31	581-203. Proceeding for judgment of parentage of a child
32	conceived pursuant to a surrogacy agreement.
33	<u>581-204. Judgment of parentage for intended parents who are</u>
34	spouses.
35	581-205. Inspection of records.
36	581-206. Jurisdiction, and exclusive continuing jurisdiction.
37	§ 581-201. Judgment of parentage. (a) A civil proceeding may be main-
38	tained to adjudicate the parentage of a child under the circumstances
39	set forth in this article. This proceeding is governed by the civil
40	practice law and rules.
41	(b) A judgment of parentage may be issued prior to birth but shall not
42	become effective until the birth of the child.
43	(c) A petition for a judgment of parentage or nonparentage of a child
44	conceived through assisted reproduction may be initiated by (1) a child,
45	or (2) a parent, or (3) a participant, or (4) a person with a claim to
46	parentage, or (5) the support/enforcement agency or other governmental
47	agency authorized by other law, or (6) a representative authorized by
48	law to act for an individual who would otherwise be entitled to maintain
49	a proceeding but who is deceased, incapacitated, or a minor, in order to
50	legally establish the child-parent relationship of either a child born
51	through assisted reproduction under part three of this article or a
52	child born pursuant to a surrogacy agreement under part four of this
53	article.
54	§ 581-202. Proceeding for judgment of parentage of a child conceived
55	through assisted reproduction. (a) A proceeding for a judgment of

1	parentage with respect to a child conceived through assisted reprod-
2	uction may be commenced:
3	(1) if the intended parent resides in New York state, in the county
4	where the intended parent resides any time after pregnancy is achieved
5	or in the county where the child was born or resides; or
6	(2) if the intended parent and child do not reside in New York state,
7	up to ninety days after the birth of the child in the county where the
8	child was born.
9	(b) The petition for a judgment of parentage must be verified.
10	(c) Where a petition includes the following statements, the court must
11	adjudicate any intended parent to be the parent of the child:
12	(1) a statement that an intended parent has been a resident of the
13	state for at least ninety days or if an intended parent is not a New
14	York state resident, that the child will be or was born in the state
15	within ninety days of filing; and
16	(2) a statement from the gestating intended parent that the gestating
17	intended parent became pregnant as a result of assisted reproduction;
18	and
19	(3) in cases where there is a non-gestating intended parent, a state-
20	ment from the gestating intended parent and non-gestating intended
21	parent that the non-gestating intended parent consented to assisted
22	reproduction pursuant to section 581-304 of this article; and
23	(4) proof of any donor's donative intent.
24	(d) The following shall be deemed sufficient proof of a donor's dona-
25	tive intent for purposes of this section:
26	(1) in the case of an anonymous donor or where gametes or embryos have
27	previously been relinquished to a gamete or embryo storage facility or
28	in the presence of a health care practitioner, a statement from the
29	gamete or embryo storage facility or health care practitioner that the
30	donor does not retain any parental or proprietary interest in the
31	gametes or embryos; or
32	(2) in the case of a donation from a known donor, either: a. a record
33	from the gamete or embryo donor acknowledging the donation and confirm-
34 25	ing that the donor has no parental or proprietary interest in the
35	gametes or embryos. The record shall be signed by the gestating
36	intended parent and the gamete or embryo donor. The record may be, but
37 38	<u>is not required to be, signed:</u> (i) before a notary public, or
39	(ii) before two witnesses who are not the intended parents, or
40	(iii) before a health care practitioner; or
41	b. clear and convincing evidence that the gamete or embryo donor
42	agreed, prior to conception, with the gestating parent that the donor
43	has no parental or proprietary interest in the gametes or embryos.
44	(3) In the absence of evidence pursuant to paragraph two of this
45	subdivision, notice shall be given to the donor at least twenty days
46	prior to the proceeding by delivery of a copy of the petition and
47	notice. Upon a showing to the court, by affidavit or otherwise, on or
48	before the date of the proceeding or within such further time as the
49	court may allow, that personal service cannot be effected at the donor's
50	last known address with reasonable effort, notice may be given, without
51	prior court order therefore, at least twenty days prior to the proceed-
52	ing by registered or certified mail directed to the donor's last known
53	address. Notice by publication shall not be required to be given to a
54	donor entitled to notice pursuant to the provisions of this section.
55	(4) Notwithstanding the above, where sperm is provided under the
56	supervision of a health care practitioner to someone other than the

