AN ACT to amend the agriculture and markets law, the state finance law, and the economic development law, in relation to procurement of locally grown farm and food products and codifying the New York state council on food policy

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "local food, farms, and jobs act".

3 § 2. Section 16 of the agriculture and markets law is amended by
4 adding a new subdivision 6-a to read as follows:

5 6-a. Establish a New York state council on food policy. The purpose
6 of the council shall be to facilitate the growth of a New York-based
7 local farm and food product economy that revitalizes rural and urban
8 communities, promotes healthy eating with access to fresh foods, creates
9 jobs, ensures a readily available supply of safe food in an emergency
10 event, and supports economic growth through making local farm or food
11 products available to all New York citizens.

12 (a) The responsibilities of the council shall include, but are not
13 limited to, the following:

14 (i) to develop and recommend a food policy for the state which recog-
15 nizes that it is in the best interests of the state to ensure the avail-
16 ability of an adequate supply of affordable, fresh and nutritious food
17 to its residents;

18 (ii) to develop and recommend state policies to expand agricultural
19 production, including locally-grown and organically-grown food;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD05361-02-9

1 (iii) to develop and recommend a strategic plan for implementation of
2 the state food policy, including benchmarks and criteria for measuring
3 progress in achieving state food policy objectives;

4 (iv) to offer comments on state regulations, legislation and budget
5 proposals in the area of food policy, to ensure a coordinated and
6 comprehensive inter-agency approach to food policy issues;

7 (v) to assist state agencies, state-owned facilities, and other enti-
8 ties with the purchase of local farm or food products and with tracking
9 and reporting of such purchases in order to meet the goals established
10 in this section;

11 (vi) to assist local farm and food entrepreneurs to identify and
12 secure necessary resources and equipment to begin, maintain, and expand
13 projects and networks necessary for the development of local farm or
14 food products; provided, however, that the council will facilitate
15 program start-ups and then relinquish rights, benefits, and control
16 within a reasonably short duration of time;

17 (vii) to facilitate the building of infrastructure, including aggre-
18 gation, processing, storage, packaging, and distribution facilities
19 necessary to move local farm or food products to local and other
20 markets;

21 (viii) to support and expand programs that recruit, train, and provide
22 technical assistance to New York farmers and residents in order to
23 encourage the production of local farm or food products;

24 (ix) to coordinate interagency policies, initiatives, and procedures
25 promoting local farm and food products in New York communities, by work-
26 ing with and involving state, federal, and local agencies, as well as
27 community based organizations, educational institutions, and trade
28 organizations in executing the purposes of this section;

29 (x) to facilitate the elimination of legal barriers hindering the
30 development of a local farm and food economy by working with federal,
31 state, and local public health agencies, other agencies and applicable
32 entities, and the New York attorney general to create consistent and
33 compatible regulations for the production, storage, distribution, and
34 marketing of local farm or food products;

35 (xi) to facilitate the use of public lands for growing local farm or
36 food products by working with governmental entities at the local, state,
37 and federal levels;

38 (xii) to set annual goals for all purchases of local farm or food
39 products by New York residents and to monitor the development and expan-
40 sion of a local farm and food economy through data collection, tracking,
41 measurement, analysis, and reporting on progress made in an annual
42 report to the legislature; and

43 (xiii) to initiate and facilitate public awareness campaigns about the
44 economic benefits of a local farm and food economy.

45 (b) (i) The council shall consist of twenty voting members as follows:
46 eight members with experience and expertise related to agriculture,
47 nutrition or food policy appointed on the recommendation of the legisla-
48 tive leaders, three each by the temporary president of the senate and
49 the speaker of the assembly, and one each by the minority leader of the
50 senate, and the minority leader of the assembly; the dean of the New
51 York state college of agriculture and life sciences; and eleven members
52 shall be appointed by the governor.

53 (ii) The council shall consist of the following non-voting members:
54 the commissioner, the commissioner of health, the commissioner of the
55 office of temporary and disability assistance, the commissioner of the
56 office of children and family services, the commissioner of education,

1 the commissioner of the department of economic development, the director
2 of the office for the aging and the director of the office of rural
3 affairs; one member representing farm organizations; one member repres-
4 enting school food administrators; one member representing consumers;
5 two members representing an organization that provides food assistance;
6 one member representing anti-hunger advocates; one member who is a
7 nutritionist; two members representing the food industry, who are
8 producers, distributors, processors or retailers in the state of New
9 York, at least one of whom produces organic food; four local farm or
10 food product farmers representing different agribusiness sectors,
11 including, but not limited to, the dairy, meat, vegetable, and grain
12 sectors; two representatives of not-for-profit educational organizations
13 that specialize in supporting and expanding local farm or food product
14 networks; one certifier of specialty local farm or food products, such
15 as an organic, naturally grown, biodynamic, Halal, or Kosher certifier;
16 one representative from a philanthropic organization supporting the
17 development of local farm or food products; two municipal represen-
18 tatives from different communities in the state actively engaged in the
19 development of local farm or food products; two representatives from
20 community-based organizations focusing on access to local farm or food
21 products, including at least three minority members; and one chef
22 specializing in the preparation of locally grown foods.

23 (c) The eleven non-state governmental board members shall be appointed
24 by the governor to three-year staggered terms as determined by the
25 governor. Such persons may be nominated by organizations representing
26 the sectors outlined in paragraph (b) of this subdivision. Vacancies
27 shall be filled by the governor.

