AN ACT making appropriations for the support of government

### CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capi-  
2 tal projects, or so much thereof as shall be necessary to accomplish the  
3 purpose of the appropriations, are appropriated by comprehensive  
4 construction programs (hereinafter referred to by the abbreviation CCP),  
5 purposes, and projects designated by the appropriations, and authorized  
6 to be made available as hereinafter provided to the respective public  
7 officers; such appropriations shall be deemed to provide all costs  
8 necessary and pertinent to accomplish the intent of the appropriations  
9 and are appropriated in accordance with the provisions of section 93 of  
10 the state finance law.

11 b) Any amounts specified in this chapter for advances for capital  
12 projects, or so much thereof as shall be necessary to accomplish the  
13 purpose of the appropriations, are appropriated by comprehensive  
14 construction programs (hereinafter referred to by the abbreviation CCP),  
15 purposes and projects designated by the appropriations as advances from  
16 the capital projects fund in accordance with the provisions of sections  
17 40-a and 93 of the state finance law, and are authorized to be paid as  
18 hereinafter provided as an advance for a share, part or whole of the  
19 cost for such programs, purposes and projects hereinafter specified.

20 c) The several amounts specified in this chapter as capital projects -  
21 reappropriations, or so much thereof as shall be sufficient to accom-  
22 plish the purpose of the appropriations, as appropriated by comprehen-  
23 sive construction programs (hereinafter referred to by the abbreviation

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 CCP), purposes, and projects, being the undisbursed and/or unexpended  
2 balances of the prior year's appropriations, are reappropriated and  
3 unless otherwise amended or repealed in part or total in this chapter  
4 shall continue to be available for the same purposes as the prior appro-  
5 priations or as otherwise amended for the fiscal year beginning April 1,  
6 2019.

7 The capital projects reappropriations contained in this chapter may be  
8 amended by repealing the items set forth in brackets and by adding ther-  
9 eto the underscored material. Certain reappropriations in this chapter  
10 are shown using abbreviated text, with three leader dots (an ellipsis)  
11 followed by three spaces (... ) used to indicate where existing law  
12 that is being continued is not shown. However, unless a change is clear-  
13 ly indicated by the use of brackets [-] for deletions and underscores  
14 for additions, the purpose, amounts, funding source and all other  
15 aspects pertinent to each item of appropriation shall be as last appro-  
16 priated.

17 For the purpose of complying with section 25 of the state finance law,  
18 the year, chapter and section of the last act reappropriating a former  
19 original appropriation or any part thereof is, unless otherwise indi-  
20 cated, chapter 54, section 1, of the laws of 2018.

21 d) No moneys appropriated by this chapter shall be available for  
22 payment until a certificate of approval has been issued by the director  
23 of the budget, who shall file such certificate with the department of  
24 audit and control, the chairperson of the senate finance committee and  
25 the chairperson of the assembly ways and means committee.

26 e) The appropriations contained in this chapter shall be available for  
27 the fiscal year beginning on April 1, 2019 except as otherwise noted.

Program Improvement/Change Purpose

By chapter 54, section 1, of the laws of 2017:

For payment of the costs of capital projects undertaken by or on behalf of school districts for the acquisition of smart schools classroom technology to be loaned to children attending a nonpublic school located in the school district, except a nonpublic school to which tuition is paid under articles 85 or 89 of the education law, in accordance with the requirements of section 755 of the education law and guidelines developed by the commissioner of education, in connection with the smart schools investment plans first submitted to the education department prior to April 15, 2017 and approved by the smart schools review board pursuant to subdivision 16 of section 3641 of the education law.

Each school district shall be eligible to receive an allocation from the funds appropriated herein equal to the product of the enrollment of all such nonpublic schools in the 2014-15 school year multiplied by the per pupil amount, provided that the liability of the state and the amount to be distributed or otherwise expended by the state to provide such loans shall be limited to the amount appropriated herein. The per pupil amount shall equal the quotient of (i) the amount budgeted by such school district in its approved smart schools investment plan for servers, wireless access points and other portable connectivity devices to be acquired as part of a school connectivity project, divided by (ii) the total public and nonpublic school enrollment in such school district in the 2014-15 school year.

Provided further that no school district shall be eligible to receive an allocation to support the loan of smart schools classroom technology in an aggregate amount greater than \$250 multiplied by the nonpublic school enrollment in the 2014-15 school year.

Notwithstanding paragraph b of subdivision 16 of section 3641 of the education law, the commissioner of education shall distribute funds appropriated pursuant to this paragraph upon approval of an application made by the school district. 15 By chapter 54, section 1, of the laws of 1988, as amended by chapter 55,  
16 section 1, of the laws of 2003:

17 For the state share of the costs of construction of water quality  
18 improvement projects, including the payment of liabilities incurred  
19 prior to April 1, 1988, in accordance with the provisions of title 3  
20 of article 51 of the environmental conservation law as amended, to  
21 provide a reserve to supplement or fund additional phases of  
22 projects previously appropriated and scheduled on or after May 12,  
23 1965.

24 Notwithstanding the provisions of any general or special law, the  
25 moneys hereby appropriated shall be available for water quality  
26 improvement expenditures for any project scheduled in appropriation  
27 bills on or after May 12, 1965.

28 Notwithstanding the provisions of any general or special law, the  
29 amounts hereby appropriated shall be made available from the Pure  
30 Waters Bond Act authorizations and are contingent upon the repeal of  
31 existing authorizations elsewhere in this chapter.

32 Notwithstanding the provisions of any general or special law, the  
33 moneys hereby appropriated shall not be made available until the  
34 director of the division of the budget issues a certificate of  
35 approval of availability with a schedule of approved and previously  
36 authorized projects for which such funds shall be used. No such  
37 certificates of approval of availability shall be issued for or  
38 include funds for projects which have not received a federal grant  
39 for the construction of sewage treatment related facilities. The  
40 state comptroller shall at the commencement of each month certify to  
41 the director of the division of the budget, the commissioner of  
42 environmental conservation, the chairman of the senate finance  
43 committee, and the chairman of the assembly ways and means committee

Health Care System Improvement Purpose

The appropriation made by chapter 54, section 1, of the laws of 2018, is hereby amended and reappropriated to read:

For payments and grants to support health care facility transformation statewide. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants, including up to \$5,000,000 to regional perinatal care centers or other health providers to establish telehealth applications, made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for the purposes that strengthen and protect continued access to health care services in communities including but not limited to children's residential treatment facilities. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation activities including, merger, consolidation, acquisition or other activities intended to: create financially sustainable systems of care; preserve or expand essential health care services; modernize obsolete facility physical plants and infrastructure; foster participation in alternative payment arrangements, including but not limited to contracts with managed care plans and accountable care organizations; increase the quality of resident care or experience in residential health care facilities; or improve health information technology infrastructure, including telehealth, to strengthen the acute, post-acute care, primary care, and longterm care continuum. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider criteria including, but not limited to:

- (a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
- (b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
- (c) The geographic distribution of funds;
- (d) The relationship between the proposed project and identified community need;
- (e) The extent to which the applicant has access to alternative financing;

## CAPITAL PROJECTS - REAPPROPRIATIONS 2019-20

- 1 (f) The extent to which the proposed project furthers the development  
2 of primary care and other outpatient services;  
3 (g) The extent to which the proposed project benefits medicaid enrol-  
4 lees and uninsured individuals;  
5 (h) The extent to which the applicant has engaged the community  
6 affected by the proposed project and the manner in which community  
7 engagement has shaped such project; and  
8 (i) The extent to which the proposed project addresses potential risk  
9 to patient safety and welfare.

10 Notwithstanding any inconsistent provision of law to the contrary, and  
11 upon approval of the director of the budget, the commissioner may  
12 award up to \$300,000,000 of the funds made available pursuant to  
13 this appropriation for unfunded project applications submitted in  
14 response to the request for applications number 17648 issued by the  
15 department on January 8, 2018 pursuant to section 2825-e of the  
16 public health law.

17 Authorized amounts to be awarded pursuant to applications submitted in  
18 response to the request for application number 17648 shall be  
19 awarded no later than May 1, 2019.

