2019-2020 Regular Sessions

IN SENATE

January 15, 2019

Introduced by Sen. SKOUFIS -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT to amend the vehicle and traffic law, in relation to prohibiting the use of any device which affects the operation of a traffic-control signal

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The vehicle and traffic law is amended by adding a new
2 section 397-c to read as follows:

3 § 397-c. Interference with a traffic-control signal. 1. No person
4 shall operate any motor vehicle, except an authorized emergency vehicle
5 or authorized public transportation vehicle, which he or she knows is
6 equipped with a device capable of affecting the operation of any traff-
7 ic-control signal. The presence in a motor vehicle of such a device
8 connected to a power source and in an operable condition is presumptive
9 evidence of the operator's knowledge of the device. Such presumption
10 shall be rebutted by any creditable evidence which tends to show that
11 the operator of the motor vehicle was not aware of the presence of such
12 device.

13 2. The provisions of this section shall not apply to any person using
14 such a device while engaged in the authorized maintenance or repair of a
15 traffic-control signal.

16 3. A violation of subdivision one of this section shall constitute a
17 traffic infraction punishable by a fine of not less than one hundred
18 dollars nor more than three hundred dollars.

19 4. A violation of subdivision one of this section while using such a
20 device to affect the operation of a traffic-control signal shall consti-
21 tute a class A misdemeanor.

22 5. A violation of subdivision one of this section while using such a
23 device to affect the operation of a traffic-control signal and such use

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
