14 § 2. Subparagraph 2 of paragraph (b) of subdivision 1 of section 210  
15 of the tax law, as amended by section 18 of part T of chapter 59 of the  
16 laws of 2015, is amended to read as follows:

17 (2) For purposes of subparagraph one of this paragraph, the term  
18 "manufacturer" shall mean a taxpayer [~~which~~] that during the taxable  
19 year is principally engaged in the production of goods by manufacturing,  
20 processing, assembling, refining, mining, extracting, farming, agricul-  
21 ture, horticulture, floriculture, viticulture or commercial fishing.  
22 Moreover, for purposes of computing the capital base in a combined  
23 report, the combined group shall be considered a "manufacturer" for  
24 purposes of this subparagraph only if the combined group during the  
25 taxable year is principally engaged in the activities set forth in this  
26 subparagraph, or any combination thereof. A taxpayer or, in the case of  
27 a combined report, a combined group shall be "principally engaged" in  
28 activities described above if, during the taxable year, more than fifty  
29 percent of the gross receipts of the taxpayer or combined group, respec-

40 defined as a qualified emerging technology company under paragraph (c)  
41 of subdivision one of section thirty-one hundred two-e of the public  
42 authorities law regardless of the ten million dollar limitation  
43 expressed in subparagraph one of such paragraph. A taxpayer or, in the  
44 case of a combined report, a combined group, that does not satisfy the  
45 principally engaged test may be a qualified New York manufacturer if the  
46 taxpayer or the combined group employs during the taxable year at least  
47 two thousand five hundred employees in manufacturing in New York and the  
48 taxpayer or the combined group has property in the state used in manu-  
49 facturing, the adjusted basis of which for [~~federal income~~] New York  
50 state tax purposes at the close of the taxable year is at least one  
51 hundred million dollars.

52 § 3. Clause (ii) of subparagraph 4 of paragraph (k) of subdivision 1  
53 of section 11-654 of the administrative code of the city of New York, as  
54 added by section 1 of part D of chapter 60 of the laws of 2015, is  
55 amended to read as follows:

(ii) A "qualified New York manufacturing corporation" is a manufacturing corporation that has property in the state ~~[which]~~ that is described in subparagraph five of this paragraph and either (A) the adjusted basis of such property for ~~[federal income]~~ New York state tax purposes at the close of the taxable year is at least one million dollars or (B) more than fifty ~~[percentum]~~ percent of its real and personal property is located in the state.

§ 4. This act shall take effect immediately and shall apply to taxable years beginning on or after January 1, 2018.

§ 2. This act shall take effect immediately.

#### PART F

Section 1. Paragraph 3 of subsection (a) of section 954 of the tax law, as amended by section 2 of part BB of chapter 59 of the laws of 2015, is amended to read as follows:

Provided, however that this paragraph shall not apply to the estate of a ~~[decedent]~~ decedent dying on or after January first, two thousand ~~[nineteen]~~ twenty-six.

§ 2. Subsection (a) of section 954 of the tax law is amended by adding a new paragraph 4 to read as follows:

2 the provisions of the internal revenue code. If such election was made  
3 for the purposes of the federal estate tax, then such election must also  
4 be made by the executor on the return of the tax imposed by this arti-  
5 cle. Where no federal estate tax return is required to be filed, the  
6 executor ~~may~~ must make the election referred to in such paragraph (7)

9 be irrevocable.

10 § 4. This act shall take effect immediately; provided however that  
11 section one of this act shall apply to estates of decedents dying on or

14 PART G

15 Section 1. Section 1101 of the tax law is amended by adding a new  
16 subdivision (e) to read as follows:

17 (e) When used in this article for the purposes of the taxes imposed  
18 under subdivision (a) of section eleven hundred five of this article and  
19 by section eleven hundred ten of this article, the following terms shall  
20 mean:

21 (1) Marketplace provider. A person who, pursuant to an agreement with  
22 a marketplace seller, facilitates sales of tangible personal property by  
23 such marketplace seller or sellers. A person "facilitates a sale of  
24 tangible personal property" for purposes of this paragraph when the  
25 person meets both of the following conditions: (A) such person provides  
26 the forum in which, or by means of which, the sale takes place or the  
27 offer of sale is accepted, including a shop, store, or booth, an inter-  
28 net website, catalog, or similar forum; and (B) such person or an affil-  
29 iate of such person collects the receipts paid by a customer to a  
30 marketplace seller for a sale of tangible personal property, or  
31 contracts with a third party to collect such receipts. For purposes of  
32 this paragraph, a "sale of tangible personal property" shall not include  
33 the rental of a passenger car as described in section eleven hundred  
34 sixty of this chapter but shall include a lease described in subdivision  
35 (i) of section eleven hundred eleven of this article. For purposes of  
36 this paragraph, persons are affiliated if one person has an ownership  
37 interest of more than five percent, whether direct or indirect, in  
38 another, or where an ownership interest of more than five percent,  
39 whether direct or indirect, is held in each of such persons by another  
40 person or by a group of other persons that are affiliated persons with  
41 respect to each other. Notwithstanding anything in this paragraph, a  
42 person who is not otherwise registered pursuant to section eleven  
43 hundred thirty four of this article is not a marketplace provider if  
44 such person has no physical presence in New York and, for the immediate-  
45 ly preceding four quarterly periods ending on the last day of February,  
46 May, August and November, can show that the cumulative total gross  
47 receipts of sales it has made or facilitated of property delivered in  
48 this state does not exceed three hundred thousand dollars or that such  
49 person has not made or facilitated more than one hundred sales of prop-  
50 erty delivered in this state. However, such person may elect to register  
51 as a marketplace provider, and, once registered, will be subject to the  
52 provisions of this article.

53 (2) Marketplace seller. Any person, whether or not such person is  
54 required to obtain a certificate of authority under section eleven

1 hundred thirty-four of this article, who has an agreement with a market-  
2 place provider under which the marketplace provider will facilitate  
3 sales of tangible personal property by such person within the meaning of  
4 paragraph one of this subdivision.

5 § 2. Subdivision 1 of section 1131 of the tax law, as amended by  
6 section 1 of part X of chapter 59 of the laws of 2018, is amended to  
7 read as follows:

8 (1) "Persons required to collect tax" or "person required to collect  
9 any tax imposed by this article" shall include: every vendor of tangible  
10 personal property or services; every recipient of amusement charges;  
11 ~~and~~ every operator of a hotel; and every marketplace provider with  
12 respect to sales of tangible personal property it facilitates as  
13 described in paragraph one of subdivision (e) of section eleven hundred  
14 one of this article. Said terms shall also include any officer, director  
15 or employee of a corporation or of a dissolved corporation, any employee  
16 of a partnership, any employee or manager of a limited liability compa-  
17 ny, or any employee of an individual proprietorship who as such officer,  
18 director, employee or manager is under a duty to act for such corpo-  
19 ration, partnership, limited liability company or individual proprietor-  
20 ship in complying with any requirement of this article, or has so acted;  
21 and any member of a partnership or limited liability company. Provided,  
22 however, that any person who is a vendor solely by reason of clause (D)  
23 or (E) of subparagraph (i) of paragraph (8) of subdivision (b) of  
24 section eleven hundred one of this article shall not be a "person  
25 required to collect any tax imposed by this article" until twenty days  
26 after the date by which such person is required to file a certificate of  
27 registration pursuant to section eleven hundred thirty-four of this  
28 part.

29 § 3. Section 1132 of the tax law is amended by adding a new subdivi-  
30 sion (1) to read as follows:

31 (1)(1) A marketplace provider with respect to a sale of tangible  
32 personal property it facilitates: (A) shall have all the obligations and  
33 rights of a vendor under this article and article twenty-nine of this  
34 chapter and under any regulations adopted pursuant thereto, including,  
35 but not limited to, the duty to obtain a certificate of authority, to  
36 collect tax, file returns, remit tax, and the right to accept a certif-  
37 icate or other documentation from a customer substantiating an exemption  
38 or exclusion from tax, the right to receive the refund authorized by  
39 subdivision (e) of this section and the credit allowed by subdivision  
40 (f) of section eleven hundred thirty-seven of this part subject to the  
41 provisions of such subdivisions; and (B) shall keep such records and  
42 information and cooperate with the commissioner to ensure the proper  
43 collection and remittance of tax imposed, collected or required to be  
44 collected under this article and article twenty-nine of this chapter.

45 (2) A marketplace seller who is a vendor is relieved from the duty to  
46 collect tax in regard to a particular sale of tangible personal property  
47 subject to tax under subdivision (a) of section eleven hundred five of  
48 this article and shall not include the receipts from such sale in its  
49 taxable receipts for purposes of section eleven hundred thirty-six of  
50 this part if, in regard to such sale: (A) the marketplace seller can  
51 show that such sale was facilitated by a marketplace provider from whom  
52 such seller has received in good faith a properly completed certificate  
53 of collection in a form prescribed by the commissioner, certifying that  
54 the marketplace provider is registered to collect sales tax and will  
55 collect sales tax on all taxable sales of tangible personal property by  
56 the marketplace seller facilitated by the marketplace provider, and with

1 such other information as the commissioner may prescribe; and (B) any  
2 failure of the marketplace provider to collect the proper amount of tax  
3 in regard to such sale was not the result of such marketplace seller  
4 providing the marketplace provider with incorrect information. This  
5 provision shall be administered in a manner consistent with subparagraph  
6 (i) of paragraph one of subdivision (c) of this section as if a certif-  
7 icate of collection were a resale or exemption certificate for purposes  
8 of such subparagraph, including with regard to the completeness of such  
9 certificate of collection and the timing of its acceptance by the  
10 marketplace seller. Provided that, with regard to any sales of tangible  
11 personal property by a marketplace seller that are facilitated by a  
12 marketplace provider who is affiliated with such marketplace seller  
13 within the meaning of paragraph one of subdivision (e) of section eleven  
14 hundred one of this article, the marketplace seller shall be deemed  
15 liable as a person under a duty to act for such marketplace provider for  
16 purposes of subdivision one of section eleven hundred thirty-one of this  
17 part.

18 (3) The commissioner may, in his or her discretion: (A) develop a  
19 standard provision, or approve a provision developed by a marketplace  
20 provider, in which the marketplace provider obligates itself to collect  
21 the tax on behalf of all the marketplace sellers for whom the market-  
22 place provider facilitates sales of tangible personal property, with  
23 respect to all sales that it facilitates for such sellers where delivery  
24 occurs in the state; and (B) provide by regulation or otherwise that the  
25 inclusion of such provision in the publicly-available agreement between  
26 the marketplace provider and marketplace seller will have the same  
27 effect as a marketplace seller's acceptance of a certificate of  
28 collection from such marketplace provider under paragraph two of this  
29 subdivision.

30 § 4. Section 1133 of the tax law is amended by adding a new subdivi-  
31 sion (f) to read as follows:

32 (f) A marketplace provider is relieved of liability under this section  
33 for failure to collect the correct amount of tax to the extent that the  
34 marketplace provider can show that the error was due to incorrect or  
35 insufficient information given to the marketplace provider by the  
36 marketplace seller. Provided, however, this subdivision shall not apply  
37 if the marketplace seller and marketplace provider are affiliated within  
38 the meaning of paragraph one of subdivision (e) of section eleven  
39 hundred one of this article.

40 § 5. Paragraph 4 of subdivision (a) of section 1136 of the tax law, as  
41 amended by section 46 of part K of chapter 61 of the laws of 2011, is  
42 amended to read as follows:

43 (4) The return of a vendor of tangible personal property or services  
44 shall show such vendor's receipts from sales and the number of gallons  
45 of any motor fuel or diesel motor fuel sold and also the aggregate value  
46 of tangible personal property and services and number of gallons of such  
47 fuels sold by the vendor, the use of which is subject to tax under this  
48 article, and the amount of tax payable thereon pursuant to the  
49 provisions of section eleven hundred thirty-seven of this part. The  
50 return of a recipient of amusement charges shall show all such charges  
51 and the amount of tax thereon, and the return of an operator required to  
52 collect tax on rents shall show all rents received or charged and the  
53 amount of tax thereon. The return of a marketplace seller shall exclude  
54 the receipts from a sale of tangible personal property facilitated by a  
55 marketplace provider if, in regard to such sale: (A) the marketplace  
56 seller has timely received in good faith a properly completed certif-

1 icate of collection from the marketplace provider or the marketplace  
2 provider has included a provision approved by the commissioner in the  
3 publicly-available agreement between the marketplace provider and the  
4 marketplace seller as described in subdivision one of section eleven  
5 hundred thirty-two of this part, and (B) the information provided by the  
6 marketplace seller to the marketplace provider about such tangible  
7 personal property is accurate.

8 § 6. Section 1142 of the tax law is amended by adding a new subdivi-  
9 sion 15 to read as follows:

10 (15) To publish a list on the department's website of marketplace  
11 providers whose certificates of authority have been revoked and, if  
12 necessary to protect sales tax revenue, provide by regulation or other-  
13 wise that a marketplace seller who is a vendor will be relieved of the  
14 duty to collect tax for sales of tangible personal property facilitated  
15 by a marketplace provider only if, in addition to the conditions  
16 prescribed by paragraph two of subdivision (1) of section eleven hundred  
17 thirty-two of this part being met, such marketplace provider is not on  
18 such list at the commencement of the quarterly period covered thereby.

19 § 6-a. Section 1148 of the tax law, as amended by section 57 of part  
20 HH of chapter 57 of the laws of 2013, is amended to read as follows:

21 § 1148. Deposit and disposition of revenue. (a) All taxes, interest  
22 and penalties collected or received by the commissioner under this arti-  
23 cle shall be deposited and disposed of pursuant to the provisions of  
24 section one hundred seventy-one-a of this chapter; provided however, the  
25 comptroller shall on or before the twelfth day of each month, pay all  
26 such taxes, interest and penalties collected under this article and  
27 remaining to the comptroller's credit in such banks, banking houses or  
28 trust companies at the close of business on the last day of the preced-  
29 ing month, into the general fund of the state treasury[~~, except~~].

30 (b) Provided however, before the funds may be distributed pursuant to  
31 subdivision (a) of this section, such funds shall be distributed as  
32 otherwise provided in sections ninety-two-d, ninety-two-h, and ninety-  
33 two-r of the state finance law and sections eleven hundred two, eleven

35 (c) Provided however, after funds are distributed pursuant to subdivi-  
36 sion (b) of this section but before such funds are distributed pursuant  
37 to subdivision (a) of this section, funds shall be deposited by the  
38 comptroller into the New York central business district trust fund  
39 established pursuant to section ninety-nine-ff of the state finance law  
40 in accordance with the following schedule: (1) in state fiscal year two

45 every succeeding state fiscal year, an amount equal to one hundred one  
46 percent of the amount deposited in the immediately preceding state  
47 fiscal year. The funds deposited into the New York central business  
48 district trust fund shall be deposited monthly in equal installments.

49 § 6-b. Paragraph 5 of subdivision (c) of section 1261 of the tax law,

52 (5) (i) However, the comptroller shall withhold from the taxes, penal-

#### PART I

Section 1. Subdivision 3 of section 1204 of the real property tax law, as added by chapter 115 of the laws of 2018, is amended to read as follows:

3. Where the tentative equalization rate is not within plus or minus five ~~[percentage points]~~ percent of the locally stated level of assessment, the assessor shall provide notice in writing to the local governing body of any affected town, city, village, county and school district of the difference between the locally stated level of assessment and the tentative equalization rate. Such notice shall be made within ten days of the receipt of the tentative equalization rate, or within ten days of the filing of the tentative assessment roll, whichever is later, and shall provide the difference in the indicated total full value estimates of the locally stated level of assessment and the tentative equalization rate for the taxable property within each affected town, city, village, county and school district, where applicable.

§ 2. The real property tax law is amended by adding a new section 1211 to read as follows:

§ 1211. Confirmation by commissioner of the locally stated level of assessment. Notwithstanding the foregoing provisions of this title, before the commissioner determines a tentative equalization rate for a city, town or village, he or she shall examine the accuracy of the locally stated level of assessment appearing on the tentative assessment roll. If the commissioner confirms the locally stated level of assessment, then as soon thereafter as is practicable, he or she shall establish and certify such locally stated level of assessment as the final equalization rate for such city, town or village in the manner provided by sections twelve hundred ten and twelve hundred twelve of this title. The provisions of sections twelve hundred four, twelve hundred six and twelve hundred eight of this title shall not apply in such cases, unless the commissioner finds that the final assessment roll differs from the tentative assessment roll to an extent that renders the locally stated level of assessment inaccurate, and rescinds the final equalization rate on that basis.

§ 3. Paragraph (d) of subdivision 1 of section 1314 of the real property tax law, as amended by chapter 158 of the laws of 2002, is amended to read as follows:

(d) (i) Such district superintendent shall also determine what proportion of any tax to be levied in such school district for school purposes

1 during the current school year shall be levied upon each part of a city  
2 or town included in such school district by dividing the sum of the full  
3 valuation of real property in such part of a city or town by the total  
4 of all such full valuations of real property in such school district.  
5 Provided, however, that prior to the levy of taxes, the governing body  
6 of the school district may adopt a resolution directing such proportions  
7 to be based upon the average full valuation of real property in each  
8 such city or town over either a three-year period, consisting of the  
9 current school year and the two prior school years, or over a five-year  
10 period, consisting of the current school year and the four prior school  
11 years. Once such a resolution has been adopted, the proportions for  
12 ensuing school years shall continue to be based upon the average full  
13 valuation of real property in each such city or town over the selected

27 district.

31 relating to the improvement of the administration of real property taxa-  
32 tion in accordance with the real property tax law and other laws relat-  
33 ing thereto. Each component is wholly contained within a Subpart identi-  
34 fied as Subparts A through F. The effective date for each particular  
35 provision contained within such Subpart is set forth in the last section  
36 of such Subpart. Any provision in any section contained within a  
37 Subpart, including the effective date of the Subpart, which makes a  
38 reference to a section "of this act", when used in connection with that  
39 particular component, shall be deemed to mean and refer to the corre-  
40 sponding section of the Subpart in which it is found. Section three of  
41 this Part sets forth the general effective date of this Part.

42 SUBPART A

7 § 2. Subdivision 1 of section 1537 of the real property tax law, as

11 into, amend, cancel and terminate an agreement for appraisal services,  
12 exemption services, ~~[or]~~ assessment services, or assessment review  
13 services, in the manner provided by this section. Such an agreement  
14 shall be considered an agreement for the provision of a "joint service"  
15 for purposes of article five-G of the general municipal law, notwith-  
16 standing the fact that the county would not have the power to perform  
17 such services in the absence of such an agreement.

18 (b) Any such agreement shall be approved by both the assessing unit  
19 and the county, by a majority vote of the voting strength of each  
20 governing body.

21 (c) In the case of an assessing unit, no such agreement shall be  
22 submitted to the governing body for approval unless at least forty-five  
23 days prior to such submission, the governing body shall have adopted a  
24 resolution, subject to a permissive referendum, authorizing the assess-  
25 ing unit to negotiate such an agreement with the county; provided,  
26 however, that such prior authorization shall not be required for an  
27 agreement to amend, cancel or terminate an existing agreement pursuant  
28 to this section.

29 5. An agreement between an assessing unit and a county for assessment  
30 review services shall provide for the members of the board of assessment  
31 review of the assessing unit to be appointed by the legislative body of  
32 the county upon the recommendation of the county director of the real  
33 property tax services. Each member so appointed shall be a resident of  
34 the county but need not be a resident of the assessing unit. The board  
35 of assessment review as so constituted shall have the authority to  
36 receive, review and resolve petitions for assessment review filed in  
37 such assessing unit, and for the corrections of errors therein, to the  
38 full extent set forth in article five of this chapter.

40 amended by chapter 473 of the laws of 1984, is amended to read as  
41 follows:

42 1. At the time and place and during the hours specified in the notice  
43 given pursuant to section fourteen hundred six of this chapter, the

46 of such board constituting at least a majority thereof and the assessors  
47 or a board of assessment review constituted pursuant to section five  
48 hundred twenty-three of this chapter, or as provided by subdivision five  
49 of section fifteen hundred thirty-seven of this chapter, if applicable,

Travel and other actual and necessary expenses incurred by an acting assessor who has been exercising the powers and duties of the assessor for a period of at least six months, in attending training courses no earlier than twelve months prior to the date when courses of training and education are required, shall also be a state charge upon audit by the comptroller. Candidates for certification as eligible for the position of assessor, other than assessors or assessors-elect, shall be charged for the cost of training materials and shall be responsible for all other costs incurred by them in connection with such training. Notwithstanding the foregoing provisions of this subdivision, if the provider of a training course has asked the commissioner to approve the course for credit only, so that attendees who successfully complete the course would be entitled to receive credit without having their expenses reimbursed by the state, and the commissioner has agreed to do so, the travel and other actual and necessary expenses incurred by such attendees shall not be a state charge.

§ 2. Paragraph f of subdivision 3 of section 1530 of the real property tax law, as amended by chapter 361 of the laws of 1986 and as further amended by subdivision (b) of section 1 of part W of chapter 56 of the laws of 2010, is amended to read as follows:

Notwithstanding the foregoing provisions of this paragraph, if the provider of a training course has asked the commissioner to approve the course for credit only, so that attendees who successfully complete the course would be entitled to receive credit without having their expenses reimbursed by the state, and the commissioner has agreed to do so, the travel and other actual and necessary expenses incurred by such attendees shall not be a state charge.

§ 3. This act shall take effect immediately.

#### SUBPART D

Section 1. Section 104 of the real property tax law, as added by section 1 of part U of chapter 61 of the laws of 2011, is amended to read as follows:

§ 104. Electronic real property tax administration. 1. Notwithstanding any provision of law to the contrary, the commissioner is hereby authorized to establish standards for electronic real property tax administration (E-RPT). Such standards shall set forth the terms and conditions under which the various tasks associated with real property tax administration may be executed electronically, dispensing with the need for paper documents. Such tasks shall include any or all of the following:

- 1 (a) The filing of exemption applications;  
2 (b) The filing of petitions for administrative review of assessments;  
3 (c) The filing of petitions for judicial review of assessments;  
4 (d) The filing of applications for administrative corrections of  
5 errors;  
6 (e) The issuance of statements of taxes;  
7 (f) The payment of taxes, subject to the provisions of sections five  
8 and five-b of the general municipal law;  
9 (g) The provision of receipts for the payment of taxes;  
10 (h) The issuance of taxpayer notices required by law, including  
11 sections five hundred eight, five hundred ten, five hundred ten-a, five  
12 hundred eleven, five hundred twenty-five and five hundred fifty-one-a  
13 through five hundred fifty-six-b of this chapter; and  
14 (i) The furnishing of notices and certificates under this chapter  
15 relating to state equalization rates, residential assessment ratios,  
16 special franchise assessments, railroad ceilings, taxable state lands,  
17 advisory appraisals, and the certification of assessors and county  
18 directors or real property tax services, subject to the provisions of  
19 subdivision five of this section.

20 2. Such standards shall be developed after consultation with local  
21 government officials, the office of court administration in the case of  
22 standards relating to petitions for judicial review of assessments, and  
23 the office of the state comptroller in the case of standards relating to  
24 payments or taxes and the issuance of receipts therefor.

25 3. (a) Taxpayers shall not be required to accept notices, statements  
26 of taxes, receipts for the payment of taxes, or other documents elec-  
27 tronically unless they have so elected. Taxpayers who have not so  
28 elected shall be sent such communications in the manner otherwise  
29 provided by law.

30 (b) ~~[Assessors and other municipal officials shall not be required to~~  
31 ~~accept and respond to communications from the commissioner electron-~~  
32 ~~ically.~~

33 ~~(a)~~ The governing board of any municipal corporation may, by local  
34 law, ordinance or resolution, determine that it is in the public inter-  
35 est for such municipal corporation to provide electronic real property  
36 tax administration. Upon adoption of such local law, ordinance or resol-  
37 ution, such municipal corporation shall comply with standards set forth  
38 by the commissioner.

39 ~~(d)~~ (c) The standards prescribed by the commissioner pursuant to  
40 this section relating to communications with taxpayers shall provide for  
41 the collection of electronic contact information, such as e-mail  
42 addresses and/or social network usernames, from taxpayers who have  
43 elected to receive electronic communications in accordance with the  
44 provisions of this section. Such information shall be exempt from public  
45 disclosure in accordance with section eighty-nine of the public officers  
46 law.

47 4. When a document has been transmitted electronically in accordance  
48 with the provisions of this section and the standards adopted by the  
49 commissioner hereunder, it shall be deemed to satisfy the applicable  
50 legal requirements to the same extent as if it had been mailed via the  
51 United States postal service.

52 5. (a) On and after January first, two thousand twenty, whenever the  
53 commissioner is obliged by law to mail a notice of the determination of  
54 a tentative state equalization rate, tentative special franchise assess-  
55 ment, tentative assessment ceiling or other tentative determination of  
56 the commissioner that is subject to administrative review, the commis-

1 sioner shall be authorized to furnish the required notice by e-mail, or  
2 by causing it to be posted on the department's website, or both, at his  
3 or her discretion. When providing notice of a tentative determination  
4 by causing it to be posted on the department's website, the commissioner  
5 also shall e-mail the parties required by law to receive such notice, to  
6 inform them that the notice of tentative determination has been posted  
7 on the website. Such notice of tentative determination shall not be  
8 deemed complete unless such emails have been sent. Notwithstanding any  
9 provision of law to the contrary, the commissioner shall not be required  
10 to furnish such notices by postal mail, except as provided by paragraphs  
11 (d) and (e) of this subdivision.

12 (b) When providing notice of a tentative determination by e-mail or  
13 posting pursuant to this subdivision, the commissioner shall specify an  
14 e-mail address to which complaints regarding such tentative determi-  
15 nation may be sent. A complaint that is sent to the commissioner by  
16 e-mail to the specified e-mail address by the date prescribed by law for  
17 the mailing of such complaints shall be deemed valid to the same extent  
18 as if it had been sent by postal mail.

19 (c) When a final determination is made in such a matter, notice of the  
20 final determination and any certificate relating thereto shall be  
21 furnished by e-mail or by a website posting, or both at the commission-  
22 er's discretion, and need not be provided by postal mail, except as  
23 provided by paragraphs (d) and (e) of this subdivision. When providing  
24 notice of a final determination by website posting, the commissioner  
25 also shall e-mail the parties required by law to receive such notice, to  
26 inform them that the notice of final determination has been posted on  
27 the website. Such notice of final determination shall not be deemed  
28 complete unless such emails have been sent.

29 (d) If an assessor has advised the commissioner in writing that he or  
30 she prefers to receive the notices described in this subdivision by  
31 postal mail, the commissioner shall thereafter send such notices to that  
32 assessor by postal mail, and need not send such notices to that assessor  
33 by e-mail. The commissioner shall prescribe a form that assessors may  
34 use to advise the commissioner of their preference for postal mail.

35 (e) If the commissioner learns that an e-mail address to which a  
36 notice has been sent pursuant to this subdivision is not valid, and the  
37 commissioner cannot find a valid e-mail address for that party, the  
38 commissioner shall resend the notice to the party by postal mail. If the  
39 commissioner does not have a valid e-mail address for the party at the  
40 time the notice is initially required to be sent, the commissioner shall  
41 send the notice to that party by postal mail.

42 (f) On or before November thirtieth, two thousand nineteen, the  
43 commissioner shall send a notice by postal mail to assessors, to chief  
44 executive officers of assessing units, and to owners of special fran-  
45 chise property and railroad property, informing them of the provisions  
46 of this section. The notice to be sent to assessors shall include a  
47 copy of the form prescribed pursuant to paragraph (d) of this subdivi-  
48 sion.

49 (g) As used in this subdivision, the term "postal mail" shall mean  
50 mail that is physically delivered to the addressee by the United States  
51 postal service.

52 § 2. This act shall take effect immediately.

1 Section 1. Subdivision 4 of section 302 of the real property tax law,  
2 as amended by chapter 348 of the laws of 2007, is amended to read as  
3 follows:

4 4. The taxable status of a special franchise shall be determined on  
5 the basis of its value and its ownership as of the first day of ~~[July]~~  
6 January of the year preceding the year in which the assessment roll on  
7 which such property is to be assessed is completed and filed in the  
8 office of the city or town clerk, except that taxable status of such  
9 properties shall be determined on the basis of ownership as of the first  
10 day of ~~[July]~~ January of the second year preceding the date required by  
11 law for the filing of the final assessment roll for purposes of all  
12 village assessment rolls.

13 § 2. Subdivision 2 of section 606 of the real property tax law, as  
14 amended by chapter 743 of the laws of 2005 and as further amended by

16 2010, is amended to read as follows:

17 2. In any assessing unit which has completed a revaluation since nine-  
18 teen hundred fifty-three or which does not contain property that was  
19 assessed in nineteen hundred fifty-three, the commissioner shall deter-  
20 mine the full value of such special franchise as of the ~~[valuation date~~  
21 ~~of the assessing unit]~~ taxable status date specified by subdivision four  
22 of section three hundred two of this chapter. Such full value shall be  
23 determined by the commissioner for purposes of sections six hundred  
24 eight, six hundred fourteen and six hundred sixteen of this article.  
25 These full values shall be entered on the assessment roll at the level  
26 of assessment, which shall be the uniform percentage of value, as  
27 required by section five hundred two of this chapter, appearing on the  
28 tentative assessment roll upon which the assessment is entered. Whenever  
29 a final state equalization rate, or, in the case of a special assessing  
30 unit, a class equalization rate, is established that is different from a  
31 level of assessment applied pursuant to this paragraph, any public offi-  
32 cial having custody of that assessment roll is hereby authorized and  
33 directed to recompute these assessments to reflect that equalization  
34 rate, provided such final rate is established by the commissioner at  
35 least ten days prior to the date for levy of taxes against those assess-  
36 ments.

37 § 3. This act shall take effect January 1, 2020.

49 2. When used in this section, "electric generating facility" shall  
50 mean any facility that generates electricity for sale, directly or indi-  
51 rectly, to the public, including the land upon which the facility is  
52 located, any equipment used in such generation, and equipment leading  
53 from the facility to the interconnection with the electric transmission  
54 system, but shall not include:

1 (a) any equipment in the electric transmission system; and  
2 (b) any electric generating equipment owned or operated by a residen-  
3 tial customer of an electric generating facility, including the land

6 3. Every electric generating facility owner, operator, or manager  
7 failing to make the report required by this section, or failing to make  
8 any report required by the commissioner pursuant to this section within  
9 the time specified by it, shall forfeit to the people of the state the

13 § 2. This act shall take effect January 1, 2020.

14 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-  
15 sion, section or subpart of this act shall be adjudged by any court of  
16 competent jurisdiction to be invalid, such judgment shall not affect,  
17 impair, or invalidate the remainder thereof, but shall be confined in  
18 its operation to the clause, sentence, paragraph, subdivision, section  
19 or subpart thereof directly involved in the controversy in which such  
20 judgment shall have been rendered. It is hereby declared to be the  
21 intent of the legislature that this act would have been enacted even if  
22 such invalid provisions had not been included herein.

23 § 3. This act shall take effect immediately provided, however, that  
24 the applicable effective date of Subparts A through F of this Part shall  
25 be as specifically set forth in the last section of such Subparts.

30 have been in full force and effect on and after April 12, 2018.

#### 31 PART L

32 Section 1. The tax law is amended by adding a new section 44 to read  
33 as follows:

34 § 44. Employer-provided child care credit. (a) General. A taxpayer  
35 subject to tax under article nine-A, twenty-two, or thirty-three of this  
36 chapter shall be allowed a credit against such tax in an amount equal to  
37 the portion of the credit that is allowed to the taxpayer under section  
38 45F of the internal revenue code that is attributable to (i) qualified  
39 child care expenditures paid or incurred with respect to a qualified  
40 child care facility with a situs in the state, and to (ii) qualified  
41 child care resource and referral expenditures paid or incurred with  
42 respect to the taxpayer's employees working in the state. The credit  
43 allowable under this subdivision for any taxable year shall not exceed  
44 one hundred fifty thousand dollars. If the entity operating the quali-  
45 fied child care facility is a partnership or a New York S corporation,  
46 then such cap shall be applied at the entity level, so the aggregate  
47 credit allowed to all the partners or shareholders of such entity in a  
48 taxable year does not exceed one hundred fifty thousand dollars.

49 (b) Credit recapture. If there is a cessation of operation or change  
50 in ownership, as defined by section 45F of the internal revenue code  
51 relating to a qualified child care facility with a situs in the state,  
52 the taxpayer shall add back the applicable recapture percentage of the

1 credit allowed under this section in accordance with the recapture  
2 provisions of section 45F of the internal revenue code, but the recap-  
3 ture amount shall be limited to the credit allowed under this section.