20 The department shall provide a report on a quarterly basis to the  
21 chairs of the senate finance, assembly ways and means, and senate  
22 health and assembly health committees, until such time as the  
23 department determines that the projects that receive funding pursu-  
24 ant to this appropriation are substantially complete. Such reports  
25 shall be submitted no later than sixty days after the close of the  
26 quarter, and shall include, for each award, the name of the appli-  
27 cant, a description of the project or purpose, the amount of the  
28 award, disbursement date, and status of achievement of process and  
29 performance metrics and milestones pursuant to subdivision 6 of  
30 section 2825-f of the public health law.

31 Within amounts appropriated herein, a minimum of \$45,000,000 shall be  
32 made available for grant awards to residential health care facili-  
33 ties, up to \$20,000,000 may be made available for grant awards made  
34 pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-1  
35 of the social services law, pursuant to criteria to be determined by  
36 the commissioner and a minimum of \$60,000,000 shall be made avail-  
37 able for grant awards to community-based health care providers which  
38 shall be defined as a diagnostic and treatment center licensed or  
39 granted an operating certificate under article 28 of the public  
40 health law, a mental health clinic licensed or granted an operating  
41 certificate under article 31 of the mental hygiene law, a substance

5 section 1, of the laws of 2017:

6 In support of a comprehensive, statewide multi-year housing program.

7 The commissioner shall provide, in electronic excel format or as  
8 requested by the Legislature, an annual report to the director of  
9 the budget, the speaker of the Assembly, and the temporary president  
10 of the Senate, on or before July 1 of each year, that summarizes the  
11 activities undertaken pursuant to the funding made available in the  
12 2016-17 and 2017-18 state fiscal year housing program (ccp). Such  
13 annual report shall be cumulative and shall include an itemized list  
14 of each project utilizing funds appropriated by the 2016-17 and  
15 2017-18 state fiscal year housing program (ccp), including a brief  
16 description of the project, street address, county, awardee, total  
17 budget, amount of capital subsidy appropriated by the housing  
18 program (ccp), relevant section of the housing program (ccp), bonded  
19 or cash, amount of each additional public funding source, funding  
20 program, number of units, area median income requirements if appli-  
21 cable, month and year construction will commence, projected date of  
22 occupancy, and project phase (in development, engineering,  
23 construction, complete, defunded). Such annual report shall continue  
24 to be provided until such time as the final disbursement of funds  
25 appropriated in the 2016-17 and 2017-18 state fiscal year housing  
26 program (ccp) has occurred.

27 Notwithstanding any other law to the contrary, the amounts appropri-  
28 ated herein may be suballocated to any state department, agency, or  
29 public authority for the purposes stated herein. Notwithstanding  
30 section 40 of the state finance law or any other law to the contra-  
31 ry, all assistance appropriations made from this account shall  
32 remain in full force and effect in accordance, in the aggregate,  
33 with the following schedule: not more than \$344,000,000 for the  
34 period April 1, 2016, through and past March 31, 2017, and not more  
35 than an additional \$246,000,000 for the period April 1, 2017 through  
36 and past March 31, 2018 as indicated below:

37 1. When combined with other funds made available in the 2016-17 and  
38 2017-18 state fiscal year housing program (ccp), up to a total of  
39 \$950,000,000 shall be made available for the purpose of providing  
40 capital and operating subsidies for the development of 6,000 or more  
41 supportive housing units throughout the state over the next five  
42 years, as determined by a competitive selection process.

43 2. When combined with other funds made available in the 2016-17 and  
44 2017-18 state fiscal year housing program (ccp), up to a total of  
45 \$472,025,000 shall be made available for the purpose of providing  
46 capital subsidies for the new construction or adaptive reuse of  
47 rental housing affordable to households that earn up to 60 percent  
48 of area median income (AMI) and that advance one or more of the  
49 specific housing priorities of the state. Up to 5 percent of the  
50 funds allocated herein may be used for administrative purposes.

