In addition, the superintendent shall consider the following factors in assessing a banking institution's record of performance:

(2) The extent of the banking institution's marketing and special credit-related programs to make members of the community aware of the credit services offered by the banking institution;

(3) The extent of participation by the banking institution's board of directors or board of trustees in formulating the banking institution's policies and reviewing its performance with respect to the purposes of the Community Reinvestment Act of 1977;

(9) The banking institution's origination of residential mortgage loans, housing rehabilitation loans, home improvement loans and small business or small farm or minority- and women-owned business loans within its community or the purchase of such loans originated in its community;

(10) The banking institution's participation in governmentally-insured, guaranteed or subsidized loan programs for housing, small businesses or small farms;

(11) The banking institution's ability to meet various community credit needs based on its financial condition, size, legal impediments, local economic condition and other factors;

(b) In assessing the record of performance of a banking institution pursuant to the provisions of paragraph (a) of this subdivision, the

2 public hearings when an objection to the banking institution's applica-
3 tion or notification has been submitted.

4 (c) An assessment of a banking institution's record of performance
5 under paragraph (a) of this subdivision may be the basis for denying an
6 application or notice under the provisions of this section.

7 (d) When taking any action pursuant to paragraph (a) of this subdivi-
8 sion, the superintendent shall request from the applicant or notificant
9 banking institution and from the appropriate federal bank regulatory
