number of  
45 clinical research positions in that region does not exceed the total  
46 amount reserved for that region within the appropriation. Any reduction  
47 in funding will be effective for the duration of the award. No clinical

#### ARTICLE 30

#### COMPREHENSIVE CARE CENTERS FOR EATING DISORDERS

##### Section 30.01 Legislative findings.

##### 30.02 Definitions.

##### 30.03 Comprehensive care centers for eating disorders; established.

##### 30.04 Qualifying criteria.

30.05 State identification of comprehensive care centers for eating disorders; commissioner's written notice.

30.06 Restricted use of title.

§ 30.01 Legislative findings.

The legislature hereby finds that effective diagnosis and treatment for citizens struggling with eating disorders, a complex and potentially life-threatening condition, requires a continuum of interdisciplinary providers and levels of care. Such effective diagnosis and treatment further requires the coordination and comprehensive management of an individualized plan of care specifically oriented to the distinct needs of each individual.

The legislature further finds that, while there are numerous health care providers in the state with expertise in eating disorder treatment, there is no generally accessible, comprehensive system for responding to these disorders. Due to the lack of such a system the legislature finds that treatment, information/referral, prevention and research activities are fragmented and incomplete. In addition, due to the broad, multifaceted needs of individuals with eating disorders, insurance payments for the necessary plan of care and providers is usually fragmented as well, leaving citizens with insufficient coverage for essential services and, therefore, at risk of incomplete treatment, relapse, deterioration and potential death.

The legislature therefore declares that the state take positive action to facilitate the development and public identification of provider networks and care centers of excellence to provide a coordinated, comprehensive system for the treatment of such disorders, as well as to conduct community education, prevention, information/referral and research activities. The legislature further declares that health coverage by insurers and health maintenance organizations should include covered services provided through such centers and that, to the extent possible and practicable, health plan reimbursement should be structured in a manner to facilitate the individualized, comprehensive and integrated plans of care which such centers are required to provide.

§ 30.02 Definitions.

For purposes of this article:

(b) "Comprehensive care centers for eating disorders" or "comprehensive care centers" means a provider-sponsored system of care, organized by either corporate affiliation or clinical association for the common purpose of providing a coordinated, individualized plan of care for an individual with an eating disorder, across a continuum that includes all necessary non-institutional, institutional and practitioner services and treatments, from initial patient screening and evaluation, to treatment, follow-up care and support.

§ 30.03 Comprehensive care centers for eating disorders; established.

#### PART GG

Section 1. Paragraph (e) of subdivision 7 of section 367-a of the social services law, as amended by section 5-a of part T of chapter 57 of the laws of 2018, is amended to read as follows:

(e) During the period from April first, two thousand fifteen through March thirty-first, two thousand ~~twenty~~ twenty-three, the commissioner may, in lieu of a managed care provider or pharmacy benefit manager, negotiate directly and enter into an ~~agreement~~ arrangement with a pharmaceutical manufacturer for the provision of supplemental rebates relating to pharmaceutical utilization by enrollees of managed care providers pursuant to section three hundred sixty-four-j of this title and may also negotiate directly and enter into such an agreement relating to pharmaceutical utilization by medical assistance recipients not so enrolled. Such ~~rebates~~ rebate arrangements shall be limited to ~~drug utilization in~~ the following ~~classes~~: antiretrovirals approved by the FDA for the treatment of HIV/AIDS ~~and~~, opioid dependence agents and opioid antagonists listed in a statewide formulary established pursuant to subparagraph (vii) of this paragraph, hepatitis C agents, high cost drugs as provided for in subparagraph (viii) of this paragraph, gene therapies as provided for in subparagraph (ix) of this paragraph, and any other class or drug designated by the commissioner for which the pharmaceutical manufacturer has in effect a rebate ~~agreement~~ arrangement with the federal secretary of health and human services pursuant to 42 U.S.C. § 1396r-8, and for which the state has established standard clinical criteria. No agreement entered into pursuant to this paragraph shall have an initial term or be extended beyond the expiration or repeal of this paragraph.

(i) The manufacturer shall not ~~pay supplemental rebates to~~ enter into any rebate arrangements with a managed care provider, or any of a managed care provider's agents, including but not limited to any pharmacy benefit manager on the ~~two~~ gene therapy, drug, or drug classes ~~of drugs~~ subject to this paragraph when the state ~~is collecting supplemental rebates~~ has a rebate arrangement in place and standard clinical criteria are imposed on the managed care provider.

(ii) The commissioner shall establish adequate rates of reimbursement which shall take into account both the impact of the commissioner nego-

1 tiating such [~~rebates~~] arrangements and any limitations imposed on the  
2 managed care provider's ability to establish clinical criteria relating  
3 to the utilization of such drugs. In developing the managed care provid-  
4 er's reimbursement rate, the commissioner shall identify the amount of  
5 reimbursement for such drugs as a separate and distinct component from  
6 the reimbursement otherwise made for prescription drugs as prescribed by  
7 this section.

8 (iii) The commissioner shall submit a report to the temporary presi-  
9 dent of the senate and the speaker of the assembly annually by December  
10 thirty-first. The report shall analyze the adequacy of rates to managed  
11 care providers for drug expenditures related to the classes under this  
12 paragraph.

13 (iv) Nothing in this paragraph shall be construed to require a pharma-  
14 ceutical manufacturer to enter into a [~~supplemental rebate agreement~~  
15 ~~with the commissioner~~] rebate arrangement satisfactory to the commis-  
16 sioner relating to pharmaceutical utilization by enrollees of managed  
17 care providers pursuant to section three hundred sixty-four-j of this  
18 title or relating to pharmaceutical utilization by medical assistance  
19 recipients not so enrolled.

20 (v) All clinical criteria, including requirements for prior approval,  
21 and all utilization review determinations established by the state as  
22 described in this paragraph for [~~either of~~] the [~~drug~~] gene therapies,  
23 drugs, or drug classes subject to this paragraph shall be developed  
24 using evidence-based and peer-reviewed clinical review criteria in  
25 accordance with article two-A of the public health law, as applicable.

26 (vi) All prior authorization and utilization review determinations  
27 related to the coverage of any drug subject to this paragraph shall be  
28 subject to article forty-nine of the public health law, section three  
29 hundred sixty-four-j of this title, and article forty-nine of the insur-  
30 ance law, as applicable. Nothing in this paragraph shall diminish any  
31 rights relating to access, prior authorization, or appeal relating to  
32 any drug class or drug afforded to a recipient under any other provision  
33 of law.

34 (vii) The department shall publish a statewide formulary of opioid  
35 dependence agents and opioid antagonists, which shall include as  
36 "preferred drugs" all drugs in such classes, which shall include all  
37 subclasses of a given drug that have a different pharmacological route  
38 of administration, provided that:

39 (A) for all drugs that are included as of the date of the enactment of  
40 this subparagraph on a formulary of a managed care provider, as defined  
41 in section three hundred sixty-four-j of this title, or in the Medicaid  
42 fee-for-service preferred drug program pursuant to section two hundred  
43 seventy-two of the public health law, the cost to the department for  
44 such drug is equal to or less than the lowest cost paid for the drug by  
45 any managed care provider or by the Medicaid fee-for-service program  
46 after the application of any rebates, as of the date that the department  
47 implements the statewide formulary established by this subparagraph.  
48 Where there is a generic version of the drug approved by the Food and  
49 Drug Administration as bioequivalent to a brand name drug pursuant to 21  
50 U.S.C. § 355(j)(8)(B), the cost to the department for the brand and  
51 generic versions shall be equal to or less than the lower of the two  
52 maximum costs determined pursuant to the previous sentence; and

53 (B) for all drugs that are not included as of the date of the enact-  
54 ment of this subparagraph on a formulary of a managed care provider, as  
55 defined in section three hundred sixty-four-j of this title, or in the  
56 Medicaid fee-for-service preferred drug program pursuant to section two

1 hundred seventy-two of the public health law, the department is able to  
2 obtain the drug at a cost that is equal to or less than the lowest cost  
3 to the department of other comparable drugs in the class, after the  
4 application of any rebates. Where there is a generic version of the drug  
5 approved by the Food and Drug Administration as bioequivalent to a brand  
6 name drug pursuant to 21 U.S.C. § 355(j)(8)(B), the cost to the depart-  
7 ment for the brand and generic versions shall be equal to or less than  
8 the lower of the two maximum costs determined pursuant to the previous  
9 sentence.

10 (viii) The commissioner may identify and refer high cost drugs, as  
11 defined in clause (D) of this subparagraph, that are not included as of  
12 the date of the enactment of this subparagraph on a formulary of a  
13 managed care provider or covered by the Medicaid fee for service of  
14 program to the drug utilization review board established by section  
15 three hundred sixty-nine-bb of this article for a recommendation as to  
16 whether a target supplemental Medicaid rebate should be paid by the  
17 manufacturer of the drug to the department and the target amount of the  
18 rebate.

19 (A) If the commissioner intends to refer a high cost drug to the drug  
20 utilization review board pursuant to this subparagraph, the commissioner  
21 shall notify the manufacturer of such drug and shall attempt to reach  
22 agreement with the manufacturer on a rebate arrangement satisfactory to  
23 the commissioner for the drug prior to referring the drug to the drug  
24 utilization review board for review. Such arrangement may be based on  
25 evidence based research, including, but not limited to, such research  
26 operated or conducted by or for other state governments, the federal  
27 government, the governments of other nations, and third party payers or  
28 multi-state coalitions, provided however that the department shall  
29 account for the effectiveness of the drug in treating the conditions for  
30 which it is prescribed or in improving a patient's health, quality of  
31 life, or overall health outcomes, and the likelihood that use of the  
32 drug will reduce the need for other medical care, including hospitaliza-  
33 tion.

34 (B) In the event that the commissioner and the manufacturer have  
35 previously agreed to a rebate arrangement for a drug pursuant to this  
36 paragraph, the drug shall not be referred to the drug utilization review  
37 board for any further rebate agreement for the duration of the previous  
38 rebate agreement, provided however, the commissioner may refer a drug to  
39 the drug utilization review board if the commissioner determines there  
40 are significant and substantiated utilization or market changes, new  
41 evidence-based research, or statutory or federal regulatory changes that  
42 warrant additional rebates. In such cases, the department shall notify  
43 the manufacturer and provide evidence of the changes or research that  
44 would warrant additional rebates, and shall attempt to reach agreement  
45 with the manufacturer on a rebate for the drug prior to referring the  
46 drug to the drug utilization review board for review.

47 (C) If the commissioner is unsuccessful in entering into a rebate  
48 arrangement with the manufacturer of the drug satisfactory to the  
49 department, the drug manufacturer shall in that event be required to  
50 provide to the department, on a standard reporting form developed by the  
51 department, the information as described in subdivision six of section  
52 two hundred eighty of the public health law. All information disclosed  
53 pursuant to this clause shall be considered confidential and shall not  
54 be disclosed by the department in a form that identifies a specific  
55 manufacturer or prices charged for drugs by such manufacturer.

(D) For the purposes of this subparagraph, the term "high cost drug" shall mean a brand name drug or biologic that has a launch wholesale acquisition cost of thirty thousand dollars or more per year or course of treatment, or a biosimilar drug that has a launch wholesale acquisition cost that is not at least fifteen percent lower than the referenced brand biologic at the time the biosimilar is launched, or a generic drug that has a wholesale acquisition cost of one hundred dollars or more for a thirty day supply or recommended dosage approved for labeling by the federal Food and Drug Administration, or a brand name drug or biologic that has a wholesale acquisition cost increase of three thousand dollars or more in any twelve-month period, or course of treatment if less than twelve months.

(ix) For purposes of this paragraph, a "gene therapy" is a drug (A) approved under section 505 of the Federal Food, Drug and Cosmetics Act or licensed under subsection (a) or (k) of section 351 of the Public Health Services Act; (B) that treats a rare disease or condition, as defined in 21 USC § 360bb(a)(2), that is life-threatening, as defined in 42 CFR 321.18; (C) is considered a gene therapy by the federal Food and Drug Administration for which a biologics license pursuant to 21 CFR 600-680 is held; (D) if administered in accordance with the labeling of such drug, is expected to result in either the cure of such disease or condition or a reduction in the symptoms of such disease or condition that materially improves the patient's length or quality of life; and (E) is expected to achieve the result described in clause (D) of this subparagraph after not more than three administrations.