-	
1	sperm provider's intimate partner or spouse without a record of the
2	sperm provider's intent to parent, the sperm provider is presumed to be
3	a donor and notice is not required.
4	(e) In cases not covered by subdivision (c) of this section, the court
5	shall adjudicate the parentage of the child consistent with part three
6	of this article.
7	(f) Where the requirements of subdivision (c) of this section are met
8	or where the court finds the intended parent to be a parent under subdi-
9	vision (e) of this section, the court shall issue a judgment of parent-
10	age:
11	(1) declaring, that upon the birth of the child, the intended parent
12	is the legal parent of the child; and
13	(2) ordering the intended parent to assume responsibility for the
14	maintenance and support of the child immediately upon the birth of the
15	child; and
16	(3) if there is a donor, ordering that the donor is not a parent of
17	the child; and
18	(4) ordering that upon the birth of the child, a copy of the judgment
19	of parentage be served on the (i) department of health or New York city
20	department of mental health and hygiene, or (ii) registrar of births in
21	the hospital where the child is born and directing that the hospital
22	report the parentage of the child to the appropriate department of
23	health in conformity with the court order. If an original birth certif-
24	icate has already issued, the court shall issue an order directing the
25	appropriate department of health to amend the birth certificate in an
26	expedited manner and seal the previously issued birth certificate.
27	§ 581-203. Proceeding for judgment of parentage of a child conceived
28	pursuant to a surrogacy agreement. (a) The proceeding may be commenced
29	at any time after the surrogacy agreement has been executed by all of
30	the parties. Any party to the surrogacy agreement not joining in the
31	petition must be served with notice of the proceeding. Failure to
32	respond to the notice shall be considered a default and no further
33	notice shall be required.
34	(b) The petition for a judgment of parentage must be verified and
35	include the following:
36	(1) a statement that the person acting as surrogate or at least one of
37	the intended parents has been a resident of the state for at least nine-
38	ty days at the time the surrogacy agreement was executed; and
39	(2) a certification from the attorney representing the intended parent
40	or parents and the attorney representing the person acting as surrogate
41	that the requirements of part four of this article have been met; and
42	(3) a statement from all parties to the surrogacy agreement that they
43	entered into the surrogacy agreement knowingly and voluntarily.
44	(c) Where a petition satisfies subdivision (b) of this section the
45	court shall issue a judgment of parentage, without additional
46	proceedings or documentation:
47	(1) declaring, that upon the birth of the child born during the term
48	of the surrogacy agreement, the intended parent or parents is the legal
49 50	parent or parents of the child; and
50	(2) declaring, that upon the birth of the child born during the term
51	of the surrogacy agreement, the person acting as surrogate, and the
52	spouse of the person acting as surrogate, if any, is not the legal
53	parent of the child; and
54 55	(3) ordering the person acting as surrogate and the spouse of the
55	person acting as surrogate, if any, to transfer the child to the
56	intended parent or parents if this has not already occurred; and

