6 the forum in which, or by means of which, the sale takes place or the
7 offer of sale is accepted, including a shop, store, or booth, an inter-
8 net website, catalog, or similar forum; and (B) such person or an affil-
9 iate of such person collects the receipts paid by a customer to a
10 marketplace seller for a sale of tangible personal property, or
11 contracts with a third party to collect such receipts. For purposes of
12 this paragraph, a "sale of tangible personal property" shall not include
13 the rental of a passenger car as described in section eleven hundred
14 sixty of this chapter but shall include a lease described in subdivision
15 (i) of section eleven hundred eleven of this article. For purposes of
16 this paragraph, persons are affiliated if one person has an ownership
17 interest of more than five percent, whether direct or indirect, in
18 another, or where an ownership interest of more than five percent,
19 whether direct or indirect, is held in each of such persons by another
20 person or by a group of other persons that are affiliated persons with
21 respect to each other.

22 (2) Marketplace seller. Any person, whether or not such person is
23 required to obtain a certificate of authority under section eleven
24 hundred thirty-four of this article, who has an agreement with a market-
25 place provider under which the marketplace provider will facilitate
26 sales of tangible personal property by such person within the meaning of
27 paragraph one of this subdivision.

28 § 2. Subdivision 1 of section 1131 of the tax law, as amended by
29 section 1 of part X of chapter 59 of the laws of 2018, is amended to
30 read as follows:

31 (1) "Persons required to collect tax" or "person required to collect
32 any tax imposed by this article" shall include: every vendor of tangible
33 personal property or services; every recipient of amusement charges;
34 ~~and~~ every operator of a hotel; and every marketplace provider with
35 respect to sales of tangible personal property it facilitates as
36 described in paragraph one of subdivision (e) of section eleven hundred
37 one of this article. Said terms shall also include any officer, director
38 or employee of a corporation or of a dissolved corporation, any employee
39 of a partnership, any employee or manager of a limited liability compa-
40 ny, or any employee of an individual proprietorship who as such officer,
41 director, employee or manager is under a duty to act for such corpo-
42 ration, partnership, limited liability company or individual proprietor-
43 ship in complying with any requirement of this article, or has so acted;
44 and any member of a partnership or limited liability company. Provided,
45 however, that any person who is a vendor solely by reason of clause (D)
46 or (E) of subparagraph (i) of paragraph (8) of subdivision (b) of
47 section eleven hundred one of this article shall not be a "person
48 required to collect any tax imposed by this article" until twenty days
49 after the date by which such person is required to file a certificate of
50 registration pursuant to section eleven hundred thirty-four of this
51 part.

52 § 3. Section 1132 of the tax law is amended by adding a new subdivi-
53 sion (1) to read as follows:

54 (1)(1) A marketplace provider with respect to a sale of tangible
55 personal property it facilitates: (A) shall have all the obligations and
56 rights of a vendor under this article and article twenty-nine of this

1 chapter and under any regulations adopted pursuant thereto, including,
2 but not limited to, the duty to obtain a certificate of authority, to
3 collect tax, file returns, remit tax, and the right to accept a certifi-
4 cate or other documentation from a customer substantiating an exemption
5 or exclusion from tax, the right to receive the refund authorized by
6 subdivision (e) of this section and the credit allowed by subdivision
7 (f) of section eleven hundred thirty-seven of this part subject to the
8 provisions of such subdivisions; and (B) shall keep such records and
9 information and cooperate with the commissioner to ensure the proper
10 collection and remittance of tax imposed, collected or required to be
11 collected under this article and article twenty-nine of this chapter.

12 (2) A marketplace seller who is a vendor is relieved from the duty to
13 collect tax in regard to a particular sale of tangible personal property
14 subject to tax under subdivision (a) of section eleven hundred five of
15 this article and shall not include the receipts from such sale in its
16 taxable receipts for purposes of section eleven hundred thirty-six of
17 this part if, in regard to such sale: (A) the marketplace seller can
18 show that such sale was facilitated by a marketplace provider from whom
19 such seller has received in good faith a properly completed certificate
20 of collection in a form prescribed by the commissioner, certifying that
21 the marketplace provider is registered to collect sales tax and will
22 collect sales tax on all taxable sales of tangible personal property by
23 the marketplace seller facilitated by the marketplace provider, and with
24 such other information as the commissioner may prescribe; and (B) any
25 failure of the marketplace provider to collect the proper amount of tax
26 in regard to such sale was not the result of such marketplace seller
27 providing the marketplace provider with incorrect information. This
28 provision shall be administered in a manner consistent with subparagraph
29 (i) of paragraph one of subdivision (c) of this section as if a certifi-
30 cate of collection were a resale or exemption certificate for purposes
31 of such subparagraph, including with regard to the completeness of such
32 certificate of collection and the timing of its acceptance by the
33 marketplace seller. Provided that, with regard to any sales of tangible
34 personal property by a marketplace seller that are facilitated by a
35 marketplace provider who is affiliated with such marketplace seller
36 within the meaning of paragraph one of subdivision (e) of section eleven
37 hundred one of this article, the marketplace seller shall be deemed
38 liable as a person under a duty to act for such marketplace provider for
39 purposes of subdivision one of section eleven hundred thirty-one of this
40 part.

41 (3) The commissioner may, in his or her discretion: (A) develop a
42 standard provision, or approve a provision developed by a marketplace
43 provider, in which the marketplace provider obligates itself to collect
44 the tax on behalf of all the marketplace sellers for whom the market-
45 place provider facilitates sales of tangible personal property, with
46 respect to all sales that it facilitates for such sellers where delivery
47 occurs in the state; and (B) provide by regulation or otherwise that the
48 inclusion of such provision in the publicly-available agreement between
49 the marketplace provider and marketplace seller will have the same
50 effect as a marketplace seller's acceptance of a certificate of
51 collection from such marketplace provider under paragraph two of this
52 subdivision.

53 § 4. Section 1133 of the tax law is amended by adding a new subdivi-
54 sion (f) to read as follows:

55 (f) A marketplace provider is relieved of liability under this section
56 for failure to collect the correct amount of tax to the extent that the

1 marketplace provider can show that the error was due to incorrect infor-
2 mation given to the marketplace provider by the marketplace seller.
3 Provided, however, this subdivision shall not apply if the marketplace
4 seller and marketplace provider are affiliated within the meaning of
5 paragraph one of subdivision (e) of section eleven hundred one of this
6 article.

7 § 5. Paragraph 4 of subdivision (a) of section 1136 of the tax law, as
8 amended by section 46 of part K of chapter 61 of the laws of 2011, is
9 amended to read as follows:

10 (4) The return of a vendor of tangible personal property or services
11 shall show such vendor's receipts from sales and the number of gallons
12 of any motor fuel or diesel motor fuel sold and also the aggregate value
13 of tangible personal property and services and number of gallons of such
14 fuels sold by the vendor, the use of which is subject to tax under this
15 article, and the amount of tax payable thereon pursuant to the
16 provisions of section eleven hundred thirty-seven of this part. The
17 return of a recipient of amusement charges shall show all such charges
18 and the amount of tax thereon, and the return of an operator required to
19 collect tax on rents shall show all rents received or charged and the
20 amount of tax thereon. The return of a marketplace seller shall exclude
21 the receipts from a sale of tangible personal property facilitated by a
22 marketplace provider if, in regard to such sale: (A) the marketplace
23 seller has timely received in good faith a properly completed certif-
24 icate of collection from the marketplace provider or the marketplace
25 provider has included a provision approved by the commissioner in the
26 publicly-available agreement between the marketplace provider and the
27 marketplace seller as described in subdivision one of section eleven
28 hundred thirty-two of this part, and (B) the information provided by the
29 marketplace seller to the marketplace provider about such tangible
30 personal property is accurate.

31 § 6. Section 1142 of the tax law is amended by adding a new subdivi-
32 sion 15 to read as follows:

33 (15) To publish a list on the department's website of marketplace
34 providers whose certificates of authority have been revoked and, if
35 necessary to protect sales tax revenue, provide by regulation or other-
36 wise that a marketplace seller who is a vendor will be relieved of the
37 duty to collect tax for sales of tangible personal property facilitated
38 by a marketplace provider only if, in addition to the conditions
39 prescribed by paragraph two of subdivision (1) of section eleven hundred
40 thirty-two of this part being met, such marketplace provider is not on
41 such list at the commencement of the quarterly period covered thereby.

42 § 7. This act shall take effect immediately and shall apply to sales
43 made on or after September 1, 2019.

44 PART H

45 Section 1. Subparagraph (A) of paragraph 1 of subdivision (b) of
46 section 1105 of the tax law, as amended by section 9 of part S of chap-
47 ter 85 of the laws of 2002, is amended to read as follows:

48 (A) gas, electricity, refrigeration and steam, and gas, electric,
49 refrigeration and steam service of whatever nature, including the trans-
50 portation, transmission or distribution of gas or electricity, even if
51 sold separately;

52 § 2. Section 1105-C of the tax law is REPEALED.

53 § 3. Subparagraph (xi) of paragraph 4 of subdivision (a) of section
54 1210 of the tax law is REPEALED.

1 § 4. Paragraph 8 of subdivision (b) of section 11-2001 of the adminis-
2 trative code of the city of New York is REPEALED.

3 § 5. This act shall take effect June 1, 2019, and shall apply to sales
4 made and services rendered on and after that date, whether or not under
5 a prior contract.

6 PART I

7 Section 1. Subdivision 3 of section 1204 of the real property tax law,
8 as added by chapter 115 of the laws of 2018, is amended to read as
9 follows:

10 3. Where the tentative equalization rate is not within plus or minus
11 five [~~percentage points~~] percent of the locally stated level of assess-
12 ment, the assessor shall provide notice in writing to the local govern-
13 ing body of any affected town, city, village, county and school district
14 of the difference between the locally stated level of assessment and the
15 tentative equalization rate. Such notice shall be made within ten days
16 of the receipt of the tentative equalization rate, or within ten days of
17 the filing of the tentative assessment roll, whichever is later, and
18 shall provide the difference in the indicated total full value estimates
19 of the locally stated level of assessment and the tentative equalization
20 rate for the taxable property within each affected town, city, village,
21 county and school district, where applicable.

22 § 2. The real property tax law is amended by adding a new section 1211
23 to read as follows:

24 § 1211. Confirmation by commissioner of the locally stated level of
25 assessment. Notwithstanding the foregoing provisions of this title,
26 before the commissioner determines a tentative equalization rate for a
27 city, town or village, he or she shall examine the accuracy of the
28 locally stated level of assessment appearing on the tentative assessment
29 roll. If the commissioner confirms the locally stated level of assess-
30 ment, then as soon thereafter as is practicable, he or she shall estab-
31 lish and certify such locally stated level of assessment as the final
32 equalization rate for such city, town or village in the manner provided
33 by sections twelve hundred ten and twelve hundred twelve of this title.
34 The provisions of sections twelve hundred four, twelve hundred six and
35 twelve hundred eight of this title shall not apply in such cases, unless
36 the commissioner finds that the final assessment roll differs from the
37 tentative assessment roll to an extent that renders the locally stated
38 level of assessment inaccurate, and rescinds the final equalization rate
39 on that basis.

40 § 3. Paragraph (d) of subdivision 1 of section 1314 of the real prop-
41 erty tax law, as amended by chapter 158 of the laws of 2002, is amended
42 to read as follows:

43 (d) (i) Such district superintendent shall also determine what propor-
44 tion of any tax to be levied in such school district for school purposes
45 during the current school year shall be levied upon each part of a city
46 or town included in such school district by dividing the sum of the full
47 valuation of real property in such part of a city or town by the total
48 of all such full valuations of real property in such school district.
49 Provided, however, that prior to the levy of taxes, the governing body
50 of the school district may adopt a resolution directing such proportions
51 to be based upon the average full valuation of real property in each
52 such city or town over either a three-year period, consisting of the
53 current school year and the two prior school years, or over a five-year
54 period, consisting of the current school year and the four prior school

1 years. Once such a resolution has been adopted, the proportions for
2 ensuing school years shall continue to be based upon the average full
3 valuation of real property in each such city or town over the selected
4 period, unless the resolution provides otherwise or is repealed.

5 (ii) Such proportions shall be expressed in the nearest exact ten
6 thousandths and the school authorities of such school district shall
7 levy such a proportion of any tax to be raised in the school district
8 during the current school year upon each part of a city or town included
9 in such school district as shall have been determined by the district
10 superintendent. A new proportion shall be determined for each school
11 year thereafter by the district superintendent in accordance with the
12 provisions of this section by the use of the latest state equalization
13 rates. In any such school district that is not within the jurisdiction
14 of a district superintendent of schools, the duties which would other-
15 wise be performed by the district superintendent under the provisions of
16 this section, shall be performed by the school authorities of such
17 district.

18 § 4. This act shall take effect immediately.

19 PART J

20 Section 1. This Part enacts into law major components of legislation
21 relating to the improvement of the administration of real property taxa-
22 tion in accordance with the real property tax law and other laws relat-
23 ing thereto. Each component is wholly contained within a Subpart identi-
24 fied as Subparts A through F. The effective date for each particular
25 provision contained within such Subpart is set forth in the last section
26 of such Subpart. Any provision in any section contained within a
27 Subpart, including the effective date of the Subpart, which makes a
28 reference to a section "of this act", when used in connection with that
29 particular component, shall be deemed to mean and refer to the corre-
30 sponding section of the Subpart in which it is found. Section three of
31 this Part sets forth the general effective date of this Part.

32 SUBPART A

33 Section 1. The real property tax law is amended by adding a new
34 section 497 to read as follows:

35 § 497. Assessment relief in state disaster emergencies. 1. Notwith-
36 standing any provision of law to the contrary, during a state disaster
37 emergency as defined by section twenty of the executive law, an eligible
38 municipality may exercise the provisions of this section if its govern-
39 ing body, by the sixtieth day following the date upon which the governor
40 declares a state disaster emergency, passes a local law or ordinance, or
41 in the case of a school district a resolution, adopting the provisions
42 of this section. An eligible municipality may provide assessment relief
43 for real property that is impacted by the disaster that led to the
44 declaration of the state disaster emergency, and that is located within
45 such municipality, as provided in subparagraphs (i), (ii), (iii) or (iv)
46 of paragraph (a) of subdivision three of this section only if its
47 governing body specifically elects to do so as part of such local law,
48 ordinance or resolution. A copy of any such local law, ordinance or
49 resolution shall be filed with the commissioner within ten days after
50 the adoption thereof.

51 2. Definitions. For the purposes of this section, the following terms
52 shall have the following meanings:

1 a. "Eligible county" shall mean a county, other than a county wholly

13 taxes levied upon that roll by or on behalf of a participating muni-
14 cipality are payable without interest on or after the date of the disas-
15 ter.

16 d. "Participating municipality" shall mean an eligible municipality
17 that has passed a local law, ordinance, or resolution to provide assess-

25 defined under paragraphs (a) through (g) of subdivision twelve of
26 section one hundred two of this chapter.

27 3. Assessment relief for disaster victims in an eligible county. (a)
28 Notwithstanding any provision of law to the contrary, where real proper-
29 ty is impacted by a disaster that led to the declaration of a state
30 disaster emergency, and such property is located within a participating
31 municipality, assessment relief shall be granted as follows:

32 (i) If a participating municipality has elected to provide assessment
33 relief for real property that lost at least ten percent but less than
34 twenty percent of its improved value due to a disaster, the assessed
35 value attributable to the improvements shall be reduced by fifteen
36 percent for purposes of the participating municipality on the impacted
37 tax roll.

38 (ii) If a participating municipality has elected to provide assessment
39 relief for real property that lost at least twenty percent but less than
40 thirty percent of its improved value due to a disaster, the assessed
41 value attributable to the improvements shall be reduced by twenty-five
42 percent for purposes of the participating municipality on the impacted
43 tax roll.

44 (iii) If a participating municipality has elected to provide assess-
45 ment relief for real property that lost at least thirty percent but less
46 than forty percent of its improved value due to a disaster, the assessed
47 value attributable to the improvements shall be reduced by thirty-five
48 percent for purposes of the participating municipality on the impacted
49 tax roll.

50 (iv) If a participating municipality has elected to provide assessment
51 relief for real property that lost at least forty percent but less than
52 fifty percent of its improved value due to a disaster, the assessed
53 value attributable to the improvements shall be reduced by forty-five
54 percent for purposes of the participating municipality on the impacted
55 tax roll.

1 (v) If the property lost at least fifty but less than sixty percent of
2 its improved value due to a disaster, the assessed value attributable to
3 the improvements shall be reduced by fifty-five percent for purposes of
4 the participating municipality on the impacted tax roll.

5 (vi) If the property lost at least sixty but less than seventy percent
6 of its improved value due to a disaster, the assessed value attributable
7 to the improvements shall be reduced by sixty-five percent for purposes
8 of the participating municipality on the impacted tax roll.

9 (vii) If the property lost at least seventy but less than eighty
10 percent of its improved value due to a disaster, the assessed value
11 attributable to the improvements shall be reduced by seventy-five
12 percent for purposes of the participating municipality on the impacted
13 tax roll.

14 (viii) If the property lost at least eighty but less than ninety
15 percent of its improved value due to a disaster, the assessed value
16 attributable to the improvements shall be reduced by eighty-five percent
17 for purposes of the participating municipality on the impacted tax roll.

18 (ix) If the property lost at least ninety but less than one hundred
19 percent of its improved value due to a disaster, the assessed value
20 attributable to the improvements shall be reduced by ninety-five percent
21 for purposes of the participating municipality on the impacted tax roll.

22 (x) If the property lost one hundred percent of its improved value due
23 to a disaster, the assessed value attributable to the improvements shall
24 be reduced by one hundred percent for purposes of the participating
25 municipality on the impacted tax roll.

26 (xi) The percentage loss in improved value for this purpose shall be
27 adopted by the assessor from a written finding of the Federal Emergency
28 Management Agency or, where no such finding exists, shall be determined
29 by the assessor in the manner provided by this section, subject to
30 review by the board of assessment review.

31 (xii) Where the assessed value of a property is reduced pursuant to
32 this section, the difference between the property's assessed value and
33 its reduced assessed value shall be exempt from taxation. No reduction
34 in assessed value shall be granted pursuant to this section except as
35 specified above for such counties. No reduction in assessed value shall
36 be granted pursuant to this section for purposes of any county, city,
37 town, village or school district that has not adopted the provisions of
38 this section.

39 (b) To receive such relief pursuant to this section, a property owner
40 in a participating municipality shall submit a written request to the
41 assessor on a form prescribed by the commissioner within one hundred
42 twenty days following the date upon which the state disaster emergency
43 was declared by the governor, provided, however, that such one hundred
44 twenty day period may be extended to a total of up to one hundred eighty
45 days by a local law, ordinance or resolution adopted by the governing
46 body of the assessing unit. A copy of any such local law, ordinance or
47 resolution shall be filed with the commissioner. Such request shall
48 attach any and all determinations by the Federal Emergency Management
49 Agency, and any and all reports by an insurance adjuster, shall describe
50 in reasonable detail the damage caused to the property by the disaster
51 and the condition of the property following the disaster, and shall be
52 accompanied by supporting documentation, if available.

53 (c) Upon receiving such a request, the assessor shall adopt the find-
54 ing by the Federal Emergency Management Agency or, if such finding does
55 not exist, the assessor shall make a finding as to whether the property
56 lost at least fifty percent of its improved value or, if a participating

1 municipality has elected to provide assessment relief for real property
2 that lost a lesser percentage of improved value such lesser percentage
3 of its improved value, as a result of a disaster. The assessor shall
4 thereafter adopt or classify the percentage loss of improved value with-
5 in one of the following ranges:

6 (i) At least ten percent but less than twenty percent, provided that
7 this range shall only be applicable if a participating municipality has
8 elected to provide assessment relief for losses within this range,

9 (ii) At least twenty percent but less than thirty percent, provided
10 that this range shall only be applicable if a participating municipality
11 has elected to provide assessment relief for losses within this range,

12 (iii) At least thirty percent but less than forty percent, provided
13 that this range shall only be applicable if a participating municipality
14 has elected to provide assessment relief for losses within this range,

15 (iv) At least forty percent but less than fifty percent, provided that
16 this range shall only be applicable if a participating municipality has
17 elected to provide assessment relief for losses within this range,

18 (v) At least fifty percent but less than sixty percent,

19 (vi) At least sixty percent but less than seventy percent,

20 (vii) At least seventy percent but less than eighty percent,

21 (viii) At least eighty percent but less than ninety percent,

22 (ix) At least ninety percent but less than one hundred percent, or

23 (x) One hundred percent.

24 (d) On or before the thirtieth day after the last date for the filing
25 of requests for relief pursuant to this section, the assessor shall mail
26 written notice of such findings to the property owner and participating
27 municipality. The notice shall indicate that if the property owner is
28 dissatisfied with these findings, he or she may file a complaint with
29 the board of assessment review up until the date specified in such
30 notice, which date shall be the twenty-first day after the last date for
31 the mailing of such notices. If any complaints are so filed, such board
32 shall reconvene upon ten days written notice to the property owner and
33 assessor to hear and determine the complaint, and shall mail written
34 notice of its determination to the assessor and property owner within
35 fifteen days of such hearing. The provisions of article five of this
36 chapter shall govern the review process to the extent practicable. For
37 the purposes of this section only, the applicant may commence, within
38 thirty days of mailing of a written determination, a proceeding under
39 title one of article seven of this chapter or, if applicable, under
40 title one-A of article seven of this chapter. Sections seven hundred
41 twenty-seven and seven hundred thirty-nine of this chapter shall not
42 apply.

43 (e) Where property has lost at least fifty percent of its improved
44 value or, if a participating municipality has elected to provide assess-
45 ment relief for real property that lost a lesser percentage of improved
46 value such lesser percentage, due to a disaster, the assessed value
47 attributable to the improvements on the property on the impacted assess-
48 ment roll shall be reduced by the appropriate percentage specified in
49 paragraph (a) of this subdivision, provided that any exemptions that the
50 property may be receiving shall be adjusted as necessary to account for
51 such reduction in the total assessed value. To the extent the total
52 assessed value of the property originally appearing on such roll exceeds
53 the amount to which it should be reduced pursuant to this section, the
54 excess shall be considered an error in essential fact as defined by
55 subdivision three of section five hundred fifty of this chapter. The
56 assessor shall thereupon be authorized and directed to correct the

assessment roll accordingly or, if another person has custody or control of the assessment roll, to direct such person to make the appropriate corrections. If the correction is made after taxes are levied but before such taxes are paid, the collecting officer shall be authorized and directed to correct the applicant's tax bill accordingly. If the correction is made after taxes are paid, the authorities of each participating municipal corporation shall be authorized and directed to issue a refund in the amount of the excess taxes paid with regard to such participating municipal corporation.

(f) The rights contained in this section shall not otherwise diminish any other legally available right of any property owner or party who may otherwise lawfully challenge the valuation or assessment of any real property or improvements thereon. All remaining rights hereby remain and shall be available to the party to whom such rights would otherwise be available notwithstanding this section.

4. School districts held harmless. Each school district that is wholly or partially contained within an eligible county shall be held harmless by the state for any reduction in state aid that would have been paid as tax savings pursuant to section thirteen hundred six-a of this chapter incurred due to the provisions of this section.

5. Bonds authorized. Serial bonds and, in advance of such, bond anticipation notes are hereby authorized pursuant to subdivision thirty-three-e of paragraph a of section 11.00 of the local finance law, provided, however, that any federal community development block grant funding received by such participating municipality, in relation to loss of property tax funding, shall first be used to defease, upon maturity, the interest and principal of any such bond or note so outstanding.

§ 2. Paragraph a of section 11.00 of the local finance law is amended by adding a new subdivision 33-e to read as follows:

33-e. Real property tax refunds and credits. Payments of exemptions, refunds, or credits for real property tax, sewer and water rents, rates and charges and all other real property taxes to be made by a municipality, school district or district corporation as a result of providing assessment relief in a state disaster emergency pursuant to section four hundred ninety-seven of the real property tax law, ten years.

§ 3. This act shall take effect immediately.

SUBPART B

Section 1. Paragraph (b) of subdivision 1 of section 523 of the real property tax law, as amended by chapter 223 of the laws of 1987, is amended to read as follows:

(b) The board of assessment review shall consist of not less than three nor more than five members appointed by the legislative body of the local government or village or as provided by subdivision five of section fifteen hundred thirty-seven of this chapter, if applicable.

Members shall have a knowledge of property values in the local government or village. Neither the assessor nor any member of his or her staff may be appointed to the board of assessment review. A majority of such board shall consist of members who are not officers or employees of the local government or village.

§ 2. Subdivision 1 of section 1537 of the real property tax law, as added by chapter 512 of the laws of 1993, is amended and a new subdivision 5 is added to read as follows:

1. (a) An assessing unit and a county shall have the power to enter into, amend, cancel and terminate an agreement for appraisal services,

1 exemption services, [~~ex~~] assessment services, or assessment review
2 services, in the manner provided by this section. Such an agreement
3 shall be considered an agreement for the provision of a "joint service"
4 for purposes of article five-G of the general municipal law, notwith-
5 standing the fact that the county would not have the power to perform
6 such services in the absence of such an agreement.

7 (b) Any such agreement shall be approved by both the assessing unit
8 and the county, by a majority vote of the voting strength of each
9 governing body.

10 (c) In the case of an assessing unit, no such agreement shall be
11 submitted to the governing body for approval unless at least forty-five
12 days prior to such submission, the governing body shall have adopted a
13 resolution, subject to a permissive referendum, authorizing the assess-
14 ing unit to negotiate such an agreement with the county; provided,
15 however, that such prior authorization shall not be required for an
16 agreement to amend, cancel or terminate an existing agreement pursuant
17 to this section.

18 5. An agreement between an assessing unit and a county for assessment
19 review services shall provide for the members of the board of assessment
20 review of the assessing unit to be appointed by the legislative body of
21 the county upon the recommendation of the county director of the real
22 property tax services. Each member so appointed shall be a resident of
23 the county but need not be a resident of the assessing unit. The board
24 of assessment review as so constituted shall have the authority to
25 receive, review and resolve petitions for assessment review filed in
26 such assessing unit, and for the corrections of errors therein, to the
27 full extent set forth in article five of this chapter.

28 § 3. Subdivision 1 of section 1408 of the real property tax law, as
29 amended by chapter 473 of the laws of 1984, is amended to read as
30 follows:

31 1. At the time and place and during the hours specified in the notice
32 given pursuant to section fourteen hundred six of this chapter, the
33 board of review shall meet to hear complaints relating to assessments
34 brought before it. The board of trustees and assessors, or a committee
35 of such board constituting at least a majority thereof and the assessors
36 or a board of assessment review constituted pursuant to section five
37 hundred twenty-three of this chapter, or as provided by subdivision five
38 of section fifteen hundred thirty-seven of this chapter, if applicable,
39 shall constitute the board of review.

40 § 4. This act shall take effect immediately.

41 SUBPART C

42 Section 1. Subdivision 4 of section 318 of the real property tax law,
43 as amended by chapter 527 of the laws of 1997 and as further amended by
44 subdivision (b) of section 1 of part W of chapter 56 of the laws of
45 2010, is amended to read as follows:

46 4. Notwithstanding the provisions of this subdivision or any other
47 law, the travel and other actual and necessary expenses incurred by an
48 appointed or elected assessor, or by a person appointed assessor for a
49 forthcoming term, or by an assessor-elect prior to the commencement of
50 his or her term, in satisfactorily completing courses of training as
51 required by this title or as approved by the commissioner, including
52 continuing education courses prescribed by the commissioner which are
53 satisfactorily completed by any elected assessor, shall be a state
54 charge upon audit by the comptroller. Travel and other actual and neces-

1 sary expenses incurred by an acting assessor who has been exercising the
2 powers and duties of the assessor for a period of at least six months,
3 in attending training courses no earlier than twelve months prior to the
4 date when courses of training and education are required, shall also be
5 a state charge upon audit by the comptroller. Candidates for certifi-
6 cation as eligible for the position of assessor, other than assessors
7 or assessors-elect, shall be charged for the cost of training materials
8 and shall be responsible for all other costs incurred by them in
9 connection with such training. Notwithstanding the foregoing provisions
10 of this subdivision, if the provider of a training course has asked the
11 commissioner to approve the course for credit only, so that attendees
12 who successfully complete the course would be entitled to receive credit
13 without having their expenses reimbursed by the state, and the commis-
14 sioner has agreed to do so, the travel and other actual and necessary
15 expenses incurred by such attendees shall not be a state charge.

16 § 2. Paragraph f of subdivision 3 of section 1530 of the real property
17 tax law, as amended by chapter 361 of the laws of 1986 and as further
18 amended by subdivision (b) of section 1 of part W of chapter 56 of the
19 laws of 2010, is amended to read as follows:

20 f. Expenses in attending training courses. Notwithstanding the
21 provisions of any other law, the travel and other actual and necessary
22 expenses incurred by a director or a person appointed director for a
23 forthcoming term in attending courses of training as required by this
24 subdivision or as approved by the commissioner shall be a state charge
25 upon audit by the comptroller. Notwithstanding the foregoing provisions
26 of this paragraph, if the provider of a training course has asked the
27 commissioner to approve the course for credit only, so that attendees
28 who successfully complete the course would be entitled to receive credit
29 without having their expenses reimbursed by the state, and the commis-
30 sioner has agreed to do so, the travel and other actual and necessary
31 expenses incurred by such attendees shall not be a state charge.

32 § 3. This act shall take effect immediately.

33 SUBPART D

34 Section 1. Section 104 of the real property tax law, as added by
35 section 1 of part U of chapter 61 of the laws of 2011, is amended to
36 read as follows:

37 § 104. Electronic real property tax administration. 1. Notwithstanding
38 any provision of law to the contrary, the commissioner is hereby author-
39 ized to establish standards for electronic real property tax adminis-
40 tration (E-RPT). Such standards shall set forth the terms and conditions
41 under which the various tasks associated with real property tax adminis-
42 tration may be executed electronically, dispensing with the need for
43 paper documents. Such tasks shall include any or all of the following:

- 44 (a) The filing of exemption applications;
- 45 (b) The filing of petitions for administrative review of assessments;
- 46 (c) The filing of petitions for judicial review of assessments;
- 47 (d) The filing of applications for administrative corrections of
48 errors;
- 49 (e) The issuance of statements of taxes;
- 50 (f) The payment of taxes, subject to the provisions of sections five
51 and five-b of the general municipal law;
- 52 (g) The provision of receipts for the payment of taxes;
- 53 (h) The issuance of taxpayer notices required by law, including
54 sections five hundred eight, five hundred ten, five hundred ten-a, five

1 hundred eleven, five hundred twenty-five and five hundred fifty-one-a
2 through five hundred fifty-six-b of this chapter; and

3 (i) The furnishing of notices and certificates under this chapter
4 relating to state equalization rates, residential assessment ratios,
5 special franchise assessments, railroad ceilings, taxable state lands,
6 advisory appraisals, and the certification of assessors and county
7 directors or real property tax services, subject to the provisions of
8 subdivision five of this section.

9 2. Such standards shall be developed after consultation with local
10 government officials, the office of court administration in the case of
11 standards relating to petitions for judicial review of assessments, and
12 the office of the state comptroller in the case of standards relating to
13 payments or taxes and the issuance of receipts therefor.

14 3. (a) Taxpayers shall not be required to accept notices, statements
15 of taxes, receipts for the payment of taxes, or other documents elec-
16 tronically unless they have so elected. Taxpayers who have not so
17 elected shall be sent such communications in the manner otherwise
18 provided by law.

19 (b) [~~Assessors and other municipal officials shall not be required to~~
20 ~~accept and respond to communications from the commissioner electron-~~
21 ~~ically.~~

22 (e)] The governing board of any municipal corporation may, by local
23 law, ordinance or resolution, determine that it is in the public inter-
24 est for such municipal corporation to provide electronic real property
25 tax administration. Upon adoption of such local law, ordinance or resol-
26 ution, such municipal corporation shall comply with standards set forth
27 by the commissioner.

28 [~~(d)~~] (c) The standards prescribed by the commissioner pursuant to
29 this section relating to communications with taxpayers shall provide for
30 the collection of electronic contact information, such as e-mail
31 addresses and/or social network usernames, from taxpayers who have
32 elected to receive electronic communications in accordance with the
33 provisions of this section. Such information shall be exempt from public
34 disclosure in accordance with section eighty-nine of the public officers
35 law.

36 4. When a document has been transmitted electronically in accordance
37 with the provisions of this section and the standards adopted by the
38 commissioner hereunder, it shall be deemed to satisfy the applicable
39 legal requirements to the same extent as if it had been mailed via the
40 United States postal service.

41 5. (a) On and after January first, two thousand twenty, whenever the
42 commissioner is obliged by law to mail a notice of the determination of
43 a tentative state equalization rate, tentative special franchise assess-
44 ment, tentative assessment ceiling or other tentative determination of
45 the commissioner that is subject to administrative review, the commis-
46 sioner shall be authorized to furnish the required notice by e-mail, or
47 by causing it to be posted on the department's website, or both, at his
48 or her discretion. When providing notice of a tentative determination
49 by causing it to be posted on the department's website, the commissioner
50 also shall e-mail the parties required by law to receive such notice, to
51 inform them that the notice of tentative determination has been posted
52 on the website. Such notice of tentative determination shall not be
53 deemed complete unless such emails have been sent. Notwithstanding any
54 provision of law to the contrary, the commissioner shall not be required
55 to furnish such notices by postal mail, except as provided by paragraphs
56 (d) and (e) of this subdivision.

1 (b) When providing notice of a tentative determination by e-mail or
2 posting pursuant to this subdivision, the commissioner shall specify an
3 e-mail address to which complaints regarding such tentative determi-
4 nation may be sent. A complaint that is sent to the commissioner by
5 e-mail to the specified e-mail address by the date prescribed by law for
6 the mailing of such complaints shall be deemed valid to the same extent
7 as if it had been sent by postal mail.

8 (c) When a final determination is made in such a matter, notice of the
9 final determination and any certificate relating thereto shall be
10 furnished by e-mail or by a website posting, or both at the commission-
11 er's discretion, and need not be provided by postal mail, except as
12 provided by paragraphs (d) and (e) of this subdivision. When providing
13 notice of a final determination by website posting, the commissioner
14 also shall e-mail the parties required by law to receive such notice, to
15 inform them that the notice of final determination has been posted on
16 the website. Such notice of final determination shall not be deemed
17 complete unless such emails have been sent.

18 (d) If an assessor has advised the commissioner in writing that he or
19 she prefers to receive the notices described in this subdivision by
20 postal mail, the commissioner shall thereafter send such notices to that
21 assessor by postal mail, and need not send such notices to that assessor
22 by e-mail. The commissioner shall prescribe a form that assessors may
23 use to advise the commissioner of their preference for postal mail.

24 (e) If the commissioner learns that an e-mail address to which a
25 notice has been sent pursuant to this subdivision is not valid, and the
26 commissioner cannot find a valid e-mail address for that party, the
27 commissioner shall resend the notice to the party by postal mail. If the
28 commissioner does not have a valid e-mail address for the party at the
29 time the notice is initially required to be sent, the commissioner shall
30 send the notice to that party by postal mail.

31 (f) On or before November thirtieth, two thousand nineteen, the
32 commissioner shall send a notice by postal mail to assessors, to chief
33 executive officers of assessing units, and to owners of special fran-
34 chise property and railroad property, informing them of the provisions
35 of this section. The notice to be sent to assessors shall include a
36 copy of the form prescribed pursuant to paragraph (d) of this subdivi-
37 sion.

38 (g) As used in this subdivision, the term "postal mail" shall mean
39 mail that is physically delivered to the addressee by the United States
40 postal service.

41 § 2. This act shall take effect immediately.

42 SUBPART E

43 Section 1. Subdivision 4 of section 302 of the real property tax law,
44 as amended by chapter 348 of the laws of 2007, is amended to read as
45 follows:

46 4. The taxable status of a special franchise shall be determined on
47 the basis of its value and its ownership as of the first day of [~~July~~]
48 January of the year preceding the year in which the assessment roll on
49 which such property is to be assessed is completed and filed in the
50 office of the city or town clerk, except that taxable status of such
51 properties shall be determined on the basis of ownership as of the first
52 day of [~~July~~] January of the second year preceding the date required by
53 law for the filing of the final assessment roll for purposes of all
54 village assessment rolls.

1 § 2. Subdivision 2 of section 606 of the real property tax law, as
2 amended by chapter 743 of the laws of 2005 and as further amended by
3 subdivision (b) of section 1 of part W of chapter 56 of the laws of
4 2010, is amended to read as follows:

5 2. In any assessing unit which has completed a revaluation since nine-
6 teen hundred fifty-three or which does not contain property that was
7 assessed in nineteen hundred fifty-three, the commissioner shall deter-
8 mine the full value of such special franchise as of the [~~valuation date~~
9 ~~of the assessing unit~~] taxable status date specified by subdivision four
10 of section three hundred two of this chapter. Such full value shall be
11 determined by the commissioner for purposes of sections six hundred
12 eight, six hundred fourteen and six hundred sixteen of this article.
13 These full values shall be entered on the assessment roll at the level
14 of assessment, which shall be the uniform percentage of value, as
15 required by section five hundred two of this chapter, appearing on the
16 tentative assessment roll upon which the assessment is entered. Whenever
17 a final state equalization rate, or, in the case of a special assessing
18 unit, a class equalization rate, is established that is different from a
19 level of assessment applied pursuant to this paragraph, any public offi-
20 cial having custody of that assessment roll is hereby authorized and
21 directed to recompute these assessments to reflect that equalization
22 rate, provided such final rate is established by the commissioner at
23 least ten days prior to the date for levy of taxes against those assess-
24 ments.

25 § 3. This act shall take effect January 1, 2020.

26 SUBPART F

27 Section 1. The real property tax law is amended by adding a new
28 section 575-a to read as follows:

29 § 575-a. Electric generating facility annual reports. 1. Every corpo-
30 ration, company, association, joint stock association, partnership and
31 person, their lessees, trustees or receivers appointed by any court
32 whatsoever, owning, operating or managing any electric generating facil-
33 ity in the state shall annually file with the commissioner, by April
34 thirtieth, a report showing the inventory, revenue, and expenses associ-
35 ated therewith for the most recent fiscal year. Such report shall be in
36 the form and manner prescribed by the commissioner.

37 2. When used in this section, "electric generating facility" shall
38 mean any facility that generates electricity for sale, directly or indi-
39 rectly, to the public, including the land upon which the facility is
40 located, any equipment used in such generation, and equipment leading
41 from the facility to the interconnection with the electric transmission
42 system, but shall not include:

43 (a) any equipment in the electric transmission system; and

44 (b) any electric generating equipment owned or operated by a residen-
45 tial customer of an electric generating facility, including the land
46 upon which the equipment is located, when located and used at his or her
47 residence.

48 3. Every electric generating facility owner, operator, or manager
49 failing to make the report required by this section, or failing to make
50 any report required by the commissioner pursuant to this section within
51 the time specified by it, shall forfeit to the people of the state the
52 sum of ten thousand dollars for every such failure and the additional
53 sum of one thousand dollars for each day that such failure continues.

54 § 2. This act shall take effect January 1, 2020.

1 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
2 sion, section or subpart of this act shall be adjudged by any court of
3 competent jurisdiction to be invalid, such judgment shall not affect,
4 impair, or invalidate the remainder thereof, but shall be confined in
5 its operation to the clause, sentence, paragraph, subdivision, section
6 or subpart thereof directly involved in the controversy in which such
7 judgment shall have been rendered. It is hereby declared to be the
8 intent of the legislature that this act would have been enacted even if
9 such invalid provisions had not been included herein.

10 § 3. This act shall take effect immediately provided, however, that
11 the applicable effective date of Subparts A through F of this Part shall
12 be as specifically set forth in the last section of such Subparts.

13 PART K

15 section 2 of part E of chapter 59 of the laws of 2018, is REPEALED.

16 § 2. This act shall take effect immediately and shall be deemed to
17 have been in full force and effect on and after April 12, 2018.

