2019-2020 Regular Sessions

## IN SENATE

January 10, 2019

---

Introduced by Sen. YOUNG -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to regional secondary schools

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The legislature hereby finds and  
2 declares that given the current fiscal climate in this state, many  
3 school districts, particularly small, rural districts, are threatened by  
4 a decline in educational opportunities and programs for their students.

5 School districts are seeking new models of delivering services to  
6 students that are most cost-effective and efficient, in order to sustain  
7 or enhance the quality of services to maintain or expand the scope of  
8 services offered to students.

9 The legislature recognizes that many secondary schools in the state  
10 are experiencing financial limitations that may impair their ability to  
11 offer students the same range or quality of courses that other secondary  
12 schools may provide. In order to ensure that these districts continue to  
13 offer their students advanced course work, districts should be afforded  
14 the opportunity to establish a regional secondary school.

15 Under this new model of delivering services, districts will be able to  
16 streamline programs and services, increase resources and increase their  
17 purchasing power through shared services. These resultant cost savings  
18 will allow money to flow into educational programs and services for  
19 students which will, in turn, help to improve student performance and  
20 meet college and career readiness.

21 § 2. The education law is amended by adding a new article 39-A to read  
22 as follows:
