29 agreement; (ii) create or retain, or both, the requisite number of jobs,  
30 paying not less than specified wages for the created and retained jobs,  
31 within and for the duration of the time period specified in the develop-  
32 ment assistance programs and the development assistance agreement.

33 (2) If the recipient fails to create or retain the requisite number of  
34 jobs within and for the time period specified, in the development  
35 assistance programs and the development assistance agreement, the recip-  
36 ient shall be deemed to no longer qualify for the state economic assist-  
37 ance and the applicable recapture provisions shall take effect.

38 (3) If the recipient receives state economic assistance in the form of  
39 an empire zone designation pursuant to article eighteen-B of the general  
40 municipal law or an industrial development zone designation pursuant to  
41 article eighteen-A of the general municipal law and the recipient fails  
42 to create or retain the requisite number of jobs, as determined by the  
43 development assistance agreement within the requisite period of time,  
44 the recipient shall be required to pay to the state the full amount of  
45 the state tax exemption that it received as a result of such desig-  
46 nation.

47 (4) If the recipient receives a grant or loan pursuant to an empire  
48 zone designation pursuant to article eighteen-B of the general municipal  
49 law or an industrial development zone designation pursuant to article  
50 eighteen-A of the general municipal law and the recipient fails to  
51 create or retain the requisite number of jobs for the requisite time  
52 period, as provided in the development assistance agreement, the recipi-  
53 ent shall be required to repay to the state a pro rata amount of the  
54 grant; that amount shall reflect the percentage of the deficiency  
55 between the requisite number of jobs to be created or retained by the  
56 recipient and the actual number of such jobs in existence as of the date

1 the department determines the recipient is in breach of the job creation  
2 or retention covenants contained in the development assistance agree-  
3 ment. If the recipient of development assistance under such designations  
4 ceases operations at the specific project site during a five year period  
5 commencing on the date of assistance, the recipient shall be required to  
6 repay the entire amount of the grant or to accelerate repayment of the  
7 loan back to the state.

8 (5) If the recipient receives a tax credit under article eighteen-A or  
9 eighteen-B of the general municipal law, the development assistance  
10 agreement shall provide that (i) if the number of new or retained  
11 employees falls below the requisite number set forth in the development  
12 assistance agreement, the allowance of the credit shall be automatically  
13 suspended until the number of new and retained employees equals or  
14 exceeds the requisite number in the development assistance agreement;  
15 (ii) if the recipient discontinues operations at the specific project  
16 site during the first five years of the term of the development assist-  
17 ance agreement, the recipient shall forfeit all credits taken by the  
18 recipient during such five year period; and (iii) in the event of a  
19 revocation or suspension of the credit, the department shall initiate  
20 proceedings against the recipient to recover wrongfully exempted state  
21 income taxes and the recipient shall promptly repay to the department  
22 any wrongfully exempted state income taxes. The forfeited amount of  
23 credits shall be deemed assessed on the date the department initiates  
24 proceedings against such recipient and the recipient shall promptly  
25 repay to the department any wrongfully exempted state income taxes.

26 (b) The commissioner of taxation and finance may elect to waive  
27 enforcement of any contractual provision arising out of the development  
28 assistance agreement required by this article based on a finding that  
29 the waiver is necessary to avert an imminent and demonstrable hardship  
30 to the recipient that may result in such recipient's insolvency or  
31 discharge of workers. If a waiver is granted, the recipient shall agree  
32 to a contractual modification, including recapture provisions, to the  
33 development assistance agreement. The existence of any waiver granted  
34 pursuant to paragraph (c) of this section, the date of the granting of  
35 such waiver, and a brief summary of the reasons supporting the granting  
36 of such waiver shall be disclosed consistent with the provisions of this  
37 section.

38 (c) Beginning June first, two thousand twenty, the department shall  
39 annually compile a report on the outcomes and effectiveness of recapture  
40 provisions by program, including but not limited to: (i) the total  
41 number of companies that receive development assistance as defined in  
42 this article; (ii) the total number of recipients in violation of devel-  
43 opment agreements with the department; (iii) the total number of  
44 completed recapture efforts; (iv) the total number of recapture efforts  
45 initiated; and (v) the number of waivers granted. Such report shall be  
46 disclosed consistent with the provisions of section fourteen hundred

10 3. The state granting body, or a successor agency, shall have full  
11 authority to verify information contained in the recipient's progress  
12 report, including the authority to inspect the specific project site and  
13 inspect the records of the recipient that are subject to the development  
14 assistance agreement.

15 4. By June first, two thousand twenty-one and by June first of each  
16 year thereafter, the department shall compile and publish all data in  
17 all of the progress reports in both written and electronic form.

18 5. If a recipient of development assistance fails to comply with  
19 subdivision two of this section, the department shall, within twenty  
20 working days after the reporting submittal deadlines set forth in such  
21 subdivision two, suspend within thirty-three working days any current  
22 development assistance to such recipient under its control, and shall be  
23 prohibited from completing any current or providing any future develop-  
24 ment assistance until it receives proof that such recipient has come  
25 into compliance with the requirements of subdivision two of this  
26 section.