18 PART L

19 Section 1. The tax law is amended by adding a new section 44 to read
20 as follows:

21 § 44. Employer-provided child care credit. (a) General. A taxpayer
22 subject to tax under article nine-A, twenty-two, or thirty-three of this
23 chapter shall be allowed a credit against such tax in an amount equal to
24 the portion of the credit that is allowed to the taxpayer under section
25 45F of the internal revenue code that is attributable to (i) qualified
26 child care expenditures paid or incurred with respect to a qualified
27 child care facility with a situs in the state, and to (ii) qualified
28 child care resource and referral expenditures paid or incurred with
29 respect to the taxpayer's employees working in the state. The credit
30 allowable under this subdivision for any taxable year shall not exceed
31 one hundred fifty thousand dollars. If the entity operating the quali-
32 fied child care facility is a partnership or a New York S corporation,
33 then such cap shall be applied at the entity level, so the aggregate
34 credit allowed to all the partners or shareholders of such entity in a
35 taxable year does not exceed one hundred fifty thousand dollars.

36 (b) Credit recapture. If there is a cessation of operation or change
37 in ownership, as defined by section 45F of the internal revenue code
38 relating to a qualified child care facility with a situs in the state,
39 the taxpayer shall add back the applicable recapture percentage of the
40 credit allowed under this section in accordance with the recapture
41 provisions of section 45F of the internal revenue code, but the recap-
42 ture amount shall be limited to the credit allowed under this section.

43 (c) Reporting requirements. A taxpayer that has claimed a credit under
44 this section shall notify the commissioner of any cessation of opera-
45 tion, change in ownership, or agreement to assume recapture liability as
46 such terms are defined by section 45F of the internal revenue code, in
47 the form and manner prescribed by the commissioner.

48 (d) Definitions. The terms "qualified child care expenditures", "qual-
49 ified child care facility", "qualified child care resource and referral
50 expenditure", "cessation of operation", "change of ownership", and
51 "applicable recapture percentage" shall have the same meanings as in
52 section 45F of the internal revenue code.

1 (e) Cross-references. For application of the credit provided for in
 2 this section, see the following provisions of this chapter:

3 (1) article 9-A: section 210-B, subdivision 53;

4 (2) article 22: section 606(i), subsections (i) and (jjj);

5 (3) article 33: section 1511, subdivision (dd).

6 § 2. Section 210-B of the tax law is amended by adding a new subdivi-
 7 sion 53 to read as follows:

8 53. Employer-provided child care credit. (a) Allowance of credit. A
 9 taxpayer shall be allowed a credit, to be computed as provided in
 10 section forty-four of this chapter, against the tax imposed by this
 11 article.

12 (b) Application of credit. The credit allowed under this subdivision
 13 for any taxable year may not reduce the tax due for such year to less
 14 than the amount prescribed in paragraph (d) of subdivision one of
 15 section two hundred ten of this article. However, if the amount of the
 16 credit allowed under this subdivision for any taxable year reduces the
 17 tax to such amount or if the taxpayer otherwise pays tax based on the
 18 fixed dollar minimum amount, any amount of credit thus not deductible in
 19 such taxable year will be treated as an overpayment of tax to be credit-
 20 ed or refunded in accordance with the provisions of section one thousand
 21 eighty-six of this chapter. Provided, however, the provisions of
 22 subsection (c) of section one thousand eighty-eight of this chapter
 23 notwithstanding, no interest shall be paid thereon.

24 (c) Credit recapture. For provisions requiring recapture of credit,
 25 see section forty-four of this chapter.

26 § 3. Subparagraph (B) of paragraph 1 of subsection (i) of section 606
 27 of the tax law is amended by adding a new clause (xliv) to read as
 28 follows:

29 <u>(xliv) Employer-provided child</u>	<u>Amount of credit under subdivision</u>
30 <u>care credit (jjj)</u>	<u>fifty-three of section two hundred</u>
	31 <u>ten-B</u>

32 § 4. Section 606 of the tax law is amended by adding a new subsection
 33 (jjj) to read as follows:

34 (jjj) Employer-provided child care credit. (1) Allowance of credit. A
 35 taxpayer shall be allowed a credit, to be computed as provided in
 36 section forty-four of this chapter, against the tax imposed by this
 37 article.

38 (2) Application of credit. If the amount of the credit allowed under
 39 this subsection for any taxable year exceeds the taxpayer's tax for such
 40 year, the excess will be treated as an overpayment of tax to be credited
 41 or refunded in accordance with the provisions of section six hundred
 42 eighty-six of this article, provided, however, that no interest will be
 43 paid thereon.

44 (3) Credit recapture. For provisions requiring recapture of credit,
 45 see section forty-four of this chapter.

46 § 5. Section 1511 of the tax law is amended by adding a new subdivi-
 47 sion (dd) to read as follows:

48 (dd) Employer-provided child care credit. (1) Allowance of credit. A
 49 taxpayer shall be allowed a credit, to be computed as provided in
 50 section forty-four of this chapter, against the tax imposed by this
 51 article.

52 (2) Application of credit. The credit allowed under this subdivision
 53 shall not reduce the tax due for such year to be less than the minimum
 54 fixed by paragraph four of subdivision (a) of section fifteen hundred
 55 two or section fifteen hundred two-a of this article, whichever is
 56 applicable. However, if the amount of the credit allowed under this

1 subdivision for any taxable year reduces the taxpayer's tax to such
 2 amount, any amount of credit thus not deductible will be treated as an
 3 overpayment of tax to be credited or refunded in accordance with the
 4 provisions of section one thousand eighty-six of this chapter.
 5 Provided, however, the provisions of subsection (c) of one thousand
 6 eighty-eight of this chapter notwithstanding, no interest shall be paid
 7 thereon.

8 (3) Credit recapture. For provisions requiring recapture of credit,
 9 see section forty-four of this chapter

10 § 6. This act shall take effect immediately and apply to years begin-
 11 ning on or after January 1, 2020.

12 PART M

13 Section 1. Paragraph 1 of subsection (b) of section 631 of the tax law
 14 is amended by adding a new subparagraph (D-1) to read as follows:

15 (D-1) gambling winnings in excess of five thousand dollars from wager-
 16 ing transactions within the state; or

17 § 2. Paragraph 2 of subsection (b) of section 671 of the tax law is
 18 amended by adding a new subparagraph (E) to read as follows:

 23 years beginning on or after January 1, 2019; provided, however that the
 24 amendments to subsection (b) of section 671 of the tax law made by
 25 section two of this act shall not affect the expiration of such
 26 subsection and shall be deemed to expire therewith.

27 PART N

28 Section 1. Subdivision (c) of section 42 of the tax law, as added by
 29 section 1 of part RR of chapter 60 of the laws of 2016, is amended to
 30 read as follows:

31 (c) For purposes of this [~~subdivision~~] section, the term "eligible
 32 farmer" means a taxpayer whose federal gross income from farming as
 33 defined in subsection (n) of section six hundred six of this chapter for
 34 the taxable year is at least two-thirds of excess federal gross income.
 35 Excess federal gross income means the amount of federal gross income
 36 from all sources for the taxable year in excess of thirty thousand
 37 dollars. For [~~the~~] purposes of this [~~subdivision~~] section, payments from
 38 the state's farmland protection program, administered by the department
 39 of agriculture and markets, shall be included as federal gross income
 40 from farming for otherwise eligible farmers.

41 § 2. Section 42 of the tax law is amended by adding a new subdivision
 42 (d-1) to read as follows:

43 (d-1) Special rules. If more than fifty percent of such eligible farm-

 45 licensed farm winery as provided for in article six of the alcoholic
 46 beverage control law, or from the sale of cider from a licensed farm
 47 cidery as provided for in section fifty-eight-c of the alcoholic bever-
 48 age control law, then an eligible farm employee of such eligible farmer
 49 shall be included for purposes of calculating the amount of credit
 50 allowed under this section only if such eligible farm employee is
 51 employed by such eligible farmer on qualified agricultural property as

1 defined in paragraph four of subsection (n) of section six hundred six
2 of this chapter.

3 § 3. This act shall take effect immediately and shall apply to taxable
4 years beginning on or after January 1, 2019.

5 PART O

6 Section 1. Section 12 of part N of chapter 61 of the laws of 2005,
7 amending the tax law relating to certain transactions and related infor-
8 mation and relating to the voluntary compliance initiative, as amended
9 by section 1 of part M of chapter 60 of the laws of 2016, is amended to
10 read as follows:

29 shall apply to any tax liability for which the statute of limitations on
30 assessment has not expired as of the date this act shall take effect;
31 and

32 (iii) provided, further, that the provisions of this act, except

34 [~~2019~~] 2024; provided, that, such expiration and repeal shall not affect
35 any requirement imposed pursuant to this act.

36 § 2. Subsection (aa) of section 685 of the tax law is REPEALED and a
37 new subsection (aa) is added to read as follows:

38 (aa) Tax preparer penalty.-- (1) If a tax return preparer takes a
39 position on any income tax return or credit claim form that either
40 understates the tax liability or increases the claim for a refund, and
41 the preparer knew, or reasonably should have known, that said position
42 was not proper, and such position was not adequately disclosed on the
43 return or in a statement attached to the return, such income tax prepar-
44 er shall pay a penalty of between one hundred and one thousand dollars.

45 (2) If a tax return preparer takes a position on any income tax return
46 or credit claim form that either understates the tax liability or
47 increases the claim for a refund and the understatement of the tax
48 liability or the increased claim for refund is due to the preparer's
49 reckless or intentional disregard of the law, rules or regulations, such
50 preparer shall pay a penalty of between five hundred and five thousand
51 dollars. The amount of the penalty payable by any person by reason of
52 this paragraph shall be reduced by the amount of the penalty paid by
53 such person by reason of paragraph one of this subsection.

1 (3) For purposes of this subsection, the term "understatement of tax
2 liability" means any understatement of the net amount payable with
3 respect to any tax imposed under this article or any overstatement of
4 the net amount creditable or refundable with respect to any such tax.

5 (4) For purposes of this subsection, the term "tax return prepared"
6 shall have the same meaning as defined in paragraph five of subsection
7 (g) of section six hundred fifty-eight of this article.

8 (5) This subsection shall not apply if the penalty under subsection
9 (r) of this section is imposed on the tax return preparer with respect

12 three new paragraphs (1), (2), and (6) to read as follows:

13 (1) Failure to sign return or claim for refund. If a tax return

15 section six hundred fifty-eight of this article to sign a return or
16 claim for refund fails to comply with such requirement with respect to
17 such return or claim for refund, the tax return preparer shall be
18 subject to a penalty of two hundred fifty dollars for each such failure
19 to sign, unless it is shown that such failure is due to reasonable cause
20 and not due to willful neglect. The maximum penalty imposed under this
21 paragraph on any tax return preparer with respect to returns filed
22 during any calendar year by the tax return preparer must not exceed ten
23 thousand dollars. Provided, however, that if a tax return preparer has
24 been penalized under this paragraph for a preceding calendar year and
25 again fails to sign his or her name on any return that requires the tax
26 return preparer's signature during a subsequent calendar year, then the
27 penalty under this paragraph for each failure will be five hundred
28 dollars, and no annual cap will apply. This paragraph shall not apply if
29 the penalty under paragraph three of subsection (g) of section thirty-
30 two of this chapter is imposed on the tax return preparer with respect
31 to such return or claim for refund.

32 (2) Failure to furnish identifying number. If a tax return preparer
33 fails to include any identifying number required to be included on any
34 return or claim for refund pursuant to paragraph two of subsection (g)
35 of section six hundred fifty-eight of this article, the tax return
36 preparer shall be subject to a penalty of one hundred dollars for each
37 such failure, unless it is shown that such failure is due to reasonable
38 cause and not willful neglect. The maximum penalty imposed under this
39 paragraph on any tax return preparer with respect to returns filed
40 during any calendar year must not exceed two thousand five hundred
41 dollars; provided, however, that if a tax return preparer has been
42 penalized under this paragraph for a preceding calendar year and again
43 fails to include the identifying number on one or more returns during a
44 subsequent calendar year, then the penalty under this paragraph for each
45 failure will be two hundred fifty dollars, and no annual cap will apply.
46 This paragraph shall not apply if the penalty under paragraph four of
47 subsection (g) of section thirty-two of this chapter is imposed on the
48 tax return preparer with respect to such return or claim for refund.

49 (6) For purposes of this subsection, the term "tax return preparer"
50 shall have the same meaning as defined in paragraph five of subsection
51 (g) of section six hundred fifty-eight of this article.

52 § 4. This act shall take effect immediately; provided, however, that
53 the amendments to subsection (u) of section 685 of the tax law made by
54 section three of this act shall apply to tax documents filed or required
55 to be filed for taxable years beginning on or after January 1, 2019.

25 dollars of tax credits annually for the recovery tax credit program
26 beginning in the year two thousand twenty.

27 (b) Definitions. 1. The term "certified employer" means an employer
28 that has received a certificate of tax credit from the commissioner
29 after the commissioner has determined that the employer:

30 (i) provides a recovery supportive environment evidenced by a formal
31 working relationship with a local recovery community organization to
32 provide support for employers including any necessary assistance in the
33 hiring process of eligible individuals in recovery from a substance use
34 disorder and training for employers or supervisors; and

35 (ii) fulfills the eligibility criteria set forth in this section and
36 by the commissioner to participate in the recovery tax credit program
37 established in this section.

38 2. The term "eligible individual" means an individual with a substance
39 use disorder as that term is defined in section 1.03 of this chapter who
40 is in a state of wellness where there is an abatement of signs and symp-
41 toms that characterize active addiction and has demonstrated to the
42 qualified employer's satisfaction that he or she has completed a course
43 of treatment for such substance use disorder.