§ 2. Paragraph (a) of subdivision 3 of section 273 of the public health law, as added by section 10 of part C of chapter 58 of the laws of 2005, is amended and a new paragraph (a-1) is added to read as follows:

(a) When a patient's health care provider prescribes a prescription drug that is not on the preferred drug list or the statewide formulary of opioid dependence agents and opioid antagonists established pursuant to subparagraph (vii) of paragraph (e) of subdivision seven of section three hundred sixty-seven-a of the social services law, the prescriber shall consult with the program to confirm that in his or her reasonable professional judgment, the patient's clinical condition is consistent with the criteria for approval of the non-preferred drug. Such criteria shall include:

(i) the preferred drug has been tried by the patient and has failed to produce the desired health outcomes;

(ii) the patient has tried the preferred drug and has experienced unacceptable side effects;

(iii) the patient has been stabilized on a non-preferred drug and transition to the preferred drug would be medically contraindicated; or

(iv) other clinical indications identified by the ~~[committee for the patient's use of the non-preferred drug]~~ drug utilization review board established pursuant to section three hundred sixty-nine-bb of the social services law, which shall include consideration of the medical needs of special populations, including children, elderly, chronically ill, persons with mental health conditions, and persons affected by HIV/AIDS, pregnant persons, and persons with an opioid use disorder.

(a-1) When a patient's health care provider prescribes a prescription drug that is on the statewide formulary of opioid dependence agents and opioid antagonists established pursuant to subparagraph (vii) of paragraph (e) of subdivision seven of section three hundred sixty-seven-a of the social services law, the department shall not require prior authori-

1 zation unless required by the department's drug use review program  
2 established pursuant to section 1927(q) of the Social Security Act.

3 § 3. The opening paragraph of paragraph (a) of subdivision 6 of  
4 section 280 of the public health law, as amended by section 8 of part D  
5 of chapter 57 of the laws of 2018, is amended to read as follows:

6 If the drug utilization review board recommends a target rebate amount  
7 or if the commissioner identifies a drug as a high cost drug pursuant to  
8 subparagraph (vii) of paragraph (e) of subdivision 7 of section three  
9 hundred sixty-seven-a of the social services law and the department is  
10 unsuccessful in entering into a rebate [~~agreement~~] arrangement with the  
11 manufacturer of the drug satisfactory to the department, the drug  
12 manufacturer shall in that event be required to provide to the depart-  
13 ment, on a standard reporting form developed by the department, the  
14 following information:

15 § 4. Paragraph (a) of subdivision 7 of section 280 of the public  
16 health law, as amended by section 8 of part B of chapter 57 of the laws  
17 of 2019, is amended to read as follows:

18 (a) If, after taking into account all rebates and supplemental rebates  
19 received by the department, including rebates received to date pursuant  
20 to this section, total Medicaid drug expenditures are still projected to  
21 exceed the annual growth limitation imposed by subdivision two of this  
22 section, the commissioner may: subject any drug of a manufacturer  
23 referred to the drug utilization review board under this section to  
24 prior approval in accordance with existing processes and procedures when

39 any individual or entity is entitled to any cash disbursement which is  
40 reduced in accordance with this provision, such entitlement shall be  
41 adjusted or reduced commensurate with adjustments or reductions made by  
42 the director of the budget in accordance with this subdivision.

43 (d) The following types of appropriations shall be exempt from such

56 have ten days following the receipt of such written notification to

2 tion passed by both houses and implemented by the division of the budg-  
3 et, or if after ten days the legislature fails to adopt its own plan,  
4 the reductions to the general fund and state special revenue fund aid to  
5 localities appropriations and related disbursements identified in the

11 through February twenty-eighth, two thousand twenty-one are not less  
12 than ninety-eight percent of estimated state operating funds tax  
13 receipts through February twenty-eighth, two thousand twenty-one; or  
14 (ii) the federal government provides aid that the director of the budget  
15 deems sufficient to reduce or eliminate the imbalance in the general  
16 fund for the two thousand twenty--twenty-one fiscal year and does not  
17 adversely impact the budget gap in the two thousand twenty-one--twenty-  
18 two fiscal year. No such payments shall be made in part or in full  
19 until the director of the budget certifies that: the general fund

40 new section 54 to read as follows:

41 § 54. 1. Findings and declaration of need. (a) The state of New York  
42 finds and determines that the global spread of the COVID-19 coronavirus  
43 disease is having and is expected to continue to have a significant  
44 impact on the health and welfare of individuals in the state as well as  
45 a significant financial impact on the state. The serious threat posed by  
46 the COVID-19 coronavirus disease has caused governments, including the  
47 state, to adopt policies, regulations and procedures to suspend various  
48 legal requirements in order to (i) respond to and mitigate the impact of  
49 the outbreak, and (ii) provide temporary relief to individuals, includ-  
50 ing the deferral of the federal income tax payment deadline from April  
51 15, 2020 to a later date in the calendar year. The state of New York  
52 further finds and determines that certain fiscal management authori-  
53 zation measures should be authorized and established.

54 (b) Notwithstanding any other provision of law to the contrary,  
55 including, specifically, the provisions of chapter 59 of the laws of  
56 2000 and section sixty-seven-b of the state finance law, the dormitory

1 authority of the state of New York and the corporation are hereby  
2 authorized to issue until December 31, 2020, notes with a maturity no  
3 later than March 31, 2021, to be designated as personal income tax  
4 revenue or bond anticipation notes, in one or more series in an aggre-  
5 gate principal amount not to exceed eight billion dollars, excluding  
6 notes issued to finance one or more debt service reserve funds, to pay  
7 costs of issuance of such notes, and notes issued to renew, refund or  
8 otherwise repay such notes previously issued, for the purpose of tempo-  
9 rarily financing budgetary needs of the state following the federal  
10 government deferral of the federal income tax payment deadline from  
11 April 15, 2020 to a later date in the calendar year. Such purpose shall  
12 constitute an authorized purpose under subdivision two of section  
13 sixty-eight-a of the state finance law for all purposes of article  
14 five-C of the state finance law with respect to the notes, renewal  
15 notes, refunding notes and any state personal income tax revenue bonds  
16 issued to refinance any notes, renewal notes, refunding notes authorized  
17 by this paragraph. On or before their maturity, such notes may be  
18 renewed or refunded once with renewal or refunding notes for an addi-  
19 tional period not to exceed one year from the date of renewal or refund-  
20 ing. If on or before the maturity date of such notes or such renewal or  
21 refunding notes, the director of the division of the budget shall deter-  
22 mine that all or a portion of such notes or such renewal or refunding  
23 notes shall be refinanced on a long term basis, such notes or such  
24 renewal or refunding notes may be refinanced with state personal income  
25 tax revenue bonds in one or more series in an aggregate principal amount  
26 not to exceed the then outstanding principal amount of such notes or  
27 such renewal or refunding notes plus an amount necessary to finance one  
28 or more debt service reserve funds and to pay costs of issuance of such  
29 refunding bonds, notwithstanding any other provision of law to the  
30 contrary, including, specifically, the provisions of chapter fifty-nine  
31 of the laws of two thousand and section sixty-seven-b of the state  
32 finance law. For so long as any notes, renewal or refunding notes or  
33 such refunding bonds authorized by this paragraph shall remain outstand-  
34 ing, including any state-supported debt issued to refinance the refund-  
35 ing bonds authorized by this paragraph, the restrictions, limitations  
36 and requirements contained in article five-B of the state finance law  
37 shall not apply.

38 (c) Such notes, renewal or refunding notes and refunding bonds of the  
39 dormitory authority and the corporation shall not be a debt of the  
40 state, and the state shall not be liable thereon, nor shall they be  
41 payable out of any funds other than those appropriated by the state to  
42 the dormitory authority and the corporation for debt service and related  
43 expenses pursuant to any financing agreement described in paragraph (d)  
44 of this subdivision, and such notes, renewal or refunding notes and  
45 refunding bonds shall contain on the face thereof a statement to such  
46 effect. Such notes, renewal or refunding notes and any refunding bonds  
47 issued to refinance such notes and/or any renewal or refunding notes on  
48 a subordinate basis shall be secured by subordinate payments from the  
49 revenue bond tax fund established pursuant to section ninety-two-z of  
50 the state finance law. Refunding bonds issued to refinance any such  
51 notes and/or renewal or refunding notes on a parity basis with outstand-  
52 ing state personal income tax revenue bonds shall be issued only in  
53 accordance with the provisions of the applicable resolution of the  
54 dormitory authority or the corporation authorizing the issuance of state  
55 personal income tax revenue bonds and shall be secured by payments from  
56 the revenue bond tax fund on a parity with such outstanding state

1 personal income tax revenue bonds. Except for purposes of complying  
2 with the internal revenue code, any interest income earned on note  
3 proceeds shall only be used to pay debt service on such notes. All of  
4 the provisions of the dormitory authority act and the New York state  
5 urban development corporation act relating to notes and bonds which are  
6 not inconsistent with the provisions of this section shall apply to  
7 notes and bonds authorized by paragraph (b) of this subdivision, includ-  
8 ing but not limited to the power to establish adequate reserves therefor  
9 and to issue renewal notes, refunding notes and refunding bonds, in any  
10 case subject to the final maturity limitation for such notes set forth  
11 in paragraph (b) of this subdivision. The issuance of any notes, renewal  
12 or refunding notes and refunding bonds authorized by paragraph (b) of  
13 this subdivision shall further be subject to the approval of the direc-  
14 tor of the division of the budget.

15 (d) Notwithstanding any other law, rule or regulation to the contrary  
16 but subject to the limitations contained in paragraph (b) of this subdivi-  
17 vision, in order to assist the dormitory authority and the corporation  
18 in undertaking the administration and financing of such notes, renewal  
19 or refunding notes and refunding bonds, the director of the budget is  
20 hereby authorized to supplement any existing financing agreement with  
21 the dormitory authority and the corporation, or to enter into a new  
22 financing agreement with the dormitory authority and the corporation,  
23 upon such terms and conditions as the director of the budget and the  
24 dormitory authority and the corporation shall agree, so as to annually  
25 provide to the dormitory authority and the corporation, in the aggre-  
26 gate, a sum not to exceed the annual debt service payments and related  
27 expenses required for any notes, renewal or refunding notes and refund-  
28 ing bonds issued pursuant to this section. Any financing agreement  
29 supplemented or entered into pursuant to this section shall provide that  
30 the obligation of the state to pay the amount therein provided shall not  
31 constitute a debt of the state within the meaning of any constitutional  
32 or statutory provision and shall be deemed executory only to the extent  
33 of monies available and that no liability shall be incurred by the state  
34 beyond the monies available for such purposes, subject to annual appro-  
35 priation by the legislature. Any such financing agreement or any  
36 payments made or to be made thereunder may be assigned or pledged by the  
37 dormitory authority and the corporation as security for the notes,  
38 renewal and refunding notes and refunding bonds authorized by paragraph  
39 (b) of this subdivision.

40 (e) Notwithstanding any other provision of law to the contrary,  
41 including specifically the provisions of subdivision 3 of section 67-b  
42 of the state finance law, no capital work or purpose shall be required  
43 for any issuance of personal income tax revenue or bond anticipation  
44 notes, renewal or refunding notes or refunding bonds issued by the  
45 dormitory authority and the corporation pursuant to this section.

46 (f) Notwithstanding any other law, rule, or regulation to the contra-  
47 ry, the comptroller is hereby authorized and directed to deposit to the  
48 credit of the general fund, all proceeds of personal income tax revenue  
49 or bond anticipation notes issued by the dormitory authority and the New  
50 York state urban development corporation pursuant to this section.

51 2. Effect of inconsistent provisions. Insofar as the provisions of  
52 this section are inconsistent with the provisions of any other law,  
53 general, special, or local, the provisions of this section shall be  
54 controlling.

55 3. Severability; construction. The provisions of this section shall be  
56 severable, and if the application of any clause, sentence, paragraph,

1 subdivision, section or part of this section to any person or circum-  
2 stance shall be adjudged by any court of competent jurisdiction to be  
3 invalid, such judgment shall not necessarily affect, impair or invali-  
4 date the application of any such clause, sentence, paragraph, subdivi-  
5 sion, section, part of this section or remainder thereof, as the case  
6 may be, to any other person or circumstance, but shall be confined in  
7 its operation to the clause, sentence, paragraph, subdivision, section  
8 or part thereof directly involved in the controversy in which such judg-  
9 ment shall have been rendered.

10 § 49-b. Section 1 of chapter 174 of the laws of 1968, constituting the  
11 New York state urban development corporation act, is amended by adding a  
12 new section 55 to read as follows:

13 § 55. 1. Findings and declaration of need. (a) The state of New York  
14 finds and determines that the global spread of the COVID-19 coronavirus  
15 disease is having and is expected to continue to have a significant  
16 impact on the health and welfare of individuals in the state as well as  
17 a significant financial impact on the state. The serious threat posed by  
18 the COVID-19 coronavirus disease has caused governments, including the  
19 state, to adopt policies, regulations and procedures to suspend various  
20 legal requirements in order to: (i) respond to and mitigate the impact  
21 of the outbreak; and (ii) address budgetary pressures to the state aris-  
22 ing from anticipated shortfalls and deferrals in the state's fiscal 2021  
23 financial plan receipts, thereby requiring that certain fiscal manage-  
24 ment authorization measures be authorized and established.