4 (c) Reporting requirements. A taxpayer that has claimed a credit under  
5 this section shall notify the commissioner of any cessation of opera-  
6 tion, change in ownership, or agreement to assume recapture liability as  
7 such terms are defined by section 45F of the internal revenue code, in  
8 the form and manner prescribed by the commissioner.

9 (d) Definitions. The terms "qualified child care expenditures", "qual-  
10 ified child care facility", "qualified child care resource and referral  
11 expenditure", "cessation of operation", "change of ownership", and  
12 "applicable recapture percentage" shall have the same meanings as in  
13 section 45F of the internal revenue code.

14 (e) Cross-references. For application of the credit provided for in  
15 this section, see the following provisions of this chapter:

16 (1) article 9-A: section 210-B, subdivision 53;

17 (2) article 22: section 606(i), subsections (i) and (jjj);

18 (3) article 33: section 1511, subdivision (dd).

19 § 2. Section 210-B of the tax law is amended by adding a new subdivi-  
20 sion 53 to read as follows:

21 53. Employer-provided child care credit. (a) Allowance of credit. A  
22 taxpayer shall be allowed a credit, to be computed as provided in  
23 section forty-four of this chapter, against the tax imposed by this  
24 article.

25 (b) Application of credit. The credit allowed under this subdivision  
26 for any taxable year may not reduce the tax due for such year to less  
27 than the amount prescribed in paragraph (d) of subdivision one of  
28 section two hundred ten of this article. However, if the amount of the  
29 credit allowed under this subdivision for any taxable year reduces the  
30 tax to such amount or if the taxpayer otherwise pays tax based on the  
31 fixed dollar minimum amount, any amount of credit thus not deductible in  
32 such taxable year will be treated as an overpayment of tax to be credit-  
33 ed or refunded in accordance with the provisions of section one thousand  
34 eighty-six of this chapter. Provided, however, the provisions of  
35 subsection (c) of section one thousand eighty-eight of this chapter  
36 notwithstanding, no interest shall be paid thereon.

37 (c) Credit recapture. For provisions requiring recapture of credit,  
38 see section forty-four of this chapter.

39 § 3. Subparagraph (B) of paragraph 1 of subsection (i) of section 606  
40 of the tax law is amended by adding a new clause (xliv) to read as  
41 follows:

42 <u>(xliv) Employer-provided child</u>	<u>Amount of credit under subdivision</u>
43 <u>care credit (jjj)</u>	<u>fifty-three of section two hundred</u>
44	<u>ten-B</u>

45 § 4. Section 606 of the tax law is amended by adding a new subsection  
46 (jjj) to read as follows:

47 (jjj) Employer-provided child care credit. (1) Allowance of credit. A  
48 taxpayer shall be allowed a credit, to be computed as provided in  
49 section forty-four of this chapter, against the tax imposed by this  
50 article.

51 (2) Application of credit. If the amount of the credit allowed under  
52 this subsection for any taxable year exceeds the taxpayer's tax for such  
53 year, the excess will be treated as an overpayment of tax to be credited  
54 or refunded in accordance with the provisions of section six hundred  
55 eighty-six of this article, provided, however, that no interest will be  
56 paid thereon.

(3) Credit recapture. For provisions requiring recapture of credit, see section forty-four of this chapter.

§ 5. Section 1511 of the tax law is amended by adding a new subdivision (dd) to read as follows:

(dd) Employer-provided child care credit. (1) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-four of this chapter, against the tax imposed by this article.

(2) Application of credit. The credit allowed under this subdivision shall not reduce the tax due for such year to be less than the minimum fixed by paragraph four of subdivision (a) of section fifteen hundred two or section fifteen hundred two-a of this article, whichever is applicable. However, if the amount of the credit allowed under this subdivision for any taxable year reduces the taxpayer's tax to such amount, any amount of credit thus not deductible will be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

(3) Credit recapture. For provisions requiring recapture of credit, see section forty-four of this chapter.

§ 6. This act shall take effect immediately and apply to taxable years beginning on or after January 1, 2020.

#### PART M

2 return or in a statement attached to the return, such income tax prepar-  
3 er shall pay a penalty of between one hundred and one thousand dollars.

4 (2) If a tax return preparer takes a position on any income tax return

6 increases the claim for a refund and the understatement of the tax  
7 liability or the increased claim for refund is due to the preparer's  
8 reckless or intentional disregard of the law, rules or regulations, such  
9 preparer shall pay a penalty of between five hundred and five thousand  
10 dollars. The amount of the penalty payable by any person by reason of  
11 this paragraph shall be reduced by the amount of the penalty paid by  
12 such person by reason of paragraph one of this subsection.

29 such return or claim for refund, the tax return preparer shall be  
30 subject to a penalty of two hundred fifty dollars for each such failure  
31 to sign, unless it is shown that such failure is due to reasonable cause

33 paragraph on any tax return preparer with respect to returns filed  
34 during any calendar year by the tax return preparer must not exceed ten  
35 thousand dollars. Provided, however, that if a tax return preparer has  
36 been penalized under this paragraph for a preceding calendar year and  
37 again fails to sign his or her name on any return that requires the tax  
38 return preparer's signature during a subsequent calendar year, then the  
39 penalty under this paragraph for each failure will be five hundred  
40 dollars, and no annual cap will apply. This paragraph shall not apply if  
41 the penalty under paragraph three of subsection (g) of section thirty-

48 preparer shall be subject to a penalty of one hundred dollars for each  
49 such failure, unless it is shown that such failure is due to reasonable  
50 cause and not willful neglect. The maximum penalty imposed under this  
51 paragraph on any tax return preparer with respect to returns filed  
52 during any calendar year must not exceed two thousand five hundred  
53 dollars; provided, however, that if a tax return preparer has been  
54 penalized under this paragraph for a preceding calendar year and again  
55 fails to include the identifying number on one or more returns during a  
56 subsequent calendar year, then the penalty under this paragraph for each

## PART W

Section 1. The mental hygiene law is amended by adding a new section 32.38 to read as follows:

### § 32.38 The recovery tax credit program.

(a) Authorization. The commissioner is authorized to and shall establish and administer the recovery tax credit program to provide tax incentives to certified employers for employing eligible individuals in recovery from a substance use disorder in part-time and full-time positions in the state. The commissioner is authorized to allocate up to two million dollars of tax credits annually for the recovery tax credit program beginning in the year two thousand twenty.

(b) Definitions. 1. The term "certified employer" means an employer that has received a certificate of tax credit from the commissioner after the commissioner has determined that the employer:

(i) provides a recovery supportive environment for their employees evidenced by a formal working relationship with a local recovery or treatment provider certified by the office to provide support for employers including any necessary assistance in the hiring process of eligible individuals in recovery from a substance use disorder and training for employers or supervisors; and

(ii) fulfills the eligibility criteria set forth in this section and by the commissioner to participate in the recovery tax credit program established in this section.

2. The term "eligible individual" means an individual with a substance use disorder as that term is defined in section 1.03 of this chapter who is in a state of wellness where there is an abatement of signs and symptoms that characterize active addiction and has demonstrated to the qualified employer's satisfaction, pursuant to guidelines established by the office, that he or she has completed a course of treatment or is currently in receipt of treatment for such substance use disorder. A relapse in an individual's state of wellness shall not make the individual ineligible, so long as such individual shows a continued commitment to recovery that aligns with an individual's relapse prevention plan, discharge plan, and/or recovery plan.

(c) Application and approval process. 1. To participate in the program established by this section, an employer must, in a form prescribed by the commissioner, apply annually to the office by January fifteenth to claim credit based on eligible individuals employed during the preceding calendar year. As part of such application, an employer must:

(i) Agree to allow the department of taxation and finance to share its tax information with the office of alcoholism and substance abuse services. However, any information shared because of this agreement shall not be available for disclosure or inspection under the state freedom of information law.

(ii) Allow the office of alcoholism and substance abuse services and its agents access to limited and specific information necessary to monitor compliance with program eligibility requirements. Such information shall be confidential and only used for the stated purpose of this section.

1     (iii) Demonstrate that the employer has satisfied program eligibility  
2 requirements and provided all the information necessary, including the  
3 number of hours worked by any eligible individual, for the commissioner  
4 to compute an actual amount of credit allowed.

5     2. (i) After reviewing the application and finding it sufficient, the  
6 commissioner shall issue a certificate of tax credit by March thirty-  
7 first. Such certificate shall include, but not be limited to, the name  
8 and employer identification number of the certified employer, the amount  
9 of credit that the certified employer may claim, and any other informa-  
10 tion the commissioner of taxation and finance determines is necessary.

11     (ii) In determining the amount of credit that any employer may claim,  
12 the commissioner shall review all claims submitted for credit by employ-  
13 ers and, to the extent that the total amount claimed by employers  
14 exceeds the amount allocated for the program in that calendar year,  
15 shall issue credits on a pro-rata basis corresponding to each claimant's  
16 share of the total claimed amount.

17     (d) Eligibility. A certified employer shall be entitled to a tax cred-  
18 it equal to the product of one dollar and the number of hours worked by  
19 each eligible individual during such eligible individual's period of  
20 employment. The credit shall not be allowed unless the eligible indi-  
21 vidual has worked in state for a minimum of five hundred hours for the  
22 certified employer, and the credit cannot exceed two thousand dollars  
23 per eligible individual employed by the certified employer in the state.  
24 The certified employer may claim a credit for each eligible employee  
25 starting on the day the employee is hired and ends on December thirty-  
26 first of the immediately succeeding calendar year or the last day of the  
27 employee's employment by the certified employer, whichever comes first.  
28 If an employee has worked in excess of five hundred hours between the  
29 date of hiring and December thirty-first of that year, an employer can  
30 elect to compute and claim a credit for such employee in that year based  
31 on the hours worked by December thirty-first. Alternatively, the employ-  
32 er may elect to include such individual in the computation of the credit  
33 in the year immediately succeeding the year in which the employee was  
34 hired. In such case, the credit shall be computed on the basis of all  
35 hours worked by such eligible individual from the date of hire to the  
36 earlier of the last day of employment or December thirty-first of the  
37 succeeding year. However, in no event may an employee generate credit  
38 for hours worked in excess of two thousand hours. An employer may claim  
39 credit only once with respect to any eligible individual and may not  
40 aggregate hours of two or more employees to reach the minimum number of  
41 hours.

42     (e) Duties of the commissioner. The commissioner shall annually  
43 provide to the commissioner of the department of taxation and finance  
44 information about the program including, but not limited to, the number  
45 of certified employers then participating in the program, unique identi-  
46 fying information for each certified employer, the number of eligible  
47 individuals employed by each certified employer, unique identifying  
48 information for each eligible individual employed by the certified  
49 employers, the number of hours worked by such eligible individuals, the  
50 total dollar amount of claims for credit, and the dollar amount of cred-  
51 it granted to each certified employer.

52     (f) Certified employer's taxable year. If the certified employer's  
53 taxable year is a calendar year, the employer shall be entitled to claim  
54 the credit as shown on the certificate of tax credit on the calendar  
55 year return for which the certificate of tax credit was issued. If the  
56 certified employer's taxable year is a fiscal year, the employer shall

1 be entitled to claim the credit as shown on the certificate of tax cred-  
2 it on the return for the fiscal year that includes the last day of the  
3 calendar year covered by the certificate of tax credit.

4 (g) Cross references. For application of the credit provided for in  
5 this section, see the following provisions of the tax law:

6 1. Article 9-A: Section 210-B, subdivision 53.

7 2. Article 22: Section 606, subsection (jjj).

13 that has received a certificate of tax credit from the commissioner of  
14 the office of alcoholism and substance abuse services shall be allowed a  
15 credit against the tax imposed by this article equal to the amount shown  
16 on such certificate of tax credit. A taxpayer that is a partner in a  
17 partnership or member of a limited liability company that has been  
18 certified by the commissioner of the office of alcoholism and substance  
19 abuse services as a qualified employer pursuant to section 32.38 of the  
20 mental hygiene law shall be allowed its pro rata share of the credit  
21 earned by the partnership or limited liability company.

22 (b) Application of credit. The credit allowed under this subdivision  
23 for any taxable year may not reduce the tax due for that year to less  
24 than the amount prescribed in paragraph (d) of subdivision one of  
25 section two hundred ten of this article. However, if the amount of the  
26 credit allowed under this subdivision for any taxable year reduces the  
27 tax to that amount or if the taxpayer otherwise pays tax based on the  
28 fixed dollar minimum amount, any amount of credit not deductible in that  
29 taxable year will be treated as an overpayment of tax to be credited or  
30 refunded in accordance with the provisions of section one thousand  
31 eighty-six of this chapter. Provided, however, no interest will be paid  
32 thereon.

33 (c) Tax return requirement. The taxpayer shall be required to attach  
34 to its tax return, in the form prescribed by the commissioner, proof of  
35 receipt of its certificate of tax credit issued by the commissioner of  
36 the office of alcoholism and substance abuse services pursuant to

21 subparagraph (B) of paragraph six of subsection (eee) of section six  
22 hundred six of the tax law shall be deemed to satisfy the requirements  
23 of this paragraph. That the commissioner may not be the primary recipi-  
24 ent of such registration statement shall not be construed to limit,  
25 alter or diminish the ability or responsibility of the division of hous-  
26 ing and community renewal in regards to enforcement of this section or  
27 any other applicable laws. The commissioner may request additional or  
28 corrected information to be filed by each manufactured home park owner

30 of such manufactured home parks. The commissioner shall annually make  
31 publicly available on its website a report of the data collected pursu-

33 subsection (eee) of section six hundred six of the tax law, not includ-

35 3. Whenever there shall be a violation of this section, an application  
36 may be made by the commissioner of housing and community renewal in the  
37 name of the people of the state of New York to a court or justice having  
38 jurisdiction by a special proceeding to issue an injunction, and upon  
39 notice to the defendant of not less than five days, to enjoin and  
40 restrain the continuance of such violation; and if it shall appear to  
41 the satisfaction of the court or justice that the defendant has, in  
42 fact, violated this section, an injunction may be issued by such court  
43 or justice, enjoining and restraining any further violation and with  
44 respect to this subdivision, directing the filing of a registration  
45 statement. In any such proceeding, the court may make allowances to the  
46 commissioner of housing and community renewal of a sum not exceeding two

10 STAR tax savings for the school district portion, or the enhanced STAR  
11 tax savings for the school district portion, whichever is applicable,  
12 that would be applied to a separately assessed parcel in the school  
13 district portion with a taxable assessed value equal to twenty thousand  
14 dollars multiplied by the latest state equalization rate or special  
15 equalization rate for the assessing unit in which the mobile home is  
16 located. Provided, however, that if the commissioner is in possession of  
17 information, including but not limited to assessment records, that  
18 demonstrates to the commissioner's satisfaction that the taxpayer's  
19 mobile home is worth more than twenty thousand dollars, or if the  
20 taxpayer provides the commissioner with such information, the taxpayer's  
21 credit shall be increased accordingly, but in no case shall the credit  
22 exceed the basic STAR tax savings or enhanced STAR tax savings, whichev-  
23 er is applicable, for the school district portion.

35 the rent set for each lot in the park, and such additional information  
36 as the commissioner may deem necessary for the proper administration of  
37 the STAR exemption established pursuant to section four hundred twenty-  
38 five of the real property tax law and the STAR credit and any other  
39 property tax-based credit established pursuant to this section. In the  
40 case of the first registration statement filed in a calendar year, such  
41 statement shall also include a copy of all current manufactured home  
42 park rules and regulations. In the case that the manufactured home park  
43 rules and regulations are modified after the filing of the first regis-  
44 tration statement in a calendar year, the next subsequent registration  
45 statement shall also include a copy of such rules and regulations. The  
46 commissioner shall provide the commissioner of housing and community  
47 renewal with the information contained in each report no later than  
48 thirty days after the receipt thereof.

49 § 3. This act shall take effect immediately.

50 PART PP

51 Section 1. Subparagraph (iv) of paragraph (b) of subdivision 4 of  
52 section 425 of the real property tax law, as amended by section 2 of  
53 part B of chapter 59 of the laws of 2018, is amended to read as follows:

(iv) (A) Effective with applications for the enhanced exemption on final assessment rolls to be completed in two thousand nineteen, the application form shall indicate that all owners of the property and any owners' spouses residing on the premises must have their income eligibility verified annually by the department and must furnish their taxpayer identification numbers in order to facilitate matching with records of the department. The income eligibility of such persons shall be verified annually by the department, and the assessor shall not request income documentation from them. All applicants for the enhanced exemption and all assessing units shall be required to participate in this program, which shall be known as the STAR income verification program.

(B) Effective with final assessment rolls to be completed in two thousand twenty, the commissioner shall also annually verify the eligibility of such persons for the enhanced exemption on the basis of age and residency as well as income.

(C) Where the commissioner finds that the enhanced exemption should be replaced with a basic exemption because [~~the income limitation applicable to the enhanced exemption has been exceeded~~] the property is only eligible for a basic exemption, he or she shall provide the property owners with notice and an opportunity to submit to the commissioner evidence to the contrary. Where the commissioner finds that the enhanced exemption should be removed or denied without being replaced with a basic exemption because [~~the income limitation applicable to the basic exemption has also been exceeded~~] the property is not eligible for either exemption, he or she shall provide the property owners with notice and an opportunity to submit to the commissioner evidence to the contrary. In either case, if the owners fail to respond to such notice within forty-five days from the mailing thereof, or if their response does not show to the commissioner's satisfaction that the property is eligible for the exemption claimed, the commissioner shall direct the assessor or other person having custody or control of the assessment roll or tax roll to either replace the enhanced exemption with a basic exemption, or to remove or deny the enhanced exemption without replacing it with a basic exemption, as appropriate. The commissioner shall further direct such person to correct the roll accordingly. Such a directive shall be binding upon the assessor or other person having custody or control of the assessment roll or tax roll, and shall be implemented by such person without the need for further documentation or approval.

~~(C)~~ (D) Notwithstanding any provision of law to the contrary, neither an assessor nor a board of assessment review has the authority to consider an objection to the replacement or removal or denial of an exemption pursuant to this subdivision, nor may such an action be reviewed in a proceeding to review an assessment pursuant to title one or one-A of article seven of this chapter. Such an action may only be challenged before the department. If a taxpayer is dissatisfied with the department's final determination, the taxpayer may appeal that determination to the state board of real property tax services in a form and manner to be prescribed by the commissioner. Such appeal shall be filed within forty-five days from the issuance of the department's final determination. If dissatisfied with the state board's determination, the taxpayer may seek judicial review thereof pursuant to article seventy-eight of the civil practice law and rules. The taxpayer shall otherwise have no right to challenge such final determination in a court action, administrative proceeding or any other form of legal recourse against

1 the commissioner, the department, the state board of real property tax  
2 services, the assessor or other person having custody or control of the  
3 assessment roll or tax roll regarding such action.

16 misstatement appears on an application filed prior to October first, two  
17 thousand thirteen, and] six years [if such misstatement appears on an  
18 application filed thereafter]. In addition, such person or persons may  
19 be subject to prosecution pursuant to the penal law.

20 (f) Assessor notification. The assessor shall inform the commissioner  
21 whenever a person or persons is found to have made a material misstate-  
22 ment on an application for the exemption authorized by this section.

23 § 3. Paragraph (13) of subsection (eee) of section 606 of the tax law  
24 is amended by adding a new subparagraph (E) to read as follows:

25 (E) On or after April first, two thousand nineteen, a taxpayer who is  
26 found to have made a material misstatement on an application for the

32 § 4. Subparagraph (E) of paragraph (10) of subsection (eee) of section

34 the laws of 2016, is amended to read as follows:

35 (E) If the commissioner determines after issuing an advance payment  
36 that it was issued in an excessive amount or to an ineligible or incor-  
37 rect party, the commissioner shall be empowered to utilize any of the  
38 procedures for collection, levy and lien of personal income tax set  
39 forth in this article, any other relevant procedures referenced within  
40 the provisions of this article, and any other law as may be applicable,  
41 to recoup the improperly issued amount; provided that in the event such  
42 party was determined to be ineligible on the basis that his or her  
43 primary residence received the STAR exemption in the associated fiscal  
44 year, the improperly issued credit amount shall be deemed a clerical  
45 error and shall be paid upon notice and demand without the issuance of a  
46 notice of deficiency and shall be assessed, collected and paid in the  
47 same manner as taxes.

48 § 5. This act shall take effect immediately.

49 PART QQ

50 Section 1. Section 467 of the real property tax law is amended by  
51 adding a new subdivision 11 to read as follows:

52 11. (a) Notwithstanding any provision of law to the contrary, upon the  
53 request of an assessor, the commissioner may disclose to the assessor  
54 the names and addresses of the owners of property in that assessor's

1 assessing unit who are receiving the enhanced STAR exemption or enhanced  
2 STAR credit and whose federal adjusted gross income is less than the  
3 uppermost amount specified by subparagraph three of paragraph (b) of  
4 subdivision one of this section (represented therein as M + \$8,400).  
5 Such amount shall be determined without regard to any local options that  
6 the municipal corporation may or may not have exercised in relation to  
7 increasing or decreasing the maximum income eligibility level authorized  
8 by this section, provided that the amount so determined for a city with  
9 a population of one million or more shall take into account the distinct  
10 maximum income eligibility level established for such city by paragraph  
11 (a) of subdivision three of this section. In no case shall the commis-  
12 sioner disclose to an assessor the amount of an owner's federal adjusted  
13 gross income.

14 (b) The assessor may use the information contained in such a report to  
15 contact those owners who are not already receiving the exemption author-  
16 ized by this section and to suggest that they consider applying for it.  
17 Provided, however, that nothing contained herein shall be construed as  
18 enabling any person or persons to qualify for the exemption authorized  
19 by this section on the basis of their federal adjusted gross income,  
20 rather than on the basis of their income as determined pursuant to the  
21 provisions of paragraph (a) of subdivision three of this section.

22 (c) Information disclosed to an assessor pursuant to this subdivision  
23 shall be used only for purposes of real property tax administration. It  
24 shall be deemed confidential otherwise, and shall not be subject to the  
25 provisions of article six of the public officers law.

26 § 2. Section 1532 of the real property tax law is amended by adding a  
27 new subdivision 5 to read as follows:

28 5. Information regarding decedents provided by the commissioner to a  
29 county director of real property tax services pursuant to subsection (c)  
30 of section six hundred fifty-one of the tax law shall be used only for  
31 purposes of real property tax administration. The contents of the report  
32 may be shared with the assessor and tax collecting officer of the munic-  
33 ipal corporation in which the decedent's former residence is located,  
34 and with the enforcing officer if such residence is subject to delin-  
35 quent taxes. The information shall be deemed confidential otherwise, and  
36 shall not be subject to the provisions of article six of the public  
37 officers law.

38 § 3. Subsection (c) of section 651 of the tax law, as amended by chap-  
39 ter 783 of the laws of 1962, is amended to read as follows:

40 (c) Decedents. The return for any deceased individual shall be made  
41 and filed by his executor, administrator, or other person charged with  
42 his property. If a final return of a decedent is for a fractional part  
43 of a year, the due date of such return shall be the fifteenth day of the  
44 fourth month following the close of the twelve-month period which began  
45 with the first day of such fractional part of the year. Notwithstanding  
46 any provision of law to the contrary, when a return has been filed for a  
47 decedent, the commissioner may disclose the decedent's name, address,  
48 and the date of death to the director of real property tax services of  
49 the county in which the address reported on such return is located.

50 § 4. This act shall take effect immediately.

51 PART RR

52 Section 1. Paragraph (b-1) of subdivision 3 of section 425 of the real  
53 property tax law, as added by section 1 of part FF of chapter 57 of the  
54 laws of 2010, is amended to read as follows:

(b-1) Income. For final assessment rolls to be used for the levy of taxes for the two thousand eleven-two thousand twelve through two thousand eighteen-two thousand nineteen school ~~[year and thereafter]~~ years, the parcel's affiliated income may be no greater than five hundred thousand dollars, as determined by the commissioner ~~[of taxation and finance]~~ pursuant to subdivision fourteen of this section or section one hundred seventy-one-u of the tax law, in order to be eligible for the basic exemption authorized by this section. Beginning with the two thousand nineteen-two thousand twenty school year, for purposes of the exemption authorized by this section, the parcel's affiliated income may be no greater than two hundred fifty thousand dollars, as so determined.

As used herein, the term "affiliated income" shall mean the combined income of all of the owners of the parcel who resided primarily thereon on the applicable taxable status date, and of any owners' spouses residing primarily thereon. For exemptions on final assessment rolls to be used for the levy of taxes for the two thousand eleven-two thousand twelve school year, affiliated income shall be determined based upon the parties' incomes for the income tax year ending in two thousand nine. In each subsequent school year, the applicable income tax year shall be advanced by one year. The term "income" as used herein shall have the same meaning as in subdivision four of this section.

§ 2. Subparagraph (A) of paragraph 3 of subsection (eee) of section 606 of the tax law, as added by section 8 of part A of chapter 73 of the laws of 2016, is amended to read as follows:

(A) Beginning with taxable years after two thousand fifteen, a basic STAR credit shall be available to a qualified taxpayer if the affiliated income of the parcel that serves as the taxpayer's primary residence is less than or equal to five hundred thousand dollars. The income limit established for the basic STAR exemption by paragraph (b-1) of subdivision three of section four hundred twenty-five of the real property tax law shall not be taken into account when determining eligibility for the basic STAR credit.

§ 3. This act shall take effect immediately.

#### PART SS

Section 1. Subdivision 6 of section 1306-a of the real property tax law, as amended by section 3 of part TT of chapter 59 of the laws of 2017, is amended to read as follows:

6. When the commissioner determines, at least twenty days prior to the levy of school district taxes, that an advance credit of the personal income tax credit authorized by subsection (eee) of section six hundred six of the tax law will be provided to the owners of a parcel in that school district, he or she shall so notify the assessor, the county director of real property tax services, and the authorities of the school district, who shall cause a statement to be placed on the tax bill for the parcel in substantially the following form: "An estimated STAR check has been or will be mailed to you ~~[upon issuance]~~ by the NYS Tax Department. Any overpayment or underpayment can be reconciled on your next tax return or STAR credit check."

Notwithstanding any provision of law to the contrary, in the event that the parcel in question had been granted a STAR exemption on the assessment roll upon which school district taxes are to be levied, such exemption shall be deemed null and void, shall be removed from the assessment roll, and shall be disregarded when the parcel's tax liability is determined. The assessor or other local official or officials

1 having custody and control of the data file used to generate school  
2 district tax rolls and tax bills shall be authorized and directed to  
3 change such file as necessary to enable the school district authorities  
4 to discharge the duties imposed upon them by this subdivision.

5 § 2. This act shall take effect immediately.

6 PART TT

7 Section 1. Paragraph (a-2) of subdivision 6 of section 425 of the real  
8 property tax law, as added by section 1 of part D of chapter 60 of the  
9 laws of 2016, is amended to read as follows:

10 (a-2) Notwithstanding any provision of law to the contrary, where [~~a~~  
11 ~~renewal~~] an application for the "enhanced" STAR exemption authorized by  
12 subdivision four of this section has not been filed on or before the  
13 taxable status date, and the owner believes that good cause existed for  
14 the failure to file the [~~renewal~~] application by that date, the owner  
15 may, no later than the last day for paying school taxes without incur-  
16 ring interest or penalty, submit a written request to the commissioner  
17 asking him or her to extend the filing deadline and grant the exemption.  
18 Such request shall contain an explanation of why the deadline was  
19 missed, and shall be accompanied by [~~a renewal~~] an application, reflect-  
20 ing the facts and circumstances as they existed on the taxable status  
21 date. After consulting with the assessor, the commissioner may extend  
22 the filing deadline and grant the exemption if the commissioner is  
23 satisfied that (i) good cause existed for the failure to file the  
24 [~~renewal~~] application by the taxable status date, and that (ii) the  
25 applicant is otherwise entitled to the exemption. The commissioner shall  
26 mail notice of his or her determination to such owner and the assessor.  
27 If the determination states that the commissioner has granted the  
28 exemption, the assessor shall thereupon be authorized and directed to  
29 correct the assessment roll accordingly, or, if another person has  
30 custody or control of the assessment roll, to direct that person to make  
31 the appropriate corrections. If the correction is not made before school  
32 taxes are levied, the [~~failure to take the exemption into account in the~~  
33 ~~computation of the tax shall be deemed a "clerical error" for purposes~~  
34 ~~of title three of article five of this chapter, and shall be corrected~~  
35 ~~accordingly~~] school district authorities shall be authorized and  
36 directed to take account of the fact that the commissioner has granted  
37 the exemption by correcting the applicant's tax bill and/or issuing a  
38 refund accordingly.

39 § 2. Paragraph (d) of subdivision 2 of section 496 of the real proper-  
40 ty tax law, as added by section 3 of part A of chapter 60 of the laws of  
41 2016, is amended to read as follows:

42 (d) If the applicant is renouncing a STAR exemption in order to quali-  
43 fy for the personal income tax credit authorized by subsection (eee) of  
44 section six hundred six of the tax law, and no other exemptions are  
45 being renounced on the same application, or if the applicant is renounc-  
46 ing a STAR exemption before school taxes have been levied on the assess-  
47 ment roll upon which that exemption appears, no processing fee shall be  
48 applicable.

49 § 3. Paragraph (a) of subdivision 2 of section 496 of the real proper-  
50 ty tax law, as amended by section 3 of part A of chapter 60 of the laws  
51 of 2016, is amended to read as follows:

52 (a) For each assessment roll on which the renounced exemption appears,  
53 the assessed value that was exempted shall be multiplied by the tax rate  
54 or rates that were applied to that assessment roll, or in the case of a

1 renounced STAR exemption, the tax savings calculated pursuant to subdivi-  
2 vision two of section thirteen hundred six-a of this chapter. Interest  
3 shall then be added to each such product at the rate prescribed by  
4 section nine hundred twenty-four-a of this chapter or such other law as  
5 may be applicable for each month or portion thereon since the levy of  
6 taxes upon such assessment roll.

7 § 4. Paragraph 5 of subsection (eee) of section 606 of the tax law, as  
8 amended by section 8 of part A of chapter 73 of the laws of 2016, is  
9 amended to read as follows:

10 (5) Disqualification. A taxpayer shall not qualify for the credit  
11 authorized by this subsection if the parcel that serves as the taxpay-  
12 er's primary residence received the STAR exemption on the assessment  
13 roll upon which school district taxes for the associated fiscal year  
14 ~~[where] were~~ levied. Provided, however, that the taxpayer may remove  
15 this disqualification by renouncing the exemption ~~[and making any~~  
16 ~~required payments]~~ by December thirty-first of the taxable year, as  
17 provided by subdivision sixteen of section four hundred twenty-five of  
18 the real property tax law, and making any required payments within the  
19 time frame prescribed by section four hundred ninety-six of the real  
20 property tax law.

21 § 5. This act shall take effect immediately.

37 business never commenced.

38     (c) Every vapor product dealer shall publicly display a vapor products  
39 dealer certificate of registration in each place of business in this

42 certificate on each of its carts, stands, trucks or other merchandising  
43 devices through which it sells vapor products.

44     (d) (1) The commissioner shall refuse to issue a certificate of regis-  
45 tration to any applicant who does not possess a valid certificate of

8 tion demonstrating that such applicant or vapor products dealer acquired  
9 the premises or business through an arm's length transaction as defined  
10 in paragraph (e) of subdivision one of section four hundred eighty-a of

13 subdivision, the commissioner shall refuse to issue a certificate of  
14 registration and shall cancel or suspend a certificate of registration  
15 as directed by an enforcement officer pursuant to article thirteen-F of

17 contrary, an applicant whose application for a certificate of registra-  
18 tion is refused or a vapor products dealer whose registration is  
19 cancelled or suspended under this paragraph shall have no right to a  
20 hearing under this chapter and shall have no right to commence a court  
21 action or proceeding or to any other legal recourse against the commis-

36 vapor products dealer, such suspension, cancellation, or revocation of  
37 the vapor products dealer's certificate of registration shall apply to  
38 all places of business where he or she sells vapor products in this  
39 state.

41 commissioner of changes to any of the information stated on the certif-  
42 icate or changes to any information contained in the application for the  
43 certificate of registration. Such notification must be made on or before  
44 the last day of the month in which a change occurs and must be made  
45 electronically on a form prescribed by the commissioner.

