(1) Upon written application of the chief executive officer of any such city, the commissioner may authorize for a specified time period the use of a notice mailer form that does not contain all the information set forth in this subdivision but which was used by such city on or before the effective date of this section.

The hearing examiner may impose monetary penalties for the charged parking violation of up to three times the scheduled fine for the violation ~~[and three times the additional penalties that may be imposed for failure to respond to a notice of violation pursuant to section two hundred thirty five of this article.