25 (b) Notwithstanding any other provision of law to the contrary,  
26 including, specifically, the provisions of chapter 59 of the laws of  
27 2000 and section 67-b of the state finance law, during the state's 2021  
28 fiscal year, the dormitory authority of the state of New York and the  
29 urban development corporation are authorized to: (i) enter into commit-  
30 ments with financial institutions for the establishment of one or more  
31 line of credit facilities and other similar revolving financing arrange-  
32 ments not in excess of three billion dollars in aggregate principal  
33 amount outstanding at any one time; (ii) draw, at one or more times at  
34 the direction of the director of the budget, upon such line of credit  
35 facilities and provide to the state the amounts so drawn for the purpose  
36 of assisting the state to temporarily finance its budgetary needs; and  
37 (iii) secure repayment of such draws under such line of credit facili-  
38 ties with a service contract of the state, which payment obligation  
39 thereunder shall not constitute a debt of the state within the meaning  
40 of any constitutional or statutory provision and shall be deemed execu-  
41 tory only to the extent moneys are available and that no liability shall  
42 be incurred by the state beyond the moneys available for such purpose,  
43 and that such payment obligation is subject to annual appropriation by  
44 the legislature. Any line of credit facility agreements entered by the  
45 dormitory authority of the state of New York and/or the urban develop-  
46 ment corporation with financial institutions pursuant to this section  
47 may contain such provisions that the dormitory authority of the state of  
48 New York and/or the urban development corporation deem necessary or  
49 desirable for the establishment of such credit facilities. The maximum  
50 original term of any line of credit facility shall be one year from the  
51 date of incurrence; provided however that any such line of credit facil-  
52 ity may be extended, renewed or refinanced for up to two additional one  
53 year terms. If on or before the maturity date of the original term of  
54 such line of credit facility or any renewal or extension term thereof,  
55 the director of the division of the budget shall determine that all or a  
56 portion of any outstanding line of credit facility shall be refinanced

1 on a long-term basis, the dormitory authority of the state of New York  
2 and/or the urban development corporation are authorized to refinance  
3 such line of credit facility with state personal income tax revenue  
4 bonds and/or state service contract bonds in one or more series in an  
5 aggregate principal amount not to exceed the then outstanding principal  
6 amount of such line of credit facility and any accrued interest thereon,  
7 plus an amount necessary to finance one or more debt service reserve  
8 funds and to pay costs of issuance of such state personal income tax  
9 revenue bonds and/or state service contract bonds.

10 (c) Notwithstanding any other law, rule, or regulation to the contra-  
11 ry, the comptroller is hereby authorized and directed to deposit to the  
12 credit of the general fund, all amounts provided by the dormitory  
13 authority of the state of New York and/or the urban development corpo-  
14 ration to the state from draws made on any line of credit facility  
15 authorized by paragraph (b) of this subdivision.

16 (d) Notwithstanding any other provision of law to the contrary,  
17 including specifically the provisions of subdivision 3 of section 67-b  
18 of the state finance law, no capital work or purpose shall be required  
19 for any indebtedness incurred in connection with any line of credit  
20 facility authorized by paragraph (b) of this subdivision and any exten-  
21 sions or renewals thereof, or for any state personal income tax revenue  
22 bonds and/or state service contract bonds issued to refinance any of the  
23 foregoing, or for any service contract entered into in connection with  
24 any line of credit facility, all in accordance with this section.

25 (e) Notwithstanding any other provision of law to the contrary, for so  
26 long as any such line of credit facility shall remain outstanding, the  
27 restrictions, limitations and requirements contained in article 5-B of  
28 the state finance law shall not apply. In addition, such restrictions,  
29 limitations and requirements shall not apply to any state personal  
30 income tax revenue bonds and/or state service contract bonds issued to  
31 refund such line of credit facility for so long as such state personal  
32 income tax revenue bonds and/or state service contract bonds shall  
33 remain outstanding, including any state-supported debt issued to refund  
34 such state personal income tax revenue bonds and/or state service  
35 contract bonds. Any such line of credit facility, including any exten-  
36 sions or renewals thereof, and any state personal income tax revenue  
37 bonds and/or state service contract bonds issued to refund such line of  
38 credit facilities shall be deemed to be incurred or issued for an  
39 authorized purpose within the meaning of subdivision 2 of section 68-a  
40 of the state finance law. As applicable, all of the provisions of the  
41 state finance law, the dormitory authority act and the New York state  
42 urban development corporation act relating to notes and bonds which are  
43 not inconsistent with the provisions of this section shall apply to any  
44 issuance of state personal income tax revenue bonds and/or state service  
45 contract bonds issued to refinance any line of credit facility author-  
46 ized by paragraph (b) of this subdivision. The issuance of any state  
47 personal income tax revenue bonds and/or state service contract bonds  
48 issued to refinance any such line of credit facility shall further be  
49 subject to the approval of the director of the division of the budget.

50 (f) Any draws on a line of credit facility authorized by paragraph (b)  
51 of this subdivision shall only be made and the service contract entered  
52 into in connection with such line of credit facilities shall only be  
53 executed and delivered to the dormitory authority of the state of New  
54 York and/or the urban development corporation if the legislature has  
55 enacted sufficient appropriation authority to provide for the repayment  
56 of all amounts expected to be drawn by the dormitory authority of the

1 state of New York and/or the urban development corporation under such  
2 line of credit facility during fiscal year 2021. Amounts repaid under a  
3 line of credit facility during fiscal year 2021 may be re-borrowed  
4 during such fiscal year provided that the legislature has enacted suffi-  
5 cient appropriation authority to provide for the repayment of any such  
6 re-borrowed amounts. Neither the dormitory authority of the state of New  
7 York nor the urban development corporation shall have any financial  
8 liability for the repayment of draws under any line of credit facility  
9 authorized by paragraph (b) of this subdivision beyond the moneys  
10 received for such purpose under the service contract authorized by para-  
11 graph (g) of this subdivision.

12 (g) The director of the budget is authorized to enter into one or more  
13 service contracts or other agreements, none of which shall exceed 30  
14 years in duration, with the dormitory authority of the state of New York  
15 and/or the urban development corporation, upon such terms and conditions  
16 as the director of the budget and dormitory authority of the state of  
17 New York and/or the urban development corporation shall agree. Any  
18 service contract or other agreements entered into pursuant to this para-  
19 graph shall provide for state commitments to provide annually to the  
20 dormitory authority of the state of New York and/or the urban develop-  
21 ment corporation a sum or sums, upon such terms and conditions as shall  
22 be deemed appropriate by the director of the budget and the dormitory  
23 authority of the state of New York and/or the urban development corpo-  
24 ration, to fund the payment of amounts due under any line of credit  
25 facility and any state personal income tax revenue bonds and/or state  
26 service contract bonds issued to refinance such line of credit facility.  
27 Any such service contract or other agreements shall provide that the  
28 obligation of the director of the budget or of the state to fund or to  
29 pay the amounts therein provided for shall not constitute a debt of the  
30 state within the meaning of any constitutional or statutory provision  
31 and shall be deemed executory only to the extent moneys are available  
32 and that no liability shall be incurred by the state beyond the moneys  
33 available for such purpose, and that such obligation is subject to annu-  
34 al appropriation by the legislature.

35 (h) Any service contract or other agreements entered into pursuant to  
36 paragraph (g) of this subdivision or any payments made or to be made  
37 thereunder may be assigned and pledged by the dormitory authority of the  
38 state of New York and/or the urban development corporation as security  
39 for any related payment obligation it may have with one or more finan-  
40 cial institutions in connection with a line of credit facility author-  
41 ized by paragraph (b) of this subdivision.

42 (i) In addition to the foregoing, the director of the budget, the  
43 dormitory authority of the state of New York and the urban development  
44 corporation shall each be authorized to enter into such other agreements  
45 and to take or cause to be taken such additional actions as are neces-  
46 sary or desirable to effectuate the purposes of the transactions contem-  
47 plated by a line of credit facility and the related service contract.

48 (j) No later than seven days after a draw occurs on the line of credit  
49 facility, the director of the budget shall provide notification of such  
50 draw to the president pro tempore of the senate and the speaker of the  
51 assembly.

52 (k) The authorization, establishment and use by the dormitory authori-  
53 ty of the state of New York and the urban development corporation of a  
54 line of credit facility authorized by paragraph (b) of this subdivision,  
55 and the execution, sale and issuance of state personal income tax reven-  
56 ue bonds and/or state service contract bonds to refinance any such line

1 of credit facility shall not be deemed an action, as such term is  
2 defined in article 8 of the environmental conservation law, for the  
3 purposes of such article. Such exemption shall be strictly limited in  
4 its application to such financing activities of the dormitory authority  
5 of the state of New York and the urban development corporation undertak-  
6 en pursuant to this section and does not exempt any other entity from  
7 compliance with such article.

8 (1) Nothing contained in this section shall be construed to limit the  
9 abilities of the director of the budget and the authorized issuers of  
10 state-supported debt to perform their respective obligations on existing  
11 service contracts or other agreements entered into prior to April 1,  
12 2020.

13 2. Effect of inconsistent provisions. Insofar as the provisions of  
14 this section are inconsistent with the provisions of any other law,  
15 general, special, or local, the provisions of this act shall be control-  
16 ling.

17 3. Severability; construction. The provisions of this section shall be  
18 severable, and if the application of any clause, sentence, paragraph,  
19 subdivision, section or part of this section to any person or circum-  
20 stance shall be adjudged by any court of competent jurisdiction to be  
21 invalid, such judgment shall not necessarily affect, impair or invali-  
22 date the application of any such clause, sentence, paragraph, subdivi-  
23 sion, section, part of this section or remainder thereof, as the case  
24 may be, to any other person or circumstance, but shall be confined in  
25 its operation to the clause, sentence, paragraph, subdivision, section  
26 or part thereof directly involved in the controversy in which such judg-  
27 ment shall have been rendered.

28 § 49-c. Section 1 of chapter 174 of the laws of 1968, constituting the  
29 New York state urban development corporation act, is amended by adding a  
30 new section 56 to read as follows:

31 § 56. State-supported debt; 2021. 1. In light of the significant  
32 impact that the global spread of the COVID-19 coronavirus disease is  
33 having and is expected to continue to have on the health and welfare of  
34 individuals in the state as well as on the financial condition of the  
35 state, and notwithstanding any other provision of law to the contrary,  
36 the dormitory authority of the state of New York and the urban develop-  
37 ment corporation are each authorized to issue state-supported debt  
38 pursuant to article 5-C of the state finance law to assist the state to  
39 manage its financing needs during its 2021 fiscal year, without regard  
40 to any restrictions, limitations and requirements contained in article  
41 5-B of the state finance law, other than subdivision 4 of section 67-b  
42 of such article, and such state-supported debt shall be deemed to be  
43 issued for an authorized purpose within the meaning of subdivision 2 of  
44 section 68-a of the state finance law for all purposes of article 5-C of  
45 the state finance law. Furthermore, any bonds issued directly by the  
46 state during the state's 2021 fiscal year shall be issued without regard  
47 to any restrictions, limitations and requirements contained in article  
48 5-B of the state finance law, other than subdivision 4 of section 67-b  
49 of such article. For so long as any state-supported debt issued during  
50 the state's 2021 fiscal year shall remain outstanding, including any  
51 state-supported debt issued to refund state-supported debt issued during  
52 such fiscal year, the restrictions, limitations and requirements  
53 contained in article 5-B of the state finance law, other than subdivi-  
54 sion 4 of section 67-b of such article, shall not apply.

55 2. Effect of inconsistent provisions. Insofar as the provisions of  
56 this section are inconsistent with the provisions of any other law,

1 general, special, or local, the provisions of this act shall be control-  
2 ling.

3 3. Severability; construction. The provisions of this section shall  
4 be severable, and if the application of any clause, sentence, paragraph,  
5 subdivision, section or part of this section to any person or circum-  
6 stance shall be adjudged by any court of competent jurisdiction to be  
7 invalid, such judgment shall not necessarily affect, impair or invali-  
8 date the application of any such clause, sentence, paragraph, subdivi-  
9 sion, section, part of this section or remainder thereof, as the case  
10 may be, to any other person or circumstance, but shall be confined in  
11 its operation to the clause, sentence, paragraph, subdivision, section  
12 or part thereof directly involved in the controversy in which such judg-  
13 ment shall have been rendered.

20 There is hereby established in the joint custody of the commissioner of  
21 taxation and finance and the state comptroller a special fund to be  
22 known as the "public health emergency charitable gifts trust fund".

