38 of this title, prior to entering into a resident curator lease for any
39 at risk structure, including those eligible for listing on the state and
40 national registers of historic places. The commissioner shall adopt a
41 plan identifying at risk structures within state parks and historic
42 sites, and shall adopt rules and regulations for the resident curator
43 program, which shall include, but not be limited to, criteria for
44 selecting responsible resident curators, criteria for establishing
45 length of terms for leases, criteria for determining the amount of rent
46 to be charged to resident curators which may be nominal factoring in the
47 capital investment required to rehabilitate and maintain the leased
48 premises and determining appropriate uses and restrictions on use of
49 leased premises in the resident curator program, including whether and
50 under what circumstances public access is appropriate to property in the
51 resident curator program. This plan, as well as the rules and regu-
