776. Regulations.

§ 770. Definitions. As used in this article:

1. The term "call center" means a facility or other operation whereby employees receive phone calls or other electronic communication for the purpose of providing customer assistance or other service.

2. (a) The term "call center employer" means any business entity that employs fifty or more employees, excluding part-time employees; or fifty or more employees that in the aggregate work at least fifteen hundred hours per week, excluding overtime hours, for the purpose of staffing a call center.

(b) The term "part-time employee" means an employee who is employed for an average of fewer than twenty hours per week or who has been employed for fewer than six of the twelve months preceding the date on which notice is required under this article.

§ 771. List of relocated call centers. 1. A call center employer that intends to relocate a call center from New York state to a foreign country or any other state, or reduce call volume handled at call centers in New York state by at least thirty percent, measured as the call volume of the previous calendar month compared to the average monthly call volume of the previous twelve months, and intends to relocate such operations from New York state to a foreign country or any other state, shall notify the commissioner at least one hundred days before such relocation.

2. A call center employer that violates subdivision one of this section shall be subject to a civil penalty not to exceed ten thousand dollars for each day of such violation, except that the commissioner may reduce such amount for just cause shown.

3. The commissioner shall compile an annual list of all call center employers that relocate or reduce call volume pursuant to subdivision one of this section, and such list shall be made available to the public and shall prominently display a link to the list on the department's website.

4. The commissioner shall make the list created pursuant to subdivision three of this section, available to the public and shall prominently display a link to the list on the department's website.

§ 772. Grants, guaranteed loans and tax benefits. 1. Except as provided in subdivision three of this section and notwithstanding any other provision of law, a call center employer that appears on the list described in section seven hundred seventy-one of this article shall be ineligible for any direct or indirect state grants, state guaranteed loans, tax benefits or other financial governmental support for a period of five years from the date such list is published.

2. Except as provided in subdivision three of this section and notwithstanding any other provision of law, a call center employer that appears on the list described in section seven hundred seventy-one of this article shall remit the unamortized value of any grant or guaranteed loans, or any tax benefits or other governmental support it has previously received in the past five years. The provisions of this subdivision shall apply to grants, loans, tax benefits and financial governmental assistance that is entered into on or after the effective date of this article. Nothing in this subdivision shall be deemed to prevent the call center employer from receiving any grant to provide training or other employment assistance to individuals who are selected as being in particular need of training or other employment assistance due to the transfer or relocation of the call center employer's facility or operating units.

1     3. The commissioner, in consultation with the appropriate agency  
2 providing a loan or grant, may waive the requirement provided under  
3 subdivision two of this section if the call center employer demonstrates  
4 that such requirement would:

5     (a) threaten state or national security;

6     (b) result in substantial job loss in the state of New York; or

7     (c) harm the environment.

8     § 773. Procurement contracts. The head of each state agency shall  
9 ensure that all state-business-related contracts for call center and

19 terms extending beyond a date greater than two years after the effective  
20 date of this article shall be subject to the provisions of this subdivi-  
21 sion at the next point in which the contract is subject to renewal.

22     § 774. State benefits for workers. No provision of this article shall  
23 be construed to permit withholding or denial of payments, compensation,  
24 or benefits under any other state law, including but not limited to  
25 state unemployment compensation, disability payments or worker retrain-  
26 ing or readjustment funds, to workers employed by call center employers  
27 that relocate to a foreign country.

28     § 775. No private right of action. Nothing set forth in this article  
29 shall be construed as creating, establishing, or authorizing a private  
30 cause of action by an aggrieved person against a call center employer  
31 who has violated, or is alleged to have violated, any provision of this  
32 article.

33     § 776. Regulations. The commissioner shall promulgate such rules and

37 it shall have become a law.