23 2. The public health emergency charitable gifts trust fund shall  
24 consist of monetary grants, gifts or bequests received by the state for  
25 the purposes of the fund, and all other moneys credited or transferred  
26 thereto from any other fund or source. Moneys of such fund shall be  
27 expended only for goods and services necessary to respond to a public  
28 health disaster emergency or to assist or aid in responding to such a  
29 disaster. Nothing in this section shall prevent the state from solicit-  
30 ing and receiving grants, gifts or bequests for the purposes of such  
31 fund and depositing them into the fund according to law.

32 3. Moneys in such fund shall be kept separate from and shall not be  
33 commingled with any other moneys in the custody of the comptroller or  
34 the commissioner of taxation and finance. Any moneys of the fund not  
35 required for immediate use may, at the discretion of the comptroller, in  
36 consultation with the director of the budget, be invested by the comp-  
37 troller in obligations of the United States or the state, or in obli-  
38 gations the principal and interest on which are guaranteed by the United  
39 States or by the state. Any income earned by the investment of such  
40 moneys shall be added to and become a part of, and shall be used for the

48 provisions of such sections shall be deemed repealed.

49 PART KK

50 Section 1. Subdivisions 14-a and 22 of section 2807 of the public  
51 health law are REPEALED.

52 § 2. Paragraph (c) of subdivision 8 of section 2807-c of the public  
53 health law, as amended by chapter 731 of the laws of 1993, is amended to  
54 read as follows:

(c) In order to reconcile capital related inpatient expenses included in rates of payment based on a budget to actual expenses and statistics for the rate period for a general hospital, rates of payment for a general hospital shall be adjusted to reflect the dollar value of the difference between capital related inpatient expenses included in the computation of rates of payment for a prior rate period based on a budget and actual capital related inpatient expenses for such prior rate period, each as determined in accordance with paragraph (a) of this subdivision, adjusted to reflect increases or decreases in volume of service in such prior rate period compared to statistics applied in determining the capital related inpatient expenses component of rates of payment based on a budget for such prior rate period. For rates effective on and after April first, two thousand twenty, the budgeted capital-related expenses add-on as described in paragraph (a) of this subdivision, based on a budget submitted in accordance to paragraph (a) of this subdivision, shall be reduced by five percent relative to the rate in effect on such date; and the actual capital expenses add-on as described in paragraph (a) of this subdivision, based on actual expenses and statistics through appropriate audit procedures in accordance with paragraph (a) of this subdivision shall be reduced by five percent relative to the rate in effect on such date. For any rate year, all reconciliation add-on amounts calculated on and after April first, two thousand twenty shall be reduced by ten percent, and all reconciliation recoupment amounts calculated on or after April first, two thousand twenty shall increase by ten percent. Notwithstanding any inconsistent provision of subparagraph (i) of paragraph (e) of subdivision nine of this section, capital related inpatient expenses of a general hospital included in the computation of rates of payment based on a budget shall not be included in the computation of a volume adjustment made in accordance with such subparagraph. Adjustments to rates of payment for a general hospital made pursuant to this paragraph shall be made in accordance with paragraph (c) of subdivision eleven of this section. Such adjustments shall not be carried forward except for such volume adjustment as may be authorized in accordance with subparagraph (i) of paragraph (e) of subdivision nine of this section for such general hospital.

§ 3. Subdivision 5-d of section 2807-k of the public health law, as amended by section 6 of part H of chapter 57 of the laws of 2019, is amended to read as follows:

5-d. (a) Notwithstanding any inconsistent provision of this section, section twenty-eight hundred seven-w of this article or any other contrary provision of law, and subject to the availability of federal financial participation, for periods on and after January first, two thousand ~~thirteen~~ twenty, through March thirty-first, two thousand ~~twenty~~ twenty-three, all funds available for distribution pursuant to this section, except for funds distributed pursuant to subparagraph (v) of paragraph (b) of subdivision five-b of this section, and all funds available for distribution pursuant to section twenty-eight hundred seven-w of this article, shall be reserved and set aside and distributed in accordance with the provisions of this subdivision.

(b) The commissioner shall promulgate regulations, and may promulgate emergency regulations, establishing methodologies for the distribution of funds as described in paragraph (a) of this subdivision and such regulations shall include, but not be limited to, the following:

(i) Such regulations shall establish methodologies for determining each facility's relative uncompensated care need amount based on unin-

1   sured inpatient and outpatient units of service from the cost reporting  
2   year two years prior to the distribution year, multiplied by the appli-  
3   cable medicaid rates in effect January first of the distribution year,  
4   as summed and adjusted by a statewide cost adjustment factor and reduced  
5   by the sum of all payment amounts collected from such uninsured  
6   patients, and as further adjusted by application of a nominal need  
7   computation that shall take into account each facility's medicaid inpa-  
8   tient share.

9   (ii) Annual distributions pursuant to such regulations for the two  
10   thousand [~~thirteen~~] twenty through two thousand [~~twenty~~] twenty-two

23   that qualify as enhanced safety net hospitals under section two thousand  
24   eight hundred seven-c of this article shall not be subject to such  
25   reduction.

26   Such reduction shall be determined by a methodology to be established  
27   by the commissioner. Such methodology may take into account the payor  
28   mix of each non-public general hospital, including the percentage of  
29   inpatient days paid by Medicaid.

30   ~~(iii) [(A) Such regulations shall establish transition adjustments to~~

40   ~~pursuant to this subdivision by an amount that will be, as determined by~~  
41   ~~the commissioner and in conjunction with such other funding as may be~~

Such distribution shall be established pursuant to regulations promulgated by the commissioner and shall be proportional to the reduction experienced by the facility.

(iv) Such regulations shall reserve one percent of the funds available for distribution in the two thousand fourteen and two thousand fifteen calendar years, and for calendar years thereafter, pursuant to this subdivision, subdivision fourteen-f of section twenty-eight hundred seven-c of this article, and sections two hundred eleven and two hundred twelve of chapter four hundred seventy-four of the laws of nineteen hundred ninety-six, in a "financial assistance compliance pool" and shall establish methodologies for the distribution of such pool funds to facilities based on their level of compliance, as determined by the commissioner, with the provisions of subdivision nine-a of this section.

(c) The commissioner shall annually report to the governor and the legislature on the distribution of funds under this subdivision including, but not limited to:

(i) the impact on safety net providers, including community providers, rural general hospitals and major public general hospitals;

(ii) the provision of indigent care by units of services and funds distributed by general hospitals; and

(iii) the extent to which access to care has been enhanced.

§ 4. Paragraph (b) of subdivision 35 of section 2807-c of the public health law is amended by adding a new subparagraph (iv-a) to read as follows:

(iv-a) Effective April first, two thousand twenty, such rates for public general hospitals or public health systems, other than those operated by the state of New York or the state university of New York, located in a city having a population of one million or more shall include a rate add-on that reflects reimbursement for costs, to the extent permitted under 42 CFR 447.272(b)(1) and based on actual utilization of services. Such rate add-on shall be contingent upon federal financial participation and approval, and subject to the terms of a binding memorandum of understanding executed between the department of health and the public general hospital or public health system receiving the rate add-on. If payment of such rate add-on is projected to cause Medicaid disbursements for such period to exceed the projected department of health Medicaid state funds in the enacted budget financial plan pursuant to subdivision three of section twenty-three of the state finance law, as determined by the director of the budget, or memorandum of understanding is not executed or is breached, the commissioner, in consultation with the director of budget, may either cancel or reduce payment of such rate add-on to achieve compliance with the enacted budget financial plan.

§ 5. Paragraph (e) of subdivision 2-a of section 2807 of the public health law is amended by adding a new subparagraph (iv) to read as follows:

(iv) Effective April first, two thousand twenty, regulations issued pursuant to this paragraph for public general hospitals or public health systems, other than those operated by the state of New York or the state university of New York, located in a city having a population of one million or more shall reflect additional reimbursement for costs, to the extent permitted under 42 CFR 447.321(b)(1) and based on actual utilization of services. Such rate add-on shall be contingent upon federal financial participation and approval, and subject to the terms of a binding memorandum of understanding executed between the department of health and the public general hospital or public health system receiving the rate add-on. If payment of such rate add-on is projected to cause Medicaid disbursements for such period to exceed the projected department of health Medicaid state funds in the enacted budget financial plan pursuant to subdivision three of section twenty-three of the state finance law, as determined by the director of the budget, or the memorandum of understanding is not executed or is breached, the commissioner, in consultation with the director of the budget, may either cancel or reduce payment of such rate add-on to achieve compliance with the enacted budget financial plan.

§ 6. Notwithstanding any inconsistent provision of law or regulation to the contrary, and subject to the availability of federal financial participation pursuant to title XIX of the federal social security act, effective for the period April 1, 2020 through March 31, 2021, and state fiscal years thereafter, the department of health is authorized to pay a rate adjustment either directly as fee for service medical assistance payments to, or to managed care organizations authorized under article 44 of the public health law or article 43 of the insurance law that have in their network, public general hospitals, as defined in subdivision 10 of section 2801 of the public health law, other than those operated by the state of New York or the state university of New York, located in a city with a population of over 1 million, as medical assistance payments for inpatient services pursuant to title 11 of article 5 of the social services law for patients eligible for federal financial participation under title XIX of the federal social security act, contingent upon the execution of a memorandum of understanding between the department of health and the New York city health and hospitals corporation. The memorandum of understanding shall govern the terms, conditions, criteria and methodologies for such rate adjustments and shall, at a minimum, set forth: (a) the estimated amounts to be paid pursuant to such rate adjustment; (b) the timing and methodology by which the city of New York will fund any local share contribution, consistent with section 1905(cc) of the federal social security act, or any successor provision, toward the aggregate amount to be paid as part of the rate adjustment; and (c) the methodology by which the anticipated total amount to be paid through such rate adjustment will be funded in advance through an estimated local share contribution and then reconciled with actual utilization of services and application of the annual upper payment limit demonstration to the extent required by the secretary of the United States Department of Health and Human Services pursuant to 42 CFR 431.16, or any successor provision. If the annual upper payment limit demonstration yields an amount that is less than the aggregate amount paid in the rate adjustment provided by the public health law, then the rate adjustment shall be reduced to reflect the demonstration amount and other actions as authorized by the memorandum of understanding. If the annual upper payment limit demonstration yields an amount that is more than the aggregate amount paid in the rate adjustment provided by the public

1 health law, the rate adjustment shall be adjusted to reflect the demon-  
2 stration amount.

3 § 7. Notwithstanding any inconsistent provision of law, rule or regu-  
4 lation to the contrary, and subject to the availability of federal  
5 financial participation pursuant to title XIX of the federal social  
6 security act, effective for the period April 1, 2020 through March 31,  
7 2021, and state fiscal years thereafter, the department of health is  
8 authorized to increase the operating cost component of rates of payment  
9 for general hospital outpatient services and general hospital emergency  
10 room services issued pursuant to paragraph (g) of subdivision 2 of  
11 section 2807 of the public health law for public general hospitals, as  
12 defined in subdivision 10 of section 2801 of the public health law,  
13 other than those operated by the state of New York or the state univer-  
14 sity of New York, and located in a city with a population over one  
15 million, as a rate adjustment either directly as fee for service medical  
16 assistance payments or to managed care organizations authorized under  
17 article 44 of the public health law or article 43 of the insurance law  
18 that have in their network such hospitals, as medical assistance  
19 payments for outpatient services pursuant to title 11 of article 5 of  
20 the social services law for patients eligible for federal financial  
21 participation under title XIX of the federal social security act,  
22 contingent upon the execution of a memorandum of understanding between  
23 the department of health and the New York city health and hospitals  
24 corporation. The memorandum of understanding shall govern the terms,  
25 conditions, criteria and methodologies for such rate adjustments and  
26 shall, at a minimum, set forth: (a) the estimated amounts to be paid  
27 pursuant to this rate adjustment; (b) the timing and methodology by  
28 which the city of New York will fund any local share contribution,  
29 consistent with section 1905(cc) of the federal social security act, or  
30 any successor provision, toward the aggregate amount to be paid as part  
31 of the rate adjustment; and (c) the methodology by which the anticipated  
32 total amount to be paid through such rate adjustment will be funded in  
33 advance through an estimated local share contribution and then recon-  
34 ciled with actual utilization of services and application of the annual  
35 upper payment limit demonstration to the extent required by the secre-  
36 tary of the United States Department of Health and Human Services pursu-  
37 ant to 42 CFR 431.16, or any successor provision. If the annual upper  
38 payment limit demonstration yields an amount that is less than the  
39 aggregate amount paid in the rate adjustment provided by the public  
40 health law, then the rate adjustment shall be reduced to reflect the  
41 demonstration amount and other actions as authorized by the memorandum  
42 of understanding. If the annual upper payment limit demonstration yields  
43 an amount that is more than the aggregate amount paid in the rate  
44 adjustment provided by the public health law, the rate adjustment shall  
45 be adjusted to reflect the demonstration amount.