44 (c) Application and approval process. 1. To participate in the program
45 established by this section, an employer must, in a form prescribed by
46 the commissioner, apply annually to the office by January fifteenth to
47 claim credit based on eligible individuals employed during the preceding
48 calendar year. As part of such application, an employer must:

49 (i) Agree to allow the department of taxation and finance to share its
50 tax information with the office of alcoholism and substance abuse
51 services. However, any information shared because of this agreement
52 shall not be available for disclosure or inspection under the state
53 freedom of information law.

1 (ii) Allow the office of alcoholism and substance abuse services and
2 its agents access to all books and records the department may require to
3 monitor compliance with program eligibility requirements.

4 (iii) Demonstrate that the employer has satisfied program eligibility
5 requirements and provided all the information necessary, including the
6 number of hours worked by any eligible individual, for the commissioner
7 to compute an actual amount of credit allowed.

8 2. (i) After reviewing the application and finding it sufficient, the
9 commissioner shall issue a certificate of tax credit by March thirty-
10 first. Such certificate shall include, but not be limited to, the name
11 and employer identification number of the certified employer, the amount
12 of credit that the certified employer may claim, and any other informa-
13 tion the commissioner of taxation and finance determines is necessary.

14 (ii) In determining the amount of credit that any employer may claim,
15 the commissioner shall review all claims submitted for credit by employ-
16 ers and, to the extent that the total amount claimed by employers
17 exceeds the amount allocated for the program in that calendar year,
18 shall issue credits on a pro-rata basis corresponding to each claimant's
19 share of the total claimed amount.

20 (d) Eligibility. A certified employer shall be entitled to a tax cred-
21 it equal to the product of one dollar and the number of hours worked by
22 each eligible individual during such individual's period of eligibility.
23 The credit shall not be allowed unless the eligible individual has
24 worked in state for a minimum of five hundred hours for the certified
25 employer, and the credit cannot exceed two thousand dollars per eligible
26 individual employed by the certified employer in the state. The period
27 of eligibility for each such employee starts on the day the employee is
28 hired and ends on December thirty-first of the immediately succeeding
29 calendar year or the last day of the employee's employment by the certi-
30 fied employer, whichever comes first. If an employee has worked in
31 excess of five hundred hours between the date of hiring and December
32 thirty-first of that year, an employer can elect to compute and claim a
33 credit for such employee in that year based on the hours worked by
34 December thirty-first. Alternatively, the employer may elect to include
35 such individual in the computation of the credit in the year immediately
36 succeeding the year in which the employee was hired. In such case, the
37 credit shall be computed on the basis of all hours worked by such eligi-
38 ble individual from the date of hire to the earlier of the last day of
39 employment or December thirty-first of the succeeding year. However, in
40 no event may an employee generate credit for hours worked in excess of
41 two thousand hours. An employer may claim credit only once with respect
42 to any eligible individual and may not aggregate hours of two or more
43 employees to reach the minimum number of hours.

44 (e) Duties of the commissioner. The commissioner shall annually
45 provide to the commissioner of the department of taxation and finance
46 information about the program including, but not limited to, the number
47 of certified employers then participating in the program, unique identi-
48 fying information for each certified employer, the number of eligible
49 individuals employed by each certified employer, unique identifying
50 information for each eligible individual employed by the certified
51 employers, the number of hours worked by such eligible individuals, the
52 total dollar amount of claims for credit, and the dollar amount of cred-
53 it granted to each certified employer.

54 (f) Certified employer's taxable year. If the certified employer's
55 taxable year is a calendar year, the employer shall be entitled to claim
56 the credit as shown on the certificate of tax credit on the calendar

1 year return for which the certificate of tax credit was issued. If the
 2 certified employer's taxable year is a fiscal year, the employer shall
 3 be entitled to claim the credit as shown on the certificate of tax cred-
 4 it on the return for the fiscal year that includes the last day of the
 5 calendar year covered by the certificate of tax credit.

6 (g) Cross references. For application of the credit provided for in
 7 this section, see the following provisions of the tax law:

8 1. Article 9-A: Section 210-B, subdivision 53.

9 2. Article 22: Section 606, subsection (jjj).

10 3. Article 33: Section 1511, subdivision (dd).

11 § 2. Section 210-B of the tax law is amended by adding a new subdivi-
 12 sion 53 to read as follows:

13 53. Recovery tax credit. (a) Allowance of credit. A taxpayer that is a
 14 certified employer pursuant to section 32.38 of the mental hygiene law
 15 that has received a certificate of tax credit from the commissioner of
 16 the office of alcoholism and substance abuse services shall be allowed a
 17 credit against the tax imposed by this article equal to the amount shown
 18 on such certificate of tax credit. A taxpayer that is a partner in a
 19 partnership or member of a limited liability company that has been
 20 certified by the commissioner of the office of alcoholism and substance
 21 abuse services as a qualified employer pursuant to section 32.38 of the
 22 mental hygiene law shall be allowed its pro rata share of the credit
 23 earned by the partnership or limited liability company.

24 (b) Application of credit. The credit allowed under this subdivision
 25 for any taxable year may not reduce the tax due for that year to less
 26 than the amount prescribed in paragraph (d) of subdivision one of
 27 section two hundred ten of this article. However, if the amount of the
 28 credit allowed under this subdivision for any taxable year reduces the
 29 tax to that amount or if the taxpayer otherwise pays tax based on the
 30 fixed dollar minimum amount, any amount of credit not deductible in that
 31 taxable year will be treated as an overpayment of tax to be credited or
 32 refunded in accordance with the provisions of section one thousand
 33 eighty-six of this chapter. Provided, however, no interest will be paid
 34 thereon.

35 (c) Tax return requirement. The taxpayer shall be required to attach
 36 to its tax return, in the form prescribed by the commissioner, proof of
 37 receipt of its certificate of tax credit issued by the commissioner of
 38 the office of alcoholism and substance abuse services pursuant to
 39 section 32.38 of the mental hygiene law.

40 § 3. Subparagraph (B) of paragraph 1 of subdivision (i) of section 606
 41 of the tax law is amended by adding a new clause (xliv) to read as
 42 follows:

43 <u>(xliv) Recovery tax credit under</u>	<u>Amount of credit under</u>
44 <u>subsection (jjj)</u>	<u>subdivision fifty-three of</u>
45	<u>section two hundred ten-B</u>

46 § 4. Section 606 of the tax law is amended by adding a new subsection
 47 (jjj) to read as follows:

48 (jjj) Recovery tax credit. (1) Allowance of credit. A taxpayer that is
 49 a qualified employer pursuant to section 32.38 of the mental hygiene law
 50 that has received a certificate of tax credit from the commissioner of
 51 the office of alcoholism and substance abuse services shall be allowed a
 52 credit against the tax imposed by this article equal to the amount shown
 53 on such certificate of tax credit. A taxpayer that is a partner in a
 54 partnership, member of a limited liability company or shareholder in an

1 S corporation that has been certified by the commissioner of the office
2 of alcoholism and substance abuse services as a qualified employer
3 pursuant to section 32.38 of the mental hygiene law shall be allowed its
4 pro rata share of the credit earned by the partnership, limited liabil-
5 ity company or S corporation.

6 (2) Overpayment. If the amount of the credit allowed under this
7 subsection for any taxable year exceeds the taxpayer's tax for the taxa-
8 ble year, the excess shall be treated as an overpayment of tax to be
9 credited or refunded in accordance with the provisions of section six
10 hundred eighty-six of this article, provided, however, no interest will
11 be paid thereon.

12 (3) Tax return requirement. The taxpayer shall be required to attach
13 to its tax return, in the form prescribed by the commissioner, proof of
14 receipt of its certificate of tax credit issued by the commissioner of
15 the office of alcoholism and substance abuse services pursuant to
16 section 32.38 of the mental hygiene law.

17 § 5. Section 1511 of the tax law is amended by adding a new subdivi-
18 sion (dd) to read as follows:

19 (dd) Recovery tax credit. (1) Allowance of credit. A taxpayer that is
20 a qualified employer pursuant to section 32.38 of the mental hygiene law
21 that has received a certificate of tax credit from the commissioner of
22 the office of alcoholism and substance abuse services shall be allowed a
23 credit against the tax imposed by this article equal to the amount shown
24 on such certificate of tax credit. A taxpayer that is a partner in a
25 partnership or member of a limited liability company that has been
26 certified by the commissioner of the office of alcoholism and substance
27 abuse services as a qualified employer pursuant to section 32.38 of the
28 mental hygiene law shall be allowed its pro rata share of the credit
29 earned by the partnership or limited liability company.

30 (2) Application of credit. The credit allowed under this subdivision
31 for any taxable year shall not reduce the tax due for such year to less
32 than the minimum tax fixed by paragraph four of subdivision (a) of
33 section fifteen hundred two of this article or by section fifteen
34 hundred two-a of this article, whichever is applicable. However, if the
35 amount of credit allowed under this subdivision for any taxable year
36 reduces the tax to such amount, then any amount of credit thus not
37 deductible in such taxable year shall be treated as an overpayment of
38 tax to be credited or refunded in accordance with the provisions of
39 section one thousand eighty-six of this chapter. Provided, however, the
40 provisions of subsection (c) of section one thousand eighty-eight of
41 this chapter notwithstanding, no interest shall be paid thereon.

42 (3) Tax return requirement. The taxpayer shall be required to attach
43 to its tax return in the form prescribed by the commissioner, proof of
44 receipt of its certificate of tax credit issued by the commissioner of
45 the office of alcoholism and substance abuse services pursuant to
46 section 32.38 of the mental hygiene law.

47 § 6. This act shall take effect immediately and shall apply to taxable

49 eligible individuals hired after this act shall take effect.

46 PART OO

1 Section 1. Subdivision v of section 233 of the real property law, as
2 amended by chapter 566 of the laws of 1996, is amended to read as
3 follows:

4 v. 1. On and after April first, nineteen hundred eighty-nine, the
5 commissioner of housing and community renewal shall have the power and
6 duty to enforce and ensure compliance with the provisions of this
7 section. However, the commissioner shall not have the power or duty to
8 enforce manufactured home park rules and regulations established under
9 subdivision f of this section.

10 2. On or before January first, nineteen hundred eighty-nine, each
11 manufactured home park owner or operator shall file a registration
12 statement with the commissioner and shall thereafter file an annual
13 registration statement on or before January first of each succeeding
14 year. The commissioner, by regulation, shall provide that such registra-
15 tion statement shall include only the names of all persons owning an
16 interest in the park, the names of all tenants of the park, all services
17 provided by the park owner to the tenants and a copy of all current
18 manufactured home park rules and regulations. The reporting of such
19 information to the commissioner of taxation and finance pursuant to
20 subparagraph (B) of paragraph six of subsection (eee) of section six
21 hundred six of the tax law shall be deemed to satisfy the requirements
22 of this paragraph.

23 3. Whenever there shall be a violation of this section, an application
24 may be made by the commissioner of housing and community renewal in the
25 name of the people of the state of New York to a court or justice having
26 jurisdiction by a special proceeding to issue an injunction, and upon
27 notice to the defendant of not less than five days, to enjoin and
28 restrain the continuance of such violation; and if it shall appear to
29 the satisfaction of the court or justice that the defendant has, in
30 fact, violated this section, an injunction may be issued by such court
31 or justice, enjoining and restraining any further violation and with
32 respect to this subdivision, directing the filing of a registration
33 statement. In any such proceeding, the court may make allowances to the
34 commissioner of housing and community renewal of a sum not exceeding two
35 thousand dollars against each defendant, and direct restitution. When-
36 ever the court shall determine that a violation of this section has
37 occurred, the court may impose a civil penalty of not more than one
38 thousand five hundred dollars for each violation. Such penalty shall be
39 deposited in the manufactured home cooperative fund, created pursuant to
40 section fifty-nine-h of the private housing finance law. In connection
41 with any such proposed application, the commissioner of housing and

48 the laws of 2016, is amended to read as follows:

49 (B) (i) In the case of property consisting of a mobile home that is
50 described in paragraph (1) of subdivision two of section four hundred
51 twenty-five of the real property tax law, the amount of the credit
52 allowable with respect to such mobile home shall be equal to the basic
53 STAR tax savings for the school district portion, or the enhanced STAR
54 tax savings for the school district portion, whichever is applicable,
55 that would be applied to a separately assessed parcel in the school
56 district portion with a taxable assessed value equal to twenty thousand

1 dollars multiplied by the latest state equalization rate or special
2 equalization rate for the assessing unit in which the mobile home is
3 located. Provided, however, that if the commissioner is in possession of
4 information, including but not limited to assessment records, that
5 demonstrates to the commissioner's satisfaction that the taxpayer's
6 mobile home is worth more than twenty thousand dollars, or if the
7 taxpayer provides the commissioner with such information, the taxpayer's
8 credit shall be increased accordingly, but in no case shall the credit
9 exceed the basic STAR tax savings or enhanced STAR tax savings, whichev-
10 er is applicable, for the school district portion.

11 (ii) The commissioner may implement an electronic system for the
12 reporting of information by owners and operators of manufactured home
13 parks, as defined by section two hundred thirty-three of the real prop-
14 erty law. Upon the implementation of such a system, each such owner and
15 operator shall file quarterly electronic statements with the commis-
16 sioner no later than twenty-one days after the end of each calendar quarter.
17 Such statement shall require reporting of names of all persons owning an
18 interest in the park, the services provided by the park owner to the
19 tenants, the names and addresses of all tenants of the park, whether the
20 tenant leases or owns the home, and such additional information as the
21 commissioner may deem necessary for the proper administration of the
22 STAR exemption established pursuant to section four hundred twenty-five
23 of the real property tax law and the STAR credit and any other property
24 tax-based credit established pursuant to this section. In the case of a
25 registration statement for the first calendar quarter of a year, such
26 statement shall also include a copy of all current manufactured home
27 park rules and regulations. The commissioner shall provide the commis-
28 sioner of housing and community renewal with the information contained
29 in each quarterly report no later than thirty days after the receipt
30 thereof.