46 (g) Every vapor products dealer who holds a certificate of registra-  
47 tion under this article shall be required to reapply for a certificate  
48 of registration for the following calendar year on or before the twenti-  
49 eth day of September and such reapplication shall be subject to the same  
50 requirements and conditions, including grounds for refusal, as an  
51 initial registration under this article, including but not limited to  
52 the payment of the three hundred dollar application fee for each retail  
53 location.

54 (h) In addition to any other penalty imposed by this chapter, any  
55 vapor products dealer who violates the provisions of this section, (1)  
56 for a first violation is liable for a civil fine not less than five

1 thousand dollars but not to exceed twenty-five thousand dollars and such  
2 certificate of registration may be suspended for a period of not more  
3 than six months; and (2) for a second or subsequent violation within  
4 three years following a prior violation of this section, is liable for a  
5 civil fine not less than ten thousand dollars but not to exceed thirty-  
6 five thousand dollars and such certificate of registration may be  
7 suspended for a period of up to thirty-six months; or (3) for a third  
8 violation within a period of five years, its vapor products certificate  
9 or certificates of registration issued to each place of business owned  
10 or operated by the vapor products dealer in this state, shall be revoked  
11 for a period of up to five years.

12 § 1184. Administrative provisions. (a) Except as otherwise provided  
13 for in this article, the taxes imposed by this article shall be adminis-  
14 tered and collected in a like manner as and jointly with the taxes

16 chapter. In addition, except as otherwise provided in this article, all  
17 of the provisions of article twenty-eight of this chapter (except  
18 sections eleven hundred seven, eleven hundred eight, eleven hundred  
19 nine, and eleven hundred forty-eight) relating to or applicable to the  
20 administration, collection and review of the taxes imposed by such  
21 sections eleven hundred five and eleven hundred ten, including, but not  
22 limited to, the provisions relating to definitions, returns, exemptions,  
23 penalties, tax secrecy, personal liability for the tax, and collection  
24 of tax from the customer, shall apply to the taxes imposed by this arti-  
25 cle so far as such provisions can be made applicable to the taxes  
26 imposed by this article with such limitations as set forth in this arti-  
27 cle and such modifications as may be necessary in order to adapt such  
28 language to the taxes so imposed. Such provisions shall apply with the  
29 same force and effect as if the language of those provisions had been  
30 set forth in full in this article except to the extent that any  
31 provision is either inconsistent with a provision of this article or is  
32 not relevant to the taxes imposed by this article.

33 (b) Notwithstanding the provisions of subdivision (a) of this section,  
34 the exemptions provided in paragraph ten of subdivision (a) of section  
35 eleven hundred fifteen of this chapter, and the provisions of section  
36 eleven hundred sixteen, except those provided in paragraphs one, two,  
37 three and six of subdivision (a) of such section, shall not apply to the  
38 taxes imposed by this article.

39 (c) Notwithstanding the provisions of this section or section eleven  
40 hundred forty-six of this chapter, the commissioner may, in his or her  
41 discretion, permit the commissioner of health or his or her authorized  
42 representative to inspect any return related to the tax imposed by this  
43 article and may furnish to the commissioner of health any such return  
44 or supply him or her with information concerning an item contained in  
45 any such return, or disclosed by any investigation of a liability under  
46 this article.

47 § 1185. Criminal penalties. The criminal penalties in sections eigh-  
48 teen hundred one through eighteen hundred seven and eighteen hundred  
49 seventeen of this chapter shall apply to this article with the same  
50 force and effect as if the language of those provisions had been set  
51 forth in full in this article except to the extent that any provision is  
52 either inconsistent with a provision of this article or is not relevant  
53 to the taxes imposed by this article.

54 § 1186. Deposit and disposition of revenue. The taxes, interest, and  
55 penalties imposed by this article and collected or received by the  
56 commissioner shall be deposited daily with such responsible banks, bank-

ing houses or trust companies, as may be designated by the comptroller, to the credit of the comptroller in trust for the tobacco control and insurance initiatives pool established by section ninety-two-dd of the state finance law and distributed by the commissioner of health in accordance with section twenty-eight hundred seven-v of the public health law. Such deposits will be kept separate and apart from all other money in the possession of the comptroller. The comptroller shall require adequate security from all such depositories. Of the total revenue collected or received under this article, the comptroller shall retain such amount as the commissioner may determine to be necessary for refunds under this article. ## PART XX

Section 1. The tax law is amended by adding a new article 20-D to read as follows:

### ARTICLE 20-D

#### EXCISE TAX ON SALE OF OPIOIDS

##### Section 497. Definitions.

##### 498. Imposition of excise tax.

##### 499. Returns to be secret.

§ 497. Definitions. The following terms shall have the following meanings when used in this article.

(a) "Opioid" shall mean an "opiate" as defined by subdivision twenty-three of section thirty-three hundred two of the public health law and any natural, synthetic, or semisynthetic "narcotic drug" as defined by subdivision twenty-two of such section that has agonist, partial agonist, or agonist/antagonist morphine-like activities or effects similar to natural opium alkaloids, and any derivative, congener, or combination thereof listed in schedules II-V of section thirty-three hundred six of the public health law. The term "opioid" shall not mean buprenorphine, methadone, or morphine.

(b) "Unit" shall mean a single finished dosage form of an opioid, such as a pill, tablet, capsule, suppository, transdermal patch, buccal film, milliliter of liquid, milligram of topical preparation, or any other form.

(c) "Strength per unit" shall mean the amount of opioid in a unit, as measured by weight, volume, concentration or other metric.

(d) "Morphine milligram equivalent conversion factor" shall mean that reference standard of a particular opioid as it relates in potency to morphine as determined by the commissioner of health.

(e) "Morphine milligram equivalent" shall mean a unit multiplied by its strength per unit multiplied by the morphine milligram equivalent conversion factor.

(f) "Registrant" shall mean: (1) any person, firm, corporation or association that: (i) is required to be registered with the education department as a wholesaler, manufacturer, or outsourcing facility pursuant to section six thousand eight hundred eight or section six thousand eight hundred eight-b of the education law and (ii) holds and transfers title to an opioid unit; (2) any person, firm, corporation or associ-

1 ation that: (i) would be required to be registered with the education  
2 department as a wholesaler, manufacturer, or outsourcing facility pursu-  
3 ant to such section six thousand eight hundred eight-b but for the  
4 exception in subdivision two of such section and (ii) holds and trans-  
5 fers title to an opioid unit; or (3) any person, firm, corporation or  
6 association that: (i) is required to be registered with the health  
7 department as a manufacturer or distributor of a controlled substance  
8 pursuant to section thirty-three hundred ten of the public health law  
9 and (ii) holds and transfers title to an opioid unit.

10 (g) "Wholesale acquisition cost" shall mean the manufacturer's list  
11 price for an opioid unit to wholesalers or direct purchasers in the  
12 United States, not including prompt pay or other discounts, rebates or  
13 reductions in price, for the most recent month for which the information  
14 is available, as reported in wholesale price guides or other publica-  
15 tions of drug or biological pricing data.

16 (h) "Sale" shall mean any transfer of title to an opioid unit for a  
17 consideration where actual or constructive possession of such opioid  
18 unit is transferred by a registrant holding title to such opioid unit to  
19 a purchaser or its designee in this state. A sale shall not include  
20 either the dispensing of an opioid unit pursuant to a prescription to an  
21 ultimate consumer or the transfer of title to an opioid unit from a  
22 manufacturer in this state to a purchaser outside this state when such  
23 opioid unit will be used or consumed outside this state.

24 § 498. Imposition of excise tax. (a) There is hereby imposed an excise  
25 tax on the first sale of every opioid unit in the state at the following  
26 rates: (1) a quarter of a cent per morphine milligram equivalent where  
27 the wholesale acquisition cost is less than fifty cents, or (2) one and  
28 one-half cents per morphine milligram equivalent where the wholesale  
29 acquisition cost is fifty cents or more; except that such tax shall not  
30 apply when such first sale is to any program operated pursuant to arti-  
31 cle forty of the public health law and article thirty-two of the mental  
32 hygiene law. The tax imposed by this article shall be charged against  
33 and paid by the registrant making such first sale, and shall accrue at  
34 the time of such sale. For the purpose of the proper administration of  
35 this article and to prevent evasion of the tax hereby imposed, it shall  
36 be presumed that any sale of an opioid unit in this state by a regis-  
37 trant is the first sale of such in the state until the contrary is  
38 established, and the burden of proving that any sale is not the first  
39 sale in the state shall be upon the registrant.

40 (b) Every registrant liable for the tax imposed by this article shall  
41 file with the commissioner a return on forms to be prescribed by the  
42 commissioner showing the total morphine milligram equivalent and whole-  
43 sale acquisition costs of such opioid units that are subject to the tax  
44 imposed by this article, the amount of tax due thereon, and such further  
45 information as the commissioner may require. Such returns shall be filed  
46 for quarterly periods ending on the last day of March, June, September  
47 and December of each year. Each return shall be filed within twenty days  
48 after the end of such quarterly period and shall cover all opioid sales  
49 in the state made in the prior quarter, except that the first return  
50 required to be filed pursuant to this section shall be due on January  
51 twentieth, two thousand twenty, and shall cover all opioid sales occur-  
52 ring in the period between the effective date of this article and Decem-  
53 ber thirty-first, two thousand nineteen. Every registrant required to  
54 file a return under this section shall, at the time of filing such  
55 return, pay to the commissioner the total amount of tax due for the  
56 period covered by such return. If a return is not filed when due, the

1 tax shall be due the day on which the return is required to be filed.  
2 The commissioner may require that the returns and payments required by  
3 this section be filed or paid electronically.

4 (c) Where a sale of an opioid unit by a registrant has been cancelled  
5 by the purchaser and tax thereon was previously paid by the registrant,  
6 the commissioner shall allow to the registrant a refund or credit of  
7 such tax on a return for a later period subject to the limitations peri-  
8 od for claiming a refund or credit as prescribed by section one thousand  
9 eighty-seven of this chapter. Where a registrant proves that an opioid  
10 unit for which it previously paid a tax has been distributed out of the  
11 state for use or consumption outside this state, the commissioner shall  
12 allow a credit to the registrant for tax paid on a return for a later  
13 period subject to the limitations period for claiming a credit as  
14 prescribed by section one thousand eighty-seven of this chapter.

15 (d) All sales slips, invoices, receipts, or other statements or memo-  
16 randa of sale from any sale or purchase of opioid units by registrants  
17 must be retained for a period of six years after the due date of the  
18 return to which they relate, unless the commissioner provides for a  
19 different retention period by rule or regulation. Such records must be  
20 sufficient to determine the number of units transferred along with the  
21 morphine milligram equivalent of the units transferred, and otherwise be  
22 suitable to determine the correct amount of tax due. Such records must  
23 also record either (1) the address from which the units are shipped or  
24 delivered, along with the address to which the units are shipped or  
25 delivered, or (2) the place at which actual physical possession of the  
26 units is transferred. Such records shall be produced upon demand by the  
27 commissioner.

28 (e) The provisions of article twenty-seven of this chapter shall apply  
29 to the tax imposed by this article in the same manner and with the same  
30 force and effect as if the language of such article had been incorpo-  
31 rated in full into this article and had expressly referred to the tax  
32 imposed by this article, except to the extent that any provision of such  
33 article twenty-seven is either inconsistent with a provision of this  
34 article or is not relevant to this article.

35 (f) The commissioners of education and health shall cooperate with the  
36 commissioner in administering this tax, including sharing with the  
37 commissioner pertinent information about registrants upon the request of  
38 the commissioner.

39 (g) Each registrant shall provide a report to the department of health  
40 detailing all opioids sold by such registrant in the state of New York.  
41 Such report shall include:

42 (i) the registrant's name, address, phone number, federal Drug  
43 Enforcement Agency (DEA) registration number, education department  
44 registration number, and controlled substance license number issued by  
45 the department of health, if applicable;

46 (ii) the name, address and DEA registration number of the entity to  
47 whom the opioid was sold;

48 (iii) the date of the sale of the opioid;

49 (iv) the gross receipt total, in dollars, for each opioid sold;

50 (v) the name and National Drug Code of the opioid sold;

51 (vi) the number of containers and the strength and metric quantity of  
52 controlled substance in each container of the opioid sold;

53 (vii) the total number of morphine milligram equivalents sold; and

54 (viii) any other elements as deemed necessary by the commissioner of  
55 health.

1 Such information shall be reported annually in such form as defined by  
2 the commissioner of health and shall not be subject to the provisions of  
3 section four hundred ninety-nine of this article.

4 § 499. Returns to be secret. (a) Except in accordance with a proper  
5 judicial order or as otherwise provided for by law, it shall be unlawful  
6 for the commissioner, any officer or employee of the department, or any  
7 person engaged or retained by such department on an independent contract  
8 basis or any other person who in any manner may acquire knowledge of the  
9 contents of a return or report filed pursuant to this article to divulge  
10 or make known in any manner the contents or any other information  
11 relating to the business of a registrant contained in any return or  
12 report required under this article. The officers charged with the  
13 custody of such returns or reports shall not be required to produce any  
14 of them or evidence of anything contained in them in any action or  
15 proceeding in any court, except on behalf of the state, the state  
16 department of health, the state department of education or the commis-  
17 sioner in an action or proceeding under the provisions of this chapter  
18 or on behalf of the state or the commissioner in any other action or  
19 proceeding involving the collection of a tax due under this chapter to  
20 which the state or the commissioner is a party or a claimant or on  
21 behalf of any party to any action or proceeding under the provisions of  
22 this article, when the returns or the reports or the facts shown thereby  
23 are directly involved in such action or proceeding, in any of which  
24 events the court may require the production of, and may admit in  
25 evidence so much of said returns or reports or of the facts shown there-  
26 by as are pertinent to the action or proceeding and no more. Nothing  
27 herein shall be construed to prohibit the commissioner, in his or her  
28 discretion, from allowing the inspection or delivery of a certified copy  
29 of any return or report filed under this article, or from providing any  
30 information contained in any such return or report, by or to a duly  
31 authorized officer or employee of the state department of health or the  
32 state department of education; nor to prohibit the inspection or deliv-  
33 ery of a certified copy of any return or report filed under this arti-  
34 cle, or the provision of any information contained therein, by or to the  
35 attorney general or other legal representatives of the state when an  
36 action shall have been recommended or commenced pursuant to this chap-  
37 ter in which such returns or reports or the facts shown thereby are  
38 directly involved; nor to prohibit the commissioner from providing or  
39 certifying to the division of budget or the comptroller the total number  
40 of returns or reports filed under this article in any reporting period  
41 and the total collections received therefrom; nor to prohibit the  
42 inspection of the returns or reports required under this article by the  
43 comptroller or duly designated officer or employee of the state depart-  
44 ment of audit and control, for purposes of the audit of a refund of any  
45 tax paid by a registrant or other person under this article; nor to  
46 prohibit the delivery to a registrant, or a duly authorized represen-  
47 tative of such registrant, a certified copy of any return or report  
48 filed by such registrant pursuant to this article, nor to prohibit the  
49 publication of statistics so classified as to prevent the identification  
50 of particular returns or reports and the items thereof.

51 (b)(1) Any officer or employee of the state who willfully violates the  
52 provisions of subdivision (a) of this section shall be dismissed from  
53 office and be incapable of holding any public office in this state for a  
54 period of five years thereafter.

Provided, however, to be eligible for such credit, at least seventy-five percent of the production costs (excluding post production costs) paid or incurred directly and predominantly in the actual filming or recording of the qualified commercial must be costs incurred in New York state. The tax credit allowed pursuant to this section shall apply to taxable years beginning before January first, two thousand twenty-four.

(i) ~~The state annually will disburse one million of the total seven million in tax credits to all eligible production companies and the amount of the credit shall be the product (or pro rata share of the product, in the case of a member of a partnership) of twenty percent of~~

~~the qualified production costs paid or incurred in the production of a qualified commercial, provided that the qualified production costs paid or incurred are attributable to the use of tangible property or the performance of services within the state in the production of such qualified commercial. To be eligible for said credit the total qualified production costs of a qualified production company must be greater in the aggregate during the current calendar year than the average of the three previous years for which the credit was applied. Provided, however, that until a qualified production company has established a three year history, the credit will be based on either the previous year or the average of the two previous years, whichever period is longer for the qualified production company seeking the credit. If the qualified production company has never applied for the growth credit, the previous year's data will be used to create a benchmark. The tax credit shall be applied only to the amount of the total qualified production costs of the current calendar year that are greater than the total amount of production costs of the appropriate measurement period as described in this subparagraph. The tax credit must be distributed to eligible production companies on a pro rata basis, provided, however, that no such qualified production company shall receive more than three hundred thousand dollars annually for such credit. The credit shall be allowed for the taxable year in which the production of such qualified commercial is completed.~~

~~(ii)]~~ The state annually will disburse [~~three~~] **four** million of the total seven million in tax credits to all eligible production companies who film or record qualified commercials within the metropolitan commuter transportation district as defined in section twelve hundred sixty-two of the public authorities law. To be eligible for said credit the total qualified production costs of a qualified production company must be greater than five hundred thousand dollars in the aggregate during the calendar year. Such credit will be applied to qualified production costs exceeding five hundred thousand dollars in a calendar year.

~~[(iii)]~~ **(ii)** The state annually will disburse three million of the total seven million in tax credits to all eligible production companies who film or record a qualified commercial outside of the metropolitan commuter transportation district as defined in section twelve hundred sixty-two of the public authorities law; provided, however, that if, after July thirty-first the state reviews all applications from eligible production companies who film or record a qualified commercial outside of the metropolitan commuter district for a given year, tax credits remain unallocated under this subparagraph, those credits shall be allotted to the credits set forth in subparagraph (i) of this paragraph for use consistent with the purposes of such subparagraph. The amount of the credit shall be the product (or pro rata share of the product, in the case of a member of a partnership) of [~~five~~] **thirty** percent of the qualified production costs paid or incurred in the production of a qualified commercial, provided that the qualified production costs paid or incurred are attributable to the use of tangible property or the performance of services within the state in the production of such qual-

ified commercial. To be eligible for said credit the total qualified production costs of a qualified production company must be greater than one hundred thousand dollars in the aggregate during the calendar year. Such credit will be applied to all qualified production costs [~~exceeding one hundred thousand dollars~~] in a calendar year.

(3) No qualified production costs used by a taxpayer either as the basis for the allowance of the credit provided for under this section or used in the calculation of the credit provided for under this section shall be used by such taxpayer to claim any other credit allowed pursuant to this chapter.

(ii) Every bill, memorandum, receipt or other statement of the price, amusement charge or rent paid or payable given to such purchaser shall separately state the amount of tax due pursuant to such section eleven hundred five and that the tax was not collected from such purchaser. Such person required to collect tax shall hold such tax as trustee for and on account of the state; and

(iii) A retail purchaser, who in good faith accepts from a person required to collect any tax imposed by this article, a bill, memorandum, receipt or other statement of the price, amusement charge or rent that

indicates the amount of tax due pursuant to such section eleven hundred five and that such person required to collect tax will be paying such tax on behalf of such purchaser, shall not be liable for the tax imposed by such section eleven hundred five, or any interest or penalties thereon; provided, however that nothing in this subdivision shall exempt such purchaser from any additional tax due pursuant to section eleven hundred ten of this article.

§ 3. Subdivision (d) of section 1817 of the tax law, as amended by section 30 of subpart I of part V-1 of chapter 57 of the laws of 2009, is amended to read as follows:

(d) Any person (1) who willfully fails to charge separately the tax imposed under article twenty-eight of this chapter or to state such tax separately on any bill, statement, memorandum ~~[or]~~, receipt or other statement issued or employed by him or her upon which the tax is required to be stated separately as provided in subdivision (a) of section eleven hundred thirty-two of this chapter; or (2) who shall refer or cause reference to be made to such tax in a form or manner other than that required by such article twenty-eight, shall be guilty of a misdemeanor. Provided however, that a person who has paid the tax on behalf of a retail purchaser as provided in subdivision (d) of section eleven hundred thirty-three of this chapter shall not be guilty of a misdemeanor for failure to separately charge the tax imposed by such article twenty-eight.

§ 4. This act shall take effect immediately.

#### PART EEE

Section 1. Subdivisions 3 and 5 of section 171-v of the tax law, as added by section 1 of part P of chapter 59 of the laws of 2013, are amended to read as follows:

(3) The department shall provide notice to the taxpayer of his or her inclusion in the license suspension program no later than sixty days prior to the date the department intends to inform the commissioner of motor vehicles of the taxpayer's inclusion. However, no such notice shall be issued to a taxpayer whose wages are being garnished by the department for the payment of past-due tax liabilities or past-due child support or combined child and spousal support arrears. Notice shall be provided by first class mail to the taxpayer's last known address as such address appears in the electronic systems or records of the department. Such notice shall include:

(a) a clear statement of the past-due tax liabilities along with a statement that the department shall provide to the department of motor vehicles the taxpayer's name, social security number and any other identifying information necessary for the purpose of suspending his or her driver's license pursuant to this section and subdivision four-f of section five hundred ten of the vehicle and traffic law sixty days after the mailing or sending of such notice to the taxpayer;

(b) a statement that the taxpayer may avoid suspension of his or her license by fully satisfying the past-due tax liabilities ~~[or]~~, by making payment arrangements satisfactory to the commissioner, ~~[and information as to how]~~ or by demonstrating any of the grounds for challenge set forth in subdivision five of this section. Such statement shall include information regarding programs through which the taxpayer can pay the past-due tax liabilities to the department, enter into a payment arrangement or request additional information;

1 (c) a statement that the taxpayer's right to protest the notice is  
2 limited to raising issues set forth in subdivision five of this section;

3 (d) a statement that the suspension of the taxpayer's driver's license  
4 shall continue until the past-due tax liabilities are fully paid or the  
5 taxpayer makes payment arrangements satisfactory to the commissioner;  
6 and

7 (e) any other information that the commissioner deems necessary.

8 (5) Notwithstanding any other provision of law, and except as specif-  
9 ically provided herein, the taxpayer shall have no right to commence a  
10 court action or proceeding or to any other legal recourse against the  
11 department or the department of motor vehicles regarding a notice issued  
12 by the department pursuant to this section and the referral by the  
13 department of any taxpayer with past-due tax liabilities to the depart-  
14 ment of motor vehicles pursuant to this section for the purpose of  
15 suspending the taxpayer's driver's license. A taxpayer may only chal-  
16 lenge such suspension or referral on the grounds that (i) the individual  
17 to whom the notice was provided is not the taxpayer at issue; (ii) the  
18 past-due tax liabilities were satisfied; (iii) the taxpayer's wages are  
19 being garnished by the department for the payment of the past-due tax  
20 liabilities at issue or for past-due child support or combined child and  
21 spousal support arrears; (iv) the taxpayer's wages are being garnished  
22 for the payment of past-due child support or combined child and spousal  
23 support arrears pursuant to an income execution issued pursuant to  
24 section five thousand two hundred forty-one of the civil practice law  
25 and rules; (v) the taxpayer's driver's license is a commercial driver's  
26 license as defined in section five hundred one-a of the vehicle and  
27 traffic law; ~~or~~ (vi) the department incorrectly found that the taxpay-  
28 er has failed to comply with the terms of a payment arrangement made  
29 with the commissioner more than once within a twelve month period for  
30 the purposes of subdivision three of this section; (vii) the taxpayer  
31 receives public assistance or supplemental security income; or (viii)  
32 the taxpayer demonstrates that suspension of the taxpayer's driver's  
33 license will cause the taxpayer undue economic hardship.

34 However, nothing in this subdivision is intended to limit a taxpayer  
35 from seeking relief pursuant to an offer in compromise pursuant to  
36 subdivision fifteenth of section one hundred seventy-one of this article  
37 or from joint and several liability pursuant to section six hundred  
38 fifty-four of this chapter, to the extent that he or she is eligible  
39 pursuant to ~~[that subdivision]~~ such section, or establishing to the  
40 department that the enforcement of the underlying tax liabilities has  
41 been stayed by the filing of a petition pursuant to the Bankruptcy Code  
42 of 1978 (Title Eleven of the United States Code).

43 § 2. The commissioner of taxation and finance is authorized and  
44 directed to promulgate any rules and regulations necessary to implement  
45 the provisions of this act in accordance with the provisions of the  
46 state administrative procedure act.

47 § 3. This act shall take effect on the ninetieth day after it shall  
48 have become a law.

49 PART FFF

50 Section 1. Paragraph 44 of subdivision (a) of section 1115 of the tax  
51 law, as added by section 1 of part WW of chapter 59 of the laws of 2017,  
52 is amended to read as follows:

53 (44) monuments as that term is defined in ~~[subdivision]~~ paragraph (f)  
54 of section fifteen hundred two of the not-for-profit corporation law.

1 and tangible personal property that will become a physical component  
2 part of such monuments.

3 § 2. This act shall take effect on June 1, 2019 and shall apply to  
4 sales made on and after such date.

5 PART GGG

6 Section 1. Section 1 of subpart K of part II of a chapter of the laws  
7 of 2019 amending the public officers law relating to prohibiting disclo-  
8 sure of law enforcement booking information and photographs, as proposed  
9 in legislative bill numbers S.1505-C and A.2005-C, is amended to read as  
10 follows:

11 Section 1. Legislative findings. The legislature finds that law  
12 enforcement [~~booking information and~~] photographs, otherwise known as  
13 "mugshots," are published on the internet and other public platforms  
14 with impunity. An individual's mugshot is displayed publicly even if the  
15 arrest does not lead to a conviction, or the conviction is later  
16 expunged, sealed, or pardoned. This practice presents an unacceptable  
17 invasion of the individual's personal privacy. While there is a well-es-  
18 tablished Constitutional right for the press and the public to publish  
19 government records which are in the public domain or that have been  
20 lawfully accessed, arrest and booking information have not been found by  
21 courts to have the same public right of access as criminal court  
22 proceedings or court filings. Therefore, each state can set access to  
23 this information through its Freedom of Information laws. The federal  
24 government has already limited access to booking photographs through  
25 privacy formulations in its Freedom of Information Act, and the legisla-  
26 ture hereby declares that New York will follow the same principle to  
27 protect its residents from this unwarranted invasion of personal priva-  
28 cy, absent a specific law enforcement purpose, such as disclosure of a  
29 photograph to alert victims or witnesses to come forward to aid in a  
30 criminal investigation.

31 § 2. Paragraph (b) of subdivision 2 of section 89 of the public offi-  
32 cers law, as amended by section 2 of subpart K of part II of a chapter  
33 of the laws of 2019 amending the public officers law relating to prohib-  
34 iting disclosure of law enforcement booking information and photographs,  
35 as proposed in legislative bill numbers S.1505-C and A.2005-C, is  
36 amended to read as follows:

37 (b) An unwarranted invasion of personal privacy includes, but shall  
38 not be limited to:

39 i. disclosure of employment, medical or credit histories or personal  
40 references of applicants for employment;

41 ii. disclosure of items involving the medical or personal records of a  
42 client or patient in a medical facility;

43 iii. sale or release of lists of names and addresses if such lists  
44 would be used for solicitation or fund-raising purposes;

45 iv. disclosure of information of a personal nature when disclosure  
46 would result in economic or personal hardship to the subject party and  
47 such information is not relevant to the work of the agency requesting or  
48 maintaining it;

49 v. disclosure of information of a personal nature reported in confi-  
50 dence to an agency and not relevant to the ordinary work of such agency;

51 vi. information of a personal nature contained in a workers' compen-  
52 sation record, except as provided by section one hundred ten-a of the  
53 workers' compensation law;

vii. disclosure of electronic contact information, such as an e-mail address or a social network username, that has been collected from a taxpayer under section one hundred four of the real property tax law; or

viii. disclosure of law enforcement [~~booking information about an individual, including~~] arrest or booking photographs of an individual, unless public release of such [~~information~~] photographs will serve a specific law enforcement purpose and disclosure is not precluded by any state or federal laws.

§ 3. This act shall take effect on the same date and in the same manner as subpart K of part II of a chapter of the laws of 2019 amending the public officers law relating to prohibiting disclosure of law enforcement booking information and photographs, as proposed in legislative bill numbers S.1505-C and A.2005-C, takes effect.

#### PART HHH

Section 1. Section 1 of part TT of a chapter of the laws of 2019 relating to the closure of correctional facilities, as proposed in legislative bill numbers S.1505-C and A.2005-C, is amended to read as follows:

Section 1. Notwithstanding the provisions of sections 79-a and 79-b of the correction law, the governor is authorized to close [~~two~~] up to three correctional facilities of the department of corrections and community supervision, in state fiscal year 2019-2020, as he determines to be necessary for the cost-effective and efficient operation of the correctional system, provided that the governor provides at least 90 days notice prior to any such closures to the temporary president of the senate and the speaker of the assembly.

§ 2. This act shall take effect on the same date and in the same manner as part TT of a chapter of the laws of 2019 relating to the closure of correctional facilities, as proposed in legislative bill numbers S.1505-C and A.2005-C, takes effect provided, however, that the amendments to section 1 of part TT of such chapter made by section one of this act shall not affect the repeal of such section and shall be deemed repealed therewith.

(b) Any person, corporation, company, association, joint stock association, partnership, person or any officer or agent thereof, found guilty of violating any of the department's safety rules or regulations involving an out-of-service defect relating to brake systems, steering components and/or coupling devices shall be subject to a fine of not less than ~~[three hundred fifty]~~ five hundred dollars nor more than one thousand two hundred fifty dollars for the first offense, and upon being found guilty of a second or subsequent offense committed within eighteen months by a fine of not less than one thousand two hundred fifty dollars nor more than ~~[two]~~ three thousand ~~[five hundred]~~ dollars, or by imprisonment for not more than sixty days or by both such fine and imprisonment; provided, however, that if any such person, corporation, company, association, joint stock association, partnership, person or any officer or agent thereof is operating a farm vehicle registered pursuant to subdivision thirteen of section four hundred one of the vehicle and traffic law in conformance with the terms of such registration, and if the violation as set forth in the summons is corrected not later than one-half hour after sunset on the third full business day after the issuance of the summons and proof of such correction as set forth in item (b) of subparagraph (iv) of this paragraph is submitted to the court, the penalty for a first violation involving brake systems shall be a fine of ~~[one]~~ two hundred fifty dollars, the penalty for a first violation involving steering components and/or coupling devices shall be a fine of ~~[one]~~ two hundred dollars and the penalty for a first violation involving any other out-of-service defect shall be a fine of one hundred fifty dollars. A motor vehicle shall be deemed to be out-of-service only until such time as the applicable out-of-service defect is repaired or adjusted.

Any person, corporation, company, association, joint stock association, partnership, person or any officer or agent thereof, found guilty of violating any of the department's safety rules or regulations involving an out-of-service defect relating to load securement, shall be subject to a fine of not less than ~~[five hundred]~~ one thousand dollars nor more than one thousand ~~[two]~~ five hundred dollars for the first offense, and upon being found guilty of a second or subsequent offense committed within eighteen months by a fine of not less than one thousand five hundred dollars nor more than ~~[two]~~ three thousand ~~[five hundred]~~ dollars, or by imprisonment for not more than sixty days or by both such fine and imprisonment; provided, however, that if any such person, corporation, company, association, joint stock association, partnership, person or any officer or agent thereof is operating a farm vehicle registered pursuant to subdivision thirteen of section four hundred one of the vehicle and traffic law in conformance with the terms of such registration, the penalty for such violation shall be a fine of ~~[two]~~ five hundred ~~[fifty]~~ dollars. A motor vehicle shall be deemed to be out-of-service only until such time as the applicable out-of-service defect is repaired or adjusted.

§ 2. Subparagraphs (v) and (vii) of paragraph c of subdivision 2 of section 140 of the transportation law, subparagraph (v) as amended by section 10 of part K of chapter 59 of the laws of 2009 and such paragraph as relettered by section 6 of part G of chapter 58 of the laws of 2012, subparagraph (vii) as added by section 10 of part I of chapter 58 of the laws of 2015, are amended to read as follows:

(v) (a) A driver who is convicted of violating an out-of-service order as provided for in the department's safety rules and regulations shall be guilty of a traffic infraction which shall be punishable by a fine of

6 (b) No person, corporation, limited liability company or business

8 thereof, shall knowingly allow, require, permit or authorize any person  
9 to operate a commercial motor vehicle as defined by section five hundred  
10 one-a of the vehicle and traffic law during any period in which such  
11 person, such commercial motor vehicle, or such motor carrier operation  
12 has been placed out of service as provided for in the department's safe-  
13 ty rules and regulations and shall be subject to a fine of not less than  
14 [~~two~~] three thousand seven hundred fifty dollars and not more than  
15 [~~twenty-five~~] thirty thousand dollars for any violation thereof.