46 § 8. This act shall take effect immediately and shall be deemed to  
47 have been in full force and effect on and after April 1, 2020, provided,  
48 further that sections three through nine of this act shall expire and be  
49 deemed repealed March 31, 2023; provided further, however, that the  
50 director of the budget may, in consultation with the commissioner of  
51 health, delay the effective dates prescribed herein for a period of time  
52 which shall not exceed ninety days following the conclusion or termi-

55 New York, upon such delay the director of budget shall notify the chairs

4 the effective date of this act in order that the commission may maintain  
5 an accurate and timely effective data base of the official text of the  
6 laws of the state of New York in furtherance of effectuating the  
7 provisions of section 44 of the legislative law and section 70-b of the  
8 public officers law.

16 cost reimbursement and the contract shall include, but not be limited  
17 to, responsibility for:

18 (A) establishing a network of high-quality Medicaid enrolled provid-

9 contracts shall file with the commissioner a bond issued by an insurer

12 the surety bond shall be to provide the sole source of recourse to  
13 providers of Medicaid transportation services, other than the transpor-  
14 tation management broker, that cannot receive payment for services prop-  
15 erly provided if the transportation management broker becomes insolvent.  
16 To the extent permitted by law, the surety bond shall provide that any  
17 funds that remain after such provider liabilities are satisfied shall be  
18 paid to that state.

19 (iv) A transportation management broker with which the commissioner

42 law, not including a program designated as a Program of All-Inclusive  
43 Care for the Elderly (PACE) as authorized by Federal Public law 1053-33,  
44 subtitle I of title IV of the Balanced Budget Act of 1997, and, at the  
45 commissioner's discretion, other plans that integrate benefits for dual-  
46 ly eligible Medicare and Medicaid beneficiaries based on a demonstration

50 with the commissioner in accordance with this paragraph. Providers of  
51 adult day health care may elect to, but shall not be required to, use

1 that such reports shall be no more frequent than quarterly. The commis-  
2 sioner shall give all transportation providers no less than ninety  
3 calendar days' notice before such reports are due.

4 (b) If the commissioner determines that the cost report submitted by a  
5 Medicaid transportation provider is inaccurate or incomplete, the  
6 commissioner shall notify such provider in writing and advise the  
7 provider of the correction or additional information that the provider  
8 must submit. The provider shall submit the corrected or additional  
9 information within thirty calendar days from the date the provider

9 (e) For the duration of the moratorium under paragraph (d) of this  
10 subdivision, the commissioner shall establish, and enforce by means of a

## PART PP

8 Section 1. The social services law is amended by adding a new section  
9 364-n to read as follows:

10 § 364-n. Diabetes and chronic disease self-management pilot program.  
11 The commissioner of health may establish a diabetes and chronic disease  
12 self-management pilot program in one or more counties or regions of the  
13 state for the purpose of improving clinical outcomes. Payments under  
14 such program may be made for education, consultation, and peer support  
15 services for persons with chronic health conditions, as defined by the  
16 commissioner, to be eligible to receive such services. The commissioner  
17 is authorized to establish fees for such counseling services, subject to  
18 the approval of the director of the division of the budget. The  
19 provisions of this section shall not take effect unless all necessary  
20 approvals under federal law and regulation have been obtained to receive  
21 federal financial participation for the costs of services provided under  
22 this section.

23 § 2. Section 367-r of the social services law, as amended by section  
24 58-a of part A of chapter 57 of the laws of 2006, subdivision 1-a as  
25 amended by section 10 of part C of chapter 109 of the laws of 2006, is  
26 amended to read as follows:

27 § 367-r. Private duty nursing services worker recruitment and  
28 retention program. 1. (a) The commissioner of health, with the approval  
29 of the director of the budget, shall establish fees for the reimburse-  
30 ment of private duty nursing services.

31 (b) The commissioner of health shall, subject to the provisions of  
32 paragraph (b) of subdivision two of this section and to the availability  
33 of federal financial participation, increase medical assistance rates of  
34 payment by three percent for services provided on and after December  
35 first, two thousand two, for private duty nursing services for the  
36 purposes of improving recruitment and retention of private duty nurses.

37 ~~[1-a.]~~ 2. Medically fragile children. (a) In addition, the commission-  
38 er shall further increase rates for private duty nursing services that  
39 are provided to medically fragile children to ensure the availability of  
40 such services to such children. In establishing rates of payment under  
41 this subdivision, the commissioner shall consider the cost neutrality of  
42 such rates as related to the cost effectiveness of caring for medically  
43 fragile children in a non-institutional setting as compared to an insti-  
44 tutional setting. Medically fragile children shall, for the purposes of  
45 this subdivision, have the same meaning as in subdivision three-a of  
46 section thirty-six hundred fourteen of the public health law. Such  
47 increased rates for services rendered to such children may take into  
48 consideration the elements of cost, geographical differentials in the  
49 elements of cost considered, economic factors in the area in which the  
50 private duty nursing service is provided, costs associated with the  
51 provision of private duty nursing services to medically fragile chil-  
52 dren, and the need for incentives to improve services and institute  
53 economies and such increased rates shall be payable only to those  
54 private duty nurses who can demonstrate, to the satisfaction of the

1 department of health, satisfactory training and experience to provide  
2 services to such children. Such increased rates shall be determined  
3 based on application of the case mix adjustment factor for AIDS home  
4 care program services rates as determined pursuant to applicable regu-  
5 lations of the department of health. The commissioner may promulgate  
6 regulations to implement the provisions of this subdivision.

7 ~~[2-]~~ (b) Private duty nursing services providers which have their

50 days of the Medicaid inspector general notifying the person of the  
51 amount due.

52 (2) In the event the Medicaid inspector general is satisfied that the  
53 person cannot make immediate full payment of the disclosed overpayment,  
54 the Medicaid inspector general may permit the person to repay the over-  
55 payment and any interest due through installment payments. The Medicaid  
56 inspector general may require a financial disclosure statement setting

1 forth information concerning the person's current assets, liabilities,  
2 earnings, and other financial information before entering into an  
3 installment payment plan with the person.

4 (3) If the person and the overpayment are eligible under the self-dis-  
5 closure program, the Medicaid inspector general shall be authorized to  
6 enter into a self-disclosure and compliance agreement with the person.  
7 The self-disclosure and compliance agreement shall be in a form to be  
8 established by the Medicaid inspector general and include such terms as  
9 the Medicaid inspector general shall require for the repayment of the  
10 person's disclosed overpayment and enable and require the person to  
11 comply with the requirements of the medical assistance program in the  
12 future. The person shall execute the self-disclosure and compliance  
13 agreement within fifteen days of receiving said agreement from the Medi-  
14 caid inspector general, or such other timeframe permitted by the Medi-  
15 caid inspector general, provided however, that such other period is not  
16 less than fifteen days.

17 (4) If the person provides false material information or omits materi-  
18 al information in his or her submissions to the Medicaid inspector  
19 general, or attempts to defeat or evade an overpayment due pursuant to  
20 the self-disclosure and compliance agreement executed under this subdivi-  
21 sion, or fails to comply with the terms of the self-disclosure and  
22 compliance agreement, or refuses to execute the self-disclosure and  
23 compliance agreement in the timeframes specified under this section,  
24 such agreement shall be deemed rescinded and the provider's partici-  
25 ipation in the self-disclosure program terminated.

26 (5) A person against whom a self-disclosure and compliance agreement  
27 is rescinded and participation in the self-disclosure program is termi-  
28 nated pursuant to subparagraph four of this paragraph shall be entitled  
29 to notice.

30 (g) The Medicaid inspector general, in consultation with the commis-  
31 sioner, may promulgate regulations, issue forms and instructions, and  
32 take any and all other actions necessary to implement the provisions of  
33 the self-disclosure program established under this section to maximize  
34 public awareness and participation in such program.

35 § 6. Paragraph (b) of subdivision 2 of section 367-a of the social  
36 services law, as amended by section 116 of part C of chapter 58 of the  
37 laws of 2009, is amended to read as follows:

38 (b) Any inconsistent provision of this chapter or other law notwith-  
39 standing, upon furnishing assistance under this title to any applicant  
40 or recipient of medical assistance, the local social services district  
41 or the department shall be subrogated, to the extent of the expenditures  
42 by such district or department for medical care furnished, to any rights  
43 such person may have to medical support or reimbursement from liable  
44 third parties, including but not limited to health insurers, self-in-  
45 sured plans, group health plans, service benefit plans, managed care  
46 organizations, pharmacy benefit managers, or other parties that are, by  
47 statute, contract, or agreement, legally responsible for payment of a  
48 claim for a health care item or service. For purposes of this section,  
49 the term medical support shall mean the right to support specified as  
50 support for the purpose of medical care by a court or administrative  
51 order. The right of subrogation does not attach to insurance benefits  
52 paid or provided under any health insurance policy prior to the receipt  
53 of written notice of the exercise of subrogation rights by the carrier  
54 issuing such insurance, nor shall such right of subrogation attach to  
55 any benefits which may be claimed by a social services official or the  
56 department, by agreement or other established procedure, directly from

1 an insurance carrier. No right of subrogation to insurance benefits  
2 available under any health insurance policy shall be enforceable unless  
3 written notice of the exercise of such subrogation right is received by  
4 the carrier within three years from the date services for which benefits  
5 are provided under the policy or contract are rendered. Liable third  
6 parties shall not deny a claim made by a social services official or the  
7 department in conformance with this paragraph solely on the basis of the  
8 date of submission of the claim, the type or format of the claim form, a  
9 failure to obtain prior authorization, or a failure to present proper  
10 documentation at the point-of-sale that is the basis of the claim.  
11 Liable third parties shall respond to a request for payment within sixty  
12 calendar days after receipt of written proof of loss or claim for  
13 payment for health care services provided to a recipient of Medicaid who  
14 is covered by the third party and shall not charge a fee to process or  
15 adjudicate a claim. The local social services district or the department  
16 shall also notify the carrier when the exercise of subrogation rights  
17 has terminated because a person is no longer receiving assistance under  
18 this title. Such carrier shall establish mechanisms to maintain the  
19 confidentiality of all individually identifiable information or records.  
20 Such carrier shall limit the use of such information or record to the  
21 specific purpose for which such disclosure is made, and shall not  
22 further disclose such information or records.

23 § 7. Section 364-j of the social services law is amended by adding two  
24 new subdivisions 38 and 39 to read as follows:

25 38. Penalties for the submission of misstated cost reports. (a) For  
26 purposes of this subdivision, managed care provider shall also include  
27 managed long-term care plans.

28 (b) The Medicaid inspector general may, in his or her discretion and  
29 in consultation with the commissioner, impose a penalty on a managed  
30 care provider whose filed cost report contained a misstatement of fact  
31 including:

32 (i) unsubstantiated or improper costs;

33 (ii) number of member months;

34 (iii) number of events.

35 For purposes of this paragraph, number of events shall include, but  
36 not be limited to understated births or deliveries.

37 (c) (i) For misstatements found in subparagraph (i) of paragraph (b)  
38 of this subdivision, the penalty shall be equal to the amount of the  
39 misstatement multiplied by two.

40 (ii) For misstatements found in subparagraph (ii) of paragraph (b) of  
41 this subdivision, the penalty shall be the amount of the premium capita-  
42 tion paid by the department for the region per member month.

43 (iii) For misstatements found in subparagraph (iii) of paragraph (b)  
44 of this subdivision, the penalty shall be the amount of the supplemental  
45 capitation paid by the department for the region per member event.

46 (d) Any penalty imposed under this subdivision may be recovered by the  
47 department in any manner authorized by law.

48 (e) The managed care provider against whom a penalty is imposed pursu-  
49 ant to this subdivision shall be entitled to notice and an opportunity  
50 to be heard in accordance with section twenty-two of this chapter.

51 39. Medicaid fraud, waste and abuse prevention. (a) For purposes of  
52 this subdivision, managed care provider shall also include managed long-  
53 term care plans.

54 (b) Managed care providers shall adopt and implement policies and  
55 procedures designed to detect and prevent fraud, waste and abuse. This  
56 shall include the adoption and implementation of a compliance program as

required by section three hundred sixty-three-d of this title and the terms of the contract between the managed care provider and the state, and for managed care providers with an enrolled population of one thousand or more persons in the aggregate in any given year, the establishment of a special investigation unit which will have primary responsibility for implementing the managed care provider's policies and procedures to detect and prevent fraud, waste and abuse, as it relates to the managed care provider's participation in the medical assistance program.

