

STATE OF NEW YORK

3462

2019-2020 Regular Sessions

IN SENATE

February 7, 2019

Introduced by Sen. RIVERA -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to requirements for collective negotiations by health care providers with certain health benefit plans

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Statement of legislative intent. The legislature finds that
2 collective negotiation by competing health care providers for the terms
3 and conditions of contracts with health plans can result in beneficial
4 results for health care consumers. The legislature further finds
5 instances where health plans dominate the market to such a degree that
6 fair and adequate negotiations between health care providers and the
7 plans are adversely affected, so that it is necessary and appropriate to
8 provide for a system of collective action on behalf of health care
9 providers. Consequently, the legislature finds it appropriate and neces-
10 sary to displace competition with regulation of health plan-provider
11 agreements and authorize collective negotiations on the terms and condi-
12 tions of the relationship between health care plans and health care
13 providers so the imbalances between the two will not result in adverse
14 conditions of health care. This act is not intended to apply to or
15 affect in any respect collective bargaining relationships which arise
16 under applicable federal or state collective bargaining statutes.

17 § 2. This act shall be known and may be cited as the "health care
18 consumer and provider protection act".

19 § 3. Article 49 of the public health law is amended by adding a new
20 title III to read as follows:

39 3. Nothing in this section shall be construed to allow a strike of a
40 health care plan by health care providers or plans as otherwise set

45 assurance or a similar body.

46 § 4922. Fee related collective negotiation. 1. If the health care plan
47 has substantial market share in a business line in any geographic area

16 § 4923. Collective negotiation requirements. 1. Collective negotiation

25 providers as a group;

26 (d) a health care provider can be bound by the terms and conditions
27 negotiated by the health care providers' representatives; and

29 representative, a health care plan is entitled to contract with or offer
30 different contract terms and conditions to individual competing health
31 care providers.

32 2. A health care providers' representative may not represent more than
33 thirty percent of the market of health care providers or of a particular
34 health care provider type or specialty practicing in the geographic area
35 for which a negotiation has been approved by the commissioner if the
36 health care plan covers less than five percent of the actual number of
37 covered lives of the health care plan in the area, as determined by the
38 department.

39 3. Nothing in this section shall be construed to prohibit collective
40 action on the part of any health care provider who is a member of a
41 collective bargaining unit recognized pursuant to the national labor
42 relations act.

43 § 4924. Requirements for health care providers' representative. 1.
44 Before engaging in collective negotiations with a health care plan on
45 behalf of health care providers, a health care providers' representative
46 shall file with the commissioner, in the manner prescribed by the
47 commissioner, information identifying the representative, the represen-
48 tative's plan of operation, and the representative's procedures to
49 ensure compliance with this title.

50 2. Before engaging in the collective negotiations, the health care
51 providers' representative shall also submit to the commissioner for the
52 commissioner's approval a report identifying the proposed subject matter
53 of the negotiations or discussions with the health care plan and the
54 efficiencies or benefits expected to be achieved through the negoti-
55 ations for both the providers and consumers of health services. The
56 commissioner shall not approve the report if the commissioner, in

1 consultation with the superintendent of financial services determines
2 that the proposed negotiations would exceed the authority granted under
3 this title.

4 3. The representative shall supplement the information in the report
5 on a regular basis or as new information becomes available, indicating
6 that the subject matter of the negotiations with the health care plan
7 has changed or will change. In no event shall the report be less than
8 every thirty days.

9 4. With the advice of the superintendent of financial services and the
10 attorney general, the commissioner shall approve or disapprove the
11 report not later than the twentieth day after the date on which the
12 report is filed. If disapproved, the commissioner shall furnish a writ-
13 ten explanation of any deficiencies, along with a statement of specific
14 proposals for remedial measures to cure the deficiencies. If the commis-
15 sioner does not so act within the twenty days, the report shall be
16 deemed approved.

17 5. A person who acts as a health care providers' representative with-
18 out the approval of the commissioner under this section shall be deemed
19 to be acting outside the authority granted under this title.

20 6. Before reporting the results of negotiations with a health care
21 plan or providing to the affected health care providers an evaluation of
22 any offer made by a health care plan, the health care providers' repre-
23 sentative shall furnish for approval by the commissioner, before dissem-
24 ination to the health care providers, a copy of all communications to be
25 made to the health care providers related to negotiations, discussions,

32 intervention from the commissioner to require the health care plan to
33 participate in the negotiation pursuant to subdivision eight of this
34 section.

