"Agency" specifically includes any authority created by an act of the state legislature, including those authorities not receiving state tax revenue. This includes individual state agencies and programs, as well as those programs and activities that cross agency lines, and also includes all elective offices in the executive branch of government and the legislature.

- (d) "Funding source" shall mean the state account from which the expenditure is appropriated.
- (e) "Funding action or expenditure" shall include details on the type of spending, both appropriated expenditures, such as grants, contracts, and appropriations, and tax expenditures, as defined by section one hundred eighty-one of this article as it relates to economic development. Where possible, a hyperlink to the actual grants or contracts shall be provided. 14
 - (f) "Expected outcome" shall include, in relation to corporate subsidies for the purpose of economic development, including tax exemptions, credits, direct grants, or infrastructure assistance, the number and quality of jobs to be created or retained, including wages and benefits, the date the job goals will be reached, the estimated increase to the state tax base, and whether the funded project involves the relocation of jobs and if so how many and from where.
 - (q) "Final outcome" shall include, in relation to corporate subsidies for the purpose of economic development, including tax exemptions, credits, direct grants, or infrastructure assistance, the number and quality of jobs actually created or retained, including wages and benefits, and the actual increase to the state tax base for the fiscal year in which benefit was given. The outcomes achieved shall also include any money recaptured from corporate subsidy recipients for failure to meet expected performance outcomes.
- 30 (h) "State audit or report" shall include any audit or report issued 31 by the comptroller, attorney general, agency, legislative auditor, 32 legislative committee, or executive body relating to the past or current performance of the entity or recipient of funds or the budget 33 program/activity or agency for the purpose of economic development which 34 35 the director of the budget deems as relevant.
 - 2. No later than January first, two thousand twenty, the director of the office for technology, in collaboration with the director of the budget, shall develop a single, searchable economic development grants and tax expenditures database website accessible by the public at no cost, that includes:
 - (a) Annual state expenditures or funding actions for the purposes of economic development provided to any entity, recipient or agency, as determined by the director of the budget including the name and location of any such entity, recipient or agency, the funding source, the amount of funds appropriated including tax expenditures or other subsidies, the funding agency or authority, and a description of the purpose of the funding action or expenditure. If the funding action or expenditure is a tax expenditure, information about the expected outcome of such tax expenditure shall be included and information concerning the final outcome shall be provided within thirty days from when it is reported to the appropriate state agency;
- (b) Bond debt payments and debt service for the purpose of economic 52 53 development including, but not limited to, amounts of bond interest paid and sources of funds paid for individual bond issues; 54