(c) The managed care provider shall coordinate its fraud, waste and abuse prevention activities with the Medicaid inspector general and the department of health. The Medicaid inspector general, in consultation with the department of health, may promulgate regulations establishing standards and requirements for the operation of managed care provider fraud, waste and abuse prevention activities, including requirements for special investigation units. The provisions of this subdivision notwithstanding, the managed care provider shall continue to comply with all the requirements of section forty-four hundred fourteen of the public health law.

§ 8. Section 3613 of the public health law is amended by adding a new subdivision 1-a to read as follows:

1-a. Each home care services worker shall obtain an individual unique identifier from the state by or before a date determined by the commissioner in consultation with the Medicaid inspector general. Any personal information submitted to obtain such unique identifier shall be maintained as confidential pursuant to article six-A of the public officers law ("New York state privacy protection law").

§ 9. Subdivision 3 of section 365-f of the social services law, as amended by chapter 511 of the laws of 2015, is amended to read as follows:

3. Division of responsibilities. Eligible individuals who elect to participate in the program assume the responsibility for services under such program as mutually agreed to by the eligible individual and provider and as documented in the eligible individual's record, including, but not limited to, recruiting, hiring and supervising their personal assistants. For the purposes of this section, personal assistant shall mean an adult who has obtained an individual unique identifier from the state by or before a date determined by the commissioner of health in consultation with the Medicaid inspector general, and provides services under this section to the eligible individual under the eligible individual's instruction, supervision and direction or under the instruction, supervision and direction of the eligible individual's designated representative, provided that a person legally responsible for an eligible individual's care and support, an eligible individual's spouse or designated representative may not be the personal assistant for the eligible individual; however, a personal assistant may include any other adult relative of the eligible individual, provided, however, that the program determines that the services provided by such relative are consistent with an individual's plan of care and that the aggregate cost for such services does not exceed the aggregate costs for equivalent services provided by a non-relative personal assistant. Any personal information submitted to obtain such unique identifier shall be maintained as confidential pursuant to article six-A of the public officers law ("New York state privacy protection law"). Such individuals shall be assisted as appropriate with service coverage, supervision, advocacy and management. Providers shall not be liable for fulfillment

1 of responsibilities agreed to be undertaken by the eligible individual.  
2 This subdivision, however, shall not diminish the participating provid-  
3 er's liability for failure to exercise reasonable care in properly  
4 carrying out its responsibilities under this program, which shall  
5 include monitoring such individual's continuing ability to fulfill those  
6 responsibilities documented in his or her records. Failure of the indi-  
7 vidual to carry out his or her agreed to responsibilities may be consid-  
8 ered in determining such individual's continued appropriateness for the  
9 program.

10 § 10. Subparagraph (C) of paragraph 3 of subsection (e) of section  
11 3212 of the insurance law, as amended by section 117-b of part C of  
12 chapter 58 of the laws of 2009, is amended to read as follows:

13 (C) No right of subrogation to insurance benefits available under any  
14 health insurance policy shall be enforceable unless written notice of  
15 the exercise of such subrogation right is received by the carrier within  
16 three years from the date services for which benefits are provided under  
17 the policy or contract are rendered. An insurer shall not deny a claim  
18 made in conformance with paragraph (b) of subdivision two of section  
19 three hundred sixty-seven-a of the social services law solely on the  
20 basis of the date of submission of the claim, the type or format of the  
21 claim form, a failure to obtain prior authorization, or a failure to  
22 present proper documentation at the point-of-sale that is the basis of  
23 the claim.

24 § 11. This act shall take effect immediately and shall be deemed to  
25 have been in full force and effect on and after April 1, 2020; provided  
26 however, section three of this act shall apply to compliance reviews for  
27 calendar years beginning on or after January 1, 2021; provided further,  
28 section seven of this act shall apply to cost reports submitted for  
29 calendar years beginning on or after January 1, 2014; provided further,  
30 however, the amendments to section 364-j of the social services law made  
31 by section seven of this act, shall not affect the repeal of such  
32 section and shall be deemed repealed therewith; and provided further,  
33 however, that the director of the budget may, in consultation with the  
34 commissioner of health, delay the effective dates prescribed herein for  
35 a period of time which shall not exceed ninety days following the  
36 conclusion or termination of an executive order issued pursuant to  
37 section 28 of the executive law declaring a state disaster emergency for  
38 the entire state of New York, and upon such delay the director of the  
39 budget shall notify the chairs of the assembly ways and means committee  
40 and senate finance committee and the chairs of the assembly and senate  
41 health committee; and provided further, however, that the director of  
42 the budget shall notify the legislative bill drafting commission upon  
43 the occurrence of a delay in the effective date of this act, in order  
44 that the commission may maintain an accurate and timely effective data  
45 base of the official text of the laws of the state of New York in furth-  
46 erance of effecting the provisions of section 44 of the legislative law  
47 and section 70-b of the public officers law.

The changes to the 1998 law by this act are intended to, after decades of delay and inaction, finally effectuate the park's general project plan as defined in chapter 592 of the laws of 1998, which continues to be the operative planning document guiding park development, protection and reuse of a portion of the Hudson River waterfront in lower Manhattan south of 59th street, and are intended to ensure the realization of that vision and the park's continuing viability for years to come. Nothing herein is intended to alter or override any prior determinations concerning park planning, development or operation.

8 the city of New York shall periodically prepare and submit a report to  
9 the state of New York, with a copy to the trust, detailing actions taken  
10 by the city of New York to relocate the tow pound. In the event that the  
11 city provides demonstrable evidence of its effort to relocate the tow

§ 10. Subsection (i) of section 3224-a of the insurance law, as added by chapter 297 of the laws of 2012, is amended to read as follows:

19 subsequent processing of the claim by the insurer, organization, or  
20 corporation shall be deemed an adverse determination as defined in  
21 section four thousand nine hundred of this chapter if based solely on a  
22 coding determination. Nothing in this subsection shall apply to those  
23 instances in which the insurer or organization, or corporation has a  
24 reasonable suspicion of fraud or abuse or when an insurer, organization,  
25 or corporation engages in reasonable fraud, waste and abuse detection

51 organization certified pursuant to article forty-four of the public  
52 health law shall report to the superintendent quarterly and annually on  
53 health care claims payment performance with respect to comprehensive

55 § 5. Section 40 of chapter 266 of the laws of 1986, amending the civil  
56 practice law and rules and other laws relating to malpractice and

1 professional medical conduct, as amended by section 4 of part F of chap-  
2 ter 57 of the laws of 2019, is amended to read as follows:

3 § 40. The superintendent of financial services shall establish rates  
4 for policies providing coverage for physicians and surgeons medical  
5 malpractice for the periods commencing July 1, 1985 and ending June 30,  
6 [~~2020~~] 2021; provided, however, that notwithstanding any other provision  
7 of law, the superintendent shall not establish or approve any increase  
8 in rates for the period commencing July 1, 2009 and ending June 30,  
9 2010. The superintendent shall direct insurers to establish segregated  
10 accounts for premiums, payments, reserves and investment income attrib-  
11 utable to such premium periods and shall require periodic reports by the  
12 insurers regarding claims and expenses attributable to such periods to  
13 monitor whether such accounts will be sufficient to meet incurred claims  
14 and expenses. On or after July 1, 1989, the superintendent shall impose  
15 a surcharge on premiums to satisfy a projected deficiency that is  
16 attributable to the premium levels established pursuant to this section  
17 for such periods; provided, however, that such annual surcharge shall  
18 not exceed eight percent of the established rate until July 1, [~~2020~~]  
19 2021, at which time and thereafter such surcharge shall not exceed twen-  
20 ty-five percent of the approved adequate rate, and that such annual  
21 surcharges shall continue for such period of time as shall be sufficient  
22 to satisfy such deficiency. The superintendent shall not impose such  
23 surcharge during the period commencing July 1, 2009 and ending June 30,  
24 2010. On and after July 1, 1989, the surcharge prescribed by this  
25 section shall be retained by insurers to the extent that they insured  
26 physicians and surgeons during the July 1, 1985 through June 30, [~~2020~~]  
27 2021 policy periods; in the event and to the extent physicians and  
28 surgeons were insured by another insurer during such periods, all or a  
29 pro rata share of the surcharge, as the case may be, shall be remitted  
30 to such other insurer in accordance with rules and regulations to be  
31 promulgated by the superintendent. Surcharges collected from physicians  
32 and surgeons who were not insured during such policy periods shall be  
33 apportioned among all insurers in proportion to the premium written by  
34 each insurer during such policy periods; if a physician or surgeon was  
35 insured by an insurer subject to rates established by the superintendent  
36 during such policy periods, and at any time thereafter a hospital,  
37 health maintenance organization, employer or institution is responsible  
38 for responding in damages for liability arising out of such physician's  
39 or surgeon's practice of medicine, such responsible entity shall also  
40 remit to such prior insurer the equivalent amount that would then be  
41 collected as a surcharge if the physician or surgeon had continued to  
42 remain insured by such prior insurer. In the event any insurer that  
43 provided coverage during such policy periods is in liquidation, the  
44 property/casualty insurance security fund shall receive the portion of  
45 surcharges to which the insurer in liquidation would have been entitled.  
46 The surcharges authorized herein shall be deemed to be income earned for  
47 the purposes of section 2303 of the insurance law. The superintendent,  
48 in establishing adequate rates and in determining any projected defi-  
49 ciency pursuant to the requirements of this section and the insurance  
50 law, shall give substantial weight, determined in his discretion and  
51 judgment, to the prospective anticipated effect of any regulations  
52 promulgated and laws enacted and the public benefit of stabilizing  
53 malpractice rates and minimizing rate level fluctuation during the peri-  
54 od of time necessary for the development of more reliable statistical  
55 experience as to the efficacy of such laws and regulations affecting  
56 medical, dental or podiatric malpractice enacted or promulgated in 1985,

1 1986, by this act and at any other time. Notwithstanding any provision  
2 of the insurance law, rates already established and to be established by  
3 the superintendent pursuant to this section are deemed adequate if such  
4 rates would be adequate when taken together with the maximum authorized  
5 annual surcharges to be imposed for a reasonable period of time whether  
6 or not any such annual surcharge has been actually imposed as of the  
7 establishment of such rates.

8 § 6. Section 5 and subdivisions (a) and (e) of section 6 of part J of

#### PART FFF

Section 1. The Legislature hereby finds and declares that medical assistance for needy persons is a matter of public concern and a necessity in promoting the public health and welfare and for promoting the state's goal of making available to everyone, regardless of race, age, gender, national origin or economic standing, uniform, high-quality medical care. As the department of health is the single state agency responsible for supervising the administration of the state's medical assistance program (Medicaid), it is tasked with ensuring efficiency, economy, and quality of care in providing benefits to the state's needy persons. To this end and with the fiscal constraints facing our state in mind, the department of health continues to analyze the Medicaid program in search of ways to ensure Medicaid spending is held to the standard of efficiency, economy, and quality of care. In consideration of this standard, the department of health is hereby directed to exercise its existing administrative authority to remove the pharmacy benefit from managed care benefit package and instead provide the pharmacy benefit under the fee for service program, except where otherwise required by federal law, to ensure transparency and that the benefit is provided to the fullest extent and as efficiently as possible; provided, however, that the department of health shall not implement the transition of the pharmacy

benefit from the managed care benefit package to the fee for service program sooner than April 1, 2021, and until it is satisfied that all necessary and appropriate transition planning has occurred, in its sole discretion, and federal approvals have been obtained and preparations have been made. Furthermore, to ensure an orderly transition, continued access to medications, and appropriate patient education and support, the department may establish uniform standards, payment policies and reimbursement methodologies for any sites where drugs may be administered or dispensed under the fee for service program; provided that, subject to the availability of federal financial participation, when reimbursing covered entities, as defined under section 340B of the public health service act (42 U.S.C. §256b), for drugs that would otherwise be eligible for pricing under section 340B of the public health service act, the department shall examine all reasonably available methods for determining actual acquisition cost and the professional dispensing fee and, beginning in the fiscal year starting April 1, 2021, review and adjust reimbursement for such drugs such that no sooner than April 1, 2023, reimbursement shall be determined based on a method that the commissioner determines that utilizes the actual acquisition costs and professional dispensing fee.

§ 1-a. The commissioner of health shall convene an advisory group composed of stakeholder representatives determined in the commissioner's sole discretion, for purposes of providing non-binding recommendations to the department by October 1, 2020 on available methods of achieving savings in the state fiscal years beginning on and after April 1, 2021, with respect to reimbursement for drugs eligible for pricing those under section 340B of the public health service act, and for which the department has existing authority to take such action.

