AN ACT to amend the public health law and the domestic relations law, in relation to authorizing adoptees to obtain a certified copy of their birth certificate

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section 2 4138-e to read as follows: 3 § 4138-e. Adoptee's right to a certified copy of his or her birth certificate. 1. The legislature hereby states its intention to acknowl-4 5 edge, support and encourage the life-long health and well-being needs of б persons who have been and will be adopted in this state. The legislature 7 further recognizes that the denial of access to accurate and complete 8 medical and self-identifying data of any adopted person, known and 9 wilfully withheld by others, may result in such person succumbing to preventable disease, premature death or otherwise unhealthy life, is a 10 11 violation of that person's human rights and is contrary to the tenets of 12 government. As such, the provisions of this section seek to establish 13 considerations under the law for adopted persons equal to such consider-14 ations permitted by law to all non-adopted persons; this section does so 15 while providing for the privacy of an adopted person and his or her 16 birth. 17 2. (a) Notwithstanding any other provision of law, the commissioner or 18 a local registrar or any person authorized by the commissioner or a 19 local registrar, upon application, proof of identity and payment of a 20 nominal fee, shall issue certified copies of original long form line by line, vault copy birth certificates, including any change attached to 21 22 that certificate by a birth parent or parents, and any information