1	(4) ordering the intended parent or parents to assume responsibility
2	for the maintenance and support of the child immediately upon the birth
3	of the child; and
4	(5) ordering that upon the birth of the child, a copy of the judgment
5	of parentage be served on the (i) department of health or New York city
6	department of mental health and hygiene, or (ii) registrar of births in
7	the hospital where the child is born and directing that the hospital
8	report the parentage of the child to the appropriate department of
9	health in conformity with the court order. If an original birth certif-
10 11	icate has already issued, the court shall issue an order directing the appropriate department of health to amend the birth certificate in an
12	expedited manner and seal the previously issued birth certificate.
13	(d) In the event the certification required by paragraph two of subdi-
$14^{13}$	vision (b) of this section cannot be made because of a technical or
$15^{11}$	non-material deviation from the requirements of this article; the court
16	may nevertheless enforce the agreement and issue a judgment of parentage
17	if the court determines the agreement is in substantial compliance with
18	the requirements of this article.
19	§ 581-204. Judgment of parentage for intended parents who are spouses.
20	Notwithstanding or without limitation on presumptions of parentage that
21	apply, a judgment of parentage may be obtained under this part by
22	intended parents who are each other's spouse.
23	§ 581-205. Inspection of records. Court records relating to
24	proceedings under this article shall be sealed. The parties to the
25	proceeding and the child shall have the right to inspect the entire
26	court record.
27	§ 581-206. Jurisdiction, and exclusive continuing jurisdiction. (a)
28	Proceedings pursuant to this article may be instituted in the supreme or
29	family court.
30	(b) Subject to the jurisdictional standards of section seventy-six of
31	the domestic relations law, the court conducting a proceeding under this
32	article has exclusive, continuing jurisdiction of all matters relating
33	to the determination of parentage until the child attains the age of one
34	hundred eighty days.
25	
35	PART 3
36 37	CHILD OF ASSISTED REPRODUCTION Section 581-301. Scope of article.
38	<u>581-302. Status of donor.</u>
39	581-303. Parentage of child of assisted reproduction.
40	581-304. Consent to assisted reproduction.
41	581-305. Limitation on spouses' dispute of parentage of child of
42	assisted reproduction.
43	581-306. Effect of embryo disposition agreement between intended
44	parents which transfers legal rights and disposi-
45	tioned control to one intended parent.
46	581-307. Effect of death of intended parent.
47	§ 581-301. Scope of article. This article does not apply to the birth
48	of a child conceived by means of sexual intercourse.
49	§ 581-302. Status of donor. A donor is not a parent of a child
50	conceived by means of assisted reproduction.
51	§ 581-303. Parentage of child of assisted reproduction. (a) An indi-
52	vidual who provides gametes for, or who consents to, assisted reprod-
53	uction with the intent to be a parent of the child with the consent of
54	the gestating parent as provided in section 581-304 of this part, is a
55	parent of the resulting child for all legal purposes.

(b) The court shall issue a judgment of parentage pursuant to this 1 2 article upon application by any participant. 3 § 581-304. Consent to assisted reproduction. (a) Where the intended 4 parent who gives birth to a child by means of assisted reproduction is a 5 spouse, the consent of both spouses to the assisted reproduction is б presumed and neither spouse may challenge the parentage of the child, 7 except as provided in section 581-305 of this part. 8 (b) Where the intended parent who gives birth to a child by means of 9 assisted reproduction is not a spouse, the consent to the assisted 10 reproduction must be in a record in such a manner as to indicate the mutual agreement of the intended parents to conceive and parent a child 11 12 together. (c) The absence of a record described in subdivision (b) of this 13 14 section shall not preclude a finding that such consent existed if the court finds by clear and convincing evidence that at the time of the 15 16 assisted reproduction the intended parents agreed to conceive and parent the child together. 17 § 581-305. Limitation on spouses' dispute of parentage of child of 18 19 assisted reproduction. (a) Except as otherwise provided in subdivision 20 (b) of this section, neither spouse may challenge the presumption of 21 parentage of the child unless: (1) within two years after learning of the birth of the child a 22 proceeding is commenced to adjudicate parentage; and 23 24 (2) the court finds by clear and convincing evidence that either 25 spouse did not consent for the non-gestating spouse to be a parent of 26 the child. 27 (b) A proceeding for a judgment of parentage may be maintained at any time if the court finds by clear and convincing evidence that: 28 29 (1) the spouse did not consent to assisted reproduction by the indi-30 vidual who gave birth; and 31 (2) the spouse and the individual who gave birth have not cohabited 32 since the spouse knew or had reason to know of the pregnancy; and 33 (3) the spouse never openly held out the child as his or her own. 34 (c) The limitation provided in this section applies to a spousal 35 relationship that has been declared invalid after assisted reproduction or artificial insemination. 36 § 581-306. Effect of embryo disposition agreement between intended 37 parents which transfers legal rights and dispositional control to one 38 intended parent. (a) An embryo disposition agreement between intended 39 parents with joint dispositional control of an embryo shall be binding 40 41 under the following circumstances: 42 (1) it is in writing; 43 (2) each intended parent had the advice of independent legal counsel 44 prior to its execution; and (3) where the intended parents are married, transfer of legal rights 45 46 and dispositional control occurs only upon divorce. 47 (b) The intended parent who transfers legal rights and dispositional control of the embryo is not a parent of any child conceived from the 48 49 embryo unless the agreement states that he or she consents to be a 50 parent. 51 (c) If the intended parent transferring legal rights and dispositional control consents to be a parent, he or she may withdraw his or her 52 consent to be a parent upon written notice to the embryo storage facili-53 ty and to the other intended parent prior to transfer of the embryo. If 54

