AN ACT to amend the education law, in relation to establishing a culturally responsive education curriculum and standards; and making an appropriation therefor

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The education law is amended by adding a new section 804-e to read as follows:

§ 804-e. Culturally responsive education curriculum and standards. 1. Culturally responsive education rules and regulations. (a) The commissioner shall promulgate rules and regulations for the implementation of culturally responsive education curriculum for all schools including elementary schools, junior high schools and senior high schools. In formulating such regulations, the commissioner shall seek input of parents, students and other stakeholders.

(b) In formulating the rules and regulations required by paragraph (a) of this subdivision, the commissioner shall recognize that: more than half of New York state's public school students are students of color; education that makes a cultural connection with students has been shown to improve educational outcomes; cultural responsiveness advances and accelerates student learning by honoring and supporting students' cultural, linguistic and racial experiences; in order for students to gain the full benefits of the diversity of New York state, culturally

1 responsive education must be a part of the daily schooling experiences
2 of all students; and cultural responsiveness will prepare educators to
3 relate aspects of students' daily lives to the curriculum.

4 (c) All school districts, charter schools and private schools shall
5 integrate culturally responsive education throughout the education of
6 all students at all grade levels in accordance with the commissioner's
7 rules and regulations promulgated pursuant to this subdivision.

8 (d) The commissioner's rules and regulations shall include, but not be
9 limited to, curriculum standards for: African American history and
10 achievement, Latino American history and achievement, Native American
11 history and achievement, Asian American history and achievement, and the
12 role of racial oppression and inequity based in the formation, growth
13 and existence of our nation and state. The commissioner shall also
14 develop model curricula for use by schools.

15 2. Graduation standards. The commissioner shall promulgate rules and
16 regulations requiring all high school students to pass a course in a
17 subject area that meets the culturally responsive education standards
18 established by this section as a prerequisite for graduation.

19 3. Teacher certification. The commissioner shall promulgate rules and
20 regulations to include completion of at least one college course in
21 effective teaching for students of diverse cultural backgrounds as a
22 prerequisite for teacher certification.

23 4. Professional development. The commissioner shall promulgate rules
24 and regulations requiring cultural competency and culturally responsive
25 education to be incorporated into the ongoing professional development
26 standards for all pre-kindergarten through grade twelve educators.

27 5. Culturally responsive school climate assessment. The commissioner
28 shall create a culturally responsive school climate assessment which
29 school districts may utilize in assessing the cultural responsiveness of
30 the educational climate in their schools and district. This assessment
31 shall be consistent with the purposes of this section.

32 6. Pilot program. Within amounts appropriated therefor, the commis-
33 sioner shall establish a pilot program in culturally responsive educa-
34 tion and shall make funds available to school districts through a
35 request for proposal. The award of such funds shall be based on criteria
36 to be developed by the commissioner and approved by the board of
37 regents. The commissioner shall prioritize districts with the highest
38 needs as measured in terms of student poverty and English language lear-
39 ners and other demographic or community factors which the commissioner
40 may identify. The criteria for an award shall include, but not be
41 limited to, the quality of the proposal and its consistency with the
42 purposes of this section, the ability of the school district to demon-
43 strate parent, family, student and community engagement in the develop-
44 ment and implementation of its proposal, the capacity of the school
45 district to draw upon the direct experiences of its students, families
46 and communities in implementing the purposes of this section, including
47 but not limited to the ability to draw upon these experiences in imple-
48 menting paragraph (d) of subdivision one of this section and the utili-
49 zation of the culturally responsive school climate assessment developed
50 by the commissioner or of a comparable assessment in developing its
51 proposal.

52 § 2. The sum of twenty-five million dollars (\$25,000,000), or so much
53 thereof as may be necessary, is hereby appropriated to the department of
54 education out of any moneys in the state treasury in the general fund to
55 the credit of the state purposes fund, not otherwise appropriated, and
56 made immediately available, for the sole purpose of providing funding

1 for the pilot program in culturally responsive education established
2 pursuant to subdivision 6 of section 804-e of the education law, as
3 added by section one of this act. Such moneys shall be payable on the
4 audit and warrant of the comptroller on vouchers certified or approved
5 by the commissioner of education in the manner prescribed by law.
6 § 3. This act shall take effect on the ninetieth day after it shall
7 have become a law. Effective immediately the addition, amendment and/or
8 repeal of any rule or regulation necessary for the implementation of
9 this act on its effective date are authorized to be made and completed
10 on or before such effective date.