16 (c) No person, corporation, limited liability company or business

20 one-a of the vehicle and traffic law in violation of section eleven  
21 hundred seventy-one or eleven hundred seventy-six of the vehicle and

23 not more than [~~ten~~] twelve thousand dollars for any violation thereof.

24 (vii) No person, corporation, limited liability company or business  
25 entity, joint stock association, partnership, or any officer or agent  
26 thereof, shall knowingly allow, require, permit or authorize any person  
27 to operate a commercial motor vehicle, as defined in section five  
28 hundred one-a of the vehicle and traffic law, during any period in which  
29 the operator:

30 (a) does not have a valid commercial learner's permit or commercial  
31 driver's license; or

32 (b) does not have a commercial learner's permit or commercial driver's  
33 license with the proper class or endorsements; or

37 that is suspended, revoked or cancelled, or such operator has been  
38 otherwise disqualified by the commissioner of motor vehicles; or

39 (e) has more than one commercial learner's permit or commercial driv-  
40 er's license.

41 A violation of this subparagraph shall be punishable by a fine of not  
42 less than two hundred fifty dollars nor more than one thousand two  
43 hundred fifty dollars.

44 § 3. Subdivision 9 of section 140 of the transportation law, as  
45 amended by chapter 349 of the laws of 1993, is amended to read as  
46 follows:

47 9. a. If, after notice and opportunity to be heard, the commissioner  
48 shall find that any person is operating in violation of the provisions  
49 of this section, the commissioner may penalize such person pursuant to  
50 subdivision three of section one hundred forty-five of this article. The  
51 commissioner may also notify the commissioner of motor vehicles that  
52 such person is operating in violation of this section and the commis-  
53 sioner of motor vehicles shall thereupon suspend the registration of all  
54 motor vehicles owned or operated by such person, with the exception of  
55 private passenger automobiles, until such time as the commissioner may  
56 give notice that the violation has been satisfactorily adjusted, and the

1 commissioner of motor vehicles may direct any police officer to secure  
2 possession of the number plates of such motor vehicles and to return the  
3 same to the commissioner of motor vehicles. Failure of the holder or of  
4 any person possessing such number plates to deliver such number plates  
5 to any police officer who requests the same pursuant to this subdivision  
6 shall constitute a misdemeanor. The commissioner of motor vehicles shall  
7 have the authority to deny a registration or renewal application to any  
8 other person for the same vehicle and may deny a registration or renewal  
9 application for any other motor vehicle registered in the name of the  
10 applicant where it has been determined that such registrant's intent has  
11 been to evade the purposes of this subdivision and where the commission-  
12 er of motor vehicles has reasonable grounds to believe that such regis-  
13 tration or renewal will have the effect of defeating the purposes of  
14 this subdivision. The procedure on any such suspension shall be the same  
15 as in the case of a suspension under the vehicle and traffic law. Opera-  
16 tion of any motor vehicle while under suspension as herein provided  
17 shall constitute a class A misdemeanor. A person who operates a motor  
18 vehicle while such vehicle is under suspension as provided in this  
19 subdivision in a manner that causes the death of another person, knowing  
20 that the operation of such vehicle is in violation of this subdivision,  
21 shall be guilty of a class E felony.

22 b. Whenever an altered motor vehicle commonly referred to as a  
23 "stretch limousine" has failed an inspection and been placed out-of-ser-  
24 vice, the commissioner may direct a police officer or his or her agent  
25 to immediately secure possession of the number plates of such vehicle  
26 and return the same to the commissioner of motor vehicles. The commis-  
27 sioner shall notify the commissioner of motor vehicles to that effect,  
28 and the commissioner of motor vehicles shall thereupon suspend the  
29 registration of such vehicle until such time as the commissioner gives  
30 notice that the out-of-service defect has been satisfactorily adjusted.  
31 Provided, however, that the commissioner shall give notice and an oppor-  
32 tunity to be heard within not more than thirty days of the suspension.  
33 Failure of the holder or of any person possessing such plates to deliver  
34 to the commissioner or his or her agent who requests the same pursuant  
35 to this paragraph shall be a misdemeanor. The commissioner of motor  
36 vehicles shall have the authority to deny a registration or renewal  
37 application to any other person for the same vehicle where it has been  
38 determined that such registrant's intent has been to evade the purposes  
39 of this paragraph and where the commissioner of motor vehicles has  
40 reasonable grounds to believe that such registration or renewal will  
41 have the effect of defeating the purposes of this paragraph. The proce-  
42 dure on any such suspension shall be the same as in the case of a  
43 suspension under the vehicle and traffic law. Operation of such motor  
44 vehicle while under suspension as provided in this subdivision shall  
45 constitute a class A misdemeanor.

46 § 4. Subdivision 3 of section 145 of the transportation law, as added  
47 by chapter 635 of the laws of 1983, is amended to read as follows:

48 3. In addition to, or in lieu of, any sanctions set forth in this  
49 section, the commissioner may, after a hearing, impose a penalty not to  
50 exceed a maximum of [~~five~~] ten thousand dollars in any one proceeding  
51 upon any person if the commissioner finds that such person or officer,  
52 agent or employee thereof has failed to comply with the requirements of  
53 this chapter or any rule, regulation or order of the commissioner  
54 promulgated thereunder. If such penalty is not paid within four months,  
55 the amount thereof may be entered as a judgment in the office of the  
56 clerk of the county of Albany and in any other county in which the

1 person resides, has a place of business or through which it operates.  
2 Thereafter, if said judgment has not been satisfied within ninety days,  
3 any certificate or permit held by any such person may be revoked upon  
4 notice but without a further hearing. Provided, however, that if a  
5 person shall apply for a rehearing of the determination of the penalty  
6 pursuant to the provisions of section eighty-nine of this chapter, judg-  
7 ment shall not be entered until a determination has been made on the  
8 application for a rehearing. Further provided however, that if after a  
9 rehearing a penalty is imposed and such penalty is not paid within four  
10 months of the date of service of the rehearing decision, the amount of  
11 such penalty may be entered as a judgment in the office of the clerk of  
12 the county of Albany and in any other county in which the person  
13 resides, has a place of business or through which it operates. Thereaft-  
14 er, if said judgment has not been satisfied within ninety days, any  
15 certificate or permit held by any such person may be revoked upon notice  
16 but without a further hearing.

17 § 5. Subdivision 4 of section 145 of the transportation law, as  
18 amended by chapter 349 of the laws of 1993, is amended to read as  
19 follows:

20 4. If after notice and opportunity to be heard, the commissioner shall  
21 find that any person or persons is or are providing transportation  
22 subject to regulation under this chapter without having any certificate  
23 or permit, or is or are holding themselves out to the public by adver-  
24 tising or any other means to provide such transportation without having  
25 any certificate or permit or approval from a city having jurisdiction  
26 pursuant to section eighty of this chapter, the commissioner may notify  
27 the commissioner of motor vehicles to that effect and the commissioner  
28 of motor vehicles shall thereupon suspend the registration or registra-  
29 tions of all motor vehicles owned or operated by such person or persons  
30 except private passenger automobiles until such time as the commissioner  
31 of transportation may give notice that the violation has been satisfac-  
32 torily adjusted, and the commissioner of motor vehicles may direct any  
33 police officer to secure possession of the number plates of such motor  
34 vehicles and to return the same to the commissioner of motor vehicles.  
35 Failure of the holder or of any person possessing such number plates to  
36 deliver such number plates to any police officer who requests the same  
37 pursuant to this subdivision shall constitute a misdemeanor. The commis-  
38 sioner of motor vehicles shall have the authority to deny a registration  
39 or renewal application to any other person for the same vehicle and may  
40 deny a registration or renewal application for any other motor vehicle  
41 registered in the name of the applicant where it has been determined  
42 that such registrant's intent has been to evade the purposes of this  
43 subdivision and where the commissioner of motor vehicles has reasonable  
44 grounds to believe that such registration or renewal will have the  
45 effect of defeating the purposes of this subdivision. The procedure on  
46 any such suspension shall be the same as in the case of a suspension  
47 under the vehicle and traffic law. Operation of any motor vehicle while  
48 under suspension as herein provided shall constitute a class A misdemea-  
49 nor. A person who operates a motor vehicle while such vehicle is under  
50 suspension as provided in this subdivision in a manner that causes the  
51 death of another person, knowing that the operation of such vehicle is  
52 in violation of this subdivision, shall be guilty of a class E felony.

53 § 6. Subdivision 5 of section 145 of the transportation law, as added  
54 by chapter 635 of the laws of 1983, is amended to read as follows:

55 5. Any person, whether carrier, passenger, shipper, consignee, or  
56 broker, or any officer, employee, agent or representative thereof, who

1 shall knowingly offer, grant or give or solicit, accept, or receive any  
2 rebate, concession or discrimination in violation of this chapter, or  
3 who by means of any false statement or representation, or by the use of  
4 any false or fictitious bill, bill of lading, receipt, voucher, roll,  
5 account, claim, certificate, affidavit, deposition, lease or bill of  
6 sale, or by any other means or device, shall knowingly and willfully  
7 assist, suffer or permit any person or persons to obtain transportation  
8 of property or passengers subject to this chapter for less than the  
9 applicable rate, toll or charge, or who, with respect to the transporta-  
10 tion of household goods, shall knowingly or willfully misrepresent the  
11 applicable rate for transportation or the weight of a shipment or the  
12 cost of transportation to the shipper, or who shall knowingly and will-  
13 fully by any such means or otherwise fraudulently seek to evade or  
14 defeat regulation as provided for in this chapter, shall be guilty of a  
15 misdemeanor and upon conviction thereof be fined not more than [~~five~~  
16 ~~hundred~~] one thousand dollars for the first offense and not more than  
17 two thousand five hundred dollars for any subsequent offense.

18 § 7. Subdivision 6 of section 145 of the transportation law, as

(1) No policy insuring against loss resulting from liability imposed by law for bodily injury or death suffered by any natural person arising out of the ownership, maintenance and use of a motor vehicle or an altered motor vehicle commonly referred to as a "stretch limousine" having a seating capacity of eight or more passengers used in the business of carrying or transporting passengers for hire, by the insured shall be issued or delivered by any authorized insurer upon any motor vehicle or an altered motor vehicle commonly referred to as a "stretch limousine" having a seating capacity of eight or more passengers used in the business of carrying or transporting passengers for hire, then principally garaged or principally used in this state unless it contains a provision whereby the insurer agrees that it will pay to the insured, as defined in such provision, subject to the terms and conditions set forth therein to be prescribed by the board of directors of the Motor Vehicle Accident Indemnification Corporation and approved by the superintendent, all sums, not exceeding a maximum amount or limit of twenty-five thousand dollars exclusive of interest and costs, on account of injury to and all sums, not exceeding a maximum amount or limit of fifty thousand dollars exclusive of interest and costs, on account of death of one person, in any one accident, and the maximum amount or limit, subject to such limit for any one person so injured of fifty thousand dollars or so killed of one hundred thousand dollars, exclusive of interest and costs, on account of injury to, or death of, more than one person in any one accident, which the insured or his legal representative shall be entitled to recover as damages from an owner or operator of an uninsured motor vehicle, unidentified motor vehicle which leaves the scene of an accident, a motor vehicle registered in this state as to which at the time of the accident there was not in effect a policy of liability insurance, a stolen vehicle, a motor vehicle operated without permission of the owner, an insured motor vehicle where the insurer disclaims liability or denies coverage or an unregistered vehicle because of bodily injury, sickness or disease, including death resulting therefrom, sustained by the insured, caused by accident occurring in this state and arising out of the ownership, maintenance or use of such motor vehicle. No payment for non-economic loss shall be made under such policy provision to a covered person unless such person has incurred a serious injury, as such terms are defined in section five thousand one hundred two of this chapter. Such policy shall not duplicate any element of basic economic loss provided for under article fifty-one of this chapter. No payments of first party benefits for basic economic loss made pursuant to such article shall diminish the obligations of the insurer under this policy provision for the payment of non-economic loss and economic loss in excess of basic economic loss. Notwithstanding any inconsistent provisions of section three thousand four hundred twenty-five of this article, any such policy which does not contain the aforesaid provisions shall be construed as if such provisions were embodied therein.

(A) Any such policy shall, at the option of the insured, also provide supplementary uninsured/underinsured motorists insurance for bodily injury, in an amount up to the bodily injury liability insurance limits of coverage provided under such policy, subject to a maximum of two

1 hundred fifty thousand dollars because of bodily injury to or death of  
2 one person in any one accident and, subject to such limit for one  
3 person, up to five hundred thousand dollars because of bodily injury to  
4 or death of two or more persons in any one accident, or a combined  
5 single limit policy of five hundred thousand dollars because of bodily  
6 injury to or death of one or more persons in any one accident; and any

8 law for bodily injury or death suffered by any natural person arising  
9 out of the ownership, maintenance, and use of an altered motor vehicle  
10 commonly referred to as a "stretch limousine" having a seating capacity  
11 of eight or more passengers used in the business of carrying or trans-

17 except a policy insuring against loss resulting from liability imposed  
18 by law for bodily injury or death suffered by any natural person arising  
19 out of the ownership, maintenance, and use of an altered motor vehicle  
20 commonly referred to as a "stretch limousine" having a seating capacity  
21 of eight or more passengers used in the business of carrying or trans-  
22 porting passengers for hire, in lieu of offering to the insured the  
23 coverages stated above, may provide supplementary uninsured/underinsured  
24 motorists insurance for bodily injury, in an amount up to the bodily  
25 injury liability insurance limits of coverage provided under such poli-  
26 cy, subject to a maximum of one hundred thousand dollars because of  
27 bodily injury to or death of one person in any one accident and, subject  
28 to such limit for one person, up to three hundred thousand dollars  
29 because of bodily injury to or death of two or more persons in any one  
30 accident, or a combined single limit policy of three hundred thousand  
31 dollars because of bodily injury to or death of one or more persons in  
32 any one accident, if such insurer also makes available a personal  
33 umbrella policy with liability coverage limits up to at least five  
34 hundred thousand dollars which also provides coverage for supplementary  
35 uninsured/underinsured motorists claims. Supplementary  
36 uninsured/underinsured motorists insurance shall provide coverage, in  
37 any state or Canadian province, if the limits of liability under all  
38 bodily injury liability bonds and insurance policies of another motor  
39 vehicle liable for damages are in a lesser amount than the bodily injury  
40 liability insurance limits of coverage provided by such policy. Upon  
41 written request by any insured covered by supplemental  
42 uninsured/underinsured motorists insurance or his duly authorized repre-  
43 sentative and upon disclosure by the insured of the insured's bodily  
44 injury and supplemental uninsured/underinsured motorists insurance  
45 coverage limits, the insurer of any other owner or operator of another  
46 motor vehicle against which a claim has been made for damages to the  
47 insured shall disclose, within forty-five days of the request, the bodi-  
48 ly injury liability insurance limits of its coverage provided under the  
49 policy or all bodily injury liability bonds. The time of the insured to  
50 make any supplementary uninsured/underinsured motorist claim, shall be  
51 tolled during the period the insurer of any other owner or operator of  
52 another motor vehicle that may be liable for damages to the insured,  
53 fails to so disclose its coverage. As a condition precedent to the obli-  
54 gation of the insurer to pay under the supplementary  
55 uninsured/underinsured motorists insurance coverage, the limits of  
56 liability of all bodily injury liability bonds or insurance policies

1 applicable at the time of the accident shall be exhausted by payment of  
2 judgments or settlements.

3 § 20. This act shall take effect immediately; provided, however, that  
4 sections eight, ten, eleven and fourteen of this act shall take effect  
5 on the first of November next succeeding the date on which it shall have  
6 become a law; provided, however, sections nine and twelve of this act  
7 shall take effect on the one hundred eightieth day after it shall have  
8 become a law; provided, however, sections thirteen and nineteen of this  
9 act shall take effect on the first day of January next succeeding the  
10 date on which it shall have become a law and shall apply to all policies  
11 issued, renewed, altered, or modified on or after such date; provided,  
12 however, section fifteen of this act shall take effect on the thirtieth  
13 day after it shall have become a law; provided, however, section eigh-  
14 teen of this act shall take effect October 1, 2019; provided, further,  
15 that effective immediately, the department of transportation and the  
16 department of motor vehicles are authorized and directed to promulgate  
17 such rules and regulations as are necessary for the implementation of  
18 this act on its effective date.

19 PART JJJ

20 Section 1. Section 150.10 of the criminal procedure law is amended by  
21 adding a new subdivision 3 to read as follows:

22 3. Before issuing an appearance ticket a police officer or other  
23 public servant must inform the arrestee that they may provide their  
24 contact information for the purposes of receiving a court notification  
25 to remind them of their court appearance date from the court or a certi-  
26 fied pretrial services agency. Such contact information may include one  
27 or more phone numbers, a residential address or address at which the  
28 arrestee receives mail, or an email address. The contact information  
29 shall be recorded and be transmitted to the local criminal court as  
30 required by section 150.80 of this article.

31 § 1-a. Subdivision 1 of section 150.20 of the criminal procedure law,  
32 as amended by chapter 550 of the laws of 1987, is amended to read as  
33 follows:

34 1. (a) Whenever a police officer is authorized pursuant to section  
35 140.10 of this title to arrest a person without a warrant for an offense  
36 other than a class A, B, C or D felony or a violation of section 130.25,  
37 130.40, 205.10, 205.17, 205.19 or 215.56 of the penal law, he [may]  
38 shall, except as set out in paragraph (b) of this subdivision, subject  
39 to the provisions of subdivisions three and four of section 150.40 of  
40 this title, instead issue to and serve upon such person an appearance  
41 ticket.

42 (b) An officer is not required to issue an appearance ticket if:

43 (i) the person has one or more outstanding local criminal court or  
44 superior court warrants;

45 (ii) the person has failed to appear in court proceedings in the last  
46 two years;

47 (iii) the person has been given a reasonable opportunity to make their  
48 verifiable identity and a method of contact known, and has been unable  
49 or unwilling to do so, so that a custodial arrest is necessary to  
50 subject the individual to the jurisdiction of the court. For the  
51 purposes of this section, an officer may rely on various factors to  
52 determine a person's identity, including but not limited to personal  
53 knowledge of such person, such person's self-identification, or photo-  
54 graphic identification. There is no requirement that a person present

1 photographic identification in order to be issued an appearance ticket  
2 in lieu of arrest where the person's identity is otherwise verifiable;  
3 however, if offered by such person, an officer shall accept as evidence  
4 of identity the following: a valid driver's license or non-driver iden-  
5 tification card issued by the commissioner of motor vehicles, the feder-  
6 al government, any United States territory, commonwealth or possession,  
7 the District of Columbia, a state government or municipal government  
8 within the United States or a provincial government of the dominion of  
9 Canada; a valid passport issued by the United States government or any  
10 other country; an identification card issued by the armed forces of the

15 this chapter;

16 (v) the person is charged with a crime defined in article 130 of the  
17 penal law;

18 (vi) it reasonably appears the person should be brought before the  
19 court for consideration of issuance of an order of protection, pursuant  
20 to section 530.13 of this chapter, based on the facts of the crime or  
21 offense that the officer has reasonable cause to believe occurred;

22 (vii) the person is charged with a crime for which the court may  
23 suspend or revoke his or her driver license;

24 (viii) it reasonably appears to the officer, based on the observed  
25 behavior of the individual in the present contact with the officer and  
26 facts regarding the person's condition that indicates a sign of distress  
27 to such a degree that the person would face harm without immediate  
28 medical or mental health care, that bringing the person before the court  
29 would be in such person's interest in addressing that need; provided,  
30 however, that before making the arrest, the officer shall make all  
31 reasonable efforts to assist the person in securing appropriate  
32 services.

33 § 1-b. Section 150.30 of the criminal procedure law is REPEALED.

34 § 1-c. Subdivision 1 of section 150.40 of the criminal procedure law

36 1. An appearance ticket must be made returnable at a date as soon as  
37 possible, but in no event later than twenty days from the date of issu-  
38 ance, or at a later date, with the court's permission due to enrollment  
39 in a pre-arraignment diversion program. The appearance ticket shall be  
40 made returnable in a local criminal court designated in section 100.55  
41 of this title as one with which an information for the offense in ques-  
42 tion may be filed.

43 § 1-d. The criminal procedure law is amended by adding a new section  
44 150.80 to read as follows:

45 § 150.80 Court appearance reminders.

46 1. A police officer or other public servant who has issued and served  
47 an appearance ticket must, within twenty-four hours of issuance, file or  
48 cause to be filed with the local criminal court the appearance ticket  
49 and any contact information made available pursuant to subdivision three  
50 of section 150.10 of this article.

51 2. Upon receipt of the appearance ticket and any contact information  
52 made available pursuant to subdivision three of section 150.10 of this  
53 article, the local criminal court shall issue a court appearance remind-  
54 er and notify the arrestee of their court appearances by text message,  
55 telephone call, electronic mail, or first class mail. The local criminal  
56 court may partner with a certified pretrial services agency or agencies

1 in that county to provide such notification and shall include a copy of  
2 the appearance ticket.

3 3. A local criminal court is not required to issue a court appearance  
4 reminder if the appearance ticket requires the arrestee's appearance  
5 within seventy-two hours of its issuance, or no contact information has  
6 been provided.

7 § 1-e. Subdivisions 1, 2, 4, 5, 6, 7 and 9 of section 500.10 of the  
8 criminal procedure law are amended and a new subdivision 3-a is added to  
9 read as follows:

10 1. "Principal" means a defendant in a criminal action or proceeding,  
11 or a person adjudged a material witness therein, or any other person so  
12 involved therein that [~~he~~] the principal may by law be compelled to  
13 appear before a court for the purpose of having such court exercise  
14 control over [~~his~~] the principal's person to secure [~~his~~] the princi-  
15 pal's future attendance at the action or proceeding when required, and  
16 who in fact either is before the court for such purpose or has been  
17 before it and been subjected to such control.

18 2. "Release on own recognizance." A court releases a principal on  
19 [~~his~~] the principal's own recognizance when, having acquired control  
20 over [~~his~~] the principal's person, it permits [~~him~~] the principal to be  
21 at liberty during the pendency of the criminal action or proceeding  
22 involved upon condition that [~~he~~] the principal will appear thereat  
23 whenever [~~his~~] the principal's attendance may be required and will at  
24 all times render [~~himself~~] the principal amenable to the orders and  
25 processes of the court.

26 3-a. "Release under non-monetary conditions." A court releases a prin-  
27 cipal under non-monetary conditions when, having acquired control over a  
28 person, it authorizes the person to be at liberty during the pendency of  
29 the criminal action or proceeding involved under conditions ordered by  
30 the court, which shall be the least restrictive conditions that will  
31 reasonably assure the principal's return to court. Such conditions may  
32 include, among other conditions reasonable under the circumstances:  
33 that the principal be in contact with a pretrial services agency serving  
34 principals in that county; that the principal abide by reasonable, spec-  
35 ified restrictions on travel that are reasonably related to an actual  
36 risk of flight from the jurisdiction; that the principal refrain from  
37 possessing a firearm, destructive device or other dangerous weapon;  
38 that, when it is shown pursuant to subdivision four of section 510.45 of  
39 this title that no other realistic monetary condition or set of non-mon-  
40 etary conditions will suffice to reasonably assure the person's return  
41 to court, the person be placed in reasonable pretrial supervision with a  
42 pretrial services agency serving principals in that county; that, when  
43 it is shown pursuant to paragraph (a) of subdivision four of section  
44 510.40 of this title that no other realistic non-monetary condition or  
45 set of non-monetary conditions will suffice to reasonably assure the  
46 principal's return to court, the principal's location be monitored with  
47 an approved electronic monitoring device, in accordance with such subdi-  
48 vision four of section 510.40 of this title. A principal shall not be  
49 required to pay for any part of the cost of release on non-monetary  
50 conditions.

51 4. "Commit to the custody of the sheriff." A court commits a principal  
52 to the custody of the sheriff when, having acquired control over [~~his~~]  
53 the principal's person, it orders that [~~he~~] the principal be confined in  
54 the custody of the sheriff during the pendency of the criminal action or  
55 proceeding involved.

5. "Securing order" means an order of a court committing a principal to the custody of the sheriff~~[r]~~ or fixing bail, where authorized, or releasing ~~[him-on-his]~~ the principal on the principal's own recognizance or releasing the principal under non-monetary conditions.

6. "Order of recognizance or bail" means a securing order releasing a principal on ~~[his]~~ the principal's own recognizance or under non-monetary conditions or, where authorized, fixing bail.

7. "Application for recognizance or bail" means an application by a principal that the court, instead of committing ~~[him]~~ the principal to or retaining ~~[him]~~ the principal in the custody of the sheriff, either release ~~[him-on-his-own]~~ the principal on the principal's own recognizance ~~[or]~~, release under non-monetary conditions, or, where authorized, fix bail.

9. "Bail" means cash bail ~~[or]~~, a bail bond or money paid with a credit card.

§ 1-f. Section 500.10 of the criminal procedure law is amended by adding two new subdivisions 21 and 22 to read as follows:

21. "Qualifies for electronic monitoring," for purposes of subdivision four of section 510.40 of this title, means a person charged with a felony, a misdemeanor crime of domestic violence, a misdemeanor defined in article one hundred thirty of the penal law, a crime and the circumstances of paragraph (b) of subdivision two of section 530.60 of this title apply, or any misdemeanor where the defendant stands previously convicted, within the past five years, of a violent felony offense as defined in section 70.02 of the penal law. For the purposes of this subdivision, in calculating such five year period, any period of time during which the defendant was incarcerated for any reason between the time of the commission of any such previous crime and the time of commission of the present crime shall be excluded and such five year period shall be extended by a period or periods equal to the time served under such incarceration.

22. "Misdemeanor crime of domestic violence," for purposes of subdivision twenty-one of this section, means a misdemeanor under the penal law provisions and circumstances described in subdivision one of section 530.11 of this title.

§ 2. Section 510.10 of the criminal procedure law, as amended by chapter 459 of the laws of 1984, is amended to read as follows:

§ 510.10 Securing order; when required; alternatives available; standard to be applied.

1. When a principal, whose future court attendance at a criminal action or proceeding is or may be required, ~~[initially]~~ comes under the control of a court, such court ~~[must]~~ shall, in accordance with this title, by a securing order~~[, either]~~ release ~~[him]~~ the principal on ~~[his]~~ the principal's own recognizance, release the principal under non-monetary conditions, or, where authorized, fix bail or commit ~~[him]~~ the principal to the custody of the sheriff. In all such cases, except where another type of securing order is shown to be required by law, the court shall release the principal pending trial on the principal's own recognizance, unless it is demonstrated and the court makes an individualized determination that the principal poses a risk of flight to avoid prosecution. If such a finding is made, the court must select the least restrictive alternative and condition or conditions that will reasonably assure the principal's return to court. The court shall explain its choice of release, release with conditions, bail or remand on the record or in writing.

2. A principal is entitled to representation by counsel under this chapter in preparing an application for release, when a securing order is being considered and when a securing order is being reviewed for modification, revocation or termination. If the principal is financially unable to obtain counsel, counsel shall be assigned to the principal.

3. In cases other than as described in subdivision four of this section the court shall release the principal pending trial on the principal's own recognizance, unless the court finds on the record or in writing that release on the principal's own recognizance will not reasonably assure the principal's return to court. In such instances, the court shall release the principal under non-monetary conditions, selecting the least restrictive alternative and conditions that will reasonably assure the principal's return to court. The court shall explain its choice of alternative and conditions on the record or in writing.

4. Where the principal stands charged with a qualifying offense, the court, unless otherwise prohibited by law, may in its discretion release the principal pending trial on the principal's own recognizance or under non-monetary conditions, fix bail, or, where the defendant is charged with a qualifying offense which is a felony, the court may commit the principal to the custody of the sheriff. A principal stands charged with a qualifying offense for the purposes of this subdivision when he or she stands charged with:

(a) a felony enumerated in section 70.02 of the penal law, other than burglary in the second degree as defined in subdivision two of section 140.25 of the penal law or robbery in the second degree as defined in subdivision one of section 160.10 of the penal law;

(b) a crime involving witness intimidation under section 215.15 of the penal law;

(c) a crime involving witness tampering under section 215.11, 215.12 or 215.13 of the penal law;

(d) a class A felony defined in the penal law, other than in article two hundred twenty of such law with the exception of section 220.77 of such law;

(e) a felony sex offense defined in section 70.80 of the penal law or a crime involving incest as defined in section 255.25, 255.26 or 255.27 of such law, or a misdemeanor defined in article one hundred thirty of such law;

(f) conspiracy in the second degree as defined in section 105.15 of the penal law, where the underlying allegation of such charge is that the defendant conspired to commit a class A felony defined in article one hundred twenty-five of the penal law;

(g) money laundering in support of terrorism in the first degree as defined in section 470.24 of the penal law; money laundering in support of terrorism in the second degree as defined in section 470.23 of the penal law; or a felony crime of terrorism as defined in article four hundred ninety of the penal law, other than the crime defined in section 490.20 of such law;

(h) criminal contempt in the second degree as defined in subdivision three of section 215.50 of the penal law, criminal contempt in the first degree as defined in subdivision (b), (c) or (d) of section 215.51 of the penal law or aggravated criminal contempt as defined in section 215.52 of the penal law, and the underlying allegation of such charge of criminal contempt in the second degree, criminal contempt in the first degree or aggravated criminal contempt is that the defendant violated a duly served order of protection where the protected party is a member of

1 the defendant's same family or household as defined in subdivision one  
2 of section 530.11 of this article; or

3 (i) facilitating a sexual performance by a child with a controlled  
4 substance or alcohol as defined in section 263.30 of the penal law, use  
5 of a child in a sexual performance as defined in section 263.05 of the  
6 penal law or luring a child as defined in subdivision one of section  
7 120.70 of the penal law.

8 5. Notwithstanding the provisions of subdivisions three and four of  
9 this section, with respect to any charge for which bail or remand is not  
10 ordered, and for which the court would not or could not otherwise  
11 require bail or remand, a defendant may, at any time, request that the  
12 court set bail in a nominal amount requested by the defendant in the  
13 form specified in paragraph (a) of subdivision one of section 520.10 of  
14 this title; if the court is satisfied that the request is voluntary, the  
15 court shall set such bail in such amount.

16 6. When a securing order is revoked or otherwise terminated in the  
17 course of an uncompleted action or proceeding but the principal's future  
18 court attendance still is or may be required and [~~he~~] the principal is  
19 still under the control of a court, a new securing order must be issued.  
20 When the court revokes or otherwise terminates a securing order which  
21 committed the principal to the custody of the sheriff, the court shall  
22 give written notification to the sheriff of such revocation or termi-  
23 nation of the securing order.

24 § 3. Section 510.20 of the criminal procedure law is amended to read  
25 as follows:

26 § 510.20 Application for [~~recognizance or bail, making and determi-~~  
27 ~~nation thereof in general~~] a change in securing order.

28 1. Upon any occasion when a court [~~is required to issue~~] has issued a  
29 securing order with respect to a principal[, ~~or at any time when a~~] and  
30 the principal is confined in the custody of the sheriff as a result of  
31 the securing order or a previously issued securing order, [~~he~~] the prin-  
32 cipal may make an application for recognizance, release under non-mone-  
33 tary conditions or bail.

34 2. (a) The principal is entitled to representation by counsel in the  
35 making and presentation of such application. If the principal is finan-  
36 cially unable to obtain counsel, counsel shall be assigned to the prin-  
37 cipal.

38 (b) Upon such application, the principal must be accorded an opportu-  
39 nity to be heard, present evidence and to contend that an order of  
40 recognizance, release under non-monetary conditions or, where author-  
41 ized, bail must or should issue, that the court should release [~~him-on~~  
42 ~~his~~] the principal on the principal's own recognizance or under non-mon-  
43 etary conditions rather than fix bail, and that if bail is authorized  
44 and fixed it should be in a suggested amount and form.

45 § 4. Intentionally omitted.

46 § 5. Section 510.30 of the criminal procedure law, subparagraph (v) of  
47 paragraph (a) of subdivision 2 as amended by chapter 920 of the laws of  
48 1982, subparagraph (vi) of paragraph (a) of subdivision 2 as renumbered  
49 by chapter 447 of the laws of 1977, subparagraph (vii) as added and  
50 subparagraphs (viii) and (ix) of paragraph (a) of subdivision 2 as  
51 renumbered by section 1 of part D of chapter 491 of the laws of 2012,  
52 and subdivision 3 as added by chapter 788 of the laws of 1981, is  
53 amended to read as follows:

54 § 510.30 Application for [~~recognizance or bail~~] securing order; rules of  
55 law and criteria controlling determination.