55 he or she timely withdraws consent to be a parent he or she is not a

1	parent for any purpose including support obligations but the embryo
2	transfer may still proceed.
3	(d) An embryo disposition agreement or advance directive that is not
4	in compliance with subdivision (a) of this section may still be found to
5	be enforceable by the court after balancing the respective interests of
6	the parties except that the intended parent who divested him or herself
7	of legal rights and dispositional control may not be declared to be a
8	parent for any purpose without his or her consent. The parent awarded
9	legal rights and dispositional control of the embryos shall, in this
10	instance, be declared to be the only parent of the child.
11	§ 581-307. Effect of death of intended parent. If an individual who
12	consented in a record to be a parent by assisted reproduction dies
13	before the transfer of eggs, sperm, or embryos, the deceased individual
14	is not a parent of the resulting child unless the deceased individual
15	consented in a signed record that if assisted reproduction were to occur
16	after death, the deceased individual would be a parent of the child,
17	provided that the record complies with the estates, powers and trusts
18	law.

32	article to enter into a surrogacy agreement, a person acting as surro-
33	gate, the spouse of the person acting as surrogate, if applicable, and
34	the intended parent or parents may enter into a surrogacy agreement
35	which will be enforceable provided the surrogacy agreement meets the
36	requirements of this article.
37	(b) A surrogacy agreement shall not apply to the birth of a child
38	conceived by means of sexual intercourse.
39	(c) A surrogacy agreement may provide for payment of compensation
40	under part five of this article.
41	§ 581-402. Eligibility to enter surrogacy agreement. (a) A person
42	acting as surrogate shall be eligible to enter into an enforceable

45	is executed:
46	(1) the person acting as surrogate is at least twenty-one years of

1	for by the intended parent or parents except that a person acting as
2	surrogate who is receiving no compensation may waive the right to have
3	the intended parent or parents pay the fee for such legal counsel; and
4	(5) the person acting as surrogate has, or the surrogacy agreement
5	stipulates that prior to the embryo transfer, the person acting as
6	surrogate will obtain, a health insurance policy that covers major
7	medical treatments and hospitalization, and the health insurance policy
8	has a term that extends throughout the duration of the expected pregnan-
9	cy and for twelve weeks after the birth of the child; the policy shall
10	be paid for, whether directly or through reimbursement or other means,
11	by the intended parent or parents on behalf of the person acting as
12	surrogate pursuant to the surrogacy agreement, except that a person
13	acting as surrogate who is receiving no compensation may waive the right
14	to have the intended parent or parents pay for the health insurance
15	policy. The intended parent or parents shall also pay for or reimburse
16	the person acting as surrogate for all co-payments, deductibles and any
17	other out-of-pocket medical costs associated with pregnancy, except that
18	a person acting as surrogate who is receiving no compensation may waive
19	the right to have the intended parent or parents make such payments or

21	(b) The intended parent or parents shall be eligible to enter into an
22	enforceable surrogacy agreement under this article if he, she or they

29	or adult spouses together, or any two adults who are intimate partners
30	together, except an adult in a spousal relationship is eligible to enter

34	subscribed by the parties thereto and acknowledged or proved in the form

40	rights or obligations to the child.
41	§ 581-403. Requirements of surrogacy agreement. A surrogacy agreement
42	shall be deemed to have satisfied the requirements of this article and
43	be enforceable if it meets the following requirements:
44	(a) it shall be in a signed record verified by:
45	(1) each intended parent, and
46	(2) the person acting as surrogate, and the spouse of the person
47	<u>acting as surrogate, if any, unless:</u>
48	(i) the person acting as surrogate and the spouse of the person acting

