

# STATE OF NEW YORK

9554

## IN ASSEMBLY

January 24, 2020

Introduced by M. of A. M. L. MILLER -- read once and referred to the Committee on Higher Education

AN ACT to amend the education law, in relation to requiring completion of a training program on the treatment of those with intellectual and developmental disabilities and chronic illness for certain medical professionals

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The education law is amended by adding a new section 6524-a  
2 to read as follows:

3 § 6524-a. Mandatory training on the treatment of those with intellec-  
4 tual and developmental disabilities and chronic illness. 1. All physi-  
5 cians, in order to maintain his or her license in good standing, shall  
6 complete a biennial training program on the treatment of those with  
7 intellectual and developmental disabilities and chronic illness.

8 2. Such training program shall be developed and administered by the  
9 department in conjunction with the department of health.

10 3. Such training program shall include, but not be limited to, the  
11 following:

12 a. didactic classroom instruction, experiential learning, and online  
13 learning, totaling not less than six hours; and

14 b. best practices for the treatment and care for patients who are  
15 individuals with intellectual and developmental disabilities and chronic  
16 illness, including but not limited to autism spectrum disorders.

17 4. The department in conjunction with the department of health shall  
18 periodically evaluate such training program for relevance and practical-  
19 ity.

20 5. The department shall prepare, publish and disseminate a list of  
21 available training programs pursuant to this section; provided, however,  
22 that the list shall be updated annually. The list shall be published in  
23 a location that is accessible to persons required to attend such train-  
24 ing program.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD14098-01-9

1 6. Beginning one year after the effective date of this section, all  
2 physicians licensed under this article shall complete six hours of  
3 training biennially.

4 § 2. The education law is amended by adding a new section 6541-a to  
5 read as follows:

6 § 6541-a. Mandatory training on the treatment of those with intellec-  
7 tual and developmental disabilities and chronic illness. 1. All physi-  
8 cian assistants, in order to maintain his or her license in good stand-  
9 ing, shall complete a biennial training program on the treatment of  
10 those with intellectual and developmental disabilities and chronic  
11 illness.

12 2. Such training program shall be developed and administered by the  
13 department in conjunction with the department of health.

14 3. Such training program shall include, but not be limited to, the  
15 following:

16 a. didactic classroom instruction, experiential learning, and online  
17 learning, totaling not less than six hours; and