1. ~~[Determinations of applications for recognizance or bail are not in all cases discretionary but are subject to rules, prescribed in article five hundred thirty and other provisions of law relating to specific kinds of criminal actions and proceedings, providing (a) that in some circumstances such an application must as a matter of law be granted, (b) that in others it must as a matter of law be denied and the principal committed to or retained in the custody of the sheriff, and (c) that in others the granting or denial thereof is a matter of judicial discretion.~~

2. ~~To the extent that the issuance of an order of recognizance or bail and the terms thereof are matters of discretion rather than of law, an application is determined on the basis of the following factors and criteria:~~

(a) ~~With respect to any principal, the court~~ in all cases, unless otherwise provided by law, must ~~[consider the]~~ impose the least restrictive kind and degree of control or restriction that is necessary to secure ~~[his court attendance]~~ the principal's return to court when required. In determining that matter, the court must, on the basis of available information, consider and take into account~~+~~

~~(i) The principal's character, reputation, habits and mental condition;~~

~~(ii) His employment and financial resources; and~~

~~(iii) His family ties and the length of his residence if any in the community; and~~

~~(iv) His~~ information about the principal that is relevant to the principal's return to court, including:

(a) The principal's activities and history;

(b) If the principal is a defendant, the charges facing the principal;

(c) The principal's criminal conviction record if any; [and

~~(v) His]~~ (d) The principal's record of previous adjudication as a juvenile delinquent, as retained pursuant to section 354.2 of the family court act, or, of pending cases where fingerprints are retained pursuant to section 306.1 of such act, or a youthful offender, if any; ~~[and~~

~~(vi) His]~~ (e) The principal's previous record ~~[if any in responding to court appearances when required or]~~ with respect to flight to avoid criminal prosecution; ~~[and~~

~~(vii)]~~ (f) If monetary bail is authorized, according to the restrictions set forth in this title, the principal's individual financial circumstances, and, in cases where bail is authorized, the principal's ability to post bail without posing undue hardship, as well as his or her ability to obtain a secured, unsecured, or partially secured bond;

(g) Where the principal is charged with a crime or crimes against a member or members of the same family or household as that term is defined in subdivision one of section 530.11 of this title, the following factors:

~~[(A)]~~ (i) any violation by the principal of an order of protection issued by any court for the protection of a member or members of the same family or household as that term is defined in subdivision one of section 530.11 of this title, whether or not such order of protection is currently in effect; and

~~[(B)]~~ (ii) the principal's history of use or possession of a firearm; and

~~[(viii)]~~ (h) If ~~[he]~~ the principal is a defendant, ~~[the weight of the evidence against him in the pending criminal action and any other factor indicating probability or improbability of conviction, or,~~ in the case

1 of an application for [~~bail or recognizance~~] a securing order pending  
2 appeal, the merit or lack of merit of the appeal[~~, and~~  
3 ~~(ix) If he is a defendant, the sentence which may be or has been~~  
4 ~~imposed upon conviction~~].

5 [~~(b)~~] 2. Where the principal is a defendant-appellant in a pending  
6 appeal from a judgment of conviction, the court must also consider the  
7 likelihood of ultimate reversal of the judgment. A determination that  
8 the appeal is palpably without merit alone justifies, but does not  
9 require, a denial of the application, regardless of any determination  
10 made with respect to the factors specified in [~~paragraph (a)~~] subdivi-  
11 sion one of this section.

12 3. When bail or recognizance is ordered, the court shall inform the  
13 principal, if [~~he~~] the principal is a defendant charged with the commis-  
14 sion of a felony, that the release is conditional and that the court may  
15 revoke the order of release and may be authorized to commit the princi-  
16 pal to the custody of the sheriff in accordance with the provisions of  
17 subdivision two of section 530.60 of this chapter if [~~he~~] the principal  
18 commits a subsequent felony while at liberty upon such order.

19 § 6. Section 510.40 of the criminal procedure law is amended to read  
20 as follows:

21 § 510.40 [~~Application for recognizance or bail, determination thereof,~~  
22 ~~form of securing order and execution thereof~~] Court notifi-  
23 cation to principal of conditions of release and of alleged  
24 violations of conditions of release.

25 1. [~~An application for recognizance or bail must be determined by a~~  
26 ~~securing order which either:~~

27 ~~(a) Grants the application and releases the principal on his own~~  
28 ~~recognizance; or~~

29 ~~(b) Grants the application and fixes bail; or~~

30 ~~(c) Denies the application and commits the principal to, or retains~~  
31 ~~him in, the custody of the sheriff.~~

32 2. Upon ordering that a principal be released on [~~his~~] the princi-  
33 pal's own recognizance, or released under non-monetary conditions, or,  
34 if bail has been fixed, upon the posting of bail, the court must direct  
35 [~~him~~] the principal to appear in the criminal action or proceeding  
36 involved whenever [~~his~~] the principal's attendance may be required and  
37 to [~~render himself~~] be at all times amenable to the orders and processes  
38 of the court. If such principal is in the custody of the sheriff or at  
39 liberty upon bail at the time of the order, the court must direct that  
40 [~~he~~] the principal be discharged from such custody or, as the case may  
41 be, that [~~his~~] the principal's bail be exonerated.

42 [~~3.~~] 2. Upon the issuance of an order fixing bail, where authorized,  
43 and upon the posting thereof, the court must examine the bail to deter-  
44 mine whether it complies with the order. If it does, the court must, in  
45 the absence of some factor or circumstance which in law requires or  
46 authorizes disapproval thereof, approve the bail and must issue a  
47 certificate of release, authorizing the principal to be at liberty, and,  
48 if [~~he~~] the principal is in the custody of the sheriff at the time,  
49 directing the sheriff to discharge [~~him~~] the principal therefrom. If  
50 the bail fixed is not posted, or is not approved after being posted, the  
51 court must order that the principal be committed to the custody of the  
52 sheriff. In the event of any such non-approval, the court shall explain  
53 promptly in writing the reasons therefor.

54 3. Non-monetary conditions of release shall be individualized and  
55 established in writing by the court. At future court appearances, the  
56 court shall consider a lessening of conditions or modification of condi-

1 tions to a less burdensome form based on the principal's compliance with  
2 such conditions of release. In the event of alleged non-compliance with  
3 the conditions of release in an important respect, pursuant to this  
4 subdivision, additional conditions may be imposed by the court, on the  
5 record or in writing, only after notice of the facts and circumstances  
6 of such alleged non-compliance, reasonable under the circumstances,  
7 affording the principal and the principal's attorney and the people an  
8 opportunity to present relevant, admissible evidence, relevant witnesses  
9 and to cross-examine witnesses, and a finding by clear and convincing  
10 evidence that the principal violated a condition of release in an impor-  
11 tant respect. Following such a finding, in determining whether to  
12 impose additional conditions for non-compliance, the court shall consid-  
13 er and may select conditions consistent with the court's obligation to  
14 impose the least restrictive condition or conditions that will reason-  
15 ably assure the defendant's return to court. The court shall explain on  
16 the record or in writing the reasons for its determination and for any  
17 changes to the conditions imposed.

18 4. (a) Electronic monitoring of a principal's location may be ordered  
19 only if the court finds, after notice, an opportunity to be heard and an  
20 individualized determination explained on the record or in writing, that  
21 the defendant qualifies for electronic monitoring in accordance with  
22 subdivision twenty-one of section 500.10 of this title, and no other  
23 realistic non-monetary condition or set of non-monetary conditions will  
24 suffice to reasonably assure a principal's return to court.

25 (b) The specific method of electronic monitoring of the principal's  
26 location must be approved by the court. It must be the least restric-  
27 tive procedure and method that will reasonably assure the principal's  
28 return to court, and unobtrusive to the greatest extent practicable.

29 (c) Electronic monitoring of the location of a principal may be  
30 conducted only by a public entity under the supervision and control of a  
31 county or municipality or a non-profit entity under contract to the  
32 county, municipality or the state. A county or municipality shall be  
33 authorized to enter into a contract with another county or municipality  
34 in the state to monitor principals under non-monetary conditions of  
35 release in its county, but counties, municipalities and the state shall  
36 not contract with any private for-profit entity for such purposes.

37 (d) Electronic monitoring of a principal's location may be for a maxi-  
38 mum period of sixty days, and may be renewed for such period, after  
39 notice, an opportunity to be heard and a de novo, individualized deter-  
40 mination in accordance with this subdivision, which shall be explained  
41 on the record or in writing.

42 A defendant subject to electronic location monitoring under this  
43 subdivision shall be considered held or confined in custody for purposes  
44 of section 180.80 of this chapter and shall be considered committed to  
45 the custody of the sheriff for purposes of section 170.70 of the chap-  
46 ter, as applicable.

47 5. If a principal is released under non-monetary conditions, the court  
48 shall, on the record and in an individualized written document provided  
49 to the principal, notify the principal, in plain language and a manner  
50 sufficiently clear and specific:

51 (a) of any conditions to which the principal is subject, to serve as a  
52 guide for the principal's conduct; and

53 (b) that the possible consequences for violation of such a condition  
54 may include revocation of the securing order and the ordering of a more  
55 restrictive securing order.

§ 7. The criminal procedure law is amended by adding a new section 510.43 to read as follows:

§ 510.43 Court appearances: additional notifications.

The court or, upon direction of the court, a certified pretrial services agency, shall notify all principals released under non-monetary conditions and on recognizance of all court appearances in advance by text message, telephone call, electronic mail or first class mail. The chief administrator of the courts shall, pursuant to subdivision one of section 10.40 of this chapter, develop a form which shall be offered to the principal at court appearances. On such form, which upon completion shall be retained in the court file, the principal may select one such preferred manner of notice.

§ 8. The criminal procedure law is amended by adding a new section 510.45 to read as follows:

§ 510.45 Pretrial services agencies.

1. The office of court administration shall certify and regularly review for recertification one or more pretrial services agencies in each county to monitor principals released under non-monetary conditions. Such office shall maintain a listing on its public website identifying by county each pretrial services agency so certified in the state.

2. Every such agency shall be a public entity under the supervision and control of a county or municipality or a non-profit entity under contract to the county, municipality or the state. A county or municipality shall be authorized to enter into a contract with another county or municipality in the state to monitor principals under non-monetary conditions of release in its county, but counties, municipalities and the state shall not contract with any private for-profit entity for such purposes.

3. (a) Any questionnaire, instrument or tool used with a principal in the process of considering or determining the principal's possible release on recognizance, release under non-monetary conditions or on bail, or used with a principal in the process of considering or determining a condition or conditions of release or monitoring by a pretrial services agency, shall be promptly made available to the principal and the principal's counsel upon written request. Any such blank form questionnaire, instrument or tool regularly used in the county for such purpose or a related purpose shall be made available to any person promptly upon request.

(b) Any such questionnaire, instrument or tool used to inform determinations on release or conditions of release shall be:

(i) designed and implemented in a way that ensures the results are free from discrimination on the basis of race, national origin, sex, or any other protected class; and

(ii) empirically validated and regularly revalidated, with such validation and revalidation studies and all underlying data, except personal identifying information for any defendant, publicly available upon request.

4. Supervision by a pre-trial services agency may be ordered as a non-monetary condition pursuant to this title only if the court finds, after notice, an opportunity to be heard and an individualized determination explained on the record or in writing, that no other realistic non-monetary condition or set of non-monetary conditions will suffice to reasonably assure the principal's return to court.

5. Each pretrial service agency certified by the office of court administration pursuant to this section shall at the end of each year

1 prepare and file with such office an annual report, which the office

30 may be achieved or compelled by various methods, including notification  
31 and the issuance of a bench warrant, prescribed by law in provisions  
32 governing such matters with respect to the particular kind of action or  
33 proceeding involved.

34 2. Except when the principal is charged with a new crime while at  
35 liberty, absent relevant, credible evidence demonstrating that a princi-  
36 pal's failure to appear for a scheduled court appearance was willful,  
37 the court, prior to issuing a bench warrant for a failure to appear for  
38 a scheduled court appearance, shall provide at least forty-eight hours  
39 notice to the principal or the principal's counsel that the principal is  
40 required to appear, in order to give the principal an opportunity to  
41 appear voluntarily.

42 § 10. Paragraph (b) of subdivision 2 of section 520.10 of the criminal  
43 procedure law, as amended by chapter 784 of the laws of 1972, is amended  
44 to read as follows:

45 (b) The court [~~may~~] shall direct that the bail be posted in any one of

49 either an unsecured or partially secured surety bond, as selected by the  
50 court.

51 § 11. Section 530.10 of the criminal procedure law is amended to read  
52 as follows:

53 § 530.10 Order of recognizance release under non-monetary conditions or  
54 bail; in general.

55 Under circumstances prescribed in this article, a court, upon applica-

9 as added by chapter 186 of the laws of 1997, is amended to read as  
10 follows:

11 4. When a person is arrested for an alleged family offense or an  
12 alleged violation of an order of protection or temporary order of  
13 protection or arrested pursuant to a warrant issued by the supreme or  
14 family court, and the supreme or family court, as applicable, is not in  
15 session, such person shall be brought before a local criminal court in  
16 the county of arrest or in the county in which such warrant is return-  
17 able pursuant to article one hundred twenty of this chapter. Such local  
18 criminal court may issue any order authorized under subdivision eleven  
19 of section 530.12 of this article, section one hundred fifty-four-d or  
20 one hundred fifty-five of the family court act or subdivision three-b of  
21 section two hundred forty or subdivision two-a of section two hundred  
22 fifty-two of the domestic relations law, in addition to discharging  
23 other arraignment responsibilities as set forth in this chapter. In  
24 making such order, the local criminal court shall consider de novo the  
25 ~~[bail]~~ recommendation and securing order, if any, made by the supreme or  
26 family court as indicated on the warrant or certificate of warrant.  
27 Unless the petitioner or complainant requests otherwise, the court, in  
28 addition to scheduling further criminal proceedings, if any, regarding

39 is amended to read as follows:

40 When any criminal action is pending, and the court has not issued a  
41 temporary order of protection pursuant to section 530.12 of this arti-  
42 cle, the court, in addition to the other powers conferred upon it by  
43 this chapter, may for good cause shown issue a temporary order of  
44 protection in conjunction with any securing order ~~[committing the~~  
45 ~~defendant to the custody of the sheriff or as a condition of a pre-trial~~  
46 ~~release, or as a condition of release on bail]~~ or an adjournment in  
47 contemplation of dismissal. In addition to any other conditions, such an  
48 order may require that the defendant:

49 § 15. Subdivision 11 of section 530.12 of the criminal procedure law,  
50 as amended by chapter 498 of the laws of 1993, the opening paragraph as

55 lawful order issued under this section, or an order of protection issued  
56 by a court of competent jurisdiction in another state, territorial or

tribal jurisdiction, and if, after hearing, the court is satisfied by competent proof that the defendant has willfully failed to obey any such order, the court may:

(a) revoke an order of recognizance or release under non-monetary conditions or revoke an order of bail or order forfeiture of such bail and commit the defendant to custody; or

(b) restore the case to the calendar when there has been an adjournment in contemplation of dismissal and commit the defendant to custody; or

(c) revoke a conditional discharge in accordance with section 410.70 of this chapter and impose probation supervision or impose a sentence of imprisonment in accordance with the penal law based on the original conviction; or

(d) revoke probation in accordance with section 410.70 of this chapter and impose a sentence of imprisonment in accordance with the penal law based on the original conviction. In addition, if the act which constitutes the violation of the order of protection or temporary order of protection is a crime or a violation the defendant may be charged with and tried for that crime or violation.

§ 16. Section 530.20 of the criminal procedure law, as amended by chapter 531 of the laws of 1975, subparagraph (ii) of paragraph (b) of subdivision 2 as amended by chapter 218 of the laws of 1979, is amended to read as follows:

§ 530.20 [~~Order of recognizance or bail,~~] Securing order by local criminal court when action is pending therein.

When a criminal action is pending in a local criminal court, such court, upon application of a defendant, [~~must or may order recognizance or bail~~] shall proceed as follows:

1. [~~When the defendant is charged, by information, simplified information, prosecutor's information or misdemeanor complaint, with an offense or offenses of less than felony grade only, the court must order recognizance or bail.~~] (a) In cases other than as described in paragraph (b) of this subdivision the court shall release the principal pending trial on the principal's own recognizance, unless the court finds on the record or in writing that release on the principal's own recognizance will not reasonably assure the principal's return to court. In such instances, the court shall release the principal under non-monetary conditions, selecting the least restrictive alternative and conditions that will reasonably assure the principal's return to court. The court shall explain its choice of alternative and conditions on the record or in writing.

(b) Where the principal stands charged with a qualifying offense, the court, unless otherwise prohibited by law, may in its discretion release the principal pending trial on the principal's own recognizance or under non-monetary conditions, fix bail, or, where the defendant is charged with a qualifying offense which is a felony, the court may commit the principal to the custody of the sheriff. The court shall explain its choice of release, release with conditions, bail or remand on the record or in writing. A principal stands charged with a qualifying offense when he or she stands charged with:

(i) a felony enumerated in section 70.02 of the penal law, other than burglary in the second degree as defined in subdivision two of section 140.25 of the penal law or robbery in the second degree as defined in subdivision one of section 160.10 of the penal law;

(ii) a crime involving witness intimidation under section 215.15 of the penal law;

1 (iii) a crime involving witness tampering under section 215.11, 215.12  
2 or 215.13 of the penal law;

3 (iv) a class A felony defined in the penal law, other than in article  
4 two hundred twenty of such law with the exception of section 220.77 of  
5 such law;

6 (v) a felony sex offense defined in section 70.80 of the penal law or  
7 a crime involving incest as defined in section 255.25, 255.26 or 255.27  
8 of such law, or a misdemeanor defined in article one hundred thirty of  
9 such law;

10 (vi) conspiracy in the second degree as defined in section 105.15 of  
11 the penal law, where the underlying allegation of such charge is that  
12 the defendant conspired to commit a class A felony defined in article  
13 one hundred twenty-five of the penal law;

14 (vii) money laundering in support of terrorism in the first degree as  
15 defined in section 470.24 of the penal law; money laundering in support  
16 of terrorism in the second degree as defined in section 470.23 of the  
17 penal law; or a felony crime of terrorism as defined in article four  
18 hundred ninety of the penal law, other than the crime defined in section  
19 490.20 of such law;

20 (viii) criminal contempt in the second degree as defined in subdivi-  
21 sion three of section 215.50 of the penal law, criminal contempt in the  
22 first degree as defined in subdivision (b), (c) or (d) of section 215.51  
23 of the penal law or aggravated criminal contempt as defined in section  
24 215.52 of the penal law, and the underlying allegation of such charge of  
25 criminal contempt in the second degree, criminal contempt in the first  
26 degree or aggravated criminal contempt is that the defendant violated a  
27 duly served order of protection where the protected party is a member of  
28 the defendant's same family or household as defined in subdivision one  
29 of section 530.11 of this article; or

30 (ix) facilitating a sexual performance by a child with a controlled  
31 substance or alcohol as defined in section 263.30 of the penal law, use  
32 of a child in a sexual performance as defined in section 263.05 of the  
33 penal law or luring a child as defined in subdivision one of section  
34 120.70 of the penal law.

35 (d) Notwithstanding the provisions of paragraphs (a) and (b) of this  
36 subdivision, with respect to any charge for which bail or remand is not  
37 ordered, and for which the court would not or could not otherwise  
38 require bail or remand, a defendant may, at any time, request that the  
39 court set bail in a nominal amount requested by the defendant in the  
40 form specified in paragraph (a) of subdivision one of section 520.10 of  
41 this title; if the court is satisfied that the request is voluntary, the  
42 court shall set such bail in such amount.

43 2. When the defendant is charged, by felony complaint, with a felony,  
44 the court may, in its discretion, order recognizance, release under  
45 non-monetary conditions, or, where authorized, bail or commit the  
46 defendant to the custody of the sheriff except as otherwise provided in  
47 subdivision one of this section or this subdivision:

48 (a) A city court, a town court or a village court may not order recog-  
49 nizance or bail when (i) the defendant is charged with a class A felony,  
50 or (ii) ~~[it appears that]~~ the defendant has two previous felony  
51 convictions;

52 (b) No local criminal court may order recognizance, release under  
53 non-monetary conditions or bail with respect to a defendant charged with  
54 a felony unless and until:

55 (i) The district attorney has been heard in the matter or, after  
56 knowledge or notice of the application and reasonable opportunity to be

1 heard, has failed to appear at the proceeding or has otherwise waived  
2 his right to do so; and

3 (ii) The court [~~has~~] and counsel for the defendant have been furnished  
4 with a report of the division of criminal justice services concerning  
5 the defendant's criminal record, if any, or with a police department  
6 report with respect to the defendant's prior arrest and conviction  
7 record, if any. If neither report is available, the court, with the  
8 consent of the district attorney, may dispense with this requirement;  
9 provided, however, that in an emergency, including but not limited to a  
10 substantial impairment in the ability of such division or police depart-  
11 ment to timely furnish such report, such consent shall not be required  
12 if, for reasons stated on the record, the court deems it unnecessary.  
13 When the court has been furnished with any such report or record, it  
14 shall furnish a copy thereof to counsel for the defendant or, if the  
15 defendant is not represented by counsel, to the defendant.

16 § 17. The section heading and subdivisions 1 and 2 of section 530.30  
17 of the criminal procedure law, subdivision 2 as amended by chapter 762  
18 of the laws of 1971, are amended to read as follows:

19 Order of recognizance, release under non-monetary conditions or bail; by  
20 superior court judge when action is pending in local criminal  
21 court.

22 1. When a criminal action is pending in a local criminal court, other  
23 than one consisting of a superior court judge sitting as such, a judge  
24 of a superior court holding a term thereof in the county, upon applica-  
25 tion of a defendant, may order recognizance, release under non-monetary  
26 conditions or, where authorized, bail when such local criminal court:

27 (a) Lacks authority to issue such an order, pursuant to [~~paragraph (a)~~  
28 ~~of subdivision two~~] the relevant provisions of section 530.20 of this  
29 article; or

30 (b) Has denied an application for recognizance, release under non-mon-  
31 etary conditions or bail; or

32 (c) Has fixed bail, where authorized, which is excessive; or

33 (d) Has set a securing order of release under non-monetary conditions  
34 which are more restrictive than necessary to reasonably assure the  
35 defendant's return to court.

36 In such case, such superior court judge may vacate the order of such  
37 local criminal court and release the defendant on [~~his own~~] recognizance  
38 or under non-monetary conditions, or where authorized, fix bail in a  
39 lesser amount or in a less burdensome form, whichever are the least  
40 restrictive alternative and conditions that will reasonably assure the  
41 defendant's return to court. The court shall explain its choice of  
42 alternative and conditions on the record or in writing.

43 2. Notwithstanding the provisions of subdivision one of this section,  
44 when the defendant is charged with a felony in a local criminal court, a  
45 superior court judge may not order recognizance, release under non-mone-  
46 tary conditions or, where authorized, bail unless and until the district  
47 attorney has had an opportunity to be heard in the matter and such judge  
48 [~~has~~] and counsel for the defendant have been furnished with a report as  
49 described in subparagraph (ii) of paragraph (b) of subdivision two of  
50 section 530.20 of this article.

51 § 18. Section 530.40 of the criminal procedure law, subdivision 3 as  
52 amended by chapter 264 of the laws of 2003, and subdivision 4 as amended  
53 by chapter 762 of the laws of 1971, is amended to read as follows:

54 § 530.40 Order of recognizance, release under non-monetary conditions or  
55 bail; by superior court when action is pending therein.

1 When a criminal action is pending in a superior court, such court,  
2 upon application of a defendant, must or may order recognizance or bail  
3 as follows:

4 1. When the defendant is charged with an offense or offenses of less  
5 than felony grade only, the court must, unless otherwise provided by  
6 law, order recognizance or [~~bail~~] release under non-monetary conditions  
7 in accordance with this section.

8 2. When the defendant is charged with a felony, the court may, unless  
9 otherwise provided by law in its discretion, order recognizance [~~or~~],  
10 release under non-monetary conditions or, where authorized, bail. In any  
11 such case in which an indictment (a) has resulted from an order of a  
12 local criminal court holding the defendant for the action of the grand  
13 jury, or (b) was filed at a time when a felony complaint charging the  
14 same conduct was pending in a local criminal court, and in which such  
15 local criminal court or a superior court judge has issued an order of  
16 recognizance [~~or~~], release under non-monetary conditions or, where  
17 authorized, bail which is still effective, the superior court's order  
18 may be in the form of a direction continuing the effectiveness of the  
19 previous order.

20 3. In cases other than as described in subdivision four of this  
21 section the court shall release the principal pending trial on the prin-  
22 cipal's own recognizance, unless the court finds on the record or in  
23 writing that release on the principal's own recognizance will not  
24 reasonably assure the principal's return to court. In such instances,  
25 the court shall release the principal under non-monetary conditions,  
26 selecting the least restrictive alternative and conditions that will  
27 reasonably assure the principal's return to court. The court shall  
28 explain its choice of alternative and conditions on the record or in  
29 writing.

30 4. Where the principal stands charged with a qualifying offense, the  
31 court, unless otherwise prohibited by law, may in its discretion release  
32 the principal pending trial on the principal's own recognizance or under  
33 non-monetary conditions, fix bail, or, where the defendant is charged  
34 with a qualifying offense which is a felony, the court may commit the  
35 principal to the custody of the sheriff. The court shall explain its  
36 choice of release, release with conditions, bail or remand on the record  
37 or in writing. A principal stands charged with a qualifying offense for  
38 the purposes of this subdivision when he or she stands charged with:

39 (a) a felony enumerated in section 70.02 of the penal law, other than  
40 burglary in the second degree as defined in subdivision two of section  
41 140.25 of the penal law or robbery in the second degree as defined in  
42 subdivision one of section 160.10 of the penal law;

43 (b) a crime involving witness intimidation under section 215.15 of the  
44 penal law;

45 (c) a crime involving witness tampering under section 215.11, 215.12  
46 or 215.13 of the penal law;

47 (d) a class A felony defined in the penal law, other than in article  
48 two hundred twenty of such law with the exception of section 220.77 of  
49 such law;

50 (e) a felony sex offense defined in section 70.80 of the penal law or  
51 a crime involving incest as defined in section 255.25, 255.26 or 255.27  
52 of such law, or a misdemeanor defined in article one hundred thirty of  
53 such law;

54 (f) conspiracy in the second degree as defined in section 105.15 of  
55 the penal law, where the underlying allegation of such charge is that

1 the defendant conspired to commit a class A felony defined in article  
2 one hundred twenty-five of the penal law;

3 (g) money laundering in support of terrorism in the first degree as  
4 defined in section 470.24 of the penal law; money laundering in support  
5 of terrorism in the second degree as defined in section 470.23 of the  
6 penal law; or a felony crime of terrorism as defined in article four  
7 hundred ninety of the penal law, other than the crime defined in section  
8 490.20 of such law;

9 (h) criminal contempt in the second degree as defined in subdivision  
10 three of section 215.50 of the penal law, criminal contempt in the first  
11 degree as defined in subdivision (b), (c) or (d) of section 215.51 of  
12 the penal law or aggravated criminal contempt as defined in section  
13 215.52 of the penal law, and the underlying allegation of such charge of  
14 criminal contempt in the second degree, criminal contempt in the first  
15 degree or aggravated criminal contempt is that the defendant violated a  
16 duly served order of protection where the protected party is a member of  
17 the defendant's same family or household as defined in subdivision one  
18 of section 530.11 of this article; or

19 (i) facilitating a sexual performance by a child with a controlled  
20 substance or alcohol as defined in section 263.30 of the penal law, use  
21 of a child in a sexual performance as defined in section 263.05 of the  
22 penal law or luring a child as defined in subdivision one of section  
23 120.70 of the penal law.

24 5. Notwithstanding the provisions of subdivisions three and four of  
25 this section, with respect to any charge for which bail or remand is not  
26 ordered, and for which the court would not or could not otherwise  
27 require bail or remand, a defendant may, at any time, request that the  
28 court set bail in a nominal amount requested by the defendant in the  
29 form specified in paragraph (a) of subdivision one of section 520.10 of  
30 this title; if the court is satisfied that the request is voluntary, the  
31 court shall set such bail in such amount.

32 6. Notwithstanding the provisions of [~~subdivision two~~] subdivisions  
33 two, three and four of this section, a superior court may not order  
34 recognizance, release under non-monetary conditions or, where author-  
35 ized, bail, or permit a defendant to remain at liberty pursuant to an  
36 existing order, after [~~he~~] the defendant has been convicted of either:  
37 (a) a class A felony or (b) any class B or class C felony as defined in  
38 article one hundred thirty of the penal law committed or attempted to be  
39 committed by a person eighteen years of age or older against a person  
40 less than eighteen years of age. In either case the court must commit or  
41 remand the defendant to the custody of the sheriff.

42 [~~4~~] 7. Notwithstanding the provisions of [~~subdivision two~~] subdivi-  
43 sions two, three and four of this section, a superior court may not  
44 order recognizance, release under non-monetary conditions or, where  
45 authorized, bail when the defendant is charged with a felony unless and  
46 until the district attorney has had an opportunity to be heard in the  
47 matter and such court [~~has~~] and counsel for the defendant have been  
48 furnished with a report as described in subparagraph (ii) of paragraph  
49 (b) of subdivision two of section 530.20 of this article.

50 § 19. Subdivision 1 of section 530.45 of the criminal procedure law,  
51 as amended by chapter 264 of the laws of 2003, is amended to read as  
52 follows:

53 1. When the defendant is at liberty in the course of a criminal action  
54 as a result of a prior order of recognizance, release under non-monetary  
55 conditions or bail and the court revokes such order and then [~~either~~],  
56 where authorized, fixes no bail or fixes bail in a greater amount or in

1 a more burdensome form than was previously fixed and remands or commits  
2 defendant to the custody of the sheriff, or issues a more restrictive  
3 securing order, a judge designated in subdivision two of this section,  
4 upon application of the defendant following conviction of an offense  
5 other than a class A felony or a class B or class C felony offense as  
6 defined in article one hundred thirty of the penal law committed or  
7 attempted to be committed by a person eighteen years of age or older  
8 against a person less than eighteen years of age, and before sentencing,  
9 may issue a securing order and ~~[either]~~ release the defendant on ~~[his]~~  
10 the defendant's own recognizance, release the defendant under non-mone-  
11 tary conditions, or, where authorized, fix bail~~[7]~~ or fix bail in a  
12 lesser amount or in a less burdensome form, or issue a less restrictive  
13 securing order, than fixed by the court in which the conviction was  
14 entered.

15 § 20. Section 530.60 of the criminal procedure law, subdivision 1 as  
16 amended by chapter 565 of the laws of 2011, subdivision 2 as added by

18 amended by chapter 794 of the laws of 1986, is amended to read as  
19 follows:

20 § 530.60 ~~[Order of recognizance or bail; revocation thereof]~~ Certain  
21 modifications of a securing order.

22 1. Whenever in the course of a criminal action or proceeding a defend-  
23 ant is at liberty as a result of an order of recognizance, release under  
24 non-monetary conditions or bail issued pursuant to this chapter, and the  
25 court considers it necessary to review such order, ~~[it]~~ whether due to a  
26 motion by the people or otherwise, the court may, and except as provided  
27 in subdivision two of section 510.50 of this title concerning a failure  
28 to appear in court, by a bench warrant if necessary, require the defend-  
29 ant to appear before the court. Upon such appearance, the court, for  
30 good cause shown, may revoke the order of recognizance, release under  
31 non-monetary conditions, or bail. If the defendant is entitled to recog-  
32 nizance, release under non-monetary conditions, or bail as a matter of  
33 right, the court must issue another such order. If ~~[he or she]~~ the  
34 defendant is not, the court may either issue such an order or commit the  
35 defendant to the custody of the sheriff in accordance with this section.

36 Where the defendant is committed to the custody of the sheriff and is  
37 held on a felony complaint, a new period as provided in section 180.80  
38 of this chapter shall commence to run from the time of the defendant's  
39 commitment under this subdivision.

40 2. (a) Whenever in the course of a criminal action or proceeding a  
41 defendant charged with the commission of a felony is at liberty as a  
42 result of an order of recognizance, release under non-monetary condi-  
43 tions or bail issued pursuant to this article it shall be grounds for  
44 revoking such order that the court finds reasonable cause to believe the  
45 defendant committed one or more specified class A or violent felony  
46 offenses or intimidated a victim or witness in violation of ~~[sections]~~  
47 section 215.15, 215.16 or 215.17 of the penal law while at liberty.

