AN ACT to amend the vehicle and traffic law, in relation to implementing a residential parking system in the village of Croton-on-Hudson

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and intent. The legislature finds  
2 that there is a severe shortage of parking for residents of the Village  
3 of Croton-on-Hudson in the residential area surrounding the Croton-Har-  
4 mon Train Station, specifically Young Avenue and Hastings Avenue. The  
5 Croton-Harmon Train Station attracts a large number of commuters and  
6 travelers, and while there is an off-street lot located at the station,  
7 commuters and train passengers often park on both Young Avenue and Hast-  
8 ings Avenue. The burdens of commuters and other rail travelers parking  
9 on these streets include traffic hazards, congestion, driveway blockage,  
10 and limited sight distance. Additionally, residences on Young Avenue and  
11 Hastings Avenue have small lot sizes and insufficient off-street parking  
12 to serve local residents. The legislature further finds that a residen-  
13 tial permit parking system will significantly reduce such hazards and  
14 improve parking problems for the residents of this neighborhood. The  
15 legislature, therefore, hereby declares the necessity of this act to  
16 authorize the Village of Croton-on-Hudson in the county of Westchester  
17 to adopt a residential parking permit system in accordance with the  
18 provisions of this act.

19 § 2. The vehicle and traffic law is amended by adding a new section  
20 1640-q to read as follows:

21 § 1640-q. Residential parking system in the village of Croton-on-Hud-  
22 son. 1. Notwithstanding the provisions of any law to the contrary, the  
23 village board of trustees of the village of Croton-on-Hudson may, by  
24 adoption of a local law or ordinance, provide for a residential parking  
25 permit system and fix and require the payment of fees applicable to  
26 parking within the area in which such parking system is in effect in  
27 accordance with the provisions of this section.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
