1	(iii) any provision of general law which grants a new property tax
2	exemption or abatement or increases an existing property tax exemption
3	or abatement which any municipal corporation is required to provide,
4	thereby resulting in a net additional cost to such municipal corpo-
5	ration.
6	(c) "Net additional cost" means the increased cost or costs incurred
7	or anticipated to be incurred within a one year period by a municipal
8	corporation in performing or administering a mandate after subtracting
9	therefrom any revenues received or receivable by such municipal corpo-
10	ration on account of the mandated program or service, including but not
11	limited to:
12	(i) fees charged to the recipients of the mandated program or service;
13	(ii) state or federal aid paid specifically or categorically in
14	connection with the program or service; and
15	(iii) an offsetting savings resulting from the diminution or elimi-

18	2. Funding of municipal corporation mandates. Notwithstanding any
19	other provision of law to the contrary, no unfunded mandate shall be
20	enacted which creates an increased annual net additional cost to any
21	municipal corporation. Each mandate which imposes a net additional cost
22	upon a municipal corporation shall provide for compensation or funding
23	by the state of the full amount of the net additional cost thereof. In
24	the event such compensation or funding is not provided, the mandate
25	shall be void.

S. 2017--A

1	(i) any state law, rule or regulation which establishes a new program
2	or requires a higher level of service for an existing program which a
3	school district is required to provide; or
4	(ii) any provision of general law which grants a new property tax
5	exemption or abatement or increases an existing property tax exemption
б	or abatement which a school district is required to provide.
7	(b) "Unfunded mandate" shall mean:
8	(i) any state law, rule or regulation which establishes a new program
9	or requires a higher level of service for an existing program which a
10	school district is required to provide and which results in a net addi-
11	tional cost to such school district;
12	(ii) any alteration in funding provided to a school district for the
13	purpose of defraying the costs of a program which it is required to
14	provide, thereby resulting in a net additional cost to such school
15	<u>district; or</u>
16	(iii) any provision of general law which grants a new property tax
17	exemption or abatement or increases an existing property tax exemption
18	or abatement which a school district is required to provide, thereby
19	resulting in a net additional cost to such school district.
20	(c) "Net additional cost" means the increased cost or costs incurred
21	or anticipated to be incurred within a one year period by a school
22	district in performing or administering a mandate after subtracting
23	therefrom any revenues received or receivable by such school district on
24	account of the mandated program or service, including but not limited
25	to:
26	(i) fees charged to the recipients of the mandated program or service;
27	(ii) state or federal aid paid specifically or categorically in
28	connection with the program or service; and
29	(iii) an offsetting savings resulting from the diminution or elimi-
30	nation of any other program or service directly attributable to the
31	performance or administration of the mandated program.
32	2. Funding of school district mandates. Notwithstanding any other
33	provision of law to the contrary, no unfunded mandate shall be enacted
34	which creates a net additional cost to any school district. Each
35	mandate which imposes a net additional cost upon a school district shall
36	provide for compensation or funding by the state of the full amount of
37	the net additional costs thereof. In the event such compensation or
38	funding is not provided, the mandate shall be void.
39	
40	(a) The state shall not be required to fund any mandate for school
41	<u>districts if:</u>
42	(i) The mandate is required by a court order or judgment;
43	(ii) The mandate is provided at the option of the school district
44	under a law, regulation, rule or order that is permissive rather than
45	mandatory;
46	(iii) The mandate results from the enactment of legislation requested
47	by the school district in a home rule message requesting authority to
48	implement the program or service specified in the statute, and the stat-
49	ute imposes costs only upon that school district which requests the
50	authority to implement the program or service;
51	(iv) The mandate is required by, or arises from, an executive order of
52	the governor exercising his or her emergency powers; or
53	(v) The mandate is required by statute or executive order that imple-
54	ments a federal law or regulation and results from costs mandated by the
55	federal government to be borne at the local level, unless the statute or

1 2	executive order results in costs which exceed the costs mandated by the federal government.
3	(b) Every statute, rule or regulation establishing a mandate shall
4	provide that the effective date of any such mandate imposed on school
5	districts shall be consistent with the needs of the state and school
6	districts to plan implementation thereof, and be consistent with the
7	availability of required funds.
8	§ 3. New York state mandate review council. 1. There shall be estab-
9	lished a New York state mandate review council. Such council shall
10	consist of fifteen members as follows: eight members appointed by the
11	governor; three members appointed by the state comptroller; one member
12	appointed by the temporary president of the senate; one member appointed
13	by the speaker of the assembly; one member appointed by the minority
14	leader of the senate; and one member appointed by the minority leader of
15	the assembly. Such members shall be appointed and the council shall
16	first convene no later than ninety days after this act shall have become
17	law.
18	2. The members of the council shall include: at least one current or
19	former county executive; at least one current or former county comp-
20	troller; at least one current or former county legislator; at least one
20	current or former mayor; at least one current or former city comp-
21 22	troller; at least one current or former city councilman; at least one
22 23	current or former town supervisor; at least one current or former school
23 24	superintendent; and at least one current or former member of a school
24 25	board.
26	3. The council shall hold at least two hearings in each of New York's
27	regional economic development council regions. No single county, city,
28	town or village may host both hearings. Additionally, the council shall
29	meet in the state capitol as often as necessary to draft the report
30	required pursuant to subdivision 5 of this section.
31	4. The council shall review all mandates in the state and compile a
32	report outlining all mandates which have no cost on either the state or
33	localities, all mandates whose costs are covered by the state, and all
34	mandates which counties, cities, towns and villages are required to pay
35	for. The council shall have the authority to eliminate or suspend any
36	mandate; provided, however that the council shall not be allowed to add
37	any new mandates or refine any existing mandates other than to eliminate
38	or suspend such mandates.
39	5. The council shall draft a report which provides information on all
40	mandates in the state, indicating those mandates imposed by the state on
41	localities, the cost of each mandate, the percentage of each county's
42	budget which accounts for state-imposed mandates, legislative recommen-
43	dations, and any other information that the council deems relevant.
44	6. The report required pursuant to subdivision 5 of this section shall
45	be provided to the governor, the state comptroller, the speaker of the
46	assembly, the temporary president of the senate, the assembly minority
47	leader, and the senate minority leader and shall be published on the
48	website of the state comptroller on the same day that such report is
49	provided to such state officials.
50	§ 4. No new mandates may be imposed on localities until the report of
51	the New York state mandate review council required pursuant to section
52	three of this act has been published.
53	§ 5. This act shall take effect immediately and sections one and two
54	of this act shall apply to mandates enacted on or after such effective
55	date.