1 (c) it shall be executed by a person acting as surrogate meeting the eligibility requirements of subdivision (a) of section 581-402 of this 2 3 part and by the spouse of the person acting as surrogate, unless the 4 signature of the spouse of the person acting as surrogate is not 5 required as set forth in this section; and б (d) it shall be executed by intended parent or parents who met the 7 eligibility requirements of subdivision (b) of section 581-402 of this 8 part; and 9 (e) the person acting as surrogate and the spouse of the person acting 10 as surrogate, if applicable, and the intended parent or parents shall have been represented throughout the contractual process and the dura-11 tion of the contract and its execution by separate, independent legal 12 counsel of their own choosing; and 13 14 (f) if the surrogacy agreement provides for the payment of compensation to the person acting as surrogate, those funds shall have been 15 16 placed in escrow with an independent escrow agent prior to the person 17 acting as surrogate commencing with any medical procedure other than medical evaluations necessary to determine the person acting as surro-18 19 gate's eligibility; and 20 (g) the surrogacy agreement must include information disclosing how 21 the intended parent or parents will cover the medical expenses of the person acting as surrogate and the child. If health care coverage is 22 used to cover the medical expenses, the disclosure shall include a 23 review of the health care policy provisions related to coverage for the 24 25 person acting as surrogate's pregnancy, including any possible liability 26 of the person acting as surrogate's third-party liability liens or other 27 insurance coverage, and any notice requirements that could affect coverage or liability of the person acting as surrogate. 28 (h) the surrogacy agreement must comply with all of the following 29 30 terms: 31 (1) As to the person acting as surrogate and the spouse of the person 32 acting as surrogate, if applicable: 33 (i) the person acting as surrogate agrees to undergo embryo transfer 34 and attempt to carry and give birth to the child; and 35 (ii) the person acting as surrogate and the spouse of the person acting as surrogate, if applicable, agree to surrender custody of all 36 resulting children to the intended parent or parents immediately upon 37 38 birth; and 39 (iii) the surrogacy agreement shall include the name of the attorney representing the person acting as surrogate and, if applicable, the 40 41 spouse of the person acting as surrogate; and 42 (iv) the surrogacy agreement must permit the person acting as surro-43 gate to make all health and welfare decisions regarding themself and 44 their pregnancy including but not limited to, whether to consent to a 45 cesarean section or multiple embryo transfer, and notwithstanding any 46 other provisions in this chapter, provisions in the agreement to the 47 contrary are void and unenforceable. This article does not diminish the 48 right of the person acting as surrogate to terminate a pregnancy; and 49 (v) the surrogacy agreement must permit the person acting as a surrogate to utilize the services of a health care practitioner of the 50 51 person's choosing; and (vi) the surrogacy agreement must not limit the right of the person 52 53 acting as surrogate to terminate or continue the pregnancy or reduce or 54 retain the number of fetuses or embryos the person is carrying; and (vii) the surrogacy agreement must provide that, upon request, 55 the intended parent or parents have or will procure and pay for a life 56

insurance policy for the person acting as surrogate; the person acting 1 2 as surrogate may designate the beneficiary of the person's choosing; and 3 (viii) the surrogacy agreement shall provide for the right of the 4 person acting as surrogate, upon request, to obtain counseling to 5 address issues resulting from the person's participation in the surrogaб cy agreement. The cost of that counseling shall be paid by the intended 7 parent or parents. 8 (2) As to the intended parent or parents: 9 (i) the intended parent or parents agree to accept custody of all resulting children immediately upon birth regardless of number, gender, 10 11 or mental or physical condition; and 12 (ii) the intended parent or parents agree to assume responsibility for 13 the support of all resulting children immediately upon birth; and 14 (iii) the surrogacy agreement shall include the name of the attorney 15 representing the intended parent or parents; and 16 (iv) the surrogacy agreement shall provide that the rights and obli-17 gations of the intended parent or parents under the surrogacy agreement 18 are not assignable; and 19 (v) the intended parent or parents agree to execute a will, prior to 20 the embryo transfer, designating a guardian for all resulting children who is authorized to perform the intended parent's or parents' obli-21 gations pursuant to the surrogacy agreement. 22 § 581-404. Surrogacy agreement: effect of subsequent spousal relation-23 24 ship. (a) After the execution of a surrogacy agreement under this arti-25 cle, the subsequent spousal relationship of the person acting as surro-26 gate does not affect the validity of a surrogacy agreement, the consent 27 of the spouse of the person acting as surrogate to the agreement shall not be required, and the spouse of the person acting as surrogate shall 28 29 not be the presumed parent of any resulting children. 30 (b) The subsequent separation or divorce of the intended parents does 31 not affect the rights, duties and responsibilities of the intended 32 parents as outlined in the surrogacy agreement. 33 § 581-405. Termination of surrogacy agreement. After the execution of a surrogacy agreement but before the person acting as surrogate becomes 34 35 pregnant by means of assisted reproduction, the person acting as surrogate, the spouse of the person acting as surrogate, if applicable, or 36 any intended parent may terminate the surrogacy agreement by giving 37 notice of termination in a record to all other parties. Upon proper 38 termination of the surrogacy agreement the parties are released from all 39 40 obligations recited in the surrogacy agreement except that the intended 41 parent or parents remains responsible for all expenses that are reim-42 bursable under the agreement which have been incurred by the person 43 acting as surrogate through the date of termination. Unless the agree-44 ment provides otherwise, the person acting as surrogate is entitled to 45 keep all payments received and obtain all payments to which the person 46 is entitled up until the date of termination. Neither a person acting as 47 surrogate nor the spouse of the person acting as surrogate, if any, is liable to the intended parent or parents for terminating a surrogacy 48 49 agreement as provided in this section. § 581-406. Parentage under compliant surrogacy agreement. Upon the 50 51 birth of a child conceived by assisted reproduction under a surrogacy agreement that complies with this part, each intended parent is, by 52 53 operation of law, a parent of the child and neither the person acting as 54 a gestational surrogate nor the person's spouse, if any, is a parent of

