9 is affiliated with the registered business in the state solely through

30 provisions of this article.

31 6. "Disaster period" means a period that begins within ten days of the

45 to register, file and/or remit state or local taxes or that would
46 require that business or its out-of-state employees to be subject to any
47 state licensing or registration requirements. This includes any and all
48 state or local business licensing or registration requirements or state
49 and local taxes or fees including, but not limited to, unemployment

21 purchases for use or consumption in the state during the disaster peri-
22 od, unless such taxes are otherwise exempted during a disaster period.

23 § 3104. Business or employee activity after disaster period. Any out-

39 cation shall also include contact information for the registered busi-
40 ness in the state.

41 § 3106. Notification of intent to remain in state. An out-of-state
42 business or an out-of-state employee that remains in the state after the
43 disaster period shall complete state and local registration, licensing
44 and filing requirements that ensue as a result of establishing the
45 requisite business presence or residency in the state applicable under
46 the existing rules.

47 § 3107. Tax exempt overtime earnings. Any income of a New York resi-
48 dent individual which is attributable to overtime hours during a
49 declared state disaster or emergency and which is disaster or emergency
50 related work, as such terms are defined in this article, shall be exempt
