§ 2. Section 216 of the executive law is amended by adding a new subdivision 1-a to read as follows:

1-a. (a) In addition to its other assigned duties, the superintendent shall assign the bureau of investigation, established pursuant to this section, responsibility to investigate, on its own or, as applicable, as an active partner with any other police or sheriff's department of appropriate jurisdiction, the death or near death of any person that resulted from or potentially resulted from injures that occurred or may have occurred during any encounter with a police or peace officer, police department or sheriff's department in this state.

(b) Every such investigation shall be commenced promptly upon the superintendent learning of such incident. Every police department, sheriff's department and state and local agency, including every local district attorney's office, shall assist and cooperate with the bureau in the conduct of such investigations, and shall ensure that the bureau has access to locations it deems relevant, as well as access to records, information and physical items that deems relevant, to such investigation.

(c) The bureau shall provide interim written reports at least bi-weekly updating the board of review of officer-involved deaths and near deaths, and the district attorney and superintendent concerning the progress of such investigation. Upon the conclusion of such investigation, the bureau shall promptly issue to the board of review of officer-involved deaths and near deaths, the district attorney, the superintendent and the governor a detailed written report of the investigation, which shall include, but not be limited to, a statement of the apparent cause and circumstances of the death or near death, as the case may be, and specify any potential criminal charges. Notwithstanding the provisions of any other law, any such report shall constitute a record available for public disclosure, within the meaning of subdivision four of section eighty-six of the public officer's law, provided that any portion of such report may be redacted before release when and to the extent authorized pursuant to subdivision two of section eighty-seven of the public officers law.

§ 3. The executive law is amended by adding a new section 839-a to read as follows:

§ 839-a. Certain deaths and near deaths to be reported. Every case of the death of or near death of a person that resulted from or potentially resulted from injuries that occurred or may have occurred during any encounter with a police or peace officer, police department or sheriff's department in this state shall be reported promptly to the superintendent of state police by such officer or the chief law enforcement officer of such department. Such report shall be in sufficient detail as to permit the superintendent to commence a meaningful investigation of such matter in accordance with subdivision one-a of section two hundred sixteen of the chapter. Upon receiving such notification or otherwise learning of such a death or near death, the superintendent of state police shall proceed in the manner described in such subdivision.

§ 4. Section 700 of the county law is amended by adding a new subdivision 14 to read as follows:

14. (a) In the case of the death or near death of any person that resulted from or potentially resulted from injuries that occurred or may

have occurred during any encounter with a police or peace officer, police department or sheriff's department in this state, it shall be the duty of the district attorney to cooperate and, to the greatest extent permitted by law, share relevant information with the bureau of criminal investigation engaged in or partnering in an investigation pursuant to subdivision one-a of section two hundred sixteen of the executive law, and with the board for review of officer-involved deaths and near deaths established pursuant to section eight hundred forty-two-a of such law.

(b) The district attorney shall carefully consider any information and recommendation received from such bureau in accordance with subdivision one-a of section two hundred sixteen of the executive law, as well as any recommendation received from such board for review of officer-involved deaths and near deaths, and any member thereof, pursuant to subdivision eight of section eight hundred forty-two-a of the executive law. Notwithstanding the provisions of any other law, the district attorney shall notify such board promptly and in writing and with appropriate detail upon commencement of any grand jury proceeding potentially relevant to the investigation of such an encounter; provided, however, that the failure to provide such notice or any delay in providing such notice shall not affect the validity of any indictment that may result from such grand jury proceeding.

§ 5. Paragraph (a) of subdivision 4 of section 190.25 of the criminal procedure law, as amended by chapter 677 of the laws of 1985, is amended to read as follows:

(a) Grand jury proceedings are secret, and no grand juror, or other person specified in subdivision three of this section or section 215.70 of the penal law, may, except in the lawful discharge of his duties or upon written order of the court, disclose the nature or substance of any grand jury testimony, evidence, or any decision, result or other matter attending a grand jury proceeding. For the purpose of assisting the grand jury in conducting its investigation, evidence obtained by a grand jury may be independently examined by the district attorney, members of his staff, police officers specifically assigned to the investigation, including officers of the bureau of criminal investigation participating pursuant to subdivision one-a of section two hundred sixteen of the executive law, members of the board of review of officer-involved deaths and near deaths serving pursuant to section eight hundred forty-two-a of such law and such other persons as the court may specifically authorize. Such evidence may not be disclosed to other persons without a court order. Nothing contained herein shall prohibit a witness from disclosing his own testimony.

§ 6. This act shall take effect immediately.