28 (d) The council may apply for and establish a not-for-profit corpo-
29 ration.

30 (e) The board of directors shall elect its presiding officers from
31 among its members and may elect or appoint an executive committee, other
32 committees, and subcommittees to conduct the business of the organiza-
33 tion.

34 (f) The council may solicit grants, loans, and contributions from
35 public or private sources and may enter into any contracts, grants,
36 loans, or agreements with respect to the use of such funds to execute
37 the purposes of this subdivision.

38 (g) The council shall issue a written report on the first day of
39 December each year on: (i) the activities of the council during the
40 preceding year; (ii) recommended food policies for the state; (iii)
41 recommended changes to the strategic plan; (iv) an account of the
42 progress made in achieving the goals of the council; and (v) actions
43 which are necessary to implement the recommendations of the council and
44 effectuate its purposes.

45 (h) Subject to the availability of public or private funds, the board
46 of directors may employ an executive director, treasurer, other staff,
47 or independent contractors necessary to execute the purposes of this
48 subdivision, and it may fix the compensation, benefits, terms, and
49 conditions of those persons' employment.

50 (i) The state governmental agencies represented on the board of direc-
51 tors may re-direct existing staff, as appropriations permit; assist in
52 executing the purposes of this subdivision; and provide office space,
53 meeting space, and other research and communication services as appro-
54 priate.

55 (j) No member of the council shall be disqualified from holding any
56 public office or employment, nor shall he or she forfeit any such office

1 or employment by virtue of his or her appointment hereunder. Members of
2 the council shall receive no compensation for their services but shall
3 be allowed their actual and necessary expenses incurred in the perform-
4 ance of their functions hereunder. All members of the council shall
5 serve at the pleasure of the governor and vacancies shall be filled in
6 the same manner as original appointments.

7 § 3. The state finance law is amended by adding a new section 163-c to
8 read as follows:

9 § 163-c. Procurement goals for local farm or food products. 1. For
10 the purposes of this section, "local farm or food products" are products
11 grown, processed, packaged, and distributed by New York citizens or
12 businesses located wholly within the borders of New York state.

13 2. (a) In order to create, strengthen, and expand local farm and food
14 economies throughout New York, it shall be the goal of this state that:

15 (i) twenty percent of all food and food products purchased by state
16 agencies and state-owned facilities, including, without limitation,
17 facilities for persons with mental health and developmental disabili-
18 ties, correctional facilities, and public universities, shall, by two
19 thousand twenty, be local farm or food products; and

20 (ii) fifty percent of all food and food products purchased by state
21 agencies and state-owned facilities, including, without limitation,
22 facilities for persons with mental health and developmental disabili-
23 ties, correctional facilities, and public universities, shall, by two
24 thousand twenty-four, be local farm or food products.

25 (b) The New York state council on food policy shall support and
26 encourage that twenty-five percent of food and food products purchased
27 by entities funded in part or in whole by state funds, which spend more
28 than twenty-five thousand dollars per year on food or food products for
29 its students, residents, or clients, including, without limitation,
30 public schools, child care facilities, after-school programs, and hospi-
31 tals, shall, by two thousand twenty-one, be local farm or food products.
32 The goal shall increase to forty percent by two thousand twenty-six.

33 (c) To meet the goals set forth in this section, when a state contract
34 for purchase of food or food products is to be awarded to the lowest
35 responsible bidder, an otherwise qualified bidder who will fulfill the
36 contract through the use of local farm or food products may be given
37 preference over other bidders, provided that the cost included in the
38 bid of local farm or food products is not more than ten percent greater
39 than the cost included in a bid that is not for local farm or food
40 products.

41 (d) All state agencies and state-owned facilities that purchase food
42 and food products shall, with the assistance of the New York state coun-
43 cil on food policy, develop a system for (i) identifying the percentage
44 of local farm or food products purchased for fiscal year two thousand
45 twenty as the baseline; and (ii) tracking and reporting local farm or
46 food products purchases on an annual basis.

47 § 4. Section 16 of the agriculture and markets law is amended by
48 adding a new subdivision 50 to read as follows:

49 50. Establish, and make available on its website, a geo-coded elec-
50 tronic database to facilitate the purchase of fresh produce and food
51 products by schools. The database shall be developed jointly with the
52 New York state council on food policy and, at a minimum, contain the
53 information necessary for (a) schools to identify and contact agricul-
54 tural producers that are interested in supplying schools in the state
55 with fresh produce and food products and (b) agricultural producers of

1 fresh produce and food products to identify schools in the state that
2 are interested in purchasing those products.

3 § 5. Subdivisions 8 and 9 of section 180-a of the economic development
4 law, as added by chapter 550 of the laws of 1999, are amended to read as
5 follows:

6 8. geographically balanced public input and advice from individuals
7 and agencies directly involved with the production, processing, manufac-
8 turing and storage of agricultural products; and such other individuals
9 and agencies as may be engaged in state and local activities in support
10 of economic development in the agriculture resource industry; [~~and~~]

11 9. the establishment and purposes of the New York state council on
12 food policy established pursuant to subdivision six-a of section sixteen
13 of the agriculture and markets law; and

14 10. all things necessary or convenient to carry out the functions,
15 powers and duties expressly set forth in this article.

16 § 6. This act shall take effect immediately.