35 8. (a) In the event the commissioner determines that an impasse exists
36 in the negotiations, or in the event a health care plan declines to
37 negotiate, cancels negotiations or fails to respond to a request for
38 negotiation, the commissioner shall render assistance as follows:

39 (1) to assist the parties to effect a voluntary resolution of the
40 negotiations, the commissioner shall appoint a mediator from a list of
41 qualified persons maintained by the commissioner. If the mediator is
42 successful in resolving the impasse, then the health care providers'
43 representative shall proceed as set forth in this article;

44 (2) if an impasse continues, the commissioner shall appoint a fact-
45 finding board of not more than three members from a list of qualified
46 persons maintained by the commissioner, which fact-finding board shall
47 have, in addition to the powers delegated to it by the board, the power
48 to make recommendations for the resolution of the dispute;

49 (b) The fact-finding board, acting by a majority of its members, shall
50 transmit its findings of fact and recommendations for resolution of the
51 dispute to the commissioner, and may thereafter assist the parties to
52 effect a voluntary resolution of the dispute. The fact-finding board
53 shall also share its findings of fact and recommendations with the
54 health care providers' representative and the health care plan. If with-
55 in twenty days after the submission of the findings of fact and recom-
56 mendations, the impasse continues, the commissioner shall order a resol-

1 ution to the negotiations based upon the findings of fact and
2 recommendations submitted by the fact-finding board.

3 9. Any proposed agreement between health care providers and a health
4 care plan negotiated pursuant to this title shall be submitted to the
5 commissioner for final approval. The commissioner shall approve or
6 disapprove the agreement within sixty days of such submission.

7 10. The commissioner may collect information from other persons to
8 assist in evaluating the impact of the proposed arrangement on the
9 health care marketplace. The commissioner shall collect information from
10 health plan companies and health care providers operating in the same
11 geographic area.

12 § 4925. Certain collective action prohibited. 1. This title is not
13 intended to authorize competing health care providers to act in concert
14 in response to a report issued by the health care providers' represen-
15 tative related to the representative's discussions or negotiations with
16 health care plans.

17 2. No health care providers' representative shall negotiate any agree-
18 ment that excludes, limits the participation or reimbursement of, or
19 otherwise limits the scope of services to be provided by any health care
20 provider or group of health care providers with respect to the perform-
21 ance of services that are within the health care provider's scope of
22 practice, license, registration, or certificate.

23 § 4926. Fees. Each person who acts as the representative or negotiat-

26 deemed reasonable and necessary to cover the costs incurred by the
27 department in administering this title. Any fee collected under this
28 section shall be deposited in the state treasury to the credit of the
29 general fund/state operations - 003 for the New York state department of
30 health fund.

31 § 4927. Monitoring of agreements. The commissioner shall actively
32 monitor agreements approved under this title to ensure that the agree-
33 ment remains in compliance with the conditions of approval. Upon
34 request, a health care plan or health care provider shall provide infor-
35 mation regarding compliance. The commissioner may revoke an approval
36 upon a finding that the agreement is not in substantial compliance with
37 the terms of the application or the conditions of approval.

38 § 4928. Confidentiality. All reports and other information required to
39 be reported to the department of law under this title including informa-
40 tion obtained by the commissioner pursuant to subdivision ten of section
41 forty-nine hundred twenty-four of this title shall not be subject to
42 disclosure under article six of the public officers law or article thir-
43 ty-one of the civil practice law and rules.

44 § 4929. Severability and construction. The provisions of this title
45 shall be severable, and if any court of competent jurisdiction declares
46 any phrase, clause, sentence or provision of this title to be invalid,
47 or its applicability to any government, agency, person or circumstance
48 is declared invalid, the remainder of this title and its relevant appli-
49 cability shall not be affected. The provisions of this title shall be
50 liberally construed to give effect to the purposes thereof.

51 § 4. This act shall take effect on the one hundred twentieth day after
52 it shall have become a law; provided that the commissioner of health is
53 authorized to promulgate any and all rules and regulations and take any
54 other measures necessary to implement this act on its effective date on
55 or before such date.