31 § 3. This act shall take effect immediately.

32 PART PP

33 Section 1. Subparagraph (iv) of paragraph (b) of subdivision 4 of
34 section 425 of the real property tax law, as amended by section 2 of
35 part B of chapter 59 of the laws of 2018, is amended to read as follows:

36 (iv) (A) Effective with applications for the enhanced exemption on
37 final assessment rolls to be completed in two thousand nineteen, the
38 application form shall indicate that all owners of the property and any
39 owners' spouses residing on the premises must have their income eligi-
40 bility verified annually by the department and must furnish their
41 taxpayer identification numbers in order to facilitate matching with
42 records of the department. The income eligibility of such persons shall
43 be verified annually by the department, and the assessor shall not
44 request income documentation from them. All applicants for the enhanced
45 exemption and all assessing units shall be required to participate in
46 this program, which shall be known as the STAR income verification
47 program.

48 (B) Effective with final assessment rolls to be completed in two thou-
49 sand twenty, the commissioner shall also annually verify the eligibility
50 of such persons for the enhanced exemption on the basis of age and resi-
51 dency as well as income.

52 (C) Where the commissioner finds that the enhanced exemption should be
53 replaced with a basic exemption because [~~the income limitation applica-~~
54 ~~ble to the enhanced exemption has been exceeded~~] the property is only

1 eligible for a basic exemption, he or she shall provide the property
 2 owners with notice and an opportunity to submit to the commissioner
 3 evidence to the contrary. Where the commissioner finds that the enhanced
 4 exemption should be removed or denied without being replaced with a
 5 basic exemption because [~~the income limitation applicable to the basic~~
 6 ~~exemption has also been exceeded~~] the property is not eligible for
 7 either exemption, he or she shall provide the property owners with
 8 notice and an opportunity to submit to the commissioner evidence to the
 9 contrary. In either case, if the owners fail to respond to such notice
 10 within forty-five days from the mailing thereof, or if their response
 11 does not show to the commissioner's satisfaction that the property is
 12 eligible for the exemption claimed, the commissioner shall direct the
 13 assessor or other person having custody or control of the assessment
 14 roll or tax roll to either replace the enhanced exemption with a basic
 15 exemption, or to remove or deny the enhanced exemption without replacing
 16 it with a basic exemption, as appropriate. The commissioner shall
 17 further direct such person to correct the roll accordingly. Such a
 18 directive shall be binding upon the assessor or other person having
 19 custody or control of the assessment roll or tax roll, and shall be
 20 implemented by such person without the need for further documentation or
 21 approval.

22 [~~(E)~~] (D) Notwithstanding any provision of law to the contrary,
 23 neither an assessor nor a board of assessment review has the authority
 24 to consider an objection to the replacement or removal or denial of an
 25 exemption pursuant to this subdivision, nor may such an action be
 26 reviewed in a proceeding to review an assessment pursuant to title one
 27 or one-A of article seven of this chapter. Such an action may only be
 28 challenged before the department. If a taxpayer is dissatisfied with the
 29 department's final determination, the taxpayer may appeal that determi-
 30 nation to the state board of real property tax services in a form and
 31 manner to be prescribed by the commissioner. Such appeal shall be filed
 32 within forty-five days from the issuance of the department's final
 33 determination. If dissatisfied with the state board's determination, the
 34 taxpayer may seek judicial review thereof pursuant to article seventy-
 35 eight of the civil practice law and rules. The taxpayer shall otherwise
 36 have no right to challenge such final determination in a court action,
 37 administrative proceeding or any other form of legal recourse against
 38 the commissioner, the department, the state board of real property tax
 39 services, the assessor or other person having custody or control of the
 40 assessment roll or tax roll regarding such action.

41 § 2. Paragraph (c) of subdivision 13 of section 425 of the real prop-
 42 erty tax law, as amended by section 1 of part J of chapter 57 of the
 43 laws of 2013, is amended, and a new paragraph (f) is added to read as
 44 follows:

45 (c) Additional consequences. A penalty tax may be imposed pursuant to
 46 this subdivision whether or not the improper exemption has been revoked
 47 in the manner provided by this section. In addition, a person or persons
 48 who are found to have made a material misstatement shall be disqualified
 49 from further exemption pursuant to this section, and from the credit
 50 authorized by subsection (eee) of section six hundred six of the tax
 51 law, for a period of [~~five years if such misstatement appears on an~~
 52 ~~application filed prior to October first, two thousand thirteen, and~~
 53 six years [~~if such misstatement appears on an application filed there-~~
 54 ~~after~~]. In addition, such person or persons may be subject to prose-
 55 cution pursuant to the penal law.

1 (f) Assessor notification. The assessor shall inform the commissioner
2 whenever a person or persons is found to have made a material misstate-
3 ment on an application for the exemption authorized by this section.

4 § 3. Paragraph (13) of subsection (eee) of section 606 of the tax law
5 is amended by adding a new subparagraph (E) to read as follows:

6 (E) A taxpayer who is found to have made a material misstatement on an
7 application for the credit authorized by this section shall be disquali-
8 fied from receiving such credit for six years. As used herein, the term
9 "material misstatement" shall have the same meaning as set forth in
10 paragraph (a) of subdivision thirteen of section four hundred twenty-
11 five of the real property tax law.

12 § 4. Subparagraph (E) of paragraph (10) of subsection (eee) of section
13 606 of the tax law, as amended by section 8 of part A of chapter 73 of
14 the laws of 2016, is amended to read as follows:

15 (E) If the commissioner determines after issuing an advance payment
16 that it was issued in an excessive amount or to an ineligible or incor-
17 rect party, the commissioner shall be empowered to utilize any of the
18 procedures for collection, levy and lien of personal income tax set
19 forth in this article, any other relevant procedures referenced within
20 the provisions of this article, and any other law as may be applicable,
21 to recoup the improperly issued amount; provided that in the event such
22 party was determined to be ineligible on the basis that his or her
23 primary residence received the STAR exemption in the associated fiscal
24 year, the improperly issued credit amount shall be deemed a clerical
25 error and shall be paid upon notice and demand without the issuance of a
26 notice of deficiency and shall be assessed, collected and paid in the
27 same manner as taxes.

28 § 5. This act shall take effect immediately.

29 PART QQ

30 Section 1. Section 425 of the real property tax law is amended by
31 adding a new subdivision 17 to read as follows:

32 17. Certain disclosures authorized. (a) Notwithstanding any provision
33 of law to the contrary, when the commissioner has determined that the
34 owner or owners of a parcel of real property are ineligible for either
35 the STAR exemption authorized by this section or the STAR credit author-
36 ized by subsection (eee) of section six hundred six of the tax law, the
37 commissioner may disclose the names of such owner or owners to the
38 assessor of the assessing unit in which the property is located. In
39 addition:

40 (i) Where the commissioner has found that the STAR exemption or credit
41 could not be granted because the income of the owner or owners is above
42 the applicable limit, the commissioner may so advise the assessor, but
43 shall not disclose the amount of income of any such owner or owners.

44 (ii) Where the commissioner has found that the STAR exemption or cred-
45 it could not be granted because the property is not the primary resi-
46 dence of one or more of the owners thereof, or that the owner's spouse
47 is receiving a STAR exemption or STAR credit on another residence or a
48 comparable benefit on a residence in another state, the commissioner may
49 so advise the assessor. The commissioner may further advise the assessor
50 of the facts supporting that determination, including the location or
51 locations of the property owner's other residence or residences, if any.

52 (iii) Where the commissioner has found that the enhanced STAR
53 exemption or credit could not be granted because the owner or owners do
54 not meet the applicable age requirement, the commissioner may so advise

1 the assessor, and may further advise the assessor of their birth dates
2 if known.

3 (iv) Where the commissioner has found that the enhanced STAR exemption
4 or credit could not be granted because the owner or owners failed to
5 enroll in the income verification program or failed to submit the income
6 worksheet required thereunder, the commissioner may so advise the asses-
7 sor.

8 (b) Information disclosed to an assessor pursuant to this subdivision
9 shall be used only for purposes of real property tax administration. It
10 shall be deemed confidential otherwise, and shall not be subject to the
11 provisions of article six of the public officers law.

12 § 2. Section 467 of the real property tax law is amended by adding a
13 new subdivision 11 to read as follows:

14 11. (a) Notwithstanding any provision of law to the contrary, upon the
15 request of an assessor, the commissioner may disclose to the assessor
16 the names and addresses of the owners of property in that assessor's
17 assessing unit who are receiving the enhanced STAR exemption or enhanced
18 STAR credit and whose federal adjusted gross income is less than the
19 uppermost amount specified by subparagraph three of paragraph (b) of
20 subdivision one of this section (represented therein as M + \$8,400).
21 Such amount shall be determined without regard to any local options that
22 the municipal corporation may or may not have exercised in relation to
23 increasing or decreasing the maximum income eligibility level authorized
24 by this section, provided that the amount so determined for a city with
25 a population of one million or more shall take into account the distinct
26 maximum income eligibility level established for such city by paragraph

33 Provided, however, that nothing contained herein shall be construed as
34 enabling any person or persons to qualify for the exemption authorized
35 by this section on the basis of their federal adjusted gross income,
36 rather than on the basis of their income as determined pursuant to the
37 provisions of paragraph (a) of subdivision three of this section.

38 (c) Information disclosed to an assessor pursuant to this subdivision
39 shall be used only for purposes of real property tax administration. It
40 shall be deemed confidential otherwise, and shall not be subject to the

7 any provision of law to the contrary, when a return has been filed for a

15 Section 1. Subdivision 6 of section 1306-a of the real property tax
16 law, as amended by section 3 of part TT of chapter 59 of the laws of
17 2017, is amended to read as follows:

18 6. When the commissioner determines, at least twenty days prior to the
19 levy of school district taxes, that an advance credit of the personal
20 income tax credit authorized by subsection (eee) of section six hundred
21 six of the tax law will be provided to the owners of a parcel in that
22 school district, he or she shall so notify the assessor, the county
23 director of real property tax services, and the authorities of the
24 school district, who shall cause a statement to be placed on the tax
25 bill for the parcel in substantially the following form: "An estimated
26 STAR check has been or will be mailed to you [~~upon issuance~~] by the NYS
27 Tax Department. Any overpayment or underpayment can be reconciled on
28 your next tax return or STAR credit check."

29 Notwithstanding any provision of law to the contrary, in the event
30 that the parcel in question had been granted a STAR exemption on the
31 assessment roll upon which school district taxes are to be levied, such
32 exemption shall be deemed null and void, shall be removed from the
33 assessment roll, and shall be disregarded when the parcel's tax liabil-
34 ity is determined. The assessor or other local official or officials
35 having custody and control of the data file used to generate school
36 district tax rolls and tax bills shall be authorized and directed to
37 change such file as necessary to enable the school district authorities
38 to discharge the duties imposed upon them by this subdivision.

39 § 2. This act shall take effect immediately.

40 PART TT

41 Section 1. Paragraph (a-2) of subdivision 6 of section 425 of the real
42 property tax law, as added by section 1 of part D of chapter 60 of the
43 laws of 2016, is amended to read as follows:

44 (a-2) Notwithstanding any provision of law to the contrary, where [~~a~~
45 ~~renewal~~] an application for the "enhanced" STAR exemption authorized by
46 subdivision four of this section has not been filed on or before the
47 taxable status date, and the owner believes that good cause existed for
48 the failure to file the [~~renewal~~] application by that date, the owner
49 may, no later than the last day for paying school taxes without incur-
50 ring interest or penalty, submit a written request to the commissioner

1 asking him or her to extend the filing deadline and grant the exemption.
2 Such request shall contain an explanation of why the deadline was
3 missed, and shall be accompanied by [~~a-renewal~~] an application, reflect-
4 ing the facts and circumstances as they existed on the taxable status
5 date. After consulting with the assessor, the commissioner may extend
6 the filing deadline and grant the exemption if the commissioner is
7 satisfied that (i) good cause existed for the failure to file the
8 [~~renewal~~] application by the taxable status date, and that (ii) the
9 applicant is otherwise entitled to the exemption. The commissioner shall
10 mail notice of his or her determination to such owner and the assessor.
11 If the determination states that the commissioner has granted the
12 exemption, the assessor shall thereupon be authorized and directed to
13 correct the assessment roll accordingly, or, if another person has
14 custody or control of the assessment roll, to direct that person to make
15 the appropriate corrections. If the correction is not made before school
16 taxes are levied, the [~~failure to take the exemption into account in the~~
17 ~~computation of the tax shall be deemed a "clerical error" for purposes~~
18 ~~of title three of article five of this chapter, and shall be corrected~~
19 ~~accordingly~~] school district authorities shall be authorized and
20 directed to take account of the fact that the commissioner has granted
21 the exemption by correcting the applicant's tax bill and/or issuing a
22 refund accordingly.

23 § 2. Paragraph (d) of subdivision 2 of section 496 of the real proper-
24 ty tax law, as added by section 3 of part A of chapter 60 of the laws of
25 2016, is amended to read as follows:

26 (d) If the applicant is renouncing a STAR exemption in order to quali-
27 fy for the personal income tax credit authorized by subsection (eee) of
28 section six hundred six of the tax law, and no other exemptions are
29 being renounced on the same application, or if the applicant is renounc-
30 ing a STAR exemption before school taxes have been levied on the assess-
31 ment roll upon which that exemption appears, no processing fee shall be
32 applicable.