3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.
4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.
5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.
6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$146,000,000 shall be made available for the purpose of substantial or moderate rehabilitation of site-specific multi-family rental housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency.
7. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$75,000,000 shall be made available for the purpose of providing capital subsidies to preserve and improve Mitchell-Lama properties in the state.
8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any such funds. Public housing authorities that receive and use such funds shall be required to: provide resident education, which shall include compre-

36 already; develop a set of procedures for resident grievances and  
37 lease termination proceedings that apply to residents following the  
38 use of such funds, which shall be consistent with any existing  
39 procedures, can provide stronger resident protections, and conform  
40 with any other applicable federal rules and/or regulations. In cases  
41 when there is a property manager other than the public housing  
42 authority that receives these funds, then such property manager  
43 shall be required to take actions including, but not limited to,  
44 providing clear and accessible information to residents before,

1 Agency or the facilities development corporation or the dormitory  
2 authority might be liable occurring upon, in or about any projects  
3 covered by the Agreement of Lease entered into by the facilities  
4 development corporation, the department of mental hygiene and the  
5 New York State Medical Care Facilities Finance Agency under date of  
6 October 1, 1987 as from time to time amended and supplemented and  
7 any and all penalties, costs, including attorneys' fees, claims,  
8 demands and causes of action due directly or indirectly to the use,  
9 disuse, misuse or interest in such projects; (2) in the case of  
10 damage, loss or destruction of any such project, or any part of any  
11 such project, the payment of the costs of repairing, restoring,  
12 rebuilding or replacing the same in accordance with the obligations  
13 of the facilities development corporation so to do from the proceeds  
14 of insurance under the provisions of paragraph (b) of section 3.04  
15 of the Agreement of Lease; and (3) payments to the New York State  
16 Medical Care Facilities Finance Agency of moneys at the times and in  
17 the amounts that annual rentals would be due with respect to each  
18 project during such time or times as each such project may be  
19 damaged or destroyed and not available for use by the department of  
20 mental hygiene in accordance with the terms of the Agreement of  
21 Lease.

22 Notwithstanding the provisions of any general or special law, the  
23 facilities development corporation may assign to the New York State  
24 Medical Care Facilities Finance Agency all or any portion of the

3 Notwithstanding any other provision of law,  
4 the commissioner of transportation shall  
5 make available directly to the City of New  
6 York (City) an amount commensurate with  
7 the state share of (i) federal funds  
8 previously awarded to the City and reallo-  
9 cated to the metropolitan transportation  
10 authority (MTA), and (ii) the federally  
11 authorized level of financial assistance  
12 transferred by resolution of the metropol-  
13 itan planning organization (MPO) to the  
14 metropolitan transportation authority  
15 (MTA) and credited to the City by the MTA  
16 for capital expenses.

17 The state share of such reimbursement shall  
18 be 50 percent of the non-federal share of  
19 the federally authorized level of finan-  
20 cial assistance transferred to the MTA,  
21 but in no event shall the state share  
22 exceed 10 percent of project costs. Prior  
23 to requesting reimbursement for projects  
24 progressed by the MTA on behalf of the  
25 City, the City shall certify to the  
26 commissioner of transportation that each  
27 eligible project progressed under this  
28 provision is federally eligible and that  
29 the match amount requested does not exceed  
30 the state share of the federally author-  
31 ized level of financial assistance. In  
32 addition, the City must provide an appli-  
33 cation to the commissioner of transporta-  
34 tion certifying that the work to be funded  
35 under the project has been performed and  
36 that the City has reimbursed the MTA for  
37 100 percent of the match amount for the  
38 project. Upon such application, the  
39 commissioner of transportation shall  
40 review and approve eligible activities for  
41 reimbursement.

42 Prior to requesting approval of a certif-  
43 icate of approval of availability for the  
44 moneys hereby appropriated, the commis-  
45 sioner of transportation shall certify  
46 that each omnibus project progressed under  
47 the program has received federal approval.

48 Such certificate shall report the federally  
49 authorized level of financial assistance

6 the laws of 1991, as added by section 9 of  
7 chapter 330 of the laws of 1991, as  
8 amended. The department of transportation  
9 shall provide such information to the  
10 municipalities as may be necessary to  
11 maintain the federal tax exempt status of  
12 any bonds, notes, or other obligations  
13 issued by such municipalities to provide  
14 for the non-federal share of the cost of