48 (b) Except as provided in paragraph (a) of this subdivision or any  
49 other law, whenever in the course of a criminal action or proceeding a  
50 defendant charged with the commission of an offense is at liberty as a  
51 result of an order of recognizance, release under non-monetary condi-  
52 tions or bail issued pursuant to this article it shall be grounds for  
53 revoking such order and fixing bail in such criminal action or proceed-  
54 ing when the court has found, by clear and convincing evidence, that the  
55 defendant:

1 (i) persistently and willfully failed to appear after notice of sched-  
2 uled appearances in the case before the court; or

3 (ii) violated an order of protection in the manner prohibited by  
4 subdivision (b), (c) or (d) of section 215.51 of the penal law while at  
5 liberty; or

6 (iii) stands charged in such criminal action or proceeding with a  
7 misdemeanor or violation and, after being so charged, intimidated a  
8 victim or witness in violation of section 215.15, 215.16 or 215.17 of  
9 the penal law or tampered with a witness in violation of section 215.11,  
10 215.12 or 215.13 of the penal law, law while at liberty; or

11 (iv) stands charged in such action or proceeding with a felony and,  
12 after being so charged, committed a felony while at liberty.

13 (c) Before revoking an order of recognizance, release under non-mone-  
14 tary conditions, or bail pursuant to this subdivision, the court must  
15 hold a hearing and shall receive any relevant, admissible evidence not  
16 legally privileged. The defendant may cross-examine witnesses and may  
17 present relevant, admissible evidence on his own behalf. Such hearing  
18 may be consolidated with, and conducted at the same time as, a felony  
19 hearing conducted pursuant to article one hundred eighty of this chap-  
20 ter. A transcript of testimony taken before the grand jury upon presen-  
21 tation of the subsequent offense shall be admissible as evidence during  
22 the hearing. The district attorney may move to introduce grand jury  
23 testimony of a witness in lieu of that witness' appearance at the hear-  
24 ing.

25 ~~[(b)]~~ (d) Revocation of an order of recognizance, release under non-  
26 monetary conditions or bail and a new securing order fixing bail or  
27 commitment, as specified in this paragraph and pursuant to this subdivi-  
28 sion shall be for the following periods~~[-either]~~:

29 (i) Under paragraph (a) of this subdivision, revocation of the order  
30 of recognizance, release under non-monetary conditions or, as the case  
31 may be, bail, and a new securing order fixing bail or committing the  
32 defendant to the custody of the sheriff shall be as follows:

33 ~~[(i)]~~ (A) For a period not to exceed ninety days exclusive of any  
34 periods of adjournment requested by the defendant; or

35 ~~[(ii)]~~ (B) Until the charges contained within the accusatory instru-  
36 ment have been reduced or dismissed such that no count remains which  
37 charges the defendant with commission of a felony; or

38 ~~[(iii)]~~ (C) Until reduction or dismissal of the charges contained  
39 within the accusatory instrument charging the subsequent offense such  
40 that no count remains which charges the defendant with commission of a  
41 class A or violent felony offense.

42 Upon expiration of any of the three periods specified within this  
43 ~~[paragraph]~~ subparagraph, whichever is shortest, the court may grant or  
44 deny release upon an order of bail or recognizance in accordance with  
45 the provisions of this article. Upon conviction to an offense the  
46 provisions of article five hundred thirty of this chapter shall  
47 apply~~[-]~~; and

48 ~~[(e)]~~ (ii) Under paragraph (b) of this subdivision, revocation of the  
49 order of recognizance, release under non-monetary conditions or, as the  
50 case may be, bail shall result in the issuance of a new securing order  
51 which may, if otherwise authorized by law, permit the principal's  
52 release on recognizance or release under non-monetary conditions, but  
53 shall also render the defendant eligible for an order fixing bail  
54 provided, however, that in accordance with the principles in this title  
55 the court must select the least restrictive alternative and condition or  
56 conditions that will reasonably assure the principal's return to court.

1 Nothing in this subparagraph shall be interpreted as shortening the  
2 period of detention, or requiring or authorizing any less restrictive  
3 form of a securing order, which may be imposed pursuant to any other  
4 law.

5 (e) Notwithstanding the provisions of paragraph (a) or (b) of this  
6 subdivision a defendant, against whom a felony complaint has been filed  
7 which charges the defendant with commission of a class A or violent  
8 felony offense or violation of section 215.15, 215.16 or 215.17 of the  
9 penal law committed while he was at liberty as specified therein, may be  
10 committed to the custody of the sheriff pending a revocation hearing for  
11 a period not to exceed seventy-two hours. An additional period not to  
12 exceed seventy-two hours may be granted by the court upon application of  
13 the district attorney upon a showing of good cause or where the failure  
14 to commence the hearing was due to the defendant's request or occurred  
15 with his consent. Such good cause must consist of some compelling fact  
16 or circumstance which precluded conducting the hearing within the  
17 initial prescribed period.

18 § 21. Paragraph (a) of subdivision 9 of section 216.05 of the criminal  
19 procedure law, as amended by chapter 258 of the laws of 2015, is amended  
20 to read as follows:

21 (a) If at any time during the defendant's participation in the judi-  
22 cial diversion program, the court has reasonable grounds to believe that  
23 the defendant has violated a release condition in an important respect  
24 or has willfully failed to appear before the court as requested, the  
25 court except as provided in subdivision two of section 510.50 of this  
26 chapter regarding a failure to appear, shall direct the defendant to  
27 appear or issue a bench warrant to a police officer or an appropriate  
28 peace officer directing him or her to take the defendant into custody  
29 and bring the defendant before the court without unnecessary delay;  
30 provided, however, that under no circumstances shall a defendant who  
31 requires treatment for opioid abuse or dependence be deemed to have  
32 violated a release condition on the basis of his or her participation in  
33 medically prescribed drug treatments under the care of a health care  
34 professional licensed or certified under title eight of the education  
35 law, acting within his or her lawful scope of practice. The relevant  
36 provisions of [~~subdivision one of~~] section 530.60 of this chapter relat-  
37 ing to [~~revocation of recognizance or bail~~] issuance of securing orders  
38 shall apply to such proceedings under this subdivision.

40 dure law, as added by chapter 558 of the laws of 1982, is amended to  
41 read as follows:

42 Subject to a protective order, at a pre-trial hearing held in a crim-  
43 inal court at which a witness is called to testify, each party, [~~at the~~  
44 ~~conclusion~~] prior to the commencement of the direct examination of each  
45 of its witnesses, shall, upon request of the other party, make available  
46 to that party to the extent not previously disclosed:

51 section 410.50 of this article for violation of a condition of a  
52 sentence of probation or a sentence of conditional discharge must forth-  
53 with be brought before the court that imposed the sentence. Where a  
54 violation of probation petition and report has been filed and the person  
55 has not been taken into custody nor has a warrant been issued, an  
56 initial court appearance shall occur within ten business days of the

1 court's issuance of a notice to appear. If the court has reasonable  
2 cause to believe that such person has violated a condition of the  
3 sentence, it may commit [~~him~~] such person to the custody of the sheriff  
4 [~~or~~], fix bail, release such person under non-monetary conditions or  
5 release such person on [~~his~~] such person's own recognizance for future  
6 appearance at a hearing to be held in accordance with section 410.70 of  
7 this article. If the court does not have reasonable cause to believe  
8 that such person has violated a condition of the sentence, it must  
9 direct that [~~he~~] such person be released.

10 § 24. Subdivision 3 of section 620.50 of the criminal procedure law is  
11 amended to read as follows:

12 3. A material witness order must be executed as follows:

39 chapter must be granted where the people are not ready for trial within:

47 (c) sixty days of the commencement of a criminal action wherein the

30 crime.

31 (e) for the purposes of this subdivision, the term offense shall  
32 include vehicle and traffic law infractions.

33 3. (a) Subdivisions one and two of this section do not apply to a  
34 criminal action wherein the defendant is accused of an offense defined  
35 in sections 125.10, 125.15, 125.20, 125.25, 125.26 and 125.27 of the  
36 penal law.

37 (b) A motion made pursuant to subdivisions one or two of this section  
38 upon expiration of the specified period may be denied where the people  
39 are not ready for trial if the people were ready for trial prior to the  
40 expiration of the specified period and their present unreadiness is due  
41 to some exceptional fact or circumstance, including, but not limited to,  
42 the sudden unavailability of evidence material to the people's case,  
43 when the district attorney has exercised due diligence to obtain such  
44 evidence and there are reasonable grounds to believe that such evidence  
45 will become available in a reasonable period.

46 (c) A motion made pursuant to subdivision two of this section shall  
47 not:

49 another offense;

51 being held in custody pending trial of another criminal charge as to  
52 which the applicable period has not yet elapsed;

53 (iii) prevent the redetention of or otherwise apply to any defendant  
54 who, after being released from custody pursuant to this section or  
55 otherwise, is charged with another crime or violates the conditions on

1 which he has been released, by failing to appear at a judicial proceed-  
2 ing at which his presence is required or otherwise.

3 4. In computing the time within which the people must be ready for  
4 trial pursuant to subdivisions one and two of this section, the follow-  
5 ing periods must be excluded:

6 (a) a reasonable period of delay resulting from other proceedings  
7 concerning the defendant, including but not limited to: proceedings for  
8 the determination of competency and the period during which defendant is  
9 incompetent to stand trial; demand to produce; request for a bill of  
10 particulars; pre-trial motions; appeals; trial of other charges; and the  
11 period during which such matters are under consideration by the court;  
12 or

13 (b) the period of delay resulting from a continuance granted by the  
14 court at the request of, or with the consent of, the defendant or his or  
15 her counsel. The court [~~must~~] may grant such a continuance only if it is  
16 satisfied that postponement is in the interest of justice, taking into  
17 account the public interest in the prompt dispositions of criminal  
18 charges. A defendant without counsel must not be deemed to have  
19 consented to a continuance unless he or she has been advised by the  
20 court of his or her rights under these rules and the effect of his  
21 consent, which must be done on the record in open court; or

22 (c) (i) the period of delay resulting from the absence or unavailabil-  
23 ity of the defendant. A defendant must be considered absent whenever his  
24 location is unknown and he is attempting to avoid apprehension or prose-  
25 cution, or his location cannot be determined by due diligence. A defend-  
26 ant must be considered unavailable whenever his location is known but  
27 his presence for trial cannot be obtained by due diligence; or

28 (ii) where the defendant has either escaped from custody or has failed  
29 to appear when required after having previously been released on bail or  
30 on his own recognizance, and provided the defendant is not in custody on  
31 another matter, the period extending from the day the court issues a  
32 bench warrant pursuant to section 530.70 of this chapter because of the  
33 defendant's failure to appear in court when required, to the day the  
34 defendant subsequently appears in the court pursuant to a bench warrant  
35 or voluntarily or otherwise; or

36 (d) a reasonable period of delay when the defendant is joined for  
37 trial with a co-defendant as to whom the time for trial pursuant to this  
38 section has not run and good cause is not shown for granting a sever-  
39 ance; or

40 (e) the period of delay resulting from detention of the defendant in  
41 another jurisdiction provided the district attorney is aware of such  
42 detention and has been diligent and has made reasonable efforts to  
43 obtain the presence of the defendant for trial; or

44 (f) the period during which the defendant is without counsel through  
45 no fault of the court; except when the defendant is proceeding as his  
46 own attorney with the permission of the court; or

47 (g) other periods of delay occasioned by exceptional circumstances,  
48 including but not limited to, the period of delay resulting from a  
49 continuance granted at the request of a district attorney if (i) the  
50 continuance is granted because of the unavailability of evidence materi-  
51 al to the people's case, when the district attorney has exercised due  
52 diligence to obtain such evidence and there are reasonable grounds to  
53 believe that such evidence will become available in a reasonable period;  
54 or (ii) the continuance is granted to allow the district attorney addi-  
55 tional time to prepare the people's case and additional time is justi-  
56 fied by the exceptional circumstances of the case. Any such exclusion

1 when a statement of unreadiness has followed a statement of readiness  
2 made by the people must be evaluated by the court after inquiry on the  
3 record as to the reasons for the people's unreadiness and shall only be  
4 approved upon a showing of sufficient supporting facts; or

5 (h) the period during which an action has been adjourned in contem-  
6 plation of dismissal pursuant to sections 170.55, 170.56 and 215.10 of  
7 this chapter~~[-]~~; or

8 (i) ~~[The]~~ the period prior to the defendant's actual appearance for  
9 arraignment in a situation in which the defendant has been directed to  
10 appear by the district attorney pursuant to subdivision three of section  
11 120.20 or subdivision three of section 210.10~~[-]~~ of this chapter; or

12 (j) the period during which a family offense is before a family court  
13 until such time as an accusatory instrument or indictment is filed  
14 against the defendant alleging a crime constituting a family offense, as  
15 such term is defined in section 530.11 of this chapter.

16 5. Whenever pursuant to this section a prosecutor states or otherwise  
17 provides notice that the people are ready for trial, the court shall  
18 make inquiry on the record as to their actual readiness. If, after  
19 conducting its inquiry, the court determines that the people are not  
20 ready to proceed to trial, the prosecutor's statement or notice of read-  
21 iness shall not be valid for purposes of this section. Any statement of  
22 trial readiness must be accompanied or preceded by a certification of  
23 good faith compliance with the disclosure requirements of section 245.20  
24 of this chapter and the defense shall be afforded an opportunity to be  
25 heard on the record as to whether the disclosure requirements have been  
26 met. This subdivision shall not apply to cases where the defense has  
27 waived disclosure requirements.

28 5-a. Upon a local criminal court accusatory instrument, a statement of  
29 readiness shall not be valid unless the prosecuting attorney certifies  
30 that all counts charged in the accusatory instrument meet the require-  
31 ments of sections 100.15 and 100.40 of this chapter and those counts not  
32 meeting the requirements of sections 100.15 and 100.40 of this chapter  
33 have been dismissed.

34 6. An order finally denying a motion to dismiss pursuant to subdivi-  
35 sion one of this section shall be reviewable upon an appeal from an  
36 ensuing judgment of conviction notwithstanding the fact that such judg-  
37 ment is entered upon a plea of guilty.

41 eral attack, the criminal action and the commitment to the custody of  
42 the sheriff or the office of children and family services, if any, must  
43 be deemed to have commenced on the date the withdrawal of the plea of  
44 guilty or the date the order occasioning a retrial becomes final;

45 (b) where a defendant has been served with an appearance ticket, the  
46 criminal action must be deemed to have commenced on the date the defend-  
47 ant first appears in a local criminal court in response to the ticket;

48 (c) where a criminal action is commenced by the filing of a felony  
49 complaint, and thereafter, in the course of the same criminal action  
50 either the felony complaint is replaced with or converted to an informa-  
51 tion, prosecutor's information or misdemeanor complaint pursuant to  
52 article ~~[180]~~ one hundred eighty of this chapter or a prosecutor's  
53 information is filed pursuant to section 190.70 of this chapter, the  
54 period applicable for the purposes of subdivision one must be the period  
55 applicable to the charges in the new accusatory instrument, calculated  
56 from the date of the filing of such new accusatory instrument; provided,

1 however, that when the aggregate of such period and the period of time,  
2 excluding the periods provided in subdivision four, already elapsed from  
3 the date of the filing of the felony complaint to the date of the filing  
4 of the new accusatory instrument exceeds six months, the period applica-  
5 ble to the charges in the felony complaint must remain applicable and  
6 continue as if the new accusatory instrument had not been filed;

7 (d) where a criminal action is commenced by the filing of a felony  
8 complaint, and thereafter, in the course of the same criminal action  
9 either the felony complaint is replaced with or converted to an informa-  
10 tion, prosecutor's information or misdemeanor complaint pursuant to  
11 article ~~[180]~~ one hundred eighty of this chapter or a prosecutor's  
12 information is filed pursuant to section 190.70 of this chapter, the  
13 period applicable for the purposes of subdivision two of this section  
14 must be the period applicable to the charges in the new accusatory  
15 instrument, calculated from the date of the filing of such new accusato-  
16 ry instrument; provided, however, that when the aggregate of such period  
17 and the period of time, excluding the periods provided in subdivision  
18 four of this section, already elapsed from the date of the filing of the  
19 felony complaint to the date of the filing of the new accusatory instru-  
20 ment exceeds ninety days, the period applicable to the charges in the  
21 felony complaint must remain applicable and continue as if the new accu-  
22 satory instrument had not been filed.

23 (e) where a count of an indictment is reduced to charge only a misde-  
24 meanor or petty offense and a reduced indictment or a prosecutor's  
25 information is filed pursuant to subdivisions one-a and six of section  
26 210.20 of this chapter, the period applicable for the purposes of subdi-  
27 vision one of this section must be the period applicable to the charges  
28 in the new accusatory instrument, calculated from the date of the filing  
29 of such new accusatory instrument; provided, however, that when the  
30 aggregate of such period and the period of time, excluding the periods  
31 provided in subdivision four of this section, already elapsed from the  
32 date of the filing of the indictment to the date of the filing of the  
33 new accusatory instrument exceeds six months, the period applicable to  
34 the charges in the indictment must remain applicable and continue as if  
35 the new accusatory instrument had not been filed;

36 (f) where a count of an indictment is reduced to charge only a misde-  
37 meanor or petty offense and a reduced indictment or a prosecutor's  
38 information is filed pursuant to subdivisions one-a and six of section  
39 210.20 of this chapter, the period applicable for the purposes of subdi-  
40 vision two of this section must be the period applicable to the charges  
41 in the new accusatory instrument, calculated from the date of the filing  
42 of such new accusatory instrument; provided, however, that when the  
43 aggregate of such period and the period of time, excluding the periods  
44 provided in subdivision four of this section, already elapsed from the  
45 date of the filing of the indictment to the date of the filing of the  
46 new accusatory instrument exceeds ninety days, the period applicable to  
47 the charges in the indictment must remain applicable and continue as if  
48 the new accusatory instrument had not been filed.

49 ~~[6-]~~ 8. The procedural rules prescribed in subdivisions one through  
50 seven of section 210.45 of this chapter with respect to a motion to  
51 dismiss an indictment are ~~[also]~~ not applicable to a motion made pursu-  
52 ant to subdivision two of this section. If, upon oral argument, a time  
53 period is in dispute, the court must promptly conduct a hearing in which  
54 the people must prove that the time period is excludable.

55 § 2. This act shall take effect January 1, 2020.

1. (a) The prosecution shall perform its initial discovery obligations under subdivision one of section 245.20 of this article as soon as practicable but not later than fifteen calendar days after the defendant's arraignment on an indictment, superior court information, prosecutor's information, information, simplified information, misdemeanor complaint or felony complaint. Portions of materials claimed to be non-discoverable may be withheld pending a determination and ruling of the court under section 245.70 of this article; but the defendant shall be notified in writing that information has not been disclosed under a particular subdivision of such section, and the discoverable portions of such materials shall be disclosed to the extent practicable. When the discoverable materials are exceptionally voluminous or, despite diligent, good faith efforts, are otherwise not in the actual possession of the prosecution, the time period in this paragraph may be stayed by up to an additional thirty calendar days without need for a motion pursuant to subdivision two of section 245.70 of this article.

(b) The prosecution shall perform its supplemental discovery obligations under subdivision three of section 245.20 of this article as soon as practicable but not later than fifteen calendar days prior to the first scheduled trial date.

(c) The prosecution shall disclose statements of the defendant as described in paragraph (a) of subdivision one of section 245.20 of this article to any defendant who has been arraigned in a local criminal court upon a currently undisposed of felony complaint charging an offense which is a subject of a prospective or pending grand jury proceeding, no later than forty-eight hours before the time scheduled for the defendant to testify at a grand jury proceeding pursuant to subdivision five of section 190.50 of this part.

2. Defendant's performance of obligations. The defendant shall perform his or her discovery obligations under subdivision four of section 245.20 of this article not later than thirty calendar days after being served with the prosecution's certificate of compliance pursuant to subdivision one of section 245.50 of this article, except that portions

1 of materials claimed to be non-discoverable may be withheld pending a  
2 determination and ruling of the court under section 245.70 of this arti-  
3 cle; but the prosecution must be notified in writing that information  
4 has not been disclosed under a particular section.  
5 § 245.20 Automatic discovery.

6 1. Initial discovery for the defendant. The prosecution shall disclose  
7 to the defendant, and permit the defendant to discover, inspect, copy,  
8 photograph and test, all items and information that relate to the  
9 subject matter of the case and are in the possession, custody or control  
10 of the prosecution or persons under the prosecution's direction or  
11 control, including but not limited to:

12 (a) All written or recorded statements, and the substance of all oral  
13 statements, made by the defendant or a co-defendant to a public servant  
14 engaged in law enforcement activity or to a person then acting under his  
15 or her direction or in cooperation with him or her.

16 (b) All transcripts of the testimony of a person who has testified  
17 before a grand jury, including but not limited to the defendant or a  
18 co-defendant. If in the exercise of reasonable diligence, and due to the  
19 limited availability of transcription resources, a transcript is  
20 unavailable for disclosure within the time period specified in subdivi-  
21 sion one of section 245.10 of this article, such time period may be  
22 stayed by up to an additional thirty calendar days without need for a  
23 motion pursuant to subdivision two of section 245.70 of this article;  
24 except that such disclosure shall be made as soon as practicable and not  
25 later than thirty calendar days before the first scheduled trial date,  
26 unless an order is obtained pursuant to section 245.70 of this article.  
27 When the court is required to review grand jury transcripts, the prose-  
28 cution shall disclose such transcripts to the court expeditiously upon  
29 receipt by the prosecutor, notwithstanding the otherwise-applicable time  
30 periods for disclosure in this article.

31 (c) The names and adequate contact information for all persons other  
32 than law enforcement personnel whom the prosecutor knows to have  
33 evidence or information relevant to any offense charged or to any poten-  
34 tial defense thereto, including a designation by the prosecutor as to  
35 which of those persons may be called as witnesses. Nothing in this para-  
36 graph shall require the disclosure of physical addresses; provided,  
37 however, upon a motion and good cause shown the court may direct the  
38 disclosure of a physical address. Information under this subdivision  
39 relating to a confidential informant may be withheld, and redacted from  
40 discovery materials, without need for a motion pursuant to section  
41 245.70 of this article; but the prosecution shall notify the defendant  
42 in writing that such information has not been disclosed, unless the  
43 court rules otherwise for good cause shown.

44 (d) The name and work affiliation of all law enforcement personnel  
45 whom the prosecutor knows to have evidence or information relevant to  
46 any offense charged or to any potential defense thereto, including a  
47 designation by the prosecutor as to which of those persons may be called  
48 as witnesses. Information under this subdivision relating to undercover  
49 personnel may be withheld, and redacted from discovery materials, with-  
50 out need for a motion pursuant to section 245.70 of this article; but  
51 the prosecution shall notify the defendant in writing that such informa-  
52 tion has not been disclosed, unless the court rules otherwise for good  
53 cause shown.

54 (e) All statements, written or recorded or summarized in any writing  
55 or recording, made by persons who have evidence or information relevant  
56 to any offense charged or to any potential defense thereto, including

1 all police reports, notes of police and other investigators, and law  
2 enforcement agency reports. This provision also includes statements,  
3 written or recorded or summarized in any writing or recording, by  
4 persons to be called as witnesses at pre-trial hearings.

5 (f) Expert opinion evidence, including the name, business address,  
6 current curriculum vitae, a list of publications, and all proficiency  
7 tests and results administered or taken within the past ten years of  
8 each expert witness whom the prosecutor intends to call as a witness at  
9 trial or a pre-trial hearing, and all reports prepared by the expert  
10 that pertain to the case, or if no report is prepared, a written state-  
11 ment of the facts and opinions to which the expert is expected to testi-  
12 fy and a summary of the grounds for each opinion. This paragraph does  
13 not alter or in any way affect the procedures, obligations or rights set  
14 forth in section 250.10 of this title. If in the exercise of reasonable  
15 diligence this information is unavailable for disclosure within the time  
16 period specified in subdivision one of section 245.10 of this article,  
17 that period shall be stayed without need for a motion pursuant to  
18 subdivision two of section 245.70 of this article; except that the pros-  
19 ecution shall notify the defendant in writing that such information has  
20 not been disclosed, and such disclosure shall be made as soon as practi-  
21 cable and not later than sixty calendar days before the first scheduled  
22 trial date, unless an order is obtained pursuant to section 245.70 of  
23 this article. When the prosecution's expert witness is being called in  
24 response to disclosure of an expert witness by the defendant, the court  
25 shall alter a scheduled trial date, if necessary, to allow the prose-  
26 cution thirty calendar days to make the disclosure and the defendant  
27 thirty calendar days to prepare and respond to the new materials.

28 (g) All tapes or other electronic recordings, including all electronic  
29 recordings of 911 telephone calls made or received in connection with  
30 the alleged criminal incident, and a designation by the prosecutor as to  
31 which of the recordings under this paragraph the prosecution intends to  
32 introduce at trial or a pre-trial hearing. If the discoverable materials  
33 under this paragraph exceed ten hours in total length, the prosecution  
34 may disclose only the recordings that it intends to introduce at trial  
35 or a pre-trial hearing, along with a list of the source and approximate  
36 quantity of other recordings and their general subject matter if known,  
37 and the defendant shall have the right upon request to obtain recordings  
38 not previously disclosed. The prosecution shall disclose the requested  
39 materials as soon as practicable and not less than fifteen calendar days  
40 after the defendant's request, unless an order is obtained pursuant to  
41 section 245.70 of this article.

42 (h) All photographs and drawings made or completed by a public servant  
43 engaged in law enforcement activity, or which were made by a person  
44 whom the prosecutor intends to call as a witness at trial or a pre-trial  
45 hearing, or which relate to the subject matter of the case.

46 (i) All photographs, photocopies and reproductions made by or at the  
47 direction of law enforcement personnel of any property prior to its  
48 release pursuant to section 450.10 of the penal law.

49 (j) All reports, documents, records, data, calculations or writings,  
50 including but not limited to preliminary tests and screening results  
51 and bench notes and analyses performed or stored electronically,  
52 concerning physical or mental examinations, or scientific tests or  
53 experiments or comparisons, relating to the criminal action or proceed-  
54 ing which were made by or at the request or direction of a public serv-  
55 ant engaged in law enforcement activity, or which were made by a person  
56 whom the prosecutor intends to call as a witness at trial or a pre-trial

1 hearing, or which the prosecution intends to introduce at trial or a  
2 pre-trial hearing. Information under this paragraph also includes, but  
3 is not limited to, laboratory information management system records  
4 relating to such materials, any preliminary or final findings of non-  
5 conformance with accreditation, industry or governmental standards or  
6 laboratory protocols, and any conflicting analyses or results by labora-  
7 tory personnel regardless of the laboratory's final analysis or results.  
8 If the prosecution submitted one or more items for testing to, or  
9 received results from, a forensic science laboratory or similar entity  
10 not under the prosecution's direction or control, the court on motion of  
11 a party shall issue subpoenas or orders to such laboratory or entity to  
12 cause materials under this paragraph to be made available for disclo-  
13 sure.

14 (k) All evidence and information, including that which is known to  
15 police or other law enforcement agencies acting on the government's  
16 behalf in the case, that tends to: (i) negate the defendant's guilt as  
17 to a charged offense; (ii) reduce the degree of or mitigate the defend-  
18 ant's culpability as to a charged offense; (iii) support a potential  
19 defense to a charged offense; (iv) impeach the credibility of a testi-  
20 fying prosecution witness; (v) undermine evidence of the defendant's  
21 identity as a perpetrator of a charged offense; (vi) provide a basis for  
22 a motion to suppress evidence; or (vii) mitigate punishment. Informa-  
23 tion under this subdivision shall be disclosed whether or not such  
24 information is recorded in tangible form and irrespective of whether the  
25 prosecutor credits the information. The prosecutor shall disclose the  
26 information expeditiously upon its receipt and shall not delay disclo-  
27 sure if it is obtained earlier than the time period for disclosure in  
28 subdivision one of section 245.10 of this article.

29 (l) A summary of all promises, rewards and inducements made to, or in  
30 favor of, persons who may be called as witnesses, as well as requests  
31 for consideration by persons who may be called as witnesses and copies  
32 of all documents relevant to a promise, reward or inducement.

33 (m) A list of all tangible objects obtained from, or allegedly  
34 possessed by, the defendant or a co-defendant. The list shall include a  
35 designation by the prosecutor as to which objects were physically or  
36 constructively possessed by the defendant and were recovered during a  
37 search or seizure by a public servant or an agent thereof, and which  
38 tangible objects were recovered by a public servant or an agent thereof  
39 after allegedly being abandoned by the defendant. If the prosecution  
40 intends to prove the defendant's possession of any tangible objects by  
41 means of a statutory presumption of possession, it shall designate such  
42 intention as to each such object. If reasonably practicable, the prose-  
43 cution shall also designate the location from which each tangible object  
44 was recovered. There is also a right to inspect, copy, photograph and  
45 test the listed tangible objects.

46 (n) Whether a search warrant has been executed and all documents  
47 relating thereto, including but not limited to the warrant, the warrant  
48 application, supporting affidavits, a police inventory of all property  
49 seized under the warrant, and a transcript of all testimony or other  
50 oral communications offered in support of the warrant application.

51 (o) All tangible property that relates to the subject matter of the  
52 case, along with a designation of which items the prosecution intends to  
53 introduce in its case-in-chief at trial or a pre-trial hearing. If in  
54 the exercise of reasonable diligence the prosecutor has not formed an  
55 intention within the time period specified in subdivision one of section  
56 245.10 of this article that an item under this subdivision will be

1 introduced at trial or a pre-trial hearing, the prosecution shall notify  
2 the defendant in writing, and the time period in which to designate  
3 items as exhibits shall be stayed without need for a motion pursuant to  
4 subdivision two of section 245.70 of this article; but the disclosure  
5 shall be made as soon as practicable and subject to the continuing duty  
6 to disclose in section 245.60 of this article.

7 (p) A complete record of judgments of conviction for all defendants  
8 and all persons designated as potential prosecution witnesses pursuant  
9 to paragraph (c) of this subdivision, other than those witnesses who are  
10 experts.

11 (q) When it is known to the prosecution, the existence of any pending  
12 criminal action against all persons designated as potential prosecution  
13 witnesses pursuant to paragraph (c) of this subdivision.

14 (r) The approximate date, time and place of the offense or offenses  
15 charged and of the defendant's seizure and arrest.

16 (s) In any prosecution alleging a violation of the vehicle and traffic  
17 law, where the defendant is charged by indictment, superior court infor-  
18 mation, prosecutor's information, information, or simplified informa-  
19 tion, all records of calibration, certification, inspection, repair or  
20 maintenance of machines and instruments utilized to perform any scien-  
21 tific tests and experiments, including but not limited to any test of a  
22 person's breath, blood, urine or saliva, for the period of six months  
23 prior and six months after such test was conducted, including the  
24 records of gas chromatography related to the certification of all refer-  
25 ence standards and the certification certificate, if any, held by the  
26 operator of the machine or instrument. The time period required by  
27 subdivision one of section 245.10 of this article shall not apply to the  
28 disclosure of records created six months after a test was conducted, but  
29 such disclosure shall be made as soon as practicable and in any event,  
30 the earlier of fifteen days following receipt, or fifteen days before  
31 the first scheduled trial date.

32 (t) In any prosecution alleging a violation of section 156.05 or  
33 156.10 of the penal law, the time, place and manner such violation  
34 occurred.

35 (u) (i) A copy of all electronically created or stored information  
36 seized or obtained by or on behalf of law enforcement from: (A) the  
37 defendant as described in subparagraph (ii) of this paragraph; or (B) a  
38 source other than the defendant which relates to the subject matter of  
39 the case.

40 (ii) If the electronically created or stored information originates  
41 from a device, account, or other electronically stored source that the  
42 prosecution believes the defendant owned, maintained, or had lawful  
43 access to and is within the possession, custody or control of the prose-  
44 cution or persons under the prosecution's direction or control, the  
45 prosecution shall provide a complete copy of the electronically created  
46 or stored information from the device or account or other source.

47 (iii) If possession of such electronically created or stored informa-  
48 tion would be a crime under New York state or federal law, the prose-  
49 cution shall make those portions of the electronically created or stored  
50 information that are not criminal to possess available as specified  
51 under this paragraph and shall afford counsel for the defendant access  
52 to inspect contraband portions at a supervised location that provides  
53 regular and reasonable hours for such access, such as a prosecutor's  
54 office, police station, or court.