33 § 3. Paragraph (a) of subdivision 2 of section 496 of the real proper-
34 ty tax law, as amended by section 3 of part A of chapter 60 of the laws
35 of 2016, is amended to read as follows:

36 (a) For each assessment roll on which the renounced exemption appears,
37 the assessed value that was exempted shall be multiplied by the tax rate
38 or rates that were applied to that assessment roll, or in the case of a
39 renounced STAR exemption, the tax savings calculated pursuant to subdi-
40 vision two of section thirteen hundred six-a of this chapter. Interest
41 shall then be added to each such product at the rate prescribed by
42 section nine hundred twenty-four-a of this chapter or such other law as
43 may be applicable for each month or portion thereon since the levy of
44 taxes upon such assessment roll.

45 § 4. Paragraph 5 of subsection (eee) of section 606 of the tax law, as
46 amended by section 8 of part A of chapter 73 of the laws of 2016, is
47 amended to read as follows:

48 (5) Disqualification. A taxpayer shall not qualify for the credit
49 authorized by this subsection if the parcel that serves as the taxpay-
50 er's primary residence received the STAR exemption on the assessment
51 roll upon which school district taxes for the associated fiscal year
52 [~~where~~] were levied. Provided, however, that the taxpayer may remove
53 this disqualification by renouncing the exemption [~~and making any~~
54 ~~required payments~~] by December thirty-first of the taxable year, as
55 provided by subdivision sixteen of section four hundred twenty-five of
56 the real property tax law, and making any required payments within the

1 time frame prescribed by section four hundred ninety-six of the real
 2 property tax law.

3 § 5. This act shall take effect immediately.

1 § 6. Subdivisions 2, 3, 4 and 7 of section 1399-cc of the public
2 health law, as amended by chapter 542 of the laws of 2014, are amended
3 to read as follows:

4 2. Any person operating a place of business wherein tobacco products,
5 herbal cigarettes, [~~liquid-nicotine~~] vapor products, shisha or electronic
6 cigarettes, are sold or offered for sale is prohibited from selling
7 such products, herbal cigarettes, [~~liquid-nicotine~~] vapor products,

16 letters at least one-half inch in height.

17 3. Sale of tobacco products, herbal cigarettes, [~~liquid-nicotine~~]
18 vapor products, shisha or electronic cigarettes in such places, other
19 than by a vending machine, shall be made only to an individual who
20 demonstrates, through (a) a valid driver's license or non-driver's iden-
21 tification card issued by the commissioner of motor vehicles, the feder-
22 al government, any United States territory, commonwealth or possession,
23 the District of Columbia, a state government within the United States or
24 a provincial government of the dominion of Canada, or (b) a valid pass-

26 an identification card issued by the armed forces of the United States,
27 indicating that the individual is at least [~~eighteen~~] twenty-one years
28 of age. Such identification need not be required of any individual who
29 reasonably appears to be at least [~~twenty-five~~] thirty years of age,
30 provided, however, that such appearance shall not constitute a defense
31 in any proceeding alleging the sale of a tobacco product, herbal ciga-
32 rettes, [~~liquid-nicotine~~] vapor products, shisha or electronic ciga-
33 rettes to an individual under [~~eighteen~~] twenty-one years of age.

34 4. (a) Any person operating a place of business wherein tobacco
35 products, herbal cigarettes, [~~liquid-nicotine~~] vapor products, shisha or
36 electronic cigarettes are sold or offered for sale may perform a trans-
37 action scan as a precondition for such purchases.

38 (b) In any instance where the information deciphered by the trans-
39 action scan fails to match the information printed on the driver's
40 license or non-driver identification card, or if the transaction scan
41 indicates that the information is false or fraudulent, the attempted
42 transaction shall be denied.

43 (c) In any proceeding pursuant to section thirteen hundred ninety-
44 nine-ee of this article, it shall be an affirmative defense that such
45 person had produced a driver's license or non-driver identification card
46 apparently issued by a governmental entity, successfully completed that
47 transaction scan, and that the tobacco product, herbal cigarettes or
48 [~~liquid-nicotine~~] vapor products had been sold, delivered or given to
49 such person in reasonable reliance upon such identification and trans-
50 action scan. In evaluating the applicability of such affirmative defense
51 the commissioner shall take into consideration any written policy
52 adopted and implemented by the seller to effectuate the provisions of
53 this chapter. Use of a transaction scan shall not excuse any person
54 operating a place of business wherein tobacco products, herbal ciga-
55 rettes, [~~liquid-nicotine~~] vapor products, shisha or electronic ciga-
56 rettes are sold, or the agent or employee of such person, from the exer-

1 cise of reasonable diligence otherwise required by this chapter.
2 Notwithstanding the above provisions, any such affirmative defense shall
3 not be applicable in any civil or criminal proceeding, or in any other
4 forum.

5 7. (a) No person operating a place of business wherein tobacco
6 products, herbal cigarettes, ~~[liquid nicotine]~~ vapor products, shisha or
7 electronic cigarettes are sold or offered for sale shall sell, permit to
8 be sold, offer for sale or display for sale any tobacco product, herbal
9 cigarettes, ~~[liquid nicotine]~~ vapor products, shisha or electronic ciga-
10 rettes in any manner, unless such products and cigarettes are stored for
11 sale ~~[(a)]~~ (i) behind a counter in an area accessible only to the
12 personnel of such business, or ~~[(b)]~~ (ii) in a locked container;
13 provided, however, such restriction shall not apply to tobacco busi-
14 nesses, as defined in subdivision eight of section thirteen hundred
15 ninety-nine-aa of this article, and to places to which admission is
16 restricted to persons ~~[eighteen]~~ twenty-one years of age or older.

17 (b) In addition to the requirements set forth in paragraph (a) of this
18 subdivision, no dealer shall permit the display of any tobacco product,
19 herbal cigarette, vapor product, or electronic cigarette in a manner
20 that permits a consumer to view any such item prior to purchase. Except
21 as provided for in paragraph (c) of this subdivision is not violated if:

22 (i) at the direct request of a customer at least twenty-one years of
23 age, such a customer handles the item, packaged or otherwise, to inspect
24 the product prior to purchase; or

25 (ii) such items are temporarily visible during restocking, the sale of
26 such items, or the carriage of such items into or out of the premises.

27 (c) No dealer shall display or permit the display of any tobacco prod-
28 uct, herbal cigarette, vapor product, or electronic cigarette for any
29 longer than necessary to complete the purposes identified in subpara-
30 graphs (i) and (ii) of paragraph (b) of this subdivision.

31 (d) No dealer shall store any tobacco and vapor products menu in a
32 location where it is visible to customers or accessible to customers
33 without the assistance of the dealer. The menu shall also contain menu
34 cover page that shall prevent the inadvertent viewing of promotional or
35 other material contained within the tobacco and vapor products menu.

36 (e) No dealer shall provide any tobacco and vapor products menu or any
37 tobacco product, herbal cigarette, vapor product, or electronic ciga-
38 rette to any individual who has not demonstrated, through identification
39 which meets the requirements of subdivision three of this section, that
40 the individual is at least twenty-one years of age. Such identification
41 need not be required of any individual who reasonably appears to be over
42 the age of thirty, provided, however, that such appearance shall not
43 constitute a defense in any proceeding alleging the sale of such item to
44 an individual under twenty-one years of age. It shall be an affirmative
45 defense to a violation of this paragraph that the dealer successfully
46 performed a transaction scan of an individual's identification and that
47 a tobacco and vapor products menu, tobacco product, herbal cigarette,
48 vapor product, or electronic cigarette was provided to such individual
49 in reasonable reliance upon such identification and transaction scan.

50 (f) After a customer has completed viewing a tobacco and vapor
51 products menu, the dealer shall immediately return the tobacco and vapor
52 products menu to its storage location.

53 (g) Unless required otherwise by regulation of the department, the
54 menu cover page of the tobacco and vapor products menu shall be blank or
55 contain only the words "Tobacco and Vapor Products Menu" and shall not
56 contain any advertising or other promotional material.

1 (h) The commissioner may issue rules and regulations governing the use
2 of the tobacco and vapor products menu and menu cover page.

3 (i) Paragraphs (a) through (g) of this subdivision shall not apply to
4 a place of business to which admission is restricted solely to persons
5 twenty-one years of age or older.

6 (j) Nothing herein shall be construed to restrict the authority of any
7 county, city, town, or village to enact, adopt, promulgate and enforce
8 additional local laws, ordinances, regulations or other measures which
9 are in addition to or more stringent than either of the provisions of
10 this article.

11 § 7. Section 1399-dd of the public health law, as amended by chapter
12 448 of the laws of 2012, is amended to read as follows:

13 § 1399-dd. Sale of tobacco products, herbal cigarettes, vapor
14 products, or electronic cigarettes in vending machines. No person, firm,
15 partnership, company or corporation shall operate a vending machine

17 electronic cigarettes unless such machine is located: (a) in a bar as
18 defined in subdivision one of section thirteen hundred ninety-nine-n of
19 this chapter, or the bar area of a food service establishment with a
20 valid, on-premises full liquor license; (b) in a private club; (c) in a

26 however, that in such locations the vending machine is located in plain
27 view and under the direct supervision and control of the person in
28 charge of the location or his or her designated agent or employee.

29 § 8. Section 1399-ee of the public health law, as amended by chapter
30 162 of the laws of 2002, is amended to read as follows:

32 of this article shall be conducted in the same manner as hearings
33 conducted under article thirteen-E of this chapter.

34 2. If the enforcement officer determines after a hearing that a
35 violation of this article has occurred, he or she shall impose a civil
36 penalty of a minimum of three hundred dollars, but not to exceed one
37 thousand dollars for a first violation, and a minimum of five hundred
38 dollars, but not to exceed one thousand five hundred dollars for each
39 subsequent violation, unless a different penalty is otherwise provided
40 in this article. The enforcement officer shall advise the [~~retail~~] deal-
41 er that upon the accumulation of three or more points pursuant to this
42 section the [~~department~~] commissioner of taxation and finance shall

PART XX

Section 1. The tax law is amended by adding a new article 20-D to read as follows:

ARTICLE 20-D

EXCISE TAX ON SALE OF OPIOIDS

Section 497. Definitions.

498. Imposition of excise tax.

499. Returns to be secret.

§ 497. Definitions. The following terms shall have the following meanings when used in this article.

(a) "Opioid" shall mean an "opiate" as defined by subdivision twenty-three of section thirty-three hundred two of the public health law and any natural, synthetic, or semisynthetic "narcotic drug" as defined by subdivision twenty-two of such section that has agonist, partial agon-

1 ist, or agonist/antagonist morphine-like activities or effects similar
2 to natural opium alkaloids, and any derivative, congener, or combination
3 thereof listed in schedules II-V of section thirty-three hundred six of
4 the public health law. The term "opioid" shall not mean buprenorphine,
5 methadone, or morphine.

6 (b) "Unit" shall mean a single finished dosage form of an opioid, such
7 as a pill, tablet, capsule, suppository, transdermal patch, buccal film,
8 milliliter of liquid, milligram of topical preparation, or any other
9 form.

10 (c) "Strength per unit" shall mean the amount of opioid in a unit, as
11 measured by weight, volume, concentration or other metric.

12 (d) "Morphine milligram equivalent conversion factor" shall mean that
13 reference standard of a particular opioid as it relates in potency to
14 morphine as determined by the commissioner of health.

15 (e) "Morphine milligram equivalent" shall mean a unit multiplied by
16 its strength per unit multiplied by the morphine milligram equivalent
17 conversion factor.

18 (f) "Registrant" shall mean any person, firm, corporation or associ-
19 ation required to be registered with the education department as a
20 wholesaler, manufacturer, or outsourcing facility pursuant to section
21 sixty-eight hundred eight or section sixty-eight hundred eight-b of the
22 education law, as well as any person, firm, corporation or association
23 that would be required to be registered with the education department as
24 a wholesaler, manufacturer, or outsourcing facility pursuant to such
25 section sixty-eight hundred eight-b but for the exception in subdivision
26 two of such section; and any person, firm, corporation or association
27 required to be registered with the health department as a manufacturer
28 or distributor of a controlled substance pursuant to section thirty-
29 three hundred ten of the public health law.

30 (g) "Wholesale acquisition cost" shall mean the manufacturer's list
31 price for an opioid unit to wholesalers or direct purchasers in the
32 United States, not including prompt pay or other discounts, rebates or
33 reductions in price, for the most recent month for which the information
34 is available, as reported in wholesale price guides or other publica-
35 tions of drug or biological pricing data.

36 (h) "Sale" shall mean any transfer of title to an opioid for a consid-
37 eration where actual or constructive possession of such opioid is trans-
38 ferred to the purchaser or its designee in this state. A sale shall not
39 include the dispensing of an opioid pursuant to a prescription to an
40 ultimate consumer.

41 § 498. Imposition of excise tax. (a) There is hereby imposed an excise
42 tax on the first sale of any opioid in the state at the following rates:
43 (1) a quarter of a cent per morphine milligram equivalent where the
44 wholesale acquisition cost is less than fifty cents, or (2) one and
45 one-half cents per morphine milligram equivalent where the wholesale
46 acquisition cost is fifty cents or more. The tax imposed by this article
47 shall be charged against and paid by the registrant making such first
48 sale, and shall accrue at the time of such sale. The economic incidence
49 of the tax imposed by this article may be passed to a purchaser. For the
50 purpose of the proper administration of this article and to prevent
51 evasion of the tax hereby imposed, it shall be presumed that any sale of
52 an opioid in this state by a registrant is the first sale of such in the
53 state until the contrary is established, and the burden of proving that
54 any sale is not the first sale in the state shall be upon the regis-
55 trant.