25 of chapter 329 of the laws of 1991, as  
26 added by section 9 of chapter 330 of the  
27 laws of 1991, as amended. For the purposes  
28 of computing allocations to munici-  
29 palities, the amount distributed pursuant  
30 to section 16 of chapter 329 of the laws  
31 of 1991 shall be deemed to be  
32 \$125,540,000. The amount distributed  
33 pursuant to section 16-a of chapter 329 of  
34 the laws of 1991 shall be deemed to be  
35 \$253,760,000. Notwithstanding the  
36 provisions of any general or special law,  
37 the amounts deemed distributed in accord-  
38 ance with section 16 of chapter 329 of the  
39 laws of 1991 shall be adjusted so that  
40 such amounts will not be less than 86.579  
41 percent of the "funding level" as defined  
42 in subdivision 5 of section 10-c of the  
43 highway law for each such municipality. In  
44 order to achieve the objectives of section  
45 16 of chapter 329 of the laws of 1991, to  
46 the extent necessary, the amounts in  
47 excess of 86.579 percent of the funding  
48 level to be deemed distributed to each  
49 municipality under this subdivision shall

 Program Improvement/Change Purpose

By chapter 54, section 1, of the laws of 2018:

The sum of \$10,000,000 is hereby appropriated for payments and grants, including up to \$200,000 in costs associated with program administration to eligible nonprofit arts and cultural organizations for the arts and cultural facilities improvement program. Such program shall provide for targeted investment for capital projects in such eligible arts or cultural facilities to improve the quality, efficiency, and accessibility of arts and cultural organizations that benefit New Yorkers. Provided that such investments may include, but are not limited to: renovations or expansions of space that is open to the public; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; technology and other equipment that will benefit the public; and accessibility renovations.

Up to \$5,000,000 in funding from this appropriation shall be made available through a competitive process to be determined exclusively by the New York state council on the arts. The determination of this competitive process and guidelines shall be limited to the New York state council on the arts in consultation with the dormitory authority of the state of New York. The guidelines for the program and competitive process shall ensure that such funding is made available for uses throughout the state and takes into account regional distribution, supports a range of grant awards including a minimum grant of \$50,000, consideration of a waiver of match requirements for organizations as deemed appropriate by the New York state council on the arts, and shall be subject to the approval of the director of the budget. Notwithstanding any inconsistent provision of law, the dormitory authority shall be authorized to administer this program and designated state agencies shall provide all necessary assistance.

Up to \$5,000,000 in funding from this appropriation shall be made available through a competitive process that shall include representatives from state agencies to be determined by the director of the budget and the guidelines for the program and competitive process shall also ensure that such funding is made available for uses throughout the state and takes into account regional distribution, and shall be subject to the approval of the director of the budget.

The sum of \$25,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investment for capital projects in such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of nonprofit human services organizations that serve New Yorkers. Provided that such investments include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of space used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Provided further that such eligible nonprofit human services organizations are those which provide direct services to New Yorkers through state contracts, state authorized payments, and/or state payment rates. Provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements, structural maintenance or improvements, or building systems maintenance or improvements. 12 Transportation infrastructure and facilities in the five-year depart-  
13 ment of transportation plan for 2015-16 through 2019-20, for the  
14 payment of costs, including the payment of liabilities incurred  
15 prior to April 1, 2016, of transportation infrastructure projects,  
16 including but not limited to, state and local roads and bridges;  
17 airport, freight and passenger rail, port and transit projects or  
18 multi-modal facilities, including work appurtenant and ancillary  
19 thereto. Project costs funded from this appropriation may include  
20 but shall not be limited to construction, reconstruction, recondi-  
21 tioning and preservation, the acquisition of property, and engineer-  
22 ing services, including personal services, nonpersonal services,  
23 fringe benefits, the contract services provided by private firms,  
24 and reimbursements to the dedicated highway and bridge trust fund  
25 and capital projects funds, for activities including but not limited  
26 to, the preparation of designs, plans, specifications and estimates;  
27 construction management and supervision; and appraisals, surveys,  
28 testing and environmental impact statements for transportation  
29 infrastructure projects. Notwithstanding section 93 of the state  
30 finance law or any other law, rule or regulation to the contrary,  
31 all or a portion of the funds appropriated herein may be (i) inter-  
32 changed, (ii) suballocated to the Department of Transportation, or