27 6. The department shall have the discretion to modify the information  
28 required in the progress report required under subdivision two of this  
29 section consistent with the disclosure purpose of this section for any  
30 grants that are not given as an incentive to a recipient public authori-  
31 ty.

32 § 3984. Recapture. 1. All development assistance agreements shall  
33 contain, at a minimum, the following recapture provisions:

34 (a) The recipient must (i) make the level of capital investment in the  
35 economic development project specified in the development assistance  
36 agreement; (ii) create or retain, or both, the requisite number of jobs,  
37 paying not less than specified wages for the created and retained jobs,  
38 within and for the duration of the time period specified in the develop-  
39 ment assistance programs and the development assistance agreement.

40 (b) If the recipient fails to create or retain the requisite number of  
41 jobs within and for the time period specified, in the development  
42 assistance programs and the development assistance agreement, the recip-  
43 ient shall be deemed to no longer qualify for the state economic assist-  
44 ance and the applicable recapture provisions shall take effect.

45 (c) If the recipient receives state economic assistance in the form of  
46 an empire zone designation pursuant to article eighteen-B of the general  
47 municipal law or an industrial development zone designation pursuant to  
48 article eighteen-A of the general municipal law and the recipient fails  
49 to create or retain the requisite number of jobs, as determined by the  
50 development assistance agreement within the requisite period of time,  
51 the recipient shall be required to pay to the state the full amount of  
52 the state tax exemption that it received as a result of such design-  
53 ation.

54 (d) If the recipient receives a grant or loan pursuant to an empire  
55 zone designation pursuant to article eighteen-B of the general municipal  
56 law or an industrial development zone designation pursuant to article

1 eighteen-A of the general municipal law and the recipient fails to  
2 create or retain the requisite number of jobs for the requisite time  
3 period, as provided in the development assistance agreement, the recipi-  
4 ent shall be required to repay to the state a pro rata amount of the  
5 grant; that amount shall reflect the percentage of the deficiency  
6 between the requisite number of jobs to be created or retained by the  
7 recipient and the actual number of such jobs in existence as of the date  
8 the department determines the recipient is in breach of the job creation  
9 or retention covenants contained in the development assistance agree-  
10 ment. If the recipient of development assistance under such designations  
11 ceases operations at the specific project site during a five year period  
12 commencing on the date of assistance, the recipient shall be required to  
13 repay the entire amount of the grant or to accelerate repayment of the  
14 loan back to the state.

15 (e) If the recipient receives a tax credit under article eighteen-A or  
16 eighteen-B of the general municipal law, the development assistance  
17 agreement shall provide that (i) if the number of new or retained  
18 employees falls below the requisite number set forth in the development  
19 assistance agreement, the allowance of the credit shall be automatically  
20 suspended until the number of new and retained employees equals or  
21 exceeds the requisite number in the development assistance agreement;  
22 (ii) if the recipient discontinues operations at the specific project  
23 site during the first five years of the term of the development assist-  
24 ance agreement, the recipient shall forfeit all credits taken by the  
25 recipient during such five year period; and (iii) in the event of a  
26 revocation or suspension of the credit, the department shall initiate  
27 proceedings against the recipient to recover wrongfully exempted state  
28 income taxes and the recipient shall promptly repay to the department  
29 any wrongfully exempted state income taxes. The forfeited amount of  
30 credits shall be deemed assessed on the date the department initiates  
31 proceedings against such recipient and the recipient shall promptly  
32 repay to the department any wrongfully exempted state income taxes.

33 2. The commissioner of taxation and finance may elect to waive  
34 enforcement of any contractual provision arising out of the development  
35 assistance agreement required by this article based on a finding that  
36 the waiver is necessary to avert an imminent and demonstrable hardship  
37 to the recipient that may result in such recipient's insolvency or  
38 discharge of workers. If a waiver is granted, the recipient shall agree  
39 to a contractual modification, including recapture provisions, to the  
40 development assistance agreement. The existence of any waiver granted  
41 pursuant to subdivision three of this section, the date of the granting  
42 of such waiver, and a brief summary of the reasons supporting the grant-  
43 ing of such waiver shall be disclosed consistent with the provisions of  
44 this section.

45 3. Beginning June first, two thousand twenty, the department shall  
46 annually compile a report on the outcomes and effectiveness of recapture  
47 provisions by program, including but not limited to: (a) the total  
48 number of authorities that receive development assistance as defined in  
49 this article; (b) the total number of recipients in violation of devel-  
50 opment agreements with the department; (c) the total number of completed  
51 recapture efforts; (d) the total number of recapture efforts initiated;  
52 and (e) the number of waivers granted. Such report shall be disclosed  
53 consistent with the provisions of section thirty-nine hundred eighty-  
54 three of this article.

55 § 4. This act shall take effect on the one hundred twentieth day after  
56 it shall have become a law and shall apply to contracts and agreements

1 entered into on or after such effective date. Effective immediately,  
2 the addition, amendment and/or repeal of any rule or regulation neces-  
3 sary for the implementation of this act on its effective date are  
4 authorized to be made and completed on or before such effective date.
