AN ACT to amend the executive law, in relation to requiring an annual report of all fossil fuel related tax expenditures; and to provide for the expiration of fossil fuel related tax expenditures

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

2 declares that the use of fossil fuels result in greenhouse gas emis-  
3 sions. The state has a goal of reducing greenhouse gas emissions by  
4 eighty percent below 1990 levels by 2050 to combat climate change.  
5 Therefore, the state has an interest in reducing tax expenditures that

8 basis, the state can better ensure that they are in the public interest.

9 § 2. Subdivision 1 of section 181 of the executive law is amended by  
10 adding two new paragraphs (c) and (d) to read as follows:

12 of the energy law and include biodiesel.

13 (d) "Fossil fuel related tax expenditures" shall mean tax expenditures  
14 that directly support the production, transmission, distribution, trans-  
15 portation, storage, sale, purchase or delivery of fossil fuels.

16 § 3. The opening paragraph and paragraphs (f) and (g) of subdivision 2  
17 of section 181 of the executive law, the opening paragraph as amended by  
18 chapter 309 of the laws of 1996 and paragraphs (f) and (g) as added by