36 The sum of \$170,000,000 is hereby appropriated for additional upstate  
37 revitalization initiative projects. Funds appropriated herein shall  
38 be for services and expenses, loans, grants, workforce development,  
39 business and tourism plan development, costs associated with program  
40 administration, and the payment of personal services, nonpersonal  
41 services and contract services provided by private firms to support  
42 economic development projects. Funding will be pursuant to a plan  
43 developed by the chief executive officer of the New York state urban  
44 development corporation and will support initiatives based on antic-  
45 ipated job creation and economic development benefits. Funds shall  
46 not be available from this appropriation for projects within regions  
47 that were Upstate Revitalization Initiative 2015 Best Plan Awardees  
48 or eligible to receive funding from the Buffalo Regional Innovation  
49 Cluster Program. Such moneys will be awarded by the New York state

21 ative already exists and is receiving or has received State funding  
22 for such purpose, the mayor of each municipality, or in the case of  
23 the Bronx, the borough president, will select a not-for-profit  
24 organization that provides services in the municipality, or in the  
25 case of the Bronx, the borough, to serve as the local coordinator of  
26 each such local task force. Provided further that, except in muni-  
27 cipalities where a state-funded antipoverty task force or initiative  
28 already exists and is receiving or has received funding, each such  
29 taskforce shall make efforts to be comprised of, but not limited to,  
30 the following members: representatives from municipal, county,  
31 and/or state government; individuals who have lived in or currently  
32 live in households in poverty; individuals and advocates represent-  
33 ing local not-for-profit and community organizations; represen-  
34 tatives from local school districts; and representatives from local  
35 social services districts. Of the funds appropriated herein, the  
36 amount available for each local anti-poverty task force shall be

1 the mayor of the municipality, or in the case of the Bronx, the  
2 borough president, will select a not-for-profit organization that  
3 has demonstrated successful performance working with community  
4 stakeholders and achieving objectives specified herein, to coordi-  
5 nate the local antipoverty task force. The not-for-profit organiza-  
6 tion serving as coordinator will assemble the antipoverty task force  
7 using the criteria outlined above. Provided further that, with  
8 guidance and oversight of the commissioner of the office of tempo-  
9 rary and disability assistance, each local anti-poverty task force  
10 shall use data to identify high need issues and neighborhoods within  
11 the municipality, or in the case of the Bronx, the borough; identify  
12 problems that are common in neighborhoods throughout the munici-  
13 pality, or in the case of the Bronx, the borough; receive input from  
14 local residents; use data and resident input to select one or more  
15 focus areas related to either one or more issues or one or more  
16 neighborhoods; and develop a plan for how funding will be targeted  
17 toward the identified issues or neighborhoods. Such focus areas may  
18 include, but are not limited to childhood poverty and homelessness.  
19 Activities included in such plan may include, but are not limited  
20 to: providing public assistance recipients opportunities to partic-  
21 ipate in enhanced work activities that either provide recognized  
22 credentialing or enhanced career readiness or job training for  
23 better linkage to potential employment; assisting families in pover-  
24 ty through services provided to parents and children; and addressing  
25 chronic homelessness or housing insecurity. Such plan must include  
26 measurable objectives and a timeframe for completion and shall be  
27 submitted for approval to the commissioner of the office of tempo-  
28 rary and disability assistance. Of the total amount made available  
29 to each anti-poverty task force, the lesser of \$300,000 or 20  
30 percent of the total award may be used to carry out planning and  
31 administration, provided however, that the amount used for planning  
32 and administration may exceed such limitation if such amount is  
33 approved by the commissioner of the office of temporary and disabil-  
34 ity assistance as part of the plan required herein. Upon receiving  
35 approval from the commissioner of the office of temporary and disa-  
36 bility assistance, each such anti-poverty task force shall commence  
37 the second phase of its work, which will support the implementation  
38 of the plan developed during the first phase. Funding appropriated  
39 herein shall be made available to the not-for-profit organization  
40 serving as coordinator and its use shall be restricted to purposes  
41 or initiatives that do not necessitate ongoing state financial  
42 support. Such anti-poverty task forces shall be encouraged to secure  
43 match funding from private sector and foundation sources to supple-  
44 ment the funds appropriated herein and provided further that any  
45 funding provided from this appropriation shall not be used to
