tickets for certain marihuana offenses; and making an appropriation therefor

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. This act shall be known and may be cited as the "marihuana regulation and taxation act".

3 § 2. Legislative findings and intent. The legislature finds that 4 existing marihuana laws have not been beneficial to the welfare of the 5 general public. Existing laws have been ineffective in reducing or curbing marihuana use and have instead resulted in devastating collateral б consequences that inhibit an otherwise law-abiding citizen's ability to 7 8 access housing, employment opportunities, and other vital services. 9 Existing laws have also created an illicit market which represents a 10 threat to public health and reduces the ability of the legislature to deter the accessing of marihuana by minors. Existing marihuana laws have 11 also disproportionately impacted African-American and Latino communi-12 13 ties.

The intent of this act is to regulate, control, and tax marihuana in a manner similar to alcohol, generate millions of dollars in new revenue, prevent access to marihuana by those under the age of twenty-one years, reduce the illegal drug market and reduce violent crime, reduce participation of otherwise law-abiding citizens in the illicit market, end the racially disparate impact of existing marihuana laws and create new industries and increase employment.

21 Nothing in this act is intended to limit the authority of any district 22 government agency or office or employers to enact and enforce policies pertaining to marihuana in the workplace, to allow driving under the 23 24 influence of marihuana, to allow individuals to engage in conduct that 25 endangers others, to allow smoking marihuana in any location where smok-26 ing tobacco is prohibited, or to require any individual to engage in any 27 conduct that violates federal law or to exempt anyone from any requirement of federal law or pose any obstacle to the federal enforcement of 28 29 federal law.

30 Nothing in this act is intended to limit any privileges or rights of a 31 medical marihuana patient or medical marihuana caregiver under the New 32 York Compassionate Care Act.

33 It is the intent of this act that no child shall be the subject of a 34 child neglect or abuse investigation or proceeding based solely on a parent's alleged use of marihuana. A newborn child's positive toxicology 35 36 result for marihuana, is not sufficient on its own to support a finding of child neglect or abuse. Enactment of this act shall provide suffi-37 38 cient basis for New York state to favorably resolve open investigations 39 and to amend and seal individuals' family court records and records of 40 indicated child abuse or neglect reports currently in the statewide 41 central register of child abuse and maltreatment based solely on the use of marihuana or where the reporter of suspected abuse or neglect was a 42 43 law enforcement agency or staff person and the report was based solely 44 upon the presence of a child during a marihuana-related arrest.

In addition, the court may 14 order completion of an alcohol or substance use disorder training aware-15 ness program established pursuant to subdivision twelve of section seventeen of this chapter where such program is located within a reason-16 17 ably close proximity to the locality in which the offender is employed 18 or resides. 19 5. No determination of guilt pursuant to this section shall operate as 20 a disqualification of any such person subsequently to hold public 21 office, public employment, or as a forfeiture of any right or privilege or to receive any license granted by public authority; and no such 22 person shall be denominated a criminal by reason of such determination. 23 24 6. In addition to the penalties otherwise provided in subdivision 25 three of this section, if a determination is made sustaining a charge of 26 illegally purchasing or attempting to illegally purchase an alcoholic 27 beverage or marihuana products, the court may suspend such person's 28 license to drive a motor vehicle and the privilege of an unlicensed 29 person of obtaining such license, in accordance with the following and 30 for the following periods, if it is found that a driver's license was 31 used for the purpose of such illegal purchase or attempt to illegally 32 purchase; provided, however, that where a person is sentenced pursuant to paragraph (b) or (c) of subdivision three of this section, the court 33 shall impose such license suspension if it is found that a driver's 34 35 license was used for the purpose of such illegal purchase or attempt to 36 illegally purchase: 37 (a) For a first violation of paragraph (a) of subdivision two of this 38 section, a three month suspension. 39 (b) For a second violation of paragraph (a) of subdivision two of this 40 section, a six month suspension. 41 (c) For a third or subsequent violation of paragraph (a) of subdivi-42 sion two of this section, a suspension for one year or until the holder 43 reaches the age of twenty-one, whichever is the greater period of time. 44 Such person may thereafter apply for and be issued a restricted use 45 license in accordance with the provisions of section five hundred thirty 46 of the vehicle and traffic law. 47 In any proceeding pursuant to subdivision one of section (a) 7. 48 sixty-five of this article, it shall be an affirmative defense that such person had produced a driver's license or non-driver identification card 49 50 apparently issued by a governmental entity, successfully completed the 51 transaction scan, and that the alcoholic beverage or marihuana products 52 had been sold, delivered or given to such person in reasonable reliance 53 upon such identification and transaction scan. In evaluating the appli-54 cability of such affirmative defense, the liquor authority shall take into consideration any written policy adopted and implemented by the 55 56 seller to carry out the provisions of this chapter. Use of a transaction

1 scan shall not excuse any licensee under this chapter, or agent or 2 employee of such licensee, from the exercise of reasonable diligence 3 otherwise required by this section. Notwithstanding the above 4 provisions, any such affirmative defense shall not be applicable in any 5 other civil or criminal proceeding, or in any other forum.

