§ 2. Paragraph (b) of subdivision 3 of section 490 of the vehicle and traffic law, as amended by chapter 429 of the laws of 2014, is amended to read as follows:

(b) The identification card shall contain a distinguishing number or mark and adequate space upon which an anatomical gift, pursuant to article forty-three of the public health law, by the holder may be recorded and shall contain such other information and shall be issued in such form as the commissioner shall determine; provided, however, every identification card or renewal thereof issued to a person under the age of twenty-one years shall have prominently imprinted thereon the statement "UNDER 21 YEARS OF AGE" in notably distinctive print or format. Provided, further, however, that every identification card issued to an applicant who was a member of the armed forces of the United States and received an honorable discharge or was released therefrom under honorable conditions, or was a member of the National guard or military reserves who served at least twenty years shall, upon his or her request and submission of proof as set forth herein, contain a distinguishing mark, in such form as the commissioner shall determine, indicating that he or she is a veteran. Provided, however, that notwithstanding the provisions of section four hundred ninety-one of this article, the commissioner shall not require any fees for the duplication or amendment of an identification card prior to its renewal if such duplication or amendment was solely for the purpose of adding a veteran distinguishing mark to such identification card.

§ 3. This act shall take effect on the ninetieth day after it shall have become a law.
