

# STATE OF NEW YORK

3768

2019-2020 Regular Sessions

## IN SENATE

February 14, 2019

Introduced by Sen. LAVALLE -- read twice and ordered printed, and when printed to be committed to the Committee on Local Government

AN ACT to amend the village law, in relation to including a high school member on village boards of trustees

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph b of subdivision 1 of section 3-301 of the  
2 village law is amended to read as follows:

3 b. four trustees, except that the board of trustees of a village may  
4 change the number of trustees as authorized by section 3-304 of this  
5 article, and except that the board of trustees of a village may appoint  
6 one student representative to such board as authorized by section 3-305  
7 of this article;

8 § 2. The village law is amended by adding a new section 3-305 to read  
9 as follows:

10 § 3-305 Student representative. The board of trustees by resolution  
11 or local law may appoint one student representative to such board. Such  
12 student representative shall be a senior in a high school of a school  
13 district in which all or part of such school district is contained with-  
14 in such village. The term of such student representative shall be for  
15 one year and shall begin on the July first preceding the senior year of  
16 such student representative and end the following June thirtieth. A  
17 vacancy of such representative may be filled by the board for the  
18 remainder of such term. Such student representative shall be entitled  
19 to sit with board members at all public meetings of the board and  
20 participate in all board hearings and meetings, provided that such  
21 student representative shall not be allowed to vote, shall not be  
22 allowed to attend executive session, and shall not be entitled to  
23 receive compensation of any form.

24 § 3. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
