(f) "Inflation factor" means the quotient of: (i) the average of the national consumer price indexes determined by the United States department of labor for the twelve-month period ending six months prior to the start of the coming fiscal year minus the average of the national consumer price indexes determined by the United States department of labor for the twelve-month period ending six months prior to the start of the prior fiscal year, divided by: (ii) the average of the national consumer price indexes determined by the United States department of labor for the twelve-month period ending six months prior to the start of the prior fiscal year, with the result expressed as a decimal to four places.

(g) "Local government" means a city having a population of one million or more.

(h) "Prior fiscal year" means the fiscal year of the local government immediately preceding the coming fiscal year.

(i) "Tax levy limitation" means the amount of taxes a local government is authorized to levy pursuant to this section, provided, however, that the tax levy limit shall not include the local government's approved capital tax levy, if any.

3. (a) Beginning with the fiscal year that begins in two thousand twenty, no local government shall adopt a budget that requires a tax levy that is greater than the tax levy limitation for the coming fiscal year.

(b) The state comptroller shall calculate the tax levy limitation for each local government by the one hundred twentieth day preceding the commencement of each local government's fiscal year, and shall notify each local government of the tax levy limitation so determined.

(c) The tax levy limitation applicable to the coming fiscal year shall be determined as follows:

(i) Ascertain the total amount of taxes levied for the prior fiscal year.

(ii) Add any payments in lieu of taxes that were receivable in the prior fiscal year.

(iii) Subtract the approved capital tax levy for the prior fiscal year, if any.

(iv) Subtract the levy attributable to a large legal settlement of a tort action excluded from the levy limitation in the prior fiscal year, if any.

(v) Multiply the result by the allowable levy growth factor.

(vi) Subtract any payments in lieu of taxes receivable in the coming fiscal year.

(vii) Add the available carryover, if any.

(d) In the event the city council of a local government has approved a legal settlement of a tort action against the government, the annual costs of which exceed ten percent of the property taxes levied by the local government in the prior fiscal year, the state comptroller, upon application by the local government, may adjust the tax levy limitation for the coming fiscal year applicable to such local government, by adding the annual costs of such settlement to the tax levy limitation.

(e) The state comptroller shall determine the portion of the tax levy of each local government that is attributable to any increase or decrease over the prior year in the cost of the local government share of direct cash assistance to persons eligible for the federal-state-local temporary assistance to needy families program or the state-local safety net assistance program and shall adjust the tax levy limitation for such local government to reflect such change.

1 4. A local government may adopt a budget that requires a tax levy that  
2 is greater than the tax levy limitation for the coming fiscal year only  
3 if the city council of such local government first enacts, by a two-  
4 thirds vote of the total voting power of such city council, a local law  
5 to override such limitation for such coming fiscal year only.

6 5. In the event a local government's actual tax levy for a given  
7 fiscal year exceeds the maximum allowable levy as established pursuant  
8 to this section due to clerical or technical errors, the local govern-  
9 ment shall place the excess amount of the levy in reserve in accordance  
10 with such requirements as the state comptroller may prescribe, and shall  
11 use such funds and any interest earned thereon to offset the tax levy  
12 for the ensuing fiscal year.

13 § 2. Paragraphs j and k of subdivision 2 of section 23 of the munici-  
14 pal home rule law are relettered paragraphs k and l, and a new paragraph