§ 2. Paragraphs (c) and (d) of subdivision 2 of section 280 of the public health law, paragraph (c) as amended and paragraph (d) as added by section 5 of part B of chapter 57 of the laws of 2019, are amended and a new paragraph (e) is added to read as follows:

(c) for state fiscal year two thousand nineteen--two thousand twenty, be limited to the ten-year rolling average of the medical component of the consumer price index plus four percent and minus a pharmacy savings target of eighty-five million dollars; ~~and~~

(d) for state fiscal year two thousand twenty--two thousand twenty-one, be limited to the ten-year rolling average of the medical component of the consumer price index plus ~~four percent and minus a pharmacy savings target of eighty-five million dollars.~~ two percent; and

(e) for state fiscal year two thousand twenty-one--two thousand twenty-two and fiscal years thereafter, be limited in accordance with subdivision one of section ninety-one of part H of chapter fifty-nine of the laws of two thousand eleven, as amended.

§ 3. This act shall take effect immediately; provided, however, that the director of the budget may, in consultation with the commissioner of health, delay the effective dates prescribed herein for a period of time which shall not exceed ninety days following the conclusion or termination of an executive order issued pursuant to section 28 of the executive law declaring a state disaster emergency for the entire state of New York, upon such delay the director of the budget shall notify the chairs of the assembly ways and means committee and senate finance committee and the chairs of the assembly and senate health committee; provided further, however, that the director of the budget shall notify the legislative bill drafting commission upon the occurrence of a delay in the effective date of this act in order that the commission may main-

tain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law.

29 materials as soon as practicable and not less than fifteen calendar days  
30 after the defendant's request, unless an order is obtained pursuant to  
31 section 245.70 of this article. The prosecution may withhold the names  
32 and identifying information of any person who contacted 911 without the  
33 need for a protective order pursuant to section 245.70 of this article,  
34 provided, however, the defendant may move the court for disclosure. If  
35 the prosecution intends to call such person as a witness at a trial or  
36 hearing, the prosecution must disclose the name and contact information  
37 of such witness no later than fifteen days before such trial or hearing,  
38 or as soon as practicable.

39 (j) All reports, documents, records, data, calculations or writings,  
40 including but not limited to preliminary tests and screening results and  
41 bench notes and analyses performed or stored electronically, concerning  
42 physical or mental examinations, or scientific tests or experiments or  
43 comparisons, relating to the criminal action or proceeding which were  
44 made by or at the request or direction of a public servant engaged in  
45 law enforcement activity, or which were made by a person whom the prose-  
46 cutor intends to call as a witness at trial or a pre-trial hearing, or  
47 which the prosecution intends to introduce at trial or a pre-trial hear-  
48 ing. Information under this paragraph also includes, but is not limited  
49 to, laboratory information management system records relating to such  
50 materials, any preliminary or final findings of non-conformance with  
51 accreditation, industry or governmental standards or laboratory proto-  
52 cols, and any conflicting analyses or results by laboratory personnel  
53 regardless of the laboratory's final analysis or results. If the prose-  
54 cution submitted one or more items for testing to, or received results  
55 from, a forensic science laboratory or similar entity not under the  
56 prosecution's direction or control, the court on motion of a party shall

1 issue subpoenas or orders to such laboratory or entity to cause materi-  
2 als under this paragraph to be made available for disclosure. The prose-  
3 cution shall not be required to provide information related to the  
4 results of physical or mental examinations, or scientific tests or  
5 experiments or comparisons, unless and until such examinations, tests,  
6 experiments, or comparisons have been completed.

7 § 3. Subdivisions 1 and 3 of section 245.70 of the criminal procedure  
8 law, as added by section 2 of part LLL of chapter 59 of the laws of  
9 2019, are amended to read as follows:

10 1. Any discovery subject to protective order. Upon a showing of good  
11 cause by either party, the court may at any time order that discovery or  
12 inspection of any kind of material or information under this article be  
13 denied, restricted, conditioned or deferred, or make such other order as  
14 is appropriate, including, for 911 calls, allowing the disclosure of a  
15 transcript of an audio recording in lieu of the recording. The court may  
16 impose as a condition on discovery to a defendant that the material or  
17 information to be discovered be available only to counsel for the  
18 defendant; or, alternatively, that counsel for the defendant, and  
19 persons employed by the attorney or appointed by the court to assist in  
20 the preparation of a defendant's case, may not disclose physical copies  
21 of the discoverable documents to a defendant or to anyone else, provided  
22 that the prosecution affords the defendant access to inspect redacted  
23 copies of the discoverable documents at a supervised location that  
24 provides regular and reasonable hours for such access, such as a  
25 prosecutor's office, police station, facility of detention, or court.  
26 Should the court impose as a condition that some material or information  
27 be available only to counsel for the defendant, the court shall inform  
28 the defendant on the record that his or her attorney is not permitted by  
29 law to disclose such material or information to the defendant. The court  
30 may permit a party seeking or opposing a protective order under this  
31 section, or another affected person, to submit papers or testify on the  
32 record ex parte or in camera. Any such papers and a transcript of such  
33 testimony may be sealed and shall constitute a part of the record on  
34 appeal. This section does not alter the allocation of the burden of  
35 proof with regard to matters at issue, including privilege.

36 3. Prompt hearing. Upon request for a protective order, unless the  
37 defendant voluntarily consents to the people's request for a protective  
38 order, the court shall conduct an appropriate hearing within three busi-  
39 ness days to determine whether good cause has been shown and when prac-  
40 ticable shall render a decision expeditiously. Any materials submitted  
41 and a transcript of the proceeding may be sealed and shall constitute a  
42 part of the record on appeal. When the defendant is charged with a  
43 violent felony offense as defined in section 70.02 of the penal law, or  
44 any class A felony other than those defined in article two hundred twen-  
45 ty of the penal law, the court may, at the prosecutor's request, for  
46 good cause shown, conduct such hearing in camera and outside the pres-  
47 ence of the defendant, provided however that this shall not affect the  
48 rights of the court to receive testimony or papers ex-parte or in camera  
49 as provided in subdivision one of this section.

50 § 4. Section 216 of the judiciary law is amended by adding a new  
51 subdivision 5 to read as follows:

52 5. The chief administrator of the courts, in conjunction with the  
53 division of criminal justice services, shall collect data and report  
54 annually regarding the impact of article two hundred forty-five of the  
55 criminal procedure law. Such data and report shall contain information  
56 regarding the implementation of article two hundred forty-five of the

criminal procedure law, including procedures used to implement the article, resources needed for implementation, information regarding cases where discovery obligations are not met, and information regarding case outcomes. The report shall be released publicly and published on the websites of the office of court administration and the division of criminal justice services. The first report shall be published eighteen months after the effective date of this section, and shall include data from the first twelve months following the enactment of this section. Reports for subsequent years shall published annually thereafter.

§ 5. Section 245.75 of the criminal procedure law, as added by section 2 of part LLL of chapter 59 of the laws of 2019, is amended to read as follows:

§ 245.75 Waiver of discovery by defendant.

1. A defendant who does not seek discovery from the prosecution under this article shall so notify the prosecution and the court at the defendant's arraignment on an indictment, superior court information, prosecutor's information, information, or simplified information, or expeditiously thereafter but before receiving discovery from the prosecution pursuant to subdivision one of section 245.20 of this article, and the defendant need not provide discovery to the prosecution pursuant to subdivision four of section 245.20 and section 245.60 of this article. A waiver shall be in writing, signed for the individual case by the counsel for the defendant and filed with the court. The court shall inquire of the defendant on the record to ensure that the defendant understands his or her right to discovery and right to waive discovery. Such a waiver does not alter or in any way affect the procedures, obligations or rights set forth in sections 250.10, 250.20 and 250.30 of this title, or otherwise established or required by law. The prosecution may not condition a guilty plea offer on the defense's execution of a waiver under this section. Counsel for the defendant may advise his or her client about the defendant's right to discovery and right to waive discovery; such advice shall not constitute a condition of a guilty plea.

2. Nothing in this section shall prevent the waiver of discovery from being a condition of the repleader, where the defendant's original conviction is vacated on agreement between the parties pursuant to section 440.10 of this part.

§ 6. Subdivision 2 of section 245.25 of the criminal procedure law, as added by section 2 of part LLL of chapter 59 of the laws of 2019, is amended and a new subdivision 3 is added to read as follows:

2. Other guilty pleas. Upon an indictment, superior court information, prosecutor's information, information, simplified information, or misdemeanor complaint, where the prosecution has made a guilty plea offer requiring a plea to a crime, the prosecutor must disclose to the defense, and permit the defense to discover, inspect, copy, photograph and test, all items and information that would be discoverable prior to trial under subdivision one of section 245.20 of this article and are within the possession, custody or control of the prosecution. The prosecution shall disclose the discoverable items and information not less than seven calendar days prior to the expiration date of any guilty plea offer by the prosecution or any deadline imposed by the court for acceptance of the guilty plea offer. If the prosecution does not comply with the requirements of this subdivision, then, on a defendant's motion alleging a violation of this subdivision, the court must consider the impact of any violation on the defendant's decision to accept or reject a plea offer. If the court finds that such violation materially affected

1 the defendant's decision, and if the prosecution declines to reinstate  
2 the lapsed or withdrawn plea offer, the court - as a presumptive minimum  
3 sanction - must preclude the admission at trial of any evidence not  
4 disclosed as required under this subdivision. The court may take other  
5 appropriate action as necessary to address the non-compliance. The  
6 rights under this subdivision do not apply to items or information that  
7 are the subject of a protective order under section 245.70 of this arti-  
8 cle; but if such information tends to be exculpatory, the court shall  
9 reconsider the protective order. A defendant may waive his or her rights  
10 under this subdivision; but a guilty plea offer may not be conditioned  
11 on such waiver. Notwithstanding the timelines contained in the opening  
12 paragraph of paragraph (a) of subdivision one of section 245.10 of this  
13 article, the prosecutor's discovery obligation under subdivision one of  
14 section 245.20 of this article shall be performed as soon as practica-  
15 ble, but not later than fifteen days before the trial of a simplified  
16 information charging a traffic infraction under the vehicle and traffic  
17 law, or by an information charging one or more petty offenses as defined  
18 by the municipal code of a village, town, city, or county, that do not  
19 carry a statutorily authorized sentence of imprisonment, and where the  
20 defendant stands charged before the court with no crime or offense,  
21 provided however that nothing in this subdivision shall prevent a  
22 defendant from filing a motion for disclosure of such items and informa-  
23 tion under subdivision one of such section 245.20 of this article at an  
24 earlier date.

25 3. Repleader. Nothing in this section shall prevent the waiver of  
26 discovery from being a condition of a repleader, where the defendant's  
27 original conviction is vacated on agreement between the parties pursuant  
28 to section 440.10 of this part.

29 § 7. Section 245.50 of the criminal procedure law, as added by section  
30 2 of part LLL of chapter 59 of the laws of 2019, is amended to read as  
31 follows:

32 § 245.50 Certificates of compliance; readiness for trial.

33 1. By the prosecution. When the prosecution has provided the discovery  
34 required by subdivision one of section 245.20 of this article, except  
35 for discovery that is lost or destroyed as provided by paragraph (b) of  
36 subdivision one of section 245.80 of this article and except for any  
37 items or information that are the subject of an order pursuant to  
38 section 245.70 of this article, it shall serve upon the defendant and  
39 file with the court a certificate of compliance. The certificate of  
40 compliance shall state that, after exercising due diligence and making  
41 reasonable inquiries to ascertain the existence of material and informa-  
42 tion subject to discovery, the prosecutor has disclosed and made avail-  
43 able all known material and information subject to discovery. It shall  
44 also identify the items provided. If additional discovery is subsequent-  
45 ly provided prior to trial pursuant to section 245.60 of this article, a  
46 supplemental certificate shall be served upon the defendant and filed  
47 with the court identifying the additional material and information  
48 provided. No adverse consequence to the prosecution or the prosecutor  
49 shall result from the filing of a certificate of compliance in good  
50 faith and reasonable under the circumstances; but the court may grant a  
51 remedy or sanction for a discovery violation as provided in section  
52 245.80 of this article.

53 2. By the defendant. When the defendant has provided all discovery  
54 required by subdivision four of section 245.20 of this article, except  
55 for any items or information that are the subject of an order pursuant  
56 to section 245.70 of this article, counsel for the defendant shall serve

1 upon the prosecution and file with the court a certificate of compli-  
2 ance. The certificate shall state that, after exercising due diligence  
3 and making reasonable inquiries to ascertain the existence of material  
4 and information subject to discovery, counsel for the defendant has  
5 disclosed and made available all known material and information subject  
6 to discovery. It shall also identify the items provided. If additional  
7 discovery is subsequently provided prior to trial pursuant to section  
8 245.60 of this article, a supplemental certificate shall be served upon  
9 the prosecution and filed with the court identifying the additional  
10 material and information provided. No adverse consequence to the defend-  
11 ant or counsel for the defendant shall result from the filing of a  
12 certificate of compliance in good faith; but the court may grant a reme-  
13 dy or sanction for a discovery violation as provided in section 245.80  
14 of this article.

