February 14, 2019

Introduced by Sen. KAPLAN -- read twice and ordered printed, and when printed to be committed to the Committee on Finance -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public authorities law, in relation to enacting the "Long Island public school solar and geothermal act"; and making an appropriation therefor

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "Long  
2 Island public school solar and geothermal act".

3 § 2. Section 1854 of the public authorities law is amended by adding a  
4 new subdivision 22 to read as follows:

5 22. a. To make grants from amounts appropriated therefor, in amounts  
6 of two hundred thousand dollars, to fifty public school districts  
7 located within the county of Nassau or the county of Suffolk, to provide  
8 such school districts with funding for the purchase and installation of  
9 photovoltaic solar panels or ground source heat pump systems within such  
10 district. Grants shall be made upon application by such school districts  
11 to the authority in a manner and form to be determined by the authority.  
12 In order to be eligible for a grant for the installation of photovoltaic  
13 solar panels pursuant to this subdivision, such application shall  
14 include a plan proposed by the school district providing for the instal-  
15 lation of photovoltaic solar panels on a minimum of fifty percent of  
16 such school district's suitable roof space on buildings that are eligi-  
17 ble for state building aid. Grants shall be made available for a period  
18 of thirty months from the successful application of a school district.

19 b. No school district that receives a grant pursuant to paragraph a of  
20 this subdivision shall be subject to a reduction in state education aid  
21 due to moneys saved by the school district as a result of lower utility  
22 costs resulting from the purchase and installation of photovoltaic solar

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