1 (b) Every registrant liable for the tax imposed by this article shall
2 file with the commissioner a return on forms to be prescribed by the
3 commissioner showing the total morphine milligram equivalent and whole-
4 sale acquisition costs of such opioids that are subject to the tax
5 imposed by this article, the amount of tax due thereon, and such further
6 information as the commissioner may require. Such returns shall be filed
7 for quarterly periods ending on the last day of March, June, September
8 and December of each year. Each return shall be filed within twenty days
9 after the end of such quarterly period and shall cover all opioid sales
10 in the state made in the prior quarter, except that the first return
11 required to be filed pursuant to this section shall be due on January
12 twentieth, two thousand twenty, and shall cover all opioid sales occur-
13 ring in the period between the effective date of this article and Decem-
14 ber thirty-first, two thousand nineteen. Every registrant required to
15 file a return under this section shall, at the time of filing such
16 return, pay to the commissioner the total amount of tax due for the
17 period covered by such return. If a return is not filed when due, the
18 tax shall be due the day on which the return is required to be filed.
19 The commissioner may require that the returns and payments required by
20 this section be filed or paid electronically.

21 (c) Where a sale of an opioid by a registrant has been cancelled by
22 the purchaser and tax under this article has previously been paid by the
23 registrant, the commissioner shall allow a credit or refund of such tax
24 on a return for a later period within the limitations period for claim-
25 ing a credit or refund as prescribed by section one thousand eighty-sev-
26 en of this chapter.

27 (d) All sales slips, invoices, receipts, or other statements or memo-
28 randa of sale from any sale or purchase of opioids by registrants must
29 be retained for a period of six years after the due date of the return
30 to which they relate, unless the commissioner provides for a different
31 retention period by rule or regulation. Such records must be sufficient
32 to determine the number of units transferred along with the morphine
33 milligram equivalent of the units transferred, and otherwise be suitable
34 to determine the correct amount of tax due. Such records must also
35 record either (1) the address from which the units are shipped or deliv-
36 ered, along with the address to which the units are shipped or deliv-
37 ered, or (2) the place at which actual physical possession of the units
38 is transferred. Such records shall be produced upon demand by the
39 commissioner.

40 (e) The provisions of article twenty-seven of this chapter shall apply
41 to the tax imposed by this article in the same manner and with the same
42 force and effect as if the language of such article had been incorpo-
43 rated in full into this article and had expressly referred to the tax
44 imposed by this article, except to the extent that any provision of such
45 article twenty-seven is either inconsistent with a provision of this
46 article or is not relevant to this article.

47 (f) The commissioners of education and health shall cooperate with the
48 commissioner in administering this tax, including sharing with the
49 commissioner pertinent information about registrants upon the request of
50 the commissioner.

51 (g) Each registrant shall provide a report to the department of health
52 detailing all opioids sold by such registrant in the state of New York.
53 Such report shall include:

54 (i) the registrant's name, address, phone number, federal Drug
55 Enforcement Agency (DEA) registration number, education department

1 registration number, and controlled substance license number issued by
2 the department of health, if applicable;
3 (ii) the name, address and DEA registration number of the entity to
4 whom the opioid was sold;
5 (iii) the date of the sale of the opioid;
6 (iv) the gross receipt total, in dollars, for each opioid sold;
7 (v) the name and National Drug Code of the opioid sold;
8 (vi) the number of containers and the strength and metric quantity of
9 controlled substance in each container of the opioid sold;
10 (vii) the total number of morphine milligram equivalents sold; and
11 (viii) any other elements as deemed necessary by the commissioner of
12 health.

13 Such information shall be reported annually in such form as defined by
14 the commissioner of health and shall not be subject to the provisions of
15 section four hundred ninety-nine of this article.

16 § 499. Returns to be secret. (a) Except in accordance with a proper
17 judicial order or as otherwise provided for by law, it shall be unlawful
18 for the commissioner, any officer or employee of the department, or any
19 person engaged or retained by such department on an independent contract
20 basis or any other person who in any manner may acquire knowledge of the
21 contents of a return or report filed pursuant to this article to divulge
22 or make known in any manner the contents or any other information
23 relating to the business of a registrant contained in any return or
24 report required under this article. The officers charged with the
25 custody of such returns or reports shall not be required to produce any
26 of them or evidence of anything contained in them in any action or
27 proceeding in any court, except on behalf of the state, the state
28 department of health, the state department of education or the commis-
29 sioner in an action or proceeding under the provisions of this chapter
30 or on behalf of the state or the commissioner in any other action or
31 proceeding involving the collection of a tax due under this chapter to
32 which the state or the commissioner is a party or a claimant or on
33 behalf of any party to any action or proceeding under the provisions of
34 this article, when the returns or the reports or the facts shown thereby
35 are directly involved in such action or proceeding, in any of which
36 events the court may require the production of, and may admit in
37 evidence so much of said returns or reports or of the facts shown there-
38 by as are pertinent to the action or proceeding and no more. Nothing
39 herein shall be construed to prohibit the commissioner, in his or her
40 discretion, from allowing the inspection or delivery of a certified copy
41 of any return or report filed under this article, or from providing any
42 information contained in any such return or report, by or to a duly
43 authorized officer or employee of the state department of health or the
44 state department of education; nor to prohibit the inspection or deliv-
45 ery of a certified copy of any return or report filed under this arti-
46 cle, or the provision of any information contained therein, by or to the
47 attorney general or other legal representatives of the state when an
48 action shall have been recommended or commenced pursuant to this chap-
49 ter in which such returns or reports or the facts shown thereby are
50 directly involved; nor to prohibit the commissioner from providing or
51 certifying to the division of budget or the comptroller the total number
52 of returns or reports filed under this article in any reporting period
53 and the total collections received therefrom; nor to prohibit the
54 inspection of the returns or reports required under this article by the
55 comptroller or duly designated officer or employee of the state depart-
56 ment of audit and control, for purposes of the audit of a refund of any

1 tax paid by a registrant or other person under this article; nor to
 2 prohibit the delivery to a registrant, or a duly authorized represen-
 3 tative of such registrant, a certified copy of any return or report
 4 filed by such registrant pursuant to this article, nor to prohibit the
 5 publication of statistics so classified as to prevent the identification
 6 of particular returns or reports and the items thereof.

7 (b)(1) Any officer or employee of the state who willfully violates the
 8 provisions of subdivision (a) of this section shall be dismissed from
 9 office and be incapable of holding any public office in this state for a
 10 period of five years thereafter.

11 (2) Cross-reference: For criminal penalties, see article thirty-seven
 12 of this chapter.

1 (42) the county of Westchester is hereby further authorized and
2 empowered to adopt and amend local laws, ordinances or resolutions

4 three percent rate authorized above in this paragraph for such county
5 for the period beginning March first, two thousand nineteen and ending

7 § 2. Section 1224 of the tax law is amended by adding a new subdivi-

9 (jj) The county of Westchester shall have the sole right to impose the
10 additional one percent rate of tax which such county is authorized to

12 article. Such additional rate of tax shall be in addition to any other
13 tax which such county may impose or may be imposing pursuant to this
14 article or any other law and such additional rate of tax shall not be
15 subject to preemption. The maximum three percent rate referred to in
16 this section shall be calculated without reference to the additional one
17 percent rate of tax which the county of Westchester is authorized and
18 empowered to adopt pursuant to section twelve hundred ten of this arti-
19 cle.

20 § 3. Section 1262-b of the tax law, as amended by section 1 of part A
21 of chapter 8 of the laws of 2004, is amended to read as follows:

22 § 1262-b. The Westchester county property tax stabilization and relief
23 act. (a) Notwithstanding any other provision of law to the contrary, if
24 the county of Westchester imposes sales and compensating use taxes
25 pursuant to [~~subdivision (a)~~] clause forty-two of subparagraph (i) of
26 the opening paragraph of section twelve hundred ten of this article at
27 the rate of [~~three~~] four percent:

28 (1) The county shall allocate net collections from such taxes imposed
29 at the rate of one and one-half percent countywide among the cities and
30 towns of the county on the basis of the ratio which the full valuation
31 of real property in each city or town bears to the aggregate full valu-
32 ation of real property in all cities and towns of the county. Amounts
33 so allocated shall be credited to each of said cities and towns against
34 the county taxes levied upon real property in said cities and towns.

35 (2) The county shall allocate and credit or pay net collections
36 received by the county by reason of its additional one percent rate of
37 such taxes on the area of the county outside any city imposing sales and
38 compensating use taxes at a rate of one and one-half percent or greater
39 pursuant to the authority of subdivision (a) or at any rate pursuant to
40 the authority of [~~subdivision (b)~~] clause forty-two of subparagraph (i)
41 of the opening paragraph of section twelve hundred ten of this article
42 as follows:

43 (A) One-third of such net collections shall be allocated and credited
44 in the manner set forth in paragraph one of this subdivision.

45 (B) One-sixth of such net collections shall be allocated and paid
46 quarterly by the county commissioner of finance, in cash, to the several
47 school districts in such area of the county outside any such city impos-
48 ing sales and compensating use taxes. Such allocation and payment, to
49 such several school districts, shall be made on the basis of the ratio
50 which the population of each such school district bears to the aggregate
51 population of all of the school districts in such area. In the case of
52 school districts which are partially within and partially without the
53 county, or partially within or partially without the area of the county
54 outside a city imposing sales and compensating use taxes, the allocation
55 and payment to each such school district shall be made on the basis of
56 the population in such school district in the county, or in such area of

1 the county outside a city imposing sales and compensating use taxes, as
2 the case may be. Such populations shall be determined in accordance with
3 the latest federal census or special population census under section
4 twenty of the general municipal law completed and published prior to the
5 end of the quarter in which such allocation and payment are made, which
6 special population census shall include the entire area of the county;
7 provided that such special population census shall not be taken more
8 than once in every two years. A school district split between Westches-
9 ter county and another county shall apply such allocation and payment
10 solely to the benefit of the residents of the county in which the sales
11 and compensating use taxes are imposed.

12 (C) One-half of such net collections shall be allocated and paid quar-
13 terly by the county commissioner of finance, in cash, to the cities not
14 imposing sales and compensating use taxes and to the towns and villages
15 on which such additional one percent rate is imposed, on the basis of
16 the ratio which the population of each such city, town or village on
17 which such additional one percent rate is imposed bears to the entire
18 population of all such cities, towns and villages in the area on which
19 such additional one percent rate is imposed. Such populations shall be
20 determined in accordance with the latest federal census or special popu-
21 lation census under section twenty of the general municipal law
22 completed and published prior to the end of the quarter in which such
23 allocation is made, which special population census shall include the
24 entire area of the county; provided that such special population census
25 shall not be taken more than once in every two years.

26 (D) The quarterly allocation and payment of cash to cities, towns,
27 villages and school districts provided for under this paragraph and
28 under paragraph three of this subdivision may be made after payment by
29 the state comptroller to the county of the net collections subject to
30 such allocation and receipt by the county commissioner of finance of the
31 quarterly settlement report issued by the department, and may include
32 adjustments for corrections applicable to such allocations. All ratios
33 established by the county commissioner of finance with respect to allo-
34 cations to cities, towns, villages and school districts under this
35 subdivision shall be carried to four decimal places. The allocation of
36 net collections and payment of cash provided for under this paragraph
37 and under paragraph three of this subdivision shall be made to a town
38 based upon the population of the town less the population of any village
39 therein, provided that a town/village or village/town shall be deemed a
40 village for the purpose of determining such allocation. The allocation
41 of net collections and payment of cash provided for under this paragraph
42 and under paragraph three of this subdivision shall be applied by the
43 cities, towns, villages and school districts receiving such allocation
44 and payment as a credit against the taxes upon real property imposed by
45 such municipalities and school districts, respectively. The allocation
46 and payment received by towns shall be credited against real property
47 taxes in either the general fund town-wide or the town outside village
48 fund or a combination thereof.

49 (3) The county shall allocate and credit or pay net collections
50 received by the county by reason of its additional one and one-half
51 percent rate of such taxes imposed on the area of the county outside any
52 city imposing sales and compensating use taxes at a rate of one and
53 one-half percent or greater pursuant to the authority of subdivision (a)
54 or at any rate pursuant to the authority of subdivision (b) of section
55 twelve hundred ten of this article as follows:

1 (A) Seventy percent of such net collections shall be retained by the
2 county to be used for any county purpose.

3 (B) Ten percent of such net collections shall be allocated and paid in
4 the manner set forth in subparagraph (B) of paragraph two of this subdi-
5 vision.

6 (C) Twenty percent of such net collections shall be allocated and paid
7 in the manner set forth in subparagraph (C) of paragraph two of this
8 subdivision.

9 (b) Nothing in this section shall be construed to impair the powers of
10 a city currently imposing sales and compensating use taxes pursuant to
11 the authority of section twelve hundred ten of this article from contin-
12 uing to do so in accordance with law. No school district in any city
13 imposing such sales and compensating use taxes shall be entitled to
14 receive a cash allocation and payment under paragraph two or three of
15 subdivision (a) of this section. No city, town or village authorized or
16 entitled to receive an allocation under subparagraph (C) of paragraph
17 two or subparagraph (C) of paragraph three of subdivision (a) of this
18 section shall be authorized or entitled to receive any cash allocation
19 under section twelve hundred sixty-two of this article.
