FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant improved disability pensions to airport fire-fighters and training and safety officers in the New York State division of military and naval affairs who sustain a disability in the performance of their duties equal to 50% of final average salary (FAS), or 75% of FAS less worker's compensation (WC) when such disability is related to heart disease, lung disease, or certain forms of cancer, unless the contrary be proven by competent evidence. Currently, affected members are entitled to an ordinary disability benefit of 1/3 of FAS.

If this bill is enacted during the 2019 legislative session, we anticipate that there will be an increase of approximately \$95,000 in the annual contributions of for the fiscal year ending March 31, 2020. In future years, this cost will vary as the billing rates and salary of the affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$725,000 which will be borne by the state of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2020.

These estimated costs are based on 71 members having an annual salary for the fiscal year ending March 31, 2018 of approximately \$4.4 million.
