Introduced by M. of A. McDONALD -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to requiring that information be made available to parents regarding window blind safety; and to repeal certain provisions of such law related thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 1 of section 2803-j of the public health law, 2 as amended by a chapter of the laws of 2019, amending the public health law relating to requiring that information be made available to parents regarding window blind safety, as proposed in legislative bills numbers 5 S. 4181 and A. 3840, is amended to read as follows:

- 1. The commissioner shall require that every hospital and birth center shall prepare in printed or photocopied form and distribute at the time of pre-booking directly to each prospective maternity patient and, upon 9 request, to the general public an informational leaflet. Such leaflet 10 shall be designed by the commissioner and shall contain brief definitions of maternity related procedures and practices as specified in 11 12 subdivision two of this section and such other material as deemed appro-13 priate by the commissioner. Hospitals and birth centers may also elect 14 to distribute additional explanatory material along with the maternity 15 patients informational leaflet. The commissioner shall make the informa-16 tion contained in the leaflet available on the department's website [and 17 shall cause a sufficient number of leaflets to be printed or photocopied 18 to allow each pediatric primary care provider in the state to provide the leaflet to parents at a child's six month appointment]. 19
- 20 § 2. Subdivision 1-e of section 2803-j of the public health law, as added by a chapter of the laws of 2019, amending the public health law 21 22 relating to requiring that information be made available to parents 23 regarding window blind safety, as proposed in legislative bills numbers 24 S. 4181 and A. 3840, is REPEALED.
- 25 § 3. The public health law is amended by adding a new section 2509-a 26 to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

§ 2509-a. Corded window blind leaflet. The commissioner, in consulta-2 tion with the secretary of state, shall create a leaflet regarding the danger that corded window blinds pose to children including proper 3 4 installation of blinds, examples of current standards and the potential fatal consequences from strangulation posed by corded window blinds. 6 Such leaflet shall be posted on the department's website in a printable format to allow each pediatric primary care provider to provide the leaflet to parents at a child's six month well child visit.

§ 4. This act shall take effect on the same date and in the same 10 manner as a chapter of the laws of 2019, amending the public health law 11 relating to requiring that information be made available to parents 12 regarding window blind safety, as proposed in legislative bills numbers 13 S. 4181 and A. 3840, takes effect.
