ROSENTHAL, STECK, DICKENS, EPSTEIN, COOK, CARROLL -- Multi-Sponsored by -- M. of A. ENGLEBRIGHT -- read once and referred to the Committee on Energy -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT amending the public service law, in relation to establishing a commercial tariff on certain electric vehicles

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public service law is amended by adding a new section 66-q to read as follows:

§ 66-q. Electric vehicle charging; commercial tariff. 1. Definitions. For purposes of this section, the term "electric vehicles" shall mean and include a motor vehicle that:

(a) was manufactured for use primarily on public streets, roads and highways;

(b) the powertrain of which has not been modified from the original manufacturer's specifications;

(c) has a maximum speed capability of at least fifty-five miles per hour; and

(d) is propelled at least in part by an electric motor and associated power electronics which provide acceleration torque to the drive wheels sometime during normal vehicle operations, and that draws electricity from a hydrogen fuel cell or from a battery that:

(i) has a capacity of not less than four kilowatt hours; and

(ii) is capable of being recharged from an external source of electricity.

2. Each combination gas and electric corporation shall file an application with the commission to establish a commercial tariff utilizing alternatives to traditional demand-based rate structures to facilitate faster charging for eligible light duty, heavy duty, and fleet electric vehicles. Each tariff shall evaluate the relative costs, benefits, and ancillary related costs and benefits associated with various faster

1 charging rate designs and do so for multiple scenarios where each
2 predicts a different rate of electric vehicle adoption.

3 3. The commission shall, after notice and opportunity for public
4 comment, approve, modify, or reject the tariff.

5 4. Within sixty days of commission approval of a combination gas and
6 electric corporation's tariff filed under this section, such combination
7 gas and electric corporation shall make the tariff available to custom-
8 ers.

9 5. The combination gas and electric corporation may at any time
10 propose revisions to a tariff filed under this section based on changing
11 costs or conditions.

12 6. Each combination gas and electric corporation providing a tariff
13 under this section shall periodically report to the commission, as
14 established by the commission and on a form prescribed by the commis-
15 sion, the following information:

16 (a) the number of customers who have arranged to have electricity
17 delivered under the tariff; and

18 (b) the total amount of electricity delivered under the tariff.

19 § 2. This act shall take effect on the one hundred eightieth day after
20 it shall have become a law.