б (b) A licensee or agent or employee of a licensee may electronically 7 or mechanically record and maintain only the information from a trans-8 action scan necessary to effectuate the purposes of this section. Such 9 information shall be limited to the following: (i) name, (ii) date of birth, (iii) driver's license or non-driver identification number, and 10 11 (iv) expiration date. The liquor authority and the commissioner of health 15 shall jointly promulgate any regulations necessary to ensure quality 16 control in the use of transaction scan devices.

17 8. A licensee or agent or employee of such licensee shall only use the 18 information recorded and maintained through the use of such devices for the purposes contained in paragraph (a) of subdivision seven of this 19 20 section, and shall only use such devices for the purposes contained in 21 subdivision two of this section. No licensee or agent or employee of a 22 licensee shall resell or disseminate the information recorded during such scan to any third person. Such prohibited resale or dissemination 23 24 includes, but is not limited to, any advertising, marketing or promo-25 tional activities. Notwithstanding the restrictions imposed by this 26 subdivision, such records may be released pursuant to a court ordered 27 subpoena or pursuant to any other statute that specifically authorizes the release of such information. Each violation of this subdivision 28 29 shall be punishable by a civil penalty of not more than one thousand dollars. 30

2. A person under the age of twenty-one years may possess any alcoholic beverage <u>or marihuana product</u> with intent to consume if the alcoholic
beverage <u>or marihuana product</u> is given:

(a) to a person who is a student in a curriculum licensed or registered by the state education department and the student is required to taste or imbibe alcoholic beverages <u>or marihuana products</u> in on-campus or off-campus courses which are a part of the required curriculum, provided such alcoholic beverages <u>or marihuana products</u> are used only for instructional purposes during class conducted pursuant to such curriculum; or

3. Any person who unlawfully possesses an alcoholic beverage <u>or mari-</u> <u>huana product</u> with intent to consume may be summoned before and examined by a court having jurisdiction of that charge; provided, however, that nothing contained herein shall authorize, or be construed to authorize,

a peace officer as defined in subdivision thirty-three of section 1.20 1 2 of the criminal procedure law or a police officer as defined in subdivision thirty-four of section 1.20 of such law to arrest a person who 3 unlawfully possesses an alcoholic beverage or marihuana product with 4 5 intent to consume. If a determination is made sustaining such charge the б court may impose a fine not exceeding fifty dollars and/or completion of an alcohol or drug awareness program established pursuant to section 7 8 19.25 of the mental hygiene law and/or an appropriate amount of communi-9 ty service not to exceed thirty hours.

10 4. No such determination shall operate as a disqualification of any 11 such person subsequently to hold public office, public employment, or as 12 a forfeiture of any right or privilege or to receive any license granted 13 by public authority; and no such person shall be denominated a criminal 14 by reason of such determination, nor shall such determination be deemed 15 a conviction.

6. Any alcoholic beverage or marihuana product seized in violation of 24 25 this section is hereby declared a nuisance. The official to whom the 26 beverage or product has been delivered shall, no earlier than three days 27 following the return date for initial appearance on the summons, dispose of or destroy the alcoholic beverage or marihuana product seized or 28 cause it to be disposed of or destroyed. Any person claiming ownership 29 30 of an alcoholic beverage or marihuana product seized under this section 31 may, on the initial return date of the summons or earlier on five days 32 notice to the official or department in possession of the beverage or product, apply to the court for an order preventing the destruction or 33 disposal of the alcoholic beverage or marihuana product seized and 34 35 ordering the return of that beverage or product. The court may order 36 the beverage or product returned if it is determined that return of the 37 beverage or product would be in the interest of justice or that the 38 beverage or product was improperly seized.

4	days after a license shall have been revoked pursuant to this article,
5	notice thereof shall be given to the licensee by mailing such notice
б	addressed to him at the premises licensed. Notice shall also be mailed
7	to the owner of the premises licensed. The holder of such license shall
8	thereupon surrender same to the bureau. The mailing thereof by the
9	licensee to the bureau by registered mail or insured parcel post shall
10	be deemed sufficient compliance with this section. The bureau, imme-
11	diately upon giving notice of revocation, shall serve a written notice
12	thereof upon the commissioner of police, chief of police or chief police
13	officer of the city or village in which the premises for which the
14	revoked license was issued is situated, or upon the sheriff of the coun-

39	pursuant to a valid court order.
40	§ 195. Discrimination protections for the use of marihuana or medical
41	marihuana. 1. No school or landlord may refuse to enroll or lease to and
42	may not otherwise penalize a person solely for conduct allowed under
43	sections 221.05 and 221.05-a of the penal law or title five-A of article
44	thirty-three of the public health law, except as exempted:

51	on its premises.
52	2. For the purposes of medical care, including organ transplants, a
53	registered qualifying patient's authorized use of medical marihuana must
54	be considered the equivalent of the use of any other medication under

