2019-2020 Regular Sessions

IN SENATE

January 23, 2019

Introduced by Sen. LANZA -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law and the domestic relations law, in relation to authorizing adoptees to obtain a certified copy of their birth certificate

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 4138-e to read as follows:

3 § 4138-e. Adoptee's right to a certified copy of his or her birth
4 certificate. 1. The legislature hereby states its intention to acknowl-
5 edge, support and encourage the life-long health and well-being needs of
6 persons who have been and will be adopted in this state. The legislature
7 further recognizes that the denial of access to accurate and complete
8 medical and self-identifying data of any adopted person, known and
9 wilfully withheld by others, may result in such person succumbing to
10 preventable disease, premature death or otherwise unhealthy life, is a
11 violation of that person's human rights and is contrary to the tenets of
12 governance. As such, the provisions of this section seek to establish
13 considerations under the law for adopted persons equal to such consider-
14 ations permitted by law to all non-adopted persons; this section does so
15 while providing for the privacy of an adopted person and his or her
16 birth.

17 2. (a) Notwithstanding any other provision of law, the commissioner or
18 a local registrar or any person authorized by the commissioner or a
19 local registrar, upon application, proof of identity and payment of a
20 nominal fee, shall issue certified copies of original long form line by
21 line, vault copy birth certificates and any change attached to that
22 certificate by a birth parent or parents, and, if available, medical
23 history forms upon specific request therefor (i) by an adopted person,
24 if eighteen years of age or more, or (ii) if the adopted person is

1 deceased, the adopted person's direct line descendants, or (iii) the
2 lawful representatives of such adopted person, or lawful representatives
3 of such deceased adopted person's direct line descendants, as the case
4 may be.

5 (b) When it shall be impossible through good-faith efforts to provide
6 a copy of an adult adopted person's original birth certificate (as in
7 the case of an adopted person born outside of, but adopted within, the
8 state), the true and correct identifying information that would have
9 appeared on such original birth certificate shall be provided by a court
10 of competent jurisdiction or the adoption agency, upon specific request
11 therefor, to: (i) the adult adopted person, if eighteen years of age or
12 more, or (ii) if the adopted person is deceased, the adopted person's
13 direct line descendants, or (iii) lawful representatives of such adopted
14 person, or lawful representatives of such deceased adopted person's
15 direct line descendants, as the case may be. In such case the agency
16 shall be held harmless from any liability arising out of the disclosure.