55 (iv) This paragraph shall not be construed to alter or in any way  
56 affect the right to be free from unreasonable searches and seizures or

1 such other rights a suspect or defendant may derive from the state  
2 constitution or the United States constitution. If in the exercise of  
3 reasonable diligence the information under this paragraph is not avail-  
4 able for disclosure within the time period required by subdivision one  
5 of section 245.10 of this article, that period shall be stayed without  
6 need for a motion pursuant to subdivision two of section 245.70 of this  
7 article, except that the prosecution shall notify the defendant in writ-  
8 ing that such information has not been disclosed, and such disclosure  
9 shall be made as soon as practicable and not later than forty-five  
10 calendar days before the first scheduled trial date, unless an order is  
11 obtained pursuant to section 245.70 of this article.

12 2. Duties of the prosecution. The prosecutor shall make a diligent,  
13 good faith effort to ascertain the existence of material or information  
14 discoverable under subdivision one of this section and to cause such  
15 material or information to be made available for discovery where it  
16 exists but is not within the prosecutor's possession, custody or  
17 control; provided that the prosecutor shall not be required to obtain by  
18 subpoena duces tecum material or information which the defendant may  
19 thereby obtain. For purposes of subdivision one of this section, all  
20 items and information related to the prosecution of a charge in the  
21 possession of any New York state or local police or law enforcement  
22 agency shall be deemed to be in the possession of the prosecution. The  
23 prosecution shall also identify any laboratory having contact with  
24 evidence related to the prosecution of a charge. This subdivision shall  
25 not require the prosecutor to ascertain the existence of witnesses not  
26 known to the police or another law enforcement agency, or the written or  
27 recorded statements thereof, under paragraph (c) or (e) of subdivision  
28 one of this section.

29 3. Supplemental discovery for the defendant. The prosecution shall  
30 disclose to the defendant a list of all misconduct and criminal acts of  
31 the defendant not charged in the indictment, superior court information,  
32 prosecutor's information, information, or simplified information, which  
33 the prosecution intends to use at trial for purposes of (a) impeaching  
34 the credibility of the defendant, or (b) as substantive proof of any  
35 material issue in the case. In addition the prosecution shall designate  
36 whether it intends to use each listed act for impeachment and/or as  
37 substantive proof.

38 4. Reciprocal discovery for the prosecution. (a) The defendant shall,  
39 subject to constitutional limitations, disclose to the prosecution, and  
40 permit the prosecution to discover, inspect, copy or photograph, any  
41 material and relevant evidence within the defendant's or counsel for the  
42 defendant's possession or control that is discoverable under paragraphs  
43 (f), (g), (h), (j), (l) and (o) of subdivision one of this section,  
44 which the defendant intends to introduce at trial or a pre-trial hear-  
45 ing, and the names, addresses, birth dates, and all statements, written  
46 or recorded or summarized in any writing or recording, of those persons  
47 other than the defendant whom the defendant intends to call as witnesses  
48 at trial or a pre-trial hearing.

49 (b) Disclosure of the name, address, birth date, and all statements,  
50 written or recorded or summarized in any writing or recording, of a  
51 person whom the defendant intends to call as a witness for the sole  
52 purpose of impeaching a prosecution witness is not required until after  
53 the prosecution witness has testified at trial.

54 (c) If in the exercise of reasonable diligence the reciprocally  
55 discoverable information under paragraph (f) or (o) of subdivision one  
56 of this section is unavailable for disclosure within the time period

1 specified in subdivision two of section 245.10 of this article, such  
2 time period shall be stayed without need for a motion pursuant to subdi-  
3 vision two of section 245.70 of this article; but the disclosure shall  
4 be made as soon as practicable and subject to the continuing duty to  
5 disclose in section 245.60 of this article.

6 5. Stay of automatic discovery; remedies and sanctions. Section 245.10  
7 and subdivisions one, two, three and four of this section shall have  
8 the force and effect of a court order, and failure to provide discovery  
9 pursuant to such section or subdivision may result in application of any  
10 remedies or sanctions permitted for non-compliance with a court order  
11 under section 245.80 of this article. However, if in the judgment of  
12 either party good cause exists for declining to make any of the disclo-  
13 sures set forth above, such party may move for a protective order pursu-  
14 ant to section 245.70 of this article and production of the item shall  
15 be stayed pending a ruling by the court. The opposing party shall be  
16 notified in writing that information has not been disclosed under a  
17 particular section. When some parts of material or information are  
18 discoverable but in the judgment of a party good cause exists for  
19 declining to disclose other parts, the discoverable parts shall be  
20 disclosed and the disclosing party shall give notice in writing that  
21 non-discoverable parts have been withheld.

22 6. Redactions permitted. Either party may redact social security  
23 numbers and tax numbers from disclosures under this article.

24 7. Presumption of openness. There shall be a presumption in favor of  
25 disclosure when interpreting sections 245.10 and 245.25, and subdivision  
26 one of section 245.20, of this article.

27 § 245.25 Disclosure prior to certain guilty pleas.

28 1. Pre-indictment guilty pleas. Upon a felony complaint, where the  
29 prosecution has made a pre-indictment guilty plea offer requiring a plea  
30 to a crime, the prosecutor must disclose to the defense, and permit the  
31 defense to discover, inspect, copy, photograph and test, all items and  
32 information that would be discoverable prior to trial under subdivision  
33 one of section 245.20 of this article and are in the possession, custody  
34 or control of the prosecution. The prosecution shall disclose the  
35 discoverable items and information not less than three calendar days  
36 prior to the expiration date of any guilty plea offer by the prosecution  
37 or any deadline imposed by the court for acceptance of the guilty plea  
38 offer. If the prosecution does not comply with the requirements of this  
39 subdivision, then, on a defendant's motion alleging a violation of this  
40 subdivision, the court must consider the impact of any violation on the  
41 defendant's decision to accept or reject a plea offer. If the court  
42 finds that such violation materially affected the defendant's decision,  
43 and if the prosecution declines to reinstate the lapsed or withdrawn  
44 plea offer, the court - as a presumptive minimum sanction - must  
45 preclude the admission at trial of any evidence not disclosed as  
46 required under this subdivision. The court may take other appropriate  
47 action as necessary to address the non-compliance. The rights under this  
48 subdivision do not apply to items or information that are the subject of  
49 a protective order under section 245.70 of this article; but if such  
50 information tends to be exculpatory, the court shall reconsider the  
51 protective order. A defendant may waive his or her rights under this  
52 subdivision; but a guilty plea offer may not be conditioned on such  
53 waiver.

54 2. Other guilty pleas. Upon an indictment, superior court information,  
55 prosecutor's information, information, simplified information, or  
56 misdemeanor complaint, where the prosecution has made a guilty plea

1 offer requiring a plea to a crime, the prosecutor must disclose to the  
2 defense, and permit the defense to discover, inspect, copy, photograph  
3 and test, all items and information that would be discoverable prior to  
4 trial under subdivision one of section 245.20 of this article and are  
5 within the possession, custody or control of the prosecution. The prose-  
6 cution shall disclose the discoverable items and information not less  
7 than seven calendar days prior to the expiration date of any guilty plea  
8 offer by the prosecution or any deadline imposed by the court for  
9 acceptance of the guilty plea offer. If the prosecution does not comply  
10 with the requirements of this subdivision, then, on a defendant's motion  
11 alleging a violation of this subdivision, the court must consider the  
12 impact of any violation on the defendant's decision to accept or reject  
13 a plea offer. If the court finds that such violation materially affected  
14 the defendant's decision, and if the prosecution declines to reinstate  
15 the lapsed or withdrawn plea offer, the court - as a presumptive minimum  
16 sanction - must preclude the admission at trial of any evidence not  
17 disclosed as required under this subdivision. The court may take other  
18 appropriate action as necessary to address the non-compliance. The  
19 rights under this subdivision do not apply to items or information that  
20 are the subject of a protective order under section 245.70 of this arti-  
21 cle; but if such information tends to be exculpatory, the court shall  
22 reconsider the protective order. A defendant may waive his or her  
23 rights under this subdivision; but a guilty plea offer may not be condi-  
24 tioned on such waiver.

25 § 245.30 Court orders for preservation, access or discovery.

26 1. Order to preserve evidence. At any time, a party may move for a  
27 court order to any individual, agency or other entity in possession,  
28 custody or control of items which relate to the subject matter of the  
29 case or are otherwise relevant, requiring that such items be preserved  
30 for a specified period of time. The court shall hear and rule upon such  
31 motions expeditiously. The court may modify or vacate such an order  
32 upon a showing that preservation of particular evidence will create  
33 significant hardship to such individual, agency or entity, on condition  
34 that the probative value of that evidence is preserved by a specified  
35 alternative means.

36 2. Order to grant access to premises. Without prejudice to its ability  
37 to issue a subpoena pursuant to this chapter and after an accusatory  
38 instrument has been filed, the defendant may move, upon notice to the  
39 prosecution and any impacted individual, agency, or entity, for a court  
40 order to access a crime scene or other premises relevant to the subject  
41 matter of the case, requiring that counsel for the defendant be granted  
42 reasonable access to inspect, photograph, or measure such crime scene or  
43 premises, and that the condition of the crime scene or premises remain  
44 unchanged in the interim. The court shall consider defendant's expressed  
45 need for access to the premises including the risk that defendant will  
46 be deprived of evidence or information relevant to the case, the posi-  
47 tion of any individual or entity with possessory or ownership rights to  
48 the premises, the nature of the privacy interest and any perceived or  
49 actual hardship of the individual or entity with possessory or ownership  
50 rights, and the position of the prosecution with respect to any applica-  
51 tion for access to the premises. The court may deny access to the prem-  
52 ises when the probative value of access to such location has been or  
53 will be preserved by specified alternative means. If the court grants  
54 access to the premises, the individual or entity with ownership or  
55 possessory rights to the premises may request law enforcement presence

1 at the premises while defense counsel or a representative thereof is  
2 present.

3 3. Discretionary discovery by order of the court. The court in its  
4 discretion may, upon a showing by the defendant that the request is  
5 reasonable and that the defendant is unable without undue hardship to  
6 obtain the substantial equivalent by other means, order the prosecution,  
7 or any individual, agency or other entity subject to the jurisdiction of  
8 the court, to make available for disclosure to the defendant any materi-  
9 al or information which relates to the subject matter of the case and is  
10 reasonably likely to be material. A motion under this subdivision must  
11 be on notice to any person or entity affected by the order. The court  
12 may, on its own, upon request of any person or entity affected by the  
13 order, modify or vacate the order if compliance would be unreasonable or  
14 will create significant hardship. For good cause shown, the court may  
15 permit a party seeking or opposing a discretionary order of discovery  
16 under this subdivision, or another affected person or entity, to submit  
17 papers or testify on the record ex parte or in camera. For good cause  
18 shown, any such papers and a transcript of such testimony may be sealed  
19 and shall constitute a part of the record on appeal.

20 § 245.35 Court ordered procedures to facilitate compliance.

21 To facilitate compliance with this article, and to reduce or stream-  
22 line litigation of any disputes about discovery, the court in its  
23 discretion may issue an order:

24 1. Requiring that the prosecutor and counsel for the defendant dili-  
25 gently confer to attempt to reach an accommodation as to any dispute  
26 concerning discovery prior to seeking a ruling from the court;

27 2. Requiring a discovery compliance conference at a specified time  
28 prior to trial between the prosecutor, counsel for all defendants, and  
29 the court or its staff;

30 3. Requiring the prosecution to file an additional certificate of  
31 compliance that states that the prosecutor and/or an appropriate named  
32 agent has made reasonable inquiries of all police officers and other  
33 persons who have participated in investigating or evaluating the case  
34 about the existence of any favorable evidence or information within  
35 paragraph (k) of subdivision one of section 245.20 of this article,  
36 including such evidence or information that was not reduced to writing  
37 or otherwise memorialized or preserved as evidence, and has disclosed  
38 any such information to the defendant; and/or

39 4. Requiring other measures or proceedings designed to carry into  
40 effect the goals of this article.

41 § 245.40 Non-testimonial evidence from the defendant.

42 1. Availability. After the filing of an accusatory instrument, and  
43 subject to constitutional limitations, the court may, upon motion of  
44 the prosecution showing probable cause to believe the defendant has  
45 committed the crime, a clear indication that relevant material evidence  
46 will be found, and that the method used to secure such evidence is safe  
47 and reliable, require a defendant to provide non-testimonial evidence,  
48 including to:

49 (a) Appear in a lineup;

50 (b) Speak for identification by a witness or potential witness;

51 (c) Be fingerprinted;

52 (d) Pose for photographs not involving reenactment of an event;

53 (e) Permit the taking of samples of the defendant's blood, hair, and  
54 other materials of the defendant's body that involves no unreasonable  
55 intrusion thereof;

56 (f) Provide specimens of the defendant's handwriting; and

1     (g) Submit to a reasonable physical or medical inspection of the  
2 defendant's body.

3     2. Limitations. This section shall not be construed to alter or in any  
4 way affect the issuance of a similar court order, as may be authorized  
5 by law, before the filing of an accusatory instrument, consistent with  
6 such rights as the defendant may derive from the state constitution or  
7 the United States constitution. This section shall not be construed to  
8 alter or in any way affect the administration of a chemical test where  
9 otherwise authorized. An order pursuant to this section may be denied,  
10 limited or conditioned as provided in section 245.70 of this article.

11 § 245.45 DNA comparison order.

12     Where property in the prosecution's possession, custody, or control  
13 consists of a deoxyribonucleic acid ("DNA") profile obtained from  
14 probative biological material gathered in connection with the investi-  
15 gation of the crime, or the defendant, or the prosecution of the defend-  
16 ant, and the defendant establishes (a) that such profile complies with  
17 federal bureau of investigation or state requirements, whichever are  
18 applicable and as such requirements are applied to law enforcement agen-  
19 cies seeking a keyboard search or similar comparison, and (b) that the  
20 data meets state DNA index system or national DNA index system criteria  
21 as such criteria are applied to law enforcement agencies seeking such a  
22 keyboard search or similar comparison, the court may, upon motion of a  
23 defendant against whom an indictment, superior court information,  
24 prosecutor's information, information, or simplified information is  
25 pending, order an entity that has access to the combined DNA index  
26 system or its successor system to compare such DNA profile against DNA  
27 databanks by keyboard searches, or a similar method that does not  
28 involve uploading, upon notice to both parties and the entity required  
29 to perform the search, upon a showing by the defendant that such a  
30 comparison is material to the presentation of his or her defense and  
31 that the request is reasonable. For purposes of this section, a  
32 "keyboard search" shall mean a search of a DNA profile against the  
33 databank in which the profile that is searched is not uploaded to or  
34 maintained in the databank.

35 § 245.50 Certificates of compliance; readiness for trial.

36     1. By the prosecution. When the prosecution has provided the discovery  
37 required by subdivision one of section 245.20 of this article, except  
38 for any items or information that are the subject of an order pursuant  
39 to section 245.70 of this article, it shall serve upon the defendant and  
40 file with the court a certificate of compliance. The certificate of  
41 compliance shall state that, after exercising due diligence and making  
42 reasonable inquiries to ascertain the existence of material and infor-  
43 mation subject to discovery, the prosecutor has disclosed and made  
44 available all known material and information subject to discovery. It  
45 shall also identify the items provided. If additional discovery is  
46 subsequently provided prior to trial pursuant to section 245.60 of this  
47 article, a supplemental certificate shall be served upon the defendant  
48 and filed with the court identifying the additional material and infor-  
49 mation provided. No adverse consequence to the prosecution or the prose-  
50 cutor shall result from the filing of a certificate of compliance in  
51 good faith; but the court may grant a remedy or sanction for a discov-  
52 ery violation as provided in section 245.80 of this article.

53     2. By the defendant. When the defendant has provided all discovery  
54 required by subdivision four of section 245.20 of this article, except  
55 for any items or information that are the subject of an order pursuant  
56 to section 245.70 of this article, counsel for the defendant shall serve

1 upon the prosecution and file with the court a certificate of compli-  
2 ance. The certificate shall state that, after exercising due diligence  
3 and making reasonable inquiries to ascertain the existence of material  
4 and information subject to discovery, counsel for the defendant has  
5 disclosed and made available all known material and information subject  
6 to discovery. It shall also identify the items provided. If additional  
7 discovery is subsequently provided prior to trial pursuant to section  
8 245.60 of this article, a supplemental certificate shall be served upon  
9 the prosecution and filed with the court identifying the additional  
10 material and information provided. No adverse consequence to the  
11 defendant or counsel for the defendant shall result from the filing of a  
12 certificate of compliance in good faith; but the court may grant a reme-  
13 dy or sanction for a discovery violation as provided in section 245.80  
14 of this article.

15 3. Trial readiness. Notwithstanding the provisions of any other law,  
16 absent an individualized finding of exceptional circumstances by the  
17 court before which the charge is pending, the prosecution shall not be  
18 deemed ready for trial for purposes of section 30.30 of this chapter  
19 until it has filed a proper certificate pursuant to subdivision one of  
20 this section.

21 § 245.55 Flow of information.

22 1. Sufficient communication for compliance. The district attorney and  
23 the assistant responsible for the case, or, if the matter is not being  
24 prosecuted by the district attorney, the prosecuting agency and its  
25 assigned representative, shall endeavor to ensure that a flow of infor-  
26 mation is maintained between the police and other investigative person-  
27 nel and his or her office sufficient to place within his or her  
28 possession or control all material and information pertinent to the  
29 defendant and the offense or offenses charged, including, but not limit-  
30 ed to, any evidence or information discoverable under paragraph (k) of  
31 subdivision one of section 245.20 of this article.

32 2. Provision of law enforcement agency files. Absent a court order or  
33 a requirement that defense counsel obtain a security clearance mandated  
34 by law or authorized government regulation, upon request by the prose-  
35 cution, each New York state and local law enforcement agency shall make  
36 available to the prosecution a complete copy of its complete records and  
37 files related to the investigation of the case or the prosecution of the  
38 defendant for compliance with this article.

39 3. 911 telephone call and police radio transmission electronic  
40 recordings, police worn body camera recordings and other police  
41 recordings. (a) Whenever an electronic recording of a 911 telephone  
42 call or a police radio transmission or video or audio footage from a  
43 police body-worn camera or other police recording was made or received  
44 in connection with the investigation of an apparent criminal incident,  
45 the arresting officer or lead detective shall expeditiously notify the  
46 prosecution in writing upon the filing of an accusatory instrument of  
47 the existence of all such known recordings. The prosecution shall expe-  
48 ditiously take whatever reasonable steps are necessary to ensure that  
49 all known electronic recordings of 911 telephone calls, police radio  
50 transmissions and video and audio footage and other police recordings  
51 made or available in connection with the case are preserved. Upon the  
52 defendant's timely request and designation of a specific electronic  
53 recording of a 911 telephone call, the prosecution shall also expe-  
54 ditiously take whatever reasonable steps are necessary to ensure that it  
55 is preserved.

1 (b) If the prosecution fails to disclose such an electronic recording  
2 to the defendant pursuant to paragraph (e), (g) or (k) of subdivision  
3 one of section 245.20 of this article due to a failure to comply with  
4 this obligation by police officers or other law enforcement or prose-  
5 cution personnel, the court upon motion of the defendant shall impose an  
6 appropriate remedy or sanction pursuant to section 245.80 of this arti-  
7 cle.

8 § 245.60 Continuing duty to disclose.

9 If either the prosecution or the defendant subsequently learns of  
10 additional material or information which it would have been under a duty  
11 to disclose pursuant to any provisions of this article had it known of  
12 it at the time of a previous discovery obligation or discovery order, it  
13 shall expeditiously notify the other party and disclose the additional  
14 material and information as required for initial discovery under this  
15 article. This section also requires expeditious disclosure by the prose-  
16 cution of material or information that became relevant to the case or  
17 discoverable based on reciprocal discovery received from the defendant  
18 pursuant to subdivision four of section 245.20 of this article.

19 § 245.65 Work product.

20 This article does not authorize discovery by a party of those portions  
21 of records, reports, correspondence, memoranda, or internal documents of  
22 the adverse party which are only the legal research, opinions, theories  
23 or conclusions of the adverse party or its attorney or the attorney's  
24 agents, or of statements of a defendant, written or recorded or summa-  
25 rized in any writing or recording, made to the attorney for the defend-  
26 ant or the attorney's agents.

27 § 245.70 Protective orders.

28 1. Any discovery subject to protective order. Upon a showing of good  
29 cause by either party, the court may at any time order that discovery or  
30 inspection of any kind of material or information under this article be  
31 denied, restricted, conditioned or deferred, or make such other order as  
32 is appropriate. The court may impose as a condition on discovery to a  
33 defendant that the material or information to be discovered be available  
34 only to counsel for the defendant; or, alternatively, that counsel for  
35 the defendant, and persons employed by the attorney or appointed by the  
36 court to assist in the preparation of a defendant's case, may not  
37 disclose physical copies of the discoverable documents to a defendant or  
38 to anyone else, provided that the prosecution affords the defendant  
39 access to inspect redacted copies of the discoverable documents at a  
40 supervised location that provides regular and reasonable hours for such  
41 access, such as a prosecutor's office, police station, facility of  
42 detention, or court. Should the court impose as a condition that some  
43 material or information be available only to counsel for the defendant,  
44 the court shall inform the defendant on the record that his or her  
45 attorney is not permitted by law to disclose such material or informa-  
46 tion to the defendant. The court may permit a party seeking or oppos-  
47 ing a protective order under this section, or another affected person,  
48 to submit papers or testify on the record ex parte or in camera. Any  
49 such papers and a transcript of such testimony may be sealed and shall  
50 constitute a part of the record on appeal. This section does not alter  
51 the allocation of the burden of proof with regard to matters at issue,  
52 including privilege.

53 2. Modification of time periods for discovery. Upon motion of a party  
54 in an individual case, the court may alter the time periods for discov-  
55 ery imposed by this article upon a showing of good cause.

1     3. Prompt hearing. Upon request for a protective order, unless the  
2 defendant voluntarily consents to the people's request for a protective  
3 order, the court shall conduct an appropriate hearing within three busi-  
4 ness days to determine whether good cause has been shown and when prac-  
5 ticable shall render a decision expeditiously. Any materials submitted  
6 and a transcript of the proceeding may be sealed and shall constitute a  
7 part of the record on appeal.

8     4. Showing of good cause. In determining good cause under this  
9 section the court may consider: constitutional rights or limitations;  
10 danger to the integrity of physical evidence or the safety of a witness;  
11 risk of intimidation, economic reprisal, bribery, harassment or unjusti-  
12 fied annoyance or embarrassment to any person, and the nature, severity  
13 and likelihood of that risk; a risk of an adverse effect upon the legit-  
14 imate needs of law enforcement, including the protection of the confi-  
15 dentiality of informants, and the nature, severity and likelihood of  
16 that risk; the nature and circumstances of the factual allegations in  
17 the case; whether the defendant has a history of witness intimidation or  
18 tampering and the nature of that history; the nature of the stated  
19 reasons in support of a protective order; the nature of the witness  
20 identifying information that is sought to be addressed by a protective  
21 order, including the option of employing adequate alternative contact  
22 information; danger to any person stemming from factors such as a  
23 defendant's substantiated affiliation with a criminal enterprise as  
24 defined in subdivision three of section 460.10 of the penal law; and  
25 other similar factors found to outweigh the usefulness of the discovery.

26     5. Successor counsel or pro se defendant. In cases in which the attor-  
27 ney-client relationship is terminated prior to trial for any reason,  
28 any material or information disclosed subject to a condition that it be  
29 available only to counsel for the defendant, or limited in dissemination  
30 by protective order or otherwise, shall be provided only to successor  
31 counsel for the defendant under the same condition or conditions or be  
32 returned to the prosecution, unless the court rules otherwise for good  
33 cause shown or the prosecutor gives written consent. Any work product  
34 derived from such material or information shall not be provided to the  
35 defendant, unless the court rules otherwise or the prosecutor gives  
36 written consent. If the defendant is acting as his or her own attorney,  
37 the court may regulate the time, place and manner of access to any  
38 discoverable material or information; and it may as appropriate appoint  
39 persons to assist the defendant in the investigation or preparation of  
40 the case. Upon motion or application of a defendant acting as his or her  
41 own attorney, the court may at any time modify or vacate any condition  
42 or restriction relating to access to discoverable material or informa-  
43 tion, for good cause shown.

44     6. Expedited review of adverse ruling. (a) A party that has unsucces-  
45 fully sought, or unsuccessfully opposed the granting of, a protective  
46 order under this section relating to the name, address, contact informa-  
47 tion or statements of a person may obtain expedited review of that  
48 ruling by an individual justice of the intermediate appellate court to  
49 which an appeal from a judgment of conviction in the case would be  
50 taken.

51     (b) Such review shall be sought within two business days of the  
52 adverse or partially adverse ruling, by order to show cause filed with  
53 the intermediate appellate court. The order to show cause shall in addi-  
54 tion be timely served on the lower court and on the opposing party, and  
55 shall be accompanied by a sworn affirmation stating in good faith (i)  
56 that the ruling affects substantial interests, and (ii) that diligent

1 efforts to reach an accommodation of the underlying discovery dispute  
2 with opposing counsel failed or that no accommodation was feasible;  
3 except that service on the opposing party, and a statement regarding  
4 efforts to reach an accommodation, are unnecessary where the opposing  
5 party was not made aware of the application for a protective order and  
6 good cause is shown for omitting service of the order to show cause on  
7 the opposing party. The lower court's order subject to review shall be  
8 stayed until the appellate justice renders a determination.

9 (c) The assignment of the individual appellate justice, and the mode  
10 of and procedure for the review, shall be determined by rules of the  
11 individual appellate courts. The appellate justice may consider any  
12 relevant and reliable information bearing on the issue, and may dispense  
13 with written briefs other than supporting and opposing materials previ-  
14 ously submitted to the lower court. The appellate justice may dispense  
15 with the issuance of a written opinion in rendering his or her decision,  
16 and when practicable shall render decision and order expeditiously. Such  
17 review, decision and order shall not affect the right of a defendant, in  
18 a subsequent appeal from a judgment of conviction, to claim as error the  
19 ruling reviewed.

20 7. Compliance with protective order. Any protective order issued under  
21 this article is a mandate of the court for purposes of the offense of  
22 criminal contempt in subdivision three of section 215.50 of the penal  
23 law.

24 § 245.75 Waiver of discovery by defendant.

25 A defendant who does not seek discovery from the prosecution under  
26 this article shall so notify the prosecution and the court at the  
27 defendant's arraignment on an indictment, superior court information,  
28 prosecutor's information, information, or simplified information, or  
29 expeditiously thereafter but before receiving discovery from the prose-  
30 cution pursuant to subdivision one of section 245.20 of this article,  
31 and the defendant need not provide discovery to the prosecution pursuant  
32 to subdivision four of section 245.20 and section 245.60 of this arti-  
33 cle. A waiver shall be in writing, signed for the individual case by  
34 counsel for the defendant and filed with the court. Such a waiver does  
35 not alter or in any way affect the procedures, obligations or rights set  
36 forth in sections 250.10, 250.20 and 250.30 of this title, or otherwise  
37 established or required by law. The prosecution may not condition a  
38 guilty plea offer on the defense's execution of a waiver under this  
39 section.

40 § 245.80 Remedies or sanctions for non-compliance.

41 1. Need for remedy or sanction. (a) When material or information is  
42 discoverable under this article but is disclosed belatedly, the court  
43 shall impose an appropriate remedy or sanction if the party entitled to  
44 disclosure shows that it was prejudiced. Regardless of a showing of  
45 prejudice the party entitled to disclosure shall be given reasonable  
46 time to prepare and respond to the new material.

47 (b) When material or information is discoverable under this article  
48 but cannot be disclosed because it has been lost or destroyed, the court  
49 shall impose an appropriate remedy or sanction if the party entitled to  
50 disclosure shows that the lost or destroyed material may have contained  
51 some information relevant to a contested issue. The appropriate remedy  
52 or sanction is that which is proportionate to the potential ways in  
53 which the lost or destroyed material reasonably could have been helpful  
54 to the party entitled to disclosure.

55 2. Available remedies or sanctions. For failure to comply with any  
56 discovery order imposed or issued pursuant to this article, the court

1 may make a further order for discovery, grant a continuance, order that  
2 a hearing be reopened, order that a witness be called or recalled,  
3 instruct the jury that it may draw an adverse inference regarding the  
4 non-compliance, preclude or strike a witness's testimony or a portion of  
5 a witness's testimony, admit or exclude evidence, order a mistrial,  
6 order the dismissal of all or some of the charges, or make such other  
7 order as it deems just under the circumstances; except that any sanction  
8 against the defendant shall comport with the defendant's constitutional  
9 right to present a defense, and precluding a defense witness from  
10 testifying shall be permissible only upon a finding that the defendant's  
11 failure to comply with the discovery obligation or order was willful  
12 and motivated by a desire to obtain a tactical advantage.

13 3. Consequences of non-disclosure of statement of testifying prose-  
14 cution witness. The failure of the prosecutor or any agent of the prose-  
15 cutor to disclose any written or recorded statement made by a prose-  
16 cution witness which relates to the subject matter of the witness's  
17 testimony shall not constitute grounds for any court to order a new  
18 pre-trial hearing or set aside a conviction, or reverse, modify or  
19 vacate a judgment of conviction, in the absence of a showing by the  
20 defendant that there is a reasonable possibility that the non-disclosure  
21 materially contributed to the result of the trial or other proceeding;  
22 provided, however, that nothing in this section shall affect or limit  
23 any right the defendant may have to a reopened pre-trial hearing when  
24 such statements were disclosed before the close of evidence at trial.

25 § 245.85 Admissibility of discovery.

26 The fact that a party has indicated during the discovery process an  
27 intention to offer specified evidence or to call a specified witness is  
28 not admissible in evidence or grounds for adverse comment at a hearing  
29 or a trial.

30 § 3. Subdivision 3 of section 610.20 of the criminal procedure law is  
31 amended and a new subdivision 4 is added to read as follows:

32 3. An attorney for a defendant in a criminal action or proceeding, as  
33 an officer of a criminal court, may issue a subpoena of such court,  
34 subscribed by himself, for the attendance in such court of any witness  
35 whom the defendant is entitled to call in such action or proceeding. An  
36 attorney for a defendant may not issue a subpoena duces tecum of the  
37 court directed to any department, bureau or agency of the state or of a  
38 political subdivision thereof, or to any officer or representative ther-  
39 eof, unless the subpoena is indorsed by the court and provides at least  
40 three days for the production of the requested materials. In the case of  
41 an emergency, the court may by order dispense with the three-day  
42 production period. [~~Such a subpoena duces tecum may be issued in behalf~~  
43 ~~of a defendant upon order of a court pursuant to the rules applicable to~~

31 [~~orders~~] remedies or sanctions specified in subdivision one of section  
32 [~~240.70~~] 245.80 of this part.

33 § 10. The opening paragraph of paragraph (b) of subdivision 1 of

36 In conjunction with the filing or consideration of a motion to vacate  
37 a judgment pursuant to section 440.10 of this article by a defendant  
38 convicted after a trial, in cases where the court has ordered an eviden-  
39 tiary hearing upon such motion, the court may order that the people  
40 produce or make available for inspection property[~~, as defined in subdi-~~  
41 ~~vision three of section 240.10 of this part,~~] in its possession, custo-  
42 dy, or control that was secured in connection with the investigation or  
43 prosecution of the defendant upon credible allegations by the defendant  
44 and a finding by the court that such property, if obtained, would be  
45 probative to the determination of defendant's actual innocence, and that  
46 the request is reasonable. The court shall deny or limit such a request  
47 upon a finding that such a request, if granted, would threaten the  
48 integrity or chain of custody of property or the integrity of the proc-  
49 esses or functions of a laboratory conducting DNA testing, pose a risk  
50 of harm, intimidation, embarrassment, reprisal, or other substantially  
51 negative consequences to any person, undermine the proper functions of  
52 law enforcement including the confidentiality of informants, or on the  
53 basis of any other factor identified by the court in the interests of  
54 justice or public safety. The court shall further ensure that any prop-  
55 erty produced pursuant to this paragraph is subject to a protective

1 order, where appropriate. The court shall deny any request made pursuant  
2 to this paragraph where:

3 § 11. Subdivision 10 of section 450.10 of the penal law, as added by  
4 chapter 795 of the laws of 1984, is amended to read as follows:

5 10. Where there has been a failure to comply with the provisions of  
6 this section, and where the district attorney does not demonstrate to  
7 the satisfaction of the court that such failure has not caused the  
8 defendant prejudice, the court shall instruct the jury that it may  
9 consider such failure in determining the weight to be given such  
10 evidence and may also impose any other sanction set forth in subdivision  
11 one of section [~~240.70~~] 245.80 of the criminal procedure law; provided,  
12 however, that unless the defendant has convinced the court that such  
13 failure has caused him undue prejudice, the court shall not preclude the  
14 district attorney from introducing into evidence the property, photo-  
15 graphs, photocopies, or other reproductions of the property or, where  
16 appropriate, testimony concerning its value and condition, where such  
17 evidence is otherwise properly authenticated and admissible under the  
18 rules of evidence. Failure to comply with any one or more of the  
19 provisions of this section shall not for that reason alone be grounds  
20 for dismissal of the accusatory instrument.