1	illicit substance or otherwise disqualify a registered qualifying
2	patient from medical care.
3	3. No person may be denied custody of or visitation or parenting time
4	with a minor, and there is no presumption of neglect or child endanger-
5	ment for conduct allowed under sections 221.05 and 221.05-a of the penal
б	law, unless the person's behavior creates an unreasonable danger to the
7	safety of the minor as established by clear and convincing evidence. For
8	the purposes of this section, an "unreasonable danger" determination
9	cannot be based solely on whether, when, and how often a person uses
10	marihuana without separate evidence of harm.
11	§ 196. Employment protections. 1. Unless an employer establishes by a
12	preponderance of the evidence that the lawful use of marihuana has
13	impaired the employee's ability to perform the employee's job responsi-
14	bilities, it shall be unlawful to take any adverse employment action
15	against an employee based on either:
16	(a) conduct allowed under sections 221.05 and 221.05-a of the penal
17	law; or
18	(b) the employee's positive drug test for marihuana components or
19	metabolites.
20	2. For the purposes of this section, an employer may consider an
21	employee's ability to perform the employee's job responsibilities to be
22	impaired when the employee manifests specific articulable symptoms while
23	working that decrease or lessen the employee's performance of the duties
24	or tasks of the employee's job position.
25	<u>3. Nothing in this section shall restrict an employer's ability to</u>
26	prohibit or take adverse employment action for the possession or use of
20 27	intoxicating substances during work hours, or require an employer to
2.8	commit any act that would cause the employer to be in violation of
28 29	federal law, or that would result in the loss of a federal contract or
	federal funding.
30 31	4. As used in this section, "adverse employment action" means refusing
32	to hire or employ, barring or discharging from employment, requiring a
33	person to retire from employment, or discriminating against in compen-
34	sation or in terms, conditions, or privileges of employment.
35	§ 197. Protections for persons under state supervision. A person
36	currently under parole, probation or other state supervision, or
37	released on bail awaiting trial may not be punished or otherwise penal-
38	ized for conduct allowed under sections 221.05 and 221.05-a of the penal
39	law.
40	<u>§ 198. Professional and medical record keeping. Any professional</u>
40 41	providing services in connection with a licensed or potentially licensed
41 42	business under this chapter, or in connection with other conduct permit-
42 43	ted under this chapter, and any medical professional providing medical
43 44	care to a patient, may agree with their client or patient to maintain no

41 law, or upon summons for a nuisance offense under section sixty-five-c 42 of the alcoholic beverage control law and before the entry of a plea of 43 guilty thereto or commencement of a trial thereof, the court, upon 44 motion of a defendant, may order that all proceedings be suspended and 45 the action adjourned in contemplation of dismissal, or upon a finding 46 that adjournment would not be necessary or appropriate and the setting forth in the record of the reasons for such findings, may dismiss in 47 furtherance of justice the accusatory instrument; provided, however, 48 that the court may not order such adjournment in contemplation of 49 50 dismissal or dismiss the accusatory instrument if: (a) the defendant has 51 previously been granted such adjournment in contemplation of dismissal, 52 (b) the defendant has previously been granted a dismissal under this or 53 section, or (c) the defendant has previously been convicted of any 54 offense involving controlled substances, or (d) the defendant has previ-55 ously been convicted of a crime and the district attorney does not 56 consent or (e) the defendant has previously been adjudicated a youthful

Upon ordering the action adjourned in contemplation of dismissal, 12 court must set and specify such conditions for the adjournment as the 13 may be appropriate, and such conditions may include placing the defend-14 ant under the supervision of any public or private agency. Upon violation of any condition fixed by the court, the court may revoke its order and restore 18 19 the case to the calendar and the prosecution thereupon must proceed. Τf 20 the case is not so restored to the calendar during the period fixed by 21 the court, the accusatory instrument is, at the expiration of such peri-22 od, deemed to have been dismissed in the furtherance of justice. 37. 22	2. Upon receiving a motion under subdivision one of this section the
23	court shall presume the movant satisfies the criteria in subdivision one

46	which an alleged violation of supervision has occurred, for the purpose
47	of hearing petitions to revoke supervision and impose a term of custody.
48	4. Under no circumstances may resentencing under this section result
49	in the imposition of a term longer than the original sentence, or the
50	reinstatement of charges dismissed pursuant to a negotiated plea agree-
51	ment.
52	5. A person who has completed his or her sentence for a conviction
53	under the former article two hundred twenty-one of the penal law, wheth-

55	of an offense or who would have been guilty of a lesser offense on and
56	after the effective date of this section had this section been in effect

1	at the time of his or her conviction, may file an application before the
2	trial court that entered the judgment of conviction in his or her case

14	in subdivision five, the court shall redesignate (or "reclassify") the
15	conviction as a misdemeanor, redesignate (reclassify) the conviction as
	a violation and seal the conviction, or dismiss and seal the conviction
16	
17	as legally invalid under this section had this section been in effect at
18	the time of his or her conviction.
19	7. Unless requested by the applicant, no hearing is necessary to grant
20	<u>or deny an application filed under subdivision five of this section.</u>
