Introduced by Sen. GRIFFO -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to authorizing a nursing home patient to install, operate and maintain an electronic monitoring device in his or her room

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 3 of section 2803-c of the public health law is amended by adding a new paragraph q to read as follows:

q. Pursuant to regulations promulgated by the commissioner, every patient shall have the right, at his or her own expense, to install, operate and maintain an electronic monitoring device in his or her room.

For the purposes of this section, the term "electronic monitoring device" shall mean a surveillance instrument with a fixed position video camera or an audio recording device, or a combination thereof, which is installed in a patient's room and broadcasts or records activity or sounds occurring in such room.

§ 2. This act shall take effect on the ninetieth day after it shall have become a law; provided, however, that effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized and directed to be made and completed on or before such effective date.

EXPLANATION--Matter in <a href="italics">italics</a> (underscored) is new; matter in brackets [-] is old law to be omitted.
