IN ASSEMBLY

January 27, 2020

Introduced by M. of A. BURKE -- read once and referred to the Committee on Agriculture

AN ACT to amend the agriculture and markets law, in relation to supplementing food and beverage nutrient information with colors depending on the total amount of the nutrient in such product

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. The agriculture and markets law is amended by adding a new 2 section 214-p to read as follows:
- § 214-p. Nutrition labeling of food and beverage products. 1. Any
 food or beverage with a nutritional fact label or other documentation
 from a manufacturer list identifying nutrients shall indicate the amount
- of total fat, saturated fat, total sugars and sodium in such food or beverage and supplement such information with a color depending on the amount of the nutrient in the product.
- 9 2. The following nutrients shall be colored green if the food product 10 contains a total amount that is:
- 11 (a) less than or equal to three grams per one hundred grams of total 12 fat.
- 13 <u>(b) less than or equal to one and one-half grams per one hundred grams</u>