15 3. Trial readiness. Notwithstanding the provisions of any other law,  
16 absent an individualized finding of [~~exceptional~~] special circumstances  
17 in the instant case by the court before which the charge is pending, the  
18 prosecution shall not be deemed ready for trial for purposes of section  
19 30.30 of this chapter until it has filed a proper certificate pursuant  
20 to subdivision one of this section. A court may deem the prosecution  
21 ready for trial pursuant to section 30.30 of this chapter where informa-  
22 tion that might be considered discoverable under this article cannot be  
23 disclosed because it has been lost, destroyed, or otherwise unavailable  
24 as provided by paragraph (b) of subdivision one of section 245.80 of  
25 this article, despite diligent and good faith efforts, reasonable under  
26 the circumstances. Provided, however, that the court may grant a remedy  
27 or sanction for a discovery violation as provided by section 245.80 of  
28 this article.

29 4. Challenges to, or questions related to a certificate of compliance  
30 shall be addressed by motion.

31 § 8. This act shall take effect on the thirtieth day after it shall  
32 have become a law.

### 33 PART III

34 Section 1. Paragraph a of section 11.00 of the local finance law is  
35 amended by adding a new subdivision 14-b to read as follows:

36 14-b. Airport construction and improvement of the Ithaca Tompkins  
37 International Airport. The construction, reconstruction, or extension of  
38 the Ithaca Tompkins International Airport, whether or not including  
39 buildings, hangars, runways, taxi-strips, paved areas, perimeter fenc-  
40 ing, grading, filling, drainage or other site work, thirty-years; the  
41 acquisition and installation of an above ground aircraft fuel farm at  
42 the Ithaca Tompkins International Airport, including connecting pipes,  
43 valves, meters, pumps, concrete spill containment facilities, and appur-  
44 tenant facilities, twenty-five years.

45 § 2. This act shall take effect immediately.

### 46 PART JJJ

47 Section 1. Legislative intent. The legislature hereby finds that the  
48 Mahopac Central school district approved eight capital improvement  
49 projects which are designated as project numbers 0001-010, 0002-011,  
50 0003-004, 0004-011, 0005-011, 0006-011, 5010-007, and 7012-006. In addi-  
51 tion, the projects were eligible for certain state aid. The legislature  
52 further finds that due to ministerial error, the required filing of the

1 final cost reports for such projects were not made by such district in a  
2 timely manner making the district ineligible for certain aid. The legis-  
3 lature further finds that without such aid, the capital improvement  
4 projects will impose an additional, unanticipated hardship on district  
5 taxpayers.

6 § 2. All the acts done and proceedings heretofore had and taken or  
7 caused to be had or taken by the Mahopac Central school district and by  
8 all its officers or agents relating to or in connection with a certain  
9 final cost report to be filed with the state education department for  
10 project numbers 0001-010, 0002-011, 0003-004, 0004-011, 0005-011, 0006-  
11 011, 5010-007, and 7012-006, and all acts incidental thereto are hereby  
12 legalized, validated, ratified and confirmed, notwithstanding any fail-  
13 ure to comply with the approval and filing provisions of the education  
14 law or any other law or any other statutory authority, rule or regu-  
15 lation, in relation to any omissions, error, defect, irregularity or  
16 illegality in such proceedings had and taken, and provided further that  
17 any amount due and payable to the Mahopac Central school district for  
18 school years prior to the 2018-2019 school year as a result of this act  
19 shall be paid pursuant to the provisions of paragraph c of subdivision 5  
20 of section 3604 of the education law.

21 § 3. Notwithstanding section 24-a of part A of chapter 57 of the laws  
22 of 2013, and consistent with section one of this act, the commissioner  
23 shall not recover from the Mahopac Central school district any penalty  
24 arising from the late filing of a final cost report for an approved  
25 capital construction project designated by the department of education  
26 as project numbers 0001-010, 0002-011, 0003-004, 0004-011, 0005-011,  
27 0006-011, 5010-007, and 7012-006 pursuant to section 31 of part A of  
28 chapter 57 of the laws of 2012, provided that any amounts already so  
29 recovered shall be deemed a payment of moneys due for prior years pursu-  
30 ant to paragraph c of subdivision 5 of section 3604 of the education law  
31 and shall be paid to the Mahopac Central school district pursuant to  
32 such provision, provided that such school district:

33 (a) submitted the late or missing final building cost report to the  
34 commissioner of education;

35 (b) such cost report is approved by the commissioner of education;

36 (c) all state funds expended by the school district, as documented in  
37 such cost report, were properly expended for such building project in  
38 accordance with the terms and conditions for such project as approved by  
39 the commissioner of education; and

40 (d) the failure to submit such report in a timely manner was an inad-  
41 vertent administrative or ministerial oversight by the school district,  
42 and there is no evidence of any fraudulent or other improper intent by  
43 such district.

44 § 4. This act shall take effect immediately.

45 PART KKK

46 Section 1. Subdivision 32 of section 364-j of the social services law,  
47 as added by section 15 of part B of chapter 59 of the laws of 2016 and  
48 paragraph (d) as amended by section 1 of part V of chapter 57 of the  
49 laws of 2019, is amended to read as follows:

50 32. (a) The commissioner, or for the purposes of subparagraph (iv) of  
51 paragraph (c) of this subdivision, the Medicaid inspector general in  
52 consultation with the commissioner, may, in his or her discretion, apply  
53 penalties to managed care organizations subject to this section and  
54 article forty-four of the public health law, including managed long term

1 care plans, for untimely or inaccurate submission of encounter data;  
2 provided however, no penalty shall be assessed if the managed care  
3 organization submits, in good faith, timely and accurate data ~~[that]~~ and  
4 a material amount of such data is not successfully received by the  
5 department as a result of department system failures or technical issues  
6 that are beyond the control of the managed care organization.

7 (b) The commissioner, or for the purposes of subparagraph (iv) of  
8 paragraph (c) of this subdivision, the Medicaid inspector general in  
9 consultation with the commissioner, shall consider the following ~~[prior~~  
10 ~~to assessing a penalty against a managed care organization and have the~~  
11 ~~discretion to reduce or eliminate a penalty]~~ when determining whether to  
12 assess a penalty against a managed care organization and the amount of  
13 such penalty:

14 (i) the degree to which the ~~[data submitted is]~~ managed care organiza-  
15 tion submitted inaccurate data at a category of service level and the  
16 frequency of such inaccurate data submissions by the managed care organ-  
17 ization;

18 (ii) the degree to which the ~~[data submitted is]~~ managed care organ-  
19 ization submitted untimely data or no data and the frequency of such  
20 untimely data submissions or failures to submit by the managed care  
21 organization; and

22 (iii) the timeliness of the managed care organization in curing or  
23 correcting inaccurate or untimely data~~;~~

24 ~~(iv) whether the untimely or inaccurate data was submitted by the~~  
25 ~~managed care organization or a third party;~~

26 ~~(v) whether the managed care organization has taken corrective action~~  
27 ~~to reduce the likelihood of future inaccurate or untimely data~~  
28 ~~submissions; and~~

29 ~~(vi) whether the managed care organization was or should have been~~  
30 ~~aware of inaccurate or untimely data].~~

31 For purposes of this section, "encounter data" shall mean ~~[the trans-~~  
32 ~~actions required to be reported under the model contract]~~ all encounter  
33 records or adjustments to previously submitted records which the managed  
34 care organization has received and processed from provider encounter or  
35 claim records of all contracted services rendered to an enrollee of the  
36 managed care organization in the current or any preceding month. Any  
37 penalty assessed under this subdivision shall be calculated as a  
38 percentage of the ~~[administrative component of the]~~ Medicaid capitated  
39 premium calculated by the department and paid to the managed care organ-  
40 ization.

41 (c) ~~[Such penalties]~~ (i) Penalties assessed pursuant to this subdivi-  
42 sion against a managed care organization other than a managed long term  
43 care plan certified pursuant to section forty-four hundred three-f of  
44 the public health law shall be as follows:

45 ~~[(i)]~~ (A) for encounter data submitted or resubmitted past the dead-  
46 lines set forth in the model contract, the Medicaid capitated premiums  
47 shall be reduced by ~~[one and one-half]~~ one-third percent; and

48 ~~[(ii)]~~ (B) for incomplete or inaccurate encounter data, evaluated at a  
49 category of service level, that fails to conform to department developed  
50 benchmarks for completeness and accuracy, the Medicaid capitated premi-  
51 ums shall be reduced by ~~[one-half]~~ one and one-third percent; and

52 ~~[(iii)]~~ (C) for submitted data that results in a rejection rate in  
53 excess of ten percent of department developed volume benchmarks, the  
54 Medicaid capitated premiums shall be reduced by ~~[one-half]~~ one-third  
55 percent.

(ii) Penalties assessed pursuant to this subdivisions against a managed long term care plan certified pursuant to section forty-four hundred three-f of the public health law shall be as follows:

(A) for encounter data submitted or resubmitted past the deadlines set forth in the model contract, the Medicaid capitated premiums shall be reduced by one-quarter percent;

(B) for incomplete or inaccurate encounter data, evaluated at a category of service level, that fails to conform to department developed benchmarks for completeness and accuracy, the Medicaid capitated premiums shall be reduced by one percent; and

(C) for submitted data that results in a rejection rate in excess of ten percent of department developed volume benchmarks, the Medicaid capitated premiums shall be reduced by one-quarter percent.

(iii) For incomplete or inaccurate encounter data, identified in the course of an audit, investigation or review by the Medicaid inspector general, the Medicaid capitated premiums shall be reduced by an additional one percent.

(d) (i) Penalties under this subdivision may be applied to any and all circumstances described in paragraph (b) of this subdivision until the managed care organization complies with the requirements for submission of encounter data.

(ii) No penalties for late, incomplete or inaccurate encounter data shall be assessed against managed care organizations in addition to those provided for in this subdivision, provided, however, that nothing in this paragraph shall prohibit the imposition of penalties, in cases of fraud, waste or abuse, otherwise authorized by law.

§ 2. Subdivision 15 of section 4408-a of the public health law is renumbered subdivision 16 and a new subdivision 15 is added to read as follows:

15. An organization shall have procedures for obtaining an enrollee's, or enrollee's designee's, preference for receiving notifications, which shall be in accordance with applicable federal law and with guidance developed by the commissioner. Written and telephone notification to an enrollee or the enrollee's designee under this section may be provided by electronic means where the enrollee or the enrollee's designee has informed the organization in advance of a preference to receive such notification by electronic means. An organization shall permit the enrollee and the enrollee's designee to change the preference at any time. The organization shall retain documentation of preferred notification methods and present such records to the commissioner upon request.

§ 3. Paragraph (a) of subdivision 2 of section 4903 of the public health law, as amended by chapter 371 of the laws of 2015, is amended to read as follows:

(a) A utilization review agent shall make a utilization review determination involving health care services which require pre-authorization and provide notice of a determination to the enrollee or enrollee's designee and the enrollee's health care provider by telephone and in writing within three business days of receipt of the necessary information. ~~[To the extent practicable, such written notification to the enrollee's health care provider shall be transmitted electronically, in a manner and in a form agreed upon by the parties.]~~ The notification shall identify; (i) whether the services are considered in-network or out-of-network; (ii) and whether the enrollee will be held harmless for the services and not be responsible for any payment, other than any applicable co-payment or co-insurance; (iii) as applicable, the dollar amount the health care plan will pay if the service is out-of-network;

1 and (iv) as applicable, information explaining how an enrollee may  
2 determine the anticipated out-of-pocket cost for out-of-network health  
3 care services in a geographical area or zip code based upon the differ-  
4 ence between what the health care plan will reimburse for out-of-network  
5 health care services and the usual and customary cost for out-of-network  
6 health care services.

7 § 4. Section 4903 of the public health law is amended by adding a new  
8 subdivision 9 to read as follows:

9 9. A utilization review agent shall have procedures for obtaining an  
10 enrollee's, or enrollee's designee's, preference for receiving notifica-  
11 tions, which shall be in accordance with applicable federal law and with  
12 guidance developed by the commissioner. Written and telephone notifica-  
13 tion to an enrollee or the enrollee's designee under this section may be  
14 provided by electronic means where the enrollee or the enrollee's desig-  
15 nee has informed the organization in advance of preference to receive  
16 such notifications by electronic means. An organization shall permit the  
17 enrollee and the enrollee's designee to change the preference at any  
18 time. To the extent practicable, such written and telephone notification  
19 to the enrollee's health care provider shall be transmitted electron-  
20 ically, in a manner and in a form agreed upon by the parties. The utili-  
21 zation review agent shall retain documentation of preferred notification  
22 methods and present such records to the commissioner upon request.

23 § 5. Paragraph (b) of subdivision 3 of section 4904 of the public
