AN ACT to amend the state law, in relation to making English the official language of New York state

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The state law is amended by adding a new article 9 to read  
2 as follows:

### ARTICLE 9

#### OFFICIAL STATE LANGUAGE

##### Section 130. Legislative findings and intent.

##### 131. Short title.

##### 132. Official state language.

3  
4  
5 § 130. Legislative findings and intent. The legislature hereby finds  
6 that, the state is comprised of individuals from many ethnic, cultural,  
7 and linguistic backgrounds, and continues to benefit from this rich  
8 diversity. Throughout the history of New York and the United States, the  
9 common thread binding individuals of differing backgrounds has been the  
10 English language. Command of the English language is necessary to  
11 participate in and take full advantage of the opportunities afforded by  
12 American life. Absent a rudimentary command of the English language,  
13 citizens of this state are not able to make their voices heard in the  
14 legislative process, effectively exercise their right to vote, or fully  
15 understand the rights afforded them by the United States and New York  
16 Constitutions. Such citizens also have a more difficult time finding  
17 gainful employment, affordable housing, health insurance, and otherwise  
18 availing themselves of the full benefits of American life for themselves  
19 and their families.

[-] is old law to be omitted.