55 <u>the child.</u>

1	§ 581-407. Insufficient surrogacy agreement. If a surrogacy agreement
2	does not meet the material requirements of this article, the agreement
3	is not enforceable and the court shall determine parentage based on the
4	intent of the parties, taking into account the best interests of the
5	child. An intended parent's absence of genetic connection to the child
6	is not a sufficient basis to deny that individual a judgment of legal
7	parentage.
8	§ 581-408. Absence of surrogacy agreement. Where there is no surrogacy
9	agreement, the parentage of the child will be determined based on other
10	laws of this state.
11	§ 581-409. Dispute as to surrogacy agreement. (a) Any dispute which
12	is related to a surrogacy agreement other than disputes as to parentage
13	shall be resolved by the supreme court, which shall determine the
14	respective rights and obligations of the parties.
15	(b) Except as expressly provided in the surrogacy agreement, the
16	intended parent or parents and the person acting as surrogate shall be
17	entitled to all remedies available at law or equity in any dispute
18	related to the surrogacy agreement.
19	(c) There shall be no specific performance remedy available for a
20	breach by the person acting as surrogate of a surrogacy agreement term
21	that requires the person acting as surrogate to be impregnated or to
22	terminate or continue the pregnancy or to reduce or retain the number of
23	fetuses or embryos the person acting as surrogate is carrying.

25	PAYMENT TO DONORS AND PERSONS ACTING AS SURROGATES
26	Section 581-501. Reimbursement.
27	581-502. Compensation.
28	§ 581-501. Reimbursement. (a) A donor who has entered into a valid
29	agreement to be a donor may receive reimbursement from an intended
30	parent or parents for economic losses incurred in connection with the
31	donation which result from the retrieval or storage of gametes or embr-
32	yos.
33	(b) Premiums paid for insurance against economic losses directly
34	resulting from the retrieval or storage of gametes or embryos for
35	donation may be reimbursed.
36	§ 581-502. Compensation. (a) Compensation may be paid to a donor or
37 37	person acting as surrogate based on medical risks, physical discomfort,
38	
	inconvenience and the responsibilities they are undertaking in
39	connection with their participation in the assisted reproduction. Under
40	no circumstances may compensation be paid to purchase gametes or embryos
41	or for the relinquishment of a parental interest in a child.
42	(b) The compensation, if any, paid to a donor or person acting as
43	surrogate must be reasonable and negotiated in good faith between the
44	parties, and said payments to a person acting as surrogate shall not
45	exceed the duration of the pregnancy and recuperative period of up to
46	eight weeks after the birth of any resulting children.
47	(c) Compensation may not be conditioned upon the purported quality or
48	genome-related traits of the gametes or embryos.
49	(d) Compensation may not be conditioned on actual genotypic or pheno-
50	typic characteristics of the donor or of any resulting children.