21 § 12. Section 460.80 of the penal law, as added by chapter 516 of the  
22 laws of 1986, is amended to read as follows:

23 § 460.80 Court ordered disclosure.

24 Notwithstanding the provisions of article two hundred [~~forty~~] forty-  
25 five of the criminal procedure law, when forfeiture is sought pursuant  
26 to section 460.30 of this [~~chapter~~] article, the court may order discov-  
27 ery of any property not otherwise disclosed which is material and  
28 reasonably necessary for preparation by the defendant with respect to  
29 the forfeiture proceeding pursuant to such section. The court may issue  
30 a protective order denying, limiting, conditioning, delaying or regulat-  
31 ing such discovery where a danger to the integrity of physical evidence  
32 or a substantial risk of physical harm, intimidation, economic reprisal,  
33 bribery or unjustified annoyance or embarrassment to any person or an  
34 adverse effect upon the legitimate needs of law enforcement, including  
35 the protection of the confidentiality of informants, or any other factor  
36 or set of factors outweighs the usefulness of the discovery.

37 § 13. Subdivision 5 of section 480.10 of the penal law, as added by  
38 chapter 655 of the laws of 1990, is amended to read as follows:

39 5. In addition to information required to be disclosed pursuant to  
40 article two hundred [~~forty~~] forty-five of the criminal procedure law,  
41 when forfeiture is sought pursuant to this article, and following the  
42 defendant's arraignment on the special forfeiture information, the court  
43 shall order discovery of any information not otherwise disclosed which  
44 is material and reasonably necessary for preparation by the defendant  
45 with respect to a forfeiture proceeding brought pursuant to this arti-  
46 cle. Such material shall include those portions of the grand jury  
47 minutes and such other information which pertain solely to the special  
48 forfeiture information and shall not include information which pertains  
49 to the criminal charges. Upon application of the prosecutor, the court  
50 may issue a protective order pursuant to section [~~240.40~~] 245.70 of the  
51 criminal procedure law with respect to any information required to be  
52 disclosed pursuant to this subdivision.

53 § 14. This act shall take effect January 1, 2020; provided, however,  
54 the amendments to section 65.20 of the criminal procedure law made by  
55 section four of this act shall not affect the repeal of such section and  
56 shall be deemed repealed therewith.

3 of the penal law, as added by section 2 of part 00 of a chapter of the

8 (d) Any sentence for a misdemeanor conviction imposed prior to the  
9 effective date of this subdivision that is other than a definite  
10 sentence of imprisonment of one year may be set aside, upon motion of

12 on a showing that the judgment and sentence under the law in effect at  
13 the time of conviction imposed prior to the effective date of this  
14 subdivision is likely to result in [severe] collateral consequences, in  
15 order to permit the court to resentence the defendant in accordance with

32 offense was not knowing, voluntary and intelligent, based on [severe or]  
33 ongoing collateral consequences, including potential or actual immi-  
34 gration consequences, and there shall be a rebuttable presumption that a  
35 conviction by verdict constitutes cruel and unusual punishment under  
36 section five of article one of the state constitution based on such  
37 consequences.

38 § 3. This act shall take effect on the same date and in the same  
39 manner as part 00 of a chapter of the laws of 2019 amending the penal  
40 law and the criminal procedure law relating to reducing certain  
41 sentences of imprisonment for misdemeanors to three hundred sixty-four  
42 days, as proposed in legislative bill numbers S.1505-C and A.2005-C,  
43 takes effect.

#### PART 000

Section 1. Subdivision (a) of section 1402 of the tax law, as amended by chapter 170 of the laws of 1994, is amended to read as follows:

(a) A tax is hereby imposed on each conveyance of real property or interest therein when the consideration exceeds five hundred dollars, at the rate of two dollars for each five hundred dollars or fractional part thereof; provided, however, that with respect to (A) a conveyance of a one, two or three-family house and an individual residential condominium unit, or interests therein; and (B) conveyances where the consideration is less than five hundred thousand dollars, the consideration for the interest conveyed shall exclude the value of any lien or encumbrance remaining thereon at the time of conveyance. The rate of this tax shall be: (1) two dollars for each five hundred dollars or fractional part thereof on all conveyances of real property or interest therein; plus (2) an additional one dollar and twenty-five cents for each five hundred dollars or fractional part thereof of consideration on each conveyance of real property or interest therein within any city in this state having a population of one million or more (i) when the consideration for the entire conveyance of residential real property is three million dollars or more, and (ii) when the consideration for the entire conveyance of any other property is two million dollars or more. For purposes of this section, residential real property shall include any premises that is or may be used in whole or in part as a personal residence, and shall include a one, two, or three-family house, an individual condominium unit, or a cooperative apartment unit.

§ 2. Subdivision (b) of section 1402-a of the tax law, as added by chapter 61 of the laws of 1989, is amended to read as follows:

(b) Notwithstanding the provisions of subdivision (a) of section fourteen hundred four of this article, the additional tax imposed by this section shall be paid by the grantee. If the grantee has failed to pay the tax imposed by this article at the time required by section fourteen hundred ten of this article or if the grantee is exempt from such tax, the grantor shall have the duty to pay the tax. Where the grantor has the duty to pay the tax because the grantee has failed to pay, such tax shall be the joint and several liability of the grantor and the grantee.

§ 3. The tax law is amended by adding a new section 1402-b to read as follows:

§ 1402-b. Supplemental tax in cities having a population of one million or more. (a) In addition to the taxes imposed by sections fourteen hundred two and fourteen hundred two-a of this article, a tax is hereby imposed on each conveyance of residential real property or interest therein within any city in this state having a population of one million or more when the consideration for the conveyance is two million dollars or more. For purposes of this section, residential real property shall include any premises that is or may be used in whole or in part as a personal residence, and shall include a one, two, or three-family house, an individual condominium unit, or a cooperative apartment unit. Such tax shall be paid at the same time and in the same manner as the taxes imposed by sections fourteen hundred two and fourteen hundred two-a of this article.

The rate of such tax shall be:

(1) one-quarter of one percent of the consideration or part thereof attributable to the residential real property when such consideration for the entire conveyance is at least two million dollars but less than three million dollars;

(2) one-half of one percent of the consideration or part thereof attributable to the residential real property when such consideration for the entire conveyance is at least three million dollars but less than five million dollars;

(3) one and one-quarter percent of the consideration or part thereof attributable to the residential real property when such consideration for the entire conveyance is at least five million dollars but less than ten million dollars;

(7) two and nine-tenths percent of the consideration or part thereof attributable to the residential real property when such consideration for the entire conveyance is at least twenty-five million dollars.

(b) Notwithstanding the provisions of subdivision (a) of section fourteen hundred four of this article, the tax imposed by this section shall be paid by the grantee. If the grantee has failed to pay the tax imposed by this article at the time required by section fourteen hundred ten of this article or if the grantee is exempt from such tax, the grantor

1 shall have the duty to pay the tax. Where the grantor has the duty to  
2 pay the tax because the grantee has failed to pay, such tax shall be the  
3 joint and several liability of the grantor and the grantee.

4 (c) Except as otherwise provided in this section, all the provisions  
5 of this article relating to or applicable to the administration,  
6 collection, determination and distribution of the tax imposed by section  
7 fourteen hundred two of this article shall apply to the tax imposed  
8 under the authority of this section with such modifications as may be  
9 necessary to adapt such language to the tax so authorized. Such  
10 provisions shall apply with the same force and effect as if those  
11 provisions had been set forth in this section except to the extent that  
12 any provision is either inconsistent with a provision of this section or  
13 not relevant to the tax authorized by this section.

14 § 4. Section 1421 of the tax law, as amended by chapter 99 of the laws  
15 of 2010, is amended to read as follows:

16 § 1421. Deposit and dispositions of revenues. (a) From the taxes,  
17 interest and penalties attributable to the tax imposed pursuant to  
18 section fourteen hundred two of this article, the amount of one hundred  
19 ninety-nine million three hundred thousand dollars shall be deposited by  
20 the comptroller in the environmental protection fund established pursu-  
21 ant to section ninety-two-s of the state finance law for the fiscal year  
22 beginning April first, two thousand nine; the amount of one hundred  
23 nineteen million one hundred thousand dollars shall be deposited in such  
24 fund for the fiscal year beginning April first, two thousand ten; and  
25 for each fiscal year thereafter. On or before June twelfth, nineteen  
26 hundred ninety-five and on or before the twelfth day of each month ther-  
27 eafter (excepting the first and second months of each fiscal year), the  
28 comptroller shall deposit into such fund from the taxes, interest and  
29 penalties collected pursuant to such section fourteen hundred two of  
30 this article which have been deposited and remain to the comptroller's  
31 credit in the banks, banking houses or trust companies referred to in  
32 section one hundred seventy-one-a of this chapter at the close of busi-  
33 ness on the last day of the preceding month, an amount equal to one-  
34 tenth of the annual amount required to be deposited in such fund pursu-  
35 ant to this section for the fiscal year in which such deposit is  
36 required to be made. In the event such amount of taxes, interest and  
37 penalties so remaining to the comptroller's credit is less than the  
38 amount required to be deposited in such fund by the comptroller, an  
39 amount equal to the shortfall shall be deposited in such fund by the  
40 comptroller with subsequent deposits, as soon as the revenue is avail-  
41 able. Beginning April first, nineteen hundred ninety-seven, the comp-  
42 troller shall transfer monthly to the clean water/clean air fund estab-  
43 lished pursuant to section ninety-seven-bbb of the state finance law,  
44 all moneys remaining from such taxes, interest and penalties collected  
45 that are not required for deposit in the environmental protection fund.

46 (b) Notwithstanding subdivision (a) of this section, the taxes, inter-  
47 est and penalties attributable to (i) the tax imposed under section  
48 fourteen hundred two of this article at the rate specified in paragraph  
49 two of subdivision (a) of such section, and (ii) the tax imposed under  
50 section fourteen hundred two-b of this article, and collected or  
51 received by the commissioner shall be deposited daily with such respon-  
52 sible banks, banking houses or trust companies, as may be designated by  
53 the comptroller, to the credit of the comptroller in trust for the  
54 metropolitan transportation authority. An account may be established in  
55 one or more of such depositories. Such deposits will be kept separate  
56 and apart from all other money in the possession of the comptroller. The

comptroller shall require adequate security from all such depositories. Of the total revenue collected or received under this article, the comptroller shall retain such amount as the commissioner may determine to be necessary for refunds under this article. On or before the twelfth and twenty-sixth day of each succeeding month, after reserving such amount for such refunds, the commissioner shall certify to the comptroller the amount of all revenues so received during the prior month as a result of the taxes, interest and penalties so imposed. The amount of revenues so certified shall be paid over by the fifteenth and the final business day of each succeeding month from such account without appropriation into the central business district tolling capital lockbox fund established pursuant to section five hundred fifty-three-j of the public authorities law, provided, however, that the comptroller shall ensure that any payments to the central business district tolling capital lockbox fund established that are due to be paid by the final business day in the month of December pursuant to this subdivision shall be received by the central business district tolling capital lockbox fund on the same business day in which it is paid.

§ 5. This act shall take effect July 1, 2019, and shall apply to conveyances occurring on or after such date other than conveyances which are made pursuant to binding written contracts entered into on or before April 1, 2019, provided that the date of execution of such contract is confirmed by independent evidence, such as the recording of the contract, payment of a deposit or other facts and circumstances as determined by the commissioner of taxation and finance.

5 of priority based upon the date of filing an application for allocation  
6 of film production credit with such office. If the total amount of allo-  
7 cated credits applied for under this paragraph in any year exceeds the  
8 aggregate amount of tax credits allowed for such year under this para-  
9 graph, such excess shall be treated as having been applied for on the  
10 first day of the next year. If the total amount of allocated tax credits  
11 applied for under this paragraph at the conclusion of any year is less  
12 than five million dollars, the remainder shall be treated as part of the  
13 annual allocation made available to the program pursuant to paragraph  
14 four of subdivision (e) of this section. However, in no event may the  
15 total of the credits allocated under this paragraph and the credits  
16 allocated under paragraph five of subdivision (a) of section thirty-one  
17 of this article exceed five million dollars in any year during the peri-

28 of this article in two thousand thirteen and two thousand fourteen and  
29 twenty-five million dollars of the annual allocation shall be available  
30 for the empire state film post production credit pursuant to section  
31 thirty-one of this article in each year starting in two thousand fifteen

33 allocated by the governor's office for motion picture and television  
34 development among taxpayers in accordance with subdivision (a) of this  
35 section. If the commissioner of economic development determines that the  
36 aggregate amount of tax credits available from additional pool 2 for the  
37 empire state film production tax credit have been previously allocated,  
38 and determines that the pending applications from eligible applicants  
39 for the empire state film post production tax credit pursuant to section  
40 thirty-one of this article is insufficient to utilize the balance of  
41 unallocated empire state film post production tax credits from such  
42 pool, the remainder, after such pending applications are considered,  
43 shall be made available for allocation in the empire state film tax  
44 credit pursuant to this section, subdivision twenty of section two

47 that the aggregate amount of tax credits available from additional pool  
48 2 for the empire state film post production tax credit have been previ-  
49 ously allocated, and determines that the pending applications from  
50 eligible applicants for the empire state film production tax credit  
51 pursuant to this section is insufficient to utilize the balance of unal-  
52 located film production tax credits from such pool, then all or part of  
53 the remainder, after such pending applications are considered, shall be  
54 made available for allocation for the empire state film post production  
55 credit pursuant to this section, subdivision thirty-two of section two  
56 hundred ten-B and subsection (qq) of section six hundred six of this

chapter. The governor's office for motion picture and television development must notify taxpayers of their allocation year and include the allocation year on the certificate of tax credit. Taxpayers eligible to claim a credit must report the allocation year directly on their empire state film production credit tax form for each year a credit is claimed and include a copy of the certificate with their tax return. In the case of a qualified film that receives funds from additional pool 2, no empire state film production credit shall be claimed before the later of the taxable year the production of the qualified film is complete, or the taxable year immediately following the allocation year for which the film has been allocated credit by the governor's office for motion picture and television development.

§ 3. Paragraph 6 of subdivision (a) of section 31 of the tax law, as amended by section 3 of part M of chapter 59 of the laws of 2017, is amended to read as follows:

(6) For the period two thousand fifteen through two thousand ~~[twenty-two]~~ twenty-four, in addition to the amount of credit established in paragraph two of this subdivision ~~[(a) of this section]~~, a taxpayer shall be allowed a credit equal to the product (or pro rata share of the product, in the case of a member of a partnership) of ten percent and the amount of wages or salaries paid to individuals directly employed (excluding those employed as writers, directors, music directors, producers and performers, including background actors with no scripted lines) for services performed by those individuals in one of the counties specified in this paragraph in connection with the post production work on a qualified film with a minimum budget of five hundred thousand dollars at a qualified post production facility in one of the counties listed in this paragraph. The aggregate amount of tax credits allowed pursuant to the authority of this paragraph shall be five million dollars each year during the period two thousand fifteen through two thousand ~~[twenty-two]~~ twenty-four of the annual allocation made available to the empire state film post production credit pursuant to paragraph four of subdivision (e) of section twenty-four of this article. Such aggregate amount of credits shall be allocated by the governor's office for motion picture and television development among taxpayers in order of priority based upon the date of filing an application for allocation of post production credit with such office. If the total amount of allocated credits applied for under this paragraph in any year exceeds the aggregate amount of tax credits allowed for such year under this paragraph, such excess shall be treated as having been applied for on the first day of the next year. If the total amount of allocated tax credits applied for under this paragraph at the conclusion of any year is less than five million dollars, the remainder shall be treated as part of the annual allocation for two thousand seventeen made available to the empire state film post production credit pursuant to paragraph four of subdivision (e) of section twenty-four of this article. The commission shall make its recommendations in furtherance of the goals of incentivizing candidates to solicit small contributions, reducing the pressure on candidates to spend inordinate amounts of time raising large contributions for their campaigns, and encouraging qualified candidates to run for office. The commission shall also review and recommend changes to certain aspects of the state election law as detailed herein. The commission's report is due by December 1, 2019 and shall have the full effect of law unless modified or abrogated by statute prior to December 22, 2019.

10 act shall have the force of law, and shall supersede, where appropriate,  
11 inconsistent provisions of the election law, unless modified or abrogat-  
12 ed by statute prior to December 22, 2019.

#### SUBPART A

Section 1. The vehicle and traffic law is amended by adding a new article 44-C to read as follows:

##### ARTICLE 44-C

##### CENTRAL BUSINESS DISTRICT TOLLING PROGRAM

##### Section 1701. Legislative findings and declaration.

##### 1702. Short title.

##### 1703. Definitions.

##### 1704. Establishment of central business district tolling program.

##### 1704-a. Central business district toll.

##### 1705. Disposition of revenue and penalties.

##### 1706. Reporting.

§ 1701. Legislative findings and declaration. The ongoing failures of the tracks, signals, switches, electrical power, and other transportation infrastructure throughout the subway system in the city of New York continue to have a significant deleterious impact on the health, safety, and livelihood of commuters, tourists, resident New Yorkers, as well as business and commerce in the metropolitan commuter transportation district, which is the recognized economic engine of the state of New York, and thereby have adversely affected the economy of the state of New York. Temporary actions have been taken to address the safety of subway, bus and commuter rail riders in the short term including an emergency declaration and increased capital funding for the subways in the most recently adopted state budget. The legislature, however, determines that a long-term and sustainable solution is necessary in order to ensure stable and reliable funding to repair and revitalize this significantly important mass transit asset.

The legislature further finds and declares that traffic congestion in the city of New York ranks second worst among cities in the United States and third worst among cities in the world, and results in significant cost to the New York metropolitan area economy and in turn the state's economy at estimates exceeding one hundred billion dollars over the next five years. Travel speeds in the city of New York's central business district have dropped more than seventeen percent in two thousand sixteen to an average of 6.8 miles per hour and in Midtown Manhattan, the most congested area of the city-the area from fifty-ninth street to thirty-fifth street and from ninth avenue to the east river-the average vehicular speed is 4.7 miles per hour. Congestion in these areas is crippling and impacts the everyday lives of residents, commuters, taxi and for-hire vehicle traffic, bus transit and emergency services, and is a significant contributor to decreased air quality.

These issues have been recognized by both the Fix NYC Advisory Panel and the Metropolitan Transportation Sustainability Advisory Workgroup as significant impediments to everyday New Yorkers.

1 In order to ensure a safe and efficient mass transit system within the  
2 city of New York and to protect the public health and safety of New  
3 York's residents, a program to establish tolls for vehicles entering or  
4 remaining in the most congested area of the state is found to be neces-  
5 sary and to be a matter of substantial state concern.

6 § 1702. Short title. This act shall be known as and may be cited as  
7 "the traffic mobility act".

8 § 1703. Definitions. For the purposes of this article, unless the

Such recommendation shall be submitted to the board of the Triborough bridge and tunnel authority for consideration before the Triborough bridge and tunnel authority board may approve central business district toll amounts that may be established and adopted.

3. For purposes of recommending a central business district toll or tolls in addition to the goal of reducing traffic within the central business district, the board shall, at minimum, ensure that annual revenues and fees collected under such program, less costs of such program, provide for revenues into the central business district tolling capital lockbox fund, established pursuant to section five hundred fifty-three-j of this chapter, necessary to fund fifteen billion dollars for capital projects for the 2020 to 2024 capital program, and any additional revenues above that amount to be available for any successor program. The board shall produce a detailed report that provides information regarding the board's review and analysis for purposes of establishing its recommendations, including but not limited to, all of the considerations referred to in this subdivision. The board shall not recommend a toll that provides for charging passenger vehicles registered pursuant to subdivision six of section four hundred one of the vehicle and traffic law more than once per day.

10 of the central business district tolling program going into effect, and  
11 shall be provided to the temporary president of the senate, the speaker  
12 of the assembly and the Governor.

13 § 10. The Triborough bridge and tunnel authority and the city depart-  
14 ment of transportation shall complete a traffic study that includes the  
15 central business district established pursuant to article 44-C of the  
16 vehicle and traffic law, and areas surrounding such district, that shall  
17 be provided to the traffic mobility review board for purposes of allow-  
18 ing such board to make recommendations consistent with section 553-k of  
19 the public authorities law.

20 § 11. The Triborough bridge and tunnel authority shall engage in a  
21 public information campaign a minimum of 60 days before the tolling

23 understanding of the operation and tolling process of the central busi-  
24 ness district tolling program.

25 § 12. Section 566-a of the public authorities law, as added by chapter

45 tolls and other revenues pledged to pay or secure the payment of such  
46 bonds, shall at all times be free from taxation except for estate taxes  
47 and taxes on transfers by or in contemplation of death.

48 2. Nothing herein shall be construed to repeal or supersede any tax  
49 exemptions heretofore or hereafter granted by general or other laws.

50 § 13. Severability clause. If any clause, sentence, paragraph, subdi-  
51 vision, section or part of this act shall be adjudged by a court of

34 the authority, serving on behalf of the authority and any affected  
35 subsidiary or affiliate or their subsidiary, adopted by not less than a  
36 majority vote of the whole number of members of the authority then in

44 in this section shall be construed to impede, infringe or diminish the

18 such method. The determination for such waiver shall be made in writing

38 deemed to have been approved. Upon the receipt of a written disapproval,  
39 the authority shall be provided an opportunity to respond in writing  
40 within ten days of the receipt of such disapproval. Upon the receipt of  
41 such response, the disapproving member shall have ten days to reconsider  
42 and withdraw such written disapproval.

43 If the plan is not approved, the authority may thereafter reformulate

2 section one hundred fifty-five of the vehicle and traffic law, committed  
3 on the sites owned, operated and maintained by the triborough bridge and  
4 tunnel authority, such informations to be administered pursuant to the  
5 provisions of title A of chapter forty of the administrative code of the  
6 city of New York or article two-A of the vehicle and traffic law, as  
7 applicable and also shall have the power to issue notices of violation  
8 for transit infractions committed in and about any or all of the facili-  
9 ties, equipment or real property owned, occupied or operated by the  
10 metropolitan transportation authority or its subsidiaries and the New  
11 York city transit authority and its subsidiaries, as provided and in  
12 accordance with section twelve hundred nine-a of this chapter. Nothing  
13 set forth in this subdivision shall be construed to impede, infringe or  
14 diminish the rights and benefits that accrue to employees and employers  
15 through collective bargaining agreements, or impact or change an employ-  
16 ee's membership in a bargaining unit.

17 § 8. The public authorities law is amended by adding a new section  
18 1279-h to read as follows:

19 § 1279-h. Debarment. The authority shall establish, pursuant to regu-

21 prohibits such contractors from bidding on future contracts, after a  
22 debarment determination by such authority, for a period of five years  
23 from such determination. Such regulations must ensure notice and an  
24 opportunity to be heard before such debarment determination and provide  
25 as a defense acts such as force majeure. Such regulations shall only  
26 provide for a debarment in situations involving a contractor's failure  
27 to substantially complete the work within the time frame set forth in  
28 the contract, or in any subsequent change order, by more than ten  
29 percent of the contract term; or where a contractor's disputed work  
30 exceeds ten percent or more of the total contract cost where claimed  
31 costs are deemed to be invalid pursuant by the contractual dispute  
32 resolution process.

33 § 9. Paragraph (b) of subdivision 1 of section 1263 of the public  
34 authorities law, as amended by chapter 727 of the laws of 1979, is  
35 amended to read as follows:

36 (b) Vacancies occurring otherwise than by expiration of term shall be  
37 filled in the same manner as original appointments for the balance of  
38 the unexpired term, provided, however, that in the event of a vacancy  
39 caused by the death, resignation, removal, or disability of the chair-  
40 man, the vacancy shall be filled by the governor by and with the advice  
41 and consent of the senate for the unexpired term. Notwithstanding any  
42 other provision of law to the contrary, the governor shall designate an  
43 acting chairman for a period not to exceed six months or until a succes-  
44 sor chairman has been confirmed by the senate, whichever comes first.  
45 Upon the expiration of the six-month term, if the governor has nominated  
46 a successor chairman, but the senate has not acted upon the nomination,  
47 the acting chair can continue to serve as acting chair for an additional  
48 ninety days or until the governor's successor chair nomination is  
49 confirmed by the senate, whichever comes first.

50 § 10. The public authorities law is amended by adding a new section  
51 1279-l to read as follows:

52 § 1279-l. Right to share employees. 1. It is hereby found and declared  
53 to be necessary and proper to authorize the authority, its subsidiaries,  
54 affiliates, and subsidiaries of affiliates, powers to effectuate and  
55 ensure such entities continued financial viability, which is at issue  
56 given sizable operating deficits and significant capital needs. Allowing

wholesale internal management reforms will create savings, combat entrenched bureaucracies, create streamlined, uniform, and efficient services, ensure public accountability and reestablish public trust. In order to facilitate these necessary goals it is both reasonable and a legitimate public purpose to provide systematic authority for the sharing of employees within and between the respective entities.

2. Notwithstanding any provision of law to the contrary, the authority, its subsidiaries, affiliates, and subsidiaries of affiliates shall each have the right to share employees within and between such entities and to assign such employees to perform any operation or function subject only to a determination that they are substantially similar to any operation or function currently performed. Substantially similar operation or function shall be determined exclusively by the authority.

3. Nothing set forth in this subdivision shall be construed to impede, infringe or diminish the rights and benefits that accrue to employees and employers through collective bargaining agreements, or impact or change an employee's membership in a bargaining unit.

§ 11. The metropolitan transportation authority shall, in consultation with the governor, the mayor of the city of New York, and the district attorneys from the respective boroughs, establish a plan to combat fare evasion. Such plan shall include enforcement strategies, station design modifications, recommended sanctions, and other actions as deemed necessary and proper. Such plan shall be completed no later than the thirtieth of June two thousand nineteen.

§ 12. For purposes of an independent review of the project commonly referred to as "East Side Access", the metropolitan transportation authority shall establish an outside expert advisory group to review such project and make recommendations to accelerate its completion. Such outside experts shall include members of the outside independent review team established to review the project commonly referred to as the "L-train project". Such review shall be completed as soon as practicable for consideration by the metropolitan transportation authority board.

§ 13. The 2020-2024 Metropolitan Transportation Authority capital plan shall include an amount set-aside for transportation capital improvements for the subway system, bus system and commuter railroads, including, but not limited to, investments in the subway system, new signaling, new subway cars, rolling stock, track and car repair, accessibility, buses and bus system improvements, parking facilities and further investments in expanding transit availability to areas in the outer boroughs and suburbs that have limited mass transit options subject to a Memorandum of Understanding entered into by the Secretary of the Senate Finance Committee, the Secretary of the Assembly Committee on Ways and Means, and the Director of the Budget. Such Memorandum of Understanding shall be entered into not more than ninety days after approval of the 2020-2024 Metropolitan Transportation Authority capital plan by the Metropolitan Transportation Authority Capital Program Review Board, established pursuant to section twelve hundred sixty-nine-a of the public authorities law.

§ 14. This act shall take effect immediately.

§ 2. Section 1209 of the public authorities law is amended by adding a new subdivision 15 to read as follows:

15. (a) Whenever the comptroller pursuant to section twenty-eight hundred seventy-nine-a of this chapter intends to require supervision in the form of prior review and approval of a contract or contract amendment to be awarded by the authority pursuant to this section, then such contract or contract amendment shall be submitted to the comptroller by the authority for approval and shall not be a valid enforceable contract unless it shall first have been approved by the comptroller but only if the comptroller has notified the authority of such determination within

28 troller, it shall become valid and enforceable without such approval if  
29 the comptroller has not approved or disapproved it within thirty days of  
30 submission to the comptroller.

31 § 3. Paragraphs (a) and (b) of subdivision 7 of section 1209 of the

55 maintenance, operation and salvage or disposal.

(b) Section twenty-eight hundred seventy-nine of this chapter shall apply to the authority's acquisition of goods or services of any kind, in the actual or estimated amount of fifteen thousand dollars or more, provided that (i) a contract for services in the actual or estimated amount of ~~[less than one hundred thousand]~~ one million dollars or less shall not require approval by the board of the authority regardless of the length of the period over which the services are rendered, and provided further that a contract for services in the actual or estimated amount ~~[of one hundred thousand]~~ in excess of one million dollars ~~[or more]~~ shall require approval by the board of the authority regardless of the length of the period over which the services are rendered unless such a contract is awarded to the lowest responsible bidder after obtaining sealed bids and (ii) the board of the authority may by resolution adopt guidelines that authorize the award of contracts to small business concerns, to service disabled veteran owned businesses certified pursuant to article seventeen-B of the executive law, or minority or women-owned business enterprises certified pursuant to article fifteen-A of the executive law, or purchases of goods or technology that are recycled or remanufactured, in an amount not to exceed ~~[four hundred thousand]~~ one million dollars without a formal competitive process and without further board approval. 17 sion, section or part of this act shall be adjudged by a court of compe-  
18 tent jurisdiction to be invalid, such judgment shall not affect, impair,  
19 or invalidate the remainder thereof, but shall be confined in its opera-  
20 tion to the clause, sentence, paragraph, subdivision, section or part  
21 thereof directly involved in the controversy in which such judgment  
22 shall have been rendered. It is hereby declared to be the intent of the  
23 legislature that this act would have been enacted even if such invalid  
24 provision had not been included herein.

25 § 5. This act shall take effect immediately, provided, however, that:

#### 34 SUBPART D

35 Section 1. Legislative intent. The legislature finds and declares that  
36 performance metrics used by the Metropolitan Transportation Authority do  
37 not provide adequate information about the actual performance and deliv-  
38 ery of the Authority's services, and that improved data collection and  
39 sharing on system performance and service delivery could yield signif-  
40 icant improvements at the Authority.

41 § 2. The public authorities law is amended by adding a new section  
42 1276-f to read as follows:

18 counted as on-time if it arrives at its destination early, on time, or

39 (i) total operating cost per car per mile;

40 (ii) maintenance cost per car per km;

41 (iii) passenger journeys per total staff and contractor hours; and

42 (iv) staff hours lost to accidents.

43 (b) The authority shall also provide an annual implementation report

5     Section 1. Section 51 of the public authorities law is amended by  
6 adding a new subdivision 6 to read as follows:

7     6. A member of the board must vote within the scope of his or her  
8 legal authority. The legal authority of a member of the board pursuant  
9 to this section is solely to determine whether the issuing authority has  
10 demonstrated that there is the commitment of funds sufficient to finance  
11 the acquisition and construction of the project subject to approval.  
12 Failure of a member to vote within the scope of his or her legal author-  
13 ity constitutes a violation of the public's trust for the purposes of  
14 paragraph h of subdivision three of section seventy-four of the public  
15 officers law. As the appointing authority, the governor has the full  
16 discretion to immediately remove a member of the board he or she finds  
17 to be acting, or threatening to act, beyond the scope of such member's  
18 legal authority set forth herein.

19     § 2. Severability. If any provision of this act, or any application of  
20 any provision of this act, is held to be invalid, that shall not affect  
21 the validity or effectiveness of any other provision of this act, or of  
22 any other application of any provision of this act, which can be given  
23 effect without that provision or application; and to that end, the  
24 provisions and applications of this act are severable.

25     § 3. This act shall take effect immediately.

26     § 2. Severability clause. If any clause, sentence, paragraph, subdivi-  
27 sion, section or part of this act shall be adjudged by any court of  
28 competent jurisdiction to be invalid, such judgment shall not affect,  
29 impair, or invalidate the remainder thereof, but shall be confined in  
30 its operation to the clause, sentence, paragraph, subdivision, section  
31 or part thereof directly involved in the controversy in which such  
32 judgement shall have been rendered. It is hereby declared to be the  
33 intent of the legislature that this act would have been enacted even if  
34 such invalid provisions had not been included herein.

35     § 3. This act shall take effect immediately provided, however, that  
36 the applicable effective date of Parts A through AAAA of this act shall  
37 be as specifically set forth in the last section of such Parts.
