Introduced by M. of A. FAHY -- read once and referred to the Committee on Tourism, Parks, Arts and Sports Development

AN ACT to amend the arts and cultural affairs law, in relation to providing financial assistance to museums, zoos, botanical gardens, aquariums and other cultural institutions located in low-income urban, suburban or rural communities, or that provide educational services to students from such communities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Statement of legislative findings and intent. The legisla-2 ture finds and declares that the state of New York is home to vast 3 educational resources in museums, historical societies, zoos, botanical 4 gardens, aquaria and cultural arts institutions that offer a wealth of 5 ways to engage children and adults and instill in them a lasting love of 6 learning.

7 The legislature finds that over 1,500 museums, historical societies, 8 zoos, botanical gardens, aquaria and cultural arts institutions in this 9 state now provide instruction to over six million children, and that 10 children in grades pre-kindergarten through twelve and adults enrolled 11 in continuing education programs should have broad and equal access to 12 such services.

13 The legislature further finds that community cultural arts insti-14 tutions, in collaboration with teachers and schools, must design new and 15 innovative programs to engage learners in such pressing issues as 16 science, anthropology, history and arts literacy.

17 It is the intent of the legislature that the state provide financial 18 assistance to cultural arts institutions serving under-resourced urban, 19 suburban or rural communities to expand educational services through 20 access to museum collections, scholarship and virtual learning and 21 extend their uniquely valuable educational resources to the children and 22 lifelong learners of the state.

23 § 2. Short title. This act shall be known and may be cited as the 24 "museum education act".

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.
